THE SEMINARY'S IDENTITY

Midwestern Baptist Theological Seminary is an entity of the Southern Baptist Convention, serving as a community of learning for persons called to ministry. The Seminary's primary source of support is the Southern Baptist Cooperative Program. The Seminary is governed by a board of 35 trustees elected by the Southern Baptist Convention with 7 trustees elected on a rotating basis each year. In accordance with the Program Statement for seminaries adopted by the Southern Baptist Convention in 1979, Midwestern is primarily a graduate professional school. It is accredited by the Association of Theological Schools and the Higher Learning Commission. It provides academic programs leading to the Master of Divinity, Master of Arts, Master of Theological Studies, Doctor of Ministry, Doctor of Counseling, Doctor of Educational Ministry, and Doctor of Philosophy in Biblical Studies, as well as undergraduate studies.

The Seminary's Relationship with The Churches

One Faith, One Task, One Sacred Trust: A Covenant Between Our Seminaries and Our Churches

"You therefore, my son, be strong in the grace that is in Christ Jesus. And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also." II Timothy 2:1-2

For over 135 years, the churches of the Southern Baptist Convention have looked to their seminaries for the training and education of their ministers. These six schools were established and undergirded by Southern Baptists in order that our churches may be served by a more faithful ministry.

This is a critical moment in the history of the Southern Baptist Convention---and for our seminaries. The six seminaries serving this denomination bear a precious and perishable responsibility on behalf of our churches, for we are entrusted with those who will be their ministers, pastors, preachers, and servants.

Looking to the dawn of the twenty-first century, we hereby restate and reaffirm our commitment to the churches we serve, to the convictions those churches hold and honor, and to charge we have received on their behalf.

One Faith

The church of Jesus Christ is charged to contend for the faith once for all delivered to the saints. Our seminaries, charged with the theological formation of ministers, must take this charge as central and essential to our mission. In an age of rampant theological compromise, our seminaries must send no uncertain sound.

Let the churches of the Southern Baptist Convention know that our seminaries are committed to theological integrity and Biblical fidelity. Our pledge is to maintain the confessional character of our seminaries by upholding those doctrines so clearly articulated in our confessions of faith; by teaching the authority, inspiration, inerrancy, and infallibility of the Bible; by maintaining the purity of the Gospel and affirming the identity of Jesus Christ, by whose blood we have been redeemed and in whose name alone salvation is to be found; and by proclaiming with boldness the precious and eternal truths of God's Word.

In this we stand together, and we stand with our churches. We understand that those who teach take on an awesome responsibility, and will receive from our Lord a stricter judgment. We stand before this convention and our churches to declare that we stand together in one faith, serving our Lord Jesus Christ.

One Task

Our mission is to prepare ministers for service. We cannot call ministers, nor appoint them to service. Ministers, called by God and commissioned by our churches come to us in order that they may through our seminaries receive learning, training, and inspiration for service. Preachers, evangelists, missionaries, and those who minister throughout the life of the churches come to our seminaries with the hope that they will leave their programs of study better equipped, armed, and matured for the faithful exercise of their calling.

Our mission is to remain ever true to this task. We declare our unflinching resolve to provide the very finest programs of theological education for ministry. We will match theological fidelity to practical ministry, passion to practice, vision to calling, and honor to service. This is our task.

One Sacred Trust

Our schools are not generic institutions for religious studies. We are the six theological seminaries serving the Southern Baptist Convention. We belong to you--we belong to the churches of this Convention. We are proud to carry your charge, and we declare our fidelity to you as a sacred trust. In this trust we stand before the Southern Baptist Convention, and we stand together.

Through the trustees elected by this Convention, our churches must hold our seminaries accountable to the faith once for all delivered to the saints, to the essential task of training and educating ministers, and to the sacred trust that unites our seminaries and our churches.

As the presidents of your seminaries, we declare our unbending and fervent resolve to uphold all of these commitments. We will lead our institutions so that no harm shall come to your students and ministers; so that they will be rooted and grounded in the truth; so that they will be trained as faithful and effective preachers and teachers; so that they will bring honor to the church and not dishonor; and so that we shall be able to give a good answer and receive a good report when we shall face that stricter judgment which is to come.

This is our pledge, our resolve, our declaration. One Faith, One Task, One Sacred Trust.

Signed by the Presidents of the six Southern Baptist seminaries in the presence of the Messengers to the 140th Session of the Southern Baptist Convention, meeting in Dallas, Texas, June 17, 1997.

The Seminary's Confession of Faith

The Trustees of Midwestern Baptist Theological Seminary, upon the founding of the seminary in 1957, adopted as the Seminary's confession *The Baptist Faith and Message*, which was adopted by the Southern Baptist Convention in 1925. The revisions to *The Baptist Faith and Message* made by the Southern Baptist Convention in 1963, 1998 and 2000 have been subsequently adopted by the Trustees. The Seminary's current confession of faith, *The Baptist Faith and Message, 2000*, along with the report of the convention's latest study committee, is as follows:

Report of the Baptist Faith and Message Study Committee to the Southern Baptist Convention. Adopted, June 14th, 2000.

The 1999 session of the Southern Baptist Convention, meeting in Atlanta, Georgia, adopted the following motion addressed to the President of the Convention:

"I move that in your capacity as Southern Baptist Convention chairman, you appoint a blue ribbon committee to review the *Baptist Faith and Message* statement with the responsibility to report and bring any recommendations to this meeting next June in Orlando."

President Paige Patterson appointed the committee as follows: Max Barnett (OK), Steve Gaines (AL), Susie Hawkins (TX), Rudy A. Hernandez (TX), Charles S. Kelley, Jr. (LA), Heather King (IN), Richard D. Land (TN), Fred Luter (LA), R. Albert Mohler, Jr. (KY), T. C. Pinckney (VA), Nelson Price (GA), Adrian Rogers (TN), Roger Spradlin (CA), Simon Tsoi (AZ), Jerry Vines (FL). Adrian Rogers (TN) was appointed chairman.

Your committee thus constituted begs leave to present its report as follows:

Baptists are a people of deep beliefs and cherished doctrines. Throughout our history we have been a confessional people, adopting statements of faith as a witness to our beliefs and a pledge of our faithfulness to the doctrines revealed in Holy Scripture.

Our confessions of faith are rooted in historical precedent, as the church in every age has been called upon to define and defend its beliefs. Each generation of Christians bears the responsibility of guarding the treasury of truth that has been entrusted to us [2 Timothy 1:14]. Facing a new century, Southern Baptists must meet the demands and duties of the present hour.

New challenges to faith appear in every age. A pervasive anti-supernaturalism in the culture was answered by Southern Baptists in 1925, when the Baptist Faith and Message was first

adopted by this Convention. In 1963, Southern Baptists responded to assaults upon the authority and truthfulness of the Bible by adopting revisions to the Baptist Faith and Message. The Convention added an article on "The Family" in 1998, thus answering cultural confusion with the clear teachings of Scripture. Now, faced with a culture hostile to the very notion of truth, this generation of Baptists must claim anew the eternal truths of the Christian faith.

Your committee respects and celebrates the heritage of the Baptist Faith and Message, and affirms the decision of the Convention in 1925 to adopt the New Hampshire Confession of Faith, "revised at certain points and with some additional articles growing out of certain needs..." We also respect the important contributions of the 1925 and 1963 editions of the Baptist Faith and Message.

With the 1963 committee, we have been guided in our work by the 1925 "statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life..." It is, therefore, quoted in full as a part of this report to the Convention:

(1) That they constitute a consensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of salvation revealed in the New Testament, viz., repentance toward God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future, Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Baptists cherish and defend religious liberty, and deny the right of any secular or religious authority to impose a confession of faith upon a church or body of churches. We honor the principles of soul competency and the priesthood of believers, affirming together both our liberty in Christ and our accountability to each other under the Word of God.

Baptist churches, associations, and general bodies have adopted confessions of faith as a witness to the world, and as instruments of doctrinal accountability. We are not embarrassed to state before the world that these are doctrines we hold precious and as essential to the Baptist tradition of faith and practice.

As a committee, we have been charged to address the "certain needs" of our own generation. In an age increasingly hostile to Christian truth, our challenge is to express the truth as revealed in Scripture, and to bear witness to Jesus Christ, who is "the Way, the Truth, and the Life."

The 1963 committee rightly sought to identify and affirm "certain definite doctrines that Baptists believe, cherish, and with which they have been and are now closely identified." Our living faith is established upon eternal truths. "Thus this generation of Southern Baptists is in historic succession of intent and purpose as it endeavors to state for its time and theological climate those articles of the Christian faith which are most surely held among us."

It is the purpose of this statement of faith and message to set forth certain teachings which we believe.

Respectfully Submitted,

The Baptist Faith and Message Study Committee
Adrian Rogers, Chairman

The Baptist Faith and Message, 2000

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

Exodus 24:4; Deuteronomy 4:1-2; 17:19; Joshua 8:34; Psalms 19:7-10; 119:11,89,105,140; Isaiah 34:16; 40:8; Jeremiah 15:16; 36:1-32; Matthew 5:17-18; 22:29; Luke 21:33; 24:44-46; John 5:39; 16:13-15; 17:17; Acts 2:16ff.; 17:11; Romans 15:4; 16:25-26; 2 Timothy 3:15-17; Hebrews 1:1-2; 4:12; 1 Peter 1:25; 2 Peter 1:19-21.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal triune God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all

powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness

of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

Genesis 1:26-30; 2:5,7,18-22; 3; 9:6; Psalms 1; 8:3-6; 32:1-5; 51:5; Isaiah 6:5; Jeremiah 17:5; Matthew 16:26; Acts 17:26-31; Romans 1:19-32; 3:10-18,23; 5:6,12,19; 6:6; 7:14-25; 8:14-18,29; 1 Corinthians 1:21-31; 15:19, 21-22; Ephesians 2:1-22; Colossians 1:21-22; 3:9-11.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.

B. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and

believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person's life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

Genesis 3:15; Exodus 3:14-17; 6:2-8; Matthew 1:21; 4:17; 16:21-26; 27:22-28:6; Luke 1:68-69; 2:28-32; John 1:11-14,29; 3:3-21,36; 5:24; 10:9,28-29; 15:1-16; 17:17; Acts 2:21; 4:12; 15:11; 16:30-31; 17:30-31; 20:32; Romans 1:16-18; 2:4; 3:23-25; 4:3ff.; 5:8-10; 6:1-23; 8:1-18,29-39; 10:9-10,13; 13:11-14; 1 Corinthians 1:18,30; 6:19-20; 15:10; 2 Corinthians 5:17-20; Galatians 2:20; 3:13; 5:22-25; 6:15; Ephesians 1:7; 2:8-22; 4:11-16; Philippians 2:12-13; Colossians 1:9-22; 3:1ff.; 1 Thessalonians 5:23-24; 2 Timothy 1:12; Titus 2:11-14; Hebrews 2:1-3; 5:8-9; 9:24-28; 11:1-12:8,14; James 2:14-26; 1 Peter 1:2-23; 1 John 1:6-2:11; Revelation 3:20; 21:1-22:5.

V. God's Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

Genesis 12:1-3; Exodus 19:5-8; 1 Samuel 8:4-7,19-22; Isaiah 5:1-7; Jeremiah 31:31ff.; Matthew 16:18-19; 21:28-45; 24:22,31; 25:34; Luke 1:68-79; 2:29-32; 19:41-44; 24:44-48; John 1:12-14; 3:16; 5:24; 6:44-45,65; 10:27-29; 15:16; 17:6,12,17-18; Acts 20:32; Romans 5:9-10; 8:28-39; 10:12-15; 11:5-7,26-36; 1 Corinthians 1:1-2; 15:24-28; Ephesians 1:4-23; 2:1-10; 3:1-11; Colossians 1:12-14; 2 Thessalonians 2:13-14; 2 Timothy 1:12; 2:10,19; Hebrews 11:39-12:2; James 1:12; 1 Peter 1:2-5,13; 2:4-10; 1 John 1:7-9; 2:19; 3:2.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

Matthew 16:15-19; 18:15-20; Acts 2:41-42,47; 5:11-14; 6:3-6; 13:1-3; 14:23,27; 15:1-30; 16:5; 20:28; Romans 1:7; 1 Corinthians 1:2; 3:16; 5:4-5; 7:17; 9:13-14; 12; Ephesians 1:22-23; 2:19-22; 3:8-11,21; 5:22-32; Philippians 1:1; Colossians 1:18; 1 Timothy 2:9-14; 3:1-15; 4:14; Hebrews 11:39-40; 1 Peter 5:1-4; Revelation 2-3; 21:2-3.

VII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Saviour, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

Matthew 3:13-17; 26:26-30; 28:19-20; Mark 1:9-11; 14:22-26; Luke 3:21-22; 22:19-20; John 3:23; Acts 2:41-42; 8:35-39; 16:30-33; 20:7; Romans 6:3-5; 1 Corinthians 10:16,21; 11:23-29; Colossians 2:12.

VIII. The Lord's Day

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord's Day should be commensurate with the Christian's conscience under the Lordship of Jesus Christ.

Exodus 20:8-11; Matthew 12:1-12; 28:1ff.; Mark 2:27-28; 16:1-7; Luke 24:1-3,33-36; John 4:21-24; 20:1, 19-28; Acts 20:7; Romans 14:5-10; 1 Corinthians 16:1-2; Colossians 2:16; 3:16; Revelation 1:10.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

Genesis 1:1; Isaiah 9:6-7; Jeremiah 23:5-6; Matthew 3:2; 4:8-10,23; 12:25-28; 13:1-52; 25:31-46; 26:29; Mark 1:14-15; 9:1; Luke 4:43; 8:1; 9:2; 12:31-32; 17:20-21; 23:42; John 3:3; 18:36; Acts 1:6-7; 17:22-31; Romans 5:17; 8:19; 1 Corinthians 15:24-28; Colossians 1:13; Hebrews 11:10,16; 12:28; 1 Peter 2:4-10; 4:13; Revelation 1:6,9; 5:10; 11:15; 21-22.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

Isaiah 2:4; 11:9; Matthew 16:27; 18:8-9; 19:28; 24:27,30,36,44; 25:31-46; 26:64; Mark 8:38; 9:43-48; Luke 12:40,48; 16:19-26; 17:22-37; 21:27-28; John 14:1-3; Acts 1:11; 17:31; Romans 14:10; 1 Corinthians 4:5; 15:24-28,35-58; 2 Corinthians 5:10; Philippians 3:20-21; Colossians 1:5; 3:4; 1 Thessalonians 4:14-18; 5:1ff.; 2 Thessalonians 1:7ff.; 2; 1 Timothy 6:14; 2 Timothy 4:1,8; Titus 2:13; Hebrews 9:27-28; James 5:8; 2 Peter 3:7ff.; 1 John 2:28; 3:2; Jude 14; Revelation 1:18; 3:11; 20:1-22:13.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

Genesis 12:1-3; Exodus 19:5-6; Isaiah 6:1-8; Matthew 9:37-38; 10:5-15; 13:18-30, 37-43; 16:19; 22:9-10; 24:14; 28:18-20; Luke 10:1-18; 24:46-53; John 14:11-12; 15:7-8,16; 17:15; 20:21; Acts 1:8; 2; 8:26-40; 10:42-48; 13:2-3; Romans 10:13-15; Ephesians 3:1-11; 1 Thessalonians 1:8; 2 Timothy 4:5; Hebrews 2:1-3; 11:39-12:2; 1 Peter 2:4-10; Revelation 22:17.

XII. Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

Deuteronomy 4:1,5,9,14; 6:1-10; 31:12-13; Nehemiah 8:1-8; Job 28:28; Psalms 19:7ff.; 119:11; Proverbs 3:13ff.; 4:1-10; 8:1-7,11; 15:14; Ecclesiastes 7:19; Matthew 5:2; 7:24ff.; 28:19-20; Luke 2:40; 1 Corinthians 1:18-31; Ephesians 4:11-16; Philippians 4:8; Colossians 2:3,8-9; 1 Timothy 1:3-7; 2 Timothy 2:15; 3:14-17; Hebrews 5:12-6:3; James 1:5; 3:17.

XIII. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

Genesis 14:20; Leviticus 27:30-32; Deuteronomy 8:18; Malachi 3:8-12; Matthew 6:1-4,19-21; 19:21; 23:23; 25:14-29; Luke 12:16-21,42; 16:1-13; Acts 2:44-47; 5:1-11; 17:24-25; 20:35; Romans 6:6-22; 12:1-2; 1 Corinthians 4:1-2; 6:19-20; 12; 16:1-4; 2 Corinthians 8-9; 12:15; Philippians 4:10-19; 1 Peter 1:18-19.

XIV. Cooperation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of

Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

Exodus 17:12; 18:17ff.; Judges 7:21; Ezra 1:3-4; 2:68-69; 5:14-15; Nehemiah 4; 8:1-5; Matthew 10:5-15; 20:1-16; 22:1-10; 28:19-20; Mark 2:3; Luke 10:1ff.; Acts 1:13-14; 2:1ff.; 4:31-37; 13:2-3; 15:1-35; 1 Corinthians 1:10-17; 3:5-15; 12; 2 Corinthians 8-9; Galatians 1:6-10; Ephesians 4:1-16; Philippians 1:15-18.

XV. The Christian and the Social Order

All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

Exodus 20:3-17; Leviticus 6:2-5; Deuteronomy 10:12; 27:17; Psalm 101:5; Micah 6:8; Zechariah 8:16; Matthew 5:13-16,43-48; 22:36-40; 25:35; Mark 1:29-34; 2:3ff.; 10:21; Luke 4:18-21; 10:27-37; 20:25; John 15:12; 17:15; Romans 12-14; 1 Corinthians 5:9-10; 6:1-7; 7:20-24; 10:23-11:1; Galatians 3:26-28; Ephesians 6:5-9; Colossians 3:12-17; 1 Thessalonians 3:12; Philemon; James 1:27; 2:8.

XVI. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

Isaiah 2:4; Matthew 5:9,38-48; 6:33; 26:52; Luke 22:36,38; Romans 12:18-19; 13:1-7; 14:19; Hebrews 12:14; James 4:1-2.

XVII. Religious Liberty

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

Genesis 1:27; 2:7; Matthew 6:6-7,24; 16:26; 22:21; John 8:36; Acts 4:19-20; Romans 6:1-2; 13:1-7; Galatians 5:1,13; Philippians 3:20; 1 Timothy 2:1-2; James 4:12; 1 Peter 2:12-17; 3:11-17; 4:12-19.

XVIII. The Family

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to Biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God's pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on Biblical truth. Children are to honor and obey their parents.

Genesis 1:26-28; 2:15-25; 3:1-20; Exodus 20:12; Deuteronomy 6:4-9; Joshua 24:15; 1 Samuel 1:26-28; Psalms 51:5; 78:1-8; 127; 128; 139:13-16; Proverbs 1:8; 5:15-20; 6:20-22; 12:4; 13:24; 14:1; 17:6; 18:22; 22:6,15; 23:13-14; 24:3; 29:15,17; 31:10-31; Ecclesiastes 4:9-12; 9:9; Malachi 2:14-16; Matthew 5:31-32; 18:2-5; 19:3-9; Mark 10:6-12; Romans 1:18-32; 1 Corinthians 7:1-16; Ephesians 5:21-33; 6:1-4; Colossians 3:18-21; 1 Timothy 5:8,14; 2 Timothy 1:3-5; Titus 2:3-5; Hebrews 13:4; 1 Peter 3:1-7.

The Chicago Statement on Biblical Inerrancy & Danvers Statement on Biblical Manhood and Womanhood

Consistent with previous actions and expectations by the Midwestern Seminary Board of Trustees, and long-standing policy and procedure of the seminary administration, the Danvers Statement on Biblical Manhood and Womanhood, the Chicago Statement on Biblical Inerrancy, and Midwestern Seminary's own statement on Sex, Sexuality, and Gender Identity, function as guiding institutional documents. These statements and policy function ongoingly as accompanying and complimenting documents to the BF&M 2000, and, like the BF&M 2000, function as instruments of confessional accountability to the churches of the Southern Baptist Convention, thus requiring faculty and instructional staff to believe and teach in accordance with and not contrary to them.

The Chicago Statement on Biblical Inerrancy

A Short Statement

1. God, who is Himself Truth and speaks truth only, has inspired Holy Scripture in order thereby to reveal Himself to lost mankind through Jesus Christ as Creator and Lord, Redeemer and Judge. Holy Scripture is God's witness to Himself.
2. Holy Scripture, being God's own Word, written by men prepared and superintended by His Spirit, is of infallible divine authority in all matters upon which it touches: it is to be believed, as God's instruction, in all that it affirms; obeyed, as God's command, in all that it requires; embraced, as God's pledge, in all that it promises.
3. The Holy Spirit, Scripture's divine Author, both authenticates it to us by His inward witness and opens our minds to understand its meaning.
4. Being wholly and verbally God-given, Scripture is without error or fault in all its teaching, no less in what it states about God's acts in creation, about the events of world history, and about its own literary origins under God, than in its witness to God's saving grace in individual lives.
5. The authority of Scripture is inescapably impaired if this total divine inerrancy is in any way limited or disregarded, or made relative to a view of truth

contrary to the Bible's own; and such lapses bring serious loss to both the individual and the Church.

Articles of Affirmation and Denial

Article I

WE AFFIRM that the Holy Scriptures are to be received as the authoritative Word of God.

WE DENY that the Scriptures receive their authority from the Church, tradition, or any other human source.

Article II

WE AFFIRM that the Scriptures are the supreme written norm by which God binds the conscience, and that the authority of the Church is subordinate to that of Scripture.

WE DENY that Church creeds, councils, or declarations have authority greater than or equal to the authority of the Bible.

Article III

WE AFFIRM that the written Word in its entirety is revelation given by God.

WE DENY that the Bible is merely a witness to revelation, or only becomes revelation in encounter, or depends on the responses of men for its validity.

Article IV

WE AFFIRM that God who made mankind in His image has used language as a means of revelation.

WE DENY that human language is so limited by our creatureliness that it is rendered inadequate as a vehicle for divine revelation. We further deny that the corruption of human culture and language through sin has thwarted God's work of inspiration.

Article V

WE AFFIRM that God's revelation within the Holy Scriptures was progressive.

WE DENY that later revelation, which may fulfill earlier revelation, ever corrects or contradicts it. We further deny that any normative revelation has been given since the completion of the New Testament writings.

Article VI

WE AFFIRM that the whole of Scripture and all its parts, down to the very words of the original, were given by divine inspiration.

WE DENY that the inspiration of Scripture can rightly be affirmed of the whole without the parts, or of some parts but not the whole.

Article VII

WE AFFIRM that inspiration was the work in which God by His Spirit, through human writers, gave us His Word. The origin of Scripture is divine. The mode of divine inspiration remains largely a mystery to us.

WE DENY that inspiration can be reduced to human insight, or to heightened states of consciousness of any kind.

Article VIII

WE AFFIRM that God in His work of inspiration utilized the distinctive personalities and literary styles of the writers whom He had chosen and prepared.

WE DENY that God, in causing these writers to use the very words that He chose, overrode their personalities.

Article IX

WE AFFIRM that inspiration, though not conferring omniscience, guaranteed true and trustworthy utterance on all matters of which the Biblical authors were moved to speak and write.

WE DENY that the finitude or fallenness of these writers, by necessity or otherwise, introduced distortion or falsehood into God's Word.

Article X

WE AFFIRM that inspiration, strictly speaking, applies only to the autographic text of Scripture, which in the providence of God can be ascertained from available manuscripts with great accuracy. We further affirm that copies and translations of Scripture are the Word of God to the extent that they faithfully represent the original.

WE DENY that any essential element of the Christian faith is affected by the absence of the autographs. We further deny that this absence renders the assertion of Biblical inerrancy invalid or irrelevant.

Article XI

WE AFFIRM that Scripture, having been given by divine inspiration, is infallible, so that, far from misleading us, it is true and reliable in all the matters it addresses.

WE DENY that it is possible for the Bible to be at the same time infallible and errant in its assertions. Infallibility and inerrancy may be distinguished, but not separated.

Article XII

WE AFFIRM that Scripture in its entirety is inerrant, being free from all falsehood, fraud, or deceit.

WE DENY that Biblical infallibility and inerrancy are limited to spiritual, religious, or redemptive themes, exclusive of assertions in the fields of history and science. We further deny that scientific hypotheses about earth history may properly be used to overturn the teaching of Scripture on creation and the flood.

Article XIII

WE AFFIRM the propriety of using inerrancy as a theological term with reference to the complete truthfulness of Scripture.

