

**PI KAPPA ALPHA
CENTENNIAL CONVENTION-1968**

JOIN PI KAPPA ALPHA'S QUARTER-MILLION DOLLAR "Challenge For Progress"

Pi Kappa Alpha in its pursuit of excellence is calling on its alumni and undergraduate members to support a quarter-million dollar "Challenge For Progress." In order to gain the much needed support, each chapter will have a chairman who will provide leadership for his chapter in its efforts to fulfill the fund-raising goal. The chapter

goals are based on: (1) the total amount of a chapter's past contributions to the Memorial Foundation, (2) the number of members on the chapter's alumni roll, and (3) the number of undergraduates and pledges currently active in the chapter.

YOUR CHAPTER CHAIRMEN

The most important individuals involved in the quarter-million dollar "Challenge For Progress" are the Chapter Chairmen and *you!* Every alumnus and undergraduate must do his part through promotion and donation if his chapter is to meet its goal.

Listed below are the Chapter Chairmen. Give them your support in order that the goal of Project Centennial will be achieved, and that Pi Kappa Alpha will go forward to greater service for our country and mankind.

Alpha—C. Gregory Dick
Beta—Howard B. Arbuckle, Jr.
Gamma—Roy R. Charles

CENTENNIAL CHAPTERS

The *Centennial Chapters* are the undergraduate chapters that have pledged to participate in Project Centennial by contributing five dollars per year for each member and pledge during 1967 and 1968. Chapters that fulfill this pledge will be recognized and honored at our Centennial Convention and will have their names engraved and mounted on a bronze plaque which will be placed at the National Headquarters.

CENTENNIAL CHAPTERS

January 1, 1967

Alpha—Virginia
Kappa—Transylvania
Alpha Kappa—Univ. of Missouri
(at Rolla)
Alpha Phi—Iowa State
Alpha Chi—Syracuse
Beta Zeta—S.M.U.
Beta Eta—Illinois
Beta Nu—Oregon State
Beta Pi—Pennsylvania
Gamma Alpha—Alabama
Gamma Nu—Iowa
Delta Beta—Bowling Green State Univ.
Delta Theta—Arkansas State
Delta Nu—Wayne State
Delta Chi—Omaha
Delta Sigma—Bradley
Epsilon Alpha—Trinity
Epsilon Theta—Colorado State
Epsilon Lambda—Murray State
Epsilon Chi—Kansas State of Pittsburg
Zeta Epsilon—W. Kentucky

The leadership of Pi Kappa Alpha and Project Centennial are hopeful that every undergraduate chapter will respond to Senator Everett Dirksen's appeal to become a Centennial Chapter by March 15, 1967.

Epsilon Psi—Robert L. Schillaci
Epsilon Omega—Charles W. Blackwell
Zeta Alpha—Paul R. Barnett
Zeta Beta—Rufus Enoch Turner, Jr.
Zeta Gamma—Barry W. Barker
Zeta Delta—Richard P. Reese
Zeta Epsilon—Jim C. Coleman
Zeta Kappa—Lee P. Williams
Zeta Lambda—Charles H. Franke
Zeta Mu—LeRoy A. Benson

Additional Chapter Chairmen will be appointed in the near future.

HELP YOUR CHAPTER REACH ITS GOAL . . .

RESPOND TODAY TO THE APPEAL OF YOUR CHAPTER CHAIRMAN!

Hartford Hamilton (AZ-

PIKA'S All-American Football Team

By DILLON GRAHAM (AH, Florida)
Washington Press Association Writer

The 1966 Pi Kappa Alpha All-American football team includes three players who have been named to the fraternity's honor team during each of their three varsity years.

These are Dennis Rozario, Oregon State University tackle; Harry Jones, University of Arkansas halfback, and Elton Slone, Wake Forest College end. They join 14 others who have been selected three times since the fraternity team was first named in 1927.

The fraternity team also lists Doug Cunningham, University of Mississippi ace and one of the country's most explosive tailbacks, who was named to the Associated Press All-Southeastern Conference team; Hartford Hamilton, University of Arkansas end, who was selected on the AP's All-Southwest Conference defensive team, and two East Carolina stars named to the AP's All-Southern Conference team. These were John Crews, center, and Bob Ellis, defensive back.

Another in the All-Star group is Bobby Tiner of Arkansas State Teachers College who for the second year was given honorable mention of the AP's Little All-America.

Every section of the country and big teams and little teams are represented on the 21-man squad chosen so that both defensive and offensive players could be honored.

Here is the Pi Kappa Alpha All-America squad:

Ends: Elton Slone, Wake Forest College; Hartford Hamilton, University of Arkansas; James Smith, Presbyterian College; and Ray Haynes, University of Oklahoma.

Tackles: Dennis Rozario, Oregon State University; Roy Lee Hall, San Jose State College; and Dennis Paul Fletcher, Miami University of Ohio.

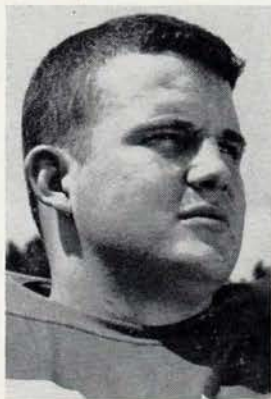

Guards: Kevin Teisman, University of Cincinnati and Guy Dennis, University of Florida; Ronnie Smith, East Central State of Oklahoma.

Center: John Crew, East Carolina State College.

Linebackers: Ken Avery, University of Southern Mississippi, and John Monk, Presbyterian College.

Ronnie Smith (EΩ-East Central State College of Okla.)—Guard.

John Monk—(M-Presbyterian)—Linebacker.

Johnny Crew (EM-East Carolina)—Center.

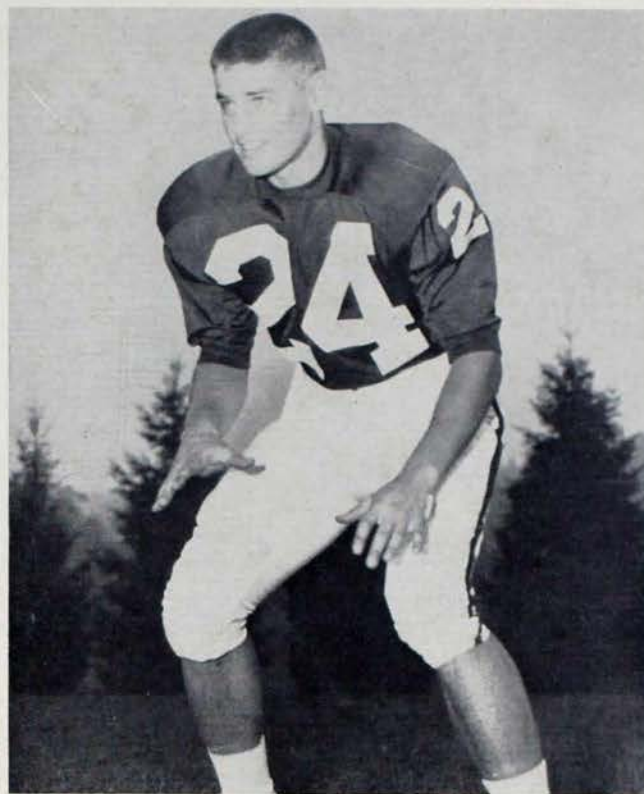

Bobby Tiner (EΦ-Arkansas State Teachers)—Back.

James Smith—(M-Presbyterian)—End.

Eliot Tozer (BΠ-Pennsylvania)—Back.

Backs: Barry Bronk, University of California; Harry Jones, University of Arkansas; Doug Cunningham, University of Mississippi; Larry Seiple, University of Kentucky; Charles Hardt, University of Tulsa; Eliot Tozer, University of Pennsylvania; Bob Ellis, East Carolina College and Bobby Tiner, Arkansas State Teachers College.

Rozario, Jones, Slone and Seiple are repeaters.

Bronk and Dennis are sophomores. Hamilton, Hall and Tiner are juniors. The others are seniors.

Other fine fraternity players included Ends William Hayes, Case Tech; Joe Hoppe, Virginia and Jim Hoose, Cincinnati; Tackles Lanier Phillips, Wofford, and Dan Cundiff, Vanderbilt; Guards Allan Harris, Presbyterian College, who was named on the fraternity team a year ago; Gene Catrell, Marshall University, and Danny Funderburg, Arkansas State Teachers College; Center Larry Williams, Tulsa University, and Backs David Payne, University of Richmond; Dan Eckstein and Bill Kirkland, Presbyterian College and Alden Reeves, Louisiana Tech.

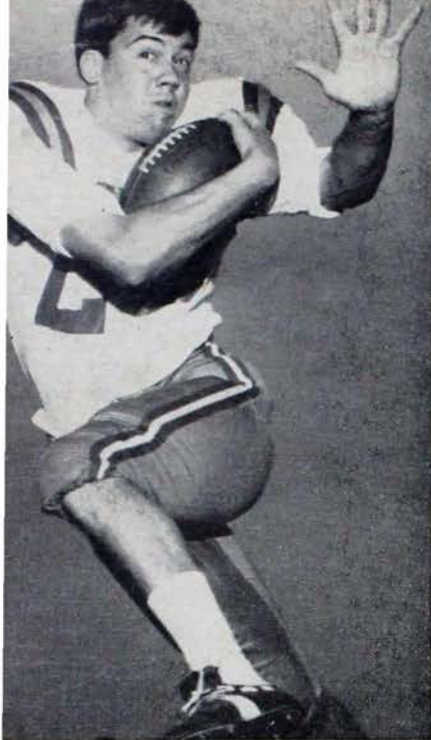

There were some outstanding pledges who were ineligible for selection. These included Terry Gwinn, Arkansas State back named to the AP's second Little All-America team; Bobby Wade, University of Mississippi fullback; and Ron Flisher, who played both tight end and tackle for San Diego State College, the No. 1 small college team.

Doug Cunningham, the University of Mississippi's tailback, was perhaps the fraternity's finest offensive back. The 5-foot-11 inch, 182-pound speedster was selected on The Associated Press All-Southeastern Conference team and received honorable mention on its All-America squad.

Cunningham scored 7 touchdowns to lead the Ole Miss backs in scoring and also led the team in rushing with a net of 653 yards for a 4.7 yard average per carry. He caught 20 passes for 132 yards and also did much of the kickoff and punt returning.

Elton Slone—(ΓΦ-Wake Forest)—End.

Robert Ellis (EM-East Carolina)
—Back.

Ray Haynes—(BO-Oklahoma)—End.

Ken Avery—(ΔM-Southern Miss.)
—Linebacker.

The 21-year-old senior tallied two touchdowns against Vanderbilt, including a 64-yard scoring punt return and made two last quarter touchdowns, including a 57-yard runback of a punt, to whip Southern Mississippi 14-7.

He scored Mississippi's only touchdown in its loss to unbeaten Alabama, scored once and led the running attack against Mississippi State and tallied once against Houston.

Cunningham provided the offensive spark as Mississippi conquered Kentucky, setting up two touchdowns. Although he did not figure in the scoring himself, it was his five key carries in the first quarter that paved the way for the first Rebel score and it was his brilliant 48-yard sprint in the second quarter that made the second possible.

He was Mississippi's top star in the Rebels' Blue Bonnet Bowl loss to Texas, leading the rushing attack. And, for the first time all year, Cunningham passed several times against the Longhorns. His passes were on target but just a step ahead of his receivers.

Bob Ellis of East Carolina College was selected on several All-Southern Conference defensive teams. His 7 intercepted passes enabled him to rank among the top 10 nationally and set a school record. He was Carolina's best punt and kickoff returner. He ran back a punt 65 yards to enable his team to gain a 7-7 tie with William and Mary College and earn a share of the Southern Conference championship.

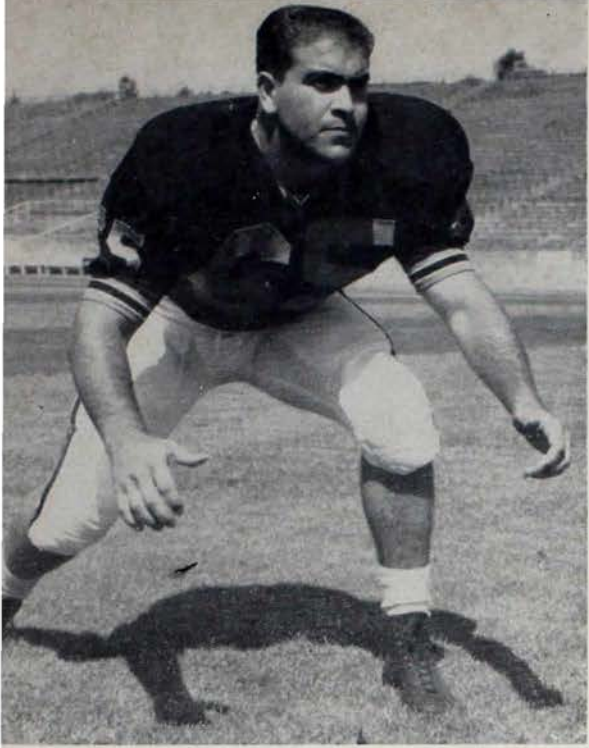

Harry Jones started and finished the season in great style but was injured through two games. He gained 342 yards rushing and caught 13 passes for another 301 yards. The 6-foot-2, 193-pound back scored 5 touchdowns for a fine University of Arkansas team that just missed winning the Southwest Conference championship again.

Against Texas, Jones scored the winning touchdown. In the drive, the key play was a 31-yard pass to Jones, who turned backwards to catch the ball as he fell.

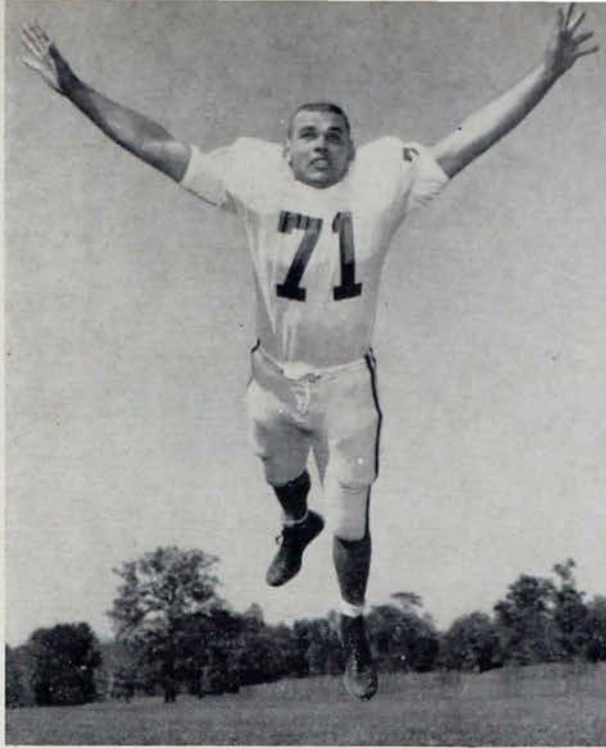

Larry Seiple was on the receiving end of a 78-yard pass that set up a touchdown in Kentucky's loss to Tennessee. And, although Kentucky finally lost to Georgia, the Kentuckians went ahead temporarily on a two-point pass conversion from Beadles to Seiple.

Guy Dennis (ΔH-Florida)—
Guard.

Dennis Rozario (BN-Oregon State)—Tackle.

Dennis Fletcher (ΔΓ-Miami Ohio)—Tackle.

Seiple also scored the first touchdown in Kentucky's 14-14 tie with West Virginia on a 44-yard pass from Beadles. He scored once against Vanderbilt on a pass and once against Auburn on a 21-yard pass.

At quarterback is sophomore Harry Bronk of Cali-

Barry Bronk (ΑΣ-California)—Back.

fornia. Although he played little in the first two games and it wasn't until the third game that he became the Bears' top signal-caller, Bronk was the second leading passer on the West Coast.

He completed 84 out of 183 passes for 965 yards and 7 touchdowns. His 84 completions rank him in a tie for 7th on the all-time Cal passing list. Only two previous Cal players have completed more passes in a single season than Bronk and only 3 have thrown for more yards in a single season.

Bronk's passing was a big factor in Cal's win over Pitt. One of his scoring passes was against Southern California and another was against Penn State.

Trailing UCLA 28-0, Bronk celebrated his 19th birthday by rallying the Bears for two quick last period touchdowns. Passing on virtually every play, Bronk led California 74 yards to a touchdown scored on a 15 yard pass. Then he passed the Bears 49 yards in 8 plays, including a 9-yard touchdown toss. Finally, Bronk got two more points on a two-point conversion pass.

Army beat Cal 6-3 but the Bears might have won if a Cal end had not dropped a Bronk pass in the end zone.

Charles Hardt of Tulsa has been a star defensive back for three years. He has played in every Tulsa game, including two Blue Bonnet Bowl games. His fine play has won him selection on Missouri Valley All-Conference teams and helped Tulsa tie for the conference championship again this season.

Eliot Tozer has won football letters at Pennsylvania during each of his varsity years and Coach Bob Odell recommended him highly for the fraternity team.

Rounding out the group of backs on the fraternity's All-America is Bobby Tiner of Arkansas State Teachers College who was given honorable mention on The AP's Little All-America team.

Tiner's team tied for the Arkansas Intercollegiate Conference championship. Tiner made the All-Conference

Harry Jones (AZ-Arkansas)—
Back.

Charles Hardt—(TT—Tul-
sa)—Back.

Roy Lee Hall—(ΔII—San
Jose State)—Tackle.

team again and also received Little All-America mention for the second time.

He completed 70 of 153 passes for 816 yards and had a rushing total of 705 yards, averaging 4.5 yards per carry, for a total offensive gain of 1521 yards.

Hartford Hamilton, the 200-pound end, could be Arkansas' chief candidate for the various All-America selections next season. The Arkansas sports information director reported that Hamilton "consistently came up with the big plays and ranked second on the team in number of tackles and assists."

James Smith, in the words of Coach Cally Gault of Presbyterian, "set all kinds of PC records as a pass receiving end, most career yards gained, most receptions and most yards gained on passes in one game. He is a real All-America in many ways."

Elton Slone "probably was the most valuable player on our team since he played defensive and offensive end," said Coach Bill Tate of Wake Forest. "We had many injuries and Elton was always ready to step in and give

us a real outstanding performance."

Ray Haynes, who was a defensive back last year, shifted to defensive end this season and was a big help to an Oklahoma team that handed Nebraska, the Big Eight champion, its only defeat.

Dennis Rozario was named to The AP's All-West Coast defensive team as a tackle. Coach D. G. Andros of Oregon State recommended Rozario highly and said he "had a very good year."

Roy Hall, a 6-foot-5, 250-pound junior, has been a standout tackle at San Jose for two years. Dennis Paul Fletcher was a fine starting tackle at Miami of Ohio, which won the Mid-American Conference championship.

Kevin Teisman of Cincinnati, a guard who won the Missouri Valley player of the week award for his performance against Kansas State, was called by Coach Chuck Studley "the best lineman I have ever coached."

Guy Dennis, a top guard on the University of Florida's Orange Bowl team, was named to the AP's All-Southeastern Conference sophomore team.

Larry Seiple (Ω -Kentucky)—Back.

Kevin Teismann (ΔE -Cincinnati)
—Guard.

Doug Cunningham (ΓI -
Mississippi)—Back.

Ronnie Smith was captain of the East Central State College of Oklahoma team that won the Oklahoma Collegiate Conference championship for the third straight year. Ronnie was all-conference defensive guard for three years. Coach Elvan George reported: "Ronnie is 6-1, weighs 205, can run the 100 in 10.1 and in my opinion is the best defensive player in our conference."

Johnny Crews, captain of East Carolina's team, was an All-Southern Conference choice and coaches reported he never made a bad snap all season.

Ken Avery's play as a linebacker had a great deal to do with Southern Mississippi's ranking as one of the year's finest defensive teams. He blocked a field goal attempt by East Carolina which led to a Southern Mississippi touchdown.

