LAUNCH! Chicago Sea Scouts
Spring Gala Benefit

Friday, April 24, 2015, 6 p.m. – 9 p.m.

Columbia Yacht Club – 111 North Lake Shore Drive, Chicago

Kick off the season under the stars in support of the Chicago Sea Scouts

You're invited to join the Chicago sailing and boating community on Friday, April 24, as we celebrate the start of the season at LAUNCH! the Chicago Sea Scouts annual Spring fundraising event. In addition to a memorable evening, you'll enjoy 360° views of the Chicago skyline and Lake Michigan aboard the historic Columbia Yacht Club Ship, Abegweit.

The Sea Scouts, a division of Boy Scouts of America, teaches teamwork and leadership skills by providing hands-on experience through its sailing programs, which are supported entirely through the generous donations of the Chicago sailing community. Over 150 youths participate in Chicago, sailing ships out of Montrose, Monroe and Jackson Park Harbors. All contributions go directly to the Sea Scouts. Auction gifts are tax deductible.

For ticketing information, visit chicagoseascouts.com or contact:

Gary Feracota aboard *Ocean*.

Gary Feracota

Gary Feracota, a 2014 Benefactor Member of Lake Michigan Sail Racing Federation, is also a member of Chicago Yacht Club and is President of Pinnacle Foundation, both Lake Michigan Sail Racing Federation Member Organizations.

He is a principal in Pinnacle Yachts, a lease share business on Chicago's lakefront that currently boasts 420 active

members.

Feracota is Captain and Person in Charge of the yacht *Ocean*, Chicago's largest racing sailboat. *Ocean* is frequently seen sailing along the lakefront and participates in most Lake Michigan Sail Racing Federation Area III races, as well as the Chicago-Mackinac race.

2014 Yachtsperson of the Year

Gary Feracota earned recognition as the 2014 Yachtsperson of the Year based on a broad array of accomplishments this year, including:

- Created and Chaired the Chicago Regatta, which includes a sailboat race, cruising rally, and party. Fifty boats participated and 500 tickets were sold to the party. The event resulted in a donation of \$30,000 to Lurie Children's Hospital in Chicago. More information is available at www.chicagoregatta.com.
- Serves as President of the Pinnacle Foundation which supports the creation of homes for autistic children, a serious dance school for young people, and a school for poor children in Cambodia.
- Organized the 9/11 American Hero Tribute Sail for an Honor Guard of U.S. Coast Guard, Marine Police, Marine Fire, and Military Veterans as a show of our strength and resilience as a nation. On this day a huge American flag is hoisted up the mast of the yacht *Ocean* by the Honor Guard and the boat then sails across the Chicago lakefront in a procession of boats from each of these organizations. This is an experience of great pride and the officers hold Feracota in high regard for his patriotism.
- Serves on the Board of Directors of the U.S. Coast Guard sanctioned Chicago Harbor Safety Committee, an elected position, where he worked with the USCG command to create the definitive guidance document regarding USCG charter regulations that is now used across the nation. This group is made up of public and private individuals with interests on the Chicago lakefront and Chicago River.
- Developed and hosted a safety workshop held at Chicago Yacht Club attended by 115 professional mariners involved in Chicago area charter operations. USCG, Marine Police, and Marine Firemen discussed safety matters.
- Developed a position and was invited to testify in Springfield, Illinois, to a Senate Committee regarding safe boating legislation which subsequently passed.
- Serves as Person in Charge of the Yacht *Ocean*, which is used as a fundraising vessel as well as being a serious and extensively campaigned race yacht.
- Through the Pinnacle Yachts lease share business, many people have been brought into the yachting world that would otherwise not have had the opportunity to enjoy Chicago's magnificent lakefront.

These days Feracota spends much of his

time serving as President of the Pinnacle Foundation, a 501(c)(3) charity he created a few years back. The foundation raises funds for the arts, education and community service by organizing unique on-the-water experiences.

