# about us

Kitch was incorporated in 1999 as the marketing arm of Kosion Trading (M) Sdn Bhd to cater to the growing needs of the kitchen industry in Malaysia. Our aim is to bring the best in quality fittings and appliances for the kitchen to consumers who want products that will last for years.

With more than 20 years of experience in supplying fittings and materials to the furniture and wood-working industry, we have slowly been evolving into a specialist supplier for the kitchen industry over the past 10 years. Today, we are a leading supplier to the kitchen industry in Malaysia. Our range of products can be seen in many kitchen showrooms throughout Malaysia as well as in exclusive property development show units. In addition, we work with many of the leading kitchen designers and interior designers to introduce the latest trends and technology in kitchen design and planning to Malaysian consumers.

Our commitment to the kitchen industry is backed by our competent staff who are on hand to provide planning information as well as after-sales servicing to both industry personnel and consumers alike.

We maintain our own product showrooms in Kuala Lumpur, Plaza Damas and Penang and at our showrooms, visitors can view our present range of products, which include Blum fittings from Austria, Smeg appliances from Italy and Suspa gas spires from Germany.
