

VOL II NUMBER 2 APRIL 2008

### President General's Message

L. Vaughn Oliver, KSJ PRESIDENT GENERAL

The 86th Annual Meeting of The Sons of the Republic of Texas was a Great Success! More SRT Members attended than usual (5 first timers) and we accomplished a lot! Amended the SRT Constitution and the SRT By Laws, started a foundation that allows some protection of SRT assets, and enjoyed meeting with other SRT members. We have a lot of smaller projects that keep us busy, but this annual gathering helps keep us focused. This annual meeting brought change in the Executive Committee. We brought in a new face that has been around, Ed Heath. We lost another face, Leonard Cloud KSJ, PPG. He is not really lost, but can officially sit on the back row with the other seasoned members. I was elected President General, and several others now have new positions with new responsibilities.

This is a serious change for me and for you. One day I am a SRT member and proud of it; then I wake up and I am the President General of The Sons of the Republic of Texas. Something has happened from a small restaurant on Berry Street on the way to the Fredonia Hotel in Nacogdoches. In the service, I constantly seemed to be defending Texas Independence or Southern Heritage and I never seemed to know why. As the years have gone by, I have slowly come to know why. Texians are the ones who

step out, Texians are the ones who defend ideas, and Only Texas has The Lone Ranger. You just can't buy that, you have to be born a part of it. Our forefathers had no knowledge of any of this. Our forefathers had no idea this would blossom to this level. Our forefathers were trying to raise a family and survive in this new frontier. Their strength, their determination, and their inner vision are what helped them through the difficult times. We are products of this, we are proud of their lives, and we continue to step forward. Our challenges are different as life and times continue to change, but we are Texians. And Proud of it, just ask!

God Bless Texas!

This issue of the Texian will be mostly photos of the 86th Annual Meeting. I hope those of you who were unable to attend will enjoy the pictures and see why you should make it to next year's meeting. For those of you who were there, you can see that "What Happens In Nacogdoches" does not "Stay in Nacogdoches" JDB

#### IN MEMORIAN

This April we had a great Annual meeting, but April was also a sad month as we lost two very good friends. They will live on in our fond memories.

LLOYD CHARLES BILLINGS
Passed away April 20th 2008

Knighted 1990, Charles Billings was born in Beeville on June 4, 1933, to Lloyd and Freda Borchers Billings. He attended public schools there and graduated from A. C. Jones High School in 1950, having lettered in football, basketball, baseball, and volleyball. In 1955 he earned a B.S. degree in chemistry from the University of Corpus Christi. After ten years with a major oil company in Corpus Christi, New Orleans, and Houston, he resigned to form his own oil and gas exploration company, Sendero Oil Company, which operates mainly in Texas, Louisiana, Arkansas, and the Gulf of Mexico. His other investments include real estate, stocks, and motion pictures. In 1989, he conceived the idea of erecting a monument to mark the birthplace of Colonel William Barrett Travis near Saluda, South Carolina. United States Senator Strom Thurmond (S.C.) participated in the dedication of this monument. Senator Thurmond complemented Billings on his efforts at fundraising, designing, and placing this Travis monument by reading Billing's address on Colonel Travis into the United States Congressional Record. This event gained national recognition and was featured on the television series, "The Eyes of Texas." The SRT Distinguished Service Award was presented to him for this meritorious service to the state. His great-great-grandfather, John Billings, petitioned the legislature of the Republic of Texas to form the County of Lavaca. Billings and his wife, Peggy, lived in their Spanish-style home, "Casa Sierra," high atop a mountain over looking Canyon Lake. His hobbies include hunting, fishing, sports, and photography. Their travels have taken them to Europe, Asia, and South America.

He was a director of Guadalupe Valley Telephone Cooperative; the Alamo Foundation; Republican Presidential Task Force; Rotary Club; Fiesta San Antonio Commission; Argyle Club; San Antonio Petroleum Club; Longhorn Foundation; Texas Historical Association; Texas Peace Officers Memorial Committee; and Houston, San Antonio, and American Associations of Petroleum Landmen. He was also a delegate to the Republician Party Convention; past president of the Republican Men's Club of Comal County; president of Mental Health/ Mental Retardation for Comal County; Community director of Victoria Bank & Trust; admiral in the Texas Navy; and a recipient of the Republican Presidential Legion of Merit. A fifth-generation Texan, Billings served as president of the William B. Travis Chapter (#7), and as historian general and first and second Vice President General. He served as President General from 1994-1996