Feracota is an accomplished sailboat racer. As Person in Charge of the 77-foot Turbo Class yacht *Ocean*, he and his team have many wins to their credit and have sailed the boat as fast as 19.5 knots. Recently they set the record in the Chicago to St. Joseph race, bettering the record by two hours, finishing in only 4 hours and 15 minutes.

Feracota's actions speak louder than words. He has worked tirelessly to unify the marine community, to promote inclusion, and to bring safe, high quality yachting experiences to many.

The Lake Michigan Sail Racing Federation Area III Steering Committee is pleased to name Gary Feracota as its 2014 Yachtsperson of the Year.

CHICAGO CORINTHIAN YACHT CLUB®

Chicago Corinthian Yacht Club

by David Brezina, Commodore

Chicago Corinthian Yacht Club® (CCYC) is an all volunteer club which has served Montrose Harbor boaters since 1934. Our member-volunteers pride themselves in providing a full sail racing program, year-round social activities and in our service to the larger community.

Several of our activities highlight our pride in serving the larger community. In 2014 we were honored, as we have since 2002, to host Friends of the Parks' Nature Along the Lake (NAL) program. NAL is a field trip program for Chicago Public School elementary students grades 2 - 8 and occurs with different groups attending each school day in the Spring and Fall. Using the club house as a base during field trips, NAL holds classroom sessions at the Club then continuing out to explore the restored natural area at Montrose Point. We look forward to the opportunity to continue this partnership in the future.

A premier, city wide, event supported at and organized by a committee chaired by Rear Commodore Dominic Iripino is "Boating for a Cure," the Leukemia & Lymphoma Society Poker Run and After Party, a powerboating focused adjunct to the Leukemia Cup hosted by our friends at Columbia. Boaters throughout Chicago help this worthy cause. CCYC's Poker Run set records again this year. In addition to months of organizing by Dominic and his committee, the day of the event many more Corinthians pitched in. The Poker Run and After Party raised over \$95,000.00. Great work Dom and crew.

During the off season CCYC is pleased to be able to co-sponsor, with the Chicago Tartan Ten Fleet, and host at our clubhouse, free "go fast" seminars. Organized by Treasurer Steve Fink and Tartan Ten Fleet Captain Steve Karstrand, these seminars are usually packed with sailors anxious to get back on the water -- and go faster. We also provide facili-

ties for other organizations including the US Power and Sail Squadron, Chicago Maritime Festival, several area fleets and some school events.

In state-wide developments, Commodore Dave Brezina testified at a hearing in Springfield regarding Illinois Boating Safety Certificate legislation. Notification of the hearing came solely because an alert Corinthian, Capt. Fred Swastek (of USMA) learned it was imminent. As amended at the time of the first trip to Springfield, the legislation would have made Junior sailing and things like Scout canoe and kayak trips illegal. With support from other sailing and boating groups, the legislature modified the bill which now exempts sail, human powered, and powered vessels under 10 horsepower. Younger boaters will, however, have to undertake basic boating safety classes and obtain a certificate showing completion. Governor Quinn signed the bill into law on July 4th weekend at 31st Street Harbor.

More fun is another example of Corinthian cooperation and problem solving. We are proud to have hosted the Fish This! salmon fishing tournament. Notable was the fact that more than a dozen salmon fishermen were able to have their tournament while CCYC was simultaneously running day one of the Gym Hobelman One Design Regatta sponsored by Goose Island®. With powerboaters and sailors coexisting simultaneously, there is hope for the future.

CCYC's racing season begins, descriptively, with the Spring Opener followed

by its companion the Olympic Cup. Held Memorial Day weekend, these two separate Area III events are also scored together to determine the winner of the perpetual Rossberger Trophy to honor of past CCYC and CYA Commodore Bill Rossberger. Offshore Fleet Captain Chuck Fogel arranged for the Jon McDonald Band, a serious blues band, to play at the Spring Opener Party.