A sportswriter, reporting Southern Mississippi's 7-6 win over North Carolina State, wrote:

"It was the defensive star of the game, Linebacker Ken Avery, who was instrumental in the winning drive for Southern. He was sent in at right guard and his blocking

helped Mississippi move the ball through their right side for the first time in the game. Avery blocked a field goal attempt, intercepted a pass, knocked down a couple more and made many tackles."

John Monk of Presbyterian was chosen on the first team All-South Carolina defensive unit as a linebacker.

Monk was one of Presbyterian's tri-captains. The others were also Pikes, End James Smith and Halfback Jim Johnson.

Presbyterian fielded more Pikes on the varsity squad than did any other chapter, a total of 22. Additionally, four of the five Presbyterian coaches were Pikes—Joe Nixon, Bob Waters, Billy Tiller and Billy Love.

Marshall University had 14 Pikes on the football squad while Hampden-Sydney was represented by 10.

For the third straight year Tulsa's Glenn Dobbs is named the fraternity's Coach of the year. His Tulsa Hurricanes tied for the Missouri Valley Conference championship and also won the national passing championship for the fifth straight year.

Light Horse Harry Jones (ΔZ -Arkansas) takes pitchout from Brittenum and sets sail for the 38-yard line and first down. Arkansas 0; Baylor 7.

Jack Rowe (ΔI -Marshall) Wing-back.

Bob Warren—(ΔM -Presbyterian)—Guard.

Ken Jordan ($\Delta \Xi$ -Cincinnati)—Buck.

Harold "Wayne" Bennett (ΔI -Marshall) Tackle.

Thomas McLaughlin, (ΔI -Marshall) End.

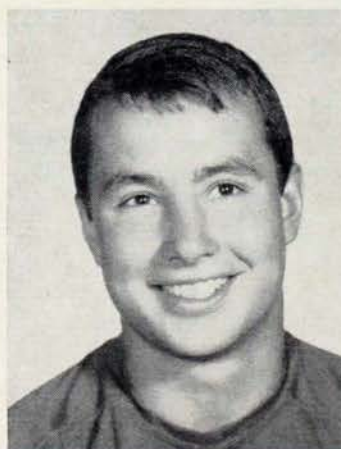

Andy Banji (ΔI -Marshall) Safety.

Jim Gilbert (ΔI -Marshall) Quarterback.

Jim Hoose ($\Delta \Xi$ -Cincinnati)—End.

Richie Robb (ΔI -Marshall) Linebacker.

Jerry N. Arnold (ΔI -Marshall) Center.

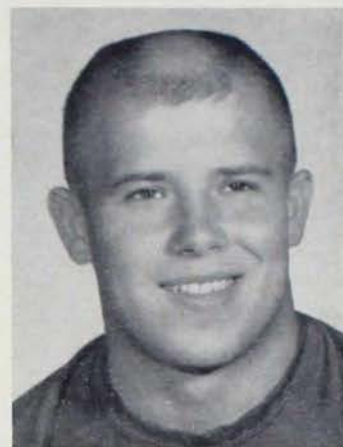

Allan Harris—(M-Presbyterian)
—Guard.

William Hayes (EΞ-Case In-
stitute).

Larry Williams (ΓΨ-Tulsa)—
Guard.

N. Eugene Gatrell (ΔI-Marshall)
Guard.

Honorable mention goes to the following players:

Ends: William Hayes, Case Tech; Joe Hoppe, Virginia; Ronnie Cox, East Central State College, Oklahoma; Jim Hoose, Cincinnati; Ed Walker, Louisiana Tech; Dennis Zolper, Arkansas State; Don Shove, Eastern Washington State College; Richard Guthrie, Randy Pringle and Joe Pierson, all of Arkansas State Teachers College; Richard Valentine and Billy Hazzard, Kansas State, Pittsburg; Mike Santelle (P), Florida; Richard Munn (P), Presbyterian College; Gary Guinn, East Central State College, Oklahoma; Tom McLaughlin and John Land, Marshall; Ronnie Hawthorne (P), Stephen F. Austin College; Joe Genley (P), Maryland, and Al Darnell (P), Ohio University, and Ron Flisher (P), San Diego State College.

Tackles: Lanier Phillips, Captain, Wofford; Dan Cundiff, and Bob Yeiser (P), Vanderbilt; Mike Watkins, Idaho State University; Bill Nelson, Marc Gabyrelski (P) and Joe Komoraski (P), South Carolina; Gene Smith, Louisiana Tech; Terry Morris, Florida; Dan Buckley (P), Arkansas State; Tommy Campbell (P), Jim Helms, and Charles Reid, Presbyterian; Larry Haynes (P), East Central State, Oklahoma; Jim Maerker and Wayne Bennett, Marshall; Rod Goggin, Travers Edwards and Ray Dodson (P), Hampden-Sydney; Mike Wofford, Wittenberg; Roger Bauman, Adrain College; and George Van Doren, Richmond.

Guards: Allen Harris, Presbyterian; Ronnie Smith, East Central State, Oklahoma; John Johnston (P), California; Bobby Owens and Ray Parrish, Mississippi; Berdell Dybdahl, Eastern New Mexico University; Dan Thompson (P), Drake; Danny Funderburg and Chip Harris, Arkansas State Teachers; Tom Carson, Idaho University; Michael Devlin, Rensselear Tech; Jim Vosters (P), Wake Forest; Bob Young (P), Florida; Gene Gatrell, Marshall; Charles Hall, Stephen F. Austin College; and J. A. Howard, Tennessee-Martin.

Centers: Larry Williams, Tulsa; Raymond Nardelli, Purdue; Morton Brown, Vanderbilt; George McCarthy (P), South Carolina; Paul Clark, Louisiana Tech; Gary Kersteen, Trinity College of Connecticut; James Kozak, Rensselear Tech; Mickey Hampshire, Rad Free (P) and

Mel Davis, Presbyterian; Jerry Arnold (P), Marshall and Ron Axelle, Hampden-Sydney.

Linebackers: Eliot Tozer, Pennsylvania; Bob McKinnon, Louisiana Tech; Ray Barnes and Larry Williams, Memphis State; John Mooney, Utah State; Mike Daigle, Delta State, Mississippi; Donald Wagner, Rensselear Tech; Bo Williams, Wake Forest; Bob Warren, and Jim Sullenburger, Presbyterian; Richie Robb, Marshall; Mike Vaughan, Hampden-Sydney; Bud Belitz, Omaha and Tommy Johnson, Richmond.

Backs: Terry Gwinn (P), Benny Winford (P) and Kevin McClellan (P), Arkansas State; David Payne, Richmond; Stu Berryhill and Don Richardson, Arkansas; Bill Kirkland, Dan Eckstein, Bob McNair, Olin Grant (P), Randy Kenworthy (P), Pat Stogner, Mike Donovan, Larry Yonce, Charles Chapman and Jim Johnson, Co-captain, all of Presbyterian; George Stetter (P), Gene Arnette, Paul Reeve (P) and Bill Lockwood (P), all of Virginia; Bobby Wade (P), Mike Wallace (P) and Grant McElvin (P), all of Mississippi; James Hennessey, Chattanooga; Gene Handy and Lee Mayo, Tennessee-Martin; Jerry Bishop (P), Memphis State; John Whiteside, Eastern New Mexico University; Bob Misner (P) and Vern Traster, Drake; Mike Conway, New Mexico; Alden Reeves, Louisiana Tech; Tony Wiltshire, Delta State College, Mississippi; Glen Bynum (P) and Rod Windham, Southern Mississippi; Craig Hayes, Wofford; Mike Bruhin, Kansas State; Bob Allison, Arkansas State Teachers; Tom Ferguson, (P) Kentucky; David Krupski, Wayne State; Ken Jordan, Cincinnati, Steve Terboirch (P), Kansas State, Pittsburg; John Contento and William Criss, Rensselear Tech; Carl Quinten, Nebraska colony; Larry Walt (P), Wake Forest; Bill McBride, Florida; John Stevenson, East Central State, Oklahoma; Jim Mandeville, Jack Rowe, Jim Gilbert (P), Barry Scrugg (P) and Andy Banfi, all of Marshall; Bob Albee, Donnie Lee (P), Phil Rome, Mike King (P) and Richard McConnell (P), all of Hampden-Sydney; Mike Meckes, Wittenberg; Harold Lenz, Omaha; Thom McNeil, Jim Tomlin and Mack Parker, all of Stephen F. Austin; and Robert Bauer and Chris White (P), Maryland.

Walter G. Riddick

General Leroy Hodges

Pi Chapter Seventy-Five Years Old

By WILLIAM J. CROSBY
Assistant Executive Director

The late National Historian Dr. Freeman Hart described the period 1890-95 as "The Critical Years". The Junior Founders had just completed their work in December of 1889, so Pi Kappa Alpha had a new base from which to operate on a truly national basis. It all looked good on paper, but serious problems arose when Councilor Princeps Theron Rice, Grand Secretary-Treasurer Smythe, and the other elected officials attempted to put the "new organization" into practice. Transportation problems, expenses and other unforeseen difficulties arose, and discouragement set in. On top of this, Alpha and Lambda became silent Chapters—Alpha because of disension, and Lambda because of an edict against fraternities on a military campus. That left only two chapters, Theta and Iota, in the "national" fraternity.

But, then about one year later, Alpha was reinstated and Mu, Nu, Xi, and Omicron chapters were installed, and Junior Founder Smythe, a cotton clerk, began publishing *The Journal*, later named *The Shield and Diamond Magazine*. These seven chapters, tied together by a new fraternity publication, constituted the Pi Kappa Alpha of which Pi Chapter was to become a part.

Thus, it was that on February 4, 1892, Calloway Price, Frank Hopkins, John Cunningham Dillon and Lucius Polk Dillon became the charter members. For six years the chapter operated on a fairly sound basis. In June of 1898, Pi became a silent chapter because of decreasing membership. However, three years later, on October 14, 1901, four men picked up the charter again. They were John Graham Sale, Albert Eugene Larrick, Thomas Campbell Wilson, and Joseph Lawrence Wysor.

Pi, by special convention action in 1893, gained a distinction that no other chapter can claim. They were allowed to initiate Brooke Taylor, a student at V.M.I.,

and the son of Founder Robert Southgate Taylor. He thus became the first legacy initiated.

Of the Pi "Junior Founders", Graham Sale became the most prominent. Only four years after his initiation, he was elected Grand Historiographer. In 1916, Sale produced one of the most important documents in the history of Pi Kappa Alpha. This was the "Pi Kappa Alpha Register", better known as "Sale's Register". For many years it was the most accurate record of the membership of the Fraternity ever compiled, and it is used as a reference even today.

In 1909 another brother of Pi played a part in the national organization. Walter G. Riddick was made Editor-in-Chief of the *Shield and Diamond*, thus relieving Grand Treasurer Smythe of the job he had started and held for eighteen years. Smythe remained, however, as business manager of the magazine. This year 1909 was important in at least one other respect. That was the year that Pi Kappa Alpha released itself of any territorial restrictions, so that chapters could be placed on campuses throughout the nation. Laurence Witten of Pi led the opposition to this change, but ironically enough, it was the Pi delegate in 1903 that complained because his chapter was handicapped due to the fact that many northern students began their education at Washington and Lee, but finished it in northern schools. Therefore, they did not want to join a fraternity that had no northern chapters. It should be noted, however, that Witten was not a poor loser. After the issue had been decided, he "made a ringing speech for extension". He later made a number of contributions to the *Shield and Diamond*, a big help to his Pi brother, Riddick.

Just as the early history of Pi Chapter was dotted with outstanding men, the more recent years have produced some distinguished brothers of whom the whole Fraternity can be proud. Clovis Moomaw, who was killed in the Argonne, was joined as a Gold Star member by Sidney M. B. Coulling, Jr. A plaque honoring Moomaw was placed in the Lee Chapel on the Washington and Lee University campus. General Leroy Hodges, a likely candidate for Governor of Virginia, gave up this opportunity and was the first to answer the call as a reserve officer at the outbreak of World War II. During 1942-45, he served as National Secretary of the Fraternity. Another outstanding member of Pi was the late Clarence Meadows, who served as Governor of West Virginia. Herbert Jahncke, of New Orleans, a successful industrialist, was named King Rex of Mardi Gras in 1966.

And so it is likely to continue, as a glance at the honors and accomplishments of the current undergraduates of the Chapter will quickly tell. There are members of Omicron Delta Kappa and Phi Beta Kappa. Three of the five nominees for a Rhodes Scholarship are Pis, and the Student Body Secretary is a member.

Seventy-five years have produced 725 members. Many were leaders; many were not. But, as the National Fraternity approaches her Centennial, a strong basework has been laid for another three quarters of a century of high accomplishment for Pi Chapter at Washington and Lee University and wherever it sends its brothers throughout the world.

Spong Elected U. S. Senator From Virginia

DALLAS W. WILLIAMS, JR.
Zeta Iota

William B. Spong (I—Hampden-Sydney) from Portsmouth, Virginia, was recently elected U. S. Senator, thus filling the post previously held by Brother A. Willis Robertson. This is the same post that was held by founder Littleton Waller Tazewell in 1932.

Attorney Frederick Stant called Spong, 46, "the brightest young man in the state; he will provide the kind of leadership we need".

Senator Spong was born in Portsmouth, Virginia on September 29, 1920. He graduated from Wilson High School after being elected President of the Senior Class. From there he went to Hampden-Sydney College where he became a member of Iota Chapter of Pi Kappa Alpha. At Hampden-Sydney he was elected President of the Senior Class; he also earned letters in tennis and debating. After graduation the Senator joined the U. S. Air Force from 1942 to 1945. After three years of military service, Senator Spong entered the University of Virginia Law School where he graduated in 1947 with an LL.B. degree. He later attended the University of Edinburgh in Scotland where he studied international law.

Senator Spong was married to Virginia Wise Galliford in 1950; they have two children, Martha 5, and Thomas 3. He became a member of the law firm of Cooper, Spong, and Davis in Portsmouth, Virginia. Spong was elected to the House in 1954, and the Senate in 1956. While attending the University of Virginia, he was elected to TILKA and IMP honor societies. He was President of Iota Chapter and Vice Justice of Alpha Delta legal fraternity.

Brother Spong credits his election to the help and support he received during the campaign from his many friends and fraternity brothers. It has been said that Senator Spong was the young, vibrant-moving force that helped form the cradle of Pi Kappa Alpha. He played a major part in the rebuilding of Alpha Chapter while he was attending law school.

In Norfolk, Virginia he was well received by the brothers of Zeta Iota Chapter. They put on a fine demonstration for him during his talk at Old Dominion College. They also worked at the polls on his behalf and wore "Elect Spong" buttons.

The Senator is President-elect of the Virginia Bar Association. He is a member and past president of the Portsmouth Rotary Club. In 1959 he served as President of the Portsmouth-Norfolk County Bar Association and as Chairman of the Hampden-Sydney College Alumni Foundation. From 1948-1949 he lectured in law and government at William & Mary College.

Senator Spong is currently a member of the new Taylor-Tazewell Alumni Association in Norfolk, Virginia.

PI KKA FIRST AT EASTERN WASHINGTON

Left: National Secretary George Watkins presents Charter to Zeta Nu Chapter President. Center: Zeta Nu Chapter Charter Members. Right: Zeta Nu Installation, Eastern Washington State College (l to r) Field Secretary Lance Perkins; Spokane Alumni Association, Andy Harlan; National Pledge Training Director, Robert J. Hilliard; National Secretary, Dr. George T. Watkins; District President #27, Robert B. Johnson; and Alumnus Counselor, Lt. Col. E. R. Fenstemacher.

by LANCE PERKINS (EP)

Pi Kappa Alpha became the first National Fraternity on the Eastern Washington State College campus in Cheney, Washington, on November 19, 1966. This fine group of men were officially pledged in November of 1965 and formally inspected in May, 1966. They rapidly met the National Fraternity colonization requirements because they had been a local fraternity for three years prior to their affiliation with Pi Kappa Alpha.

Initiation of the men took place Friday night November 18 at the fraternity's house on campus. Pi Kappa Alpha initiation teams were sent from the University of Idaho and Washington State University. From Idaho came S.M.C. Paul Bishop, John Garske, Tom Cunningham, Dave Trigueiro, Jerry Loader and Rick Williamson. Acting S.M.C. Nick Giovanni, Bruce Stewart, Steve Haskins, Fred Row, Fred Hintz and John Flerchinger came from Washington State. Both teams worked hard and are to be commended for their fine preparation.

The official installation followed Saturday morning at the Northhill Christian Church in Spokane. Presiding over the installation was National Secretary Dr. George Watkins. Others participating in the ceremony were National Pledge Training Director Robert Hilliard, District President Robert Johnson, Spokane Alumni Association Secretary Andy Harlan, Alumnus Counselor Ed Fenstemacher and Field Secretary Lance Perkins.

The official banquet was held Saturday evening at the Student Union Building on the E.W.S.C. campus. Following an excellent ham dinner, Zeta Nu's S.M.C. Scott Hull presented a plaque of appreciation to Alumnus Counselor Colonel Ed Fenstemacher. The featured speaker of the evening was former National Secretary Leo Hoegh. The former Governor of Iowa and Advanced Gifts Chairman for Project Centennial spoke on the qualities necessary for a leader.

The following Sunday afternoon the new chapter held an open house for the faculty and parents. Women from the sororities on campus helped out by serving punch

and cookies. There was an excellent attendance and many compliments on the house. This event helped to round out an exciting and rewarding week-end for all those who helped make Zeta Nu a first at Eastern Washington State.

Eastern Washington State College was established in 1881 as an academy eight years before Washington became a state. In 1890 it became Washington's first state college for teacher training. It is located in Cheney, Washington, 16 miles south of Spokane and currently has an enrollment of 4,000 students. Lambda Chi Alpha and Sigma Nu Fraternities also have fraternities on this campus. Zeta Nu occupies a modern three story brick chapter house.

The following forty-one men are the initiates at Zeta Nu:

Randy Van Turner	Ronald Harold York
Jerry Phillip Litzenberger	Garland Gerald Frankfurth
Miles Don Breneman	Steven Douglas Bray
Dr. Donald F. Goodwin	Chadwick Conrad Gladhart
Robert John Leingang	Jeffrey James Harshman
Boyd Arvid Grice	James Harold Jamerson
Scott William Hull	James Frederick Mathis
David Ross Bray	Douglas Martin Miller
Stephen Oliver Rundell	Dennis Ralph Fleenor
Alfred Donald Shove	David Louis Zack
Thomas Carl Stephens	Gerald Linton Bennett
Wesley Jon Orlob	Kenneth Lee Privratsky
Jonas Eden Parshall	Robert Eugene Alderson
Jonas Lloyd Parshall	William Gary Chapman
Lawrence Richard	Jaroslav Igor Demus
Scamahorn	Stanley George Howard
Larry Gene Olson	Klaus Lankeit
William Robert Odell	John Patrick Brady
James Norman Fricke	Alan Edward Hanson
Gordon Michael Corkrum	Daniel Lee Silver
Michael Dee Jarvis	

Tampa Bay Alumni Association Chartered

The Tampa Bay Alumni Association was chartered on November 15, 1966, in Tampa, Florida, preceded by a cocktail and dinner party at the Causeway Inn. The Association has thirty-eight Charter Members representing twenty-one chapters. A goal of seventy-five members within the next six months is planned.

Approximately sixty Pi Kappa Alpha guests and their ladies were present as Booney Vance, Field Secretary, gave the Charter Address, and Colonel Silverwood, District President, presented the Charter to Bill Simms, alumnus of Delta Delta, Florida Southern College, and President of the new group. Singing of

Colonel Silverwood, District 9 President, presents the Tampa Bay Alumni Association Charter to the President, Bill Simms. (From left to right—Horace Smith, Beta Kappa, formerly District President, Colonel Silverwood, Alpha Omega, Bill Simms, Delta Delta and Laban Lively, Alpha Eta, Secretary of the Association).

“Pike” songs was the vogue of the evening followed by showing of the 1964 National Convention film. Guests-of-Honor, besides the wives, were Robert Starkey, University of South Florida Colony President, Pledge Master Herman Smith, and Pledge President Howard Segan and their dates.

