Humana has dental plans to save your teeth and your money

Humana is a leading dental health benefits company in Florida. Here are a few of the many reasons why you should choose Humana:

- › We have the largest dental provider network of any company in the state of Florida. In addition, we are as choosy about your dentist as you are—so you can be sure you are receiving the best quality care.
- › Each member of your family can choose their own dentist.
- › Our standing as a local company, founded in Miami-Dade County and an active participant in local affairs.
- › We have a highly qualified Member Services Department. The majority of our representatives are bilingual, understand dental terminology and have a customer service background.

Specialty Care

Humana OHS does not require prior authorization or referrals to seek treatment with a participating Humana OHS Specialist. In making your decision about which plan is best for you, keep in mind one important detail. The copayments listed for the Standard Plan 200 only apply in a general dentist's office. If you should need to see a specialist with this plan you receive a 25 percent discount off the Specialist's usual and customary fees.

How you will save

The example given below will show you how much you will save with an OHS plan. As you will see, it pays to have Humana even when you just need routine dental care. Should you require more complicated procedures, having Humana can make an enormous difference.

Using www.humana.com/miami-dade-co-govt you can:

- › View plan benefits

Family choice and primary care pedodontists

The family choice benefit allows each family member to select their own Humana dental facility. If you have children living in separate households or a spouse who wants to choose a dentist closer to his/her workplace, this benefit was designed with you in mind.

At Humana, we know that every family has individual needs, and one dentist may not satisfy all of them. Humana gives members the choice to select the dentist that best satisfies the need of each individual family member.

Primary care pedodontists

Primary care pedodontists are available for children 10 and under. Pedodontists are dentists that only treat children. As a member of Miami-Dade County and Jackson Health System, you have the option to select a pedodontist for your child or may choose to have your child see a general dentist. This option is available in Broward, Miami-Dade, and Palm Beach counties.

Note: Members enrolled in the Plan 200 may have their dependents assigned to any OHS provider in the state of Florida. Those enrolled in the Plan S-400 may select a provider from OHS's South Florida network in Broward and Miami-Dade counties. The participating provider directory included in this brochure lists the dentist available for the Enriched Option and/or the Standard Option. For additional providers accepting the standard plan, visit us online at www.humana.com/miami-dade-co-govt.

Frequently asked questions

How do you know which dental office you should select?

To receive the plan benefits, you must select a dentist from the Humana list of participating dental offices. The dentist you select will be your primary dental provider, coordinating all your dental care needs. If you do not remember which dentist you chose, you may contact our Member Services Department for assistance at (800) 380-3187, Monday through Friday, 8a.m. to 6p.m.

How can you make an appointment with your dentist?

You may schedule appointments by calling the dental office you selected on or after your effective date of coverage. When you call to schedule your appointment, notify the office that you are a member of the Humana OHS dental plan. If you need to cancel your appointment for any reason, please let your provider know within 24 hours of your scheduled appointment. The Schedule of Benefits allows the provider to charge a fee for any broken or cancelled appointment without 24 hours notice.

What should you do if you wish to change your selection of dentist?

Provider transfer requests may be made by calling our Member Services Department. Requests received prior to the 20th of the month will be effective the first of the following month. Transfers can only be processed if you have no balance due or pending appointments at your dental office.

What if you need the services of a specialist?

There are certain procedures that are beyond the scope and competency level of a general dentist and may require the services of a specialist. As a member with the Enriched Plan S-400, you will be charged according to the benefit schedule. Should you need to see a specialist with the Standard Plan 200, you receive a 25 percent discount off the specialist's usual and customary fees.

What can you do if you have questions about the treatment plan prescribed by your general dentist?

You may contact the Humana Member Services Department to make arrangements for a second opinion at no charge. Second opinions arranged on your own, or from a non-participating Humana dentist, will not be covered.

How can you receive emergency care within the service area?

If you require emergency care, first contact your general dentist for an emergency appointment. If you cannot reach your general dentist, contact the Humana Member Services Department for assistance. Arrangements will be made at the closest available office to receive treatment.

How can you receive emergency care outside of the service area?

If you require emergency care and are temporarily 50 miles or more from your participating dental office, contact any licensed general dentist to receive emergency treatment (i.e. relief of pain). Pay for the services rendered and submit the receipt to Humana with your name, social security number, address, phone number, and your employer's name. Humana will reimburse no less than 75 percent of the reasonable charges for covered services, subject to any applicable copayments, up to \$100 per claim.

Where may you call for inquiries or additional questions?

All inquiries and questions should be directed to the Humana Member Services Department 1-800-380-3187. Representatives are available Monday through Friday, 8:00 a.m. to 6:00 p.m.

