*The Fragrance*

A sparkling top where the liveliness of citrus notes, the sensuality of rose wood and the freshness of flowers that have just blossomed, water jasmine and lily of the valley from the woods, are harmoniously woven together.

A rich and luminous heart is the result of the magic encounter between elegant yellow rose, violet, lilac, white peach, orange blossom and inebriating ylang-ylang.

A warm and refined dry down thanks to the sensual fusion of exotic woods with amber, musk and sweet vanilla.

**Floral-Fruity-Woody****A brilliant and sensual fragrance**

Freshness, ever more freshness, with the top note accord of apple and blackcurrant, while zesty grapefruit brings a touch of sunshine to the blend: the exquisite sensation of an ice-cold sorbet.

The radiant middle notes are a modern, subtle floral blend with soft, feminine notes of rose, magnolia and pink hyacinth.

The sensuality in the base notes flows through with its warm breath supporting the initial freshness, with woody notes of white cedar, musk and the persistent trail of amber.

The essence: Floral - fruity

A mysterious fragrance, daring and precious...

Let us leave the traditional olfactory pyramid to one side, so that we may permit nature to follow her own course.

The notes of TOUS TOUCH evolve in their own natural way.

The most intrepid notes let themselves be sensed at first, as a prelude to the magic which has yet to come: lotus, freesia and lily of the valley. Then we arrive to the moment of warmth. White flowers, in their purest state, take us in: Arabian jasmine; Osmanthus and Tahitian (Tiaré) gardenia, the flower given as a welcome gift in Polynesia.

Vanilla blossom, Raspberry and honey-sweetened almond linger in the sensual and exclusive scent of TOUS TOUCH.

The fragrance, designed by Sophie Labbe accompanies us in the journey of flowers and fruit that distinguishes the caress of TOUS: TOUS TOUCH.
