Annwyl Rieni,

Amcan pob ysgol gwerth ei halen yw bod yn ysgol hapus - yn gymdeithas glos - a dydyn ni ddim yn wahanol ym Mhenybrynn. Ein prif amcan yw darparu awyrgylch ddiogel a hapus i hybu'r plant i ddatblygu fel unigolion ynnddi ac i fagu sensitfrwydd tuag at anghenion eraill. Tra rhoddir pwyslais mawr ar y sgiliau sylfaenol, ceisir hefyd sefydlu agwedd iach tuag at yr ysgol.

Mae sut i ddysgu mor bwysig yn aml â'r hyn a ddysgir.

Mae'n hanfodol rhoi pwyslais mawr ar y Sgiliau Sylfaenol o lythrennedd a rhif ynghyd â gofynion Craidd y Cwricwlwm Cenedlaethol. Ni fyddem yn cyflawni ein disgwyliadau fel ysgol oni bai ein bod hefyd yn annog y disgyblion i fod yn aelodau llawn o'u cymdeithas efo dealltwriaeth a chydymdeimlad o ddisgwyliadau rhieni a cymuned. Hyderwn, ar bob achlysur am eich cefnogaeth i uno gyda ni i gyrraedd ein nôd, sef, i ddatblygu eich plentyn i'w lawn dwf yn gorfforol, addysgiadol, moesol, cymdeithasol ac emosiynol

Mae'r berthynas rhwng athro a disgybl yn bwysig.

Mae parch tuag at yr athro yn hanfodol.

Mewn awyrgylch rydd ond eto'n drefnus, fe fydd y plant yn dysgu un o'r gwensi pwysicaf - sef cyd-fyw.

Dyna ein hamcan - creu awyrgylch gyfeillgar, sefydlog lle perchir rhinweddau gonestrwydd a charedigrwydd, lle bodola trefn er budd a lles pawb.

Menna Wynne-Pugh (Pennaeth)

Dear Parent,

Every worthwhile school aims at being a happy one - a good community - and we are no exception. Our main aim therefore is to provide a pleasant and secure environment, where our children are encouraged to develop as individuals as well as acquiring a sensitivity to the needs of others. Whilst great emphasis will be given to the Basic Skills, we also try to instil a healthy attitude towards school.

How to learn is important, as well as what is learnt.

It is essential to give emphasis to the Basic Skills of writing and arithmetic in line with the requirements of the National Curriculum. We could not achieve our expectations as a school without also encouraging pupils to become full members of society, with understanding and sensitivity to the needs of parents and members of the community. At all times, it is hoped that you will join with us in fulfilling our aims, which are to develop your child, physically, academically, spiritually emotionally and socially.

Relationship between pupils and staff is important.

Respect for the staff is essential.

In a liberal and yet orderly atmosphere of a good school, the children will make progress in one of their most important lessons - the art of living together.

We aim to create a friendly, stable environment where virtues of honesty and kindness are deeply respected and where order and discipline is seen to exist for the general good.

DISGYBLAETH

Mae polisi Awdurdod Addysg Gwynedd ar ddisgyblaeth mewn ysgolion ynghyd â pholisi'r ysgol, yn rheoli'r ffordd y disgyblir plant yn yr ysgol hon.

Mae'r drefn disgyblaeth yn seiliedig ar bolisi lle mae pob athro/athrawes yn gyfrifol am ymddygiad ei ddosbarth ei hun. Os oes angen, gellir cyfeirio'r disgyblion i sylw'r Pennaeth. Mewn rhai achosion o camymddwym, cedwir y plentyn i mewn fel cosb dros amser chwarae. Dro arall byddwn yn rhoi gwybod i chwi am unrhyw gamymddwym, ac yn gofyn i chwi ddod i mewn i drafod ymhellach.

DISCIPLINE

Pupils in this school are disciplined in accordance with the Gwynedd Education Authority Policy on discipline in schools, together with this school's policy.

The discipline procedure is based on a policy whereby every teacher is responsible for the behaviour of his/her own class, but if required, a pupil may be referred to the Headteacher. In some cases of misbehaviour, the child will be kept in during playtime as a punishment. At other times, you will be informed of any misbehaviour, and asked to come to the school for further discussion.

BEHAVIOUR

Every pupil is expected to contribute towards creating a civilised society at the school by:

- *Being thoughtful, kind and courteous in relations with other pupils, all school staff, and any visitors.*
- *Not causing intentional damage or interfering with other people's property, not swearing or using indecent language, nor being discourteous or answering back.*
- *Making an effort to keep the school and its environment tidy, placing all rubbish in bins, and not writing graffiti on the walls.*
- *Not bringing personal belongings to school, e.g. toys, unless the class teacher has asked for them.*
- *Being encouraged to eat healthily. Therefore, the children are only permitted fruit at playtimes, no crisps and chocolate.*

Yn achlysurol, cyfyd amgylchiadau arbennig lle gofynnir i'r ysgol warchod y plentyn am gyfnod estynedig.

PASTORAL CARE

Parents are entirely responsible for their child's safety until he/she reaches school. The children are assembled for the morning session at 8.55 pm.

Supervisors are employed for the lunch time break. However, the Headteacher has legal responsibility for all children during this period.

Morning and afternoon breaks are supervised by members of the staff on a rota basis.

Children in the Infant classes are led to their parents and buses by their teachers at 3.20 pm - unless different arrangements have been made with the school.

Nursery pupils are led to their parents at the end of the session.

Parents need to notify the school if different arrangements are made.

All members of staff are on duty at the end of the afternoon session and ensure that all pupils are properly seated before the buses leave school.

Staff are always sensitive to circumstances that may arise if the parent is late.

The Governing Body is fully aware of the Safety Policy and have given it their seal of approval.

The school has a comprehensive policy on all aspect of safety, that is available at the school for parents to examine.

HOME / SCHOOL LIAISON

It is essential for close links between school and home to be established for the well-being and educational development of your child. Parents should take an active interest in their child's work and give lots of encouragement and support.

- *teachers are always willing to discuss any problems or worries concerning your child. If you require to discuss matters at length, then it is best to ring or send a note to arrange an appointment.*
- *regular evenings are established at school for parents to arrange appointments to discuss their child's work and progress.*
- *various meetings, displays, performances etc., are arranged from time to time to show you what children are doing at school. It is most important that you support your child by attending these.*
- *there are many opportunities for you to help or support the school in various ways, either through the Friends of the School or by helping teachers with classroom activities.*
- *each parent is encouraged to sign a statement of home school liaison following the first term of entry to school.*

HOMEWORK

Regular formal homework is set for all children in the Junior classes. They will also work on particular themes or projects. When this happens, it is hoped that the home will co-operate to encourage the child in their work. All pupils are expected to take part in the school - home reading partnership scheme -

From time to time a particular activity requires information by parents, relations and neighbours, or requires interviewing and research work by the child. It is appreciated that the child is the responsibility of the home during these hours and parents' willingness or unwillingness to co-operate will be understood in the light of this responsibility.

Occasionally a particular teacher may ask a child to do additional work in order to overcome some weakness or to concentrate on a special aspect of work. At such times it is hoped that the full co-operation of the home will be forthcoming together with encouragement to the child to do the work.

CYSWLLT A'R CARTREF

Mae llwyddiant eich plentyn yn yr ysgol yn bartneriaeth rhwng cartref ac ysgol. Yr ydym felly yn eich annog i ymddiddori yn addysg eich plant ac i fod yn gefn i'r ysgol yn ei gwaith ac yn ei gweithgareddau cyhoeddus.

Penderfynodd y corff llywodraethol y dylai addysg rhyw fod yn rhan o'r cwricwlwm ar draws yr ysgol. Teimlwyd ei fod yn rhan o'r cwricwlwm gwyddoniaeth ac addysg bersonol a chymdeithasol. Ymdrinir ag unrhyw gwestiynau a ofynnir gan blentyn yn sensitif. Bydd athrawon blwyddyn 5 a 6 yr ysgol yn trafod glasoed gyda phlant sydd ar eu blwyddyn ola'n yr ysgol mor agored ag y bernir yn addas o ystyried yr amgylchiadau, y cyd-destun ac aeddfedrwydd y plentyn. Your child's success at school is dependant upon co-operation between home and school. We therefore urge you to take an interest in your children's education and to support the school in its work and its public activities.

Any parent who wishes to discuss any aspect of their children's education can arrange to do so by contacting the Headteacher (by letter or telephone).

HOME/SCHOOL AGREEMENT

- *The responsibilities upon the school.*
- *Your responsibilities as parents.*
- *The expectations on the pupil.*