WE DENY that it is proper to evaluate Scripture according to standards of truth and error that are alien to its usage or purpose. We further deny that inerrancy is negated by Biblical phenomena such as a lack of modern technical precision, irregularities of grammar or spelling, observational descriptions of nature, the reporting of falsehoods, the use of hyperbole and round numbers, the topical arrangement of material, variant selections of material in parallel accounts, or the use of free citations.

Article XIV

WE AFFIRM the unity and internal consistency of Scripture.

WE DENY that alleged errors and discrepancies that have not yet been resolved vitiate the truth claims of the Bible.

Article XV

WE AFFIRM that the doctrine of inerrancy is grounded in the teaching of the Bible about inspiration.

WE DENY that Jesus' teaching about Scripture may be dismissed by appeals to accommodation or to any natural limitation of His humanity.

Article XVI

WE AFFIRM that the doctrine of inerrancy has been integral to the Church's faith throughout its history.

WE DENY that inerrancy is a doctrine invented by scholastic Protestantism, or is a reactionary position postulated in response to negative higher criticism.

Article XVII

WE AFFIRM that the Holy Spirit bears witness to the Scriptures, assuring believers of the truthfulness of God's written Word.

WE DENY that this witness of the Holy Spirit operates in isolation from or against Scripture.

Article XVIII

WE AFFIRM that the text of Scripture is to be interpreted by grammatical-historical exegesis, taking account of its literary forms and devices, and that Scripture is to interpret Scripture.

WE DENY the legitimacy of any treatment of the text or quest for sources lying behind it that leads to relativizing, dehistoricizing, or discounting its teaching, or rejecting its claims to authorship.

Article XIX

WE AFFIRM that a confession of the full authority, infallibility, and inerrancy of Scripture is vital to a sound understanding of the whole of the Christian faith. We further affirm that such confession should lead to increasing conformity to the image of Christ.

WE DENY that such confession is necessary for salvation. However, we further deny that inerrancy can be rejected without grave consequences, both to the individual and to the Church.

The Danvers Statement on Biblical Manhood and Womanhood

In December, 1987, the newly-formed Council on Biblical Manhood and Womanhood met in Danvers, Massachusetts, to compose the *Danvers Statement on Biblical Manhood and Womanhood*. Prior to the listing of the actual affirmations that comprise the Danvers Statement, we have included a section detailing contemporary developments that serve as the rationale for these affirmations. We offer this statement to the evangelical world, knowing that it will stimulate healthy discussion, hoping that it will gain widespread assent.

Rationale

We have been moved in our purpose by the following contemporary developments which we observe with deep concern:

1. the widespread uncertainty and confusion in our culture regarding the complementary differences between masculinity and femininity;
2. the tragic effects of this confusion in unraveling the fabric of marriage woven by God out of the beautiful and diverse strands of manhood and womanhood;
3. the increasing promotion given to feminist egalitarianism with accompanying distortions or neglect of the glad harmony portrayed in Scripture between the loving, humble leadership of redeemed husbands and the intelligent, willing support of that leadership by redeemed wives;
4. the widespread ambivalence regarding the values of motherhood, vocational homemaking, and the many ministries historically performed by women;
5. the growing claims of legitimacy for sexual relationships which have Biblically and historically been considered illicit or perverse, and the increase in pornographic portrayal of human sexuality;
6. the upsurge of physical and emotional abuse in the family;
7. the emergence of roles for men and women in church leadership that do not conform to Biblical teaching but backfire in the crippling of Biblically faithful witness;
8. the increasing prevalence and acceptance of hermeneutical oddities devised to reinterpret apparently plain meanings of Biblical texts;
9. the consequent threat to Biblical authority as the clarity of Scripture is jeopardized and the accessibility of its meaning to ordinary people is withdrawn into the restricted realm of technical ingenuity;
10. and behind all this the apparent accommodation of some within the church to the spirit of the age at the expense of winsome, radical Biblical authenticity which in the power of the Holy Spirit may reform rather than reflect our ailing culture.

Affirmations

Based on our understanding of biblical teachings, we affirm the following:

1. Both Adam and Eve were created in God's image, equal before God as persons and distinct in their manhood and womanhood (Gen 1:26-27; 2:18).
2. Distinctions in masculine and feminine roles are ordained by God as part of the created order, and should find an echo in every human heart (Gen 2:18, 21-24; 1 Cor 11:7-9; 1 Tim 2:12-14).
3. Adam's headship in marriage was established by God before the Fall, and was not a result of sin (Gen 2:16-18, 21-24; 3:1-13; 1 Cor 11:7-9).
4. The Fall introduced distortions into the relationships between men and women (Gen 3:1-7, 12, 16).
 - a. In the home, the husband's loving, humble headship tends to be replaced by domination or passivity; the wife's intelligent, willing submission tends to be replaced by usurpation or servility.

- b. In the church, sin inclines men toward a worldly love of power or an abdication of spiritual responsibility, and inclines women to resist limitations on their roles or to neglect the use of their gifts in appropriate ministries.
5. The Old Testament, as well as the New Testament, manifests the equally high value and dignity which God attached to the roles of both men and women (Gen 1:26-27, 2:18; Gal 3:28). Both Old and New Testaments also affirm the principle of male headship in the family and in the covenant community (Gen 2:18; Eph 5:21-33; Col 3:18-19; 1 Tim 2:11-15).
6. Redemption in Christ aims at removing the distortions introduced by the curse.
 - a. In the family, husbands should forsake harsh or selfish leadership and grow in love and care for their wives; wives should forsake resistance to their husbands' authority and grow in willing, joyful submission to their husbands' leadership (Eph 5:21-33; Col 3:18-19; Tit 2:3-5; 1 Pet 3:1-7).
 - b. In the church, redemption in Christ gives men and women an equal share in the blessings of salvation; nevertheless, some governing and teaching roles within the church are restricted to men (Gal 3:28; 1 Cor 11:2-16; 1 Tim 2:11-15).
7. In all of life Christ is the supreme authority and guide for men and women, so that no earthly submission-domestic, religious, or civil – ever implies a mandate to follow a human authority into sin (Dan 3:10-18; Acts 4:19-20; 5:27-29; 1 Pet 3:1-2).
8. In both men and women a heartfelt sense of call to ministry should never be used to set aside Biblical criteria for particular ministries (1 Tim 2:11-15; 3:1-13; Tit 1:5-9). Rather, Biblical teaching should remain the authority for testing our subjective discernment of God's will.
9. With half the world's population outside the reach of indigenous evangelism; with countless other lost people in those societies that have heard the gospel; with the stresses and miseries of sickness, malnutrition, homelessness, illiteracy, ignorance, aging, addiction, crime, incarceration, neuroses, and loneliness, no man or woman who feels a passion from God to make His grace known in word and deed need ever live without a fulfilling ministry for the glory of Christ and the good of this fallen world (1 Cor 12:7-21).
10. We are convinced that a denial or neglect of these principles will lead to increasingly destructive consequences in our families, our churches, and the culture at large.

MBTS Policy on Sex, Sexuality, and Gender Identity

Midwestern Baptist Theological Seminary and College's policy regarding sex, sexuality, and gender identity is grounded in our long-standing institutional religious identity. This identity, in turn, is grounded in the teachings of the Bible as understood in the Seminary's confessional commitment—the Baptist Faith & Message 2000. This policy is intended to address transsexualism, transgenderism, and related gender identity issues.

We affirm that God's original and ongoing intent and action is the creation of humanity manifest as two distinct sexes, male and female. We also recognize that due to sin and human brokenness, our experiential perception of our sex and gender is not always that which God the Creator originally designed, and yet affirm further God's capacity to heal and transform our brokenness in keeping with His purposes and will. With this foundational understanding of creation, fall, and redemption, we do not support or affirm the resolution of tension between one's biological sex and one's experiential perception of gender by the adoption of a psychological identity discordant with one's birth sex. Similarly we do not support or affirm attempts to change one's given biological birth sex via medical intervention in favor of the identity of the opposite sex or of an indeterminate identity. Although as a Christian residential institution of higher learning we will respect those whose moral views diverge from ours, we will make institutional decisions in light of this policy regarding housing, student admission and retention, employment hiring and retention, and other matters. The full policy, of which this is a summary, is available from the Human Resources office.

Perspective

PROFILE

Midwestern Baptist Theological Seminary is a professional graduate school which also incorporates Midwestern College. The Seminary is an entity of the Southern Baptist Convention which offers a community of higher learning for persons called to ministry. The Seminary and thus, the College, is supported by the Southern Baptist Convention's Cooperative Program and is governed by a board of trustees who are elected by the Convention. In fulfilling their stewardship for the Seminary and College, the trustees have adopted the SBC's *Baptist Faith and Message, 2000* as the institution's Statement of Faith.

Purpose Statement of the Southern Baptist Seminaries

Southern Baptist theological seminaries exist to prepare God-called men and women for vocational service in Baptist churches and in other Christian ministries throughout the world through programs of spiritual development, theological studies, and practical preparation in ministry.

Mission Statement of Midwestern Baptist Theological Seminary

Midwestern Baptist Theological Seminary serves the church by biblically educating God-called men and women to be and make disciples of Jesus Christ.

Core Values

Veritas / Truth – “Know”

We believe that the Bible is the inspired, authoritative, inerrant Word of God, and thus it instructs, motivates, and guides us in all areas of ministry. We are committed to helping students understand, communicate, practice, and defend biblical truth.

Pietas / Devotion – “Be”

We seek to model and to instill in the lives of our students supreme devotion to the Lord. We seek to provide an atmosphere for students that cultivates consistent discipline and balanced spiritual growth that validates their call to ministry. We strive to accomplish this through biblically based teaching and by providing opportunities to develop a lifestyle of Christian love and integrity. We believe Christ-like relationships with God, family, church, community, and the world are essential and should be cultivated.

Missio / Evangelism – “Do”

We believe the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ is to endeavor to make disciples of all nations. The Lord Jesus Christ has commanded the preaching of the Gospel to all nations. It is the duty of every Christian to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Jesus Christ.

We believe in the primacy of the local church in the work of evangelism. We prepare students to worship God, evangelize the lost, edify believers, and establish biblically-based churches for the purpose of glorifying God.

We prepare students to be leaders who demonstrate commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. We seek to develop leaders who exemplify and communicate the Great Commission in their ministry settings.

Teaching and Learning Values

We seek to train students to integrate biblical teaching within Midwestern's theological context in the construction of a Christian worldview. We strive to accomplish this training by developing analytical, constructive, and interpretative competencies with an emphasis on integrative theological study as a base for the development of professional skills.

Institutional Objectives

Teaching Objectives

We seek to integrate biblical teaching within Midwestern's theological context to equip students to mature in their Christian worldview and in their professional ministry skills.

Learning Outcomes

Through exegetical, theological, and practical educational processes, MBTS will produce students who ...

- Understand and apply biblical truth (Rom 15:3-5; Jn 17:17)
- Exemplify biblical leadership and doctrinal integrity in ministry (1 Pet 5:2-4)
- Demonstrate Christ-likeness in seeking and cultivating all relationships (Eph 4:30-32; Col 3:12-13)
- Manifest a developing and disciplined Christian life (Gal 5:22-23; 2 Pet 1:5-7; 1 Tim 4:7)
- Commit themselves to fulfilling the Great Commission in worshipping God, evangelizing the lost, discipling believers, and establishing healthy biblical churches in culturally relevant ways (Mt 28:18-20; Eph. 4:11-14; 1 Cor. 9:19-23).

These institutional objectives and learning outcomes were approved by the faculty of Midwestern Baptist Theological Seminary on November 1, 2007, and adopted by the Board of Trustees in fall, 2008.

Accreditation

Midwestern College maintains professional and academic accreditation with the Higher Learning Commission (HLC). HLC is recognized by the Council for Higher Education Accreditation (CHEA) and the U.S. Department of Education (USDE).

The HLC awarded Midwestern accreditation of its professional master's degree programs in March 1971 and its professional Doctor of Ministry program in April 1975. The undergraduate associate degree programs were approved in 2004. On August 12, 2005, the HLC extended Midwestern's accreditation to include the Bachelor of Arts degree. In 2008, the HLC approved the PhD program. In the summer of 2010, the HLC approved Midwestern Baptist College to offer the Master of Arts degree, Theological Studies major as an entirely online degree program. The HLC approved the college-based Doctor of Counseling degree (DCoun) and the expansion of the Bachelor of Arts in Christian Ministries and the Bachelor of Arts in Biblical Studies and the addition of double majors to both degrees in May 2013. Accreditation by this diversified and comprehensive agency assists Midwestern in accomplishing its professional objectives and commends its graduates to the larger academic and professional communities.

In order to meet the needs of our constituencies, Midwestern may offer parts of degree programs in extension programs of study. Occasional course-offering sites are those where courses are offered less frequently than on an annual basis. Ongoing course-offerings sites offer a range of courses for credit, but less than half of an approved degree program. To earn a degree at either occasional or ongoing sites, students must take additional hours via distance learning, on-campus or a combination of the two based on the degree sought. Courses taken through Midwestern Baptist College or Midwestern Baptist Theological Seminary at extension sites maintain professional and academic accreditation with the Higher Learning Commission (HLC) and the Commission on Accrediting of the Association of Theological Schools (ATS) in the United States and Canada. Both HLC and ATS are recognized by the Council for Higher Education Accreditation (CHEA).

Questions or appeals regarding accreditation issues, notation, and/or matters needing outside mediation may be directed in writing to at the Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, Illinois 60604, or by phone at 800-621-7440. Additional information may be obtained from the HLC web page at www.hlcommission.org.

Affiliation

Midwestern is a member of the American Schools of Oriental Research (ASOR). A corporate entity located in the

United States, ASOR carries on its foreign operations through grants made to independent centers in the Near East, such as Jerusalem's Albright Institute of Archaeological Research and Amman's American Center of Oriental Research. Midwestern students have the privilege of attending the Albright Institute without tuition charge and may compete for fellowships offered for research in the Near East. Through its relationship with ASOR, the seminary and its students participate in the work of exploration and excavation in Bible lands, a work that helps unfold information important to theological understanding.

Facilities

The Midwestern campus covers approximately 160 acres of beautiful woods and rolling meadows in North Kansas City, just 10 minutes from downtown Kansas City. The Seminary is strategically located, adjoining I-29, U.S. 69, and U.S. 169 and within five miles of Interstate Highways 35, 70, 435, and 635. This proximity to major transportation networks makes the campus easily accessible and many students and adjunct professors who serve on the field can commute to Midwestern from the surrounding areas.

The campus consists of five main areas: The administrative building, chapel, Trustees Classrooms, student housing, and the Koehn-Myers Center for World Evangelism. The Administrative Complex includes the Library, Spurgeon Library, Administration Building, and Annex which houses Campus Operations.

The Midwestern Seminary Library is housed in a three-story building near the center of the campus in the Administration Complex. The collection consists of over 120,000 physical cataloged volumes and over 390,000 electronic resource titles. In addition, the Midwestern Library has about 1,000 general and denominational periodical titles, including 230 current subscriptions with 118 having online availability. The Library participates in MOBIUS, a consortium of over 100 academic and public libraries primarily in Missouri, but also including Colorado, Oklahoma, Iowa, and Texas. Resources are also shared through several nationwide organizations, such as Worldcat and ATLA (American Theological Library Association). Additionally, the Midwestern Library subscribes to more than sixty online databases, including prominent theological, Biblical studies, psychological and dissertation databases to support our undergraduate programs and other general needs. These databases are available through the library's website for authorized users. The Library Curriculum Lab contains current material published by LifeWay Christian Resources, the Woman's Missionary Union, and other SBC agencies.

The Charles H. Spurgeon Library Collection is presently a part of the Midwestern Library. Charles H. Spurgeon (1834-1892) was one of the most prominent English Baptist pastors of the 19th century. During his lifetime he amassed a substantial personal library. Representing the subject areas of literature, theology, travel, biography, science, hymnody, history and humor, with religion being the largest category, the Collection features great Christian writers and has more

than 6,000 volumes including many of Spurgeon's personal works.

The Charles H. Spurgeon Library Collection was acquired from the Spurgeon family by the Missouri Baptist General Association (now Missouri Baptist Convention) when it was available for purchase in London, for 500 pounds (\$2500) in 1905. Afterward, the Collection was sent on the S.S. Cuban on Dec. 19, 1905, to New Orleans, LA, then on to Kansas City, MO., by the Illinois Central Railroad. The collection was housed at William Jewell College in Liberty, MO for approximately 100 years. Midwestern purchased the collection from William Jewell College on Oct. 10, 2006. Midwestern completed the Spurgeon Library in 2015 to house the collection and provide space for research.

The Trustees Classroom Building houses classrooms, offices for Admissions, Registrar, Financial Services, Financial Aid, Housing and Student Services and a student center in the lower level. Student mailboxes for campus mail are located in the lower level of the Trustees Classroom Building along with the Sword & Trowel campus bookstore. This building serves as an academic and social gathering place.

The Koehn-Myers Center for World Evangelism is named after two martyred missionaries, Bill Koehn and Martha Myers, both of whom attended Midwestern Baptist Theological Seminary. The Koehn-Myers Center houses the library annex; academic, doctoral, and faculty offices; a student lounge; and a full service Cafe.

The Vine's Cafe serves breakfast, lunch, and dinner five days a week. It serves breakfast and lunch on weekends. Students may purchase a meal plan to the Vine's Cafe or buy individual meals as they desire.

In early 2010, construction of a new chapel complex began and the project was completed in 2013. This facility houses a 1,000 seat auditorium, a banquet hall, and classrooms.

Faculty

The faculty consists of 30 full-time, 5 part-time, 4 administrative faculty members, and approximately 50 adjunct professors.

Student Body Profile

The students at Midwestern Baptist Theological Seminary and Midwestern College come from a wide variety of cultural, economic, and geographical backgrounds. By fall of 2016, the enrollment was 2,190 students from all 50 states and 31 foreign countries. 418 students were enrolled in undergraduate programs, 867 in master's programs, 853 in doctoral programs, and 52 in the Midwestern Women's Institute.

Trustees

As an institution of the Southern Baptist Convention, Midwestern is guided by a board of trustees elected by the convention at its annual meeting. The trustees elect faculty

members who subscribe to The Baptist Faith and Message 2000 of the Southern Baptist Convention.

Midwestern derives a significant portion of its financial support from the SBC Cooperative Program. In addition to Cooperative Program funds and student fees, alumni gifts and endowments from special friends enable Midwestern to further its far-reaching ministry.

Student Handbook

INTRODUCTION

The Student Handbook clarifies policies designed to provide a safe atmosphere conducive to campus living and academic pursuits. While enrolled, students and family members are responsible for the information contained within the handbook, and with its obligations. Questions or requests for information regarding the Student Handbook may be directed to the Admissions Office.

Midwestern's Core Values and Student Responsibilities

Ministry is Biblical. Because we believe the Bible is God's inerrant word, we believe that every person of every race possesses full dignity and is worthy of respect and Christian love. Midwestern students are expected to model this value by showing respect and Christian love toward other students, faculty, staff, and administrators. This respect for other individuals includes an appreciation of cultural backgrounds different from one's own, an understanding of different attitudes and opinions, and an awareness of the consequences of one's actions on the broader community.

Ministry is Leadership. Because we seek to develop leaders who exemplify and communicate God's vision in their ministry settings, we believe students should strive for the highest standard of integrity.

Ministry is Relational. Because we believe Christlike relationships with God, family, church, community, and the world are essential and should be cultivated, students are expected to model kingdom relationships with the various members of the College/Seminary campus. While students are encouraged to share their opinions and convictions, freedom in any orderly relationship of human life is always limited and never absolute. Therefore, students are expected to strive toward high standards of compassion and courtesy in the exercise of their freedoms.

Ministry is Personal and Spiritual. Midwestern seeks to provide an atmosphere for students that cultivates consistent, disciplined, and balanced spiritual growth and that validates the student's call to ministry. Students are expected to progress toward moral and spiritual maturity through the indwelling presence and power of the Holy Spirit.

Ministry is Focused. Midwestern prepares students to be twenty-first century ministers and laymen who demonstrate a commitment to ministerial calling, cultural sensitivity, and doctrinal integrity from a Southern Baptist perspective. Student conduct is expected to reflect these commitments.

Emergencies

For immediate help in an emergency or threatening situation, individuals should call 911—Kansas City's emergency telephone number. This 911 number will reach fire, police, or ambulance service. After relevant information is reported to the 911 operator, campus security personnel should be notified immediately by calling **816-414-3836**. Students may also call this number to report housing emergencies.

In Kansas City, Missouri, emergency preparedness officials test the city's severe weather warning siren system at 11:00 a.m. on the first Wednesday of each month.

COMPLIANCE WITH FEDERAL LAWS AND REGULATIONS

Nondiscrimination

Midwestern Baptist Theological Seminary and College does not discriminate on the basis of race, color, national origin, sex, age, disability or status as a protected veteran. The College/Seminary's nondiscrimination policy applies to all phases of its employment process, its admission and financial aid programs, and to all other aspects of its educational programs and activities. Further, this policy applies to sexual violence and sexual harassment (forms of sex discrimination) occurring both within and outside of the College/Seminary context if the conduct negatively affects the individual's educational or work experience or the overall campus environment. As a protected religious organization, Midwestern College/Seminary does consider religious faith, practice, and character to be relevant criteria in many educational or employment decisions. Retaliation directed to any person who pursues a discrimination complaint or grievance, participates in a discrimination investigation, or otherwise opposes unlawful discrimination is prohibited.

Any person having inquiries concerning the College/Seminary's application of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 or other civil rights laws should contact one of the following:

Student Right to Know

Midwestern College/Seminary complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act). This act requires Midwestern Seminary to collect, prepare, publish, and distribute campus crime statistics and security policies. This information is distributed to all students and employees annually and posted on the College's web site at www.mbts.edu/consumer-information/#HealthAndSafety or at the Security Office located in the Campus Operations Building or by calling 816-414-3836.

Drug and Alcohol Awareness

Midwestern supports and endorses the Drug-Free Schools and Communities Act. Pursuant to this Act MBTS expressly prohibits the unlawful manufacture, distribution, dispensation, possession, or unlawful use of controlled substances, including illicit drugs. The use of alcohol as a beverage by students, whether on or off campus, is prohibited.

The Disciplinary Action section later in this handbook provides details of the sanctions applied for violations of this policy. The entire Drug and Alcohol Prevention Program policy is located on the MBTS website at www.mbts.edu/downloads/_site/drugalcohol.pdf under Consumer Information, Safety and Health. Copies of the policy can also be obtained from the Student Development Office.

Facilities and Services for Disabled Students

Midwestern is committed to complying with Title II of the Americans with Disabilities Act (ADA). This Act requires that no qualified individual with a disability will, by reason of such disability, be excluded from participation in or be denied the benefits of entities services, programs, or activities or be subjected to discrimination by any such entity. Similar obligations are found in Section 504 of the Federal Rehabilitation Act of 1973.

Students with disabilities are expected to master the fundamental skills and knowledge that are required for their course of study. Students should not expect Midwestern to excuse them from requirements that are difficult but rather

should take the necessary steps to ensure that they are getting the help they need to enable them to meet the program's requirements.

Any student seeking effective auxiliary aids for a current disability is responsible for providing the Admissions Office with timely and adequate documentation of the student's disability by a medical doctor. Acceptable documentation is a necessary prerequisite for proper evaluation of the reasonableness of a proposed accommodation or modification to the rules, policies, and practices of Midwestern. The Admissions Office can provide the student with guidelines for acceptable documentation of a disability. A medical diagnosis will be part of the documentation processing.

The student is responsible for initiating consideration for accommodations relating to course or degree requirements with the Admissions Office. Based on appropriate documentation and discussion with the student regarding past experiences, the Dean of Students will decide if accommodations are warranted, what accommodations should be recommended, and whether or not MBTS is able to provide the requested accommodations.

Further information is available at the Admissions Office located in the Trustees Classroom Building, by calling 816-414-3733, or on Midwestern's web site at www.mbts.edu/consumer-information/#DisabledStudents

Instructional Facilities and Labs

Information on the institution's instructional facilities is available at the Admissions Office located in the Trustees Classroom Building or by calling 816-414-3733. Also see www.mbts.edu/current_students/library/ for information on library resources at Midwestern.

Campus Safety and Security Report

The Campus Safety and Security Report is available on request from the Security office located in the Campus Operations Building or by calling 816-414-3836. Each fall semester the report is posted on Midwestern's website.

Questions regarding this information may be directed to the Chief of Security.