#### The Burial of the Dead and Celebration of the Holy Eucharist James Franklin ("Jimmy") Steinbach May 15, 1931 - March 31, 2008

On Saturday April 12th, the Fredericksburg Chapter held a ceremony for one of our own, James Steinbach. Jim was a long time member of the S.R.T. and long and dear friend of Sam Houston IV. Sam made the trip from Houston to Fredericksburg to pay his respects to his dear friend. Jim and Sam worked together for many years together in Houston. Also representing the Fredericksburg Chapter was Robert Baker, James Muncey, & Chapter President Donald Clark. Jim will be missed by many people. Rest in peace, Jim.

# USS SAN JACINTO CELEBRATES SAN JACINTO DAY IN THE MED

Greetings from the USS SAN JACINTO in the Mediterranean Sea!

I'm writing to share with you our ceremony that we held onboard the ship on Monday in remembrance of San Jacinto Day.

We held a very nice ceremony that started at 7 PM (Eastern Med. Time) which, coincidently, was commenced at exactly the same moment as your ceremony (11:00 AM Central Time). The Chaplain led off with prayer and I was the MC for the ceremony. I began with a detailed account of the Battle of San Jacinto. We have a lot of young crewmen that needed to hear in detail what this battle was all about.

Then Captain Sharpe gave his remarks and correlated how bravery and team spirit onboard the ship matches with what occurred at the San Jacinto Battle 172 years ago.

I then brought up 3 different crewmen who were all proud Texas state residents and they talked about pride in service and pride in being from Texas. These three senior crewman were from Taylor, TX; Lampasas, TX; and Pittsburg, TX.

The ceremony concluded by hearing from the Sons of the Republic of Texas "2007 Enlisted Man of the Year" - Petty Officer Michael Cole. We are very proud of the Sailor and he was an easy nomination. Petty Officer Cole has been stationed onboard the USS San Jacinto (CG 56) two different times during his career (a very rare thing in the Navy) and he was also "Command Advanced" by the Captain last year to the pay grade of E-6 because of his outstanding superior performance onboard the ship.

I also proudly displayed my Texas state flag that I was given last year when I came down to visit and I also had a scrolling slide show going on one of our large screen TV's. We held the ceremony in the crews mess and we really packed the crew in! The crew was riveted to the speakers throughout the entire ceremony. We concluded the ceremony with a nice cake cutting.

The crew greatly appreciated that we explained this historic event to them in detail and they now have a new-found appreciation for how important this battle was to our nation's future.

So, how was your ceremony that day? We explained that Petty Officer Michael Cole would have been there too but the mission of the ship required him to be onboard.

Here's some photos that were taken that evening. Also included are a few of the slides that showed on the large screen TV.

Very Respectfully,

Matt Simpson CMDCM (SW/SS) USS SAN JACINTO (CG 56)

# San Jacinto Day was proclaimed in Fayette County at the Fayette County Commissioners Meeting.

# San Jacinto Day Proclaimed

By H.H. HOWZE The Fayette County Record

April 21 was proclaimed "San Jacinto Day" by Fayette County commissioners Monday.

On that date in 1836, "the decisive battle of the Texas War of Independence was fought," according to the proclamation. "It is necessary and proper to remind the citizens of Fayette County of the sacrifices made by our ancestors ... to gain an independent Texas."

Sons of the Republic of Texas, a legacy heritage organization, sponsored the proclamation.

As for the Texas revolutionary war, "all's well that ends well."

Prior to the battle of San Jacinto, mere chaos had been unleashed upon the breakaway republic by Santa Anna's invading forces. Butchery of prisoners at the Alamo and Goliad signaled his intention to teach a bloody lesson.

But invasions, as Napolean

and other generals learned, have a way of breaking bad.

A reversal of fortune was

It came at San Jacinto because the insurgents had a leader, Sam Houston, who strategically preserved the army for such an opportunity.

And it came because his army, Texians as they called themselves, were tough individuals fighting for their lives and fortunes on home ground.

On April 21, 1836, fortune smiled on them and Texas.

A great day for the SRT - The Museum signs Depository Agreement which will allow the Sam Houston Museum at Sam Houston State College in Huntsville, Texas to keep the Sam Houston Templar Sword (in the case to the far right - you can see the brass hilt) owned by the SRT for the foreseeable future.
