INTRODUCING THE

Meringue

WHITE
COLLECTION

Inspired by the irresistible European dessert, the Staub Meringue White Collection combines soft tones of vanilla, coconut and egg white for a luscious hue that blends beautifully into any kitchen environment.

TASTE THE EXCELLENCE

Rediscover true flavours with continuous self-basting spikes
 The substantial weight of the flat lid guarantees
 10% more moisture retention than competitors and the
 innovative self-basting spikes ensure a continuous
 rainfall effect over the food for 9X juicier results.

NEW BRAISE & GRILL PAN

Staub's cast iron is now even more versatile with a lid that converts to a grill pan. When you're not using the large 7Qt Cocotte for braising, browning and simmering, the two-handed lid flips over to reveal ridges ideal for grilling foods on the stovetop.

NEW BALLARINI COOKWARE

ZWILLING J.A. HENCKELS'
LEADING ALUMINUM
COOKWARE BRAND FROM
LOMBARDY, ITALY

Ballarini, the leading aluminum cookware brand founded in Lombardy, Italy in 1889, is ZWILLING J.A. Henckels' latest addition to its prestigious family of brands. Offering a wide range of high-quality aluminum cookware, Ballarini is manufactured to the same legendary standards as all ZWILLING J.A. Henckels' products. Made in the culinary epicentre of Europe, Ballarini's products have been tested and recommended by some of the top kitchens in Italy.

**GRANITIUM
NON-STICK
SURFACES**

Granitium non-stick surfaces ensure cooking and clean-up is easy and stick-free while guaranteeing maximum durability. The tough materials used offer exceptional resistance to scratch and wear. Metal safe and PFOA free.

Thermopoint

Thermopoint features a heat sensitive indicator that is red when hot and green when cool. This allows you to see when the temperature is hot enough to start cooking and cool enough to begin cleaning.

INTRODUCING BALLARINI COOKWARE DESIGN. PERFORMANCE. DURABILITY.

- Contemporary design to complement today's modern living kitchen
- Top-of-the-line materials for superior performance
- Best-in-class production to guarantee long-lasting durability
- Quick and even heat distribution for optimal cooking results
- Ergonomic handles to assure controlled and comfortable food preparation
- Streamlined construction for fast and easy clean up
- Heavy metal and nickel-free products with high-quality and PFOA-free non-stick coatings
- Wide range of shapes and sizes

**Passion for the best.
Since 1731.**

The ZWILLING J.A. HENCKELS brand was established on June 13, 1731 the day knife-maker Peter Henckels registered the ZWILLING® (German for Twins) logo with the Cutlers Guild of Solingen, Germany. The legacy of the brand began with premium knives and now includes a complete product range for the discerning professional chef and for those whose gourmet passion requires the best. To keep the ZWILLING® portfolio innovative and on trend, we collaborate with authorities such as architect and designer Matteo Thun and master blade-smith Bob Kramer to develop nothing but the very best products.