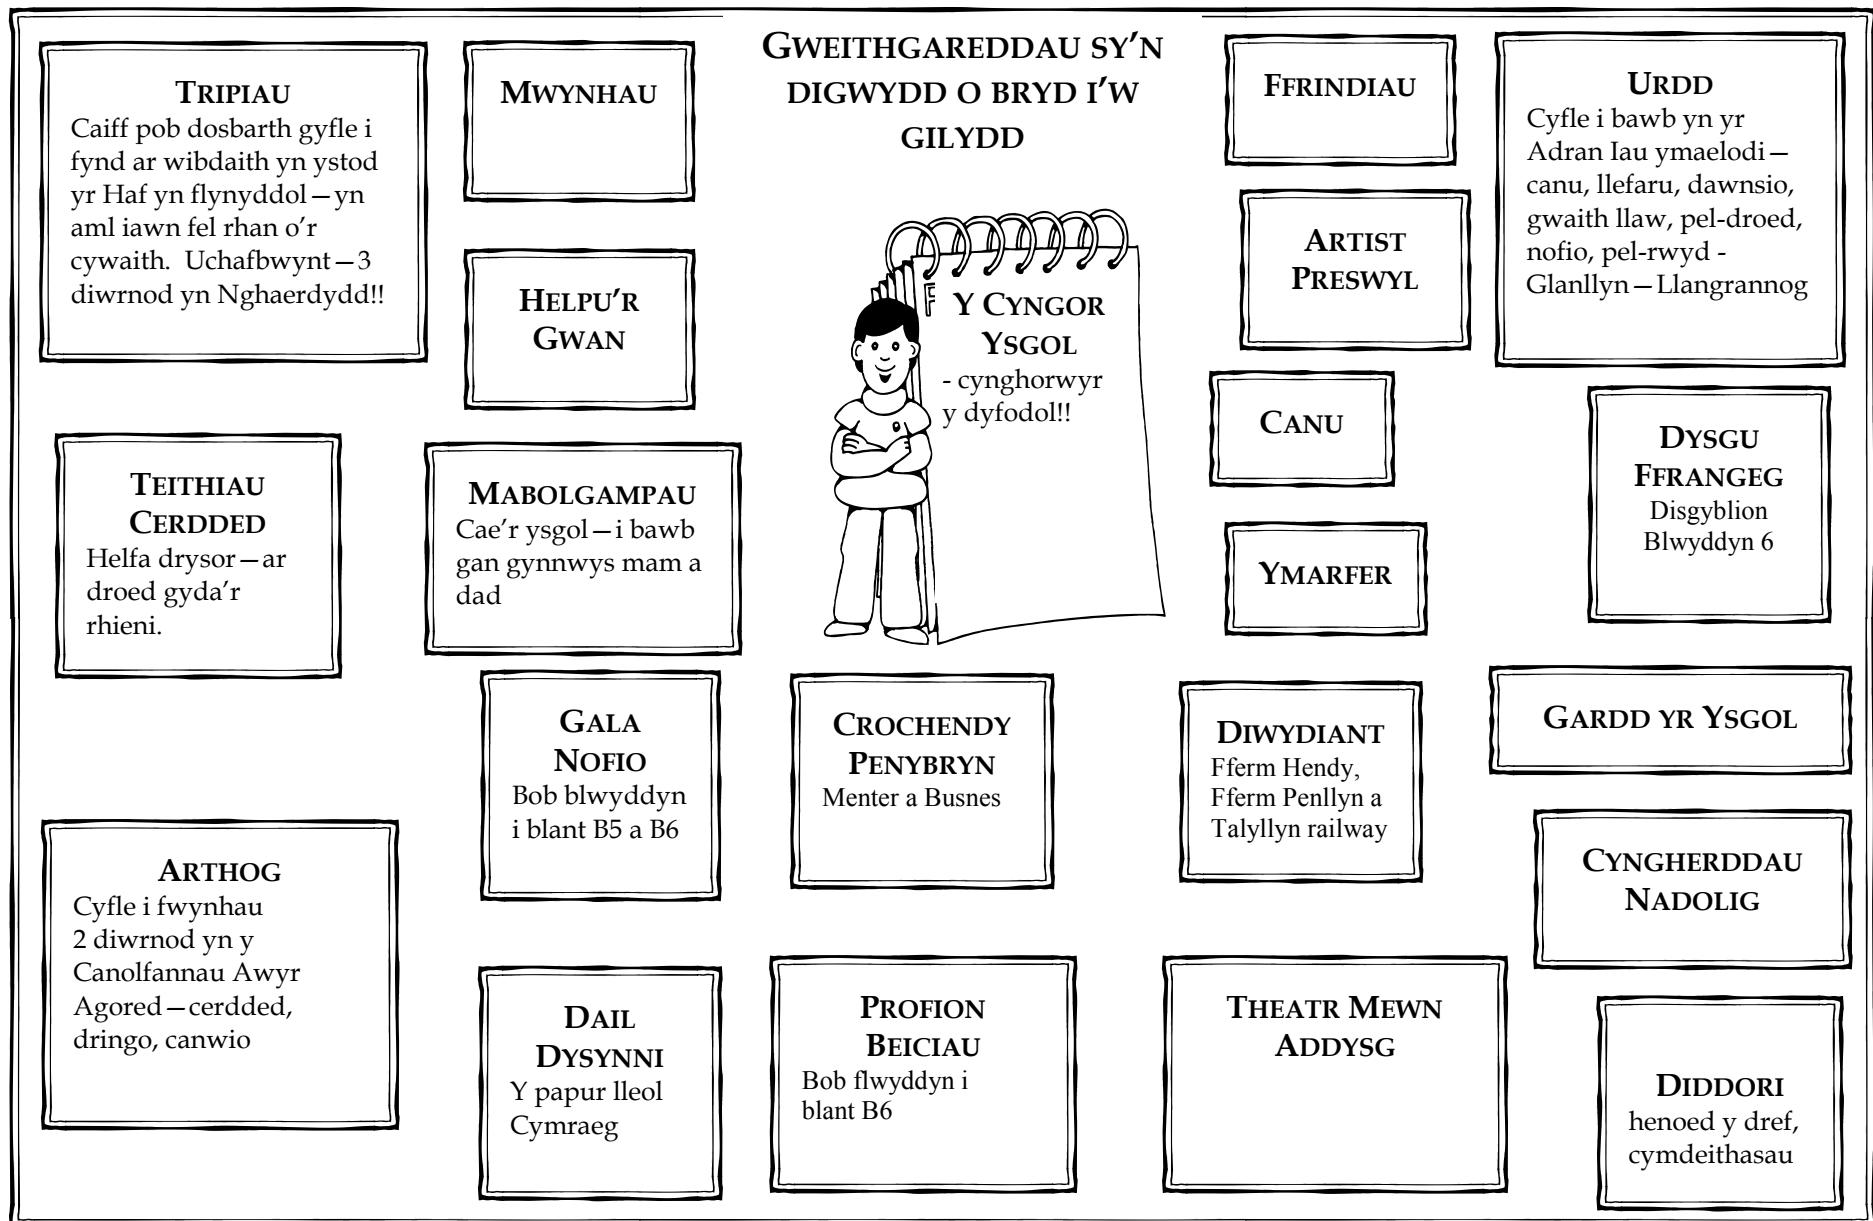

SEX EDUCATION

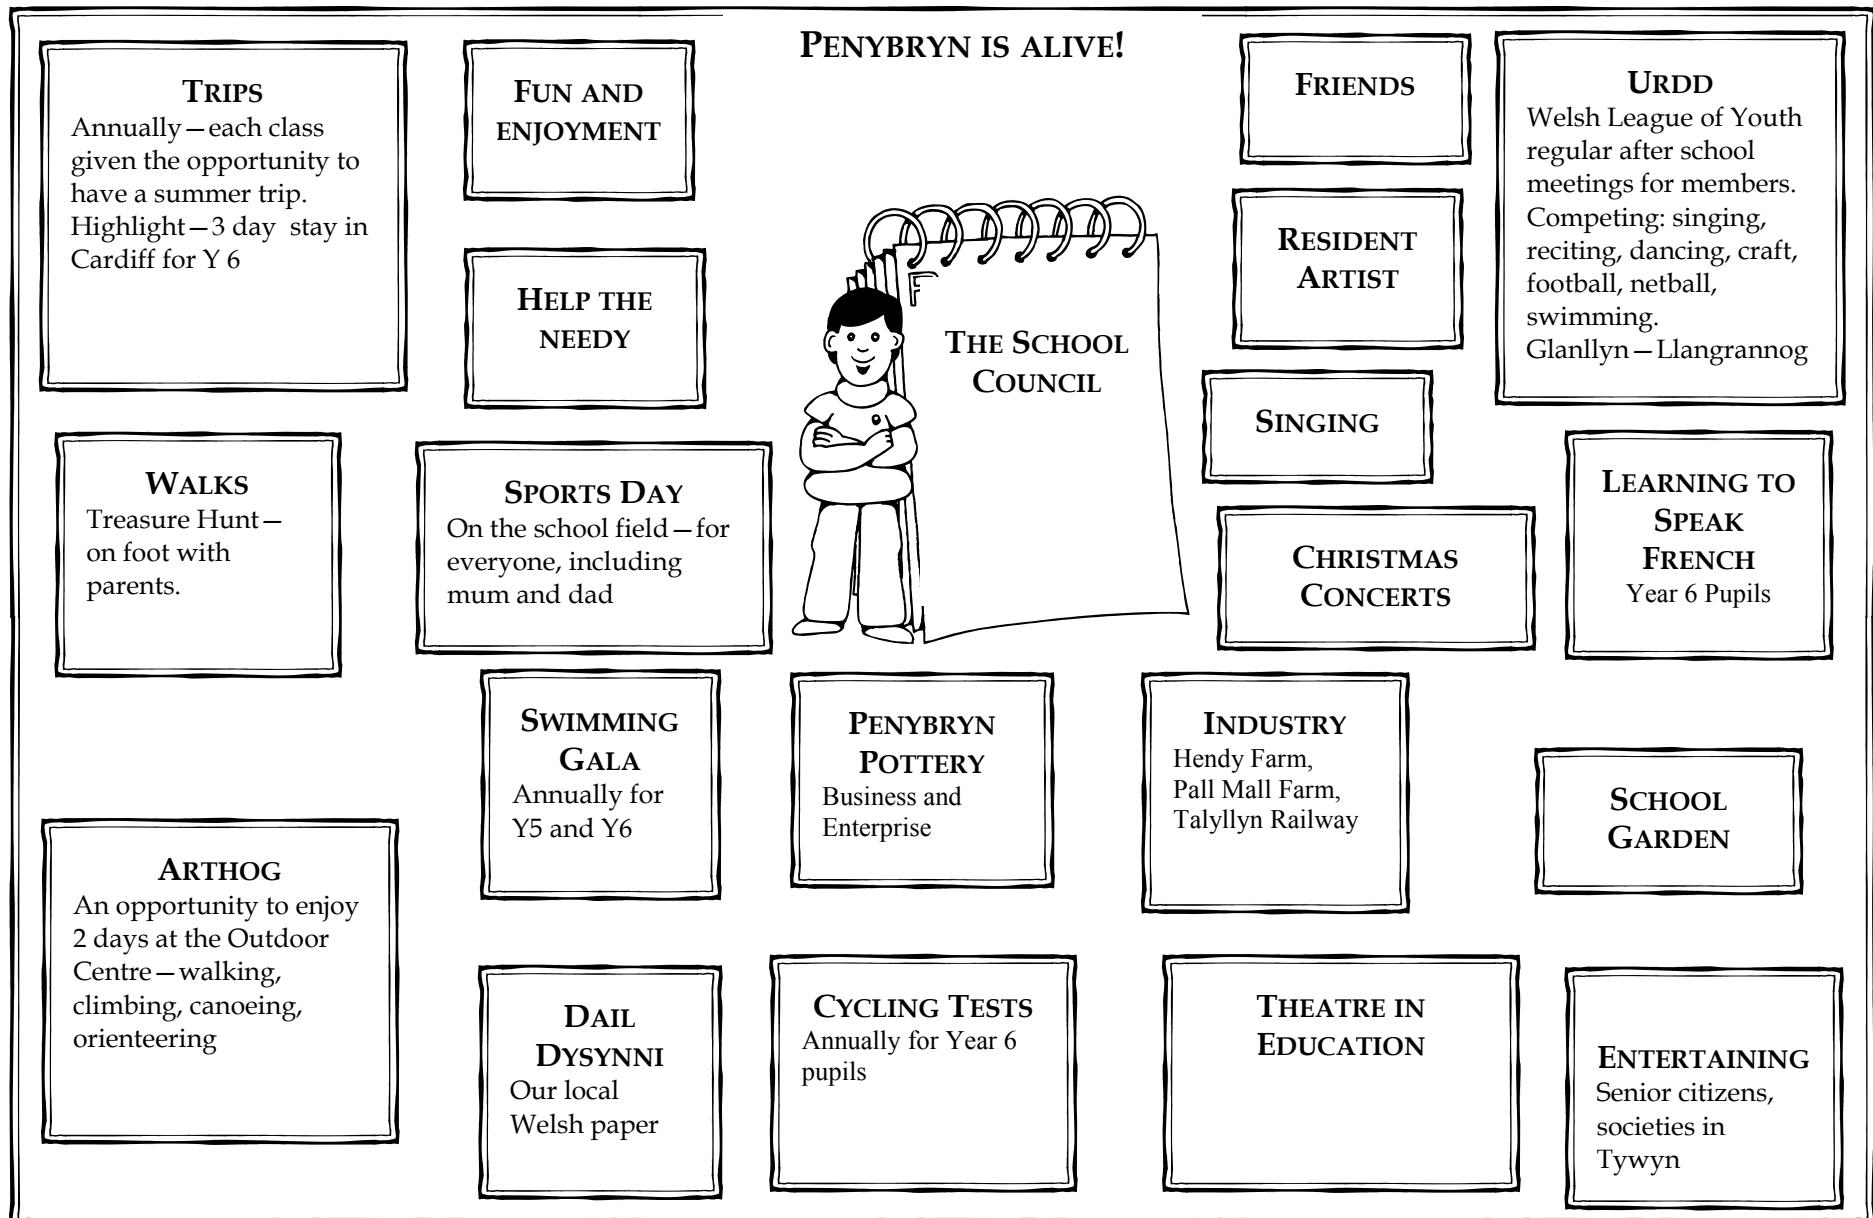

In accordance with the requirements of the Education Act 1986, the Governing Bodies of schools are expected to consider if sex education should be part of the secular curriculum. If they are of the opinion that sex education should be a part of the curriculum, they are expected to draw up and revise a written statement of their policy as regards content and procedure.