Peer-to-Peer File Sharing

The Higher Education Opportunity Act (HEOA) includes provisions that are designed to reduce the illegal uploading and downloading of copyrighted works through peer-to-peer (P2P) file sharing (an approach to content distribution in which digital files are transferred between "peer" computers over the Internet). Consistent with the principles of Midwestern and the expectations for student behavior, Midwestern views education as the most important element in combating illegal sharing of copyrighted material and uses a variety of methods to inform Midwestern's constituents about the law and responses to claims of copyright infringement. (The website <http://www.mbts.edu/consumer-information/#Peer-to-Peer> provides more detailed information.)

Midwestern currently employs an enterprise-class Sonicwall security device for analysis of all inbound and outbound network traffic. Access to P2P protocols is blocked as much as is practical by current technology. When excessive sustained uploading is detected, the Information Technology (IT) department makes an effort to identify the end user's system and notify the user of the issue and possible causes. In extreme cases, when contact cannot be made with the system owner, the data connection is severed until the owner can be reached and the issue resolved.

Students who share files of which they are not the copyright owners are most likely in violation of College/Seminary policy and potentially subject to lawsuit by the copyright holder under the Digital Millennium Copyright Act. Students are responsible for understanding what constitutes legal use of music, movies, software, images, and other copyright works that they own or use. In using Midwestern's network resources, students agree to abide by the policies and guidelines set forth by Midwestern.

Questions about file sharing may be addressed to Midwestern's Helpdesk by calling 816-414-3763 or by emailing helpdesk@mbts.edu.

Scholarship Fraud

According to the Federal Trade Commission, perpetrators of financial aid fraud often use the following lines to sell their scholarship services; students should avoid any scholarship service or website that says the following:

- "This scholarship is guaranteed or your money back."
- "You can't get this information anywhere else."
- "I just need your credit card or bank account number to hold this scholarship."
- "We'll do all the work."
- "This scholarship will cost some money."
- "You've been selected by a 'national foundation' to receive a scholarship" or "You're a finalist" in a contest you never entered.

If you believe you've been the victim of scholarship fraud, wish to file a complaint, or want more information, call 1 (877) FTC-HELP or see www.ftc.gov/scholarshipscams. On November 5, 2000, Congress passed the College Scholarship Fraud Prevention Act to enhance protection against fraud in student financial assistance by establishing stricter sentencing guidelines for criminal financial aid fraud.

Student Body Diversity

For information about the diversity of Midwestern's student body, students may contact the Registrar's Office in Trustees Classroom Building, or they may call 816-414-3713.

Withdrawal from School	47

RESPONSIBILITIES- ACADEMIC

Electronic Communication

Both academic information as well as information related to the student's financial standing with the school (i.e., his or her account balance) will be sent only to the student's MBTS email. The student is responsible for checking his/her MBTS-allocated email account. Even if a student communicates through a personal email account, MBTS will only respond through the student's MBTS email. The student may annually opt out of receiving any electronic (email) communication from MBTS, choosing instead for all communications to be delivered via USPS, by completing the *Opt-Out of Electronic Communication* available online and in the Communications Office (816-414-3709).

New Student Orientation

All newly admitted students taking residential classes are required to attend New Student Orientation (NSO) before their graduation date. The NSO schedule is posted in the Academic Calendar at the front of the catalog. Online students should complete the zero credit-hour online NSO course. Students should contact the Office of Student Life & Events at 816-414-3810 for questions or details.

Pre-enrollment

Continuing students are encouraged to enroll in classes as soon as online registration is open for the next semester. Pre-enrollment gives students the opportunity to schedule classes before they are filled and for the Financial Aid Office to process financial aid. Paper enrollment forms are available online and in the Registrar's Office.

Prospective Students

Prospective student referrals may be made by contacting the Admissions Office at 800-944- 6287 or by calling 816-414-3733 or by emailing at admissions@mbts.edu. The Admissions Office will contact the prospective student and send information about Midwestern. All prospective students are encouraged to schedule a campus visit.

Online Students

All newly admitted online students are required to complete the online course entitled *New Student Orientation* in the student's first term. Initial enrollment in the course is free. Students who fail to complete the NSO the first time will be enrolled a second time and charged a \$25 fee. Each time students have to retake the course they will be charged this fee.

RESPONSIBILITIES- COMMUNITY

Child Endangerment and Abandonment

Children should not be left unattended or placed in any situation which might cause harm or injury to the child. Children should be under adult supervision at all times in campus buildings and facilities. Suspected cases of child neglect should be reported to the Dean of Students, the Vice President of Administration, or directly to the Kansas City Police Department.

Fireworks

No person, group, organization, or program is permitted to possess, offer for sale, explode or cause to explode, any fireworks, firecrackers, or other items that may cause smoke, heat, or sparks within the buildings or on the property of Midwestern College/Seminary. Anyone found in violation of this policy will be subject to disciplinary action. In addition to campus policy, fireworks within the city limits of Kansas City are prohibited by law and violators are subject to penalties under city ordinance 26-3309.

Maintenance

Any need for housekeeping attention, maintenance and repairs in hallways, restrooms, entrances, and other common use areas should be reported to the Campus Operations Office (816-414-3732).

Seal and Logo

Institutional seals and logos are unique, historic symbols of an institution's identity and tradition. They represent the entire institution and, therefore, should be used with care and discretion. The use of Midwestern's seal and/or logo, in its past or present versions, on any publications, website, merchandise, in any electronic communications, or as a feature of any gratuity item, must be approved in advance by the Communications Office.

Smoking

In keeping with our concern for the health and well-being of students, smoking or any other use of tobacco products is not permitted anywhere on the Midwestern campus, including campus housing.

RESPONSIBILITIES-CONDUCT

Disciplinary Action

Disciplinary action may be initiated if a student is involved in immoral or unethical behavior, including the violation of the property rights of others. The following are categories of conduct unacceptable in the College/Seminary community:

- Academic Misconduct. Academic misconduct includes cheating and plagiarism. Students are to refrain from the use of unauthorized aids on examinations and assignments and to turn in only those assignments that are the result of their own efforts and research (i.e., proper citation is to be given for all quotations and/or paraphrasing). Midwestern strongly deplores every form of plagiarism and dishonesty, which are incompatible with the very purpose for which students ought to pursue an education at MBTS. Plagiarism includes "cutting and pasting" sources from the Internet without documentation. Plagiarism offenses will be referred to the Dean of Students.
- Beverage Alcohol or Illegal Drugs. The purchase, possession, or use of alcoholic beverages is prohibited on or off campus or as part of any College/Seminary activities, whether that activity is on or off campus. The unlawful manufacture, distribution, dispensation, possession, or use of any illegal drug or illegal drug paraphernalia is prohibited on or off-campus. A substance of abuse is any form of narcotics, hallucinogenic, "street drugs," beverage alcohol, or any other controlled substances as defined by law. Possession of alcohol or illegal drugs in campus housing will result in immediate suspension. The use of beverage alcohol and illicit drugs, whether on or off campus, is prohibited.
- Gambling. Gambling on- or off-campus or via the internet is prohibited.
- Sexual Impropriety. Sexual impropriety is participation in premarital sex, extramarital sex, homosexual activities or any form of deviant sexual behavior or cohabitation. Pornography is also prohibited. Pornography is the possession, purchase, distribution, or use of any pornographic materials in any form (magazines, photos, CD ROM, games, computer games, Web sites, etc.). The viewing and/or possession of underage pornographic material (Internet, film or paper) is a criminal offense and will result in the notification of the Kansas City Police Department and arrest. Matters of sexual impropriety are otherwise addressed by the Dean of Students in consultation with the Vice President of Administration, the Provost, and President.

- Neglect of Financial Obligations. Failure to pay rent, tuition, fees, or other College/Seminary bills in a timely manner as prescribed by the Financial Services constitutes neglect of financial obligations. Intentionally writing bad checks (i.e., checks with insufficient funds) is prohibited.
- Giving False Information or Altering Records.
- Theft. Theft is the unauthorized taking, borrowing and/or keeping of property belonging to others.
- Abusive or Disrespectful Behavior.

Personal Abuse. Personal abuse is any behavior that results in harassment, coercion, threat, disrespect and/or intimidation of another person. It is also any unwanted sexual attention toward another person. Actions or statements that cause damage or threaten the personal and/or psychological well-being of a person are also considered personal abuse.

Breach of Peace. Breach of peace is any action which disrupts the peace or which endangers or tends to endanger the safety, health, or life of any person. It also includes the disruption of the functional processes of the College/Seminary by individuals or organizations.

Reckless Behavior. Any behavior that creates a risk or danger to one's self or others in the College/Seminary community is strictly prohibited. This prohibition includes exceeding the posted speed limits on campus.

These listed behaviors and other conduct that are unbecoming of a Christian minister are grounds for disciplinary action. Reports of such conduct off campus will also be investigated, and the student involved may be subject to disciplinary action. Students involved in civil infractions are accountable to civil authorities but may also be subject to discipline by the College/Seminary.

The Dean of Students is immediately responsible for the administration of discipline among students and reports to the Provost and President. Cases involving academic misconduct necessitate the administration of discipline by the Dean of Students.

The purpose of disciplinary action is primarily remedial and redemptive. The following are options available to the administration for both behavioral and academic infractions:

- Reprimand and Warning. An official warning that continuation or repetition of an inappropriate behavior will result in a more severe sanction.
- Fine. A financial penalty appropriate to the violation.
- Community Service. This sanction requires the student to render a designated number of hours as specified service to Midwestern or the community.
- Probation. A formal written warning that the student's conduct is in violation of Midwestern's policies. The continued status of the student as a student depends on the maintenance of satisfactory citizenship during the period of probation. Students on probationary status may not hold student leadership or officer positions. Probation may also include the forfeiture of other student privileges, such as student housing or ministry referral assistance. This is considered a second warning.
- Voluntary Withdrawal. This sanction allows a student to acknowledge that the student's actions are inconsistent

with expectations of the College/Seminary community. The student who voluntarily withdraws must make a formal written request if there is a desire to be readmitted later.

- Suspension. Termination of student status at Midwestern for not less than the remainder of the semester. The student's presence on the campus may be prohibited during this period.
- Expulsion. Termination of student status at Midwestern permanently or for an indefinite period of time. This is usually given (but not exclusively) after a first and second warning, depending on the offense.

If needed, the Dean of Students may convene the Student Advocacy Committee to address instances of student misconduct. The committee will be chaired by the Dean of Students and will include a member of the faculty and may include the student's faculty advisor, the Dean of Undergraduate Studies, the Registrar and/or his representative, or other members of the faculty or administration who are listed in the Faculty Handbook. In the case of academic misconduct, the student will be referred to the Dean of Students. If an appeal is made to a decision by the Dean of Students, the Student Advocacy committee led by the Dean of Students in consultation with the Dean of Undergraduate Studies and the Provost may address the situation. This committee may confer with the student in question and will determine appropriate disciplinary action.

Midwestern seeks to be a responsible and redemptive community. In order for this to be true, staff, faculty, and students must accept responsibility to report those actions that might be detrimental to the reputation, well-being, or safety of the Midwestern community or the ministries Midwestern serves. Conduct that is unethical or otherwise inappropriate should be reported to appropriate personnel. The Dean of Students will investigate charges against students and may personally talk with the individual(s) involved and determine if further action is needed. The Vice President of Administration will receive and adjudicate charges against MBTS staff that are not in the Academic Division.

Grievance Process

If a student on occasion feels that the decisions and/or actions by faculty, staff, or fellow students are inappropriate and/or unjustified, the student may choose to appeal the decision and/or action. If the student chooses to do so, the following 4-step grievance process is designed to give biblically-based guidance in resolving a grievance, dispute, or conflict.

If the issue is solely academic in nature and relates specifically to a professor's judgment regarding the student's grade or other similar matters, the student should refer to Academic Appeal Process under ACADEMIC POLICIES in the Academic Information section of this catalog.

1. The student is first to seek to resolve the matter in a specific conference with the faculty member, staff person, or fellow student involved. Careful and thorough

attention must be given to achieving a mutual understanding of the perceived problem by determining and agreeing on relevant facts, clarifying perceptions and misunderstandings, and seeking to define the problem in a way that is acceptable to both parties (Matthew 18:15-20).

2. If a student, after a good faith effort to resolve a matter, feels that the problem persists to his injury or disadvantage, the student may appeal to the Dean of Students. The Dean of Students will meet with the student to hear the grievance and take steps to resolve the problem. This meeting shall remain confidential unless legal or protective action is mandated by law. The Dean of Students will work with the student to formulate a plan of resolution.
3. Should the student feel the issue remains unresolved, the student may submit an official grievance to the Student Advocacy Committee for review. If the student's grievance is with the Dean of Students (i.e., if it relates specifically to some decision or action by the Dean of Students), then the student may, after unsuccessfully finding resolution in Step one, bypass Step Two and submit an official grievance directly to the Student Advocacy Committee. A Formal Grievance Form is available on the *Consumer Information* section of the MBTS website.
4. This Formal Grievance Form is to be completed and returned to the Dean of Students within five business days of the unsuccessful attempt to resolve the problem (Step One). The Dean of Students will make a copy for the student's file and forward the grievance form to the Student Advocacy Committee within five business days of receiving it from the student. The Dean of Students will also submit to the Committee Chair his response to the student's formal grievance. The Dean of Students serves as an objective interpreter of policy processing and as a monitor of policy integrity in relation to specific student grievances in consultation with the Student Advocacy Committee.

The Student Advocacy Committee:

1. Will review the filed grievance appeal form submitted by the student.
2. Will review the filed grievance response submitted by the Dean of Students.
3. May make a face-to-face inquiry with the student (or telephone call with an online student).
4. May make a face-to-face inquiry with the Dean of Students (or a telephone call with an online student).
5. May make a face-to-face inquiry with any other party that can assist in determining a solution to the grievance.
6. Will provide one of the following responses:
 - a. The Committee may find that the decision of the Dean of Students accurately reflects the institution's guiding documents and core values and, thus, will direct that his decision be upheld.
 - b. The Committee may find that the decision of the Dean of Students does not in some way accurately reflect

the institution's guiding documents and core values. In such a case, the Committee will advise that his decision be amended, stating specifically how it should be amended; and if any additional actions are deemed necessary by the Committee in order to bring resolution in the matter, the committee may so advise. In this second case (6.b), all Committee decisions shall be reviewed by the Provost prior to announcement and final implementation.

If a student believes that the Student Advocacy Committee has violated the Student Handbook or due process, the student may file a Student Development Committee Grievance Form with Midwestern's Provost. Midwestern's President is the final appeal point. This form is available on the *Consumer Information* section of the MBTS website. This form is to be completed and submitted to the Dean of Students.

RESPONSIBILITIES- EXPECTATIONS

Campus Wide Learning Opportunities

Classes are occasionally moved to accommodate campus-wide learning opportunities. College students are expected to attend these events.

Dress

Maturity, dignity, warmth and a spirit of deference are expected in every venue of College/Seminary life, marked by mutual respect and courtesy. Appearance and attire, whether seasonal or semi-formal, should be modest and Christ-honoring everywhere on campus.

Divorce

Midwestern considers marriage to be a covenant relationship and a healthy marriage to be crucial to any married student's ministry. Any change in a student's marital status (marriage, divorce, separation, legal separation) should be reported to the Admissions Office. Those students who experience divorce or separation after being approved for admission may be asked to withdraw from classes so that appropriate attention might be given to family needs. After one full year of withdrawal, the student may reapply for admission to Midwestern. Consideration of the student's application at that time will be based on what has transpired in the student's marriage and family relationship since the withdrawal.

Opportunities for service in local churches may be more limited for graduates with a divorce than for other graduates. Divorced applicants should explore the realistic assessment of the range of opportunities of service open to them before pursuing training at Midwestern.

Local Church Membership Certification

Midwestern serves the church by biblically educating God-called men and women to be and to make disciples of Jesus Christ. As a school supported by the Cooperative Program of the Southern Baptist Convention, Midwestern affirms the importance and primacy of the local church in evangelism and missions. Therefore, students are expected to participate actively and regularly in a local church. All students should join a local church by the end of their first academic year.

Students are classified as “Southern Baptist,” “other (non-SBC) Baptist,” or “non-Baptist” based on the church membership information they provide the College/Seminary at the time of their admission. This denominational status is used to determine the tuition rate the student will pay. A student’s denominational status will not change unless the student joins a church of a different denomination. If a student changes church affiliation he/she must report this change on a new *Local Church Membership Certification* form and return it to the Registrar’s Office by the first day of the semester or term in order for the tuition rate to be reflected in the current semester. Students must certify each semester in the matriculation process that they still retain membership in a Southern Baptist church in order to receive the SBC discounted rate. The burden of reporting this information is on the student, not Midwestern.

Chapel Attendance

Chapel is viewed as a vital and distinctive part of the educational experience on Midwestern’s Kansas City campus. Chapel helps define who we are and what we stand for as a Southern Baptist, church-related, and evangelical institution of higher education. College students are required to attend 50% of all chapel services held each semester. All graduate students of the college are strongly encouraged to attend the Tuesday and Wednesday chapel services and may find assignments connected to chapel attendance in their classes.

SERVICES

Bookstore: Sword & Trowel

The bookstore is located on the lower level of the Trustees Classroom Building. The bookstore carries all College/Seminary-required texts, relevant books, commentaries, and supplies. The bookstore may be contacted by phone at 816-414-3808. The bookstore is also accessible online at mbts.edu/store.

Midwestern Calendar

All meetings for student organizations, special interest groups, and/or special events must be scheduled on the Midwestern calendar. Students desiring to schedule an event or meeting must schedule the date and campus facilities through the appropriate campus office.

Meetings and events scheduled on the Midwestern calendar can also be listed in the College/Seminary’s News and Announcements email blast that goes out to all students, faculty and on-campus staff. All such announcements must be approved through the appropriate department’s cabinet-level administrator, and should be turned in at least one week prior to the event.

Computer Lab Printing

Printers are available for student use in the Library Computer Lab. Students can print directly from their own personal computers or utilize a lab computer. The library assesses a minimal charge per page for printing.

Employment

International (F-1) Students. U.S. Immigration laws prohibit F-1 students from being employed for wages or working off-campus, and allow only 20 hours of employment for wages or work per week on campus. After the first year of school, qualified F-1 students may seek approval and authorization from the U.S. Citizenship and Immigration Services to be employed off-campus. The spouse of an F-1 student holding an F-2 visa is not permitted to work.

Campus. The Human Resources Office is located in the Administration Building. It is the central location for learning about on-campus employment and for submitting applications. Midwestern believes in employing students and student spouses and encourages them to submit applications.

Church-Related. Students desiring church work are encouraged to contact the Office of Institutional Relations. An electronic copy of a resume should be placed on file in this office. Student resumes are then distributed to churches as requested. The College/Seminary encourages students to be in a ministry setting and assists students as they seek ministry positions.

Other Employment. The Admissions Office provides assistance to students in locating off-campus employment. A list of current job opportunities is available through that same office.

Business or Commercial Ventures On Campus. Permission for any business or commercial ventures on campus or within the College/Seminary housing area (including baby-sitting services) must be requested in writing from the Vice President of Administration. Off-campus businesses are not allowed to solicit on campus without written permission from the Admissions Office.

Housing

Individuals in residential campus housing are subject to rules and regulations deemed necessary for the best interests of all students and families. Students receive information concerning these rules at the time they receive their housing assignment.

Commuter students who live outside the Kansas City area and must travel to campus for doctoral seminars have the option of guest housing for the spring semester or accommodations provided through local hotels at student

expense. Please visit the housing page of our website for more information.

Residential Housing. Residential housing units are located on campus and consist of single student dorms, single student apartments, two bedroom apartments for couples or families with 1-2 children, three bedroom apartments for families with 3-5 children, and a few four-bedroom apartments reserved for families with 6+ children. The housing area includes parking space for residents and a play area for children. The College/Seminary campus is patrolled by 24-hour on-site security.

Each apartment is furnished with an electric range and refrigerator. Some apartments are furnished with a dishwasher. Electric laundry hook-ups are provided in some of the apartments. Apartments in Rawlings Court are furnished with stack washer and dryer. Coin-operated laundry facilities are provided in the other apartment buildings. Students should discuss the availability of appliance hook-ups in the apartment at the time the housing assignment is determined. Water, trash removal, electric, gas, internet, and cable expenses are included in the housing fee.

Undergraduate Students under the Age of 21. Single, undergraduate students under the age of 21 are required to live on campus or live off-campus with an immediate family member.

Meal Plans. Single undergraduate students who are required to live on campus must also purchase a meal plan at the start of each semester. Students residing in the Residential Hall will be required to purchase a full-board plan.

Undergraduate Move-In Policy. Undergraduates living in the Residential or other single-student housing will be given a firm move-in date before the start of the semester and a firm move-out date at the close of the semester. This scheduling permits institutional maintenance crews to prepare these facilities for next term. Students must inform themselves of these dates as established by the housing office.

Undergraduate Visitation Policy. The institution maintains a visitation policy that applies to all undergraduate single students housed on campus, the details of which are presented to the students at the start of the semester by the residence life staff.

Requirements for Living in Residential Housing. Current full-time students taking a full-time load, are eligible to live in residential housing. For this purpose, 'full-time' is defined as 12 credit hours per semester, with no more than one online course counted toward this minimum. Students from the same family may not count their cumulative hours toward this full-time equivalent. Students living in apartments and taking full-time loads in the spring and fall semesters may reside in residential housing during the winter and summer terms, even if they are not taking courses during these times. Winter and summer term hours do not subsidize the hours required for the spring and fall semesters.

Students who withdraw from classes, fail to enroll, or otherwise cease to engage in courses of study at the institution will be expected to move out within thirty days from the qualifying event. Such residents may remain in residential housing only with an approved exception from the Vice

President of Administration. Graduating students may contract for and occupy the space until the last day of the month following completion of their residential coursework. Exceptions to this rule must be approved in writing by the Vice President of Administration. Students may occupy campus housing during the time required to earn the degree for which they are enrolled. Students anticipating additional study at the institution must re-apply for housing.

Prohibitions. Beverage alcohol, tobacco, and illegal drugs are not allowed anywhere on the Midwestern campus, including residential housing. Possession of such in residential housing will result in immediate eviction. Pets are not allowed in residential housing. All students of MBTS are expected to abstain from beverage alcohol, tobacco, and illegal drugs on or off campus.

Check-out procedures. Residents of single student housing will be given a firm move-out date following the close of the spring semester. Such students are required to submit a semester Transition Form at least 30 days prior to their anticipated move out. Such students will need to remove all of their belongings from their rooms and complete the check-out process with the Resident Assistant. Residents failing to complete the check-out process will forfeit their entire deposit. Property left in contracted rooms and storage units will be considered abandoned and will be removed at the owner's expense. As housing fees are not pro-rated, single students vacating a residence during any month will be charged the entirety of that month's housing fees.

Residents preparing to vacate other forms of residential housing (e.g., family) must submit an *Intent to Vacate* notice at least 30 days prior to the anticipated move out date. As monthly housing fees are not pro-rated a residence during any month will be charged the entirety of that month's housing fees. Residents who fail to return keys or complete the proper exit forms will accrue housing charges until the checkout process is completed and risk forfeiture of their Housing Deposit. MBTS shall remove and dispose of, at the owners' expense, any personal property left in the contracted space or any storage areas after a tenant has vacated a unit.

Vacated apartments are inspected by campus personnel; and the findings of this inspection, along with key return status will determine the amount of deposit refunded.

Limits of Care

Midwestern College/Seminary's purpose is to equip individuals for ministry and educate Christian adults. In the process of equipping students, Midwestern is often asked to provide pastoral care and counseling. The care provided by Midwestern College/Seminary is defined as pastoral support-care. This provision means the College/Seminary will offer encouragement, advice, prayer, and biblical guidance for our students.

In no way does Midwestern College/Seminary intend to present all its employees as professional caregivers (licensed counselors, psychologists, psychiatrists, etc.). The College/Seminary does not attempt to be the primary caregivers for those with severe problems like clinical

depression, addictions, suicide, severe marriage and family problems, etc. In these cases the College/Seminary will refer the individual or couple to a qualified caregiver.

Insurance

The College/Seminary encourages all students to obtain medical and hospitalization insurance for their own protection. A student hospitalization plan is available through providers. HealthCare.gov is a good place to shop for medical insurance. All international students (students holding F-1 or J-1 Visas) are required to show proof of health insurance.

Life insurance is also available through GuideStone for reasonable premium rates. Each student is encouraged to carry some form of life insurance. College/Seminary insurance does not cover the loss of personal property or damage to personal items, whether on-campus or in a College/Seminary housing unit. Each student or resident is encouraged to purchase such coverage from a private insurance carrier.

