

LexisNexis® Company Dossier for LexisNexis® Academic

Having up-to-date information on companies is critical for business majors, job seekers, and anyone performing company-based research. But getting a complete picture of a company's structure, financial health, brands and competitors can be a challenge.

Now, with LexisNexis Company Dossier add-on module, you can access the most accurate information available on 35 million U.S. and international companies ... right from LexisNexis Academic.

Search Multiple Criteria Simultaneously

LexisNexis Company Dossier quickly delivers information in one report that would typically require more than 70 searches using traditional methods.

And, it leverages information from a combination of new and existing sources, including Directory of Corporate Affiliations™, EDGARPlus® Database, FBR Asian Company Profiles, Hoover's Company Profiles, Investext® Current Reports, Pinnacor Stock Quotes and Charts, news publications, federal and state cases, and more.

Receive Detailed Reports in One Click

The optional LexisNexis Company Dossier add-on module becomes an integral component of your LexisNexis Academic home page, allowing for instant access to this comprehensive tool. Research companies by name or ticker symbol, or link to an advanced search form for more options. Whether a novice researcher or a seasoned professional, you'll receive targeted, reliable, easy-to-read information, presented in the format you select.