Officers of the Alumni Association are: Bill Simms, Delta Delta, President; Horace Smith, Beta Kappa, Former District President, Vice President and Tampa Membership Chairman; Bill Rogers, Delta Lambda, Vice President and St. Petersburg Membership Chairman; Dr. Carl Fromhagen, Alpha Tau, Vice President and Clearwater Membership Chairman; Colonel Laban Lively, Alpha Eta, Secretary; and Grant Culverhouse, Delta Lambda, Treasurer. The Chapter plans to meet bi-monthly, the last Thursday of the month.

Founder's Day In Vietnam!

March 1, 1966 “For the promotion of brotherly love and kind feeling. . . for the establishment of friendship on a firmer and more lasting basis. . .” spend a Founder's Day in Saigon, Vietnam, with PiKA brothers. William V. Brown (BM-1957), E. B. Vandiver III (AN-1957), and William Carswell (AA-1957) spent the first four months of 1966 in Vietnam on a special evaluation team for General Westmoreland. The trio, all employees of the Combat Operations Research Group, Technical Operations, Inc., established a temporary fraternity house at 183 De Thâm Street in Saigon. In the center of a Vietnamese neighborhood, the house became a center of activity for all of the small children in the neighborhood. Although civilians, the requirement for operations research support in the evaluation of combat units led to the trip to Vietnam. Not quite the same as Founder's Day in a PiKA house on a shady campus in the U.S.

Left to Right in Picture: Wm. Carswell, W. V. Brown, E. B. Vandiver III. Picture made in My Tho, Vietnam, 60 miles south of Saigon.

Dr. Ferguson Named University Chancellor

Right: Chancellor and Mrs. James Ferguson and daughters, Frances and Lynn.

The Board of Trustees of the University of North Carolina, in special session at the State Capitol January 9, 1967 elected Dr. James S. Ferguson chancellor of the University of North Carolina at Greensboro—a post he held on an acting basis in 1965 and in the fall of 1966.

UNC President William Friday recommended Dr. Ferguson—one of the South's leading educators with a distinguished record both as a teacher and administrator—for the post following a search by a nine-member advisory selection committee, composed of alumnae, faculty and trustees. The committee began its work last September 19.

Pi Kappa Alpha succeeds Pi Kappa Alpha. Dr. Ferguson succeeds Dr. Otis A. Singletary, who resigned last November 1 to become vice president of the American Council on Education, Washington, D. C. Both are alumni of Millsaps College.

The selection committee, headed by T. Henry Redding, a member of the Board of Trustees and vice president of the Acme-McCrary Corporation, Asheboro, held many meetings in its quest for a chancellor and unanimously recommended Dr. Ferguson, a 50-year-old educator who has served the University at Greensboro previously in four capacities—acting chancellor, vice chancellor, dean of the graduate school, and professor of history.

“Dr. Ferguson”, President Friday

said, “is an outstanding scholar and educational administrator who has made and is making substantial contributions to the advancement of higher education in North Carolina and the nation. We have long relied on him for important responsibilities at the University at Greensboro, and he has carried out those duties in an effective and impressive manner. In the future, we can, I am sure, expect from him imaginative and constructive leadership as the University at Greensboro seeks to perform even higher levels of service to the people of this State.”

A native of Mississippi, Dr. Ferguson earned his B.A. Degree from Millsaps College in Jackson, Mississippi, in 1937, his M.A. Degree from Louisiana State University in 1940, and his Ph.D. Degree from the University of North Carolina at Chapel Hill in 1953. He was enrolled in the post-doctoral program at Yale University as a Ford Foundation scholar in 1952-53.

In 1944 he accepted an appointment as assistant professor of history at Millsaps College. He was promoted to associate professor in 1946 and to the rank of professor in 1947. In 1954 he became Dean of the College, a position he held until 1962.

Dr. Ferguson was appointed Dean of the Graduate School and professor of history at the University of North Carolina at Greensboro, in 1962 and

served in this position until 1964.

On November 1, 1964, he was appointed acting chancellor of the University at Greensboro, succeeding Chancellor Singletary who was granted a leave of absence to become Director of the Job Corps, a key part of President Johnson's anti-poverty program. Dr. Ferguson served as acting chancellor until January 3, 1966, when Dr. Singletary resumed the chancellorship. At that time, Dr. Ferguson became vice chancellor of the University and was again named acting chancellor on November 1, 1966, when Dr. Singletary resigned to become vice president of the American Council on Education.

Dr. Ferguson's honorary and professional affiliation include membership in a number of learned societies.

His writings have included articles and reviews in historical journals and book sections of newspapers dealing principally with various aspects of Southern agriculture and American political history.

Mrs. Ferguson is the former Frances Hardy Cottrell of Glasgow, Montana. They have two daughters—Frances Cottrell, 19 years, a sophomore at Wellesley College, and Elizabeth Lynn, 17 years, a senior in high school.

The University has a student body of approximately 5,000, a faculty of approximately 300, and a plant valued at approximately \$29,000,000.

**Past President
Powers Dies
In New York**

David C. Powers, prominent Pi Kappa Alpha son of a prominent Pi Kappa Alpha father, died January 17, 1967 in New York. He had been in ill health for the past year. A host of fraternity brothers of all ages mourn his passing.

Brother Powers was a PiKA by heritage and by personal dedication. His father, J. Pike Powers, Jr. (Zeta and Alpha) served as a national officer from 1899 to 1909 and from 1913 to 1916, including terms as National President from 1905 to 1909. His twin brother, Pike, III, and his younger brother, Frank, were members with him at the University of Tennessee. Two nephews, Pike, IV, and Richard, joined Pi Kappa Alpha at Lamar Tech.

He was initiated February 23, 1924 by Zeta Chapter.

A graduate of the University of Tennessee law school in 1930, he became a trust officer with what is now The First National City Trust Company. He remained with this firm and

was a vice-president of its parent company, The First National City Bank of New York, when he retired in 1965.

In 1935, he began his service as a national officer of Pi Kappa Alpha. He was chairman and treasurer of the Shield & Diamond Endowment Fund from 1935 until his election as national vice-president at the Washington, D. C. National Convention in 1958. During his tenure the market value of the fund grew from approximately \$80,000 to \$600,000. He served as national president from 1960 to 1962. He attended thirteen national conventions.

The fraternity established The Powers Award in 1962, honoring its father and son presidential combination. It is presented to the undergraduate member who is adjudged as the most outstanding in the nation.

Brother Powers is survived by his wife, Sylvia, of Pelham, New York, a son, David, and a daughter, Marjorie.

**Memphis State University
IFC Captures National
Interfraternity Award**

by DENNY WOODY, ΔZ

The Interfraternity Council of Memphis State University, under the able leadership of President Tom Watson (ΔZ, Memphis State), was presented the "Iron Man" Award at the National Interfraternity Conference in New Orleans, Louisiana, December 3, 1966. As a result of this award, Brother Watson was elected to membership on the Executive Committee of the National Interfraternity Conference.

Tom previously served as Pledge

Master and S.M.C. of Delta Zeta Chapter; he is one of three men that our chapter has recently produced who have been elected to IFC executive positions. Last year, Phil Brooks, current S.M.C. of our chapter, served as IFC President and Kent Farmer, one of our chapter's outstanding sophomores, is presently serving as IFC Secretary.

The "Iron Man" Award is presented on a national basis to the IFC which is judged and evaluated to have the most worthwhile pro-

gram. The IFC program at Memphis State was highlighted by the planned addition of new fraternities to coincide with the growing student enrollment. Also judged outstanding was an IFC community service project involving solicitations for blood donations for St. Jude Children's Hospital in Memphis.

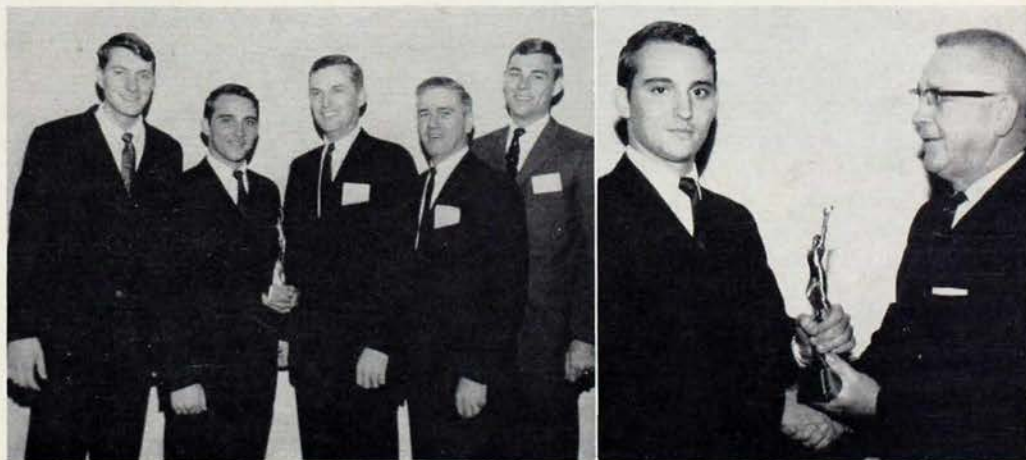

The Interfraternity Council at Memphis State functions under the direction and advisorship of David Collins (M-Presbyterian), former Assistant Executive Director of PiKA.

Left:

Shown here with victory smiles are: (l. to r.) Memphis State IFC Secretary Kent Farmer, IFC President Tom Watson, PiKA Assistant Dean of Students David Collins, National President Don Dickson, and Memphis State SMC and former IFC President Phil Brooks.

Right:

Bernard Jones, Chairman of the National Interfraternity Conference Awards Committee presents a miniature trophy to Tom Watson in recognition of the Memphis State University IFC first place in the nation.

Pi Kappa Alpha members at the National Interfraternity Conference meeting, December 1-3, 1966, New Orleans, La. Head table (l. to r.): Assistant Executive Director William J. Crosby, National President Don Dickson, National Editor R. D. Lynn, Committee of 100 member Herbert Jahncke, Delta Mu Housemother Mrs. Bonnie Gibson, and Mike Morris, Delta Nu.

N. I. C. MEETS IN NEW ORLEANS

by RICK WITTHOEFFT, *Iota, Hampden-Sydney*

The tradition and excitement of the city of New Orleans provided the setting for the 1966 National Interfraternity Conference, November 30 through December 3. College and university personnel as well as fraternity leaders met at the Hotel Jung to discuss the common problems of the fraternity system. An impressive interfraternity spirit was reflected throughout the program, the theme of which was "The Changing Educational World—The Opportunities for Fraternities." Much discussion was given to the changing scholastic, cultural, and social needs of the modern student, and the necessity of the Greek system to adapt to these needs.

The opening session of the Conference, with President Robert W. Krovitx presiding, featured Tozier Brown, Treasurer of the N.I.C., who presented an excellent address on the purposes and aspirations of the N.I.C. It was not established as a regulatory "super-fraternity," but to provide advisory and public relation services for the Greek community. Another major concern of the N.I.C. is the advancement of educational goals within the local chapters on each campus. There were formal presentations later in the Conference which provided for self-analysis as educators from the secondary school, junior college, and university levels gave their impressions on the merits and failures of the fraternities.

Perhaps the most interesting and beneficial aspect of the program were the graduate-undergraduate panel discussions. One such panel, "Scholarship and the Interfraternity Council," was led by Brother William Nester (Alpha Xi, Cincinnati), who is President of the Fraternity Scholarship Officers Association. Brother Nester stressed the necessity for the I.F.C. and the local fraternity chapters to institute effective scholastic programs. Similar panel discussions were held for Deans, fraternity secretaries, and graduates present.

On Friday, December 2, the brothers of Pi Kappa Alpha in attendance at the Conference were the guests of the King Rex of Mardi Gras, Brother Herbert Jahncke (Pi, Washington & Lee) for lunch at the exclusive International House. Fifty members, representing forty chapters, were present including both undergraduates and alumni. Brother Jahncke welcomed us to New Orleans,

"the city that care forgot," and explained the tradition of Mardi Gras, particularly his role as King Rex. National President Donald E. Dickson (Delta Beta, Bowling Green State) spoke next, calling for a continued "pursuit of excellence" in our Fraternity and in the interfraternity movement. National Editor Robert D. Lynn (Mu, Presbyterian), newly elected Treasurer of the N.I.C., reminded us of Pi Kappa Alpha's respected position among the other Greeks and the need for responsible leadership to improve her record. There were many other distinguished members present, such as Brother Nester, National Rush Director Robert V. Wolf (Alpha Kappa, Missouri), Assistant Executive Director William J. Crosby (Alpha Iota, Millsaps) and former Executive Director Robert L. McLeod (Beta-Davidson).

At the Annual Banquet on Friday night, Dr. Lee F. Tuttle, a Past International President of Lambda Chi Alpha and Secretary of the World Methodist Council, gave a very inspiring address on the value of the fraternity experience and again re-emphasized the necessary evolution which must take place in the Greek system. Outstanding entertainment was provided by the Dixie Land Eureka Marching Band.

On Saturday, the Awards Luncheon concluded the program. The most notable of these awards was the Iron Man Award for the strongest and most effective I.F.C. in the United States. It was presented to the Memphis State University Interfraternity Council, another distinguished honor for Pi Kappa Alpha because the I.F.C. President there is Brother Thomas Watson (Delta Zeta) and the assistant Dean in charge of Fraternity Affairs is Brother David Collins (Mu-Presbyterian).

The Conference was adjourned on Saturday with the general feeling that much had been accomplished, but that much more remains to be done.

PiKA Congressmen

Pi Kappa Alpha maintains its strong leadership on Capitol Hill. The November election saw only two changes in our fraternity personnel. Virginia's outstanding Senator A. Willis Robertson retired January 1, 1967 after decades of service to his state and nation. Interestingly enough, Brother Robertson was defeated in a close election and has been succeeded by another member of Pi Kappa Alpha, Senator William B. Spong (D.VA.), an alumnus of Iota Chapter, Hampden-Sydney. He received his law degree at the University of Virginia.

Representative David S. King from Utah was not re-elected but Brother Ben B. Blackburn (D-GA.) comes to the House of Representatives for the first time. Our fraternity continues to have eight senators and eleven representatives on Capitol Hill.

Senator John Sparkman (D-ALA.) has been named Chairman of the Senate Banking Committee. He succeeded fraternity brother Senator Willis Robertson (D-VA.). William M. Colmer (D-MISS.) has become chairman of the most powerful committee in the House of Representatives, the House Rules Committee.

WILLIAM B. SPONG (D.-Va.)
STROM THURMOND (R.-S. C.)
JOHN JAY WILLIAMS (R.-Del.)

Tributes Paid

Senator Robertson

Tributes flowed freely and sincerely as senatorial colleagues in the Eighty-ninth Congress paid tribute to Senator A. Willis Robertson on the occasion of his seventy-ninth birthday. Brother Robertson has served in the halls of congress for thirty-three years. A leader at Omicron Chapter during his student days at the University of Richmond, he comes from a Pi Kappa Alpha family "Down in Ole Virginny". His brother, Frank, is also a loyal PiKA who became a member of Phi Chapter during his undergraduate days at Roanoke College.

Pi Kappa Alpha Senators John Sparkman, Everett Dirksen, Allen Ellender and Strom Thurmond were among the many Senators voicing the encomiums. Of the 163 "freshman" congressmen who first took their oaths of office March 4, 1933, the only three still serving in congress are all PiKAs—Senators Robertson and Dirksen and Representative William A. Colmer.

In July, Senator Robertson lost in his bid for the Democratic nomination for another six year term in the U. S. Senate. His opponent received a plurality of only 764 out of a total vote of 433,000. This loyal brother in Pi Kappa Alpha has served our nation magnificently. He has been succeeded by Brother William B. Spong.

* * *

JULIUS J. FINK—(TN-Iowa)
Vice President and General Manager of the First California Company, San Diego, California, has been elected President of the San Diego County Council, Boy Scouts of America. The Council operates eight districts and involves the active participation of 10,000 adults and 30,000 scouts. Brother Fink's two sons are Eagle Scouts. For many years he has served Pi Kappa Alpha as chairman of the *Shield and Diamond* Endowment Fund Board of Trustees.

Lieutenant Commander Joseph C. Smith, USN, became commanding officer of the USS ODAX, 21 November, 1966 after two years of duty with the Pacific Fleet. Dr. Robert Meadows, Knoxville, Tennessee, and fellow member of Zeta Chapter at the University of Tennessee, attended the ceremonies in Charleston, S.C. The ODAX is a snorkel type submarine and at one time was the swiftest U. S. submarine.

BULLARD JOINS NATIONAL STAFF AS ALUMNI DIRECTOR

Martin K. Bullard, Delta Zeta (Memphis State), has been officially appointed by Executive Director Earl Watkins to the position of Alumni Director beginning January 3, 1967. This position was vacated in August, 1966 by Ray Vorus.

Brother Bullard brings with him a great deal of experience in printing and advertising that will serve him well in his new duties, which include considerable work in the area of publications and public relations. His college major was journalism and political science and he was Business Manager for the "Tiger Rag," the school paper, for three years. He was a president of Pi Delta Epsilon (journalism) through which he won the National Medal of Merit. He was also a recipient of the Advertising Club of Memphis Scholarship and was elected to Who's Who in American Colleges and Universities. Marty held a number of chapter offices.

Brother Bullard is 24, married, and has one child. He is an Episcopalian and a Jaycee.

Martin K. Bullard, Alumni Director.

WANTED:

Field Secretaries, Resident Counselors

Now is the time for those interested to begin thinking about applying for positions as Field Secretaries or Resident Counselors. Both offer great challenges to the right person.

A Field Secretary gains experience available in no other job anywhere. The opportunity for travel is obvious, but just as important is the chance to meet new people and new situations every day. It is not an easy job, however; don't let anyone fool you. It can be a most difficult job, but the difficulties are what make it worthwhile. The basic requirements are experience in chapter operations and love of Pi Kappa Alpha, the latter being most important.

Pi Kappa Alpha's Resident Counselor Program might well be The Fraternity's best asset. It is an experience in self-help. Scholarships and loans are available for qualified applicants. You must be a senior or graduate student with organizational experience.

If interested, APPLY NOW. Write to the Executive Director for an application and further information.

Jenkins Appointed To National Staff

Executive Director Earl Watkins has announced that E. Garth Jenkins, Advisor to Fraternities at Auburn University, replaced Bill Crosby as Assistant Executive Director, January 15, 1967. Jenkins brings with him a wealth of experience in fraternity work. After graduation from Wake Forest College where he was initiated into Gamma Phi Chapter, he joined the National Office Staff as a Field Secretary. He has subsequently completed his military duties, being honorably discharged as an Army Captain.

He received his M.Ed. degree in 1964 from Auburn in Student Personnel. Brother Jenkins has subsequently served as Alumnus Counselor of Beta Kappa (Emory), as President of the Atlanta Alumni Association, and as President of District 10. Pi Kappa Alpha is indeed fortunate in securing the services of a man with Brother Jenkins' ability and background. Garth and his wife, Elmarie, moved to Memphis with their infant son shortly before the January 15 date.

Bill Crosby, who has been on the National Office Staff for the past five years, left the staff to accept a position with the national headquarters of Holiday Inns, Memphis, Tenn. He has served successively as Resident Counselor, Field Secretary, Administrative Assistant, and Assistant Executive Director.

Frank Close Honored by Community

Frank Close, a 1950 graduate of George Washington University, was honored by the citizens of Millburn-Short Hills, New Jersey recently for his outstanding contribution to the youth of the community. Brother Frank has been head coach of Millburn High School football and basketball teams for the past fifteen years and as such has had tremendous influence over the young people of the township.

A proclamation, issued by Mayor Ralph Batch to the citizens of the northern New Jersey community, set aside January 25, 1967 as "Frank Close Day," and cited the Millburn mentor for his dedication to athletics, scholarship, and citizenship. The day was climaxed by a testimonial dinner honoring Brother Close and attended by over four hundred friends.

Seated at the head table with Frank and his wife was a fellow fraternity brother, Oakley Pandick (Rutgers). Brother Pandick has assisted Frank in his coaching assignment on the gridiron since 1954.