International Students

International students are welcome at Midwestern, which is authorized under federal law to enroll nonimmigrant international students. Midwestern's specialized programs are appropriate for persons preparing for a career in Christian ministry. International Students may only attend Midwestern's Kansas City campus. New international students may only begin in the fall or spring semesters.

International students at Midwestern are expected to be aware of and in compliance with all federal regulations applicable to them. Midwestern does not admit students who are currently out of status with the U.S. Citizenship and Immigration Services.

Lost and Found

The campus "Lost and Found" service is maintained in the Security Office. Items found on campus should be taken to this office, and inquiries regarding lost items should be made there as well.

Parking

All vehicles parked on campus are to have a Midwestern parking sticker which can be purchased in the Security Office.

Post Office and Campus Mail

Student mailboxes are located on the lower floor of the Trustees Classroom Building adjacent to the Sword and Trowel bookstore. Each student is assigned a campus box by the Financial Services at New Student Orientation or upon request. Campus boxes are for internal use only, not for the delivery of U.S. mail. Mail sent through the U.S. Post Office should be addressed to the student's home or residential address. Questions concerning student mailboxes should be referred to the Financial Services in the Trustees Classroom Building.

Publications

Academic Catalog. Midwestern's Academic Catalog is the College/Seminary's official statement of curricular offerings and academic policies. The catalog provides information that will enable students to make informed decisions concerning their College/Seminary education. The College may require a student whose enrollment has continued beyond five years to graduate according to the requirements of a catalog issued subsequent to the student's initial registration. Students reenrolling after being out of school for one year or more must return under the requirements of the Catalog in effect when they reenroll.

Midwestern Journal of Theology. The *Midwestern Journal of Theology* is a scholarly journal written to assist Christians and churches in making disciples of Jesus Christ throughout the world. Published twice a year, each issue includes theological and exegetical articles, inspirational sermons, and reviews of important books.

Student Handbook. The Student Handbook is included as a section in the *Academic Catalog* and sets forth policies and procedures pertaining to students and student families. New students are required to submit a signed statement affirming that they have read the Student Handbook. All students and family members are encouraged to be familiar with the Handbook. For any questions or information regarding the Student Handbook, students should contact the Admissions Office at 816-414-3733.

Security

Buildings and grounds are checked periodically. Security-related matters may be directed to **816-414-3836**.

In the event of emergencies threatening life and property, students should **call 911** for immediate help from the KC Fire Department, KC Police Department, or KC ambulance service.

Koehn-Myers Center

The Koehn-Myers Center for World Evangelism is named after two martyred (Yemen, 2003) International Mission Board missionaries, Bill Koehn and Martha Myers, both of whom attended Midwestern Baptist Theological Seminary. The Koehn-Myers Center houses the Library Annex; Academic, Doctoral, Faculty offices; a student lounge; and the Missions Atlas Project.

Student Advocacy Committee

The Student Advocacy Committee is chaired by the Dean of Students, faculty members, selected staff members, and a student representative. The Committee proactively works with the Dean of Students for the watch-care of student life issues at Midwestern and ultimately seeks to maintain an environment that enables success for Midwestern students.

OPPORTUNITIES

Midwestern Evangelism Teams (MET)

Midwestern Evangelism Teams (MET) are student-led outreach teams organized to provide practical evangelism opportunities throughout the year. Students participate in weekly evangelistic opportunities throughout the semester with special emphasis on personal evangelism.

Involvement in MET is voluntary and open to anyone at Midwestern who has a heart for sharing the Gospel of Jesus Christ.

Ministry Opportunities

Over 550 Southern Baptist churches lie within a 100-mile radius of Midwestern. The proximity of this great number of churches makes it possible for a majority of Midwestern students to serve in a ministry setting while pursuing their theological education. Many Midwestern students serve as pastors, assistant pastors, interim pastors, or ministers of music, Christian education, or youth. Students also serve in such specialized ministries as language missions, new work ministries, Christian social ministries, and student work.

The Institutional Relations Office maintains a resource for students and alumni to explore places of service in area churches and across the convention. Students are encouraged to take advantage of this resource by providing an electronic copy of a resume for reference. Ministry inquiries may be directed to the Institutional Relations Office.

Music Opportunities

Chapel Choir lends its voice to campus worship during Tuesday morning chapel services with a variety of rich, Gospel-focused music. Participation is open to all MBTS students and their spouses, as well as faculty, faculty spouses, and staff. Rehearsals take place each Tuesday at 9am—just one hour before chapel. No auditions necessary. Students may enroll for (1) hour class credit at no charge.

Voices of Midwestern is a team that leads worship and represents the school in a variety of on and off-campus settings and is comprised of both vocalists and worship band members by audition only. Auditions are open to both new and current MBTS students (including MWI) but must take place before enrolling. Class credit is (1) hour at no charge. For information about current openings or to schedule an audition, contact the Department of Worship Ministries.

Chapel Band assists in leading worship for weekly chapel services, and participation is open to all MBTS students, spouses, faculty, and staff. Before enrolling, all interested persons must contact the Department of Worship Ministries to discover current openings and schedule a time to demonstrate musical abilities. Those who take for class credit will be assigned to either the Tuesday or Wednesday band—or both. All others will be assigned as needed. Rehearsals take place at 9am the morning of chapel. One (1) hour class credit is available at no charge.

Student Life

Life outside of the classroom is an important part of the educational experience at Midwestern. Each semester the Office of Campus Culture & Events will publish and publicize a calendar of campus activities for students and their families. A complete list can be viewed at any time by visiting www.mbts.edu/events.

Conferences. Information regarding other conferences, lectures, and special events hosted on campus is posted regularly at www.mbts.edu/events.

Scheduling Special Activities. Students desiring to hold special activities or meetings on campus should make arrangements through the office of Campus Culture & Events. Events initiated and planned by faculty members are arranged through the Office of Administration.

Student Government Association. The Student Government Association (SGA) is the official organization for student engagement with the administration. Officers for the SGA are elected in the Spring for the coming academic year by the general student body, or nominated by the Dean of students if elections cannot be held. The SGA promotes community, communication, growth, and understanding throughout Midwestern. It serves to establish communication between student and the administration by representing the student body on various committees and provides an outlet for student issues to be voiced on campus.

Student Organizations. Two types of student organizations can be created at Midwestern: official organizations established by the faculty and administration, and student volunteer organizations which are established around a particular student interest.

Student Volunteer Organizations. All student volunteer organizations should contribute in a positive and practical way to the intellectual, spiritual, and professional interests of students. Students interested in forming a new organization are required to have the support of a faculty sponsor. The office of Campus Culture & Events can assist in starting new groups.

Midwestern Women's Institute

Midwestern believes that women were created to be complementary to men, yet unique. Women have unique opportunities and challenges in ministry. Just as men are called to train and prepare for ministry at College/Seminary, women must train and prepare as well. Midwestern Women's Institute exists to equip and prepare the women of Midwestern to fulfill the Great Commission by providing them with biblical training, the support and fellowship of fellow Kingdom-minded women, and practical preparation for ministry and service.

Students and wives of students at MBTS/College are eligible to graduate through our certificate program. A certificate is presented to those completing the prescribed requirements. Many of the MWI courses are taught by Midwestern's professors, their wives, our administrators, and women serving and ministering in the Kansas City area. These

courses are designed to meet the unique needs of women in the ministry. Free childcare is provided by reservation.

Worship and Special Events

The students, faculty, and staff of Midwestern gather together regularly for worship, special lectures, and events.

Chapel

Chapel services are held weekly on Tuesdays and Wednesdays at 10:00 a.m. in the College/Seminary Chapel during the fall and spring semesters. The services offer a variety of preaching, teaching, and other worship opportunities.

Convocation

Convocation is held twice during each school year—a general convocation at the beginning of the fall semester and an academic convocation at the beginning of the spring semester. A ceremonial assembly of all members of the campus community, convocation serves as a launching point for each new semester.

C. W. Scudder “School of the Prophets” Memorial Lectureship in Christian Ethics

In 1991, Lyle Scudder and Kathy Scudder established the C. W. Scudder “School of the Prophets” Lectureship as a memorial to the late Dr. C. W. Scudder, Vice President for Internal Affairs, Senior Professor of Christian Ethics, and Vice President Emeritus at Midwestern Seminary, from 1975-1991. This lectureship focuses on the biblical basis for dealing with contemporary social challenges and ethical issues.

H. I. Hester Lectureship on Preaching

In 1958, Dr. H. I. Hester, the first Chairman of the Midwestern Seminary Board of Trustees, together with Mrs. Hester, instituted the H. I. Hester Lectureship on Preaching. A distinguished authority in the field of preaching delivers a series of lectures.

Lewis A. Drummond Lecture Series

The Lewis A. Drummond Lecture Series on Evangelism was established in 2005 by the widow of Dr. Lewis A. Drummond, Betty Drummond, of Dothan, AL, as an annual, one-week evangelism lecture series dedicated in memory of her husband. At the time of his death in 2004, Dr. Drummond was Evangelism Professor in Residence at the Billy Graham Training Center at The Cove in Asheville, NC and Chancellor of the Schools of Evangelism for the Billy Graham Evangelistic Association. He served as the Billy Graham Professor of Evangelism at Southern Baptist Theological Seminary in Louisville, KY, from 1968-73, President of Southeastern Baptist Theological Seminary in NC from 1988-92, and was the Billy Graham Professor of Evangelism at Beeson Divinity School in Birmingham, AL, from 1992 until he retired in 2003.

Sizemore Lectureship in Biblical Studies

In 1976, the Midwestern family and many of its friends established the Burlan A. Sizemore, Jr., Lectureship in Biblical Studies as a memorial to Dr. Sizemore. Sizemore, Professor of Old Testament and Hebrew at Midwestern since 1968, was killed in an auto accident in March 1976. This lectureship brings authorities and scholars to the campus to

deliver a weeklong series of lectures on some aspect of biblical studies.

C.H. Spurgeon Lectures on Preaching

The C.H. Spurgeon Lectures on Preaching is designed to serve as a week of inspiration and spiritual renewal for both the Midwestern and area communities. A well-known preacher or denominational leader lectures during this week of worship each year.

Financial Information

The student is responsible for meeting all educational expenses such as tuition, fees, housing, books, etc. All educational charges are due and payable on the published due date of the semester or term for which the student is enrolled.

Tuition and fees are subject to change at the discretion of Midwestern without prior notice in accordance with established policies and procedures. Any revisions will be communicated to students prior to each semester.

Financial Services Office Hours

Financial Services is open to serve students Monday through Friday, 8:00 am to 4:00 pm. The Office is closed for chapel services on Tuesday and Wednesday from 10:00 to 11:00 am. Students may also pay enrollment fees, housing costs, library fines, etc.

If students have questions about the financial payment processes or if assistance is needed, students should contact Financial Services at 816-414-3716 or finance@mbts.edu. Should financial problems concerning payment of bills arise, the student may discuss arrangement for payments with the Financial Services office.

Textbooks typically average \$75 per course and may be purchased at the Sword & Trowel campus bookstore. The bookstore is located on Midwestern's Kansas City campus. Students may also order textbooks by calling 816-455-3925, emailing swordtrowel@mbts.edu or online at <https://mbts.edu/store>.

Bookstore Vouchers

Bookstore vouchers are available to students who have financial aid awards and have excess funds available after tuition and fees. The bookstore voucher is valid at the Sword & Trowel campus bookstore for purchase of textbooks only. The bookstore charges will be placed on the student's account. Vouchers may be requested by completing the form on the Financial Service pages of the MBTS website.

Requirements for Eligibility:

- Students must be registered in the term in which the book voucher is requested
- Students must have completed all required documents requested by Financial Services
- Students must have no outstanding balance
- Students must have anticipated Title IV financial aid that exceeds their institutional charges.

HOUSING FEES

Housing

Only full-time, degree-seeking students in residential programs may reside in campus housing. Applications for housing are not accepted until a student has received a notice of acceptance as a degree-seeking student. All housing rates are subject to change without notice; however, housing rates are normally adjusted on an annual basis. Lease information is available through the Seminary Housing Office (816-414-3617).

Students who decide not to reside in campus housing after making application may have the deposit refunded provided he/she submits the request in writing at least 30 days prior to the intended date of occupancy. If campus housing is not available at the time of the request, applicants are placed on a waiting list based on the date the Housing Office receives the application and deposit.

Rent for single student dorms is billed for the entire semester and is due on the due date for tuition and fees for the semester. Rent for family housing is billed monthly and is due on or before the first day of each month. A late fee of \$50 is charged after the 10th of each month. Midwestern reserves the right to request students to vacate the student housing for nonpayment of rent. A \$25 charge is assessed for each key that

is lost or not returned. Exceptions to these policies due to exigent circumstances are at the discretion of the Vice President for Administration. Criteria that influence exceptions are on file in the Student Housing Office. The rental rates are inclusive for all utilities (electricity, gas, trash, water, Wi-Fi, and basic cable).

PAYMENT INFORMATION

Financial Responsibility

Institutions of higher learning and especially those that primarily teach Christian principles are responsible for teaching students not only academics but also principles of good citizenship. Financial integrity and responsibility are character traits of the highest priority. Enforcing accountability is a primary tool for teaching students to be responsible citizens. Students are responsible for the costs of attending or taking classes at Midwestern and for living within Midwestern’s financial guidelines.

Enrollment in courses or residence in campus housing constitutes a contractual financial obligation of the student to pay tuition and other fees. The student is ultimately responsible for his/her account and should monitor it on a regular basis. Students have access to their account information on the Student Portal which shows tuition amounts billed and paid, scholarships posted to their accounts, bookstore charges, and housing costs.

Tuition Due Dates

Tuition due dates are posted to the Financial Services page of the website and course schedules for each semester and term. Students should review these sources for specific due dates to ensure that their fees are paid in a timely manner.

Fall and Spring Semesters

Tuition and fees for fall and spring semester classes are due as follows:

- Online Term A: One week prior to the start of term A
- Online Term C: One week prior to the start of term A
- On-Campus: One week prior to the start of term A
- Online Term B: One week prior to the start of term B

If students are enrolled in both term A and term B classes, the fees are due in term A.

Winter Term

Tuition and fees for the winter term are due the first Monday of December. Students who register for a winter term class after the payment deadline must make immediate payment or payment arrangements upon enrollment.

Summer Terms

Tuition and fees for the summer terms is due as follows:

- Online Term A: One week prior to the start of term A
- May or June On-Campus Classes: One week prior to the start of term A
- Online Term B: One week prior to the start of term B
- July or August On-Campus Classes: One week prior to the start of term B

If students are enrolled in both term A and term B classes, the fees are due with term A tuition. For the purposes of payment, on-campus classes are considered to start the first day of the on-campus class session regardless of any pre- or post-

course work. Students who register for a summer term class after the payment deadline must make immediate payment or payment arrangements upon enrollment.

MWI Classes

Tuition for each MWI term is due on the same date as its corresponding online term. For example, MWI Term I tuition is due with online term A. Term II tuition is due with online term B. Students who register for an MWI class after the payment deadline must make immediate payment upon enrollment.

Late Registration

Tuition and fees are due immediately upon enrollment for students who register after the published payment deadline for a given term. Undergraduate and master's students who enroll after the deadline may be subject to a \$50 late registration fee.

Impact for Non-Payment

Students who have registered but have not paid tuition and fees by the due date will be dropped for courses in which they are unofficially registered. The drop date is the day after the 100% refund date for the online A- and B-terms, respectively. If dropped, to be re-enrolled the student must pay or make approved payment arrangements for the required tuition and fees, including a late registration fee, up front and then re-register through the Registrar's Office. Consult the Registration Calendar and Tuition Refund Schedule for deadline and refunds based on the date courses are dropped.

Due Date for Miscellaneous Charges

Any item billed to the student's account without a published due date is due within 30 days of the date of billing.

Payment Application Policy

Payments will be applied to student accounts in a specific order in accordance with the following policy. Specifically designated payments will be applied to the corresponding billing line item in temporal billing order (for example, a student specifies that his/her check is for rent). This excludes receipts from financial aid and monthly payment plans, which shall be considered general, undesignated payments unless it is obvious the payment is intended for a specific charge (for example, a housing deposit). General, unspecified payments received on account or account credits will be applied against charges in the following order:

- The entirety of the previous balance from (a) prior term(s), regardless of the types or billing dates of the charges comprising the accumulated previous balance; then
- Tuition and related recurring per-semester fees; then
- Seminary housing rent charges in temporal billing order; then
- Guest or commuter housing charges in temporal billing order; then
- Incidental, miscellaneous, and/or one-time fees (such as, but not limited to, vehicle registration or violations,

transcript fees, late fees, graduation fee) in temporal billing order; then

- Any other charges in temporal billing order.

Undergraduate Payment Options

Various options are available for admitted degree-seeking students to pay their tuition and fees, including, but not limited to, the following:

- Payment in full
- Monthly payment plan
- Employer tuition assistance programs
- Veteran or active military benefits
- Financial aid programs, including scholarships and Federal Student Aid.

Admitted nondegree-seeking students may use the monthly tuition payment plan; however, nondegree-seeking and conditionally-admitted students are not eligible for scholarships or financial aid.

Payment in Full

One of three methods may be selected for making full payments:

- Mailing a check to MBTS, Attn: Financial Services, 5001 North Oak Trafficway, Kansas City, MO 64118. Payments postmarked by the due dates do not meet the payment deadlines; payments must be received by the due date. Students should allow at least 7-10 days for mailing.
- Payment in person at the Financial Services office located in the Classroom Building (cash and checks only).
- Payment in full through the Student Portal using a credit/debit card or an ACH draft from a checking or savings account. Students can click the appropriate button the *My Ledger* page and follow the prompts.

Monthly Payment Plan

Midwestern contracts with a third-party vendor to provide a monthly payment plan option to its students. A nonrefundable enrollment fee is required for each payment plan and various processing fees for each payment may apply. A down payment may be due upon enrollment in the plan. The remainder is divided evenly, and monthly payments are automatically made from the student's chosen payment method on the 15th day of each month throughout the semester.

If using a payment plan, each individual student must have his or her own plan; spouses may not share a payment plan. Once established by the student, the payment plan is not automatically modified for changes in enrollment or fees. Students can increase the amount of their payment plans by clicking the appropriate button in the ledger in the Student Portal. Any decrease to or termination of a payment plan must be requested by email to finance@mbts.edu at least three business days prior to the next required draft.

Students should contact Financial Services or refer to the website for further information about enrollment periods and

plan options. A link to the payment plan is also provided on the website and student portal.

Employer Tuition Assistance Programs

Midwestern will participate in tuition assistance programs provided by students' employers. There are two general types, direct payment vouchers and tuition reimbursement vouchers.

Direct Payment Vouchers

Direct payment vouchers are those for which the employer pays Midwestern directly for the applicable tuition and fees on behalf of the student. The student should complete the voucher and any other required items as specified by the employer and then submit the completed documentation (whether the original or a copy, as specified by the employer) to the Financial Services Office on or before the payment due date each semester or term for which the benefit is sought. Once the voucher paperwork is received, Midwestern will add it to the student's file and complete the necessary steps to ensure payment is received on the student's behalf. These vouchers will be placed as a pending scholarship on the student's account until the payment is received.

Tuition Reimbursement Vouchers

Tuition reimbursement vouchers are those for which the employer pays the student directly, typically after the term is completed and proof of grades is submitted. Students who are using these types of vouchers must pay Midwestern directly by paying in full or enrolling in a payment plan on or before the due date. Tuition reimbursement vouchers do not involve Midwestern in terms of payment and therefore will not be accepted as "pending" payment to satisfy the student's financial obligations. The student should submit the voucher directly to the employer. If the employer requires Midwestern to certify enrollment, completion, grades, etc., students should submit the necessary paperwork to the Financial Services Office at the appropriate time as specified by the employer on the voucher or other documentation.

Financial Aid

Financial aid funds are disbursed according to the regulations for each award program. The Financial Aid section of the catalog provides more information about available financial aid programs. The funds are credited to students' accounts after confirmation of eligibility. For the fall and spring semesters, funds are typically credited on the Friday of the second week of the semester.

Timing of disbursement is contingent upon the student meeting all conditions for receiving aid. Students who have not submitted all the required financial aid documents (including, but not limited to, the award letter, MPN, appropriate loan entrance counseling, and any other documents requested by the Financial Aid Office) on or before the semester due date must pay or enroll in a payment plan while the financial aid process is being completed until the funds are pending disbursement. If selected for financial aid verification and the process is not complete, students must pay or enroll in a payment plan until the process is completed and the funds are pending

disbursement. Otherwise, students may be dropped from the classes in which they are unofficially enrolled.

Any excess credit balance after financial aid disbursements will be processed within 14 days after the credit balance occurred. The Credit Balance Refunds section listed below provides more information. If charges remain on the student's account after financial aid disbursements or if subsequent charges are made, the student is responsible for making certain the charges are paid on time.

Past Due Accounts

Students with past due financial obligations will be subject to late fees and account holds, which may lead to termination of enrollment and/or the withholding of grades, degrees, and transcripts. Such students will not be permitted to pre-enroll or enroll for future semesters/terms until their past due financial obligations have been paid or approved arrangements for payment have been made. A fee of \$25 will be assessed for all past due balances of \$100 or more every 30 days the balance remains delinquent. Overdue balances will be addressed on a monthly basis by the Financial Services Office, and nonpayment will lead to financial hold and put the student at risk for further adverse actions.

Past due account notifications are sent by email to current and former students who have outstanding balances on their account. In the case of past due accounts of former students who are unlikely to check their student email, the Financial Services office may make an exception to the general MBTS policy and attempt to contact the student at his/her personal email address(es). It is in the best interest of the student to speak with Financial Services to discuss options for resolution on accounts. Students with past due balances that remain unpaid or unresolved may be referred to a collection agency. If so, any collection fees become the student's responsibility.

Returned Checks

A check received for payment of tuition fees but returned for any reason invalidates a student's enrollment and jeopardizes the student's status. All returned checks must be redeemed within two weeks. A \$20 returned check fee is assessed for each check returned by the bank. In addition, appropriate late payment fees may be added. Upon the receipt of the third returned check from a student or member of their immediate family, Midwestern will no longer accept a check in payment of fees and check cashing privileges will be revoked. Future payments for tuition, rents, utilities, etc., will only be accepted in cash, money order, or cashier's check. Bad checks may be subject to collection or prosecution.

Credit Balance Refunds

Credit Balance Resulting from a Course Withdrawal

A student who withdraws from a course or from Midwestern completely is subject to the refund schedule policy. If the refund schedule allows for a refund, and if a refund would create a credit balance on a student's account, he/she must request a refund by completing the Refund Request Form

located on the Financial Services page of the Midwestern website.

Credit Balance Refund Resulting from Federal Title IV Aid

If receipts of Federal Title IV aid (grants or loans) result in a credit balance, a refund check in the student's name will automatically be mailed to the student. If the student's account is paid partly by a Parent Plus Loan and results in a credit balance, the check is drawn to the borrower to the extent of the Plus loans proceeds.

Federal Title IV aid can only be credited towards institutional charges. Non-qualifying charges may result in a refund being generated leaving an outstanding balance on the student's account for which the student is responsible. No credit balances may be held to apply against charges in a future term.

Students receiving Title IV aid who withdraw completely may be billed for balances resulting from the mandatory return of funds to the U. S. Government.

FINANCIAL AID

Application and Eligibility

For many students, financial aid can greatly affect their decision about whether or not to attend, or which institution they should attend. Because of its importance, the decision to apply for financial aid, and which programs to accept, should be made only with a complete understanding of the application process, benefits, terms, conditions, and other responsibilities.

Financial aid is any grant, scholarship, or educational loan offered for the express purpose of helping a student pay for educationally related expenses. Eligibility for financial aid is determined on the basis of financial need and/or academic achievement. Grants and scholarships are "gift aid" and need not be repaid. Loans must be repaid to the lender over an extended period, typically after the student leaves school.

Applicants for financial aid are required to do the following:

1. Be a fully admitted, degree-seeking student. Nondegree-seeking students and those only auditing classes are not eligible for financial aid.
2. Complete a Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. Midwestern's school code is 002485.
3. Complete verification when required. Guidelines will be provided to the student for completion of the verification process.

Information provided by the student on the FAFSA is used to generate an Expected Family Contribution (EFC), which takes into account the income and assets of the student and/or parent. The EFC is used to determine the student's financial need. The student's financial need is the difference between the Cost of Attendance and the Expected Family Contribution or EFC. The Cost of Attendance includes the educational expenses:

- Tuition

- Required fees
- Room and board (for students living on and off campus)
- Books and supplies
- Transportation
- Miscellaneous expenses

The amounts for these six educational expenses are the student's estimated Cost of Attendance and they become the student's budget for financial aid purposes. Only the actual tuition, fees, and room and board (for resident students) are charged on the student's college bill. Financial aid recipients are selected on the basis of demonstrated financial need (as stated above) and/or academic achievement. Most financial aid awards are based on full-time enrollment, which is a minimum of 12 credit hours per semester for an undergraduate student.