CERTIFICATE OF COVERAGE

CHOICE OF DENTIST

OHS contracts with established dentists in the community to provide quality care to our members. To receive benefits, you and your dependents must select a facility from the OHS list of participating dental offices. Dentists undergo a thorough review process prior to acceptance to our network. Each privately owned office is operated by a licensed general dentist and a staff of professional auxiliaries.

MAKING AN APPOINTMENT WITH YOUR DENTIST

You may schedule appointments by calling the dental office you selected after your effective date of coverage. There are no identification cards issued. When you call to schedule your appointment, notify the office that you are a member of the ORAL HEALTH SERVICES dental plan.

CHANGING YOUR SELECTION OF DENTIST

A situation may occur in which you need to change your dental office selection. Provider transfer requests may be in writing or may be made by calling our Member Support Department. Requests received during the first twenty (20) days of the month will become effective the first day of the following month. Requests received after the first twenty (20) days of the month will become effective the first of the month following the subsequent month. Any outstanding balance or pending appointments must be cleared up prior to requesting a transfer.

SPECIALIST CARE REFERRALS

Certain dental procedures require the services of a specialist (i.e. some oral surgery, endodontics, periodontics and pedodontics). In those cases, your general dentist will refer you to a participating specialist. You will be provided a referral form to present to the participating specialist to ensure proper coverage.

WHAT ARE CO-PAYMENT FEES?

Co-payments are reduced fees charged by the participating dental offices for some covered dental procedures as specified in the Benefits Schedule. The reduced fees are 60-75% less than the usual, customary and reasonable fees charged in a dental office. Members are financially responsible for copayment fees, payable to the dental office.

DEPENDENT ELIGIBILITY

Eligible dependents include the employee's spouse, unmarried children predominantly dependent upon the employee for support until the end of the month in which the child reaches the age of nineteen (19) or until the end of the calendar year in which the child reaches the age of twenty-five (25) provided the child continues to be predominately dependent upon the employee for support and resides in the employee's home or is registered as a full or part-time student as used herein, children shall include: all children born to you, whether pre-enrolled or not, from the moment of birth; children legally adopted by you from the moment of birth; children legally adopted by you from the moment of placement in your residence or if a newborn, from the moment of birth, if a written agreement to adopt has been entered into you prior to birth; or any stepchildren or foster children under you or your spouse's legal guardianship. Verification or proof of each unmarried child's support, residency and/or student status may be requested by OHS, whose determination of dependent eligibility shall be binding. Coverage will also be extended to any unmarried child over the age of nineteen (19) who is primarily dependent on the employee and otherwise incapable of self support by reason of mental or physical handicap. The employee must submit proof of dependency and incapacity within thirty (30) days of the dependent's attainment of age nineteen (19) and thereafter at the request of OHS for continued coverage.

EFFECTIVE DATE OF COVERAGE

The effective date of coverage is established between your employer and OHS. Upon enrollment you will be notified of your effective date of coverage.

In the event a monthly Premium payment is not received by OHS prior to the expiration of the grace period, OHS, at its sole option, may terminate all coverage to the Group (or Member, as appropriate) effective as of the first day of the month following the month for which the Premium was due.

CERTIFICATE OF COVERAGE

TERMINATION OF MEMBERSHIP

Coverage for Member and each Dependent will cease the first day of the month following the day in which the Member's affiliation with Group is terminated, for any reason, and OHS receives written notice of the termination. If a Member permanently relocates from the OHS services area, or if OHS has no provider within twenty (20) miles of the Member's domicile, Member coverage will terminate. A Member may be entitled, upon written request to OHS, to a prorated refund of his/her prepaid Premium.

OHS may disenroll Member for any of the following reasons after forty-five (45) days notice and reasonable efforts to resolve any conflict through the use of the grievance procedure. OHS will make a reasonable effort to resolve the problem, including consideration of extenuating circumstances.

- a. A Member's behavior is disruptive, unruly, abusive, unlawful, fraudulent, or uncooperative to the extent that the Member's continuing participation would impair OHS' or a Provider's ability to provide covered Dental Services to the Member or to other Members;
- b. A Member commits fraud or makes a material misrepresentation in seeking Dental Services;
- c. A Member willfully misuses any documents provided as evidence of benefits available under this Agreement; or
- d. A Member furnishes to OHS, to any Participating Dentist, or to any insurance agent, broker or agency, incorrect or incomplete information for the purpose of fraudulently obtaining covered Dental Services.

Coverage for Dependents shall automatically terminate in the event the Member is disenrolled.