Another PiKA, Jim Sheeran, also

a graduate of George Washington and former mayor of West Orange, New Jersey, participated in the festivities as the principal speaker. Sheeran spoke of his relationship with Close and of the achievements made over the past decade and a half by the George Washington alumnus.

Frank's fifteen football teams have compiled a 77-50-7 record, winning six conference championships. This past year's team went undefeated in nine games for the first perfect football record in the history of the school.

Close has also produced winning basketball records in ten of fourteen seasons, has won five conference titles, and in 1953-54 guided the local cagers to a 16-0 regular season record.

In addition to receiving silver bowls, appropriately engraved, and a football autographed by each member of the undefeated '66 football squad, Frank, Oakley, and the other two assistants, Alan Farner and Arnold Ram, were given keys to the township by Mayor Batch.

Dr. Taylor Reveley, president of Hampden-Sydney College, stressed leadership in his address to the 1966 convention delegates and alumni in St. Louis. Brother Reveley established an outstanding record as an

undergraduate student at Hampden-Sydney. He was an outstanding athlete and served as president of the Freshman, Sophomore and Junior classes, and as president of the Student Body during his senior year.

EMIL G. STANLEY (BΣ-Carnegie Tech), President of Stanley Publishing Co., reports that during the past year his firm purchased and moved business operations to the 300 West Lake Building in Chicago's Loop District. Brother Stanley is Diamond Life Member #891.

Harold W. Anderson (BB-Washington) was elected president of the Federal Court Clerk's Association at their recent annual meeting. The association includes 1400 Federal Court clerks and deputy clerks.

Dr. James W. Cady (AZ-Arkansas) is currently serving as President of Texarkana College, Texarkana, Texas, a position he has held for over two years.

COVER

We introduce to you on the front cover of our magazine the symbol which has been adopted by the Pi Kappa Alpha Centennial Commission, graphically portraying Pi Kappa Alpha's century of service—1868 to 1968. The Centennial Celebration will be recognized throughout the year 1968, at Founders' Day celebrations and at other functions for undergraduates and alumni. It will be climaxed with the Centennial Convention which will be held in August, 1968. Richmond and Charlottes-

ville, Virginia will be the focal points but in a sense the entire State of Virginia will be the site of the convention. Keep this symbol in mind and plan to attend the Convention.

Note too the inside back cover. The Centennial Commission is inviting both alumni and undergraduates to "Think of the past and plan for the future." What must be the role of Pi Kappa Alpha in its second century? Express yourselves in a letter or essay so that goals and programs can be developed.

They Need Your Gift.

Alpha Xi Pledge Class, Fall, 1966 with Dream Girl Zamie Wiggers.

At Home

Administrative Secretary Earl Watkins Completes Thirteen Years

Executive Director Earl Watkins and his family. His wife, Ruchie, is holding daughter Esther, 9 months. Other children are Elizabeth, 5; John, 8; Thad, 10; and Jim, 9. Mrs. Watkins is a former Dream Girl of Delta Zeta Chapter at Memphis State University.

September 21, 1966 was an important milestone in the history of Pi Kappa Alpha. That day marked the end of thirteen years of "official" service to the Fraternity by one of its most devoted sons. "Official" is in quotation marks because this man has been active in Pi Kappa Alpha affairs in one way or another since his initiation in 1949. He is none other than our Executive Director, Earl Watkins.

It would not have taken a smart man to figure, even thirteen years ago, that Earl Watkins would one day attain a position of leadership in Pi Kappa Alpha. Every organization in which he holds membership has flourished because of his leadership and boundless energy. He was named Tennessee Exchangeite of the Year in 1959 by the State organization, and is now serving as its State Vice President; the Memphis Pi Kappa Alpha Alumni Association was given the top award in 1960 while he was serving as President; he is a member of the Board of Directors of the Memphis Speech and Hearing Clinic; and he is active in the Memphis Chamber of Commerce and Shelby United Neighbors. He has also been named one of the five outstanding young men of Memphis, a city of over 650,000 population. To know of these activities and to be aware of the enormous amount of time consumed

John Tisdale, SMC Theta Chapter (Southwestern-at-Memphis) certifying Executive Director T. Earl Watkins membership as a Colonel in the 2nd Stonewall Brigade. District President #13, Joseph P. Neeley smiles his approval. This membership was made possible by contributions from chapters throughout the nation.

by Fraternity business, both official and voluntary, those who know Earl best are continually amazed at how he does it all.

To Earl Watkins, Pi Kappa Alpha is more than just a college Fraternity with a set of goals and ideals; it is more than just a national organization; it is more than a mere belief. To describe it as a "religion" would be nearly correct; at least, this would come nearer than anything else. His comment about anyone who downgrades Pi Kappa Alpha, or fraternities in general, would likely be, "They just don't understand."

Earl has visited every Chapter in the Fraternity, the only man to do this since the Fraternity has been 100 Chapters strong. Every Chapter he visits is left with a deeper appreciation of our Fraternity and a sincere feeling that our National organization is in capable hands.

His nearly undivided attention to the activities of Pi Kappa Alpha has taken a toll on his health, and it was in August of 1966 that he was hospitalized with cancer. Earl Watkins, however, will not be denied the opportunity of continuing his services to the Fraternity. He has already returned to the office for several weeks of work, and after another period of convalescence will be back again fulltime to assume his duties. It will take considerably more than a disease to diminish the spirit and courage of a man of his caliber. The specialists who have been working with him have been amazed at his recovery.

One Sunday in September of 1963, the tenth anniversary of his official work at Pi Kappa Alpha was observed by a number of his friends in Memphis with a luncheon. He was presented with an album of letters and wires from well over a hundred Pi Kappa Alphas from all over the United States who knew of this important date and had sent him notes of appreciation. From Colorado: "I don't know anyone who could handle the tremendous burdens of management the way you can. Certainly I do not know anyone who can do the work so pleasantly." From Mississippi: "Allow me simply to state that your loyalty and ever-present enthusiasm serve as a challenge to all of us to attempt to do more for Pi Kappa Alpha." From Pennsylvania: "I hope we can be fortunate enough to have you for many, many years in the future."

Chapter Newsletters

Another Good Year At Alpha Chapter

This year promises to be another outstanding year for Alpha Chapter. We are striving, as always, to improve projects that we are involved in annually, and we have introduced exciting new events into our chapter life.

Fall rush was a tremendous success for Alpha Chapter. We honestly feel that we pledged the top sixteen men in the first year class at Virginia. And although these men have only been together for just over a month, their spirit and enthusiasm toward Pi Kappa Alpha is overwhelming. Not only do they complete tasks assigned to them in their pledge training, but they also initiate and carry out projects of their own.

An innovation this year has proven to be most rewarding and enjoyable. Every Thursday night we invite a professor from one of the schools at the University to dinner, and afterward we have an informal discussion. These discussions, the first of their type at Virginia, have enabled these men to better understand students and fraternities, and have provided us with an opportunity to become better acquainted with our professors.

Several brothers have received great honors this fall. David Bouchard, past ThC, a member of the Student Council, and Vice-President of the Graduating Class of 1967, was elected to Omicron Delta Kappa, national honorary leadership fraternity, and to the T.I.L.K.A. Society, a ribbon society which honors men who have greatly contributed to the University and will work for the furtherance of its ideals and traditions.

J. Michael Smith, Alpha's '66 Convention delegate, Treasurer of the Spirit Club, and a varsity basketball player, was elected to the IMP Society, a ring society honoring the

outstanding men in University life. Charles Johnson, also a varsity basketball player, was elected Student Council Representative from the School of Engineering in the fall elections. Charlie is also pledge master this year and is Vice-President of Theta Tau engineering fraternity.

Gene Arnete, quarterback on the Cavalier football team, and Joe Latchum, our social chairman this year, were elected into the Eli Banana ribbon society as a result of their outstanding leadership and contribution to the University.

George Stetter, outstanding safety on the Virginia football team for three years, was selected to play for the South in the North-South Shrine All-Star Game in Miami, Florida. He seems certain to make the PiKA All-America team.

Alpha is very excited about the Centennial Celebration in 1968. Ten brothers went to the 1966 Convention in St. Louis, and they have really instilled a driving spirit in the brotherhood. We welcome the opportunity and the challenge to plan for the Centennial, and urge each brother to begin making plans now for 1968.

RICHARD SHEPHERD
A, University of Virginia

Another Fruitful Year For Delta Chis

The men of Delta Chi Chapter at the University of Omaha have started what looks to be another fruitful year for Pikes on this campus. The brothers are already looking forward to Greek Week, especially the awards banquet, where we plan to once again give the name Pi Kappa Alpha an upward boost in scholarship and intramural achievements.

Our greatest objective is to win, for the fifth consecutive year, the all Greek scholarship trophy. It seems that the stream is half way crossed in the right direction due to last semester's fraternity grade average. The Brothers combined to put forward the highest single fraternity grade point of campus history with a 2.7+.

The new men helping the fraternity attain these goals were initiated into the Bonds of Brotherhood on June 25, 1966. These seven recently received brothers are Bud Ehni, Tony Holzaphel, Frank Lushinski, Dave Post, Chuck Stecker, Ron Turco, and Bob Willits.

Realizing the importance of a large pledge class comprised of fine and dedicated men, Delta Chi put forth

Diversity of interest but a community of spirit in Pi Kappa Alpha. This picture shows Delta Chi Chapter at the University of Omaha illustrating the various activities: social, vocational, avocational and recreational interests of members.

a new experimental rush book this year. It is composed of a series of unique and interesting photographs such as the one submitted and a clear and concise explanation of fraternity life in Pi Kappa Alpha. We are looking forward to a much bigger pledge class next semester, but finer men than our past class could not be expected.

ROCKY HOFFMAN
ΔX, Omaha University

Much Activity at Indiana

Activity was the keynote of Delta Xi life during the first semester. An energetic social program was climaxed with the annual pledge dance January 7. It was the fourth big dance of the semester.

Campus-wide activities were the forte of many Pikes again this semester. With brothers participating in almost every facet of campus life, it is not surprising that the president and treasurer of the Y.M.C.A., vice president of the Young Democrats, district leaders of the Young Republicans, vice president of Phi Omega legal fraternity, two Great Issues Senators, and many lesser elective and appointive offices were held by Pikes. At present, Kurt Frazier is planning his preliminary battle for Y.M.C.A. state championship while other brothers are awaiting the student body elections in the late spring.

Activity on the athletic field was also fruitful for ΔΞ during the first semester. Kappa Sigma upset the previously undefeated and unscored upon Pikes by one point to win the intramural football championship. Our basketball team handily beat the Betas for the intramural tournament basketball championship, however. The pledge basketball team came within points of winning its division in the tournament. With spring almost here, Pete Houdeshel and Bill Gifford look forward to another good year on the I.U. baseball team.

Although Delta Xi received its charter only two years ago, it has doubled in size. Presently, sixty three pledges and actives are working towards their goal of being number one on campus. Unfortunately, thirty of the brothers must live in dorms or

apartments because of the restrictive size of the house. Thus, we are anxiously awaiting the building of a new, larger house.

The past semester has been a good one for Delta Xi. Our social program, campus activity, pledge class, and athletic endeavors have all been rewarding. We have never missed being in the fraternity "top 10" academically and do not expect to in the future.

SCOTT MACDONALD
ΔΞ, Indiana University

Alpha-Zeta Joins Chamber of Commerce

The highlight of the fall semester at Alpha-Zeta was the annual Roaring 20's party. This party, which is the most famous on the U. of A. campus, was successful due to the countless hours put into the decorations by our fine 30 man pledge class and our "hard-working" members. Eliot Mess (Brother Jay Hixson) and his gang supervised the decorating.

Our Homecoming theme this year was entitled "Cotton Bowl or Bust." We had a covered wagon pulled by two ponies with a sign behind the wagon saying "A Rolling Hog Gathers No Loss." After Arkansas beat Southern Methodist 22-0, we had a reception for parents, alumni, and guests. That night we had an informal dance featuring a band from Little Rock.

Alpha Zeta Joins Chamber of Commerce.

The holiday season at Alpha-Zeta was highlighted by our annual Christmas Brunch. That same afternoon the Kappa Alpha Theta sorority and the Pikes joined forces at our chapter house to give a Christmas party for 15 underprivileged children in the area. Santa Claus (Brother Roger Atkins) stopped in with gifts for the children.

Alpha-Zeta chapter became official members of the Fayetteville Chamber of Commerce on Tuesday, January 10. Eight brothers serve on various committees that are set up for such activities as bettering the economic growth of the city and improving the unity of business in the area.

Mr. Bob Haynes, vice-president of the Chamber of Commerce, says that as far as he knows the Fayetteville Chamber of Commerce is the only one in the United States that has a program set up with fraternities on a university or college campus.

He feels that community leadership in the future belongs to college men and work with the Chamber of Commerce offers the best opportunities for business leaders. He gives fraternities the opportunity to:

- a. See a chamber in action to see how it operates and functions.
- b. Participate in projects.
- c. Create a communication channel between the business community and the university.

The Pikes were well represented on the gridiron this last season. All American Honorable Mention honors

went to Brother Harry Jones who started at wingback for the Razorbacks. All-Southwest Conference honors went to Brother Hartford Hamilton, a junior defensive end. Brother Don Richardson was a reserve tailback and Brother Stu Berryhill was a reserve defensive halfback.

The Pikes of Alpha-Zeta finished third in the intramural football race placing four men on the all-intramural team. Those making the team were Brothers Eddie Warrington, Nicky Stevens, Don Gibson, and David Evans.

Officers of Alpha-Zeta for the second semester include: Fred Warren, Little Rock, Arkansas, SMC; Don Gibson, Springdale, Arkansas, IMC; Scott Stafford, Green Forest, Arkansas, ThC; David Carver, Mena, Arkansas, SC.

DAVID CHRISTENA

A-Z, University of Arkansas

Gamma-Eta and Beta-Phi Brothers Ride to Rose Bowl on Fire Engine

The annual college football classic in Pasadena's famed Rose Bowl on January 2, 1967, prompted many brothers from our Purdue chapter to travel to the West Coast to watch their team battle the famed USC Trojans. Many of our Beta-Phi brothers enjoyed the hospitality and the accommodations at the Gamma-Eta Chapter house. One of the highlights of their visit to California was the ride to the Rose Bowl on Gamma-Eta's fire engine. It was an unusual picture and many of the spectators were surprised at the sight of a 1931 PiKA fire engine driving through the parking lot carrying a load of brothers and their dates.

After a dormant summer of rest and repairs, the famous PiKA fire engine is running again, much to the delight of the Fraternity Row, university students, and the neighboring community. Although we have never been called upon to act in official capacity (it is equipped with water tank and hose, red lights, and siren), it performs many unofficial and valuable services to students.

During the football season the engine is used to take all the PiKA's and their dates to the games. Many

of the sororities that have exchanges with us are in for a special treat, because the engine is there at their doorsteps to greet them. During the spring semester the engine goes down to school to pick up eager students and give them a head start to the beaches.

Of course, the PiKA's are ready for the unexpected at all times, just like real firemen. A couple of times during the semester, the house receives an anonymous phone call informing us of a fire drill in the girls dormitory. Naturally, the fire engine goes over to protect the helpless USC coeds. At our annual Christmas project with underprivileged children, the highlight of the date for the boys is a ride on the engine wearing fire helmets supplied by the brothers. The engine was a gift to the active chapter by the pledge class of Fall 1964.

Paul Jacobs is the present SMC. Willy Triplett is the housemanager. Malcolm Reinhardt is the Historian. Mark Klingerman, the only architect in the house, does an excellent job on the homecoming decoration each year. Keith Miller, former housemanager, presently rides in the driver's seat as fire chief.

MALCOLM REINHARDT

T-H, Southern California

Beta Alpha Makes House Improvements

Beta Alpha chapter at Penn State University has opened the 1967 school year by stressing scholarship. The pledge class transformed an unused basement room into a comfortable television room. This enabled us to move the television downstairs; thus cutting down the noise in the upstairs study rooms. The old television room is now in the process of being turned into a library. In the last year, Penn State PiKA's raised their overall average from a 2.38 to a 2.48. Hopefully, the new innovations will help improve our average even more.

Last fall, Beta Alpha contributed much to Penn State campus activities. In Homecoming competition, PiKA took the first place trophy in soap box derby time, another first in derby design, a second place in lawn dis-

play, and third place in the poster contest.

Brother Jim Snyder is Vice President of the Penn State Undergraduate Student Government; he was recently named to Who's Who in American Colleges and Universities. Another brother of Beta Alpha chapter, Greg deLissovoy, is currently treasurer of the Penn State IFC. All in all, Penn State PiKAs were the most publicized fraternity on campus last fall.

In the last house election, Rick Ward replaced Rob Holmes as SMC. The fathers of these two brothers were former PiKA chapter presidents at BII (U. of Pennsylvania) and BA respectively.

A strong rush program is currently being planned for the winter term. A good sized pledge class is needed to replace a large graduating class. The PiKA house has been named first preferential by more freshmen rush-ees than any other fraternity on campus in each of the last five terms.

The rush program will be aided by a full social calendar and the physical appearance of the chapter house. The house is in great shape due to many hours of work by both brothers and pledges. The PiKA house was recently named second in physical appearance of the 56 Penn State fraternity houses.

In intramurals, Beta Alpha took second in the football league and currently we are in contention for the basketball championship. In bowling, the team was nosed out in the last match for the first half crown, but Beta Alpha is a very strong contender for the second half title.

The chapter newsletter, the *Beta Alpha Degree*, is in the process of being written and should be published in March.

Pi Kappa Alpha was a big name on the Penn State campus during the last term and will continue to be heard from in the future

J. R. DIAMOND

BA, Pennsylvania State University

Pikes Rebuild at San Diego

The Delta Kappa Pikes are back in the swing of things at San Diego State. After a year of rebuilding,

PiKA has again risen to top competition in the campus's fraternity system. This was accomplished through the combined efforts of the brothers and the pledges.

Last year, PiKA placed second in Overall Scholarship while finishing far above the other top fraternities. This year scholarship will again be stressed. In IFC sports, we won the football and surfing championships and placed no lower than second in any other sport. Pledge Bob Betz took 1st overall and Steve McAnlis placed 4th in IFC and School Surfing Championship. We expect another 1st Place in basketball since last year's team is back. It not only won the school championship, but placed first over the other three colleges in the area.

Fall Rush brought Delta Kappa twenty-six fine pledges. On the sports scene, Ron Flisher paced our football team to an undefeated season. Flisher plays offensive tight-end and tackle. He has been contacted by many professional teams and is certain to sign a pro-contract. Pledge Jim Baross, an All-American in swimming and water polo, leads State's National Championship team (small school). Steve Walcott is also a member of the swimming team. Track will find two more outstanding pledges in competition, Tom Agsten (9.6 in the 100 yd. dash) and Chuck Athey (9.7) in the Sprints and state high-hurdles champion Mike Williams. All three of these outstanding men will be pulling the PiKA Pledge Chariot Races.

Rugby season is again beginning at San Diego State with a PiKA star-studded team. Those playing in the hard-hitting sport are Len Kelly, George Gourdin, Tom Lutes, Rick Sherry (SMC), Larry Taylor, Bob Watkins, Mike Arrellano, Mike Philbin and Dennis Dieb on the varsity squad. The Junior Varsity Team finds John Pasto, Gordy Walker, George Romero, Joe Boschetto, and Pledge Jim Potter in action.

SWEETHEARTS OF THE DIAMOND, the PiKA Auxilliary, completed their rush by tapping eighteen beautiful new girls. Our present Dreamgirl, Margy McPherran, Kappa Alpha Theta, was chosen at our an-

nual Dreamgirl Party in Palm Springs.

Those representing PiKA on OCETOL, men's service organization composed of campus leaders, are Pat Miller, Larry Taylor, Jim Hicks, Bill Willett, Rick Sherry, Jim Pasto, Larry Hatter, and Gordy Walker.