Students should note that in order to complete a bachelor's degree within four years they must take more than 12 credit hours per semester. Students should consult with their Academic Advisors to plan course loads accordingly.

In order for a student to continue to receive financial aid, the student must maintain financial aid Satisfactory Academic Progress (SAP). The policy for determining financial aid Satisfactory Academic Progress is stated below. For more information on financial aid, students may contact Financial Services by calling 816-414-3716 or by accessing the Funding Your Education page found on the Midwestern website: www.mbts.edu

Satisfactory Academic Progress (SAP) Policy

Financial Services of Midwestern Baptist Theological Seminary and College, administers the student financial aid programs from federal and institutional sources. Institutional sources include scholarships and grants. The U.S. Department of Education requires schools to develop and implement policies by which academic progress is evaluated and monitored for all students, even for those students who have not received financial aid in prior terms at Midwestern.

Students must meet the financial aid Satisfactory Academic Progress (SAP) requirements to receive federal Title IV aid, which includes Federal Pell Grants, Federal Direct Loans, and Federal Parent PLUS Loans. Midwestern also applies the SAP requirements to monitor eligibility for all institutional aid.

This policy describes the Financial Aid Satisfactory Academic Progress (SAP) and is in addition to and operates separately from the Academic Satisfactory Progress requirements for each academic program.

The standards for which students are measured for SAP include Qualitative, Quantitative, and Maximum Time Frame. The academic record of students receiving financial aid is reviewed after the end of each semester. The academic record review is cumulative and includes all courses taken at the student's current academic level.

After the evaluation, letters are sent to all students who have insufficient academic progress and are being placed on either financial aid warning or suspension. The letter also

outlines the process a student must complete to be placed on financial aid probation.

For the purpose of determining eligibility for financial aid, a student is certified as being in satisfactory academic standing if that student is making satisfactory academic progress toward his/her educational objective as described below:

SAP Measurements for Undergraduate Students

1. **Quantitative:** Eligibility for most financial aid requires at least half-time enrollment, per regular semester. A student *must* successfully complete 2/3 of attempted coursework at the current level. Withdrawals, incompletes, repeated courses, failure grades, and transfer hours count as attempted coursework. Note: Completion rates are not rounded up.
2. **Qualitative:** To maintain eligibility, a student must maintain the minimum cumulative GPA of 2.0.
3. **Maximum Time frame:** A student may not exceed a maximum number of attempted hours in any program even if aid was not received during the current term or prior terms. MBTS defines the maximum time frame as 150% of published number of credit hours for the student's declared degree program. For example, a student in a program that consists of 120 hours must not exceed 180 attempted hours. Once a student reaches the maximum time frame allowed, the student is ineligible to receive financial aid. Students may appeal on the basis of coursework not applicable to the current degree program.

SAP Measurements for Doctoral Students

1. The minimum GPA component for doctoral students is measured by the Doctoral Studies Office. Since the doctoral standards are more stringent than the federal SAP requirements, doctoral students permitted to continue enrolling in doctoral seminars or courses are deemed to be making satisfactory academic progress.
2. During the seminar/course phase of the doctoral program, students must complete a minimum of two seminars per semester (i.e. at least 12 credit hours each academic year) to be considered a full time student. During the dissertation phase, students must complete the dissertation within five years of the start of their program. (A full explanation of full and part time status for doctoral students is found later in this section.)
3. For doctoral degree programs, eligibility for federal financial aid ceases after students have been enrolled for five years.

SAP Review and Warning

Financial aid satisfactory academic progress is reviewed at the end of each payment period (semester) by Financial Services. Failure to meet the minimum standard outlined in this policy statement places a student on financial aid SAP warning status for one semester. Students on financial aid SAP warning will remain eligible for federal financial aid for one payment period.

Students on financial aid SAP warning have one semester to correct a progress problem stemming from a low grade point average or lack of credit hour completion. Students placed on academic probation by the Registrar are also considered to be on financial aid SAP warning for one semester and are expected to comply with the requirements of both academic probation and financial aid SAP warning.

Students who do not reestablish satisfactory academic progress after one semester on financial aid SAP warning are no longer eligible to receive federal financial aid and are placed on financial aid SAP suspension. The financial aid SAP suspension appeal process is described below.

SAP Suspension Appeal Process

Students who do not meet the financial aid SAP requirements due to mitigating circumstances may submit a financial aid SAP Appeal to Financial Services to request an extension to receive federal financial aid for one additional semester. Common situations that may cause a student to fail to meet satisfactory progress standards include family difficulties, such as illness/hospitalization, change in employment or other catastrophic, unplanned circumstances.

Appeal process

Step One: Students who choose to follow the appeal process must:

- Submit the Appeal Form to Student Financial Aid Office
 - Student must state why he or she failed to meet SAP requirements
 - Student must state what has changed so that he or she will meet SAP at the next review

Step Two: Student Financial Aid Office will:

- Review the Appeal Form
- Send results of appeal to the student
- Approved appeals include
 - Approval and terms of reinstatement of financial aid eligibility
 - Requirement to meet SAP in next enrollment period (semester) or
 - Requirement to follow an academic plan over an extended period of time
 - Consequences for not meeting terms of approval
 - Approved appeals will result in financial aid being awarded for the enrollment period
- Denied appeals include
 - Reasons for denial
 - What the student must do to meet SAP
 - Denied appeals will not be awarded financial aid until SAP is met

Step Three: Students must continue to meet terms, as established, until SAP is met in order to continue receiving financial aid on a probationary basis. Once SAP is met a student is no longer considered to be on probation. Failure to maintain SAP in a subsequent semester will result in the student being placed on warning for the upcoming enrollment period (semester).

Students are reminded that readmission to Midwestern after an academic suspension or approval of an academic suspension appeal does not automatically reinstate financial aid eligibility after a financial aid suspension. Reinstatement of financial aid eligibility is not retroactive. Reinstatement of financial aid eligibility only affects current or future enrollment periods.

Students Should Monitor Their Academic Progress

Students are responsible for reviewing their grades (including midterm and end of term grades) and comparing their progress to the standards set forth in the financial aid Satisfactory Academic Progress Policy to ensure that they are aware of their standing.

Students are encouraged to seek assistance through pursuing additional academic advising, arranging for tutoring, or regularly discussing their academic work with their instructors. Students are responsible for monitoring their own academic progress because the review completed by Financial Services may immediately affect their financial aid eligibility for the next term.

Federally Defined Leaves of Absence

Midwestern does not grant federally defined Leaves of Absence for financial aid purposes. If a student must withdraw from school due to circumstances beyond the student's control, Midwestern may determine a withdrawal date related to those circumstances. Midwestern always has the option to use the student's last day of documented attendance at an academically related activity.

A financial aid refund calculation will be made in accordance with current federal regulations and will be processed by Financial Services. For information concerning the current federal financial aid cancellation policies, students should contact a Financial Aid Specialist.

Break in Enrollment

When a student has a break in enrollment and is readmitted, the financial aid SAP status for prior terms applies. For example, if a student is placed on financial aid suspension at the end of the spring term and does not return for the next fall term but returns the next spring term, the student continues in a financial aid suspension status for the spring term.

Definition of Traditional semesters, J-term, & Summer Sessions

A traditional semester is referred to as a standard term (e.g., fall, spring, and summer). A standard term may also be comprised of smaller "sub-terms" (e.g. Term-A). Standard terms are defined as 15 weeks of instruction. Satisfactory Academic Progress requirements are calculated on the satisfactory completion of at least 12 credits in at least 15 weeks of instruction.

J-term credits from classes occurring during the first full week in January are added to the spring term. Any other intensive courses such as academic workshops, etc. are credited within the term in which they are held. Summer intensive

courses for the purpose of credit hour load and measurement of progress are combined together into the summer term. The summer term is considered a "trailer" by the Midwestern Financial Aid Office. This notation means that aid processed for the summer term is based on the FAFSA from the prior academic year.

Course Repetitions and Incompletes

Repeated and withdrawn courses count as hours attempted in determining financial aid SAP but do not count as hours earned or completed. As of July 1, 2011, changes in federal regulations allow students to repeat coursework to count toward enrollment status (full-time, half-time, and less than half-time), and they are, thereby, eligible to receive federal student financial aid. Students may repeat a previously passed course once for the purpose of raising the letter grade, and students may repeat a failed course until it has been passed.

Courses in which an incomplete grade is awarded are also counted as hours attempted but not earned or completed until such time as an earned passing grade is issued by the professor to replace the incomplete grade. Per the incomplete grade policy, an incomplete grade not replaced with a passing grade within the time specified on the *Incomplete Grade Form* becomes a failing grade in the financial aid SAP computation.

Change of Major/Additional Degrees

The minimum cumulative GPA and minimum completion rate of the financial aid satisfactory academic progress (SAP) policy are not affected by a change of major or seeking an additional degree within the same degree level (e.g., bachelors, associates). All periods of the student's enrollment at that level are counted in determining financial aid SAP. Once the student reaches the maximum time frame allowed, the student is ineligible to receive financial aid. Students may appeal on the basis of coursework not applicable to the current degree program.

Changed Grades

If a grade is changed, the student is required to notify Financial Services immediately. Financial Services then initiates a review of the effect of the grade change on satisfactory academic progress within 30 days of notification. A grade change late in the term or after the term in question or failure to notify Financial Services may result in the loss of financial aid eligibility because regulations may limit the time in which aid may be re-awarded or disbursed.

Enrolling in Undergraduate and Graduate Courses during the Same Term

Some students mix undergraduate and graduate courses together in one term. Students must understand that only the courses in the current degree program count towards federal aid eligibility including federal loans.

Example: An undergraduate student enrolls for 9 credit hours of undergraduate courses and 3 credit hours of a graduate course in one term. This student is eligible for federal aid. However, this student may be surprised that he/she is not

eligible as a full-time student. Only the 9 undergraduate credit hours apply to the current degree program. The 3 credits of a graduate course are not counted toward aid eligibility.

For financial aid purposes, students enrolled in dual degree programs (e.g. Accelerate) that confer both a bachelor's degree and a graduate degree are undergraduates for the first four years of the program. The student is considered a graduate student in the fifth year.

Transfer Credits

All transfer credit(s) listed on the student's Midwestern transcript are included in the student's financial aid SAP evaluation. Generally, only transfer credit(s) used to satisfy a Midwestern degree requirement is transferred and, therefore, used in the financial aid SAP calculations. See Transfer Credit in the Academic section for more information.

Students Conditionally Admitted

Students who are conditionally admitted are not eligible for financial aid. Students must meet the requirements of their conditional admission to qualify for financial aid in future semesters. Students will be notified by the Registrar's Office when they become fully admitted students. All coursework taken during the conditional admission will be included in SAP calculations.

Remedial and English as a Second Language Course (ESL)

Remedial courses at Midwestern are assigned an academic level lower than the student's program of study or degree level. As such, remedial hours are not counted in determining financial aid SAP. Midwestern does not offer ESL courses. If a student is required to take ESL courses, he/she needs to complete those courses at another college or university. These hours would not be used to satisfy degree requirements at Midwestern and, therefore, would not be counted in determining financial aid SAP at Midwestern.

Federal Title IV Financial Aid Programs Eligibility for Federal Financial Aid

To receive federal financial aid, a student must . . .

- Be a United States Citizen or eligible non-citizen
- Demonstrate financial need (except for certain loans)
- Have a high school diploma or a General Education Development (GED) certificate
- Be a fully admitted degree seeking student
- Certify that he/she is not in default on a federal student loan and does not owe money on a federal student grant
- Have a valid Social Security Number
- Register with the Selective Service if required
- Maintain satisfactory academic progress once in school.

Federal Pell Grant

The Federal Pell Grant awards change yearly and the maximum award is \$5,775 for the 2016-17 award year. These

funds are 'gift aid' and do not have to be repaid by the student. Award amounts are based on cost of attendance, enrollment status, and the need analysis information provided on the Student Aid Report (SAR), which is the result of filing the Free Application for Federal Student Aid (FAFSA).

Federal Direct Loans

Financial Services strongly encourages students to keep their educational loan indebtedness to a minimum so that it does not affect their ability to accept a future ministry call. Educational debt should not be assumed without serious consideration. Students are encouraged to contact a Financial Aid Specialist to discuss all aspects of applying for, receiving, and repaying loans before the application process.

Before students can receive their first loan funds, they must complete entrance loan counseling. In addition, it is the student's responsibility to complete exit counseling upon graduation, leaving school, or reducing attendance below half-time so that he/she understands all aspects of repayment, deferment, forbearance, consolidation, etc.

To receive a student loan, a student must sign a Master Promissory Note (MPN), a legal agreement committing to repay the loan, using an electronic form. Student can sign the MPN and complete entrance counseling online at <https://studentloans.gov>.

Subsidized/Unsubsidized Loans

Federal Direct Loans are low-interest loans available to students who are enrolled at least half-time. Students demonstrating sufficient need, (which is determined by the annual filing of the FAFSA), may be eligible for subsidized loan funds in which the government pays the interest accrued while students are in school and during the 6-month grace period occurring after a student graduates, withdraws, drops below half-time status, or has a break in enrollment.

Students who do not have sufficient demonstrated need or students in graduate programs may be eligible for unsubsidized loan funds. Unsubsidized loans accrue interest from the date of disbursement. Students have the option of allowing the interest to accrue (adding it to the principle) while they are in school or paying the interest on a quarterly or annual basis. Students are encouraged to consider paying the interest on their loans while they are in school.

Repayment for both the subsidized and unsubsidized loans begins 6 months after students graduate, withdraw, break enrollment or drop below half-time status. (The definitions of full-time status, half-time status, and less than half-time status are defined below.)

Definition of Student Status for Undergraduates

For the purposes of Federal Student Financial Aid, the following student status' are used to determine eligibility for loans as well as to determine the cost of attendance for undergraduate students.

- **Full-time Status.** For federal student aid purposes, undergraduate students are full-time when enrolled for 12 or more credit hours a semester.

- **Half-time Status.** Undergraduate students are half-time when enrolled for 6 to 11 credit hours a semester.
- **Less than Half-time Status.** Undergraduate students are less than half-time students when enrolled for less than six credit hours a semester.

Definition of Student Status for Graduate Students

For the purposes of Federal Student Financial Aid, the following student status' are used to determine eligibility for loans as well as to determine the cost of attendance for graduate students.

- **Full-time Status** For federal student aid purposes, graduate students are full-time when enrolled for 9 or more credit hours during a 15-week semester.
- **Part-time Status** Graduate students are half-time students when enrolled for 5 to 8 credit hours during a 15-week semester.
- **Less than Half-time Status** students are less than half-time students when enrolled for less than 5 credit hours during a 15-week semester.

Annual Federal Loan Limits for Undergraduate Students (Effective July 1, 2008)

Student Type	Base Amount (Maximum Subsidized Loan)	Additional Unsubsidized Loan
Dependent Freshman	3,500	2,000
Dependent Sophomore	4,500	2,000
Dependent Junior/Senior	5,500	2,000
Independent Freshman	3,500	6,000
Independent Sophomore	4,500	6,000
Independent Junior/Senior	5,500	7,000

Annual Federal Loan Limits for Graduate Students (Effective July 1, 2012)

Annual Federal student loans for graduate students is limited to \$20,500, or the maximum as determined by the Cost of Attendance (COA) for the specific program if the COA is less than the annual limit of \$20,500 (see Cost of Attendance for Direct and Indirect costs found earlier in this section).

Aggregate loan limits for Undergraduate Students (Effective July 1, 2008)

- Undergraduate Dependent Students: \$31,000 (no more than \$23,000 of which can be subsidized).
- Undergraduate Independent Students: \$57,500 (no more than \$23,000 of which can be subsidized).

Aggregate Loan Limits for Graduate Students (Effective July 1, 2008)

The aggregate loan limits for graduate students is \$138,500 (no more than \$65,500 of which can be subsidized). Note: Graduate aggregate loan limits include all unpaid loans taken for undergraduate degrees.

PLUS Loans

Parent PLUS Loan Denial

Dependent undergraduate students whose parents are denied eligibility for the Federal PLUS loan have higher additional unsubsidized loan amounts. Freshman and sophomore students may borrow a maximum of \$6,000 in unsubsidized loan funds in addition to their "base loan amount" listed above. Junior and senior students may borrow a maximum of \$7,000 in unsubsidized loan funds in addition to their "base loan amount" listed above.

Federal Direct Parent Loans for Undergraduate Students (PLUS Loan)

Federal Direct Parent Loans for undergraduate students (PLUS) are low-interest loans available to parents of dependent undergraduate students who are enrolled at least half-time. Credit-worthy parents may borrow up to the full cost of attendance minus all other aid. The borrower is responsible for all interest accrued from the date of each disbursement. Repayment on the full loan amount begins approximately 60 days after the loan is fully disbursed for the academic year.

Federal Graduate PLUS Loans

The Federal Graduate PLUS loan is available to graduate students as additional assistance after the Direct Loans have been utilized. This is a credit-based loan with adjustable interest rates. Students should contact Financial Services regarding this loan option prior to application. As a reminder, the total amount of financial assistance (including scholarships and loans) cannot exceed the student's cost of attendance.

Federal Student Aid Disbursements

Federal student aid awards will typically be applied to your student account each semester about two weeks after the first day of classes. Funds for students in residential on-campus programs generally are issued in two disbursements, once in the fall semester and once in the spring semester. Funds for students in online programs are issued in three disbursements, fall, spring, and summer.

Pell Grants

Pell Grants will be disbursed in the following manner:

- After verification the student has begun attendance in each of his registered courses
- Disbursements will be determined based upon enrollment in full semester and 8 week terms (see the following examples)
- Pell Grants pay toward current outstanding balances first.

Federal Loans

Loans will be disbursed in the following manner:

- Disbursements will be determined based upon enrollment in full semester and 8 week terms (see examples below)
- Disbursements will occur approximately 14 days after the student becomes eligible (actively attending at least half-time)
- Loans pay toward current outstanding balances first.

Pell Grant Example

An undergraduate student eligible for Pell is enrolled in a 3-credit hour full semester class and a 3-credit hour class occurring during the B-term (second 8-week term) of the semester. This student can expect half of the eligible amount of Pell Grant after the end of the first week of her full semester class and the remaining half after the end of the first week of her B-term class.

If she were taking all full semester classes, her full Pell Grant would be disbursed after the first week of classes. If she were taking two classes in the A-term (first 8 weeks), her full Pell Grant would be disbursed after the first week of classes. If she were taking two classes in the B-term only, her full disbursement of Pell would occur after the first full week of the B-term classes.

**Enrollment and pro-ration of Pell applies to all combinations of enrollment.

Loan Example

An undergraduate student is planning to borrow federal loans and is enrolled in a 3-credit hour full semester class and a 3-credit hour class occurring during the B-term (second 8-week term) of the semester. The student meets eligibility requirements and can expect the full loan to release to his student account approximately 12 days after his B term class begins.

The refund will be processed within 14 days after the funds are showing as paid to the student's account on the student portal. Students in this example can expect to make other payment arrangements until the eligibility requirements are met.

Aid will be delayed in disbursement for any student requiring an award adjustment because of a change in their registration.

If a student were taking a class in the full semester and both the A and B terms, the loan would be disbursed 12 days after the full semester and A term begin. If a student were taking 2 classes in the B-term only, the loan would be disbursed 12 days after the B-term began.

The half-time enrollment and 12 day criteria apply to all combinations of enrollment.

Loan Deferments

Midwestern participates in federal and state funded student aid programs involving loans and grants. Midwestern is eligible to certify deferments for federal or state educational loans obtained through other institutions. To qualify for a loan

deferment, graduate students must be enrolled at least half time each semester. Information regarding loans and deferments are available through Financial Services. Typically a deferment form will need to be requested from the student's loan agency or downloaded from the agency's website; the form must then be completed by the student and taken to Financial Services for verification.

Repayment Policy (Return of Title IV Aid)

The federal government mandates that students who withdraw from all classes may only keep the financial aid (federal Title IV grant and loan assistance) they have "earned" up to the time of withdrawal. A student who has federal aid and withdraws before 61% of the semester has elapsed is evaluated according to the U.S. Department of Education guidelines and formula.

To determine the percentage of aid earned, the calendar days completed in the semester are divided by the total days in the semester. Weekends are included, but scheduled breaks that are at least five (5) days in length are excluded. If the student completes more than 60% of the semester, 100% of the aid is earned for the semester. If the student completes 60% or less of the semester, the portion of federal aid determined to be unearned must be repaid to the federal aid programs. The formula used to determine the required return of federal and other student financial aid is finalized within 30 days of the withdrawal date.

For students receiving federal aid, the refund must first be repaid to the Title IV programs, state grants, and institutional funds in accordance with existing regulations in effect on the date of withdrawal and with respect to various types of aid. Financial Services should be contacted for a calculation of the actual amount the student must return.

If a student has not earned all of the federal financial aid received to date at the point of withdrawal, funds are repaid in the following order: Federal Unsubsidized Direct Loan, Federal Subsidized Direct Loan, Federal PLUS Loan, Federal Pell Grant, state grant and scholarship funds, institutional financial aid, outside scholarships.

In the event a student has received funds for living expenses and an overpayment of federal grant funds occurs, Midwestern notifies the student of the overpayments. The student is responsible for returning the overpayment to the proper federal grant program. Students who fail to repay overpayments are not eligible for additional financial aid funds at any institution until the overpayment has been satisfied.

Cancellation of Federal Financial Aid

Students who have been awarded federal financial aid from Midwestern are subject to the cancellation of their federal financial aid and the removal of the aid previously credited to their accounts for the following reasons:

- Withdrawing from school
- Ceasing to attend classes
- Dropping below half-time status

Cancellation of federal financial aid is made in accordance with current federal regulations and is processed by Financial

Services. For information concerning the current federal financial aid cancellation policies, students should contact a Financial Aid Specialist.

Enrollment and Academic Decisions Affecting Your Aid Eligibility

Your financial aid award is an estimate of your federal and institutional eligibility. There are factors that can change, lower, or even eliminate your financial aid eligibility. It is important to understand how academic decisions can affect your financial aid. You are always encouraged to contact financial aid with any questions prior to making any of the following changes:

- Not attending, dropping, or withdrawing from courses and/or terms you are registered to attend
- Completely withdrawing from Midwestern
- Failing to properly withdraw from Midwestern
- Failing to maintain Financial Aid satisfactory academic progress
- Providing incomplete or inaccurate information during the application process
- Receiving additional sources of aid (such as outside grants or private loans)
- Changing enrollment level (some scholarships require full-time enrollment; Stafford loans require half-time enrollment)
- Defaulting on a student loan or having an unresolved federal grant overpayment
- Providing false or misleading information
- Receiving federal aid for the same academic year at another institution
- Repeating a course for which you already received a passing grade more than once.

Cancellation of Midwestern Scholarships and Other Financial Aid

- **Dropping Classes** – Midwestern scholarships and other institutional financial aid require a student to have the official status of “full-time.” A student who drops below full-time status through to the 100% add/drop date loses eligibility for scholarships and any awarded institutional aid will be removed.
- **Withdrawing from School** – The scholarships of a student who withdraws from school during the institutional refund period, as defined in the Financial Information section of the catalog, are prorated based on the tuition refund schedule for that semester. No scholarship funding is adjusted for students who withdraw after the institutional refund period.

Department of Veterans Affairs (VA) Educational Assistance

Students may receive benefits under one of the following program chapters:

- 30 - Montgomery GI Bill-Active Duty
- 31 - Vocational Rehabilitation and Employment

- (R&E) VetSuccess
 - 32 - The Post-Vietnam Veterans' Education Assistance Program, or VEAP
 - 33 - Post-9/11 GI Bill
 - 35 - Dependents' Educational Assistance program, or DEA
 - 1606 - Montgomery GI Bill-Selected Reserve
- The website <https://www.vets.gov/education/apply/> provides further information.

Applying for Benefits

A student who has previously used his/her VA educational benefits should complete and submit a *Request for Change of Program or Place of Training (VA 22-1995)* or a *Certificate of Eligibility* to the Military Benefits Liaison in Financial Services.

A student who has never used VA educational benefits should apply for benefits at <https://www.vets.gov/education/apply/>. A Certificate of Eligibility from the VA will be mailed to the student approximately 6–8 weeks after the application has been processed. The student should then forward a copy of the Certificate to Financial Services. The VA will notify the student in writing if the student is not eligible for benefits.