Other Area III regattas hosted by CCYC include the offshore Hobelman and Waukegan-Chicago in June and the Kaczmarek in August. Under Andy Camarda's Fleet Captainship the Vanguard 15 fleet sponsored the Windy City Team Race and with Rhodes 19 Fleet's Harold Hering, the One Design Hobelman and the St. Patrick's Day party. The V15s conclude the regular season with the Hairy Scary regatta. The R19 Fleet held their weekend Championship and Wednesday Evening and Sunset races, in addition to the Women's Regatta, Crew-Skipper and Guest-Skipper races. For the second year Laser Fleet Captain Rick Strilky brought in Olympic level coaching for a racing clinic including on the water and classroom work. The Red Flannels regatta remains a Lightning Class mainstay, with international competitors making the trip. These premier regattas fit in with our club race schedule. Dozens of Offshore Fleet, Rhodes 19 Fleet and several irrepressible Lasers raced each Wednesday night along with the Offshore Fleet's Jib and Main, two Spinnaker sections, a Tartan Ten section and a new Turbo Section for 2014. Forty to sixty boats from CCYC raced around set courses on our Olympic Circle. Weekend club races were also held for the Rhodes, Vanguard and Offshore Fleets. Management of all these racing activities was by Race Committee Chair Chuck Beitel, with invaluable work from CCYC PRO Dale Muehlenthaler, Dick Haugen, help from US Sailing PROs affiliated with other clubs and, of course, our member volunteers. nifer Wohlberg supervised development activities for new PROs. Rear Commodore Dominic Irpino supervised committee boat maintenance.

Our Junior Fleet, supervised by Past Commodore Ginny Waskel enjoyed another successful year, bringing kids into boating, with a low pressure "sailing is fun" approach, while reinforcing safety (no one, kids or parents on the dock or boats without a PFD, swim and capsized righting test before sailing). We are proud of Junior Fleet "graduates" who have moved on to championship sailing, serving as fleet captains and leaders at CCYC, and earning awards in the Sea Scouts and US Marines.

Organizationally, we have adjusted our membership criteria to include members of other organizations such as Freedom Boat Club and non-reciprocal yacht clubs, encouraged younger members and are growing with crew members from both our existing members' crews and our Crew School graduates. Membership is on track to hit an all time high in 2014.

Our House committee, under Director Roy Kruse, supervised improvements to the club including modern galley lighting and room darkening window shades to permit both meetings and educational events while enhancing our harbor and cityscape view. We even have new exterior signage so the pizza guy can

find us when the galley is closed.

2014 was a great year for CCYC. Commodore Dave Brezina thanks Flag Officers: Vice Commodore John Madey, Rear Commodore Dominic Irpino, Treasurer Steve Fink and Secretary Lysa Hynes, immediate Past Commodore Mary Kovats and Board Members Susan Nillson, Roy Kruse, Sue Johnson and Dave Stix, for their hard work, great ideas and cooperative efforts. As they move up in 2015, CCYC's future is in good hands.

CHICAGO MATCH RACE CENTER
BRINGING WORLD CLASS MATCH RACING TO THE WINDY CITY
WWW.CHICAGOMATCHRACE.COM

By **Tod Reynolds**

It's been a highly successful season at the Chicago Match Race Center, with both local and world-class sailing talent converging on the Lake Michigan shoreline for racing at one or more of Chicago Match Race Center's 14 regattas and clinics held in 2014. In all, skippers and crews from 15 countries came to Chicago to race in the Center's fleet of eight equally-matched TOM 28 Class boats and enjoy the unparalleled excellence in hospitality and organization that have made Chicago Match Race Center world famous.

The top draw for talent this year was Chicago Match Race Center's signature event, the Chicago Match Cup, the only US event on the seven-stop Alpari World Match Racing Tour. Twelve teams from 10 nations came this year to compete for their share of the \$75,000 purse, along with valuable points in the ISAF World Open Match Race Ranking List. And, for the six who are regulars on the Tour, the event was also a chance to

**Chicago Match Race Center

to Chicago**

earn points on the AWMRT Leaderboard which is used to determine the World Match Racing Champion and prize money bonuses awarded at the end of the season.

