

# Jean®

By JEAN LORON

The 3rd SAKURA 2016  
Japan Women's Wine Awards

## Sharing and Authenticity

*Varietal: Gamay Noir*

*Terroir: The vines producing Jean are primarily planted on the hills located near Lyon. Their roots are anchored deep in granitic rocks formed more than 320 million years ago. Gamay Noir could not ask for a better well draining and airy soil in which to grow than this cradle of granite.*

*Wine-making: Grapes from specific plots are selected for their perfect ripeness and condition. They are sorted and partially de-stemmed. Temperature controlled maceration with the goal of gently extracting polyphenolic material and smooth tannins, while guarding the freshness of the fruit.*

*Aging: Jean ages on the fine lees in tanks to bring out it's complexity.*

*Tasting note: Jean's core shows a deep intense purple color with garnet and purple reflections. Intense aromas of ripe Black Berry & blue-berry, with licorice spice and mineral notes. The mouth feel is round with a pleasant sweetness and intense fruit flavors. Easy to access, Jean is full of freshness and the bright finish lingers.*

*Jean Loves the simple moments, beautiful and true, sharing and conviviality.*