The governing body has decided that sex education is a part of the whole school curriculum. It is relevant to the science and personal and social education curriculum. Any questions asked by the pupil will be discussed sensitively and Year 5 and 6 teachers will discuss puberty as openly as is considered appropriate to the context, the circumstances and maturity of the pupil during his/her last year at the school. The school will correspond with parents to inform them of this.

Parents can withdraw their child from lessons. You must notify the Headteacher of your decision through letter – parents must clarify what provision they are able to provide.

This Policy is reviewed by the Governing Body.

THE CURRICULUM

In accordance with the requirements of the Education Act 1986, the Education Authority has formed, and intends to review regularly, a written statement of policy regarding the secular curriculum. The requirements of the National Curriculum will be interpreted in the light of the Authority's present policies and philosophy.

Quoted below are the introduction and general aims of the statement as seen in the Education Authority's document.

Introduction

The aim of an education system is to create situations and provide resources that will enable each child to develop a full personality, to develop and exercise all his or her abilities, to provide for the pupil in accordance with his/her age, ability and aptitude, so that he/she is able to become a responsible member of a bilingual society, able to contribute to that society and benefit from it, and to live in peace and fraternity with fellow men.

There are three inter-related aspects to the general statements i.e. the need:

- a) To enable each child to develop his/her full potential.
- b) To ensure that each child is introduced to his/her Welsh heritage.
- c) To give an opportunity for each child to develop as a full member of a rapidly changing society.

General Objectives

- 1 To develop oral, literary and numerical skills in the context of inspiring the child's enthusiasm, imagination and interest.
- 2 To increase the child's knowledge and to develop his powers of reasoning in order to assist him to adapt to a rapidly changing world which has more sophisticated processes and techniques, in particular in relation to information technology.
- 3 To create in each child the desire to seek further knowledge and experience during his life and to develop his powers of mind, his moral and spiritual awareness.
- 4 To assist the child to live and work with others and to develop attitudes which will enable him/her to become a responsible member of the community.
- 5 To develop sensitivity, aesthetic appreciation and leisure skills in the child.
- 6 To provide particular attention for each child with special needs e.g. for the exceptionally able and for those with various disadvantages.
- 7 To present ideas and concepts by employing lively and dynamic methods which will motivate pupils' response.

It is necessary for every school to prepare and develop a comprehensive plan based on the Education Authority's document. This plan will include details of the education course and the way it is operated in order to ensure that the education given to the pupils meets fully with the aims of the document.

Yn aml, caiff plant eu grwpo yn ôl eu gallu o fewn y dosbarth a defnyddir amrywiaeth o strategaethau addysg gan gynnwys addysgu dosbarth cyfan, gwaith grwp a rhagleni dysgu unigol.

Ystyriwn fod y plant bob amser yn unigolion annibynnol, gyda'u cryfderau a'u gwendidau eu hunain.

Dynodir plant sydd angen cymorth ychwanegol gan eu hathro dosbarth. Bydd cyd-gysylltydd anghenion arbennig yr ysgol, ynghyd ag athro cefnogi dysgu yn cynorthwyo'r athro dosbarth i ffurfio rhaglen waith ar gyfer y disgyl.

Hysbysir y rhieni o'r gwaith a wneir.

Mae'r ysgol yn darparu ar gyfer plant gydag anghenion dysgu ychwanegol, meddygol neu fugeiliol.

Gwahoddir rhieni i drafod unrhyw anghenion o'r fath yn gyfrinachol gyda'r Pennaeth.

TEACHING ORGANISATION

The school is organised at present into four teaching units, two Infants, two Juniors. The average class size is 25.

The children work at their developmental stage with special care being given to those needing extra help.

Children are often grouped by ability within the classroom and a variety of teaching strategies are used in each class including whole class teaching, group work and individual programmes of work.

At all times, we consider children as individuals in their own right with their own strengths and weaknesses.

Pupils requiring extra help are identified by their class teacher. The School's Additional Educational Needs co-ordinator, together with the Learning support Teacher will help the class teacher formulate a programme of work to assist the pupil.

Parents are kept informed of the work being carried out.

The school caters for children with Special, medical, or pastoral needs.

Parents are invited to discuss any such needs confidentially with the Headteacher.

TREFNIADAETH DOSBARTHU'R PLANT

Trefnir yr ysgol yn Unedau Dysgu fel a ganlyn gydag un athro/awes yn ysgwyddo'r cyfrifoldeb o fod yn arweinydd yr Uned honno. Ceisiwn sicrhau cydbwysedd o ran niferoedd a chreu unedau gyda dim mwy na dwy flynedd ystod oed (ar wahân i'r Uned Anghenion Arbennig). Y nod yw trefnu'r plant mewn dosbarthiadau fydd yn sicrhau cydadwaith byw ar lafar ac yn ysgrifenedig rhwng athro a phlentyn, rhwng athro a dosbarth cyfan, a rhwng plentyn a phlentyn mewn grwpiau.

Trefnir y dosbarthiadau mewn grwpiau am ran helaeth o'r diwrnod.

CLASS ORGANISATION

All classes are organised in teaching units with one of the class teachers undertaking the responsibility of leading the team of teachers. We aim for a fair balance of pupils per class, allowing no more than two teaching years within each class (except for the Special Needs Class). Our aim is to arrange within classes a sound basis of communication and understanding between the teacher and pupil, between teacher and class and between pupil and pupil within the group structure.

Classes are organised within the group system for most of the day.

AMSER AR GYFER DYSGU / TEACHING TIME

PATRWM GWAITH

Ceisir sicrhau bod yr addysg a ddarperir yn hybu datblygiad moesol, diwylliannol, meddyliol a chorfforol pob disgylb a bod natur y cwricwlwm cyflawn yn wahaniaethol, eang a chytbwys. I ymateb â'r gofynion hyn bydd trefniadaeth y dosbarth yn hyblyg; weithiau darperir gwaith ar sail oedran plant, dro arall bydd plant o ystod oedran sy'n rhychwantu mwy nag un flwyddyn ysgol yn cydweithio ar yr un dasg. Dysgir y plant fel uned ddosbarth fydd o dan ofal un athrawes/athro sefydlog.

Yn ôl canllawiau Cyngor Cwricwlwm Cymru cynllunir y cwricwlwm ar sail deg agwedd ar ddysgu gan gynnwys y pynciau craidd a sylfaen. Nodir cyfraniad y meysydd hyn mewn dull systematig yng nghofnodion yr athro/athrawes. Er mwyn sicrhau nag eithrir elfennau hanfodol o'r cwricwlwm cyflwynir y profiadau a'r gweithgareddau i blant yn draws-ddisgyblaeth drwy ddilyn themau penodol.

WORK PATTERN

The aim is to try and ensure that the education provided enhances the spiritual, moral, cultural, mental and physical development of each pupil and that the nature of the complete curriculum is varied, expansive, and balanced. In order to fulfil these needs the class organisation will be flexible; work will sometimes be given according to the child's age, at other times children of different age groups spanning more than one school year will work together on one task. The children will be taught as a class unit in the care of one designated teacher.

In accordance with the Curriculum Council for Wales' proposal, the curriculum is planned on the basis of ten aspects of learning including the core and foundation subjects. The contribution of these subjects is noted systematically in the teacher's notes. By giving children tasks and experiences based on specific themes, or on an interdisciplinary basis, the school will seek to ensure that all essential elements of the Curriculum are introduced.

CYNLLUNIO

Gweithredir drwy thema ymhob dosbarth. Fel arfer, fe fydd yn thema ysgol gyfan - lle y gellir gweld y dilyniant o'r Babanod i'r Adran Iau.

Pwyslais bob tymor sydd i'r thema, ac yn troi o fewn cylch 2 flynedd. Mae holl agweddu'r Cwricwlwm Cenedlaethol yn cael eu cwmpasu yn y thema. Dewisir llinynnau sy'n cydredeg er mwyn dangos cyswllt o fewn gwyddoniaeth. Bydd iaith yn digwydd o hyd, gan fod iaith yn gyfrwng y cyfathrebu a'r cofnodi ac mae sgiliau mathemateg yn hanfodol i wahanol agweddu.

Dewisir agweddu arbennig o Fathemateg gan yr athrawon dosbarth ac fe gefnogir hyn trwy ddefnyddio llyfrau gwaith cyfresi cyhoeddiedig.

Byddwn yn ceisio cyflwyno agweddu o waith Mathemateg a Gwyddoniaeth drwy thema, os yw'n cynnig cyfle. Byddwn yn rhoi llawer o sylw i waith pen.

Gosodir tasgau gwaith i'r plant eu cwblhau, ac mae'r athro yn sensitif bod yn rhaid gwneud darpariaeth ar gyfer rhai plant e.e:

- darllen y cyfarwyddiadau iddynt
- helpu i gadw dilyniant
- annog i gwblhau
- holi cwestiynau pellach i ymestyn dealltwriaeth
- darparu gwaith ar lefel uwch / is
- gosod gwaith yn drefnus
- annog taclusrwydd
- bod yn gynhaliaeth ddibynadwy
- magu hyder

PLANNING

Themes are used in every class. Usually, it will be whole school theme-where progression may be observed in the work produced from the Infants to Juniors.

Emphasis is placed on a whole term theme, which revolves within a 2 year cycle. All aspects of the National curriculum are included. In order to demonstrate a link within science, parallel strands are selected. Language always occurs - as language is a medium of learning and mathematic skills are essential in various aspects.

Specific aspects of Mathematics are selected by the class teachers and the work set is supported by activities and tasks included in the published Maths schemes. Aspects of mathematical and scientific work will be presented by means of a theme, within specific opportunities. Much attention is given to mental work.

The children are set working tasks to complete and the teachers will display sensitivity in recognising that some children require special provision eg:

- *to read the instruction*
- *to assist in maintaining progression*
- *to encourage the child to complete the task*
- *to ask further questions so as to extend/secure an understanding*
- *to provide work at a higher/lower level*
- *to set out the work in an organised manner*
- *to offer reliable support*
- *to foster confidence*

POLISI IAITH

AMCANION CYFFREDINOL

Mae Awdurdod Addysg Gwynedd yn gweithredu polisi dwyieithog trwy holl ysgolion Gwynedd a hefyd yn datblygu polisi dwyieithog ar gyfer sefydliadau Addysg Bellach.

Yr amcan yw datblygu gallu disgylion a myfyrwyr y sir i fod yn hyderus ddwyieithog er mwyn eu galluogi i fod yn aelodau cyflawn o'r gymdeithas ddwyieithog y maent yn rhan ohoni.

Dylai holl sefydliadau addysg y sir adlewyrchu ac atgyfnerthu'r polisi iaith yn eu gweinyddiad, eu bywyd cymdeithasol a'u trefn fugeiliol yn ogystal ag yn eu darpariaeth academaidd.

AMCANION PENODOL

DEFNYDDIO'R GYMRAEG A'R SAESNEG

- credwn fod gan holl blant yr ysgol hon hawl i dyfu yn ddinasyddion dwyieithog.
- parchwn famiaith pob disgylb a cheisiwn eu hannog i ddatblygu eu hyfedredd yn eu hail iaith, boed honno yn Gymraeg neu'n Saesneg.
- mae nodau ieithyddol yr ysgol hon yn unol â nodau Polisi Dwyieithog yr Awdurdod Addysg.