JAMES PASTO

Δ-K, San Diego State

Delta Eta Chapter Continues Rapid Growth

Delta Eta chapter at the University of Delaware is continuing its rapid growth under the dynamic leadership of its SMC, Christopher Scott Roosevelt.

Brother Roosevelt is a senior chemistry major, maintaining a 3.27 cumulative average. He has served the school as a junior counselor and dormitory floor advisor. Besides acting as chapter president of Tau Beta Pi, engineering honor society, Chris is a member of both Sigma Pi Sigma, physics honor society, and Omicron Delta Kappa, leadership and activities honor society. In Delta Eta politics, he has been president of his pledge class, scholarship chairman, and has sat on the executive council of the chapter.

This year, Delta Eta has continued its tradition of community service. The spring pledge class accumulated \$125 for a nearby day nursery through neighborhood work projects. The pledge class also won the campus chest award for collecting the greatest amount in the annual charity drive on campus. And as usual this year, the Delaware Pikes will canvass local homes in the muscular dystrophy campaign.

Around the house, the brothers are still frantically struggling to get their fire engine (a Chevy of 1931 vintage) in running order again. The spring pledge class has already supplied the perfect complement to the engine—Herman, a beautiful Dalmatian. The Pikes celebrated this fall's Homecoming Weekend by throwing an alumni-brother party after an overwhelming 41-0 romp over Lehigh. Our Christmas party was held amidst much revelry on Dec. 19.

ANDREW KNOEDLER

ΔH, Univ. of Delaware

Beta Delta, University of New Mexico, 1966 Homecoming Sweepstakes winner with "Jack and the Beanstalk."

New Mexico Chapter Wins Homecoming

With victories in the homecoming house decoration contest and intramurals, Beta Delta chapter has indeed convinced the campus that the Pikes are number one at the University of New Mexico. Following the general homecoming theme of "Land of Storybook Dreams," we built an enormous sixty-five foot beanstalk with "Jack," the U.N.M. lobo, methodically chopping down the Colorado State University ram. Over 50,000 paper napkins and three weeks of intensive work went into our sweepstakes winner.

Following up this trophy winning effort, the Pikes won the intramural football, basketball, and volleyball championships, defeating both Greek and independent opponents. These victories point to another intramural trophy for Beta Delta.

Socially, the Pikes continue to be among the campus leaders. Our annual Roaring 20's dance and Hi-Jinx Costume Ball were outstanding successes. Plans are now being made for the Dream Girl Formal this spring.

In order to further promote the Pikes at U.N.M., Beta Delta is now organizing a Pikettes auxiliary for the active chapter. Under the direction of brother Gary Cone, formal initiation ceremonies are being planned for early March. We are all eagerly looking forward to this great addition to our chapter.

Long noted as campus leaders, the Pikes continue to excel at New Mexico. Among positions held by Pikes this year are: Mark Epstein; Greek-Week chairman, Gary Cone; varsity cheerleader, and David Williams; president of the Intramural Council. Also, brother Turner Branch, former student body president at U.N.M., has been appointed the state liquor director for New Mexico.

We are proud to announce our newly-elected officers for second semester at Beta Delta chapter. They are: Jim Alarid, SMC; Jack Pickel, IMC; and Henry Rivera, ThC.

BA, University of New Mexico

Epsilon Alpha Selects New Faculty Advisor

At the first full meeting of Epsilon Alpha Chapter this past fall, the brotherhood voted to ask Dr. Edward William Sloan of the history department to be its new faculty advisor. Fortunately for us, he accepted. He is an outstanding member of the Trinity faculty and eminently qualified to fill the post. Dr. Sloan graduated Phi Beta Kappa in 1953 from Yale, and went on to get his M.A. from the same institution in 1954. While at Yale he was active in musical activities being pitch-pipe of the world-famous Whiffenpoofs octet and a member of the Yale Glee Club. After leaving Yale he moved to a rival institution, Harvard, where he received his M.A. in 1960 and his Ph.D. in American History in 1963. His concentration was in American Naval History. He came to Trinity in 1963 as an Instructor and in just two years has earned promotion to an Assistant Professorship. This year he has further achieved prominence by being named Acting Chairman of the History Department during the sabbatical of the present Chairman. The Trinity Pikes are indeed fortunate to have such a man as Dr. Sloan as Faculty Advisor.

In other activities of the first semester we took an excellent pledge class of nineteen sophomores and one junior. They complemented the strong group of thirty returning brothers. Important to us as a brotherhood is

the fact that the new pledges are not all one type, but a close-knit group of men with varied backgrounds.

On the weekend of October 29 the brothers hosted their parents as part of the College's annual "Parents' Weekend." Our cook, Mary Griswold, produced a tremendous four course turkey dinner, and after the varsity football team's stunning defeat of Coast Guard, parents and brothers returned to the house for an informal party. The following weekend was Alumni Homecoming. Again the affair was a great success. About one hundred alumni brothers of Epsilon Alpha returned for a post-football game party and buffet dinner. For decorations the brothers dug out and cleaned up old house composite pictures dating back to 1953 and hung them in the two living rooms and the dining room.

At the challenge of the College Counselor, the House tried to improve fraternity-faculty relations by having faculty guests to dinner every Thursday evening. Two of the dinners turned into full scale discussions before the evening was over. The first of these was with Dr. E. La.B. Cherbonnier, Chairman of the Religion Department, Dr. Sloan, our Faculty Advisor, and Dr. Borden Painter, a Trinity graduate, Episcopal Priest and History Professor. The topic was "The Place of Religion in History." The second discussion involved Dr. George Higgins, College Counselor, Dr. Roy Heath, Dean of Students, Dr. Sloan, Dr. Painter, Professor G. William Benz of the Government Department, and Professor Richard Pollack of the Mathematics Department on the topic "The Pros and Cons of the Fraternity System at Trinity." Most of the faculty members were opposed to the Fraternity System but felt that Pike was one of the good ones on campus.

Athletically the House did itself proud by finishing second on campus in touch football. We were not able to use our best player, Gary Kersteen, because he played on the Varsity. In other interfraternity contests we got second prize for the "Gizmo" we built for Parents' Weekend and the Coast Guard Game. Our creation featured a Coast Guard boat that

Dr. Edward William Sloan, Faculty Advisor, Epsilon Alpha Chapter, Trinity College.

would blow up when the Trinity Bantam dropped a football on it. Scholastically we hope to continue our good work and finish in one of the top three positions on campus as we did last year.

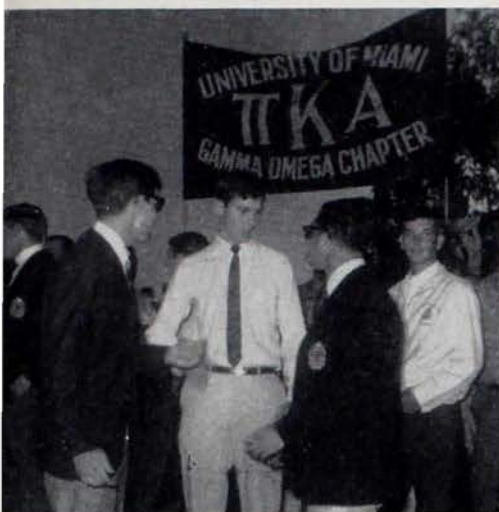

We look forward to this coming semester under SMC Dick Worth and thank last semester's SMC John "Dumbo" Dombroski for all he did for us. Best wishes to all our Brothers throughout the U.S.

GILBERT G. CAMPBELL
EA, Trinity College

Gamma Omegas Have Active Season

Gamma Omega chapter opened its doors this fall to a brighter future and a firmer footing on the UM campus. The brothers arrived a week before classes began in order to get the house in shape before the advent of rush. The UM interfraternity council (IFC) planned the most organized rush program to date in which every rushee was required to visit each fraternity house. This was accomplished by organizing the rushees into groups of twenty or so. Twenty three men accepted bids from Pike. Soon afterward they proved their unity and pride in their newly adopted fraternity by singing with the brothers during song rehearsals, doing their daily work assignments and diligently learning their pledge material from the *Garnet and Gold*.

Beach parties were held nearly every weekend at one of the local beaches. For every home football game at the Orange Bowl, buses were

Bid Acceptance, September, 1966, Gamma Omega, University of Miami's Student Union Patio.

rented to take the Pikes and their dates. Halloween found the brothers and pledges at the Phi Epsilon Pi House on campus where our annual costume party was held. Two notable local bands played and refreshments were provided.

Little Sister initiation for the original coed pledges took place at the Holiday Inn in Coral Gables in early November. Twelve Little Sisters, our first, were initiated in an impressive and elegant ceremony. A caviar and champagne cocktail party followed.

The swinging, highriding semester came to an abrupt halt shortly before the most important event of the school calendar, Homecoming. The IFC, on the strength of remarks made about the fraternal system in the UM Presidential report, voted to withdraw from the Homecoming activities. During the voting, Pi Kappa Alpha took its stand to remain loyal to the alumni, but a majority of negative votes overruled our hopes.

Little Sister rush for new pledges was held during the middle of November. All interested campus coeds were invited to attend the function held in our modern Student Union center. Twenty-two girls were chosen by the brothers and little sisters as pledges for the current semester. Pledgeship will be for a period of 6 weeks during which they will learn essential criteria about the fraternity.

As Thanksgiving vacation began, many of the pledges and actives went home, vacationed in the Bahamas or elsewhere, while some journeyed to

the University of Florida at Gainesville to witness the Miami-Florida football game in the Gator Bowl. The intense spirit, earsplitting cheers and tension-packed plays were rivaled only by that exhibited during the Miami-Southern California game in the Orange Bowl. Our actives and pledges were well received by their northern brothers and commented on their hospitality and their beautiful house.

With another grueling three weeks left before Christmas, the Pikes one by one returned to Miami. A luau was planned for the first weekend in December. Palm fronds opulently decorated the chapter room and pool area, and couples were attired in their arousing Hawaiian-styled costumes. They danced and gyrated to the tune of the "Fantastiks" and swam in the pool under a full moon.

The next weekend our annual Christmas party was held. The Little Sisters were over during the week to help decorate the tree and chapter room. Christmas carols were sung, a fire lit in the fireplace, and cider and cookies distributed. On the night of the party, a hired snow truck dumped six inches of ground-snow around the pool area. A friendly snowball fight ensued. Local television station WTVJ was on hand to film the important events of the evening. The traditional exchange of gifts between the brothers and the pledges was full of fun and surprises. The "Gents Five" played with their usual musical acuity and the ladies received their favors, PiKA engraved beer mugs. It was indeed the crowning event of the semester!

Sportswise, Pi Kappa Alpha, once again proved the athletic ability of its brotherhood. Our riflery team took second place in the finals in intramurals. Brother Paul Martinson won the finals in boxing in his weight class (137 lbs.) Our pledge class ranked third among the UM fraternities in the IFC-initiated pledge class football games held each week. The Pikes have also been strong in football, basketball and tennis.

JOE FUSARO
 TΩ, University of Miami

National President Dickson Visits Delta Nus

With the installation of pledges, Delta Nu has increased its 66 man chapter by the addition of 17 new potential brothers. During rush, the brothers conducted an all-out personal program due to the much appreciated efforts and guidance of Rush Chairman Brother Robert E. Lee.

Delta Nu would like to take this opportunity to thank publicly the visit of our National President Don Dickson for his visit to our second rush party. His presence was indeed an honor and truly appreciated by all the brothers.

Also, now being incorporated into our pledge program is the new National Pledge Training Program of "Ingress."

In the social spotlight recently, much recognition has fallen upon Delta Nu. Miss Susan Unruh, ΔZ, a member of our Dream Girl Court was chosen Governor's Lady of Mackenzie Men's Union. Also Brother Pat Flynn was chosen as Homecoming King, and Miss Marsha Elliot, Dream Girl of Delta Nu, was one of the five finalists for Homecoming Queen.

Several brothers of Delta Nu, under the able leadership of Brother John Lygizos, assisted city officials in the "Campaign Against Measles."

On the sports scene at W.S.U., PiKA is represented well in the field of leadership, and participation. Pike Chuck Kluka was elected co-captain of the track team. Chuck is only a sophomore and has a brilliant career ahead of him. Brother Andy Haliw and Pledge Louis Fox have been elected co-captains of the fencing team, and Brother Dave Krupski was chosen as the co-captain of the football team for the Homecoming Game. Brother Krupski has been selected "back-of-the-week" three times this season in the first six games.

Brother Dwight Rinke, SMC, was elected President of Senior Class Board, and Brother John Kotwick, ThC, was elected Vice-President of Senior Class Board and Secretary-Treasurer of Mackenzie Men's Union.

DENNIS R. SEARING
 ΔN, Wayne State University

Old Dominion Boasts Athletic Achievement

Zeta Iota is still number one at Old Dominion. The fall climaxed a busy and successful season for both the brothers and the 32 pledges of our chapter.

In the field of athletics, we placed first with an undefeated team in football. Five of our players were selected to the All Mace and Crown football team. They are: Billy Boyce, offensive end, who was high scorer this year; Lee McDaniel, defensive end; Vincent O'Brien, safety, who led the league with interceptions; Tony Zontini, quarterback; and Jim Clarke, linebacker. The team is selected by representatives of each fraternity and by the sports editor of the school newspaper.

Aside from football, we placed first in horseshoes and fifth in cross country. Our first basketball game against Theta Chi resulted in an overwhelming 47-3 PiKA victory. High-point man for the game was pledge Eddie Drew with 10 points. These athletic accomplishments have, at this time, given us an 80-point lead in overall campus sports.

Zeta Iota, Old Dominion College, crowns Dream Girl Miss Diana Bowles (Pi Beta Phi).

November found us celebrating the highlights of our school year, the Ninth Annual Playboy Dance and the Dream Girl Formal. Both events were held at the Golden Triangle and music was provided by Buddy DeFranco and the Glenn Miller Orchestra. As usual, both occasions were highly successful.

The brothers and pledges of Zeta Iota and the sisters of Pi Beta Phi held the annual Christmas party for the children of Union Mission on December 18. There was a Santa Claus present, and all had a good time.

During the fall we traveled to William & Mary for a football game with the brothers of Gamma. All indications point to this becoming an annual contest as a good time was had by all and the game was hard fought.

We are proud to say that the Taylor Tazewell Alumni Association is becoming a large success. The addition of Senator William B. Spong (I) and Lawrence W. P'Anson, Justice of the Virginia Supreme Court, should add additional strength to the group. R. E. B. Stewart (XI) now heads the Association; we request that all Tidewater PiKA's contact him or any member of our chapter about joining.

We are proud to list Dennis Ferebee and Benn Boyd Griffin as new alumni of our chapter. Our list of alumni now totals 28.

DALLAS W. WILLIAMS, JR.
ZI, Old Dominion

Marshall University Has Conference Candidates

Although the Marshall University Thundering Herd suffered through a rather dismal 2-8 season, there were some hard fought battles. (12-0 and 35-29 losses to M.A.C. Co-Champions Miami University and Western Michigan University respectively.) Also there were 14-6 and 10-7 setbacks to Bowling Green State University and the Quantico Marines respectively.

The Herd offense was paced by guard Gene Gatrell (Active) center Jerry Arnold (Pledge), quarterback Jim Gilbert (Pledge) and wing-back Jack Rowe (Active). Gatrell (senior) a 6 foot, 195 pound veteran of the line, with 2 seasons as a regular, was the top interior offensive lineman. A Science Major Gene also won All M.A.C. Honorable Mention and he also won lineman of the week honors. Jerry Arnold (junior), a

lightening quick 6 foot, 190 pounder, pivoted the Herd line after gaining a starting position midway through the season. Jim Gilbert (sophomore) 6 foot, 180 pounds alternated as a starting quarterback for the Herd this fall. Jim is an excellent runner and team leader. Jack Rowe (junior) 6 foot, 185 pounds was the starting wing-back for the Herd. He was an excellent blocker and pass receiver. Reserve Pikes were and Johnny Land (Active) and full-back Jim Mandeville (Active).

The Pikes had four starters on the defensive unit with end Tom McLaughlin (Active), Tackle Wayne Bennett (Active), Line-backer Richie Robb (Active), and Safety Andy Banfi (Pledge).

McLaughlin a rugged 6 foot 2, 210 pound junior won lineman of the week honors against Miami and was one of the outstanding ends in the M.A.C. Tom is possible All American candidate next year. Wayne Bennett a 6 foot 4, 225 pound sophomore twice won lineman of the week honors and is described by his coaches as having a chance of being one of the best in the school's history. He possesses excellent speed and tremendous strength. Richie Robb 6 foot, 175 pounds won lineman of the week honors in his first starting role, in the 3rd game of the season, and went on to win Honorable Mention All M.A.C. Honors. Andy Banfi led the Herd in pass interceptions and was a tremendous tackler. Andy also won back of the week honors. Reserve Pike defenders were Herb Young (Active) a regular but was injured and out for the season on the last play of the opening game and the always dependable regular punt and extra point snapper, center Jim Taylor. Herb an end is 6 foot, 210 pounds and Jim is 6foot 1, 220 pounds.

ΔI, Marshall University

COMMUNITY SERVICE DAY- APRIL 1, 1967

Pi Kappa Alpha chapters throughout the United States will participate in community and university service projects on April 1, 1967. This annual event brings the brothers in each chapter together on a project of unselfish service.

Spirited Brotherhood At Ohio State

On Fifteenth Avenue, better known as Fraternity Row, Ohio State University, Columbus, Ohio, there is excitement in the air. This phenomenon is called brotherhood, spirit, pride. It spells Pi Kappa Alpha in big letters and Columbus is hearing about us. The lieutenant governor of the state of Ohio, John W. Brown, observed this spirit—and pledged. He will become an active member with the next class to be initiated.

Ohio State Lieutenant Governor John W. Brown is pledged by Alpha-Rho Chapter.

We don't work entirely with regal beings, however. The Buckeye State Boy's Ranch for underprivileged children felt the guiding hand of friendship extended by our pledge class. This resulted in 10 boys having a day to remember. They liked us and we liked them. They're coming back for more basketball games and helpful bull sessions.

New initiates Larry Mueller, Ken Sandor, Al Kundtz, Ted Ruoff, Jim Snyder, Joe Newhart, Gary Prasher and Bob Gill scrubbed floors for the Columbus State Juvenile Diagnostic Center. Their work is remembered there. It's "Help Work," not "Hell Week." Our Pi Kappa Alpha name is honored there.

What about the 40,000 students at Ohio State University? Have they heard of the spirit of IKA? That's like putting our name before one of Woody Hayes' 80,000 football fans at the stadium on a Saturday afternoon, but that's what we did! The Block "O" football card section in 1967 will have our whole chapter within its cardboard confines; the first fraternity since World War II to be in Block "O." Pinmate Diana Mason is president of the block with

Bob Gill as equipment chairman and Jim Baer as expansion chairman.

Last year Ohio State came up with a representation of a Buckeye for a mascot to cheer on the field. Tom Sherer proudly wore this lucky buckeye shell as "Brutus the Buckeye." Yes, he's a Pike!

The Pikes are on the move. But what about the casual guy walking by the house? He probably could care less about our name. What does he see except that 6 by 9 foot garnet and gold flag with IKA and our crest on it? The flag is the one which our great house mother Mrs. Beulah Potter made during six weeks of stitching, embroidering and plain hard work. Well, he is looking and he is fascinated isn't he?

The best way to be heard is with a bang. We leave that up to Fred Mussler, co-captain and mainstay of the Ohio State rifle team.

Miss Mary Reineck, Ohio State University Dream Girl.

Mary Reineck is our beautiful Dream Girl. She will crown her successor at the Spring Weekend Formal.

We're impressed with Pi Kappa Alpha. Now, many others on campus and in Columbus are too!

FRANK LONGWELL
A-P, Ohio State

Delta Omegas Become Foster Parents

Delta Omega Chapter received word before Christmas that our application to become foster parents had been confirmed. The adoption was through the International Headquarters of the Foster Parents Plan, Inc. We have adopted a six year old

Korean girl named Lee Kyung Hee. With her father dead, she and the other six members of her family manage a meager living by helping to operate a laundry in their grandmother's house. Our feelings are summed up in what Tom Coleman, our SMC, said. "It is an excellent gift for the brothers to share at Christmas."