This year's Chicago Match Cup was held at Belmont Harbor and it featured ideal racing conditions for both race managers and competitors. After five days of intense competition, former Chicago Match Race Center Sailing Director Taylor Canfield's Team *US One* came out on top to defend his title from last year. Canfield then went on the following week to win the Dutch Match Cup in Lelystad, Netherlands, and has thus closed the gap in second place to the current Tour leader, Ian Williams, *GAC Pindar* from the UK.

Chicago Match Race Center

Besides the Chicago Match Cup, there were two ISAF Grade 2 events hosted by Chicago Match Race Center this year: the Chicago Match Cup qualifier in June and the Chicago Grand Slam in August. As with all match race events, the participants not only receive valuable points for the ranking list based on their results, but the winners often also get automatic invitations to higher grade events. For the June regatta, winner Chris Steele from New Zealand received an invitation to the Chicago Match Cup, and for the August regatta, runner-up Pierre Antoine Morvan from France received an invitation to the Long Beach Yacht Club's venerable Congressional Cup in 2015 based on his scores of 1-2-1 in the remaining three Grand Slam Series events held in other match race centers established in Detroit, MI, Manhasset Bay, NY, and Oyster Bay, NY.

Throughout the 2014 season there was similar cross-linking of invitations to and from these and other match race centers in the US among the five Grade 3 events held at Chicago Match Race Center, starting in May with the Spring Invitational and ending in October at the Autumn Invitational A and B. Grade 3 events usually attract a range of aspiring talent, from established local and national skippers wanting an opportunity to gain points to qualify for higher grade events, to new talent fresh out of (and sometimes still in) intercollegiate programs.

Youth teams were also attracted to Chicago Match Race Center this year with a North U Youth Clinegatta held in June and led by noted expert match racer Dave Perry. Thirty enthusiastic Youth sailors were in attendance this year for what will be an ongoing feature in future seasons at Chicago Match Race Center.

The final level of racing held at Chicago Match Race Center is not intended for teams flying in from all over the world, but for the locals only: the Membership Series of six events featuring one day of Round Robin racing with an emphasis on maximum participation for all teams.

This is an opportunity for members of Chicago Match Race Center to put their training and skills to the test in a fun but competitive atmosphere. These events are also important for local umpires and race committee members wishing to hone their skills at managing and adjudicating the game.

Blustery match racing at the 2014 Chicago Match Cup off the Chicago lakefront. Photo courtesy: Chicago Match Race Center.

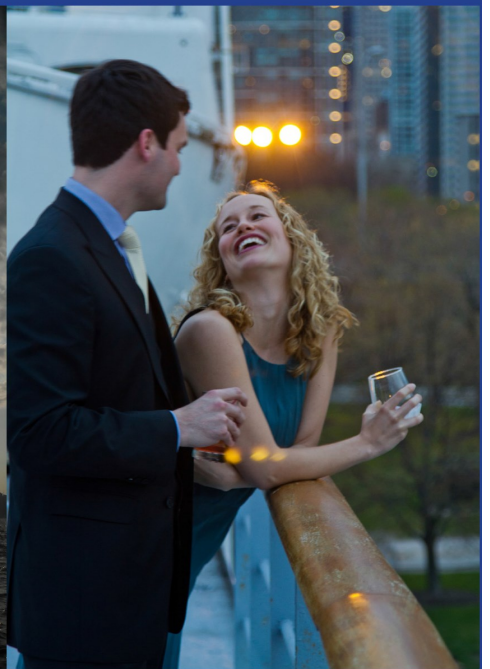

An important element to the continued success of Chicago Match Race Center's organization is the extraordinary effort made by the full-time staff. Membership Coach Jordan Reece from Australia manages the membership program and high level training; Sailing Director Maggie Shea handles all the sailing events and her own successful match racing and 49er Olympic campaign; bosuns Josh McCaffrey and Mike Rehe manage and oversee the Chicago Match Race Center fleet of eight TOM 28's, several race committee and umpire boats, and the Chicago Match Race Center's well-known 80-foot houseboat; chef Scott Allred caters all of Chicago Match Race Center's events; and the several summer interns who assist in all manner of tasks to keep Chicago Match Race Center events smooth, well-oiled operations; with Chicago Match Race Center Program Director Tod Reynolds overseeing all.