Once the student is granted benefits and has received a Certificate of Eligibility, the student should enroll in class as a fully admitted degree-seeking student. The student must notify Financial Services any time he/she has a change in enrollment.

As a general policy, Midwestern encourages all current or former military students, especially undergraduates, to file the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov.

Certification and Payment

Financial Services certifies student enrollment to the VA through VAONCE, which will then send payments directly to Midwestern for Chapter 33 and 31 students.

Veteran students enrolled through Montgomery GI Bill - Active Duty (CH-30), Montgomery GI Bill-Selected Reserve (1606) or Reserve Educational Assistance Program-REAP (1607) must verify enrollment through Web Automated Verification of Enrollment (W.A.V.E.) www.gibill.va.gov/wave/index.do.

These students are paid directly and should make tuition payment arrangements with the Financial Services Office. If payment has not been received within a reasonable amount of time after certification, the student is responsible for contacting the VA directly to determine the cause. Questions concerning the amount of payment should also be directed to the VA. The VA may be contacted by phone at 888-442-4551 (888-GI BILL1) or by email at <https://gibill.custhelp.com/app/answers/list>

Tuition Assistance Program Eligibility for Active Duty Military, National Guard, and Reservists Federal Tuition Assistance (TA)

Military Tuition Assistance (TA) is a benefit paid to eligible members of the Army, Navy, Marines, Air Force, and Coast Guard. Congress has given each service the ability to pay up to 100% for the tuition expenses of its members.

Midwestern is a signatory of the Department of Defense (DoD) Tuition Assistance Program Memorandum of Understanding (MOU) and eligible to receive TA. TA is not a loan; it should be viewed as money earned just like base pay. TA is usually paid directly to Midwestern by the individual service for tuition and eligible fees.

Active duty military and reservists interested in obtaining Tuition Assistance must check with their **Education Services Officer** to determine whether they are eligible. Students are encouraged to contact their **Education Services Officer** at least 60 days prior to their anticipated enrollment date.

Once students are approved for TA and are fully admitted, degree-seeking students at Midwestern, they must notify the Military Benefits Liaison in Financial Services for certification and processing. The education office should send payment directly to Midwestern.

Students are encouraged to keep copies of all forms for their records. Students who are eligible for Tuition Assistance may be required to pay the portion of their tuition and fees that are not covered by TA prior to registration.

A final grade report will be submitted electronically to the education office after the student completes the course(s). Students consent to the release of their grade(s) by signing the Tuition Assistance form.

Calculation Policy & Procedures for Returning Unearned Tuition Funds

Determining eligibility for TA is class specific. The start and end date will be used for each class to determine eligibility. Using the formula below, Midwestern Baptist Theological Seminary (MBTS) will be required to return some or all of the TA awarded to service members that did not complete at least 60% of each course; possibly creating a balance on the MBTS student account. **Funds will be returned to the military service and not to the student.**

Military Tuition Assistance (TA) is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the full amount of TA funds originally awarded.

To comply with the Department of Defense policy, MBTS will return any **unearned** TA funds on a proportional basis through at least the 60% portion of the period for which the funds were provided.

TA funds are earned proportionally during an enrollment period, **with unearned funds returned to the military service and not to the student based upon when a student stops attending.**

If a service member stops attending due to a military service obligation, MBTS will work with the affected service member to identify solutions that will not result in a student debt for the returned portion.

When a military student discontinues enrollment, Midwestern Baptist Theological Seminary must calculate the amount of Tuition Assistance (TA) the student earned prior to the date of withdrawal. The *unearned* TA funds must be returned to the appropriate DOD program. The calculation is based on the Tuition Assistance a student receives for the withdrawal period.

Calculation

When a student “officially” withdraws from a course, the date of withdrawal will be used as the last date of attendance.

For unofficial withdrawals, MBTS will determine the last date of attendance (LDA) by reviewing the last date of activity within a course. For online courses, MBTS will determine LDA based on the last date a student made a contribution to the class or submitted an assignment. For On Campus courses, MBTS will reach out to the professor to determine the LDA.

Once LDA has been determined, MBTS will recalculate TA eligibility based on the following formula:

Number of days completed / Total days of the course (start to end date) = percent earned

See Examples below:

- **Earned Tuition Assistance:** MBTS calculates the amount of *earned* Tuition Assistance on a daily basis from the first day of classes through the date of last day of attendance.
 - **An earned aid percentage is calculated by:** *Number of days attended before enrollment ended divided by Total of days in period x 100 = Earned Aid%*
 - Number of days in the enrollment period is counted between the first day of instruction and the last day of attendance.
 - Calendar days, rather than business days, are counted.
- **Unearned Tuition Assistance:** Any TA funds received more than the *earned* amount is considered *unearned*.
 - **An unearned aid percentage is calculated as:** *100% - Earned Aid% = Unearned Aid%*
 - The return amount is calculated by: *Unearned Aid% x Amount of TA received during withdrawal period.*

Fully Earned Tuition Assistance: Return of TA policy applies to military students who withdraw on or before the 60% point of the enrollment period. Discontinuing enrollment after the 60% date will not result in an adjustment to the student’s Tuition Assistance for that period.

SCHOLARSHIPS

Institutional Scholarships

Institutional scholarships are awarded to qualifying students. As a general rule, Midwestern does not allow the 'stacking' of institutional scholarships unless otherwise noted. Midwestern will award the institutional scholarship that provides the greatest benefit to the student. In most cases, scholarships are awarded on a yearly basis. Therefore, two equal disbursements will be made, half in the fall semester and the other half of the award in the spring semester. Students must be enrolled full-time to be considered for any of the following scholarships, unless otherwise indicated.

Academic Excellence Scholarship. This scholarship is available for the initial academic year of enrollment only to students with a GPA of 3.5 or higher in high school or college transfer work. (*This scholarship is funded in part by the Samuel Ayers and Mildred Ayers Scholarship Fund.*)

Church Match Scholarship. This scholarship is available for the initial academic year of enrollment. Midwestern will match \$250 for any student whose church donates a minimum of \$500 toward their education. A Church Match Scholarship form, found on the web site, must be completed and submitted with the church scholarship. Online students are not eligible for this scholarship. This scholarship may be combined with another institution scholarship.

Fusion Scholarship. Midwestern offers a scholarship to any student who completes Phase 2 of Fusion. This scholarship covers one on-campus class each semester up to three years following completion of Fusion Phase 2. This scholarship is considered an institutional scholarship and cannot be combined with any other institutional scholarships.

Fusion scholarship awarding criteria:

1. You must maintain Satisfactory Academic Progress
2. Must be enrolled in fourteen (14) credit hours per semester as an Undergraduate student
3. Admissions application must be completed and student must be fully admitted into a degree-seeking program indicated on this form.

IMB Personnel Scholarship. This scholarship is available to all appointed IMB personnel who are currently completing or who have completed field personnel orientation at the International Learning Center (ILC). This scholarship covers 50% of tuition charges for online and on-campus classes. Eligible IMB Personnel include: Career and Apprentice Missionaries, Journeyman (while on field deployment) and International Service Corps.

Prior to the initial scholarship award, students must complete the IMB Personnel Scholarship form (request from Financial Services). This form must be on file prior to the initial award. If at any time the student ceases to be eligible due to a change in IMB Missionary status, Midwestern must be notified immediately.

Kern Foundation Scholarship. There are a limited number of scholarships available for students in the Accelerate program. Students should contact the director of the program for information on requirements and how to apply.

Returning Journeyman/ISC Scholarship. Awarded to a Journeyman/ISC participant returning within one year of service. A full tuition scholarship for the first two semesters toward a master's degree at Midwestern's main campus (residential courses only). It is non-renewable and applicants may not transfer from another seminary. A letter of certification from the sending organization is required.

Spurgeon Scholarship. The Spurgeon Center offers a limited number of scholarships to students demonstrating exceptional promise in the practice of ministry. Students in the Master of Divinity on campus programs are priority recipients. Recipients of the Spurgeon Scholarship work closely with the Curator of the Spurgeon Library. The scholarship award is \$500 per semester.

Student Leadership Scholarship. The student leadership program is administered annually by the Institutional Relations office. Students chosen to participate in this program receive a scholarship equivalent to one course each semester they serve.

Student's Child Tuition Grant. Children of full-time, degree-seeking students (twelve or more credit hours for undergraduate students and nine or more credit hours for graduate students) are eligible to receive a Student's Child Tuition Grant. The grant is 25% of the child's tuition rate. The grant does not apply to fees. The student's child tuition grant does not apply to children of doctoral students. Online courses do not qualify toward this grant.

Student's Spouse Tuition Grant. Spouses of full-time, degree-seeking students (twelve or more credit hours for undergraduate students and nine or more credit hours for graduate students) are eligible to receive a Student's Spouse Tuition Grant. The grant is 50% of the spouse's tuition rate. The grant does not apply to student fees. The student spouse tuition grant does not apply to spouses of doctoral students. Online courses do not qualify toward this grant.

Endowed Scholarships

Each year Midwestern's students benefit from scholarships donated by individuals and organizations to financially assist students with paying their educational expenses. Scholarships are awarded based on the following criteria: financial need, academic achievement (GPA), major course of study, future ministry plans, and/or recommendations from administration or faculty. To receive primary consideration, students are encouraged to submit the scholarship applications by June 1 for the Fall semester and November 1 for new students in the Spring semester. Recipients may be required to submit a Thank You Letter to the Financial Services Office. Midwestern's scholarship applications are generic, so only one application needs to be completed in order

to be considered for most scholarships. The Endowed Scholarship application can be found on the Funding Your Education page of Midwestern's website. Most endowed scholarships are need based, so the student is also required to complete the FAFSA.

Outside Scholarships

Outside scholarships are scholarships that students will use as additional funding. We encourage students to contact their home Baptist State Convention, State Foundation, Association and/or Church as they may offer scholarships to those seeking ministry degrees. In addition, scholarships may be awarded from retail businesses, etc. Outside scholarship awards combined with other financial aid cannot exceed the cost of attendance.

Financial Services requires written confirmation from the scholarship donor. Notification of the outside scholarship award should be sent as early as possible in order for the scholarship to be included in the financial aid award.

Academic Information

student would not have to take an additional ACT or SAT test.

Submit all application materials to:

Midwestern Baptist Theological Seminary
Admissions Office
5001 N. Oak Trafficway
Kansas City, MO 64118

The applicant will be informed by the Admissions Office regarding the status of his/her application as soon as a decision is reached. All applicants must meet regular admission standards as listed in the catalog.

An applicant may be accepted either unconditionally or conditionally. Reasons for conditional acceptance may include, but are not limited to, such issues as delay in receipt of required documents, prior behavioral issues, low GPA,

low ACT/SAT scores, etc. Students accepted unconditionally may be eligible for institutional scholarships and federal student aid. Those accepted conditionally based on the need for final documentation or for other non-academic and non-behavioral issues may also be eligible for financial aid, with the understanding that financial aid disbursements are contingent upon all final admissions documentation being completed and submitted. Students accepted conditionally based on low academic performance or prior behavioral issues are not eligible for financial aid until after their first semester of coursework and they have successfully met the requirements to be removed from any probationary status.

Non-English Transcripts

If original transcripts are in a language other than English, they should be accompanied by a complete English translation. Additionally, students submitting non-English transcripts must have them certified by the World Education Services (WES) or the Foreign Credential Services of America (FCSA).

Conditional Admission

Applicants who do not have a high school diploma may take classes for one semester without the GED. No student may continue beyond one semester until the GED is earned and duly recorded in the Registrar's Office.

Other reasons why applicants may receive conditional acceptance may include, but are not limited to, such issues as delay in receipt of required documents, prior behavioral issues, low GPA, low ACT/SAT scores, etc.

Divorce

Although Midwestern attempts to be a redemptive institution, students with serious family problems should defer college education. Prospective students with divorce in their histories will be asked to note that fact as a part of their application information and to provide the timeline of the divorce. Prospective students with a recent divorce need to wait until one year after the divorce to apply to attend Midwestern. A member of the Admissions Committee may ask for an interview with the prospective student prior to approval for admission.

Dual Enrollment as a High School Student

Prospective students who are under the age of 18 and who have not yet graduated from high school or earned a GED may be eligible for dual enrollment at Midwestern College. High school students may enroll in classes at Midwestern prior to completion of high school provided all of the following conditions are satisfied:

- The student must enroll as a nondegree-seeking student
- The student must have and maintain a high school grade point average of at least a 3.0 on a 4.0 scale
- The student must be at least 17 years old and have junior status by the first day of the Midwestern class

- The student may not take more than six credit hours of college classes during any one semester
- The student is limited to enrolling in 100 level (freshman level) college courses.

Appeals for exceptions may be made in writing to Midwestern's College Admissions Committee.

Fusion

Fusion is a unique partnership between the IMB and Midwestern College. Students begin their 4 year, Bachelor of Arts in Intercultural Studies with a semester of intentional training that prepares them for global missions. The second semester of study deploys students into hard-to-reach places overseas. For the duration of the program, students engage in a rigorous course of study in Kansas City that prepares each student for a lifetime of service in God's Kingdom. For more information the student should contact the Fusion Office at 816-414-3777 or fusion@mbts.edu.

Home School Applicants

Home school students making application must submit an official transcript from a lawfully operated non-public school. High school seniors must submit a transcript showing completion of their first semester of their senior year and a final transcript upon graduation. The transcript should contain the home school's name, address, telephone number, titles of the subjects completed by school year, the numerical (or letter) grade and unit credit earned for each subject, and the date of graduation or completion of study. Nationally standardized test scores (e.g., California or Iowa) must also be submitted directly from the testing agency. If deemed necessary for evaluation, the Admissions Office may also request a portfolio or bibliography of high school course work. Home school applicants must also submit an official score report of the applicant's ACT or SAT examination.

International Students Requirements

TOEFL

In addition to the general requirements for admission to the College, international students (i.e., a student with an F-1, J-1, or R-1 visa) whose native language is not English must take the Test of English as a Foreign Language (TOEFL). Students in programs taught in a language other than English are exempt from this TOEFL requirement.

The TOEFL score submitted to Midwestern must be from a test taken within two years of the applicant's anticipated first date of attendance. The applicant's TOEFL score report must be sent directly to Midwestern by the Educational Testing Service to be official. Applicants should not send copies of their personal score reports. The minimum TOEFL score for admission to Midwestern is a total score of 80 on the Internet-based test (iBT Test). Other forms of TOEFL exam are not accepted unless prior approval is obtained from the Admissions Committee.

Information about the TOEFL examination is available at most colleges and universities or may be obtained by

writing the Educational Testing Service at: TOEFL/TSE Services, P.O. Box 6151, Princeton, NJ 08541-6151, USA, or online at www.ets.org/toefl. Use Midwestern's school code (6441), to have the Educational Testing Service forward your score directly to Midwestern. The TOEFL score must be received by the Admissions Office before an international student's application will be processed. Appeals to this policy may be requested through an official written letter. Following the appeal, exceptions to this requirement, though rare, may be granted by the Admissions Committee after an applicant interview.

Proof of Adequate Financial Support

The U.S. Citizenship and Immigration Service requires that prospective international students who will be on a F-1 visa provide evidence of adequate financial support for the duration of their status as a student. Therefore, international students need to complete an International Student Certification of Finances form to provide evidence of their financial support for the duration of the international applicant's study at Midwestern. This form must be submitted as part of the international student's application. Family and friends that pledge support on this form are expected to make their money available in advance of the applicant's entry into the United States.

International Student Application Process

International Students are advised to begin the application process at least one year prior to their anticipated date of entry. The application process can be initiated online by going to www.mbts.edu and clicking on "Apply Now" or "Apply Online." Detailed instructions will be provided explaining how to submit TOEFL scores and the International Student Certificate of Finances. These two items, along with all other required documents, must have been received by the Admissions Office for the student's application to be processed. All application materials must be received by the Admissions Office at least 90 days prior to the student's anticipated date of entry.

If accepted as a student, each international student is also required to show proof of having health insurance for themselves and their family upon their arrival at Midwestern, if applicable. After the international student's application for admission is approved, Midwestern will send the applicant a Certificate of Eligibility for Non-Immigrant F-1 Student (Form I-20). Using the information on the I-20 form, the international applicant must next complete an I-901 form and pay the fee in U.S. currency. Instructions for completing the I-901 form and paying the fee are available at the U.S. Department of Homeland Security and Immigration and Customs Enforcement website: www.fmjfee.com/i901fee.

Upon completion of the I-901 form and payment of the required fee in U.S. currency, the international applicant must present the I-20 form along with a receipt showing that the I-901 fee has been paid to a U.S. Consulate or Embassy. If approved, the U.S. Consulate or Embassy will then issue the international applicant a visa for entrance into the United States.

New Student Orientation

All new students are required to attend New Student Orientation (NSO) prior to the student's first semester at Midwestern. Dates for this event are listed in the Academic Calendar at the beginning of this catalog. Orientation sessions are offered on the Kansas City campus just prior to the start of the fall and spring semesters.

New online students are enrolled in New Student Orientation online automatically when fully and conditionally admitted. Students are required to complete NSO during the term for which they are enrolled. First time enrollment in the NSO course is free. Students who fail to complete the NSO the first time will be enrolled a second time and charged a \$25 fee. Each time students have to retake the course they will be charged this fee.

Nondegree-Seeking Students

A nondegree-seeking student is any student who is taking classes for credit or auditing a course(s) at Midwestern College, but who has not been admitted into any degree program at Midwestern. Nondegree-seeking students must complete the online application for admission prior to enrollment in any course. To be eligible to take undergraduate level courses as a nondegree-seeking student, applicants must have a high school diploma or GED. Nondegree-seeking students are not eligible to receive Federal Student Aid. A maximum of 30 credit hours may be taken as a nondegree-seeking student.

To apply as a nondegree-seeking student to Midwestern College the student should go online to www.mbts.edu and click "Apply Now" or "Apply Online." All applications are to be initiated online. Once online, steps for application will be listed under the heading "How to Apply for Degree-Seeking Students." When selecting a degree program, the applicant must choose a nondegree-seeking option at the appropriate level of study (undergraduate, master's, doctoral).

Readmission

Students who have not attended Midwestern within the past two calendar years (i.e., 24 consecutive months) are required to complete an *Application for Readmission* and return under the current academic catalog requirements. Appeals may be made to the Academic Policies Committee.

Readmission of Service Members/Veterans

Midwestern complies with the federal requirements for Readmission of Service Members/Veterans as specified in Title 34 CFR § 668.18 and listed in the *Federal Register/ Vol. 74, No. 208/ Thursday, October 29, 2009*. Although some exceptions exist, this compliance provides the following assurances:

- A re-enrolling veteran may not be denied readmission on the basis of his or her military service
- The eligible veteran may enroll during the next term after he or she has indicated intent to re-enroll

- The eligible veteran may be admitted with the same academic status (i.e., to the same degree program, with the same enrollment status, with the same number of credits, and with the same satisfactory academic progress status)
- During the first academic year of re-enrollment, the veteran is assessed the same tuition and fee charges as were in effect during the academic year he or she left Midwestern to report for military service unless the difference in cost will be paid by the veteran's education benefits with no loss of benefits to the veteran.

In most cases, the veteran must apply for readmission within five years of completion of military service. In cases where the veteran may no longer be prepared to be readmitted with the same academic status (e.g., to continue in the next level of a language course), Midwestern will make a reasonable effort to help prepare the veteran. This effort might include provision of refresher courses or some other appropriate provision at no extra cost to the veteran.

To re-enroll, the veteran should notify the Admission's Office of his or her intent to re-enroll, submit a completed *Application for Admission* form to provide current information to update the student data system, and provide proof of his or her induction or discharge from active military service and a current *Certificate of Eligibility*. The veteran should also contact the Financial Aid Office to complete any necessary paperwork for receipt of eligible benefits and/or financial aid.

ACADEMIC POLICIES

Academic Appeal Process

Students desiring to request exceptions to academic policies and regulations are to submit a written statement explaining the request and the reasons for it to the Dean of Undergraduate Studies or Registrar for consideration by the Academic Policies Committee. The Academic Office or Registrar's Office should be contacted about procedures and/or forms.

Academic Probation

To remain in satisfactory academic standing, master's degree students and undergraduate students must maintain a cumulative grade point average (GPA) of 2.0 or higher for all coursework taken at Midwestern. The Registrar will notify each degree-seeking student whose cumulative GPA falls below 2.0 that the student is being placed on academic probation, that the student may enroll for no more than 9 graduate credit hours or 12 undergraduate credit hours per semester while on academic probation, and that the student is encouraged to voluntarily enroll in a study skills course (GS090 Study Skills, 1 hour) when the student registers the next term/semester. The study skills course is required for any student whose GPA falls below 1.8. A student may not enroll for Study Skills without enrolling in at least one other course. For example, if an online student only takes a course

in Term B, that student cannot take the Study Skills course in Term A. Credit for this course does not count toward meeting degree requirements. Please see the Study Skills policy under Academic Policies section of this catalog.

Being placed on academic probation will affect a student's eligibility to receive financial aid. Students receiving financial aid should also see the Satisfactory Academic Progress policy under Financial Aid in the Finance section of this catalog. Students under extenuating circumstances may provide a basis for an appeal to enroll in additional classes. Appeals may be made to the Registrar's Office.

The student who fails to attain at least a 2.0 cumulative GPA by the conclusion of the second semester of the probationary period must withdraw from Midwestern for at least one semester. The student who anticipates returning to Midwestern should seek advice in advance from the Admissions Office as to what components would be necessary for readmission. After the withdrawal period, the student may apply for readmission. If the student is readmitted, he/she must achieve a cumulative GPA of 2.0 or above within the following two semesters. Otherwise, the student is ineligible to continue studies at Midwestern without permission from the Academic Policies Committee.

Advanced Standing

Matriculated (enrolled) students at Midwestern College may satisfy some course requirements for graduation through the following:

- College transfer credit
- Course substitutions and waivers
- Advanced Placement (AP) Examinations
- Cambridge Advanced International Certification of Education (AICE)
- College-Level Examination Program (CLEP)
- International Baccalaureate (IB) Examinations
- Credit by Examination
- U.S. Military training and experiences as evaluated by the American Council on Education (ACE)
- Prior college level learning gained from work or personal experiences (DELAC).
- Dantes/DSST Exams

Documentation of these alternate methods of meeting graduation requirements must be filed in the Registrar's Office prior to the beginning of the semester in which the student will graduate. If this documentation is not on file, the student's graduation date may be delayed. It is preferred that students complete placement exams one month before the start of the semester in order to allow time for the exam to be graded prior to enrolling in the second part of a course. For example, English Composition I exam needs to be completed and graded prior to enrolling in English Composition II. Students who are not enrolled at Midwestern are not eligible for any advanced standing credit. Awarding of any advanced standing credit is applicable toward graduation requirements

at Midwestern and is not necessarily transferrable to other schools.

Advanced Placement (AP), College-Level Examination Program (CLEP), and International Baccalaureate (IB)

Midwestern College accepts nationally recognized Credit by Examination programs including the Advanced Placement Program of the College Board (AP), the College Level Examination Program (CLEP), and the International Baccalaureate (IB). Credit awarded for successful completion in AP, CLEP, and IB programs is assigned semester hours without affecting GPA. Successful completion in these programs is determined according to the following guidelines.

Advanced Placement (AP) Program. Official College Board AP examination scores should be submitted with the application for admission. Midwestern’s AP school code is 6441. Midwestern College will award credit with grades of 3 or above for the following courses. Scores of 4 or 5 on selected AP examinations will award 6 hours of credit, with the second course identified by an asterisk (*). All examinations not specifically designated below will count for open elective credit.

Credit by Examination

Midwestern’s Credit by Examination program offers qualified students the opportunity to earn up to 30 credit hours toward completion of the bachelor’s degree from

Midwestern. Credit awarded by Midwestern for Credit by Examination does not satisfy the 30 credit hour undergraduate residency requirement and is generally not transferable to other institutions.

Only currently enrolled undergraduate degree-seeking students are eligible to take a Midwestern Credit by Examination. A \$35 per credit hour testing fee will be charged for each Credit by Examination taken. Credit will not be awarded for the following situations:

- Courses that are prerequisites to those for which college credit has already been earned
- Courses for which credit has already been earned
- Any course for which transfer credit has been received
- A course in which a student is currently enrolled.

A modified syllabus providing an overview of the course contents (i.e., course description, course objectives, textbooks, and course requirements) may be obtained from the Dean of Undergraduate Studies' Office. A more detailed study guide for the Credit by Examination is given to the student one week before taking the examination. If the student does not take the examination within eight days of receiving the study guide, the option of testing out of that course is forfeited. The study guide and copies made of any parts of the study guide are to be surrendered at the time of the scheduled examination.

