TILT-HEAD STAND MIXER

Easy access to the beaters and bowl highlight a tilt-head stand mixer. Simply tilt the head back for access, tilt down and lock for mixing. The bowl also clamps to the base for secure and consistent mixing.

BOWL-LIFT STAND MIXER

The bowl-lift mixer is built with sturdy metal arms that securely embrace the metal bowl. With an easy turn of the lift lever, you can raise and lower the bowl – a must-have feature when mixing triple batches of cookie dough.