This team puts in the long hours needed to make the participants at Chicago Match Race Center events have a turn-key experience for racing and hospitality and have set the high standard that continues to attract top sailors from around the world to continue to come to Chicago to compete.

Best on Lake Michigan

By Michael Hettel, LMSRF Offshore Council Chair

The Best On Lake Michigan offshore series attempts to help answer the question 'Who's the best on the lake?' The series is intended to provide a format that permits competing on a lake wide level via scoring boats competing in events around the entirety of Lake Michigan. See the Notice Of Series at <http://tinyurl.com/LMSRF-BOLM-NOS> for more details.

Tartan Ten - the Best Tartan Ten on Lake Michigan is **Honey Badger** skippered by Tom Kane. Congratulations to Tom & the **Honey Badger** crew! The Chicago Tartan Ten fleet included their entire 2014 race schedule, 25 events over 27 dates, in their Best On Lake Michigan series.

J/105 - the Best J/105 on Lake Michigan is **Here's Johnny** skippered by John Moore. Congratulations to John & the **Here's Johnny** crew! J/105 local fleet, Fleet 5, also included their entire 2014 race schedule, 11 events over 15 dates, in their Best On Lake Michigan series.

Beneteau 36.7 - the Best Beneteau 36.7 on Lake Michigan is **Sorcerer** skippered by Don Draper. Congratulations to Don & the **Sorcerer** crew! The Beneteau 36.7 fleet included a selection of both distance and buoy events in their 2014 Best On Lake Michigan series.

Beneteau 40.7 - the Best Beneteau 40.7 on Lake Michigan is **La Tempête** skippered by Tom Weber. Congratulations to Tom & the **La Tempête** crew! The Beneteau 40.7 fleet included key events such as, but not limited to, the NOOD, Race to Mackinac, Verve Cup, & other events in their 2014 Best On Lake Michigan series.

PHRF Area III - the Best PHRF Area III boat on Lake Michigan is **Defiance** skippered by Dale Smirl. Congratulations to Dale & the **Defiance** crew! The lake wide PHRF fleet included 20 events over 27 dates representing all five LMSRF Areas in their Best On Lake Michigan series.

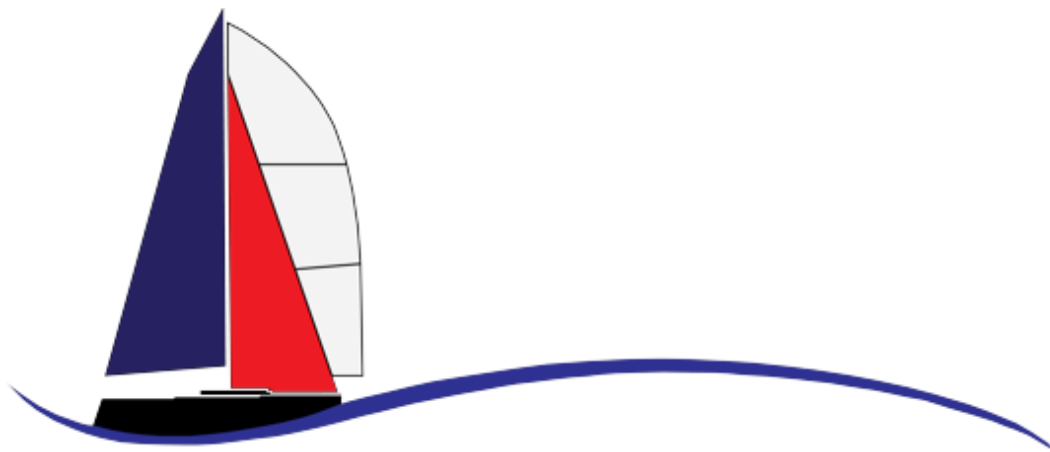

PHRF Area IV - the Best PHRF Area IV boat on Lake Michigan is **Majic** skippered by Bill Hoyer. Congratulations to Bill & the **Majic** crew! The lake wide PHRF fleet included 20 events over 27 dates representing all five LMSRF Areas in their Best On Lake Michigan series.

