# 24V4210U

# LED Combo HDTV

# WATCH MAGNIFICENT MOVIES, MINUS THE CLUTTER

## **Built-In Slot-Loading DVD Player**

Convenient and clutter free. Instead of connecting a separate DVD player and HDMI $^{\odot}$  cable, simply insert a DVD into the TV $^{2}$  and watch your movie.

## **LED that Fits Anywhere**

Small LED Combo fits easily on your kitchen counter, in your office or in a child's bedroom.

## 1080p Full HD for Sharper Images

Step up to 1080p Full HD³ with more pixel resolution than standard HD for incredible image clarity to TV and your PC.

#### **New Dynamic Picture Mode**

Creates pictures that seem to pop off the screen. The new Dynamic Mode enhances color, sharpness, brightness and contrast to provide incredible picture quality.

# New Audyssey® Audio Technology

Audyssey Premium Television is a suite of advanced audio technologies that helps produce clear, rich and natural sound. For the V4210 series the suite includes:

- Audyssey EQ<sup>®</sup>
- Audyssey ABX<sup>™</sup> (Bass Extension)
- Audyssey Dynamic Volume®

#### **Multiple HD Inputs**

Full connectivity with two HDMI®4 HD Inputs and an HD PC Input, so the TV can also be used as a PC monitor. (Great for PC gaming!)

Top HD picture quality with 1080p Full HD<sup>3</sup> resolution.

Built-in DVD player<sup>2</sup> for watching magnificent movies, minus the clutter.

Dynamic backlight control for deeper blacks and more detail.

Easily connect to high-definition video and amazingly immersive surround sound in one cable.

Easily connect your PC to your TV for the big screen experience.

Easily connect to your favorite tunes and photos, create slideshows, or listen to your personal playlists with this feature.
