Birthdays this week:

Editor's note: This week's newsletter is pretty skimpy. Anyone have something to say for next week?

Carey Winegarden winegca@netzero.com writes:

Hi Kent, I haven't written lately, been busy like the rest of us. I am coming up to Wisconsin Rapids this Summer again, probably for the Vesper Firemen's picnic and the Water Ski Show. **Just a note about our Class of '65' 40th reunion. It has been re-scheduled for August 20, 2005 at the Ridges.** Although not superstitious, the 13th?! Maybe another week closer to fall will be a little less humid also?!

I have secured the Ridges with a contract for the West Wing and will be organizing more once I get up there. I also hope to communicate with more classmates as to things they may want to do and who would like to contribute their time and ideas. Should be fun. I hope to see you this summer. Really appreciate the newsletters and all the effort you put forth.

Take Care, Cary Winegarden

A Wisconsin Rapids native was named chief executive officer and chairman of Wisconsin Energy Corp., a Milwaukee-based Fortune 500 holding company with utility and nonutility subsidiaries.

Gale Klappa, 53, a 1968 Assumption High School graduate, was selected by the board of directors this month to replace retiring CEO Richard Abdoo. Klappa, who also is president of the company, will take over as CEO and chairman on May 1.