The Dean's Office will notify the student and the Registrar's Office of the result. If the student passes the examination, a "P" (passing grade) for that course is noted on the student's transcript. The credit does not affect the student's grade point average but does count as hours earned toward graduation. If the student fails the examination, he/she will be required to take that course and will not be given the opportunity to retake the qualifying examination. Because courses are offered on a rotating basis, the student is responsible for taking the qualifying examination early in the student's degree program leaving ample time to take the required course if needed.

Students desiring to test out of a course are to obtain an Application for Credit by Examination from the Dean's Office. A separate application is required for each course. The student must submit the completed form to the Dean's Office for the examination to be scheduled.

A maximum of nine credit hours may be earned through Credit by Examination from the biblical core courses. Additional hours may be earned from the general education courses. The student can earn a maximum of 30 credit hours of combined biblical core and general education courses. A complete list of credit by examination courses offered may be obtained from the Dean's Office.

U.S. Military Training and Experiences

Midwestern recognizes and awards credit for military service training that the student has satisfactorily completed and for which Midwestern has an equivalent course. This military training is evaluated using the American Council on Education's (ACE) *Guide to the Evaluation of Educational Experiences in the Armed Services*. To receive credit, the student must provide the Registrar's Office with the military documents needed to evaluate the student's military training.

Credit for Prior College-Level Learning through Documented Experiential Learning Acquisition

Midwestern's Documented Experiential Learning Acquisition (DELAC) program permits students to request to receive undergraduate credit for college-level learning through experiences that have occurred outside the formal classroom setting. Credit awarded through the DELAC program is limited to students enrolled in the Interdisciplinary Studies track. Through the DELAC program, these students have the opportunity to demonstrate that they have achieved theoretical understanding in a given subject by crafting a portfolio of learning thereby showing competency in the learning typically developed during a traditional college course. DELAC portfolios are evaluated by a faculty panel with expertise in the subject area of the DELAC.

A fully developed and researched portfolio requires a significant amount of time and effort to write. Students will complete the course, GS495 Portfolio, in order to learn Midwestern's standards for DELAC portfolios. GS495 requires students to be at least 25 years of age and have successfully completed English Composition II. In this course, students will complete at least one portfolio for submission. Each student will then have a full academic year to submit subsequent DELAC portfolios with a maximum total of credit hours not to exceed 24. Students should submit DELAC portfolios early for the most effective planning.

The awarding of Credit for Prior College-level Learning provides students with meaningful and consistent assessments of extra-institutional learning while adhering to quality standards determined by Midwestern College, its accrediting agencies, and the Council for Adult and Experiential Learning (CAEL). In doing so, Midwestern validates the richness and diversity of environments in which adults can pursue meaningful college-level learning.

Attendance

Midwestern expects regular attendance in all classes and students must inform professors of anticipated absences. A student must attend at least 75 percent of class sessions to receive credit. Failure to attend 75 percent of class sessions will result in the student receiving a failing grade for that course. Students who fail to participate in an online course for 14 calendar days or who miss more than 25% of the total sessions of an on-campus course will be assigned a grade of "FN," unless they make prior arrangements with the course instructor.

Auditing

Auditing students do not receive academic credit for the audited course, and the hours taken are not computed in the student's grade point average. After the last day to add a class (i.e., the end of the first week of classes), a class audited may not be changed to a credit class. Only regularly scheduled courses may be audited and then only for the scheduled hours. Auditors attend class under the regular class attendance policy. Auditors do not take examinations or quizzes and do not submit assignments for grading by the professor. Participation in class discussions or activities is at the discretion of the professor and requires advance preparation or knowledge of the subject or topic by the auditor. To audit an online course the student must submit an appeal to the online Academics Policies Committee.

Auditing for Non-Admitted Students

Students not currently admitted, but who desire to audit classes (on a non-credit basis), must complete the *Non-Admitted Auditor's Enrollment* form and pay the applicable audit fees. Auditing students do not receive academic credit for the audited course, and the hours taken are not computed in the student's grade point average. Auditors attend under the regular class attendance policy. Auditors do not take examinations or quizzes and do not submit assignments for grading by the professor. Participation in class discussions or activities is at the discretion of the professor and may require advance preparation or knowledge of the subject or topic by the auditor.

Catalog Requirements

Students are required to satisfy degree requirements according to the Academic Catalog that is in effect for the semester in which they first enroll at Midwestern. Students not attending Midwestern for more than one year (12 consecutive months) are required to meet requirements from the catalog in effect at the time they reenroll unless prior arrangements have been approved by the Academic Policies Committee. Students may petition the Registrar in writing to meet degree requirements from a more recent catalog provided they are enrolled when that catalog is in effect.

Class Standing

Class standing for degree-seeking undergraduate students is based on the semester credit hours earned:

Freshman	0-29 hours
Sophomore	30-59 hours
Junior	60-89 hours
Senior	90+ hours

Closure or Delayed Opening for Inclement Weather

Closure or delayed opening of the Kansas City campus due to inclement weather is at the discretion of the President or designated administrator. Unless notified otherwise, the cancellation of Kansas City classes will be announced primarily on the MBTS website. Notice may also be given on local Kansas City television stations. When classes are not cancelled during inclement weather conditions, students should use discretion to prevent endangering themselves or others by attempting to travel to class during dangerous or intimidating conditions or situations. Consideration will be extended to students who cannot make it to class due to safety concerns, children at home, etc.

Course Changes (Add/Drop or Withdrawal)

Students are encouraged to finalize their course schedule before the tuition due date/enrollment deadline. A course change fee is charged per occurrence after the 100% refund period. Ceasing to attend a class at any time without processing a *Course Schedule Change Form* does not constitute an official drop/withdraw and will result in a failing grade being issued.

Students are responsible for completing and filing the *Course Schedule Change Form* with the Registrar's Office by the published deadlines. Students dropping the last or only class in which they are enrolled will need to complete an *Exit Form* in addition to the *Course Schedule Change Form*.

Withdrawing from courses not only affects a student's academic progress, but also may have consequences for financial aid, housing eligibility, or visa status. Financial aid is paid based upon the student's status. Dropping below full time status may require the student to vacate on-campus housing unless prior approval was obtained. The student should refer to the following sections in this catalog for more information: Withdrawing from Midwestern College in the Academic Information section, Tuition Refund Schedule in the Financial Information section, and the Registration Calendar in the front section of this catalog for exact dates and deadlines.

Adding On-campus Courses

Students may add new courses until the Friday (4pm) following the first day of the semester, subject to eligibility, space availability, and the policy governing maximum course load.

Adding Online Courses

Students may add online courses until 4 pm on the third day of a class.

Withdrawal from On-Campus Classes

Withdrawing from a 15-week long on-campus course after the end of the first week of a semester, but prior to November 1 (fall semester) or April 1 (spring semester), will result in a "W" (withdrawn) grade. Students may not drop or withdraw from a 15-week, on-campus course after the above dates, except for medical reasons or other emergencies. After the fall and spring deadlines, the student will receive a grade of "F" if he/she does not successfully complete the course. Exceptions are made by the Academic Policies Committee. In the case of an approved exception, the professor may assign a "W" (withdraw) grade as appropriate. Courses dropped during the first week of a semester will not appear on the student's transcript. A "W" grades will not be computed in the students GPA.

Withdrawal from Online Classes

Students may drop or withdraw from term A or B online courses during the first two weeks of the term and will be assigned a "W" (withdrawn) grade with a fifty percent refund of tuition. Students may drop or withdraw from Term A or B online courses during the first three weeks of the term and will be assigned a "W" (withdrawn) grade with no refund of tuition. Students may not drop or withdraw from a Term A or B online course after the third week, and will receive a failing grade if they do not successfully complete the course. Students may drop or withdraw from term C online courses according to the same standards as an on-campus semester course (see Withdrawal from On-Campus Classes above). Exceptions may be granted by the Online Academic Policies Committee for medical reasons or other emergencies. If a student is granted an exception, the professor may assign a "W" (withdrawn) grade. Courses dropped through the first week of a term will not appear on the student's transcript. "W" grades will not be computed in the students GPA.

Course Offering Cancellations

Occasionally, cancelling a class may be necessary due to insufficient enrollment or other extenuating circumstances. The decision for such a cancellation is determined by the Provost. Every effort will be made to provide notice of the cancellation at least one week prior to the first scheduled meeting of the class. The Registrar's Office will advise the student of the cancellation and any other options including the possible rescheduling of the class. MBTS does not assume responsibility for any graduation delay that might result from the cancellation.

Course Repetition

Students must repeat courses in which he/she receives a failing grade if the course is required for his/her degree. If a student earns a higher grade for the repeated course, the "F" is not removed from the transcript but is not calculated in the grade point average with the new passing grade. Students may repeat a previously passed course only once for the purpose of improving the letter grade. Students may repeat a failed course until he/she has passed the course. Courses repeated must be equivalent in both content and credit hours.

Course Substitution and Waivers

Permission to substitute courses for required courses is an exception requiring special approval. A student must complete a *Course Substitution/Waiver Request* form and obtain approval signatures for each course for which a substitution or waiver is requested. This form may be obtained from the Registrar's Office.

Approval is required from a professor who normally teaches the course and the student's academic advisor. If the course substitution or waiver is for a General Education or Biblical core course, approval is also to be obtained from the Academic Policies Committee. If it is for a degree program major or emphasis course, approval of the Dean of Undergraduate Studies is also required.

Credit Hour Assignment

This Credit Assignment policy establishes guidelines for assigning the number of credits earned through satisfactory completion of requirements for academic courses by students at Midwestern College and Midwestern Baptist Theological Seminary. This policy affirms Midwestern's commitment to educational quality in terms that certify compliance with applicable government regulations and accreditation standards. The policy makes explicit the relationship between the credits assigned to an individual course and the expected work of a student completing that course. Credit assignment should be based on course-related activities regardless of how or where they take place (including online), so long as they are required and contribute materially to achievement of course objectives or program learning outcomes. Credit assignments may also consider the intensity of engagement with the faculty or subject matter, student responsibility for learning outcomes, and course-related learning taking place outside the classroom, including online. This policy articulates definitions that help to ensure a measure of consistency in the assignment of academic credit across all disciplines, while insisting that oversight of credit assignment rests with the faculty and academic administrators closest to instruction. The policy applies to all credit-bearing academic courses, regardless of course type, instructional format, mode of delivery, or length of the course.

Definitions:

Faculty Instruction: Teaching or supervision of teaching carried out in a credit-bearing course by faculty or other approved instructors or field supervisors under the supervision of authorized faculty.

Contact: Engagement of instructors with students to advance course objectives. Contact may take various forms: e.g., it may be face-to-face or online, synchronous or asynchronous, one-to-many or one-to-one, including faculty direction of students participating in for-credit internships, practicums, study tours, research, or scholarship.

Scheduled contact hour: One weekly, required hour (50 minutes) or equivalent of faculty contact. In addition to class meetings reflected in the Undergraduate, Graduate or

Doctoral Class Schedule, other required course activities or combinations of activities may count as scheduled contact for the purpose of assigning credit. Examples include faculty-student conferences, course related events with faculty, skill modules such as MET teams, and participation in online forums, congregational visits, music program rehearsals, and performances, etc. All such scheduled contact must be specified as required in course syllabi and must contribute to a student's grade or achievement of course objectives.

Instructors also require students to complete work outside of scheduled contact hours to fulfill course objectives. Outside work must normally include, but need not be limited to, two hours of regular weekly class preparation for each credit earned. Where expectations for the quantity and/or intellectual challenges of outside work exceed this minimum and materially increase overall student effort, the number of credits assigned to a particular course may be greater than the number of its scheduled contact hours. Examples include courses that entail extensive and/or intensive reading, writing, interviews, research, open-ended problem solving, practice-based assignments, or student responsibility for class meetings.

Course types: The following course types are covered by this policy and are aligned in the chart link below with credit assignment guidelines.

- **Classroom-based:** Scheduled contact occurs primarily face-to-face in a classroom setting. This includes Conference classes, Fusion, On-Campus, Regional, Intensives, Midwestern Women Institute, Trip and Workshop classes.
- **Faculty-directed independent learning:** Scheduled contact occurs via faculty supervision of students pursuing directed study for credit involving such activities as capstone projects, independent work for distinction, or graduate thesis and dissertation requirements. This category includes Directed Study, External Study and Independent Study courses.
- **Place-or practice-based:** Scheduled contact occurs in non-classroom locations such as churches (internships), field supervised ministry (practicums) schools, or clinics. This includes Practicums and Internships.
- **Blended:** Scheduled contact is a defined mixture of face-to-face and distance/online interactions. Midwestern uses the term hybrid for most blended classes. This included Hybrids.
- **Online:** Scheduled contact is mediated entirely online.
- For courses offered during a typical 15-week semester, the combination of scheduled contact and independent student effort must be equivalent to at least 3 hours per week per credit hour. The guidelines should be adjusted accordingly for shorter courses, a) as directed by external agencies such as specialized accreditors for CPE, or b) as warranted by the standards of the discipline.

Guidelines:

- **Classroom-based courses, such as lectures, seminars, and intensives:** Typically, 1 credit per 1 scheduled contact hour, as defined above, per week. Each credit assigned includes an expectation of at least 2 hours of independent student effort for successful completion of the course.
- **Faculty-directed independent learning:** 1 credit per 3 hours of student effort per week.
- **Place- and Practice-based:** 1 credit per 3 to 5 hours of student effort per week per credit for practicums, internships, externships, and clinical placements.
- **Blended/Hybrid/Online:** Online follow the expectation of student engagement of 3-5 hours of student effort per week per credit. See www.mbts.edu/accreditation for more details.

Responsible Parties. Midwestern faculty are responsible for assigning academic credit to individual courses, for ensuring that credit assignments meet policy guidelines, and for approving exceptions to the guidelines. Typically, this oversight will occur in the context of usual institutional processes for curriculum development and review, and within curriculum oversight bodies such as the appropriate academic policy committee (Undergraduate APC, Graduate APC, Online APC, Doctoral Studies Committee).

The Provost and Deans are responsible for ensuring implementation of the policy by all credit-granting units of Midwestern.

The Registrar oversees the course catalog and is responsible for reporting regularly on the status of courses vis-à-vis the Course Credit Assignment Policy to the Provost and Deans.

Policy Guiding Influences: In addition to the DOE and Accrediting guidelines, the following institutional understandings were used to establish credit assignment guidelines.

- For the foreseeable future, the credit hour will remain the standard for awarding Midwestern credentials, reporting to external entities, and complying with federal and state regulations. Thus, the definition of a credit hour and the assignment of credit to courses must be consistent with external regulations and standards for accreditation. In addition, credit assignment policies and practices should meet or exceed the best practices at peer institutions. Midwestern is not seeking approval for Competency Based Education delivery at this time.
- Although the credit hour is a useful concept, its basis in face-to-face, lecture-based instruction in a classroom neither reflects the range of current practices nor acknowledges changing instructional practices, which extend beyond traditional lectures to include online and blended online or place-based courses; internships, clinical experience, and field placements; “flipped” classrooms; laboratories, and

rehearsals. Thus, credit assignment guidelines must balance the need to stipulate guidance with the need for flexibility in its application to a wide range of pedagogies.

Finally, the guidelines are intended to reflect the variety of pedagogies, learning outcomes, and expectations for academic effort and achievement present at Midwestern; and, to anticipate, to the extent possible, emerging pedagogies and technologies, as well as regulatory changes. In all cases, assignment of credit to courses rests with the faculty and relevant academic governance bodies, as does oversight of compliance with policy guidelines.

Credit Hour Load

Enrollment status for student classification is as follows:

Full-time. Undergraduate students are classified as full-time students when enrolled for 12 or more credit hours during a 15-week semester.

Half-time. Undergraduate students are half-time when enrolled for six to 11 credit hours during a 15-week semester term.

Part-time. Undergraduate students are part-time when enrolled for less than 6 credit hours during a 15-week semester.

A student is considered full-time if he/she carries 12 credit hours or more during the fall and spring semesters or 6 hours during the summer term. To complete a 120 credit hour bachelor's degree in four years or eight semesters, students should take a minimum of 30 credit hours per academic year. To complete a 60 credit hour associate's degree in two years or four semesters, students should take 16 hours each semester. Students may not exceed the 18-hour limit without obtaining approval from the Dean of Undergraduate Studies. Students placed on academic probation or making less than satisfactory academic progress may be limited in the number of credit hours they may take.

Dean's List

Each semester, Midwestern College undergraduate students may earn the right to be named to the Dean's List by earning a minimum 3.5 G.P.A. based on a 4.0 G.P.A. grading system.

Students must complete at least 12 credit hours in a given semester – Fall, Spring, or Summer – none of which may be on a pass/fail basis, to be eligible.

After final grades are completed and submitted, including any incomplete grades, the Registrar's Office compiles a list of all students who have achieved the status of Dean's List. Students are notified of this achievement with a letter from the Dean and this honor is noted on the student's transcript for the applicable semester. Additionally, the Dean's office will send a letter to the student's parents notifying them of this achievement, if so desired by the student. A FERPA release form is required to be signed by the student for this notification letter.

The Fall Dean's List is generally published the following February, the Spring Dean's List is published in July, and the Summer Term Dean's List is available in October.

Degree Change

All requests to change degree programs, majors, or concentrations must be submitted to the Registrar's Office using the *Application for Degree Program Change*. All forms must be signed by the student in order to be processed. *Degree Program Change* forms received by the Friday of the first week of the semester will be effective for the current semester. Any form received after this due date will become effective the following semester. Students should be aware that when degrees are changed some credit hours may not transfer to the new degree. Degree requirements and other policies will be determined by the catalog in force at the time the degree change is made.

Students who are changing their degree from residential degrees to online degrees will be required to take the online New Student Orientation (NSO) course. The Registrar's Office will automatically enroll students in the NSO course. Students who fail to complete the NSO the first time will be enrolled a second time and charged a \$25 fee. The \$25 fee will be charged each time a student has to retake the course.

Degree Progress

Responsibility for degree progress ultimately belongs to the student. Students can view their degree progress through their student portal and may use this information in consultation with their faculty advisor. The current curriculum for each degree is also available online at www.MBTS.edu. Students in need of assistance may contact the Registrar's Office (Registrar@mbts.edu).

Distance Education

Distance education means education that uses certain technologies to deliver instruction to students who are separated from the instructor, and to support regular and substantive interaction between the students and the instructor. The interaction may be synchronous (student and instructor are in communication at the same time) or asynchronous. The technologies may include the following:

- The internet
- Audio conferencing
- One-way, two-way transmissions through open broadcast, closed circuit, cable, microwave, broadband lines, fiber optics, satellite, or wireless communication devices.

Midwestern College offers a 100% online Bachelor of Arts, Christian Ministry degree; Bachelor of Arts, Biblical Studies; Associate of Arts, Biblical Studies; and, Associate of Divinity. These programs provide biblical, theological, and ministry training to people who feel called to continue serving Christ with the convenience of doing so from their current locale.

External Study Courses

An external study course is a regular undergraduate catalog course completed as an individualized study. It is used when a student is unable to complete a course by traditional means.

Qualifications

- An enrolled student
- A degree-seeking student
- A class standing appropriate for the level of the course being taken (i.e., a freshman should not take a junior or senior level course)
- Satisfactory academic progress (i.e., cumulative GPA is 2.00 or higher)
- Inability to complete the course as regularly scheduled
- Approved by using the *External Study Course* form.

Approval Procedure

1. The student requests the External Study Course application form from the College Secretary at college@mbts.edu.
2. The student completes the student's portion of the *External Study Course* form
3. The student obtains the signature of the professor who teaches the external study course and attaches the course syllabus to the form
4. The college secretary ensures that all necessary information is included on the form and that the student meets eligibility requirements before submitting the paperwork for approval by the Dean of Undergraduate Studies.
5. If approved, the college secretary provides copies of the approved form to the student, professor, and the Registrar's Office
6. Upon receipt of an approved *External Study Course Application* form, the Registrar's Office enrolls the student for the course.

Additional Information

Students seeking to participate in an External Study Course must submit a completed application to the Academic College Dean's Office no later than 14 days after the first day of classes for the semester.

The external study course must be completed within the time designated by the learning contract. A maximum of 30 hours of external study courses may be taken to satisfy degree requirements at Midwestern. A maximum of six external study hours may be taken in one semester.

The Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include the following:

1. **The right to inspect and review the student's education records within 45 days of the day Midwestern receives a request for access.** The student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The Midwestern official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Midwestern official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
2. **The right to request the amendment of the student's education records that the student believes are inaccurate or misleading.** The student may ask Midwestern to amend a record the student believes is inaccurate or misleading. The student should write the Midwestern official responsible for the record, clearly identify the part of the record the student wants changed, and specify why the record is inaccurate or misleading. If Midwestern decides not to amend the record as requested by the student, Midwestern will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. **The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.** One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Midwestern in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Midwestern has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, Midwestern discloses education records without consent to officials

of another school in which a student seeks or intends to enroll.

Directory information (listed below) is generally considered not harmful or an invasion of privacy if released. Unless the Registrar's Office is informed otherwise by the student in writing, directory information may be released by Midwestern without the student's permission.

Directory Information. The following information is considered to be directory information by Midwestern and, therefore, information that is generally not considered harmful or an invasion of privacy if disclosed:

- Name, address, & telephone listing
- Email addresses
- Participation in officially recognized activities
- Date and place of birth
- Photographs
- Dates of attendance, degrees, and awards
- Most recent previous school attended
- Class schedule/roster
- Field of study (program/major)
- Full-or part-time status

Students who do not want to release this information to anyone who does not have an authorized and/or legitimate need to know the above information should notify the Registrar's Office in writing of this desire and the noted information will not be released. If a student specifies that an address and/or phone number not be released, this action will prohibit even friends and relatives from being able to obtain that information from Midwestern.

4. **The right to file a complaint with the U.S. Department of Education concerning alleged failures by Midwestern to comply with the requirements of FERPA.** The name and address of the office that administers FERPA is as follows:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Grades and Academic Assessment

To assist Midwestern in the ongoing assessment of student learning and achievement, students are asked to complete the confidential, internet-based assessment of their course(s). The confidentiality of student responses is ensured through a system that permits faculty to view only the summary data of each class. Individual student responses are flagged for tracking purposes only and cannot be identified by the faculty nor are they available to faculty. Course assessment(s) may be accessed through the student portal and are made available beginning with the last two weeks of the semester or term. Students have the option of completing the online course assessment at the end of the semester or term and retrieving the grade(s) for their course(s).

Students who do not have internet access may obtain access and/or assistance in Midwestern's Library. Students having difficulty accessing their online course information should contact IT personnel at 816-414-3763 or at helpdesk@mbts.edu.

Grades/Grade Reports

Final course grades are available to registered students through the Internet student portal once they have been received and processed by the Registrar's Office. Students desiring to know their course grades prior to this distribution should contact the course professor(s), not the Registrar's Office. Students must have financial accounts with Midwestern in good standing before grades may be accessed at the end of each semester through the student portal.

Midwestern follows a 4.0 grade-point system to encourage academic achievement. Under this system, grades are given certain numerical values per credit hour (the grading system chart is listed below). A failing grade in a course is permanently recorded on the student's transcript, but it is not included in grade point average computation if a student repeats and passes the course.

Grading System

College grading and grade point value system:

A	93-100	4.0	AU	Audit
A-	90-92	3.7	I	Incomplete
B+	88-89	3.3	NG	No Grade Assigned
B	83-87	3.0	P	Passing
B-	80-82	2.7	W	Withdrawn from course
C+	78-79	2.3	WP	Withdraw passing
C	73-77	2.0	WF	Withdraw failing (not computed in GPA)
C-	70-72	1.7		
D+	68-69	1.3		
D	63-67	1.0		
D-	60-62	0.7		
F	59 or below	0.0		
FN		0.0		

Incomplete Grade

An incomplete grade may only be reported for a student who has a passing grade in a course but who is unable to complete the final examination and/or final coursework due to serious illness of the student, serious illness or death in the student's immediate family, or other unusual and substantial causes beyond the student's control.

Failure to appear for a final examination or failure to complete coursework as assigned is not a basis for an incomplete grade. Assigning an incomplete grade to a student must not provide the opportunity for the student to complete work beyond the end of the semester if the extension gives the student an advantage others in the course in similar circumstances did not have. Students are to submit the incomplete coursework/exam to the professor no later than two weeks after the last day of the semester or course. All Incomplete grades must be removed within three weeks

after the semester or course in which the incomplete grade was given. At the end of three weeks the grade defaults to the grade earned that was listed by the professor on the *Incomplete Grade* form.