CONTINUATION OF BENEFITS

A Member and any Dependent of said Member whose coverage is terminated for any reason other than as set forth in Termination of Membership, may elect no later than sixty (60) days from the effective date of termination to continue coverage with OHS directly if he/she was enrolled in a OHS plan for at least three (3) successive months immediately preceding termination. Plan benefits available for continuation shall be similar to those then being offered by OHS to the group.

EXTENSION OF BENEFITS

OHS Providers shall complete all procedures commenced on Members prior to the effective date of termination to the extent that such Members would have been entitled to receive such Dental Services had this Agreement continued in effect, subject to the following conditions:

- a. During the period required for completion of such procedures, each Member shall continue to make the payments required under the applicable Benefits Schedule.
- b. The term "procedures commenced on such Member prior to the date of termination" shall be construed to mean only those treatments and/or operative dental procedures actually commenced but unfinished, such as prosthetic appliances which have been cast and dentures commenced but unfinished prior to the effective date of termination of the Agreement. It shall not include dental defects which may have been diagnosed, but on which treatment or operative work may not have commenced, prior to the effective date of termination. Completion of dental procedures in progress of the effective date of termination will not exceed ninety (90) days after the effective date of termination.

CERTIFICATE OF COVERAGE

CHOICE OF DENTIST

OHS contracts with established dentists in the community to provide quality care to our members. To receive benefits, you and your dependents must select a facility from the OHS list of participating dental offices. Dentists undergo a thorough review process prior to acceptance to our network. Each privately owned office is operated by a licensed general dentist and a staff of professional auxiliaries.

MAKING AN APPOINTMENT WITH YOUR DENTIST

You may schedule appointments by calling the dental office you selected after your effective date of coverage. There are no identification cards issued. When you call to schedule your appointment, notify the office that you are a member of the ORAL HEALTH SERVICES dental plan.

CHANGING YOUR SELECTION OF DENTIST

A situation may occur in which you need to change your dental office selection. Provider transfer requests may be in writing or may be made by calling our Member Support Department. Requests received during the first twenty (20) days of the month will become effective the first day of the following month. Requests received after the first twenty (20) days of the month will become effective the first of the month following the subsequent month. Any outstanding balance or pending appointments must be cleared up prior to requesting a transfer.

SPECIALIST CARE REFERRALS

Certain dental procedures require the services of a specialist (i.e. some oral surgery, endodontics, periodontics and pedodontics). In those cases, your general dentist will refer you to a participating specialist. You will be provided a referral form to present to the participating specialist to ensure proper coverage.

WHAT ARE CO-PAYMENT FEES?

Co-payments are reduced fees charged by the participating dental offices for some covered dental procedures as specified in the Benefits Schedule. The reduced fees are 60-75% less than the usual, customary and reasonable fees charged in a dental office. Members are financially responsible for copayment fees, payable to the dental office.

DEPENDENT ELIGIBILITY

Eligible dependents include the employee's spouse, unmarried children predominantly dependent upon the employee for support until the end of the month in which the child reaches the age of nineteen (19) or until the end of the calendar year in which the child reaches the age of twenty-five (25) provided the child continues to be predominately dependent upon the employee for support and resides in the employee's home or is registered as a full or part-time student as used herein, children shall include: all children born to you, whether pre-enrolled or not, from the moment of birth; children legally adopted by you from the moment of birth; children legally adopted by you from the moment of placement in your residence or if a newborn, from the moment of birth, if a written agreement to adopt has been entered into you prior to birth; or any stepchildren or foster children under you or your spouse's legal guardianship. Verification or proof of each unmarried child's support, residency and/or student status may be requested by OHS, whose determination of dependent eligibility shall be binding. Coverage will also be extended to any unmarried child over the age of nineteen (19) who is primarily dependent on the employee and otherwise incapable of self support by reason of mental or physical handicap. The employee must submit proof of dependency and incapacity within thirty (30) days of the dependent's attainment of age nineteen (19) and thereafter at the request of OHS for continued coverage.

TERMS OF ENROLLMENT

Enrollment in the OHS dental plan is for a minimum of twelve (12) consecutive months while employed by your current employer. Enrollment in the plan or changes to the plan will be allowed during the open enrollment periods as determined by your employer and OHS.

CANCELLING APPOINTMENTS

The time set aside for a patient is very valuable to the dentist. Therefore, if you cannot keep an appointment, notify the dental office at least 24 hours in advance. If you do not notify the office, charges will be made for broken appointment as stipulated in the Benefits Schedule.