Gweithredir y polisi drwy:

- sicrhau yn y dosbarth derbyn, trwy ddarpariaeth a threfniadaeth feithrin bwrpasol a sensitif, y rhoddir i bob plentyn sylfaen gadarn yn y Gymraeg er mwyn ei (g)alluogi i gyrraedd y nod o ddwyieithrwydd llawn maes o law.
- adeiladu ym mlynnyddoedd 1 a 2 ar y sylfaen a osodwyd i'r Gymraeg drwy addysg feithrin, cadarnhau a datblygu mamiaith y plentyn o ddysgwyr Cymraeg ac ymestyn gafael y plentyn o gartref Cymraeg ar y Saesneg.
- yng Nghyfnod Allweddol 2, cadarnhau a datblygu Cymraeg a Saesneg pob plentyn yn eu holl agweddu goddefol a gweithredol, er mwyn sicrhau ei fod/bod yn gallu siarad, darllen ac ysgrifennu'n rhwydd a hyderus yn y ddwy iaith pan fo'n trosglwyddo i'r ysgol uwchradd.
- y Gymraeg yr iaith gyfathrebol yr ysgol hon.

Fe'i defnyddir:

- Yng ngweinyddiad dydd i ddydd yr ysgol.
- Fel yr iaith achlysurol (tu allan i sesiynau dysgu)
- Fel iaith gwasanaethau boreol a chynulliadau torfol.

Y Gymraeg fydd prif iaith cyfrwng y dysgu - yn cyflwyno ac yn cofnodi - ar draws y cwricwlwm.

Cyflwynir y Saesneg yn raddol yn cyfnod sylfaen ac yna cynyddir ei defnydd yn gyson trwy Gyfnod Allweddol 2 i gyflwyno a chofnodi - fel y disgwyli'r gall pob plentyn ei defnyddio'n hyderus i ymwneud ag amrywiol feisydd y cwricwlwm erbyn B6.

LANGUAGE POLICY

GENERAL AIMS

Gwynedd Education Authority operates a bilingual policy in all its schools and is also developing a bilingual policy for the Further Education establishments within the county.

The aim is to develop the ability of pupils and students within the county to be confidently bilingual in order that they can be full members of the bilingual society of which they are a part.

All educational establishments within the county should reflect and reinforce the language policy in their administration, their social life and pastoral arrangements as well as their academic provision.

SPECIFIC AIMS - USE OF WELSH AND ENGLISH

- *we believe that all children at this school are entitled to become bilingual citizens.*
- *we respect every pupil's mother-tongue and seek to encourage them to become proficient in their second language, be it Welsh or English.*
- *this school's linguistic objectives comply with those of the Education Authority's Bilingual Policy.*

The policy is implemented by:

- *ensuring in the reception class, through purposeful and sensitive provision and arrangements, that each child acquires a sound grounding in Welsh so as to enable him (her) to eventually achieve the objective of becoming fully bilingual.*
- *build in years 1 and 2 upon the foundations laid for Welsh through nursery education, reinforce and develop the mother-tongue of the Welsh-learner child and extend the grasp of the child from a Welsh speaking home, of English.*
- *at Key Stage 2, reinforce and develop the Welsh and English of each child in all their active and passive aspects, so as to ensure that they are able to speak, read and write both languages fluently and confidently when transferring to the secondary school.*
- *Welsh is the language of communication at this school.*

It is used:

- in the school's day to day administration.*
- as the occasional language (outside learning sessions)*
- as the language of morning assemblies and collective gatherings.*

Welsh is the principal language of learning – both presentational and recording – across the curriculum.

English is gradually introduced at foundation phase and then consistently regular use is made of it throughout Key Stage 2 for presentation and recording purposes- so that each child is expected to make confident use of it with respect to various curriculum fields by Y6.

DEFNYDDIO'R GYMRAEG

Mae iaith yn greiddiol i bob agwedd ar fywyd o fewn yr ysgol.

Yng Nghyfnod Allweddol 1 digwydd y rhan fwyaf o'r gweithgareddau drwy gyfrwng y Gymraeg, heb law am stori a sgwrs yn achlysuol.

Yng Nghyfnod Allweddol 2 rhoddir blaenoriaeth i gefnogi plant wrth iddynt ddatblygu fel ysgrifennwyr, ddarllenwyr a siaradwyr yn y Gymraeg a'r Saesneg.

Anelir at gyflawni hyn trwy gynnig amgylchedd lle rhoddir bri ar y Gymraeg a'r Saesneg yn ei hamrywiol weddau.

Am fod plant yn amrywio'n fawr yn y ffordd y maent yn datblygu yn ieithyddol fe drefnir i'r ddarpariaeth a wneir ar eu cyfer fod yn wahaniaethol o dro i'w gilydd.

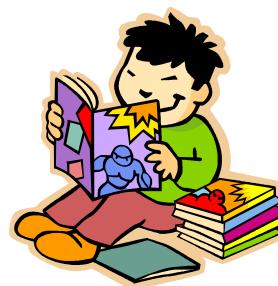

MEDRAU DYSGU

"Arddull dysgu yw'r ffordd y mae pob dysgwr yn dechrau canolbwytio ar wybodaeth newydd ac anodd ac yn ei phrosesu a'i chadw ar gof"

- Dunn, Beaudry & Klavas,
Survey of Research on Learning Styles 1989

Mae pob dysgwr yn unigryw ac yn yr un modd maent yn dysgu'n wahanol ac mewn ffordd unigryw. Bydd ein dulliau dysgu yma felly yn amrywio ac yn cyfuno gweithgareddau Gweledol, Clywedol a Cinesthetig gan annog disgyblion i ryngweithio ac i fod yn weithredol yn y dysgu.

Rhoddir pwyslais mawr ar ddatblygu Medrau Meddwl y disgyblion - ein nod yw datblygu gallu pob unigolyn i'w lawn botensial.

USE OF WELSH

Language has a core role to play in all aspects of school life.

At Key Stage 1, the majority of activities take place through the medium of Welsh, with the exception of an occasional story and talk.

At Key Stage 2, priority is given to supporting children in their development as writers, readers and speakers through the medium of both Welsh and English.

The objective is to achieve this through providing an environment in which pride of place is given to Welsh and English in their various guises.

As children vary greatly in their linguistic development, differentiated provision is made for them from time to time.

LEARNING SKILLS

"Learning Skills are the way that every learner concentrates on new and difficult information, processing and remembering".

- Dunn, Beaudry & Klavas, Survey of Research on Learning Styles 1989

Every learner is unique and learns in different ways which are unique to them. Our teaching styles at Penybryn therefore vary and combine Visual, Audial and Kinaesthetic activities - encouraging pupils to interact and to be active in their learning.

We put great emphasis on developing the pupils' Thinking Skills - our aim is to develop every pupil to his/her full potential.

CYFLWYNO IAITH - CYMRAEG A SAESNEG

Byddwn yn trefnu sefyllfaoedd dysgu yn yr ysgol a fydd yn rhoi cyfle i blant i ddatblygu trwy iaith. Dyma graidd hanfodol addysg - twf ieithyddol a thwf trwy iaith. Rhaid diwallu anghenion ieithyddol trwy gynnig **profiadau amrywiol newydd** a chyfle i'w mynegi a'u hail fyw.

Yn nhermau ei brofiad y mae ystyried datblygiad iaith plentyn. Trwy brofiad y mae plentyn yn dysgu. Trwy roi mynegiant i'w brofiad y mae plentyn yn ei wneud yn real iddo'i hun, a thrwy **siarad ac ysgrifennu** y mae'n rhoi trefn ar ei feddwl ac ar ei profiadau.

Ym mlynnyddoedd cyntaf y plentyn yn yr ysgol ceisir sicrhau fod sylfeini ieithyddol cadarn yn cael eu gosod a bod y sgiliau'n datblygu'n gyda'i gilydd. Canolbwytir ar y cychwyn ar **ymateb llafar yn bennaf** wrth i blentyn ymddiddori mewn amrywiol weithgareddau. Bydd y rhaglen waith yn gofalu am roi cyfle i blentyn i leisio ei sicrwydd a'i ansicrwydd, ei fwynhad a'i bryder, ei lawenydd a'i ofid, ei obaith a'i ofnau. Byddwn yn ceisio arwain ac ysgogi'r plentyn i **sylwi'n fanwl** ar yr arbennig, a thrwy hynny ddatblygu'r synhwyrau. Rhoddir cyfle hefyd i **wrando** ar ryddiaith a barddoniaeth ac i'w darllen eu hunain. Bydd y dysgu yn rhoi cyfle i blentyn i **ymateb i ysgogiadau** o bob math - darluniadau, cerddoriaeth etc., yn rhoi cyfle i wrando a sylwi ar profiadau pobl eraill.

Yn ogystal ceir cyfle i greu trwy ysgrifennu, trwy waith thematig, trwy arlunio a gwaith llaw. Rhoddir digon o gyfle i'w fynegi ei hun a chreu rhywbeth sy'n werthfawr ynddoi'i hun. Amcenir at gael cydbwysedd ac amrywiaeth yn y tasgau a'r profiadau ieithyddol gan ddefnyddio ystod eang o symbyliadau. Byddwn yn annog plant i ysgrifennu i bwrpas ac at gynulleidfaedd gwahanol gan roi'r pwyslais dyladwy i broses. Byddwn hefyd yn gofalu am amser digonol a chyfle i gydweithio.

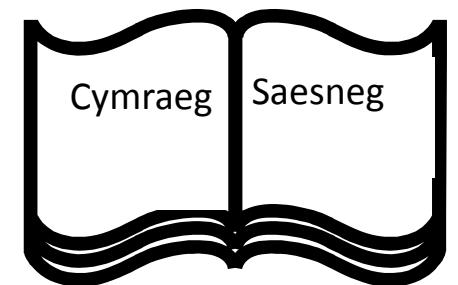

Byddwn yn ymateb i waith yn gadarnhaol a synhwyru gan ddangos bod ymdrech plentyn yn cael ei werthfawrogi a bod y **cynnwys** yn cael ei barchu. Nid yw'r athrawon yn cywiro pob camgymeriad a welir yng ngwaith plant oherwydd na all y plant fewnoli gormod o reolau ar untr. **Yn hytrach, edrychir ar gywirdeb fel rhywbeth sydd yn cael ei feithrin yn y tymor hir.**

Rhoddir cyfle i blant i brofi amrywiaeth o lyfrau deunydd cyhoeddus er mwyn pleser a gwybodaeth; bydd hyn yn foddy hefyd i ddatblygu ymwybyddiaeth feirniadol, gwerthfawrogiad llenyddol, boddhad, gwerthoedd a sgiliau casglu gwybodaeth.

Yn naturiol bydd sgiliau ieithyddol plant yn datblygu mewn cymhlethod wrth iddynt aeddfedu. Asesir cynydd yn rheolaidd drwy fanylu ar enghreifftiau o waith plant i geisio darganfod a yw'r ddarpariaeth a'r profiadau a gynigir iddynt yn addas ar eu cyfer. Yn ogystal, cedwir samplau arwyddocaol ym mhroffil unigol pob plentyn. Byddwn hefyd yn asesu drwy gyfeirio at y meini prawf a geir yn lefelau'r targedau cyrhaeddiad yn nogfennau'r Cwricwlwm Cenedlaethol.

Framwaith llythrennedd a rhifedd Cenedlaethol

Mae framwaith llythrennedd a rhifedd cenedlaethol wedi ei drefnu I gynwys holl agweddu curicwlaidd yr ysgol. Bydd safonau llythrennedd a rhifedd wedi eu gosod ar gyfer pob blwyddyn yn yr ysgol. Asesir rhain yn dymhorol ac yn flynyddol. Gosodir prawf cenedlaethol I blant BL2,3,4,5,6 yn flynyddol mewn sgiliau darllen a rhifedd.

INTRODUCING LANGUAGE - WELSH AND ENGLISH

We will be arranging teaching situations in the school which will give the children the opportunity of developing through language. This is the integral **centre** of education - language growth and growth through language. The needs of language must be satisfied through offering **various new experiences** and the opportunity to express and re-live them.