This year we are making a strong bid for the fraternity intramural championship. We led the other fraternities on campus by placing seven men on the all-intramural football team. We have received a trophy for winning first place in the intramural ping pong championship. As returning champions we expect to win basketball honors this year.

The number of active brothers has increased to twenty-two with the recent initiation of five first semester pledges. We expect to initiate our other seven pledges next semester. Included in our fall pledge class was the president, Bruce Campbell, and vice-president, Jeff Obermiller, of the Freshman class.

The PiKA's are well represented in High Point's varsity athletics. Brother Bill McDermott, co-captain, and Brother Chris Lindsay are two returning starters on the basketball team. We have six members on the track team including Brother Steve Laney, the District and Conference champion in the hurdles. Two Pikes are on the baseball team, including the two-time all conference pitcher, Brother Forest Dover.

Scholastically, we finished second the Spring semester of 1966. This semester it will be a different story since we expect to take first place easily.

This year we have a new advisor, Mr. Arthur Kirkman. We consider it quite an honor to have Mr. Kirkman's assistance. He has appeared in *Who's Who in America* consistently for many years due to his great achievements in political and commercial fields. He is presently a political science teacher here at High Point.

All in all, it looks like its going to be a very prosperous year for Delta Omega Chapter.

VIRGIL REID
ΔΩ, High Point College

Alpha Pi Concludes Successful Year

The brothers of Alpha Pi chapter wound up one of the most successful years in the chapter's history at the pre-Christmas celebration of the Dream Girl Ball. At this event we were pleased to have Field Secretary Booney Vance as the featured speaker and guest of honor along with our brothers on the faculty of the University and their wives. Of course the main event of the evening was the naming of Miss Patricia Young, a member of Phi Mu Fraternity from Sheffield, Alabama, as our Dream Girl. This event was clouded only by the absence of Miss Pat Perkins, our out-going Dream-Girl, to whom we owe a great deal.

We took advantage of this occasion to announce our officers for 1967. They are: SMC Jim Leverett, IMC Bruce Jowers, and ThC Vic Nichol. Continuing with presentations, Brother Norman Roby, outgoing SMC was named "Best Active" for his contributions to the chapter in the past year. Following these formalities was the dance, which all agreed was the best within memory.

Alpha Pi chapter is now executing plans which we hope will give us an even better year. We have recently initiated two pledges, Larry Wilson and Pat Miller, into the Bonds of the Fraternity and we expect to reach new heights in 1967 with their help.

CHARLES J. MCCARN
AII, Samford University

South Florida Colony Reports Initial Success

Our first trimester as a IKA Colony at the University of South Florida, Tampa, Florida, proved to be very successful and educational. Successful, in that we accomplished an enormous amount of work in such a short period of time. Educational, in that we learned more about the fraternity, and more fully realized the honor of being affiliated with Pi Kappa Alpha.

During the trimester we had several social functions ending with a Christmas Party sponsored by our pledges. We held formal teas with pledges and actives of Kappa Delta,

Delta Zeta, Delta Delta Delta, and Tri Sis Sororities. Finally, our pledges, along with the pledges of Sigma Nu and ATO, hosted a mixer with the pledges of all the sororities.

In November, our colony was visited by Field Secretary Booney Vance. Booney spent considerable time with us in planning to meet colony requirements, and going over the officers' duties and responsibilities. We appreciated his assistance.

Our colony is fortunate to be the only fraternity on campus with a Hostess, Dr. Roberta Shearer. Dr. Shearer is a member of Kappa Kappa Gamma, and a graduate of the University of Pittsburgh. Dr. Shearer hosts our mixers, teas, and other social gatherings, and works on our scholarship program with pledges and actives alike. Dr. Shearer and Colonel Silverwood, District President and our Alumnus Counselor, were awarded plaques at our Christmas Party for their service to the colony.

Our first pledge class numbered fifteen excellent pledges. The Officers of our pledge class are: President, Howard Segan, Tampa; Vice President, Fred Belcher, Richmond, Va.; Secretary, Mike Blanner, Orlando; Treasurer, Gerald Giglia, Tampa; and Project Chairman, Wm. Dudley, St. Petersburg. Our pledges have been a tremendous help to the colony. With the colony pledges and actives acting as a harmonious group, we are planning on a large pledge class next trimester, and a very successful second trimester as a colony of Pi Kappa Alpha.

GARY N. LAPORTE
University of South Florida
Colony

Florida State Moves Into New House

The Delta Lambda chapter moved into its new \$351,000 southern mansion in January. Built to accommodate 56 people, the new house far outshines any other Greek house on campus. Many years of hard work by the alumni and the financial backing of National finally enabled us to get the much needed house.

Terry Miller, Harry Orwig, and Rich Wall were elected SMC, IMC,

and ThC respectively. Other officers are Mickey Harrison (SC), Craig Kavka (MS), Russ Burnett (Pledge-master), Grant Franzel (MC), Bud Titlow (Historian), Jay Strozier (Scholarship Chairman), and Dave Smith (Rush Chairman).

Brother Hubert Green won the 1966 Southern Amateur golf tournament this past summer. Playing against such notable competition as Downing Gray and Billy Jo Patton and three other Walker Cup participants, Hubert fired a 72 hole total of 283 to win by one stroke over Gray. This victory along with consistent placing in other tournaments has earned Green the ranking of eleventh among U.S. Amateur golfers.

Pledge Bob Ward, captain of the freshman cross-country team, made a fine showing in the state cross-country meet by placing second. SMC Miller and ThC Wall both made the intramural All-Star Team in football and 5'8" Chuck Funk set an all time record in Florida State intramurals by scoring 74 points in one basketball game.

In campus politics Dave Giordano, Commissioner of Student Elections, and Larry Pearson, Student Government Commissioner, have helped the Pikes reach an all time high on campus politically. Mickey Harrison, Bob Humphries and John French currently serve as Student Senators. Besides the legislative and executive branches, IKA is also represented in the judicial branch by justices Danny Toulbee and Doug Oppenheimer.

Tom Wurzbach, a recent graduate, was honored by Delta Sigma Pi business fraternity by being chosen as Most Outstanding Pledge. John French was chosen Dream Man of Phi Mu Sorority.

Our Little Sisters Chapter which originated last fall has grown to 23 members and has developed very nicely under the leadership of Bob Reeve. He has worked with Martha Strawn, Little Sister President, and we are now represented in 11 out of 19 sororities.

With the added momentum of our new house Delta Lambda will soon be number one.

CRAIG S. KAVKA
ΔA-Florida State

Busy Year at Eastern Washington

A busy year for the Pikes at the Zeta Nu chapter got under way in the Fall Quarter of 1966 with our annual Dream Girl Dance. Over fifty Pikes and their guests were present for the banquet and dance which was held at the Manito Golf and Country Club in Spokane, Washington. Selected from eight finalists for our 1966-67 Dream Girl was 18 year-old Linda Hart. Miss Hart is a freshman from Fruitland, Washington. This beautiful young lady will represent the Pikes well at Eastern during her reign as our Dream Girl.

Linda Hart, Eastern Washington State Dream Girl.

Next was our initiation into the bonds of brotherhood in the Pi Kappa Alpha Fraternity. We were individually initiated the evening of November 18. This was followed the next day by the chapter ceremony at the North Hill Christian Church in Spokane. Our chapter initiation was followed by a banquet and the next day by an open house for the faculty, students of Eastern, and the parents of the Zeta Nu Chapter members.

We're very proud that our trophy case is rapidly filling with the addition of the following: Over-all Homecoming Sweepstakes Award, Noise Rally Award, Float Award, Greek Championship Football Trophy, and the Christmas Decoration Award for the best decorated living group.

Three men in the house are participating in Easterns varsity sports program: Don Shove, four year letterman in football; Rob Van

Allen, wrestling; and Larry Olson, bowling.

As brothers we now represent thousands of members near and far, therefore we will earnestly seek to foster the ideals and traditions of Pi Kappa Alpha which we have grown to know and love in our new relationship with the fraternity.

RANDY TURNER
ZN, Eastern Washington State
College

Six Elected to Who's Who

Alpha Kappa Chapter at Rolla was honored by having six seniors elected to Who's Who this semester. Five of these men graduated in January. They are: Bryan Stirrat, David Hoffmeister, Mike Sullivan, Wesley Meyers, and Gary Graham. The sixth is Ronald Ledbetter who will graduate in June. Out of our twelve graduating seniors three will continue their education at graduate school. They are: Gary Graham, who received a fellowship to the University of Oklahoma; Bryan Stirrat who received a scholarship to Rolla; and Donald Bailey who will also be doing his graduate work at Rolla.

On Dec. 12, 1966, AK elected officers for the spring semester. Frank Kelton was elected SMC, Gary Barth IMC, Donald Albert SC, Dennis Fessler ThC, John Visos House Manager, Dave Richards Steward, and Jim Thomas Pledge Master. The officers were installed on Jan. 4, 1967, by retiring SMC David Hoffmeister.

The Chapter House was the setting for two parties during the Christmas season. The first was a Christmas dance, the main theme of which was "Christmas in Hawaii". The second was our annual Christmas Party for the underprivileged children of Rolla, which featured Santa Claus, gifts for everyone, and many happy faces.

Two new brothers were initiated on January 14, 1967. They are James Curtis Barker, a Mining Engineering major from Warren, Ohio, and Ronald Francis Scheff, a Chemical Engineering major from St. Louis, Mo.

JAMES A. PONCIROLI
AK, Univ. of Missouri
at Rolla

New Enthusiasm at Texas Tech

Through the combined efforts of energetic members and alumni, the enthusiasm of Epsilon Gamma has reached new heights on the Texas Tech campus. Jim McPherson, Leo Hatfield, Kelly Ashley, and Phil Orman, who are Epsilon Gamma alumni and past campus leaders, have organized an energetic Alumni Association for Epsilon Gamma. The interest shown by these alumni have been both a cause and result of Epsilon Gamma's surge of enthusiasm this fall.

Synonymous with the name "Pike" on the Texas Tech campus are such terms as "friendly," "dedicated," and "studious." The brothers of Epsilon Gamma are known to be among the most friendly people on campus. This has proved to be a great asset in rush functions and interfraternity relationships. Dedication is another of the outstanding assets of Pi Kappa Alpha in Lubbock. Dedication among the members of Epsilon Gamma to their school, families, and Pi Kappa Alpha has led to the development of more outstanding and responsible young men who have taken an active part in the leadership at Texas Tech. Through dedication to their studies, the brothers have set new records in the all men's average at Tech and rank 11th nationally among all chapters of Pi Kappa Alpha.

The brothers of Epsilon Gamma are grateful to the 1966 national convention for the benefits gained by our delegates in attendance. Their ideals and enthusiasm have been permeated the members of Epsilon Gamma, and have led to an increased spirit of our chapter.

BILL GARRARD
ΣΓ, Texas Tech

Taus Redecorate Chapter

For the Pikes at North Carolina, the new school year brought with it a redecorated chapter room and a recarpeted first floor. Through the graciousness of Tau alumni, the Hogan Room was redone during the summer and new furniture was purchased. Much of the work was done by the brotherhood during summer

school. The new carpet was the final touch needed to make our house the most attractive on campus.

The weekend of the football game with North Carolina State University was designated as Alumni Weekend. Many returning members of Tau were pleased to see the house in such fine shape. The annual PIKA BEAT DOOK PARADE was a complete success again this year. It is Chapel Hill's biggest parade every year, and it is the only one of its kind entirely sponsored by a fraternity for an entire campus.

Don Prillaman was initiated at the beginning of the year just before fall rush. In rush Tau pledged a superior class of seven. The new pledges are: Don Beam; William Carr; Terry Fowler; Harry Gurkin; Clay Newcome; Danny Rouse; and Raye Woodin. New officers for the fall are: Tom Hunter, Greensboro, N.C.—SMC; Fred Stevens, Greenwich, Conn.—IMC; Steve Hayes, Winston-Salem, N.C.—ThC; and James Harrel, Elkin, N.C.—SC.

MIKE JONES

T, University of N.C.

Gamma Tau

Fall semester began this year with Gamma Tau, once again, dominating campus politics. Ken Ullman, newly elected Grand Marshall and Kent Shell, President of the Union are seated in the two highest undergraduate positions on the Rensselaer campus. Doug Collier, Sophomore Representative to the Student Council, was selected for White Key, the sophomore honorary, because of his outstanding contributions to campus activities. In other facets of extracurricular activities George Casey and Steve Joliffe hold seats on the Honor Board and John Perry is editor of the nationally ranked technical magazine, "The Engineer".

In Sports, John Contento pulled R.P.I.'s floundering football team out of a six year slump leading the Engineers as quarterback Jim Kozak, starting center, and Bill Criss, half-back, also contributed to the offensive team's success. On defense, Don "Dancing Bear" Wagner, and Mike Devlin, both first team members, re-

ceived recognition from Coach Rieneau for their untiring efforts. Senior Al Cowell, captain of the soccer team, finished a brilliant career on the field by being the high scorer of the season. Three sophomores also played, Jim Corbett, Art Lennox, and Joe Quackenbush. Quackenbush, Freshman Athlete of the Year, was sidelined this season with a broken ankle, and has not had a chance to duplicate the feats he performed as a freshman. "Big Barooce" Tarpley, a 6'6" sophomore is gaining experience as a center on the varsity basketball team and should start on the team next season.

In I.F.C. sports, at this writing, Gamma Tau is leading the campus having won the swim meet, and having reached the finals in golf. Our football won its league, but dropped a game in the semi-finals. As of now, our basketball team is undefeated and stands a good chance to remain as such.

Socially, Dream Girl Weekend has been our most successful event. With arrangements in the capable hands of social chairman Al Dannes, the dinner-dance at the Sunset Inn was superb. Brother Cowell's fiancée, Miss Virginia Lieblang, was chosen Dream Girl. Having danced ourselves out at Dream Girl, we "relaxed" as ten under-privileged children from Troy enjoyed our Christmas party. We were fortunate to have a genuine Santa Claus, Frank Bright, who also doubles as our cook. Frank has done a fantastic job in his first year as cook, not only in planning and preparing meals, but also in making friends in the house.

With first semester past, Gamma Tau looks towards more serious matters. Formal Rush begins and most of the initial part of the semester will be spent in getting both houses into top shape, and in rushing itself. In another area, we have already begun to improve our scholastics, with a concerned brotherhood offering suggestions to newly installed officers.

Finally, in order to improve alumni relations, S.M.C. Bill Ried and Alumni Advisor Dennis Fitzgerald have requested that any alumni who have not been receiving chapter

news, to send their addresses and any other information concerning themselves or other alumni to:

G-T, Rensselaer

Kappas Capture Football Intramural Championship

The record breakers of Kappa chapter, Transylvania College, once again look forward to another year extraordinary. After last years unparalleled Rush performance, which was second only to academic achievement, the brothers of Kappa have begun the new school year with the activation of eight new men: Warren Austin, Scott Correll, Brian Guilfedder, Rogers Huff, Kevin McCafferty, Van Pedigo, Don Todd, and Jay Varon. Kappa certainly looks to a continued excellence with the addition of these fine men.

Last spring Kappa elected new officers after long consideration and careful scrutiny: SMC—George Hauffer, IMC—John Dorland, ThC—Edward Annett, SC—Jan Schoonmaker, and Pledge Master—Tom Dickens, who later was transferred to assistant Social Chairman with Jim McCutchins, thereby moving Bob Bush into the vacated position.

In the category of athletics: Kappa deserves real praise for the capture of the Intramural Football Championship. The enthusiasm of such victory seems everpresent as the superbly trained Champions are even now on their way to a second championship having won four games straight. In addition to football excellence, Kappa captured the Bowling Championship and due to unfortunate circumstances placed second in swimming. Unofficially speaking, it's no wonder Kappa has done so well with all the experience and tradition it has gained.

Epsilon Nu and St. Louis

The cry around the four chapters in Georgia last year was "see you in St. Louis." Epsilon Nu at Georgia State College, represented by thirteen brothers and two pledges, received a tremendous benefit from the National

Convention. Since our past dream girl, Miss Linda Purcell, was a member of the dream girl court, we had a special interest.

Epsilon Nu's officers for the year are: SMC, Ken Wardlaw, IMC, Ed Aiken, SC, Lyman Mobley, and ThC, Mike Adams.

BILL DORSEY

EN, Georgia State College

Competitive Semester At Carnegie Tech

Fall semester was a very competitive one for Beta-Sigma chapter at Carnegie Tech. With nearly half of the chapter graduating this year, a concentrated effort has been directed toward rushing a large group of freshmen who will uphold our athletic and scholastic position on campus. The chapter is again in contention for the All-Sports trophy with a second place in football, fourth in volleyball, and good efforts in water polo and soccer. Scholarship continues to be of prime importance, as it was last semester when we tied for first place. Our Homecoming display featured the Old Soft Shoe transposed onto the football field. We hope this fine effort will point the way toward better displays in the future. By so doing, a weakness of the chapter in past years will be overcome.

The Christmas Party of 1966 under the direction of social chairman Jim Probala was one of the best ever. Mr. Herbert Helt, District 2 President, did a fine job as Santa Claus in presenting large, brightly colored, stuffed poodles to 60 PiKA dates. About 20 alumni returned to help the chapter enjoy these yearly festivities.

Beta-Sigma is proud to have Larry Handman initiated into Tau Beta Pi, the national engineering honorary fraternity. In addition, Karl Leck is an officer of Castle and Flag, the military honorary, and Bill Godoski is active on the Committee of Religious Affairs which coordinates all religious groups on campus.

KARL LECK

BΣ, Carnegie Tech

Georgetown Adopts Child

The men of Alpha Lambda Chapter at Georgetown College have become foster parents. That's right. Your brothers have adopted an eight year old Armenian girl who lives in Lebanon, Shoghig Ghazarian.

Shoghig was born in Beirut, Lebanon, where she now lives with her parents, former refugees, under conditions of extreme poverty. Shoghig's father is a blacksmith, but his occupation is a popular one among the refugees. Work within the community is scarce and competition keen. He is barely able to afford the vital necessities, and cannot begin to finance the registration and tuition fees for his daughter's schooling.

Through the gifts of this chapter, Shoghig will receive the education so vital to her future. The brothers found this opportunity to serve through *Children, Incorporated*.

Alpha Lambda has adopted a budget which forecasts a solid financial future. At the annual homecoming alumni banquet, the alumni announced plans to contribute to the chapter's Dick Winder Scholarship fund.

Two outstanding seniors deserve mention, Ron Meredith, our SMC, is Vice-President of the Senior Class, Vice-President of the Student Government Association, Treasurer of the State Young Republican College Federation, President of the Men's Honorary Society, and was voted Most Outstanding and Most Likely to Succeed. Keith Stephens, our SC, is President of the Senior Class, President of the Young Republicans, Little All-American in baseball, and was also voted Most Popular.

In other student elections Randy Fields, was elected Junior Class Treasurer and Bill Weiss Sophomore Class Treasurer. Jack Wilson was elected Speaker of the House.

We hold a first place in intramurals at the present time with an undefeated football team, a first place in cross country, a second in volleyball, and a second in soccer. Our football teams, led by the passing of Jerry Geselbracht, have suffered only one defeat in three years.

The Christmas Formal climaxed

the first semester. Miss Karen Toole succeeded Miss Kitty Duncan as our Dream Girl. Miss Toole is a 19 year old sophomore from Louisville, Ky.

RANDY FIELDS

AA, Georgetown College

Adrian Captures Third In Intramurals

In sports, Zeta Lambda has shown great improvement over the past few seasons, capturing third place in the over-all Intramural race. James Kraynak won the Chapter Intramural Sports trophy this year while Tom Smith captured the Varsity Sports trophy.

The first annual Greek-Weekend at Adrian found Zeta Lambda a close second in the Men's Division with a first place awarded to Mal MacRaild in the Spike Driving Contest—an event which separates the men from the boys.