EFFECTIVE DATE OF COVERAGE

The effective date of coverage is established between your employer and OHS. Upon enrollment you will be notified of your effective date of coverage.

Certificate of coverage

Choice of dentist

Humana contracts with established dentists in the community to provide quality care to our members. To receive benefits, you and your dependents must select a facility from the Humana's list of participating dental offices. Dentists undergo a thorough review process prior to acceptance to our network. Each privately owned office is operated by a licensed general dentist and a staff of professional auxiliaries.

Making an appointment with your dentist

You may schedule appointments by calling the dental office you selected after your effective date of coverage. When you call to schedule your appointment, notify the office that you are a member of the Humana dental plan.

Changing your selection of dentist

A situation may occur in which you need to change your dental office selection. Provider transfer requests may be in writing or may be made by calling our member support department. Requests received during the first twenty (20) days of the month will become effective the first day of the following month. Requests received after the first twenty (20) days of the month will become effective the first of the month following the subsequent month. Any outstanding balance or pending appointments must be cleared up prior to requesting a transfer.

Specialist Care

Humana OHS does not require prior authorization or referrals to seek treatment with a participating Humana OHS Specialist.

What are copayment fees?

Copayments are reduced fees charged by the participating dental offices for some covered dental procedures as specified in the Benefits Schedule. The reduced fees are less than the usual fees charged in a dental office. Members are financially responsible for copayment fees, payable to the dental office.

Dependent eligibility

Eligible dependents include the employee's spouse and/or unmarried children predominantly dependent upon the employee for support until the end of the month in which the child reaches the age of nineteen (19) or until the end of the calendar year in which the child reaches the age of twenty-five (25) provided the child continues to be predominately dependent upon the employee for support and resides in the employee's home or is registered as a full- or part-time student. As used here in, children shall include: all children born to you, whether pre-enrolled or not, from the moment of birth; children legally adopted by you from the moment of placement in your residence or if a newborn, from the moment of birth, if a written agreement to adopt has been entered into by you prior to birth; or any stepchildren or foster children under you or your spouse's legal guardianship. Verification or proof of each unmarried child's support, residency and/or student status may be requested by Humana, whose determination of dependent eligibility shall be binding. Coverage will also be extended to any unmarried child over the age of nineteen (19) who is primarily dependent on the employee and otherwise incapable of self support by reason of mental or physical handicap. The employee must submit proof of dependency and incapacity within thirty (30) days of the dependent's attainment of age nineteen (19) and thereafter at the request of Humana for continued coverage.

Terms of enrollment

Enrollment in the Humana dental plan is for a minimum of twelve (12) consecutive months while employed by your current employer. Enrollment in the plan or changes to the plan will be allowed during the open enrollment periods as determined by your employer and Humana.

Cancelling appointments

The time set aside for a patient is very valuable to the dentist. Therefore, if you cannot keep an appointment, notify the dental office at least 24 hours in advance. If you do not notify the office, charges will be made for broken appointment as stipulated in the Benefits Schedule.

Effective date of coverage

The effective date of coverage is established between your employer and Humana. Upon enrollment you will be notified of your effective date of coverage.

Emergency care within the service area

In the event of an emergency, contact the participating Humana dental office you selected. If you are unable to reach your dentist, call Humana, and you will be instructed on how to receive necessary emergency dental care.

Grievances can be handled informally by discussing the situation with a Humana representative of the member Services department at 1-800-380-3187 Monday through Friday, between the hours of 8:00 a.m. and 5:00 p.m. Most grievances are resolved satisfactorily. However, in the event that a satisfactory resolution is not agreed upon, the member may request resolution by filing a written

grievance. Written grievances should be submitted to:

Humana

Grievance and Appeals Department
P.O. Box 14729
Lexington, KY 40512

In no event shall the elapsed time from the filing of the grievance to the issuance of the written decision by the Department exceed sixty (60) days. The decision of the Department will be binding unless the Member appeals the decision. If the member declines to accept the decision of the Grievance and Appeals Department, the Member has thirty (30) days in which to file a formal written appeal of the decision. Upon receipt of the notice of appeal, the Humana Grievance and Appeals Committee will convene within fourteen (14) days to decide the appeal. The Member will be notified in writing within fourteen (14) days after the decision of the Grievance and Appeals Committee is reached. The determination by the Committee will be final and binding upon the member and provider. The subscriber always has the right to file a complaint with or seek assistance from the Florida Office of Insurance Regulation at:

Although payment to Humana is due no later than the first of each month, Premiums must be paid no later than the expiration of the grace period, which is twenty (20) days after the first of each month. Coverage for Dependents shall automatically terminate in the event the member is disenrolled.