The history of the Best on Lake Michigan series, with photos of permanent trophies that have been established in some categories, is available on the Lake Michigan Sail Racing Federation web site. Please visit:

<http://lmsrf.org/index.php/offshore-championships/best-on-lake-michigan-results>.

LMSRF offers a hearty thank you to all boat owners, crew members, fleets, clubs, and organizations that held and participated in the myriad of events constituting the 2014 Best On Lake Michigan series. Thank you very much! It couldn't have been done without you.

While LMSRF had a late start in 2014 with this series, an earlier start for 2015 is already underway. Classes or fleets do not have to be specific to one Area of Lake Michigan; a series that is lake-wide and has boats participating all over the lake in designated events can compete! Send your input now to offshorechair@lmsrf.org while the 2014 season is still fresh in your mind.

St. Joseph River Yacht Club congratulates Lake Michigan Sail Racing Federation Area III on another great season of Sail Racing.

We are especially proud of the long standing partnership with Chicago's

Columbia Yacht Club that brings so many Area III boats to the finish line and party for Leg 1 of the Tri-State series and the start of Leg 2 with our friends from the Michigan City Yacht Club.

St. Joseph River Yacht Club is also extremely honored that Milwaukee's South Shore Yacht Club has chosen St. Joseph as the destination for the 2016 Queen's Cup Regatta and look forward to hosting Area III and IV boats participating in the Cup that is so rich in history.

"\$30,000 was given to Ann & Robert H. Lurie Children's Hospital as a result of the 50 boats and 500 people that participated in the first running of the Chicago Regatta. Many thanks to all that made it happen."

- The Chicago Regatta Race Committee

Ann and Robert H. Lurie Children's Hospital of Chicago received a check in the amount of \$30,000 as a result of the generous contributions of the boaters and businesses participating in the inaugural running of the Chicago Regatta.

The regatta opened on Saturday, September 6, with 40 children enjoying a morning of sailing aboard the Tall Ship *Red Witch*. The day continued with an Lake Michigan Sail Racing Federation Area III competition of 32 race boats. A rally took place at the same time for 18 cruising boats, sailboats, and powerboats which toured the city's famous landmarks.

Following a day of perfect weather, boaters converged to the Rocking Regatta Party at Chicago's 31st Street Harbor. In a massive tent, people came together to celebrate what they had achieved for Lurie Children's. Fabulous foods were served and top-shelf drinks flowed. After dark, DJ Miles rocked the house -- incredible music, a phenomenal light show and a dance floor packed with several hundred people having the time of their lives. Party entry tickets sales were halted Saturday evening when they hit 500.

"The patients and families at Lurie Children's are grateful for the support of the Pinnacle Foundation, the sponsors and, especially, all who participated in the Chicago Regatta," said Ashley Lavore, Lurie Children's Foundation's Development Coordinator, Circle of Friends. "Please know that this generous gift will help improve the lives of our patients."

The Chicago Regatta was more than a boat race, rally and party. "It is a unifying event for the entire marine community to support a great cause," said Gary Feracota, President of the Pinnacle Foundation. tiful marinas along the shore of the finest boating waterway in the United States. We have superb yacht clubs, outstanding boat yards and support facilities, and a well-run race circuit. So, it's fitting that the marine community comes together and shows what we are made of by supporting the great kids of Lurie Children's Hospital."

