What is “SAKURA” Japan Women’s Wine Awards?

Yumi Tanabe
President

In Japan, women often play a leading role in wine selection. That’s why we believe wines judged and selected by female experts will lead to consumers’ trust and satisfaction. Aiming to push the boundary of wine market in Japan, we will continue our effort in collaboration with you. The award-winning wines are available for consumers at supermarkets, wine shops, and on-line. At the same time, these wines are also served in restaurants.

This year, 560 judges gathered from all over Japan. Well-honed taste of these wine professionals have selected the award-winning wines, which we hope will be widely accepted by Japanese people.

Our mission – Focus on Women’s Voice in Wine Selection

How to Judge

Scores will be marked out of 100 points. Double Gold, Gold and Silver Awards will be given according to the designated scores for each award. Another round of tasting will be held to select Diamond Trophy from Double Gold winning wines.

Only "varietal", "vintage" and "price category" are disclosed for blind tasting.

5 judges form a group, led by the group leader. The result, however, will reflect the scores given by individual judges.

Each flight typically consists of 12 to 16 items, sorted by varietals. We have adopted the individual scoring method and not comparative.

A judge assesses 36 to 48 items a day.

Corky wines will be sent for the second round tasting.

Winners Message

Dear Jury and all,

It is with great pride and a sense of honor that I say thank you for awarding me the Best Women Winemaker 2020 and for awarding the Diamond Trophy to our *Robert Mondavi Winery Napa Valley Maestro 2015 vintage*. Japan has always held a privileged place in the heart of Margrit and Robert Mondavi. The heartfelt honor of these awards, bestowed upon our 2015 vintage and myself, is addressed to them directly.

Mr. Mondavi was my mentor, my inspiration, and through his teachings I continued in our tradition and to work to serve his legacy justice. It is therefore of tremendous honor to have our limited release; Maestro 2015 receive such recognition. I truly believe that our unique Maestro 2015 is a 'blending masterpiece,' exhibiting Napa Valley in its fullest potential, comprised of Cabernet Sauvignon, though with Merlot, Cabernet Franc, Malbec, and Petit Verdot accompanying to create a 'symphony for the palate.' Mr. Mondavi gave me all the means necessary to have our Napa

Valley terroir become recognized as capable of crafting wines that rank amongst the greatest of the world, and I am forever grateful for this.

Margrit Mondavi was a very dear friend. Since I have always called her La Grande Dame of Napa Valley, I believe the honor bestowed upon me of Best Woman Winemaker, is in fact also an extension of her spirit and celebration of her. Her tenacity enlivened the Napa Valley and the world, just as the tannins of our blends can enchant the palates of so many. The Best Women Winemaker 2020 award is one that I am sure Margrit is smiling upon now.

The spirit of Mr. Mondavi and Margrit must be together, in heaven, celebrating this great moment. I'm sure they are drinking a delicious wine to the jury and to everyone's health. On behalf of them, and all of Robert Mondavi's team who made this tremendous award possible, I would like to say thank you. Together, through celebrations just like these, we continue the dream of Margret and Mr. Mondavi.

Arigato gozaimasu, merci, thank you very much,

Geneviève

Message From Floriance Eznack, Winner 2019

Dear Genevieve, I am thrilled to pass you on the Best Woman Winemaker Award I was so honoured to receive last year. Congratulations! You highly deserve it. This award is first, a fantastic recognition of your work and passion for the wines you create, day after day. But it also offers an excellent opportunity to encourage women to make their way in in this men dominated wine world. It's our mission to share our passion, our experience and transmit our expertise to a young audience willing to evolve in this incredibly inspiring wine industry!

LA REVUE DU Vin DE FRANCE

IS THERE A UNIVERSAL WINE GLASS?

ラ・ルヴェ・デュ・ヴァン・ド・フランスは、どのようなワインでも同じ精度でテイस्टィングができるグラスを探して、主要なグラスメーカーの10種類のワイングラスでテストを実施した。

最も汎用性が高いグラスは
シュビゲラウ社の
「オーセンティスホワイトワイン」

シュビゲラウ社によってドイツで製造されたこのクリスタルガラスは、美しい輝きを放ち、柔軟性があるため耐衝撃性にも優れている。手に持つとやや重いのが、プロにとっても一般消費者にとってもこのグラスは理想的な選択である。特許すべきは10,000回の食器洗浄機の使用でも破損しない耐久性が保証されていることだ。このグラスは、同じくシュビゲラウ社が製造する少し小ぶりの「エキーストテイスト」のグラスの後継シリーズにあたる。様々な種類のワインで試飲した結果、スパークリングワインの中には泡の繊細さを失うものもあったが、ほとんどすべてのワインの良さを引き出した。白ワインでは、フルボディのシャルドネが持つ香りや味わいの透明感を表現し、審査において多くの票を獲得した。このサイズのグラスは、北ローヌなどの赤ワインにも有用であり、アルコール感よりも果実味を引き出す。

KISO SHIKKI

The production of Kiso-Shikki as a local industry started around 1670. The availability of sufficient wood supplies such as Kiso Hinoki (a kind cypress), a warm humid climate suitable for working with URUSHI, and the growth of the craft culture along Nakasendo Route, contributed to the prominence of Kiso-Shikki in the middle of Edo period. Kiso-Hirasawa was well known as the main production district of Kiso-Shikki. In 1949, Kiso-Hirasawa was designated as staple production area for URUSHI by the Japan government. In 1974, a law was established to promote Japan's traditional craft industry. Based on this law, three techniques for URUSHI work, " KISO-SHUNKEI ", " KISO-TSUIISHU ", and " NURIWAKE-ROIRO " were officially recognized as traditional craft in 1975. In order to preserve traditional Japanese URUSHI techniques and transmit them to the subsequent generations, the Academy of the Kiso-Shikki was established in 1976. In Kiso-Hirasawa the central area for production of Kiso-Shikki, many URUSHI shops stand in rows facing the Nakasendo Route, The people and government of Hirasawa have worked together to maintain the traditional qualities and their town. Thanks to their efforts, the Ministry of Education, Culture and Science designated Hirasawa as a special site for the preservation of valuable traditional building in 2006.
