# A Half Century of Service

*Back in 1868* this store began in a small way to serve the people of Rochester.

It was a one-price store, which in those early days was the exception rather than the rule. Floor space occupied was about 4000 square feet,—less than one-tenth of an acre. There were about a dozen employees.

Today the store has a street frontage of 618 feet, a floor space of over fourteen acres, and upwards of 2000 employees.

It has more than kept pace with the growth of the city, whose population in 1868 was a little over 60,000.

With its larger facilities it is here to serve you now and in the years to come, not only as faithfully and satisfactorily as in the past, but to strive constantly to give you *Better Service*.