The child's linguistic development is considered in terms of **experience**. By expressing his/her experience, it becomes real to him/her and through **talking and writing** he/she puts his/her mind and experience in order.

During the child's first years at school, attempts are made to ensure strong linguistic foundations are set, and that the skills develop in tandem. Initially, concentration is on the **spoken reaction mainly**, as the child takes an interest in various activities. The work programme will ensure that the child has the opportunity to **voice** his assurances and doubts, his enjoyment and displeasure, happiness and worries, his/her hopes and fears. We will attempt to lead and impel the child to **observe carefully** the special, and through this develop the senses.

Opportunities are also given for **listening** to prose and poetry, and to **read** it for themselves. This teaching will give the child the opportunity to **respond to different stimulants** - pictures, music etc., whilst also giving him/her the chance to observe other people's experiences.

In addition, they have the opportunity to **create**, through writing, dramatic work, art and handwork. Plenty of opportunities are given for the child to express him/herself and create something that is precious in itself. We aim at achieving a balance and variety in the linguistic tasks and experiences, using a vast range of stimulants. We will urge the children to write purposely and for different audiences, giving **process** due emphasis. We shall also ensure plenty of time and opportunities to work together.

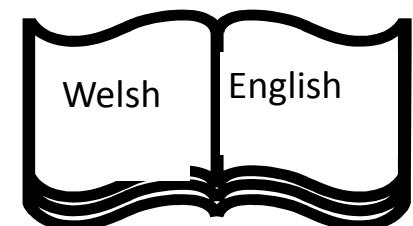

We shall **react to work** positively and sensitively, making it obvious that the child's efforts are appreciated and that the **contents** are respected. The teachers do not correct every error in the children's work, because children cannot absorb too many rules at one time. Instead, accuracy is looked on as something that is fostered over a long period.

The children are given every opportunity to sample a variety of books and published materials for pleasure and information, this will also be a way of developing a critical understanding, an appreciation of literature, pleasure, values and skills needed for gathering information.

Naturally, children's linguistic skills will develop more complicatedly as they mature. Progress is assessed regularly by concentrating on examples of children's work to try and discover if the provisions and experiences offered to them is sufficient for their needs. In addition, significant samples are kept in each child's personal profile. We shall also be assessing by referring to the test guidelines laid down in the target attainment levels of the National Curriculum.

Literacy and Numeracy Framework

The literacy and numeracy national framework is organised to implement all aspects of the curriculum. Standards in literacy and numeracy are set for each year group. These aspects are assessed termly and yearly. National numeracy and literacy tests are set every year for Yrs 2,3,4,5,6.

MATHEMATEG

Yn Ysgol Penybrynn, anelwn at arfogi pob plentyn gyda medrau mathemategol sylfaenol sydd eu hangen mewn bywyd bob dydd, annog technegau ymchwilio a datrys problemau gwaith pen, a darparu dilyniant a chynnydd drwy Gyfnodau Allweddol 1 a 2 y Cwricwlwm Cenedlaethol, a thrwy hynny alluogi pob plentyn i gyflawni ei wir botensial ym mhob agwedd o'r pwnc hwn.

Drwy gydol eu blynyddoedd yn yr ysgol hon, rhoddir i'r plant brofiad eang o Fathemateg drwy waith ymarferol, arsylwi, trafod, cyfarpar 2D a 3D, gemau a phosau, a deunyddiau addas fel bo'r angen. Lle bynnag y bo'n angenrheidiol, anogir y plant i ddewis y cyfarpar mwyaf addas i gwblhau tasg benodol.

Ceir cyfrifiaduron a chyfrifianellau ar gyfer y plant a byddwn yn adolygu ac yn adnewyddu'r ddarpariaeth o ddeunyddiau yn ein hysgol yn rheolaidd. Credwn ei bod yn bwysig iawn annog a chynnwys cysylltiadau mathemategol gyda holl agweddau'r cwricwlwm.

Drwy hyn i gyd, gobeithiwn ddatblygu sylfaen lwyddiannus i ddysgu pellach ac i roi i'r plant yr her y mae mathemateg yn ei gynnig, a chaniatáu iddynt brofi'r hwyl sydd yn aml yn eisiau yn y pwnc hwn.

MATHEMATICS

Our aims at Ysgol Penybrynn are to equip every child with the basic Mathematical skills required in every day life, to encourage, investigative and problem-solving techniques mental skills and to provide continuity and progression through Key Stages 1 and 2 of the National Curriculum, thus enabling every child to achieve their true potential in all areas of this subject.

Throughout their years at our school the children are given a wide experience of Mathematics through practical work, observation, discussion, 2D and 3D apparatus, games and puzzles, appropriate materials as required. Wherever necessary, the children are encouraged to select apparatus best suited to perform a particular task.

Computers and calculators are available to the children and we regularly review and renew the provision of materials in our school.

We find it very important to encourage and include mathematical links with all aspects of the curriculum. Through all this, we hope to develop a successful foundation for future learning and to present children with the challenge that Mathematics offers, and allow them to experience the fun which is so often lacking from this subject.

DEFNYDD O DECHNOLEG GWYBODAETH YN YR YSGOL

Wrth ddefnyddio Technoleg Gwybodaeth yn yr ysgol mae'r disgylion yn cael cyfle pan yn briodol i ddefnyddio'r Rhyngrywd. Rhwydwaith byd-eang o gyfrifiaduron yw'r Rhyngrywd sy'n cynnwys miliynau o dudalennau o wybodaeth. Mae llawer o'r wybodaeth yn ddefnyddiol ac yn gymorth i waith y disgylion ym mhob pwnc yn yr ysgol. Gall y disgylion hefyd ddefnyddio e-bost i anfon negeseuon at ddefnyddwyr eraill ar draws y byd.

Cyn defnyddio'r Rhyngrywd rhaid i bob disgyl bl sicrhau caniatad eu rhieni/gwarcheidwaid ac felly rhaid ichi lenwi, arwyddo a dychwelyd y ffurflen ar waelod y dudalen i'r ysgol.

Yn anffodus mae rhywfaint o'r deunydd sydd ar y We Fyd Eang yn anghyfreithlon, yn ffiaidd ac yn anaddas i blant. Er hyn mae'r ysgol yn credu bod y manteision a ddaw yn sgil defnyddio'r Rhyngrywd yn llawer mwy na'r anfanteision.

Er mwyn ceisio sicrhau na fydd y disgylion yn mynchy safleoedd anaddas ar y We bydd athrawon yn goruchwyl y defnydd a wna'r disgylion o'r Rhyngrywd yn ystod y gwensi ac yn arwain disgylion at adnoddau pwrpasol. Defnyddir meddalwedd arbennig sydd yn hidlo ac yn atal mynediad a safleoedd anaddas.

Dylai'r disgylion bob amser ddilyn canllawiau'r ysgol ar gyfer defnyddio'r Rhyngrywd.

TECHNOLEG GWYBODAETH

INFORMATION TECHNOLOGY AT SCHOOL

While using Information Technology at school the pupils are given the opportunity when appropriate to work using the Internet. The Internet is a complex chain of computers linked all over the world that gives access to millions of pages of information. Much of the information is useful and helps the child with his/her work in all aspects of the curriculum. The pupils are also able to use the e-mail to send messages to other users across the world.

Before using the Internet each pupil must ensure they have permission from their parents or guardian and so the relevant form must be filled and signed and returned to school.

Unfortunately some of the information that is on the web is illegal disgusting and/or unacceptable for children. Despite this the school believes the benefits out way the disadvantages that arise while using the Internet.

To ensure the pupils do not visit unsuitable sites on the web they are monitored carefully by the teachers and are guided to suitable sights. Special software that filters information and refuses access to unsuitable sites is installed into all the equipment.

Pupils should always follow school guidelines when using information technology.

INFORMATION TECHNOLOGY

Information Technology is used throughout the school's curriculum. At present we have at least three PC's in each class, together with interactive white boards in all classes in the juniors and two in the infants section. The school also has a wireless lap top trolley with 10 laptops which ensures regular individual use of a computer. We also have Internet link, scanner, and a digital camera.

The children use Maths and Language games, Data Bases and word Processing communication and management models to develop number, problem solving, language entry, retrieval, interrogation design and keyboard skills.

TECHNOLOGY

In Technology, the children are taught the basic skills of identifying a need, designing and constructing and then evaluating their design.

GWYDDONIAETH

I blant, golyga Gwyddoniaeth archwilio, darganfod ac ymchwilio i'r byd o'u cwmpas. Mae'r gweithgareddau canfod hyn yn cynorthwyo'r plant i gasglu'r profiad sy'n angenrheidiol er mwyn deall y byd y maent yn byw ynddo.

Yn Ysgol Penybrynn, ceisiwn wneud y profiadau hyn mor eang ac amrywiol â phosibl. Anogwn y plant i arsylwi, gofyn cwestiynau, ateb cwestiynau, arbrofi neu ymchwilio, canfod patrymau drwy arsylwi, rhesymu'n rhesymegol a chyfathrebu eu canfyddiadau.

DAEARYDDIAETH

Amcan y Cwricwlwm Daearyddiaeth yw rhoi i'r plentyn synnwyr o le - adref, yn genedlaethol ac yn rhyngwladol, fel a ddynodir yn y Cwricwlwm Cenedlaethol.

Mae'r dysgu wedi ei seilio ar holi, annog plant i ofyn cwestiynau ac ymchwilio am atebion, gan ddefnyddio yr hyn a wyddant eisoes amdanynt eu hunain ac o adnoddau data.

Gan ddechrau gyda hwy eu hunain, eu cartref a'u hysgol, ânt rhagddynt i astudio Dyffryn Dysynni a lleoedd eraill o ddiddordeb daearyddol yng Nghymru â'r Deyrnas Unedig.

Drwy'r meysydd astudio hyn, bydd y plant yn datblygu eu medrau mapio, eu gwybodaeth am leoedd, daearyddiaeth ddynol, ffisegol a amgylcheddol.

Ymdrinnir â gwaith maes ar safle'r ysgol a mannau yn y gymdogaeth megis Ynys Maengwyn. Trefnir cyrsiau preswyl i ddisgyblion Blwyddyn 5 yng Nghanolfan awyr agored Arthog, s a Chaerdydd i Bl6 (gan aros am 2 noson) - bob flwyddyn.

SCIENCE

Science for children means exploring, discovering and investigating the world around them. These finding out activities help children gather the experiences they need to understand the world in which they live.

At Ysgol Penybrynn, we aim to make these experiences as broad and varied as possible. We encourage the children to observe, ask questions, answer questions, experiment or investigate, find patterns in observations, reason logically and communicate their findings.

GEOGRAPHY

The aim of the Geography Curriculum is to give a child a sense of place - at home, nationally and internationally, as set out in the National Curriculum.

The learning is enquiry based, encouraging children to ask questions and research answers, using what they already know about themselves and from Data resources.

Beginning with themselves their home and school, they go on to study the Dysynni Valley and other places of geographical interest in Wales and the United Kingdom.

Through these study areas, the children develop their mapping skills, knowledge of places, human, physical and environmental geography.

Fieldwork is undertaken within the school grounds and neighbourhood areas such as Ynys Maengwyn.

Residential courses are arranged for Year 5 pupils at Arthog Outdoor Centre, and Cardiff in Yr6 (staying for 2 nights in the area).

HANES

Yr amcan gyda Hanes yw datblygu ymwybyddiaeth a dealltwriaeth y plant o'u gorffennol a'i effaith ar y presennol a'r dyfodol.

Anogir nifer o fedrau gan gynnwys:-

Dealltwriaeth o gronoleg, defnydd o ffynonellau hanesyddol, y gwahaniaeth rhwng deunyddiau craidd, storïau a barn, effaith newid, achos ac effaith, ac yn bwysicaf oll, meddwl ymhoggar.

