

The Oak Leaf

SPECIAL "THANK YOU" EDITION 2015

DR. CARRABINE'S MESSAGE:

It is hard to believe that The Oak Clinic just ended its 15th year of service to those with multiple sclerosis! Over the years, a few things have changed, but our mission remains the same: To treat and empower individuals living with MS *regardless of their ability to pay*. We strive to do that every day.

This 2015 Oak Clinic Report highlights our donors – adults and children, foundations and businesses, families and individuals, caregivers and (of course) our patients. Put them all together and you have a group of people that are bound together by one thing – a shared passion for The Oak Clinic.

We hope others will join the hundreds of passionate people whose contributions support our work to protect the futures of those living with MS. We are proud of what we do and welcome visitors anytime!

Here's wishing you and yours a prosperous and healthy 2016!
Sincerely,

Timothy J. Carrabine, MD
Clinic Director

The Oak Clinic Welcomes *Lauren*

Lauren Buehrle graduated from Ohio University in 2009 with a degree in Exercise Physiology and immediately began pursuing a degree in nursing at Walsh University. Upon graduation from Walsh in 2011, Lauren became a caregiver for Oak Clinic founder, Jim Oelschlager. When she had free time, she started helping out at the Oak Clinic and volunteering her

time to organize fund raisers and educational events.

In 2013, Lauren decided to continue her education and enrolled in the Adult/Geriatric Nurse Practitioner program at Akron University, while continuing to serve as a nurse for Mr. Oelschlager and helping out at the clinic. She was instrumental in growing the Diamond Run and Acorn Run happenings and became a generous donor to the clinic.

In October 2015, Lauren married the love of her life, Chris Junk. They had dated for ten years and Chris served four years of it in the US Marines. In honor of their union, Chris and Lauren made a donation to the clinic and friends and family also remembered their marriage with gifts to The Oak Clinic.

Lauren will be graduating from UA in May 2016 with a degree as an Adult/Gerontological Nurse Practitioner and is presently working at The Oak Clinic three days a week to fulfill her clinical practice hours. We are hopeful that she will continue on the staff after graduation and look forward to her continued involvement.

Thank you to Lauren and Chris for your devotion to our patients and for your support and spirit of volunteerism! You are valued in The Oak Clinic "family".

A multi-disciplinary team of professionals provide quality medical care, carry out psychosocial needs assessments; provide educational and supportive services to our clients and their families to improve our clients' health, functioning and overall quality of life and conduct clinical and basic scientific research to develop new knowledge about the cause, diagnosis and treatment of Multiple Sclerosis.

Giving to OAK CLINIC

COMPANY MATCHING GIFT

Make an even greater impact by asking your employer to match your gift to The Oak Clinic. Many companies have matching gift programs, which is a great way to leverage your donation and support the programs and services of The Oak Clinic.

Make a donation today and ask your company to give a matching gift!

How do corporate matching gift programs work?

Generally, they have four simple steps:

1. An individual selects the non-profit of their choice and makes a donation.
2. Donors submit matching gift requests to their companies - often to the human resource department.
3. Donors and/or companies send required forms or documents to the chosen non-profit so that they can validate individual's donation and/or give company other essential information.
4. Non-profit receives matching gift!

Have questions about setting up a matching donation to The Oak Clinic? Call Sue Arnold at 330-408-7279 or email her at Suzanne.arnold@oakclinic.com.

2015 ACCOMPLISHMENT

The Oak Clinic and Akron Canton Area Agency on Aging conducted a Caregiver's Seminar in September 2015 and 208 caregivers registered to attend.

TRIBUTE OR MEMORIAL GIFT

A tribute or memorial gift is a meaningful way to remember a loved one's legacy or express your appreciation for someone special. Your gift will make a difference in the lives of others on behalf of a loved one today, tomorrow and far into the future all while supporting access to healthcare and hope for better treatments at The Oak Clinic.

When a gift is made in memory, in honor or in celebration of someone, a special letter is sent to the individual being honored or to whom you indicate should be notified of the gift.

To make a gift in someone's name, please be sure to complete all necessary information in the notification section of the online giving form at **Donate** at www.oakclinic.com, or mail your gift directly to:

The Oak Clinic
3838 Massillon Rd. Suite 360
Uniontown, OH 44685

REQUESTING MEMORIAL GIFTS

Losing a loved one is difficult, but many families find comfort in honoring those they have lost by requesting memorial contributions be made to The Oak Clinic. You can invite others to give by asking the person arranging the funeral or memorial service to insert the following phrase in the obituary notice:

In lieu of flowers, the family requests that memorial gifts be made to The Oak Clinic, 3838 Massillon Rd, Suite 360, Uniontown, OH 44685, or online at www.oakclinic.com.

Memorial envelopes are available at The Oak Clinic for use at the funeral or memorial service.

PLANNED GIVING

Did you know there are creative ways to support The Oak Clinic for Multiple Sclerosis? Ways in which Oak Clinic, you and your loved ones all benefit at the same time?

Such giving techniques are called "planned gifts," because with thoughtful planning, you create win-win solutions for you and The Oak Clinic. If you would like to discuss the possibilities, please call Sue Arnold at 330-408-7279.

OAK CLINIC DONORS

We have done our best to spell names correctly in this publication and apologize, in advance for any errors. We would appreciate it if you would contact us with any changes so that we can update our database.

Call Sue Arnold at 330-408-7279 or send a note to suzanne.arnold@oakclinic.com

TRIBUTES & HONORARIUMS

TRIBUTES & HONORARIUMS

There are those people in our lives who make us laugh a little louder, smile a little bigger, and live just a little bit better. Giving a monetary gift as a tribute or honorarium to these folks is a great way to let them know how important that they are. The dollars received by The Oak Clinic this year will be used to provide first-class care to our MS patients.

DIAMOND RUN DONORS

Thanks to the generosity and hard work of many, including over 70 children, the 2015 Diamond Run raised over \$45,000 for patient care at The Oak Clinic. Elementary school students Kale Eckman raised \$4,000, Georgia Martin raised \$2500 and Sean Crighton raised \$1500. WOW! And the remaining 67 children gave \$12,668. None of these children have multiple sclerosis but each one has a personal reason for their show of philanthropy and the smile on their faces on game day was Priceless! So in 2016, these tiny "Webbed Warriors" will work again to help others. They are already our Super Heroes!

HONOR A DOCTOR DONORS

For the first time in the history of The Oak Clinic, we gave patients and families a chance to Honor our Doctors! Many chose to do so and gave over \$6,000 as a Tribute to Dr. Carrabine, Dr. Sheppard and the entire staff of the clinic. But even more meaningful, were the very special notes that were sent. It reminded us all that there is nothing more special than being a part of The Oak Clinic "family".

HITS FOR MS DONORS

The 2015 St Vincent-St Mary Baseball players and families raised an overwhelming \$5,601 during its Hits for MS fundraising campaign. In 2014, the program was able to raise just over \$2,000 and the team knew they could do even more in 2015. But who would have thought that a group of seventeen young men could care so much about others.
