The Ameritas Participating Provider Organization (PPO) is a cost-effective network of qualified dentists who provide dental services at a discounted fee. Only dentists who adhere to credentialing and quality assurance requirements are able to join and remain in the Ameritas PPO network.

While plan members always have the right to receive care from any dentist they choose, their out-of-pocket costs will almost always be lower if they choose an in-network dentist.

Even with daily updates to the on-line directory, there is no guarantee that a provider is still contracted at the time dental services are performed. You are encouraged to call our Customer Connections department at 800-487-5553 to verify a provider's participation as such information may assist in your selection of provider(s) and may affect your deductible, coinsurance, and out-of-pocket expenses. Please confirm participation with your provider at the time of your appointment.

If you have questions about a claim or about your plan benefits, please call the toll-free number on the back of your identification card.