The student's record shall bear the grade of "I" on any incomplete course until all work is completed. If the student does not submit the assigned work, the "I" grade will be changed to the grade reported as being earned-to-date which includes a zero for incomplete portion of assignments. A student whose circumstances are so extreme that they do not permit the submission of the work within the stated period may petition the Registrar for a further extension.

Integrity in Theological Studies

The fundamental purpose of Midwestern is to assist the development of Christian ministers who are equipped to make responsible and relevant witness to the redeeming Gospel of Jesus Christ in the context of the vastly complex and rapidly changing modern culture in which God has granted us the grace of life. In accordance with this purpose, therefore, Midwestern dearly cherishes and earnestly seeks to foster among all its students the qualities of spiritual dedication, creative imagination, and personal integrity.

Consequently, the administration and faculty of Midwestern expect, as a minimum requirement, that each student shall do his or her own work. The student is to let every test and examination reflect only the best results of his or her own disciplined study. Likewise, every term paper and written report must represent the student's own original approach to the task assigned, and it should not contain either direct quotations or paraphrases of any part of any other writer's book or paper, published or unpublished, for which due credit is not given to the original author. Such credit should be acknowledged by proper citation (in text, footnotes, and bibliography) of the sources employed.

Unless otherwise instructed by the professor under whose direction the paper is prepared, The Midwestern Style Manual will serve as the guide for citing all sources.

It cannot be exaggerated how strongly Midwestern deplores plagiarism in all its forms. Dishonesty is incompatible with the very purpose for which a student avails himself of its ministries. It is to be desired that one remain without a degree rather than to obtain it by dishonest means, for Christianity cannot countenance conduct that contradicts its basic tenets. It is further to be hoped that each individual will recognize a responsibility for his brother as well as for himself in all such matters.

This statement was first adopted by the faculty of Midwestern on October 5, 1961, and continues to be affirmed by the current faculty.

Leave of Absence

Emergencies that require a student to withdraw from classes for a time are dealt with on a case-by-case basis depending upon the nature of the emergency. Midwestern seeks to respond to students according to their individual need in these cases.

Library Use

As a normal part of the educational process, students are expected to use the learning resources available in Midwestern's library (see pages 12-13 of this catalog) for completing course assignments, research, etc. All students except online students are required to have a Midwestern Identification Card that serves as the student's library card. A valid ID card is necessary to check out physical resources and laptop computers. A valid Midwestern logon is necessary to access to electronic resources.

Limiting Credit Hours and/or Employment Hours

To exceed the normal maximum class load of 18 credit hours per semester, a student must obtain approval of the Dean of Undergraduate Studies. A student working in excess of 20 hours per week in secular and/or religious employment is advised to enroll for a reduced academic load. The faculty advisor will work with the student in assessing the student's workload. A student working in excess of 35 hours per week in secular and/or religious employment is not to enroll for more than 14 credit hours per semester unless given permission by the Dean of Undergraduate Studies. Students who want to take more than 2 online courses per term must receive approval from the Online Office.

Nondegree-Seeking Students

Students who desire to take occasional classes for credit, or who wish to take classes full-time before deciding on a particular degree program, are classified as 'nondegree-seeking.' To take classes for credit on a nondegree-seeking basis, students must complete the *Nondegree-Seeking Student Application for Admission*, be formally admitted, and pay the applicable tuition and fees before taking more than 3 credit-hours of classes. Students may refer to the Admission section of this catalog for more information.

Online Course Limits for College Housing

Full-time undergraduate students who are enrolled in a minimum of 12 credit hours of undergraduate coursework per semester are eligible to live in Midwestern campus housing. One online class may be counted toward the 12 credit hours. Any appeal to the maximum online courses may be made by submitting a housing exception form for approval by the Vice President of Administration.

Program Extensions for International Students

The program duration for an F-1 Visa student is determined by the expected length of study established by the school and documented on Line 5 of the I-20 by a program end date. If a student realizes that he/she is not going to graduate by the semester documented on the I-20, he/she may request a program extension prior to the expected graduation for reasons limited to the following:

- Changes of major or research topic
- Unexpected problems with research

- Documented illness.

Delays due to academic probation or suspension do not qualify as reasons for extension.

In each case, recommendation for extension must come from the student's academic advisor. Also, students must provide updated financial support documentation to verify that they have the financial capacity to stay for the additional amount of time.

Registration

Students can register online for classes through their student portal. The Registration Calendar at the front part of this catalog lists when registration opens and closes for each term. Any student with a hold on his/her account cannot register online.

Students who are still in the application phase are allowed to enroll in only one class until they are fully or conditionally admitted.

Satisfactory Academic Progress (SAP)

A student must maintain cumulative grade point average (GPA) of 2.0 or higher for all coursework taken at Midwestern to remain in satisfactory academic standing. The SAP policy is different for undergraduate, master's, and doctoral students. For guidelines, a student should refer to the Academic Probation in this section of the catalog. Federal guidelines require recipients of federal Title IV financial aid to satisfy additional standards (see Federal Title IV Financial Aid Programs section in this catalog for detailed SAP requirements).

Special Status

Students not currently admitted who wish to take a special course at Midwestern, such as a seminar, workshop, conference, or other special event, must complete the online *Special Status Application* and pay the applicable tuition and fees. Students may take up to 4 credit hours of such courses while in the application process. To take regular online or classroom courses, students should apply to be degree-seeking or nondegree-seeking students.

Student's Responsibility and Academic Advising

An academic advisor is available to provide guidance concerning academic programs and to verify the accuracy of course selections, but students are ultimately responsible for knowing program requirements and proceeding to satisfy those requirements in an orderly and timely manner.

Study Skills

If a student's GPA falls below 2.0 at the end of a semester, the student will be placed on probation and encouraged to voluntarily enroll in the Study Skills course. If the student's GPA falls below 1.8 at the end of a semester, the student will be placed on academic probation and automatically enrolled in the Study Skills course when the student enrolls for his/her next course. The Study Skill's course cannot be taken as a student's only course for the semester or term. For example, if an online student only takes a course in Term B, that student cannot take the Study Skills course in Term A. The Study Skill course is a one-credit hour, pass/fail course. Regular tuition and fees will be charged. This credit does not count toward meeting graduation or degree requirements.

The instructor for the Study Skills course will work with the student to help the student develop the requisite skills for academic success. If a student's GPA is not above 2.0 at the end of the first probationary semester, the student remains on academic probation, but the student is only required to successfully complete the Study Skills course once. If at the end of the second probationary semester, the student still does not have a GPA of 2.0 or higher, the student will be placed on academic leave.

Style Guide for Written Papers/Assignments

Unless otherwise instructed by the professor, all papers and dissertations submitted by students must conform to the current edition of *The Midwestern Style Manual*, which may be supplemented by the current edition of *A Manual for Writers of Research Papers, Theses, and Dissertations* by Kate L. Turabian, the current edition of *The Chicago Manual of Style*, or the current edition of *The SBL Handbook of Style* in instances where *The Midwestern Style Manual* is silent.

Transcripts

Transcripts are confidential documents and are issued only when a student submits a *Transcript Request Form* with the applicable fee. The form is available on Midwestern's web page. The Registrar's Office provides official and unofficial transcripts. Transcripts are only issued for persons who have accounts in good standing with the Financial Services. Processing may take up to two weeks. Students may view and print unofficial transcripts from their student portals.

Transfer Credit

Midwestern may transfer a limited number of credit hours taken at other accredited institutions, i.e., institutions recognized by (a) a regional accrediting agency [e.g. the Higher Learning Commission, the Southern Association of Colleges and Schools], (b) the Council for Higher Education Accreditation [CHEA], and/or (c) the U.S. Department of Education (USDE), subject to the following stipulations.

At least 30 of the last 60 hours of a bachelor's degree must be earned through Midwestern, and at least 15 of the

last 30 hours of an associate's degree must be earned through Midwestern. In addition, at least 50 percent of the credit hours in the student's major must be earned through Midwestern. For more information, contact the Registrar's Office.

To be considered for transfer, courses must meet the following requirements:

- The course must be equivalent in content and requirements to courses in the Midwestern catalog
- The course must meet a Midwestern degree requirement
- The student must have received a recorded grade of C- or higher.

Undergraduate coursework taken from an unaccredited institution will be subject to the following review:

- The student's general eligibility for acceptance to Midwestern as a degree-seeking student
- The academic calendar, grading system, and the credentials of the transfer institution's faculty being evaluated and approved by the Registrar or the Dean of the College with the review of the Academic Policies Committee
- The course(s) being transferred meeting all other Midwestern transfer credit requirements
- The credit not being immediately transferred and posted to the student's transcript but held "in escrow" until the student successfully completes 24 credit hours at Midwestern with a minimum GPA of 2.50.

Types of Classes

Midwestern uses multiple instructional delivery systems as indicated below. Abbreviations may be used on the student's transcript to indicate the kind of delivery-system involved in each course.

- Conference (CONF)
- Directed Study (DSC)
- External Study (ESC)
- Fusion (FUS)
- Hybrid (HYBRI)
- Independent Study (IS)
- Intensive (INT)
- Midwestern Women Institute (MWI)
- Online (OL)
- Online Connect (OLC)
- On-Campus
- Practicums (PRAC)
- Regional (RG)
- Trip (TRIP)
- Workshop

Courses involving practicums and field supervision are transcribed as on-campus. Courses taken online may be transcribed as hybrid, if the coursework includes verified campus-oriented instructional activity.

Undergraduate Students Enrolling in Master's Courses

Undergraduate students desiring to take graduate level classes must have taken a substantial number of undergraduate classes offered in the particular discipline they are requesting. Undergraduate students requesting to enroll in a master's level course for credit or audit must obtain approvals from the professor of the master's course, the Dean of the College, the Dean of Graduate Studies, and the Registrar for each master's level course. The request must be made by using the *Undergraduate Student Request to Register for a Master's Level Course* form. Furthermore, if the student is requesting the course for credit, the student must have a minimum cumulative undergraduate GPA of 3.00.

Registration may only be completed if space is available in the master's course. In the event a course reaches an enrollment limit, master level students will have priority. In addition, per accreditation requirements, 80% or more of the registered students must be master's level students. Master's courses used to meet undergraduate degree requirements may not be used at a later time to meet master's degree requirements. Grades awarded are based on the grade and syllabus requirements for the master's level course. Course requirements are not reduced for undergraduate students.

Only courses in a student's current degree program count toward federal aid eligibility – including federal loans. Also, financial aid is not available for student's auditing classes.

Withdrawal from College

Students may officially withdraw from Midwestern at their discretion, but the withdrawal may affect their academic record. Nonattendance of classes does not constitute official withdrawal from the college. The student is responsible for securing and processing the *Exit Form* with the Registrar's Office in order to make withdrawal official. In addition, the student should consider the academic impact for withdrawing from courses.

The academic record of students withdrawing from courses during a term is affected in the manner described under "Course Change" in the Academic Policies section of this catalog.

Students withdrawing from Midwestern should also make proper arrangements with the Financial Aid Office concerning the reduction or cancellation of a student's financial aid award and with the Housing Office to ensure that proper notification is given concerning moving from student housing. In addition, the withdrawing student must communicate with the Financial Services in order to arrange for the appropriate payment of any unpaid accounts and to avoid the assessment of late fees, penalties, or additional charges. An exit interview with the Director of Financial Aid is required for any student with a Federal Direct Student Loan.

Official Withdrawals are determined by the date when the student began Midwestern's official withdrawal process

or the date when the student officially notified Midwestern of his/her intent to withdraw, whichever is later.

Unofficial Withdrawals are determined by the documented last day of a student's participation in an academically related activity. An unofficial withdrawal is when a student leaves without notifying Midwestern. Midwestern always has the option to use the student's last day of documented attendance at an academically related activity.

GRADUATION

Application for Graduation

To participate in Commencement and graduate from Midwestern, students are to complete an Application for Graduation form. Forms may be obtained from the Registrar's Office or online. Completed forms are to be submitted to the Registrar's Office for processing. Due dates are listed on the Academic Calendar. A student who submits an application after the due date may receive consideration if the application is accompanied by a written appeal to the Academic Policies Committee. A \$50 late fee will be assessed.

The graduation fee is charged to the candidate's student account at the beginning of the semester immediately preceding Commencement. The fee is nonrefundable and is paid even if the candidate is granted the privilege of graduating in absentia.

The candidate for graduation is responsible to confer with the registrar to ensure that he/she has met all degree program and graduation requirements including the minimum GPA required for graduation. Prior to graduation, a student must settle all current accounts at the Library, Financial Services, and the Sword & Trowel bookstore located on campus. The faculty reserves the right to determine that a student whose conduct has proved to be unworthy of the standards of Christian character is unworthy of graduation, even though all academic requirements have been met.

Graduation Honors

Graduation honors are awarded to qualified graduates of Midwestern's degree programs. Undergraduate students who complete degree requirements with an overall cumulative grade point average (GPA) of 3.60 to 3.799 will receive the notation "With Honors" upon graduation. Undergraduate students with an overall cumulative GPA of 3.80 or above will receive the notation "With Highest Honors" upon graduation. The cumulative GPA includes courses taken at Midwestern to meet degree requirements. Graduates of the Midwestern Women's Institute program and Certificate programs are not recognized with honors.

Participation in Commencement

Upon satisfactory completion of the prescribed course of study and all other requirements for graduation, the student

is entitled to graduate. The requirements for the degree earned by the student will be determined by the catalog in use when the candidate first enrolls at Midwestern. If a student desires to graduate under the requirements from a subsequent catalog issued while the student was pursuing a degree, the student may petition the Registrar for permission to do so. Midwestern may require a student whose enrollment has continued beyond five years to graduate according to the requirements of a more recent catalog.

Participation in Commencement for Students Lacking Hours

If a student is approved to take a course(s) at another school during his/her final semester at MBTS, the student must provide an official transcript of that course to the MBTS Registrar's Office at least two days prior to commencement. If the final grades for that course are not available from the other school, the student must provide documentation from the transfer school that shows that he/she is on track to pass the class with a grade of C- or higher. A student will be allowed to participate in the graduation ceremony with this documentation, but he/she will receive the diploma only after the MBTS Registrar's Office receives an official transcript with the final passing grade. If following the ceremony, the student does not receive a C- or higher, he/she will not receive a diploma and must petition the Academic Policies Committee for approval to complete the requirement according to an alternate plan. Regardless of when the student completes all of the degree requirements, he/she is only eligible to participate in one commencement exercise for his/her degree.

A student who has not completed all requirements prior to the ceremony is ineligible to receive any scholastic awards at graduation or to be recognized at commencement as a recipient of academic honors. Academic honors earned at MBTS during the student's course of study will be noted on the student's transcript when all degree requirements have been completed.

Requirements for Graduation

GPA Requirement. To qualify for graduation, students must attain a 2.0 or above cumulative GPA in all graded work taken at Midwestern or transferred from another institution to meet Midwestern's degree requirements.

Attendance at Commencement. Students in on-campus degree programs are expected to be present for Commencement. Under unusual circumstances, a candidate may petition to graduate *in absentia*. A written petition requesting permission to graduate in absentia must be submitted to the Registrar for faculty approval no later than October 1st for the Fall Commencement and no later than March 1st for the Spring Commencement. Online students are encouraged to participate in commencement, but are not required.

Other requirements

- Complete *Graduate Exit* form

- Complete exit counseling for students who received federal loans
- Complete Students Outcome Survey/Graduating Student Questionnaire
- Pay any unpaid balances

Academic Awards

Each year the faculty at Midwestern honor selected Bachelor of Arts recipients who complete all graduation requirements prior to the Commencement ceremony with the following awards:

- **Diana Anderson Scholar's Award** - to the College graduate whose character, academic performance, and local church commitment ideally reflect the values and objectives of Midwestern Baptist College.
- **James L. Anderson Dean's Award** - to the College graduate who has achieved the highest grade point average for college studies.
- **Loran Anderson Preaching Award** - to the College student who has demonstrated superior skill in the preparation and delivery of biblical sermons.

PROFESSIONAL DOCTORAL PROGRAM

The Doctor of Counseling (DCoun) is a program of professional study for students who desire to practice professional counseling at the highest level of clinical competence. The DCoun is recognized by the Higher Learning Commission (HLC). Although the degree is considered equivalent in quality to the Doctor of Philosophy (PhD), it differs significantly in that the latter seeks primarily to understand the way things are, with practical payoffs being a secondary concern.¹

This degree programs are under the direction of the Doctoral Studies Office. For more information call 816-414-3755 or email docstudies@mbts.edu.

Admission

In addition to the general criteria for admission to Midwestern College, applicants to the DCoun program must have the following:

1. A Master of Arts in Counseling (MACO) degree or equivalent from an accredited institution
2. A 3.0 grade point average or above on a 4.0 scale for all graduate level studies (students not meeting this standard may request to see the Low-GPA policy for Professional Doctoral Studies).

Upon receiving an application packet, the prospective student must submit/provide the following:

1. A completed *Application for Admission form* and application fee
2. A personal essay of 8-12 pages providing the applicant's understanding of Christian ministry and describing the applicant's calling, ministerial service to date, and ministerial goals with an explanation of how the doctoral program will help the applicant reach those goals
3. A letter of endorsement/recommendation from the applicant's current ministry
4. Academic, personal, and professional references
5. Original transcripts from each academic institution previously attended sent to the Doctoral Studies Office.

International applicants must also score a minimum of 80 on internet-based test (iBT), and 550 on the written version or 213 on the computer version of the Test of English as a Foreign Language (TOEFL) examination. Students in programs taught in a language other than English are exempt from this TOEFL requirement.

Applicants not meeting all admission requirements may petition to enter the program under probationary status. Information about probationary admission may be requested from the Doctoral Studies Office (1-877-414-3755 or docstudies@mbts.edu).

Professional Doctoral Studies Objectives

Students graduating from a Professional Doctoral Studies program will be able to do the following:

1. Draw on the resources of the classical area of theological study
2. Do original field research and needs analysis
3. Organize and motivate others to carry out such program plans with a high level of competence
4. Move beyond routinely accepted techniques of ministry toward new dimensions, methods, and outreach.

Seminars

Required seminars (doctoral courses) are offered multiple times per year. Each seminar is offered as a week-long intensive course with pre- and post-coursework. The Dissertation Preparation seminar should be completed as the last seminar because it transitions the student into the ministry project phase of the program.

Status

The DCoun is a continuous enrollment program. Students enroll in a minimum of two 3 credit hour seminars each year until all requirements are met. During the project dissertation phase of the program, students will be registered in DR40983 DCoun Dissertation – Ongoing Research for 1 credit hour each semester until the dissertation is completed. When the student is ready for the dissertation defense, the student will be registered in DR40993 Dissertation-DCoun for the remaining hours in order to receive a total of 3 credit hours.

Students who are unable to maintain continuous enrollment status may request to be placed on a one-year interrupted status for a medical or ministry-related hardship. A fee of \$250 is assessed for each semester on interrupted status if the request is made prior to the start of the semester. For requests made after the start of the requested semester the fee is \$500. Students requiring a longer suspension of continuous enrollment may request to be placed on inactive status for a period not to exceed three years. An inactive status fee of \$500 per year is charged to the student. Updated information and admission requirements must be met before reentering the program. No academic work may be done while on interrupted or inactive status.

Doctor of Counseling (DCoun)

Purpose

The Doctor of Counseling degree offers advanced preparation for the practice of counseling in clinical and confessional settings and for service in Christian higher education. It is designed to follow the MACO, or its equivalent, and is accredited by the Higher Learning Commission (HLC).

The Doctor of Counseling degree combines best practices of clinical description in the behavioral sciences with a biblically grounded understanding of humanity and ethics. The result is a distinctive model of treatment that applies the Christian worldview to clinical practice, as informed by well-established scientific methods and techniques.

The DCoun is designed for those holding the MACO degree of 52 or more hours. Students lacking the required 6 hours of graduate level biblical and theological foundations may only take DR32020 prior to completion of these leveling requirements. For more information, contact the Doctoral Office at docstudies@mbts.edu

Duration

The program aims to graduate students four years after they begin their studies, by using a combination of on-campus, online, and facilitated research.

Doctor of Counseling Objectives

Students graduating from the Doctor of Counseling will be able to do the following:

1. Integrate and articulate how the Christian understanding of humanity informs an evidence based practice of counseling
2. Assess, diagnose, and treat clients with the full range of presenting problems and mental disorders
3. Evaluate scientific research studies and convert them to evidenced based treatment processes
4. Establish a private practice of Christian counseling or serve effectively in existing counseling agencies

Practice at the highest level of ethical and legal standards in the counseling profession.

Location

At least one third of the degree must be taken on campus. These one-week courses require significant pre- and post-coursework. Select counseling classes are offered online using Canvas as the teaching modality. Other counseling courses are in the Directed Study format.

Dissertation

After the completion of all seminars, the student is required to design, implement, and evaluate a counseling based research project. The dissertation will demonstrate the student's integration of the Biblically Prescriptive and Clinically Descriptive approach. From idea conception to oral defense, the dissertation usually takes 8 to 12 months and results in a dissertation of at least 100 pages, not including appendices and bibliography.

Interdisciplinary Studies

Purpose

The Bachelor of Arts in Interdisciplinary Studies grants students a broad learning experience and a wider perspective than that provided by traditional undergraduate majors. This degree is designed to offer students the opportunity to participate in an interdisciplinary, academically sound, and goal-oriented education.

In addition to the shared Biblical Core and the robust General Education Core, students will work with their faculty advisor or with the dean of the college to craft a plan of study that is directly relevant to the student's intellectual pursuits along with his or her career or ministry callings. The 30 hour Interdisciplinary Studies major must include at least 15 credit hours of selected upper level (300 or 400 level) classes.

Minors and double majors are not allowed with the Interdisciplinary Studies degree. In order to allow the degrees to be reflective of their intentionally broad base, no more than 21 hours of courses with the same prefix are allowed in the combined major requirements.

The Interdisciplinary track offers two different pathways to a Bachelor of Arts degree.

Option 1: Designed for mature Christian students who are over 25 and come to MBTS with extensive college level learning in non-traditional frameworks, this option allows students to enroll in GS495 Portfolio as part of the curriculum in order to create portfolios of learning (DELAC) to demonstrate competency in the subject matter. Students are able to portfolio for up to 24 credit hours of the degree allowing them to make significant progress toward their degree.

Option 2: Students work with their faculty advisor to craft an individualized plan of study that is relevant for the student's ministry or career calling.

Interdisciplinary Studies Objectives

Students completing their education with an Interdisciplinary Studies major will be able to do the following:

1. Demonstrate an increased understanding of Christian worldview in relation to the natural and social world
2. Demonstrate skill in communicating biblical truth by interpreting Scripture using appropriate hermeneutical and historically informed principles
3. Demonstrate an increased understanding of the theological and biblical foundations of Christian engagement through interdisciplinary study along with an appreciation of liberal arts.

Adult Degree Completion Structure and Duration

The Bachelor of Arts, Interdisciplinary Studies major requires 120 credit hours. For students who qualify, up to 24 credit-hours can be awarded based on successful submission of DELAC portfolios of learning that demonstrate college-

level learning outside of the traditional classroom. In the required course, GS495 Portfolio, entering students are given specific instruction regarding the process required to document learning. For students wanting to explore and combine study in multiple disciplines, the Interdisciplinary studies degree gives the broadest possible degree options for further graduate study as well as flexibility in career choices.

DIPLOMA/CERTIFICATE PROGRAMS (NONDEGREE)

Midwestern College has several nondegree-seeking programs: Contextualized Leadership Development (CLD), the Undergraduate Certificate Program, and the Midwestern Women's Institute.

Contextualized Leadership Development (CLD)

Midwestern Baptist Theological Seminary and College partners with the North American Mission Board, State Conventions, local associations, and educational institutions to provide Contextualized Leadership Development as means of training Christian leaders for church planting, evangelism, and ministry. Up to 39 credit hours of CLD hours taken at approved centers and approved courses may transfer into a Midwestern degree program following admission as a degree-seeking student. The delivery system has been designed to meet the needs of church leaders, associations, and state conventions to biblically educate God-called men and women to be and make disciples of Jesus Christ throughout the world.

The Contextualized Leadership Development (CLD) program provides biblical, theological, vocational, and educational training for church leaders. Courses are equivalent to college courses offered at Midwestern College - the undergraduate division of Midwestern Baptist Theological Seminary. The Christian church desperately needs dedicated and prepared church leaders to perform relevant, meaningful ministry within every cultural and ethnic group. A CLD center is a school of training established under a Cooperative Agreement with a local Southern Baptist association and/or state convention, and the CLD program.