The Chicago Regatta was sponsored by Larsen Marine, Jeanneau, Goose Island Brewery, Hinsdale Bank and Trust, Harken, North Sails, Crowley's Yacht Yard, Adapt, Mechanical Products Nevada, Avondale Electric, Westrec, Decision Support Services, DMB Resources, Nitel, RKI, MBHB Law, Hub International, PMW Photography, Carrozza Plumbing, Texas Instruments, Lavezzi, the Geldner Center and Pinnacle Yachts.

de·fi·ance

By Deirdre Martin, PHRF Fleet Captain,
LMSRF Area III

In the case of *Defiance*, a Judel-Vrolijk 66, defying mother nature could not be more true for her owner/skipper Dale Smirl of Oak Park, Illinois, and his dedicated crew. Smirl has campaigned several boats on the racing circuit of Chicago, Lake Michigan and the Great Lakes since 1977. Currently, his trophy boat has won him numerous awards like no other boat on Lake Michigan. This past year is no exception. Dale Smirl's *Defiance* has won, for the third year running since the inception of this award in 2012, the PHRF Long Distance Championship Series for Boat of the Year, sponsored by Larsen Marine.

Defiance is something special and so is its owner and crew. The boat brings certain advantages to racing in various conditions

2014 Boat of the Year: *DEFIANCE*

and her crew works tirelessly to keep her moving. *Defiance* stands proud with her 99-foot mast, a 12-foot keel with a 9,000-pound bulb. Her sail area has a remarkable 1,500 square foot mainsail and a spinnaker that is 4,000 square feet. Along with carbon fiber rigging, coffee grinders, running back stays, a boat length that is twice that of the average racing boat on Lake Michigan, one could only wish for the opportunity to take command at the helm of this marvelous water craft as I was so graciously allowed. Experiencing the power of the wind in her sails, witnessing the diligent performance, team work and camaraderie aboard *Defiance*, all I could think of was, 'may the force be with you.'

As one of Chicago's largest racing yachts, *Defiance* has proven year-after-year to be the boat to beat in many aspects. Smirl and his crew have competed all over Lake Michigan in dozens and dozens of races which

include an impressive list from Chicago, Michigan City, St. Joseph, Waukegan, Racine, Milwaukee, Door County, Harbor Springs and the Chicago-Mackinac as well as the Bayview-Mackinac in Lake Huron.

Smirl has volunteered his time on several committees for the benefit of racing, LMSRF Area III Steering Committee Past Commodore and member for 20 years, Chicago Yachting Association Secretary and member for 10 years, Lake Michigan Performance Handicap Racing Fleet, Legal Council, currently and for the past 25 years. Smirl has been a member and is Past Commodore of the Jackson Park Yacht Club, a past member of Columbia Yacht Club and is currently a member of Chicago Yacht Club.

Winning is not just about the boat and it's not just about the crew, it's the two together that make up the team, the winning Team *Defiance*. Congratulations!

Awards for the races in the yellow columns on these three pages are at tonight's celebration for pick up by our organization's competitors. Congratulations to you all!

In some cases some awards were distributed at the event and remaining awards not picked up; these are the only ones here for distribution tonight.

Thank you to Deirdre Martin and Larry Kwiat for gathering these lists from the yacht clubs to facilitate our sailor's knowing what awards are here for them take home tonight.

Help LMSRF grow sailing—Invite your friends, your family, your neighbors, your boss to go out for a sail with you next summer!

History of the Boaters' Bash

For many years the Chicago Yachting Association held an annual Ball and brought together all the yacht clubs from the southern end of Lake Michigan at which they would distribute their race and regatta trophies, making for a unified celebration. After the 2010 Lake Michigan Sail Racing Federation Area III season concluded, the traditional CYA Ball was scheduled, but due to the recession and sailor and boater interest, the event was rescheduled once and later cancelled. The yacht clubs of LMSRF Area III were faced with having many awards to distribute and no easy way to accomplish the task. Larry Kwiat stepped forward and organized the first Boaters' Bash in February 2011. Rather than a dress up, sit down dinner type event, a business casual, simple buffet format was adopted and was so well received the Boaters' Bash lives on in this format to today. Enjoy the evening and congratulations to all the LMSRF Area III awards winners on a great season!