Tom Smith and Paul Henshaw were named to "Who's Who in American Colleges and Universities." Paul also graduated magna cum laude and received two graduate scholarships. Mike Manor received the College Annual History prize and a fellowship to Wisconsin State. Bob Cleveland was named yearbook editor and Joe Balsanek won the *Best Actor* Award.

A Pickettes chapter was begun under the guidance of past S. M. C. Mal MacRaild and Mike Manor. The girls sponsored a car wash n' wax and served as hostesses at several Spring functions. At the annual Spring Formal, Pickette president JoAnn MacRaild presented the chapter with an S. M. C. paddle-plaque. Jan Shaffner was crowned "Dream Girl" and Mike Manor received the "Fraternity Builder" award. Jan later presented Mike with the Pickettes award for "Outstanding Senior." Larry Olson was named "Best Pledge." The brothers would like to pay special tribute to two graduating Senior brothers Bob Dorn and Mal MacRaild. Bob did a fine job in securing a chapter house for this fall and was a hard-working member. Mall was our leader during our national action and did a great job as S.M.C.

RICHARD CHARLEFOUR

Z-Λ, Adrian College

Hampden-Sydney Has Successful Fall Season

The 1966 fall semester of Iota Chapter has been one of many achievements. Autumn here at Hampden-Sydney means football. Brother Rod Goggin, co-captain of this year's team, helped lead the way to the Mason-Dixon Conference championship. The season was climaxed with a victory over arch-rival Randolph-Macon College which decided the Mason-Dixon Conference champion. ThC Phil Rome finished the season with just under one thousand yards rushing. At the annual banquet he received the Most Valuable Player Award and was named one of the tri-captains of next year's team. All Mason-Dixon honors went to Pika's Rome and sophomore Ray Dodson.

Homecoming was also a big highlight of the fall. Iota Chapter was happy to see many of its "ole grads" back on the campus. The football team climaxed the day with a 28-0 win over Johns Hopkins University. House-Manager Allen Johns had the house gleaming.

We were pleased by having our representative for Homecoming Queen win that honor. Lane Banister sponsored by Brother Rick Witthoefft, was crowned Homecoming Queen 1966 by Hampden-Sydney President Taylor Reveley (Iota '39).

On Pledge Day, November 6, we received nineteen fine new pledges; the largest pledge class on campus.

On November 30, 1966, Brother Rick Witthoefft went to New Orleans for the National Interfraternity Con-

Lane Banister, Hampden-Sydney Dream Girl.

ference. He was chosen by the Interfraternity Council of Hampden-Sydney to represent the school at this convention. Rick was there for three days and made friends with many other Pi Kappa Alphas.

Sophomore Fred McNeer was honored this fall by Omicron Delta Kappa Honorary Fraternity. Fred was given the Most Outstanding Freshman Award by ODK.

The brothers here at Iota Chapter were saddened by the death of two brothers, Stephen F. Snyder and Hayes H. Haydon. Steve (Iota '64) was killed on August 24, 1966 in Viet Nam. Hayes, in his final year here at Hampden-Sydney, was killed in an automobile accident while traveling back from classes from Richmond, Virginia on September 20, 1966.

Basketball co-captains are Pika's Tom Lawrence and Jim Rosenstock. High-scoring Eddie Dyer is back along with Dennis Soden, Most Valuable Player of 1965-66. Other Pika starters are sophomores Charlie Cobb and Fred McNeer. This is the Pika "starting-five."

PAUL M. PEATROSS, JR.
I, Hampden-Sydney

Epsilon Chi in New House

The 1966-67 school year saw the beginning of a new era for Epsilon Chi chapter of Pi Kappa Alpha. We are very proud to be living in our new house—the best on campus. Negotiations started late in the Spring semester of 1966, and through the efforts of Richard Bills, president of district 20, and William Baker, who was overseer of the work during the summer, we were able to move into our new house at the beginning of the school year. During the first semester the finishing touches were added and we are now planning an open house in connection with our Founder's Day celebration.

During the first semester twelve men were initiated into the brotherhood. In September, Larry Smith, Richard Bean, Richard Bonham, Sam Hardnen, Steve Blom, John Dalton, Gary Johnson, Mike Judah, David Keeney, and Hal Whipple, our faculty advisor, were initiated. In De-

cember, Steve Queen and Paul Rutosi were also initiated.

First semester rush was very successful this year. We pledged 26 young men with outstanding potential. Now we are looking forward to an exceptionally promising second semester rush.

At homecoming last year we won first prize in the Queen-float division with our version of the "Wizard of Oz." The theme of this year's homecoming celebration was "musicals." Many hours of hard work were devoted by pledges and actives alike to make our float successful. Our very special thanks go to Brother Hal Whipple and his wife for their hard work and valuable ideas.

Bill Hazzard, MC, received honorable mention for the NAIA All-American football team at defensive end. Bill also has one more year of eligibility remaining.

The new officers for the spring and fall semesters are: Gene Mitts, SMC; Richard Valentine, IMC; Keith Grigsby, SC; and Larry Smith, ThC.

DAVE KEENEY
EX, Kansas State College
of Pittsburg

PiKA Back at Michigan

Pi Kappa Alpha is back on the University of Michigan campus. Already we are showing ourselves to be a formidable competitor in the fraternity world. Our scholastic average at the end of our first semester is 2.87, among the top ten of the university's 47 fraternities. We also rated the cover and lead write-up in the "Michigan Fraternities Commentary", the quarterly IFC publication.

Our strong and growing organization is centered around fine enthusiastic men. Our president, Dave Jacobs, is a sophomore and one of Michigan's cheerleaders. He holds the NAAU, Midwest Open, and Nissen Cup titles in trampolining and will represent the United States and Pi Kappa Alpha in the World Championships next June. Ron Muir, our vice-president, is a junior pre-med student who is from Livonia, as is Mac Joubran, a junior in drama, who stars in *Musket*, the university's

original dramatic presentation. Jon Fischer from Huntington Woods is our treasurer and Mark Hodges from Allen Park is our secretary.

Our other members are Dave Chapin, Huntington Woods; Greg Jones, Grosse Ile; Dave Lustgarten, Long Island, New York; Doug McMillan, Grosse Pointe; Tim Pirkle, a former Navy man, Berkley; Dick Reid, Detroit; Dick Thaler, Gaylord; and Mike Varnarelli, Rochester, New York. Ron Gilbert (Γ-Z, Wittenburg) is our alumnus counselor. Mike Galinis (Z-E-Western Kentucky) is special colony advisor and Steve Benz (A-A-Duke) is our resident counselor.

We have had several functions such as a Halloween party; a Christmas party with District President Mike Clancy and Delta Nu (Wayne State), our big brother chapter at Wayne State; and several other get-togethers. All these were highlighted by a party on Nov. 11 at the home of Brother Earl Keim, one of our alumni. For this semester we have planned a schedule of parties and field trips to different chapters. We are planning to bring the whole Colony down to the national office for a visit during the semester.

Our alumni have shown an eagerness to see us work our way to the top. They have re-established the house corporation, donated several trophies and handsomely furnished the living room and founders room. They have tried to encourage us to rebuild the greatness that once was; we are determined not to fail them.

We are now on the threshold of our first rush. Field Secretary J. Lance Parker is again with us, and, along with Delta Nu, he is helping us with our rush organization and operation.

Opportunity is knocking at 1606 Cambridge, the residence of the Beta Tau Colony. We are answering.

DICK REID
University of Michigan
PiKA Colony

Palochik Heads Pitt Chapter

Larry Palochik, our SMC, presides over our cabinet meetings. Dave

Cindy Corbett (KKΓ) Univ. of Pittsburgh Dream Girl.

Ostrowski, IMC, Bob Pacha, ThC, Wayne Bodenheimer, SC, Peter Demetsky, MC, and Bob Buchanan are the other cabinet members.

Miss Shirley Laughlin, KKT, was elected to represent the PiKA's for our homecoming queen candidate, and to our advantage; for Shirley not only came out tops in our eyes, but on campus, too. Shirley is now the 1966 Homecoming Queen of the University of Pittsburgh. Shirley was our hostess when we entertained our alumni after the game.

Our Dream Girl Formal was held in the Golden Room at the Holiday House. Miss Cindy Corbett, KKT, was chosen as our Dream Girl of 1966.

Pledgemaster Michael Paxinos aided our ten man pledge class in its pledge project. The pledges did a fine job of renovating the downstairs recreation area.

RAY URSIN
ΓΣ, University of Pittsburgh

Nebraska Colony Looks Forward to Installation

At this time, the colony at Nebraska University is looking forward to petitioning Pi Kappa Alpha and installation as a chapter. It is appropriate to look at the history of the previous chapter and at that of the colony.

On March 1, 1924 the Bushnell Guild Fraternity petitioned Pi Kappa Alpha for affiliation with it. From that time until the beginning of World War II, Gamma Beta Chapter carried on in the finest traditions of the fraternity. They were among the leaders on the Lincoln campus in every activity, from scholastics to intramurals. This chapter produced fine men in every field of endeavor such as A. Leicester Hyde, now the president of Midwest Life Insurance Company.

Because of World War II, the chapter was forced to disband. Not until twenty-five years later was Pi Kappa Alpha re-colonized at the university.

September of 1965 brought this re-establishment and revived the traditions of Pi Kappa Alpha at the University of Nebraska. Much was accomplished in the first year of the colony, including the procuring of a house for the men of the fraternity and the attainment of a 2.6 accumulative average. Other accomplishments were ascending to the finals in intramural basketball play, a first place award in sportsmanship, and a 13th place out of 27 fraternities in overall intramurals.

This year, along with many accomplishments in social and campus activities, we have won our league championship in intramural football.

We believe that the quality of men that now belong to the colony will bring about even greater achievements in the future.

But what lies ahead?—petitioning, installation, and membership in Pi Kappa Alpha—and only time will tell.

J. E. MERTEN
University of Nebraska
Pi Kappa Alpha Colony

Auburn University Pikes Show Marked Scholastic Improvement

Through a unified house effort we have become the "most improved-scholastically" fraternity on campus. Rejuvenated programs of mandatory pledge study halls and actual poster campaigns for better grades have finally shown their effect. Upsilon intends to make even greater strides

in the area of scholastic improvement.

Upsilon is well represented on campus politically with Jim Rotch as senator-at-large to the Student Government and Charles Majors as chairman of OSOIA (Auburn Conference on International Affairs). Brother Majors has played a significant role in obtaining outstanding speakers for this conference. Two of the speakers are Admiral Thomas Moorer, a commander of the NATO fleet, and Bruce W. Mann, sometimes referred to as the "Dean of U.N. Correspondents." Pike will provide transportation for these speakers.

Upsilon again placed high in the homecoming float competition, having taken first two years ago and third this year. At present we are in second place for the All Sports Trophy.

Upsilon had a very successful fall rush. We pledged 32 of the top men who came through rush. During the winter quarter we anticipate an effective deferred rush. This program was kicked off in the latter part of January with a "smoker" followed by dinner and rushing at the House.

On January 12, 1967, Upsilon held a tea for Brother Garth Jenkins who has helped us in innumerable ways. We are sorry that he is leaving us to become Assistant Executive Director but we realize that the National Fraternity is gaining a great man and true friend. In appreciation for his fine, open-hearted brotherhood and aid, Brother Jenkins was presented with an engraved gold watch at the tea. We, the brothers of Upsilon, will always remember and respect him.

Y, Auburn University

Zeta Kappa Has Successful Homecoming

Homecoming was the outstanding event of the Fall Quarter for the brothers of PiKA at Ferris State College. The float built by the Chapter placed third in fraternity competition, and our Queen candidate, Debbie Husel, was selected first runner-up in this competition.

Debbie has also been selected our Chapter Dream Girl. She is a 19 year

Debbie Husel, Ferris State Dream Girl.

old freshman, and was born in Grand Rapids, Michigan. She has traveled extensively and her home is now in the Philippine Islands.

Other events of the quarter included the publication and distribution of a Student Directory; a Halloween party sponsored by the Chapter for the children of Big Rapids; a Christmas party for the children which was sponsored in cooperation with the women of Alpha Gamma Delta Sorority; participation in the annual Winter Carnival and Zeta Kappa's Graduation Ball in the Spring.

The Brothers are working hard to have the most successful winter rush in the Chapter's history. Many new concepts have been introduced in our rush program, and a new pledging program has been instituted. Our plans include improvements to the chapter house.

THOMAS A. HARRIS
ZK, Ferris State College

U. Tenn. at Martin Remodels House

Epsilon Sigma chapter, University of Tennessee at Martin, started the year rolling by remodeling the fraternity house. The upstairs bedroom walls were covered with beautiful wood paneling. All the rooms that were not paneled were repainted along with the staircase and all woodwork. New red carpets were laid in the entrance hall and up the stairway.

They strike a lasting impression on anyone entering the front door. The floors in the Founder's Room, the Chapter Room, the TV room, and the bedrooms were sanded and refinished. The outside of the house was also repainted. The actives and pledges chipped in and shared the work.

In line with the tradition of Pike chapters, Epsilon Sigma purchased a fire engine. It is a 1937 Seagraves purchased from the city of Martin. The chapter is proud of the fire engine, and it can be seen touring the campus constantly.

The Chapter is fortunate this year to have Robert H. Palmer, professor of psychology as advisor.

On January 22, 1967, thirteen new men were initiated into the chapter. They were: Ronnie Dane, Rod Emerson, Richard Glasgow, Dan Hardesty, Jim Harrison, Jim Hayes, Andy Lowry, Billy McConnell, Steve Oseman, Jack Reese, John Sandefer, John Scott, and Dick Zwickey.

JACK O'HEARN
EE, Univ. of Tennessee
at Martin

Eta Pikes Occupy New House

Eta's Pikes returned to the Tulane campus to find a new house waiting to be occupied. The house, renovated at a cost of \$100,000, has sleeping quarters for twenty-three, eating facilities for well over a hundred, and the largest party area on the Tulane campus. The Pikes began another good year with the new house as an incentive.

After a successful Rush Week, a record number of forty-one men were pledged. This was the third largest pledge class on campus, and combined with the forty-five returning members, Pike became the third largest fraternity at Tulane.

Eta has become very active in school politics since the end of last year. Steve Zimmer was named Vice-President of Administration in elections held prior to the Easter break. Before the close of school, Marvin Beasley was elected President of the School of Engineering; Toby Kolstad was named as Secretary-Treasurer of the School of Engineering; and Joe Cocchiara was elected President of the Senior Class of Engi-

neering. Also, Brother Richard Bonzalez was elected President of the Sophomore Class of Engineering.

With the opening of school, the new pledges showed that they too were interested in politics. Greg Machtloff was elected President of Freshman Engineering; Pete Schlesinger won the post of President of Freshman Architecture; and Bob Demarco was named as Secretary-treasurer of Freshman Architecture.

This year, Tulane established a Student Senate. The Pikes were quick to campaign for the posts. Seven men out of nine were elected. They were Brothers Marvin Beasley, Gordon Shaw, Dominic Tamburo, Richard Gonzalez, George O'Haver, Steve Zimmer, and pledge brother Chris Matthews.

All of the pledge class of 1963, who are graduating this year, were named to Who's Who in American Colleges and Universities. They are Toby Kolstad, Marvin Beasley, Steve Zimmer, Joe Cocchiara, Gordon Shaw, James Davis, and William Talley. George Brown, a junior, who is attending school in Germany under the Junior Year Abroad program, was also named. Richard Theiling is attending school in England under this same program. Ernest Edwards was selected to *Phi Beta Kappa*. Three brothers, Marvin Beasley, Joe Cocchiara, and Toby Kolstad were elected to *Tau Beta Pi*, national engineering fraternity.

Present chapter officers are: Marvin Beasley, SMC; George Bohmfalk, IMC; Gary Monroe, SC; Gerard Sunderland, ThC; Bruce Sulzner, MC; Ira Marcus, Social Chairman; John McLaren, House Manager; Louis Gruntz, Historian; and John Connolley, Scholarship Chairman.

Eta has moved in scholarship from the position of thirteenth on campus two years ago to fifth this year. At the National Convention held this year in St. Louis, Eta chapter received the Most Improved Scholarship Award in the Fourth District.

By the time this article is published, the Pikes at Tulane will have held their Dream Girl Formal and will have seen the passing of another Mardi Gras. The Formal is slated to be held this year on February 6, the

night before Mardi Gras, at the Monteleone Hotel in the French Quarter.

DANNY VELASQUEZ
H, Tulane

Miss Ryan Named Dream Girl

The Epsilon Lambda Chapter at Murray State University held its annual Dream Girl Ball on October 29, 1966, at Kenbar Inn on Kentucky Lake. Miss Mary Ryan was named Dream Girl. Mary is pinned to Brother Richard Hurt, who is now attending University of Louisville Medical School.

Mary Ryan, Murray State Dream Girl.

Spring Term officers are Steve Bisig, president; Billy Wilson, vice-president; John Barr, treasurer; and Ronnie Kaler, secretary.

Recently the wives and pin-mates of the Pikes at Murray established a local organization of Pikettes. There are approximately thirty women in this organization. The Pikettes serve the Epsilon Lambda Chapter by assisting at receptions and open houses.

Nineteen pledges were initiated in December. Don Franklin was named "Ideal Pledge." The Rho pledge class named Joe Day as "Ideal Active," and presented him with a plaque.

JAMES A. KRAUS, JR.
EA, Murray State University

Beta Theta Celebrates Christmas

Generosity has been a keynote to Beta Theta's activities this winter. The afternoon of December 18 was a happier one for physically handicapped children here. Cornell Pikes and their dates arranged a party at Ithaca's Reconstruction Home in hopes of sharing the deep contentment and assurance that others more fortunate often feel at holiday time. Brothers Huck DeVenzio, Houdini's protégé, and Ralph McNitt, Santa Claus, on special leave from *Macy's* (both threaten to become professional entertainers), kept the children enthralled. Brothers' dates distributed ice cream and gifts in remembrance of Christmas' true message.

That evening's yuletide celebration meant caroling, Viennese rhythms, and a bubbling atmosphere of red-checked tableclothes and candle-lit smiles. Chapter Alumni association president, Mr. Henry Otto, and his wife, were with us on this joyous occasion.

Altruism is by no means unusual at Beta Theta. This chapter's contribution to the Cornell Campus Chest, a fund maintained to assist a Peruvian sister school and Cornell students in grave emergencies, merited a citation for ranking among the most generous of contributing institutions.

Devotion and drive pervade the chapter house, particularly in athletics. Intra-fraternity football drew crowds as Beta Theta's heavy, hard-rushing line and 7-2 record brought us a tie for 1st place in league championship competition, and an entrance into the playoff. We've successfully fielded soccer and broomstick polo teams. We're currently undefeated in hockey and, with a little luck, expect to take the intramural bowling trophy again this year. In volleyball, softball, badminton, and perhaps in fencing and boxing, we'll see PiKA represented both on the field and in the cheering section.

From the lockers to the living room Pike has made the sports scene. We were honored this fall to welcome one of our alumni, Chief Cornell Hockey

Coach, Ned Harkness, who made an address here on campus. Ned talked of his experiences as coach at RPI, Troy, N.Y., and answered the questions of attending guests. Similarly, H. S. MacNeil, Head Coach for the Cornell Cagers, offered optimism for the season as he spoke here before a pre-rush audience of freshmen and upperclassmen.

Loyalty to a rich past becomes especially significant this spring at Beta Theta. Our chapter celebrates its golden anniversary on March 26. Brother Don Dickson will be with us to help dedicate a half-century of fraternity to Pi Kappa Alpha and to Cornell Pikes. We hope to initiate our faculty advisor and to honor Brother Art Stallman for his many years of distinguished work with the fraternity and the alumni association. Our fingers are crossed in hopes of having the four living founders of Beta Theta Chapter with us for the anniversary festivities.

Join us in congratulating our five most recent initiates: Bruce Goldfrank from Manhasset, Long Island; John Murnieks from Bethesda, Maryland; Jeffrey Hutton Riddel of Somerville, New Jersey; William Richard Sugg, III of Short Hills, New Jersey; and Thomas Moore Smith of Swarthmore, Pennsylvania. Full-fledged spring rush begins in February when IFC moratorium regulations are lifted for freshmen. Twenty-five pledges is quite a realistic goal.

