## Après l'Opéra

After opera is just one suggestion. Why wait for Aida before you try the champagne snack? Try it after The Game of the Week or The Show of the Week or while you catch up on James Bond. Try the new Veuve Clicquot Gold Label. The Gold Label introduces our impressive 1959 vintage. If you prefer non-vintage, try Clicquot Yellow Label Brut, or Clicquot White Label if you like it demi-sec. We've been offering Clicquot since Aida was a gleam in Verdi's eye, and we've never offered better.

Veuve Clicquot draws inspiration from its heritage and the iconic advertising visual from The New Yorker published in 1964.