Defnyddiwn amrywiaeth eang o adnoddau yn ein hastudiaeth, yn cynnwys:

pobl, llyfrau, artefactau, deunyddiau clywedol, ymweliadau.

Mae cefndir a phrofiadau'r plant eu hunain yn chwarae rhan bwysig yn enwedig yn y blynnyddoedd cynnar.

Yn ystod y Cyfnod Sylfaen, cyflwynir Hanes drwy stori, pobl, bywydau'r plant eu hunain a'u teuluoedd, arferion a digwyddiadau ac astudiaeth o ffotograffau, artefactau a'r amgylchedd lleol.

Yn ystod cyfnod Allweddol 2, mae'r plant yn astudio datblygiadau allweddol o orffennol Cymru a Phrydain o'r cyfnod cyn-Rufeinig i'r cyfnod modern.

Anogir dealltwriaeth o gronoleg a newidiadau dros gyfnod hir o amser drwy astudiaeth o fywyd bob dydd ym mhob pwnc.

HISTORY

The aim of History is to develop in children the awareness and understanding of the past and its effect upon the present the future.

Many skills are encouraged including:-

An understanding of chronology, the use of historical sources; the difference between source material, stories and opinions, the effects of change, cause and effect and most importantly - a questioning mind.

We make use of a wide variety of resources in our studies which include:- people, books, artefacts, audio-visual material, visits.

Children's own background and experiences play a very important part particularly in the early years.

During the Foundation Stage, history is introduced through story, people, the children's own lives and families, customs and events and the study of photographs, artefacts and the local environment.

During Key Stage 2, the children study key developments from both Wales and Britain's past from pre-Roman to modern times.

An understanding of chronology and changes over a long period of time are encouraged through the study of daily life in each topic.

Mae gennym hefyd glwb Chwaraeon y Ddraig a gaiff ei gynnal ar ôl ysgol yn wythnosol. Ar hyn o bryd mae'r clwb yn canolbwytio ar weithgareddau rygbi, criced, gymnasteg ac athletau.

Yn y dalgylch, trefnir rhaglen gyda'r nôd o gynnal un gystadleuaeth y tymor - i blant CA2 yn bennaf e.e. Uni-hoc, pel-rwyd, pêl-droed, athletau.

Byddwn hefyd yn paratoi rhaglen ar gyfer yr ysgol ei hun, i gynnwys Mabolgampau, Gala Nofio, Twrnament pêl-droed a phêl-rwyd.

Mae cyswllt da gan yr ysgol gyda chanolfanau hamdden, clwb criced, clwb hocia a golff.

Mae dau aelod o flwyddyn 6 yn cael ei ddewis fel llysgenhadon chwaraeon yn flynyddol. Disgwylir i ddisgyblion newid i ddillad addas ymarfer corff ar gyfer pob gwrs.

PHYSICAL EDUCATION

P.E. is an important part of the Curriculum. As well as developing children's strength, stamina and co-ordination it encourages co-operation and self control.

All children in the school have the opportunity to participate in apparatus work, dance, drama and games skills.

Year 2 pupils and onwards are able to take part in swimming lessons. They are also encouraged to take part in team games such as football, rugby, netball, rounders, touch rugby and cricket. Sports days for Key Stage 1 and Key Stage 2 are held annually as well as organised walks along the many public footpaths that are available in our area.

Through events organised by Dragon Sports and the Welsh League of Youth Movement (Urdd Gobaith Cymru). Pupils are provided with the opportunity of competing on a national level.

GAMES

We aim to provide a wide range of competitive games for our pupils which involves all the primary schools in our immediate catchment area, whilst arranging others against schools of similar number of pupils in Gwynedd / Powys. There is also a weekly after-school Dragon Sports Club for KS2 pupils. The club is currently concentrating on rugby, cricket, gymnastics and athletics.

At least one main competitive activity is arranged by the local primary schools, for KS2 pupils. They include: Uni-hoc, netball, football and athletics.

We also arrange within the school a programme of activities which include Sports, Swimming Gala, football, and netball tournaments.

Urdd and Dragon Sports competitions also allow the pupils to compete on a county and national basis.

There is good contact between the school, leisure centre and local cricket, hockey and golf clubs.

Two members of year 6 class are chosen to represent the school as sports ambassadors every year. Children need to wear appropriate PE clothes for all these activities.

CELF

Yn Ysgol Penybrynn, ein prif ysgogiad yw annog mynegiant creadigol ac arbrofi gyda deunyddiau. Gadawn i'r plant ddatblygu eu syniadau eu hunain, gan awgrymu a dangos techneg newydd ar yr adeg gywir, ac ymchwilio ac arbrofi cyn cael eu cyflwyno i'r dechnef nesaf. Mae gan bob crefft ei lle yn sbectrwm y cwricwlwm. Ni ellir ymdrin ag unrhyw grefft yn ynysig heb fenthyg medrau a ddefnyddir ar gyfer crefft arall. Mae'r plant yn datblygu medrau trin a thrafod, cydgysylltu a barnu, gwneud penderfyniadau a.y.b. drwy waith creadigol, ond mae pynciau fel mathemateg, daearyddiaeth, hanes a gwyddoniaeth yn ddibynnol ar fedrau sylfaenol celf a chrefft er mwyn eglurhad ac esboniad.

Cynorthwyir y plant i ddeall amrywiaeth y technegau artistig drwy roi cynnig ar wneud lluniau bywyd llonydd, braslluniau, tirluniau, collages a.y.b. Dysgant am ddylanwad amrywiaeth eang o artistiaid enwog a byddant yn arbrofi gydag amryfal arddulliau. Cant hefyd gyfle i weithio gydag artistiaid preswyl.

Arddangosir gwaith y plant drwy'r ysgol i gyd, er mwyn iddynt sylweddoli bod eu hymdrechion yn cael eu trysori a'u gwerthfawrogi.

Un agwedd arbennig o'r gwaith yw Crochendy'r Ysgol. Sefydlwyd hon gyda chefnogaeth y Gymdeithas Rhieni ac Athrawon. Bydd plant yr ysgol yn elwa o'r profiad hwn sy'n rhoi perspectif gwahanol i Gelf yn ei wahanol gyfryngau.

ART

At Ysgol Penybrynn, our prime motivation is to encourage creative expression and experimentation with materials. We allow the children to develop their own ideas, suggesting and demonstrating a new technique at the appropriate time, and to explore and experiment before being introduced to the next technique.

Each craft has its place in the spectrum of the curriculum. No craft can be worked in isolation without borrowing skills used for another. The children develop the skills of manipulation, co-ordination and judgement, decision-making etc., through creative work, but subjects such as maths, geography, history and science are dependent on basic art and craft skills for clarification and illustration.

The children are helped to understand the diversity of artistic techniques by attempting still life, sketches, landscapes, collages etc. They learn about the influences of a wide range of famous artists and experiment with a variety of styles. They are also afforded the experience of working with artists in residence.

The children's work is displayed all over the school in order for them to realise that their efforts are valued and appreciated.

The special aspect of the Art Curriculum is the 'Penybrynn Pottery' which was established with the assistance and support of the P.T.A., Societies and Clubs in the town. The children thoroughly enjoy the experience provided as well as introducing Craft in its varied perspectives.

CREFYDD

Nid yw'r ysgol hon yn dal cysylltiad uniongyrchol a ffurfiol ag unrhyw enwad crefyddol.

Y mae'r addysg grefyddol a gyflwynir yn seiliedig ar faes llafur cydnabyddedig yr Awdurdod. Gellir archwilio copi o'r maes llafur hwn yn yr ysgol.

Fe ellir gwneud trefniadau ar gyfer plant nad yw eu rhieni am iddynt fynychu'r gwasanaethau crefyddol neu astudiaethau cyffelyb.

Mae cyd addoli yn digwydd yn ddyddiol.

ADDYSG BERSONOL A CHYMDEITHASOL

Mae addysg bersonol, gymdeithasol ac iechyd, a dinasyddiaeth yn galluogi plant i ddatblygu'n aelodau iach, annibynnol a chyfrifol o'r gymdeithas. Anogwn ein plant i chwarae rhan gadarnhaol i gyfrannu at fywyd yr ysgol a'r gymuned yn ehangu. Drwy wneud hyn, cynorthwywn hwy i ddatblygu eu synnwyr o hunan-werth.

Ein nod fel ysgol drwy gyflwyno addysg bersonol, gymdeithasol ac iechyd, a dinasyddiaeth ydyw galluogi'r plant i:

REPORTING TO PARENTS

Parents are regularly informed of their child's progress and are formally invited during the school year to meet and discuss their children's work with the teacher.

Parents are also encouraged to meet the class teacher to discuss specific matters relating to their child. During the latter half of the Autumn Term, teachers invite parents to school to deal with specific learning difficulties which have arisen during their first term in their new class.

Parents of children attending the Nursery and Reception Class are formally requested to meet the class teacher during the first term to assess and monitor their child's introduction to life at Ysgol Penybrynn.

A formal written report is made at the end of each school year. Teachers assessment and the level attained by each child at the end of Key Stage 1 and 2 are reported to parents during the formal meetings.

At Ysgol Penybrynn, we believe that teachers and parents should work in close partnership for the benefit of our children.

ASESU

Mae asesu parhaol wedi bod yn rhan naturiol a phwysig o waith athrawon cydwybodol erioed. Mae hyn yn sail i baratoi gwaith addas ar gyfer eich plentyn chwi. Bydd yr asesiadau yma yn cael eu rhoi ym mhroffiliau y plant.

Darperir adroddiad cynhwysfawr i rieni ar holl raglen waith y disgyblion yn flynyddol.

Yn ôl rhaglen y Cwricwlwm Cenedlaethol fe fydd asesiadau athrawon yn cael eu paratoi ar gyfer diwedd Cyfnod Allweddol 2 (blwyddyn 6) ac asesiadau safonau athrawon ar ddiwedd Cyfnod Allweddol 1 (blwyddyn 2). Bydd adroddiad llawn o lefel y cyrhaeddiad y disgyblion yn y gwahanol bynciau yn cael ei baratoi ar gyfer y rhieni erbyn diwedd y flwyddyn addysgol. Darperir amserlen yn flynyddol fydd yn cynnwys manylion llawn am drefniadaeth yr asesiadau.

Yn fuan yn Nhymor yr Hydref, bydd canlyniadau'r asesiadau blynnyddoedd 2 a 6 ar gael i chwi yn yr ysgol drwy gysylltu â'r Pennaeth. Bydd y wybodaeth yma yn cael ei gyhoeddi'n swyddogol yn Adroddiad Blynnyddol y Corff Llywodraethol.

CYSWLLT CYNRADD - UWCHRADD

Mae cyswllt pendant rhwng y Cynradd/Uwchradd. Yn achlysurol caiff plant Bl 5 a Bl 6 ymweld ag Ysgol Uwchradd, Tywyn i dreulio diwrnod neu ddau mewn awyrgylch fyd newydd. Cawn ninnau ddefnyddio eu hadnoddau pan fydd cyfle. Teimla'r ysgol fod y cysylltiad o fudd i'r plant.

ASSESSMENT

We assess the children on a continual assessment basis in all National curriculum subjects. The assessments will be found in each child's development profile.

A detailed annual report is sent to parents at the end of the school year, covering all curricular areas.

Following the National curriculum programme, teacher assessments are prepared for the end of Key Stage 2 (Year 6) and at the end of Key Stage 1 (Year 2). A full report of attainment levels of each pupil in the National Curriculum subjects will be prepared for the parents at the end of each school year. A timetable is followed each year indicating the arrangements for the assessments.