In closing, an ad: "Wanted: fire engine (1) cheap (if possible); (2) red (or otherwise); (3) running (or

barely moving." If you know where such a vehicle might be obtained, please contact this chapter.

STEVE PERRELLO
BΘ, Cornell U.

Epsilon Epsilon First In Scholarship

Enthusiasm and spirit are running extremely high among the brothers after a highly successful spring semester last year. The entire chapter has been caught up in the tide of success created by the efforts of the hardest working group of brothers in recent history and prospects of an even more successful fall semester this year are very high.

Last year, Epsilon Epsilon pledged twenty-four men, nineteen have been activated with one other soon to follow this fall. This will mean that 83% of the chapter's pledges for the year were activated. Our present situation indicates that the choice of men for brothers was justified as every one of them has contributed greatly to our progress.

Our spring activation ceremonies were topped off with a banquet at which true brotherhood and friendship were first extended to the former pledges. The entire pledge class presented Pledgemaster Allan Kuntz with a five-foot paddle with each of their names engraved on individual plates on its front.

Last year, Epsilon Epsilon finished first in scholarship out of 13 fraternities on campus and first in the district with an overall average of 2.306. Three brothers, Alan Cribbs, Ric Walter and Jim Umlauf, were named

Miss Carol Jutkowski, (Pi Beta Phi), Homecoming Queen Candidate and Dream Girl of Epsilon, Univ. of Toledo.

to the dean's list with an average of 3.5 or better on a 4.0 system. In addition, Brother Walter was selected for membership in Pi Mu Epsilon, mathematics honorary.

This fall the chapter built a homecoming float which finished in first place for fraternities and in third place for all campus organizations. We also actively campaigned for our homecoming queen candidate Miss Carol Jutkowski, of Pi Beta Phi sorority.

The brothers are presently looking forward with great anticipation toward moving into a new house in the very near future.

LARRY HILL
EE, University of Toledo

Chaplain's Corner

DR. HAROLD H. LENTZ, *National Chaplain*

A mark of mature mind is the ability to see life in true perspective and so make right judgments. Take for instance the judgment of what quality counts most in a real man. A fraternity bull session might emphasize that manliness consists in athletic prowess, popularity, sex conquests, brains, or even courage. As the passing years bring their maturing influence and develop a wider perspective this judgment changes.

A middle-age professor is dying of a malignant disease. He is facing the advent of death fearlessly and philosophically. This is admirable and reveals again the marvelous ability of humanity to adjust and to endure hardship. But this professor is more than a stoic, bravely accepting his fate. He is an inspiration to others as he continually gives evidence of love and faith and service. He tells of a statement that buoys him up as his once exceedingly active life has been constricted slowly to his present wheel-chair living. That statement is: "Life's circumstances can build restrictive walls around what we can *do*, but the gates are always open wide as to what we can *be*." With this thought as his inspiration he is continuing to grow in mind and spirit and character, even while his physical horizons contract. The strength he is exhibiting in weakness, and the inspiration he offers from a heartbreaking situation, are contagious.

Here is the mark of a real man. It is the realization that being is more important than having, that what you are is more important than what you possess. This is an emphasis which Christ put on life. He ridiculed the man whose only goal was to build more barns to hold more material possessions, while neglecting the quality of his soul.

The Easter message opens to us the prospect of eternal growth in being, letting our life blossom to the full under the continuing sunshine of God's presence, and grace, and inspiration and strength.

It is the mark of a mature mind—and of a real man—to comprehend spiritual values and the worth of character, and to work toward their attainment.

(l. to r.) Major General Andrew Lolli, Western NORAD COMMANDER, Representing Secretary of Army; L. Jack Block, President, San Francisco Alumni Association; Col. A. Hauser, Commander 40th Brigade NORAD; Col. C. Ennis, Deputy Commander 40th Brigade, NORAD. Block was presented the U.S. Army's Outstanding Civilian Award on Aug. 29, 1966 at the Presidio in San Francisco.

SMC James J. Chaffin (A-Virginia) presents the key to the Interfraternity Council room which has been decorated and furnished by Pi Kappa Alpha at the University of Virginia, to IFC President Ted Feinour, a member of the Zeta Psi Fraternity. Pi Kappa Alpha Field Secretary Doug Winger (left), Col. W. H. Flannagan (second from right) District President #4, and K. D. Pulcifer (right), representative of the Pi Kappa Alpha Centennial Commission, participated in the ceremonies, turning over the new quarters to the Interfraternity Council. This is one of the many projects which the Pi Kappa Alpha Centennial Commission is performing, preparatory to the 1968 Centennial celebration at the University of Virginia and throughout the state.

COMMUNITY SERVICE DAY- APRIL 1, 1967

Alumni

Newsworthies

Earle Palmer Brown and Associates, Inc., Public Relations and Advertising firm in Washington, D. C., has promoted LARRY O. BROWN (O-Richmond) to account executive, handling several Washington accounts and two national accounts.

JOSEPH EDWARD PERDZOCK ($\Delta\Theta$ -Arkansas State) to Farra Jane Crenshaw, Dec. 17, 1966, Union City, Tenn.

RODNEY CLYDE PHENIX (EK -Lamar State) to Ann Morgan, Beaumont, Texas.

JERRY L. PHILLIPS (ET -Texas Tech) to Janette Heflin, Dec. 28, 1966, Brownfield, Texas.

LARRY PHILLIPS ($Z\Theta$ -Southwest Texas) to Janice Popp, ($A\Xi\Delta$).

ALAN F. REEDER (AT -Utah) to Jean Buzenberg, ($A\Delta\Pi$), July 9, 1966, now residing Santa Barbara, Calif.

JAMES E. ROBERTS (ΔN -Wayne State) to Sharon Le Tissier, Nov. 11, 1966, Detroit, Mich.

PATRICK R. ROSSMILLER ($A\Phi$ -Iowa State) to Catherine Cammack, May 28, 1966, Davenport, Iowa.

WALTER D. RUST (AO -Southwestern) to Linda Lou Guinn, June 18, 1966, Socorro, New Mexico.

JOHN C. SADLER (ΔE -Chattanooga) to Brenda Heifner (ΘM), Aug. 27, 1966, Harriman, Tenn.

LARRY SAMS ($Z\Theta$ -Southwest Texas) to Freddie Rosson, ($A\Delta\Pi$), Aug. 27, 1966, Edinburg, Tex.

Chapter Eternal

REV. LUCIUS ROSS LYNN (Θ-Southwestern-at-Memphis) died in Tallahassee, Florida, December 21, 1966, at the age of 91. In addition to his AB degree, he received his Bachelor of Divinity and Doctor of Divinity from Southwestern Presbyterian University, which was then located in Clarksville, Tennessee.

He was a member of the Diamond Life Chapter. His three sons, The Rev. Dr. Matthew Lynn, Dr. Ross M. Lynn and Robert D. Lynn and two grandsons, Dr. Ross P. Lynn and Robert D. Lynn, Jr., are also members of Pi Kappa Alpha. His son, Robert, was Executive Secretary from 1946 until 1959 and has been editor of the *Shield & Diamond* since 1949. Dr. Lynn is survived by his wife, Mrs. L. Ross Lynn, 2023 Forest Drive, East, Tallahassee, Florida, 32301, three sons, two daughters, nine grandchildren and four great grandchildren.

WILLIAM CONWAY ANDERSON, III (BZ-S.M.U.), May 30, 1966, Calvert Texas.

GORDON C. BRIGGS (BB-Washington), May 2, 1966, Bremerton, Wash.

JOSEPH S. CHAMBERLAIN (AE-No. Carolina State), Aug. 2, 1966, Kanona, N. Y.

ALLEN BENJAMIN CRUMP, JR. (AZ-Memphis State), Nov. 8, 1966, Memphis, Tenn.

FRANK ELSBREE (ΓΞ-Washington State), Sept. 6, 1966, Sacramento, Calif.

ROBERT A. HENRY (AZ-Arkansas), Oct. 15, Eagle Lake, Tex., where he had been teaching Spanish in the high school.

FREDERICK A. JESKE (ΔB-Bowling Green), July 17, 1966, Cleveland, Ohio.

DUANE C. JOHNSON (AX-Syracuse), May 13, 1966, Niagara Falls, N. Y.

MAJOR RAYMOND E. JOHNSON (AA-Georgia Tech), killed in Viet

Nam, July 9, 1966. His home was Lake City, Fla. *Gold Star*.

JOHN F. MCNAIR, JR. (AE-No. Carolina State), June 11, 1966, Laurinburg, N. C.

FRANKLIN L. OVERTON, JR. (AVirginia), Aug. 19, 1966, Windsor, Va.

HUNTER W. RICHARDSON (ΔΔ-Georgia Tech), May 27, 1966, Salisbury, N. C.

ROBERT G. SCHOFIELD (BA-Penn State), July 9, 1966, Jenkintown, Pa.

GLEN K. SCHOOLER (AP-Ohio State), May 28, 1966, Columbus, Ohio.

JAMES J. SHAW (ΑΣ-Calif. at Berkeley), Sept. 6, 1966, San Francisco, Calif.

CAPTAIN CHARLES MILLS SHELDON (Γ-William & Mary), killed in combat in South Vietnam, April 8, 1966. *Gold Star*.

DR. WILSON P. SHORTRIDGE (AO-West Virginia), July, 1966, Morgantown, West Va.

FRANK J. SHURTZ (AP-Ohio State), Aug. 29, 1966, Berryville, Ark.

MARINE LT. STEVEN FRANCIS SNYDER (I-Hampden-Sydney), killed in action in Viet Nam, Aug. 25, 1966. *Gold Star*.

BURTON ALLEN STEWART (AΦ-Iowa State), Aug. 29, 1966, Marshalltown, Iowa.

ROBERT A. SYLVESTER (ΓA-Lehigh), July 25, 1966, Media, Pa.

THOMAS C. TALIAFERRO (O-Richmond), Sept. 14, 1966, Tappahannock, Va.

WILLIAM TAYLOR (EY-Gannon), auto accident Oct. 14, 1966, Erie, Pa.

LEON M. TUCKER (AZ-Arkansas), a civilian pilot of Air American, Inc., based at Vientiane, Laos, died Sept. 21 while visiting in Thailand.

ERRETT VAN CLEAVE (BΔ-New Mexico), Dec. 8, 1966, Washington, D.C.

ALEXANDER R. VAN DER STEGEN (AH-Florida), June 7, 1966, Gainesville, Florida.

KENNETH O. WARD (BO-Cornell), July 28, 1966, Candor, N. Y.

ROBERT ADAM WEBER (AΦ-Millsaps), Jan. 24, 1966, Jackson, Miss.

JESSE F. WHITE (I-Hampden-Sydney), Richlands, Va.

RAYBON WILLINGHAM (AΠ-Samford), auto accident, Sept. 1966, Montevallo, Ala.

GORDON P. WOOD (ΓE-Utah State), Aug. 2, 1966, Salt Lake City, Utah.

WILLIAM M. GORMAN (ΑΣ-California) died November 7, 1966. Brother Jack Block paid tribute to him and his life of service in the Jan. 1, 1967, Alpha Sigma News. He said in part, "The things he did and the little people he did them for are most remarkable . . . there was no visible show of greatness, yet there it was, over and over again." In his quiet service to others, from the man on the street to the bank president, "The William Gorman Memorial Study Room" is being established in the chapter house as a memorial to him. Contributions should be sent to L. Jack Block, 216 Montgomery St., San Francisco.

FRANK LEEPER PHIPPS (Z-Tennessee) Dec. 17, 1966, Memphis, Tennessee.

Leon M. Tucker (AZ-Arkansas), a civilian pilot, died September 21, 1966, while visiting in Thailand. He had flown more than 24 years, serving both in military and civilian capacities. He served as a District President from 1948 to 1950.

IN THE BONDS OF FRIENDSHIP

by Executive Director EARL WATKINS

Much has been said about Project Centennial during our recent National Convention in St. Louis, and much space has already been devoted to it in previous issues of *The Shield and Diamond*. I feel that the success of Project Centennial is so important that I am going to devote my "In the Bonds" article to this subject.

ONE HUNDRED YEARS OLD is what Pi Kappa Alpha soon will be. Ending the first century as one of the strong, better-recognized fraternities is due in large measure to those who came before us. At one time the Fraternity was all but dead. It was saved at the last minute by the Junior Founders' Convention in 1889, which was attended by only three Chapter delegates. They gave all of themselves, and Pi Kappa Alpha was saved.

As the years passed, other great leaders rose to the occasion during crises such as the Depression and World Wars I and II.

Now we have a great opportunity to make a contribution to insure our Fraternity's future. The one-quarter million dollars goal may seem like a large amount, but when you consider that we have fifty thousand alumni, it would mean that if everyone did his share, it would average only five dollars apiece. Near March 1, you will be contacted by your Chapter Chairman. A record of contributions by Chapters will be kept, so make sure your Chapter does its share and makes a good showing.

The money to be used from Project Centennial will help further to strengthen the foundation of our Fraternity. A large portion of the

money is scheduled to go to scholarships. We are developing several projects at the University of Virginia to show the thousands of visitors that come to this great university each year that Pi Kappa Alpha was founded "on the grounds." Because of the rapid growth of the Fraternity in recent years, there is now a shortage of space at our Memorial Headquarters Building in Memphis, and plans call for a limited amount of these funds to be used for additional office space and meeting facilities.

This, for most of you, will be that once-in-a-lifetime opportunity to make a major contribution to your Fraternity. By doing so, you join hands with the Founders, the Junior Founders, and the other great leaders of the past in making it possible for Pi Kappa Alpha to enjoy the reputation that it has today and to enhance it tomorrow. Give generously when you are called upon.

(Left) Brigadier General Louis H. Wilson, USMC Congressional Medal of Honor Winner on a visit to the National Office, November, 1966, with William J. Crosby, Assistant Executive Director.

Opportunities Offered For Graduate School

Graduate School opportunities are available for this year's graduates who have sound academic records. Dr. Bernard R. Black, School of Education, University of Miami, Florida, presents its program which is representative of those at many universities.

The University of Miami graduate training program in College Student Personnel Administration, normally a two-year work-study program leading to the Master of Education Degree, is designed to prepare graduate students for college student personnel work in colleges and universities. In addition to providing for rigorous academic study, the program may include two years of practicum experience and/or internships involving professional responsibilities within the various offices of the Division of Student Affairs. The academic program and the various internship opportunities are designed to meet the graduate student's needs and desires.

Graduate internships are offered to outstanding men and women who wish to pursue a career in the field of higher education and/or college student personnel administration. The interns are assigned to various offices within the Division of Student Affairs. They work under the direct supervision of each departmental chairman. An intern during his first year may work in the Office of the Dean of Men or Dean of Women, the Financial Aids Office, the Admissions Office, the Registrar's Office, the Student Union, Placement Services, or even with one of the religious foundations on campus. The type of activities in which an intern may be involved may vary from the recruitment of students to their placement upon graduation.

Under this program, the graduate student must carry 8 to 10 graduate credits in each of the fall and spring semesters. Remuneration will be between \$1500 and \$2000 during the academic year plus waiver of tuition, including summer waiver. During the summer months, the student may earn an additional 12 credits of graduate work if he chooses to attend Graduate School full time.

DIRECTORY

NATIONAL OFFICERS

SUPREME COUNCIL

- NATIONAL PRESIDENT—Donald Dickson ΔB
175 Beechwood, Avon Lake, Ohio 44012
NATIONAL VICE PRESIDENT—Guyton H. Watkins
H, Box 850, New Iberia, La. 70561

What lies ahead for Century II?

—Money awards offered for New Statement of IKA Goals

On This Firm Rock Rests IKA's Original Concept

"For the establishment of friendship on a firmer and more lasting basis; for the promotion of brotherly love and kind feeling; for the mutual benefit and advancement of the interests of those with whom we sympathize and deem worthy of our regard; we have formed this Fraternity. . ."

—preamble to the Constitution of IKA

Looking forward to the second century of Pi Kappa Alpha one year hence, what are our goals?

Founded primarily in the spirit of brotherly love nearly 100 years ago, Pi Kappa Alpha today stands for far more than social friendship, more than group congeniality with common likes and beliefs and more, in fact, than a cordon of friends dedicated to a mutual faith in certain high ideals named in its secret code.

Pi Kappa Alpha, by its broad admission of young men of varying philosophies, politics and social backgrounds, reaches out today to spread new concepts of social and intellectual attainment, respect for law and order, personal and group conduct and citizenship responsibility.

Pi Kappa Alpha teaches and supports these principles.

As individual and national responsibility grows, the objectives of this Fraternity assume wider scope and require broader definition.

As the Fraternity enters Centennial II, a new focus on the future is needed, inspired by the ideals of the past.

For a re-statement of Fraternity Objectives for its Second Century, the Centennial Commission invites the contributions of all IKA's, undergraduate and alumni.

To undergraduates, award money for such a Centennial II statement of objectives is offered in the amounts of \$100, \$75 and \$50 for essays on this subject.

This announcement is being made at all Undergraduate Chapter Founders Day meetings in March and the offer will be repeated from time to time in THE SHIELD AND DIAMOND. The statement can be in any form and of any length—but in any such statement, brevity is a virtue.

Entries should be received at the National Headquarters by June 30, when selection of outstanding statements will be made for future use by the fraternity.

Essays are solicited from alumni and undergraduates.

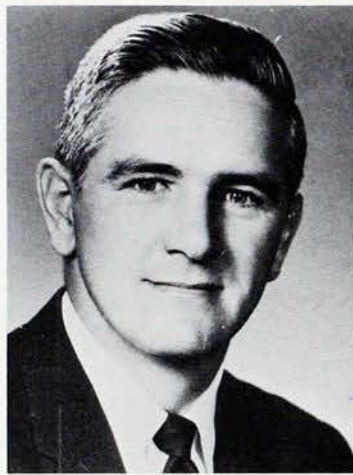

Please address all entries to

TO PI KAPPA ALPHA PARENTS: Your son's magazine is sent to his home while he is in college. We hope you will enjoy reading it. If he is no longer in college and is not living at home, please send his permanent address to Pi Kappa Alpha Fraternity, 577 University Blvd., Memphis, Tennessee 38112.

A Founder's Day Message

Is it enough to coin a motto? to set forth a goal? to direct our attention to an aim in life? The motto, goal and aim that we in Pi Kappa Alpha set forth at our 98th convention was and still is: "Pi Kappa Alpha—The Pursuit of Excellence." Is it enough?

The realistic answer is, of course, "no." No motto, goal, or idealistic direction is ever enough. It takes deeds, actions, and conviction—a conscious and conscientious effort. To merely exist is not enough. You must do something more. Every man has to seek to excel, to realize his own true worth, to do whatever he does well. The same is true not only of yourself, but your chapter, and your fraternity.

To excel implies, according to Webster, preminence in achievement of quality. Quality is the essential ingredient of excellence. One does not exist without the other.

It is not enough for us to celebrate our birthday of 99 years and say to ourselves, "We have done well, haven't we?"

Fraternalities were born of revolution to meet the needs of a changing world. Our world changes daily around us and as never before we need a new revolution; a revolution of excellence. Quality in personnel, programs, and purpose can only result in excellence of reputation, scholarship, character, and leadership.

We must become aware of a responsibility for the consequences of our conduct and really feel that responsibility with our heart and soul. We must say, "Here I stand: I believe in the worth and value of fraternity." Then we must demonstrate that belief by making a personal and chapter commitment, as we pay homage to those who founded our glorious order, to EXCEL: to be superior in quality, merit and skill; to better or exceed what has been done before.

Excellence breathes new life and vigor into Pi Kappa Alpha in every case, but the alternative of mediocrity only summons the harbingers of the motto, "fraternalities are dying," to a feast.

I have made the commitment of a zealous member. When will you make yours?

To pursue excellence, the perfect cause, one must start with the essential ingredient: QUALITY.

A handwritten signature in dark ink, reading "Donald E. Rickson". The signature is written in a cursive style with a large, prominent "D" and "R".
