It's right at the halfway mark for the 1998 cross country season and I'm ready for fall to get here with cooler weather.

A few bits and pieces:

**OKLAHOMA/ARKANSAS/KANSAS ALL-STAR MEET:** this annual meet sponsored by the Oklahoma Track Coaches Association is set for November 14 in Fayetteville, Arkansas on the University of Arkansas' home course. Coaches for the Oklahoma teams are Little Axe's Barry Klein (boys—405-579-2936 or 329-2156 school/405-769-6536 home) and McGuinness' David Morton (girls—405-842-6638 school/405-341-0877 home). Nominations need to be phoned to either coach by Wednesday, October 28. Only runners whose coaches are members of the OTCA are eligible. The teams will be announced following the state meet at Oral Roberts University.

**HUGH PEIRCE TRACK COACHES OF THE YEAR:** announced at the summer clinic in Tulsa, Martha O'Rourke, Jenks and David Gleason, Midwest City for the girls and Midwest City's Rocky Winkle for the boys. Congratulations coaches!

**JUNIOR HIGH ALL-STAR MEET:** will be held at Woodson Park in Oklahoma City again October 15. For information and entry blanks contact Jimmy Brackeen (Marlow) 580-658-2619 school or 580-658-9336 home. This is really a great meet and a chance to see the future stars of our high school teams.

**RANKINGS:** the team and individual rankings in this issue were compiled from meets received by noon on Monday, September 28. Unfortunately there are still a number of meets that don't bother to send their results—especially in the eastern half of the state—which means some deserving runners don't get the recognition they deserve and some teams might not either. Team rankings are being done on a weekly basis and released to the state newspapers and individual rankings essentially every two weeks. If your local paper is not using them, ask them to contact us to be put on our FAX list.

**NEW MEET:** the Capitol Hill Redskin Run is scheduled for October 13 at Woodson Park in Oklahoma City. Contact new head coach Ron Miller at 616-1210 for information.

**NEW MEET CANCELED:** due to an unfortunate scheduling error the McGuinness meet set for October 3 was canceled. This was a much-anticipated new meet and would have featured a 4k distance for girls. Plans are to get it going next year on an open weekend.

**COWBOY JAMBOREE:** at press time nearly 2,000 runners were expected October 3 on the OSU course in Stillwater. This has always been one of my favorite meets and it is nice to see a resurgence in the number of teams that are attending. I would personally still like to see it conducted as an open, all-comers meet where the best teams in the state regardless of class could compete against each other—maybe next year.

**NEW SCHOOLS:** the number of Oklahoma high school sponsoring cross country is up past 225 and I've noticed schools listed in recent results that aren't even counted in that total—Vian, Latta, Henryetta, Oklahoma Bible Academy. This is a significant increase of over 40 schools in the past two years, probably due mostly to the addition of Class A in 1996.

**WEB PAGE:** we're working on getting our Internet web site up to date with the latest rankings and with a little luck, we'll get results posted sometime this season. Check it out: <http://www.oktrack.com>. Let us know what you think and how it can be improved.

**UNIVERSITY OF OKLAHOMA:** is doing a great job this year. I was in Dallas and got to watch the OU girls win the Southern Methodist University Invitational with a team almost totally comprised of Oklahoma girls. Way to go OU! It just goes to show you what a state university can do by recruiting home-grown talent. Keep up the good work. (Are you listening OSU?)