Early in the Autumn Term, results of the assessment of year 2 and 6 pupils are available at the school by contacting the Headteacher. This information will be included in the Annual Governors Parents report.

PRIMARY / SECONDARY LIAISON

There is a strong link between the primary and secondary schools. We are able to use their facilities when available, and Years 5 and 6 have the opportunity to spend one or more days in their new environment at the Tywyn Secondary school occasionally. As a school we feel that this link benefits the children.

SPECIAL NEEDS POLICY

"The 1993 Education Act places special responsibilities on the Governing Bodies of each school, to make a special educational provision for all of its pupils who have special educational needs, either with or without statements or special educational needs".

1. Principles

- Ensure an equal curricular and social opportunity for S.E.N. children where possible.
- Provide a differentiated education within the school.
- Establish a procedure to recognise SEN needs.
- Establish a partnership with parents regarding the SEN programme.
- Co-operate effectively with statutory agencies relevant to this field, such as the Health Authority and the Social Services.
- Ensure a whole school response to special educational needs and not restrict the responsibility to specific staff.

2. Aims

- Ensure that the school has a procedure for early recognition of a pupil who has difficulties which could hinder his/her education.
- To collect information from teachers and others in order to ensure the best understanding of the nature of the child's difficulties.
- Ensure that a proposition is made for any child with SEN.
- Ensure the co-operation and support of the parents and others in relation to recognising and providing a service.

The above policy was carried out during the year according to the requirements of the 1993 Education Act.

The school's co-ordinator is Miss Angharad Davenport and Mr Jeremy Murfin represents the Governing Body.

A specific method of work has been adopted to record all the needs of the children that are referred to, according to the Code of Practice.

If a child is seen to have difficulty in any area of his development, then he/he is assessed and carefully monitored using Standardised tests recommended by the Education Authority.

Following analysis of results an Individual Education Programme, an Individual programme of work is reviewed and if there is a need, then arrangements are made for a specialist to further assess the child's individual needs.

Parents are notified at each stage of the process, and they are asked to contribute and support the assessment procedures.

The names of pupils who are placed at each stage of the Code of Practice are kept on the school's Special Needs Register.

Miss Angharad Davenport is responsible for identifying the Educational Needs, also for working on and developing the needs at each stage of the Code of Practice.

Some of the children identified as having Special Educational Needs will be 'Statemented', and some of these will be educated in the Special Needs Unit, which is in the Junior part of the school. Miss Davenport is responsible for this unit. She also visits statemented children and other pupils with special educational needs in other schools in the area.

The Education Authority and partly the school are responsible for this unit. Since the Unit is only open for the morning, the children are integrated into the main school system every afternoon.

Mae'r drefn hon wedi ei hamlinellu mewn dogfen bwrpasol yn y Gymraeg a'r Saesneg sydd ar gael yn yr ysgol. Darperir copi'n rhad ac am ddim, yn ôl y gofyn, i unrhyw rieni sy'n dymuno gwneud cwyn dan y trefniadau hyn, a gall yr Awdurdod ddarparu copi mewn iaith heblaw'r Gymraeg a'r Saesneg os bydd hynny'n angenrheidiol. Pwysleisir, foddy bynnag, y gellir ymdrin â llawer o gwynion yn gyflym ac effeithiol drwy ystyriaeth anffurfiol yn seiliedig ar drafodaethau gyda'r Pennaeth/Prifathrawes. Hwn yw'r cam rhesymol cyntaf, a bydd y Corff Llywodraethu'n disgwyl bod y cam yma wedi ei gyflawni cyn cyflwyno'r gwyn yn ffurfiol mewn achosion eithriadol.

Dylid cysylltu â'r ysgol i wneud apwyntiad i drafod unrhyw gwyn gyda'r Pennaeth / Prifathrawes.

Miss Ellyw Evans sydd yn gyfrifol am gydraddoldeb hiliol yn yr ysgol a cynrychiolydd y Corff Llywodraethol yw Mr John Gray Jones.

COMPLAINTS PROCEDURE

The Local Education Authority, in accordance with the requirements of the Secretary of State, under Section 23 of the 1988 Education Reform Act, has established a procedure to consider complaints concerning the way schools' Governing Bodies and the Education Authorities Act in relation to the schools curriculum and other related matters. This procedure is outlined in a document in Welsh and English which is available at the school. A copy will be provided free of charge as required to any parent seeking to make a complaint under these arrangements and the authority can, if necessary, provide a copy in a language other than Welsh or English. It is emphasised, however, that many complaints can be dealt with quickly and effectively by informal consideration based on discussions with the Headteacher. This is the first reasonable step, and the Governing Body would expect that this step would have been completed before presenting the complaint formally in exceptional cases.

An appointment can be made to discuss any complaint with the Headteacher by contacting the school.

EQUALITY

The School aims:-

- To ensure opportunities of all our pupils from whatever social background, equal opportunities for boys and girls, for extremely able and less able children.
- To promote positive attitudes to race, religion and sex.
- To avoid conditioning and stereo-typing especially as regard to the Curriculum.

The school welcomes its duties under the Race Relations (Amendment) Act 2000. We are committed to:

- Promoting equality of opportunity
- Promoting good relations between members of different racial, cultural and religious groups and communities
- Eliminating unlawful discrimination

All teaching staff are responsible for keeping up-to-date with legislation dealing with race equality and know how to deal with racist incidents at school.

Miss Ellyw Evans is responsible for racial equality at the school, and John Gray Jones is the named Governor.

AMDDIFFYN PLANT

Er mwyn diogelu lles plant mae'r ysgol yn dilyn trefniant y Sir a Chanllawiau Amdiffyn Plant Gwynedd. Golyga hyn mai lles y plentyn yw'r brif ystyriaeth. Mae'r ysgol a chysylltiad agos rhwng Gwasanaethau Cymdeithasol, yr Heddlu, Ymddiriedolaeth Iechyd, Gwasanaeth Prawf, asiantaethau gwirfoddol.

Os oes rheswm i feddwl fod plentyn yn cael ei esgeuluso gan ei rhieni neu bobl eraill sy'n gofalu amdanu, neu ei fod yn cael ei drin yn wael (e.e. dioddef creulondeb corfforol, ei gam-drin yn rhywiol neu ei boenydio mewn ffordd anghorfforol) gan unrhyw un. Mae'n rheidrwydd ac yn ofynnol i'r ysgol weithredu a chysylltu gyda'r awdurdodau perthnasol.

ATAL YN GORFFOROL

Wrth ddelio a phlant yr ysgol o ddydd i ddydd mae achosion yn codi ble mae cyfrifoldeb ar yr athro i atal y plentyn yn gorfforol.

Gallai hyn fod:-

rhag iddo niweidio ei hun
neu rhag iddo/iddi niweidio plentyn arall yn y dosbarth
rhag gwneud niwed i athro neu aelod arall o staff
rhag creu difrod i'r ysgol.

Os ydy ymddygiad gwael yn parhau a bod y pennath yn ei ystyried yn amharu ar ddiogelwch neu addysg gweddill y plant fe fydd y plentyn yn cael ei wahardd. Os oes unrhyw ddifrod fe fydd y bwrdd llywodraethwyr yn ystyried y mater.

CHILD PROTECTION

So as to protect children's welfare, the school follows the County's arrangements and Gwynedd's Child Protection guidelines. This implies that the child's welfare is the main consideration. The school maintains close contact with the Social Services, the Police, Health Trust, Probation service, voluntary agencies.

If there are grounds for suspecting that a child is being neglected by his/her parents or other people who are his/her guardians, or is being ill-treated, (e.g. suffer physical abuse, sexual abuse or tormented in a non-physical way), by anybody, the school is required to and must act and contact the relevant authorities.

PHYSICAL RESTRAINT

By dealing with children in school from day to day occasionally it is the responsibility of the teacher or headmistress to restrain the child. This could mean:-

Restraint from injuring himself

Restraint from injuring another child

Restraint from injuring a teacher, or other member of staff

Restraint from damaging equipment in the school

If this behaviour continues and the headmistress considers it to be impairing on other children's education, a threat to teacher or child safety and breaching the bounds of health and safety in the school the child will be suspended from school. Costs of damage to school property will be assessed by the governing body.

CINYDDU MYNEDIAD I'R YSGOL AR GYFER DISGYBLION AG ANABLEDDAU

Diwygiodd Deddf AAA ac Anabledd 2001 Ran 4 o Ddeddf Gwahaniaethu ar sail Anabledd 1995 trwy osod dyletswyddau newydd ar Awdurdodau Addysg Lleol (AALLau) ac Ysgolion mewn perthynas â disgyblion anabl a darpar ddisgyblion. Y prif ddyletswyddau yw:

- Peidio â thrin disgyblion anabl yn llai ffafriol.
- Cymryd camau rhesymol i osgoi gosod disgyblion anabl dan anfantais sylweddol.

Mae'r Ddeddf yn gosod cyfrifoldeb ysgolion i ddatblygu cynllun hygyrchedd ar y corff llywodraethol.

Y Cynllun Hygyrchedd - Caiff y cynllun hygyrchedd ei ddatblygu a'i weithredu i:

- gynyddu'r graddau y gall disgyblion anabl gymryd rhan yng nghwricwlwm yr ysgol;
- wella amgylchedd corfforol ysgolion fel y gall disgyblion anabl fanteisio mwy ar addysg a gwasanaethau cysylltiedig;
- wella'r ffordd y trosglwyddir i ddisgyblion anabl, wybodaeth ysgrifenedig a roddir i ddisgyblion nad ydynt yn anabl. Dylid gwneud hyn o fewn cyfnod rhesymol ac mewn ffurfiâu sy'n cymryd i ystyriaeth y dulliau cyfathrebu sydd orau gan ddisgyblion neu rieni.

Y Ddyletswydd i Gynllunio -rhaid:

- Cynyddu'r graddau y gall disgyblion anabl gymryd rhan yng nghwricwlwm yr ysgol. Mae ysgolion yn gyfrifol am ddarparu cwricwlwm eang a chytbwys ar gyfer pob disgybl ac mae ganddynt swyddogaeth allweddol o ran cynllunio i gynyddu mynediad i'r cwricwlwm i ddisgyblion ag anableddau. Mae hyn yn cwmpasu nid yn unig addysgu a dysgu ond cwricwlwm ehangach yr ysgol megis cymryd rhan mewn clybiau ar ôl ysgol, gweithgareddau hamdden, chwaraeon a diwylliannol neu ymwiadau ysgol.
- Gwella amgylchedd corfforol ysgolion.
- Gwella trosglwyddo gwybodaeth i ddisgyblion ag anableddau.

Caiff y Cynllun ei arfarnu'n rheolaidd.

INCREASING ACCESS TO THE SCHOOL FOR DISABLED PUPILS

The SEN and Disability Act 2001 amended Part 4 of the Disability Discrimination Act 1995 by introducing new duties on LEA's and Schools in relation to disabled pupils and prospective pupils. The main duties are:

- not to treat disabled pupils less favourably
- to take reasonable steps to avoid putting disabled pupils at a substantial disadvantage

The Act places schools responsibility to develop an accessibility plan upon the governing body.

The Accessibility Plan - this is developed and implemented for:

- increasing the extent to which disabled pupils can participate in the school curriculum
- improving the physical environment of schools to increase the extent to which disabled pupils can take advantage of education and associated services and
- improving the delivery to disabled pupils of written information which is provided to pupils who are not disabled. This should be done within a reasonable period of time and in formats which take account of views expressed by pupils or parents about their preferred means of communication.

