THINGS TO KNOW

- ✔ We have upped our game on our website. You will now be able to see which meal items are ORGANIC, NON GMO only, GRASS FED, FREE ROAMING etc.
- ✔ OKLA uses reusable boxes/trays or compostable containers. There is a twice yearly “green fee” to cover the enormous cost of washing so many containers daily. We go back and forth about using different containers. Our research has shown compostable/recyclable material doesn’t compost due to where the trash gets thrown. Los Angeles has not adopted a compost pick up program like other cities, so for now we stick with our BPA free reusable plastic containers. These containers need to be **RETURNED TO US DAILY, NOT TAKEN HOME.**
- ✔ All orders can be placed up until midnight the night before on our website. Orders placed in advance are helpful. *If you get into a bind and need to place a same day order then you must **EMAIL US**. There is a \$4 fee for same day orders. We upped this price from last year due to so many people placing last minute orders which is a strain on our kitchen.
- ✔ We do accept cancellations for a full refund after midnight the evening prior, but you must **EMAIL US** to let us know before 7:30am SHARP the day of service.

We cannot wait to start lunching with your kiddos this year!

XO,
Your OKLA lunch team
