

# RATTLESNAKE!

## Avoidance Clinic for dogs

Let the experts from “**Get Rattled**”  
train your dog to avoid  
rattlesnakes.

Back by popular demand, we are conducting rattlesnake avoidance training at Olive Hill Kennels for the 5th consecutive year. Experienced dog trainers and a licensed snake handler will conduct the training to assure maximum effectiveness and safety. Dogs will be trained to use 3 senses; sight, sound, and smell, to detect and avoid rattlers. This training could save your dog's life - maybe yours too!

**WHEN:** April 22, 2018

**WHERE:** Olive Hill Kennels,  
5235 Leiser Rd, Knights Landing

**COST:** \$85/dog, or \$60 for dogs trained  
previously by Get Rattled.

The clinic will be held from 8:00AM to 5:00PM. Appointments will be scheduled on a first come, first served basis, in 15 minute increments.