## Mid-Season Review

By John Hoke  
Editor

With only a month to go until the state championships in Tulsa on the Oral Roberts University course, not a lot of changes have occurred at the top of the team rankings. The Westmoore girls have continued to dominate every race they've been in and it doesn't look like any other team can mount a serious challenge to their march for the title. Led by Duncan transfer Camille Herron, the Jaguars are undefeated so far and will have the opportunity to face 4A rival McGuinness at the Chile Pepper in Fayetteville

Camille Herron

October 17 for Power Ranking bragging rights. The individual leaders in 5A have shifted a bit with Owasso's Mary Ryser a newcomer to the top five and Sapulpa's Mary Hill making it back as well. The Chile Pepper will offer the chance for an individual showdown between Herron, defending 5A champ and teammate Summer Suchy, McGuinness sophomore Amanda Jordan, Plainview freshman Jesse Gordon and Sapulpa's Adrienne McVey and Mary Hill. Jordan went undefeated in '97 and has done the same so far this year with impressive wins in two big Texas meets, including a win over Gordon at SMU.

Gordon moves into the top spot in 3A with defending champ Carrie McFall of Cascia Hall dropping to 2A where she holds down the No. 2 slot behind defending 2A champ Miley Turnbull of Warner. In Class A, Canton freshman Beth Hooten steps up over a quality field that includes two former champs from Velma-Alma, defender Amber Thacker and two-time champ Rae Ann McCurry. Healdton's Sonja Peterson stays near the top with the No. 2 ranking.

McGuinness is again pretty much alone at the top of 4A but the Irish really haven't raced much in Oklahoma so far this year. The rest of 4A girls is hard to call but Weatherford has been very

consistent and gets the nod for the No. 2 slot. In 3A girls it is going to be a three or four team shoot out. Not much separates Marlow, Plainview, Elk City and Little Axe. Warner has been hard to follow with results from a couple of meets missing but they will be challenged by Tishomingo, two-time defending champion Lexington, Lindsay and Chisholm. A lot of balance here.

A girls still looks like Velma-Alma but Canton is gaining steam and Laverne has more runners out than we've seen in a long time. By the time state rolls around this should be a real interesting race.

On the boys side McGuinness has stepped back into action at the same place they left it last year though the top four teams in the state are all within a few seconds of each other on average time predictions. The Irish missed a couple of early meets due to a team disciplinary action but have been impressive in two Texas meets. Led by two-time 4A champ Kevin Connolly they are out to nail down the top spot in the Power Ranking and will get the chance to be in the same race with a host of rivals at the Chile Pepper. Unfortunately, the Cowboy Jamboree will separate 4A and 5A and we won't get a direct comparison but at least we'll have same day, same course times to compare.

The top spot in 5A is really up for grabs. Edmond Memorial has had a tenuous grip on it all season but there are at least four teams that have the ability to knock them out of the championship. Jenks, Broken Arrow Moore and Mustang have all got a decent shot at the title and it will come down to who has the best Halloween Day in Tulsa.

With McGuinness back in action in 4A, the rest of the field will—again—have to be content with duking it out for runner-up. No clear cut favorite but Guthrie, Noble and Weatherford led the pack. Last issue's No. 2 ranked individual, Kelley's Ryan Adams, is out with mono and with the return of the Irish they top ten is totally shaken up.

Elk City is still the favorite in 3A boys but Anadarko has been pretty impressive in the last couple of weeks. Plainview freshman Patrick McGuire was within a few seconds of Connolly at SMU and has not been really challenged in this class so far. Little Axe is always a late bloomer so don't count them out yet, either.

LAVERNE INVITATIONAL—laverne's Kristen Barby and Guymon's Jamie Lucero round a turn with Barby the eventual winner in 12:55. Photo by Roger Taylor

2A boys is pretty hard to call at this point with defender Dickson getting a slim nod. Chisholm looks strong and Riverside could be as well. Alva's Ryan Bickerstaff gets the top individual spot but Victory Christian's Jason DiMauro has to be considered a top contender after setting records in both the 1600 and 3200 on the track last spring.

Ryan Bickerstaff

Velma-Alma's Mylo Miller, winner in '95 as a freshman, is top ranked in A boys, and the Comets get the nod as the top team. Oklahoma Christian School has three runners in the top ten and will certainly be challenging for the trophy at state. This class is always a tough call with very little competition between the panhandle teams and the rest of the state until regionals.