The Planning Duty must:

- Increase the extent to which disabled pupils can participate in the school curriculum:- schools are responsible for providing a broad and balanced curriculum for all pupils and have a key role to play in planning to increase access to the curriculum for disabled pupils. This covers not only teaching and learning but the wider curriculum of the school such as participation in after school clubs, leisure, sporting and cultural activities or school visits.
- Improve the physical environment of the school
- Improve the delivery of information to disabled pupils

The plan is reviewed regularly.

CÔD YMDDYGIAD A DISGYBLAETH

Mae strategaeth yr ysgol wedi ei gynllunio i atgyfnerthu'r arfer dda o ymddygiad da yn y cod hwn.

Mae'r prif argymhellion yn cael ei harddangos yn yr ysgol ac mae'r plant yn cael eu hatgoffa pan fydd angen gwneud hynny.

- **Parchwn ac ystyriwn ein gilydd**
- **Mae'r dosbarth yn le cysurus i weithio ynddo**
- **Rhaid i bob un ohonom weithio'n galed i wneud yr ysgol yn le iach a saff i fod ynddi**
- **Gorau chwarae - cyd chwarae**

Os yw plentyn yn cam ymddwyn yn gyson yna disgwyliwn i chwi fel rhieni gyd-weithio efo'r ysgol i ddatrys y broblem yn y dull mwyaf addas i'r sefyllfa. Bydd hyn y golygu cyd-drafod a chyfnewid syniadau. Mae Polisi Disgyblu'r ysgol yn ddogfen y bydd yn rhaid ei dilyn os cyfyd achosion o'r fath.

Ceir manylion am gôd ymddygiad yr ysgol yn llawlyfr 'Hyrwyddo Ymddygiad a Chynnal Safonau Da' a roddir i bob plentyn/rhiant wrth iddynt ddechrau yn Ysgol Penybrynn.

Gofynnwn i chi ddarllen a thrafod y llyfr gyda'ch plentyn, gan arwyddo papur i gadarnhau hyn, a'i ddychwelyd i'r ysgol.

DOGFENNAU SYDD AR GAEL

Mae gennych hawl os y dymunwch i gael golwg ar nifer o ddogfennau megis Cylchlythyrau'r Cynulliad, Polisiau yr Awdurdod, Polisiau a Nodau Corff Llywodraethu, adroddiadau AEM ar yr ysgol, meysydd llafur, cynlluniau gwaith ac adroddiad blynnyddol i rieni. Ar ôl rhoi rhybudd o 20 diwrnod, allwch gysylltu â'r Pennaeth i drefnu amser cyfleus i chi gael gweld dogfennau. Nid ar unrhyw amod mae modd i rieni fynd a dogfennau o'r ysgol ond gallant eu ddarllen o fewn muriau'r ysgol.

Er bod y manylion yn y llyfr hwn yn gywir pan gyhoeddwyd hwy, ni ellir rhagweld na fydd unrhyw newid a all effeithio ar y trefniadau cyn dechrau neu yn ystod y flwyddyn. Os bydd newidiadau neu ychwanegiadau yn digwydd, hysbysir cyfarfod Blynnyddol y Llywodraethwyr a'r rhieni o hynny.

COFNODION AR DDISBYGLION

Mae'r ysgol yn cadw gwybodaeth gwricwlaidd ar gyfer pob disgybl. Mae gan rieni hawl i weld y cofnodion yma a phroffil personol eu plentyn.

CODE OF CONDUCT

One strategy designed to reinforce the principle of good behaviour is our Behaviour and Discipline Policy.

The code is displayed in a prominent part of the school to serve as a constant reminder for all pupils.

- **Respect and consideration for others**
- **The classroom provides a pleasant place of learning.**
- **We all share the responsibility for ensuring our school is safe and healthy**

If your child is constantly misbehaving we then expect you as the Parent to work in partnership with the school to identify and solve the main areas of concern. The School Policy on Behaviour and Discipline is a valuable resource document.

Details regarding school conduct can be seen in the booklet 'Good Conduct and Maintaining Good Standards', which will be given to every pupil/parent as your child begins at Ysgol Penybrynn.

We ask you to read and discuss this booklet with your child, and sign and return a form confirming this to the school.

THE DOCUMENTATION AVAILABLE

If you wish, you are entitled to view a number of documents such as Welsh assembly, Authority policies, Governing Body policies and objectives, HMI reports on the school, syllabus and schemes of work, annual reports to parents.

Having provided 20 days prior notice for such documents, the Headteacher may be contacted in order to arrange a convenient time for you to see the documents. Parents are not allowed to take documents from the school premises but they may read them at the school

Gwelir dyddiadau swyddogol gwyliau'r ysgol yn y llawlyfr.
Disgwylir i bawb ddilyn y dyddiadau yma.

Ar adegau bydd gofyn i'r plentyn fod yn absennol o'r ysgol am wahanol resymau. Yn yr achosion hyn caniateir absenoldeb o'r ysgol am y rhesymau a ganlyn yn unig.

Cofnodir hyn fel absenoldeb a awdurdodwyd.

Mewn achosion lle na awdurdodwyd yr absenoldeb gan y llywodraethwyr a'r brifathrawes cofnodir hyn fel absenoldeb na awdurdodwyd ac fe all hyn ddilyn i ymchwiliad gan yr awdurdod a'r gwasanaethau lles.

Amodau lle ystyri'r absenoldeb o'r ysgol

- Gwaeledd
- Profedigaeth teuluol agos
- Cynrychioli'r ysgol mewn gweithgaredd gwricwlaidd neu allgyrsiol
- Gwyliau crefyddol
- Gwyliau teuluol (gweler isod)

Gwyliau Ysgol

Mae cylchlythyr y cynulliad yn pwysleisio bod rhaid i bob rhiant ofyn caniatâd i ddisgybl fynd ar wyliau. O dan rheol 12 o Ddeddf Addysg 1981 mae modd rhyddhau y plentyn am wyliau teuluol o'r ysgol hyd at **10 diwrnod yn ystod y flwyddyn addysgol**. Dim ond mewn eithriadau y rhoddwyd caniatad i fwy na hyn. Ni all unrhyw riant fynnu gwyliau ysgol fel hawl y plentyn. Mae presenoldeb yn factor allweddol wrth ganiatau gwyliau.

Fe fydd unrhyw wyriad o hyn yn cael ei gofnodi fel absenoldeb heb awdurdod. Caiff hyn ei fonitro'n ofalus iawn gan y swyddog lles.

Amgaeir manylion am y drefn sydd rhaid ei dilyn

Dylid cyflwyno'r ffurflen i'r llywodraethwyr gan nodi y rhesymau pam ddylai'r plentyn gael ei drin / eu trin yn wahanol i'r norm.

Fe fydd y llywodraethwyr yn ystyried nifer o ffactorau cyn penderfynu a ganiateir absenoldeb ac fe ymdrinnir â phob achos yn unigol.

- Hyd yr ymweliad â'r effaith ar addysg y plentyn
- Amgylchiadau'r teulu dan sylw
- Pellter y daith ac a fydd y plentyn yn elwa
- Presenoldeb y plentyn yn ystod y flwyddyn

Ym mhob achos fe fydd gofyn i'r rhiant a'r plentyn sicrhau fod y gwaith a gollwyd yn cael ei gwblhau ar ôl dychwelyd i'r ysgol ac efallai bydd gofyn i'r plentyn gyflawni gwaith tra ar ei wyliau. (Dibynna hyn ar hyd yr ymweliad)

Adroddir yn ôl i'r rhieni ar ymateb y llywodraethwyr cyn y dyddiadau dan sylw.

SCHOOL HOLIDAY ARRANGEMENTS

Official dates of school holidays are contained in the handbook and the schools website.

Everyone is expected to adhere to these dates.

At times, the child will have to be absent from school for various reasons. In such cases, absence from school will be granted for the following reasons only.

This will be recorded as an authorized absence.

In cases where the absence was not authorized by the governors and headteacher, it will be recorded as an unauthorized absence which could lead to an investigation by the authority and welfare service.

Circumstances under which absences from school would be considered

- Illness
- Bereavement in the immediate family
- Representing the school in a curricular or extracurricular activity
- Religious holidays
- Family holidays (see below)

Holidays from School

The Assembly circular stresses that all parents must obtain permission to take a pupil away from school on holiday. In accordance with rule 12 of the Education Act 1981, a child is allowed time away from school for a family holiday for up to **10 days in a school year**. Only in exceptional cases would more time be authorized. Absence is taken into account and a very important factor when granting permission.

Any digression from this rule will be recorded as an unauthorized absence. This is closely monitored by the welfare officer.

Details of the procedure are enclosed

A request for a form should be made to the school, and the headteacher's attention drawn to the proposed dates at least three weeks in advance so as to avoid disruption to the child's education e.g. during ASSESSMENT time or another important activity which the school proposes.

The form should be submitted to the governors, noting the reasons why the child should be treated differently to the norm.

The governors will consider a number of factors before deciding whether or not to grant the absence, and every case will be dealt with individually.

- The nature and purpose of the trip.
- The length of the visit and the consequent effect on the child's education.
- The circumstances of the particular family.
- The length of the trip and resulting benefits for the child.

The child's attendance during the year.

In all cases, the parents and child will be required to ensure that the work missed is completed after returning to school. The child might also be required to complete work while on holiday (depending on the duration of the visit).

Parents will be notified of the governors' response prior to the dates that are being considered.

ABSENCES

- 1 Regular school attendance has always been important. Without this, the school and teachers' efforts would be in vain.
- 2 Parents are legally required to send their children to school regularly. Parents failing to fulfil these duties face being prosecuted.
- 3 Parents' responsibilities extend to ensuring that their children arrive at school punctually, neatly-dressed, and in a fit condition to learn.
- 4 It is the parents' responsibility to inform the school of a child's absence as soon as possible and to provide any further information, if required.
- 5 When a pupil's irregular attendance is a cause of concern, the school may request the support of the Education Welfare Officers and inform the Local Education Authority.
- 6 By law, only the school may approve absences. Absences are placed in two categories - AUTHORISED and UNAUTHORISED.
The following are examples of AUTHORISED ABSENCES - illness, medical or dental appointment; attending a religious festival of which the parents and pupils are members.
The following are examples of NON-AUTHORISED ABSENCES – shopping during school time, home responsibilities, such as looking after others, extended holidays during school term.
- 7 The register is closed at 9.05a.m. and 1.05p.m.
- 8 Parents who arrange their holidays outside of school holidays should consider the school calendar and the implications of this for the child. A holiday permission form is available from the Headteacher.
- 9 If a pupil is to be excused from physical education lessons (including swimming), for medical reasons, a note must be received from the parents (for a short, temporary period) or a medical certificate (for an extended or permanent period).
- 10 Permission for holidays is not permitted during National testing.

ATTENDANCE

Should your child have to be absent from school for any reason, would you kindly send a note to the class teacher giving the reason for the absence. It is a Government requirement that the school publishes figures annually; any absences not covered by a note are to be considered as unauthorised and will be monitored closely by the county welfare office.

ILLNESS AND INJURY

If a pupil needs to see a doctor due to illness or injury then every effort will be made to contact the parents in the first place. This is the reason that it is vital that every parent ensures that the PERSONAL DETAIL FORM is completed and returned to our files.

If a child is required to take medicine in school because of a certain illness, then a form signed by the family doctor must be forwarded to school. These forms are available at the surgery. Parents must give their consent for the teachers to give their child this medication. It must be emphasized that the teachers do this voluntarily. School staff will not administer any medication for minor illnesses, e.g. colds, headaches, etc.

We ask each family to inform the school in advance if the child is going to be absent due to medical appointments and that they phone the school in the morning if the child has been taken ill.

Each parent is requested to advise the school if a child is ill at all. On his / her return you are required to bring a letter of explanation of the reason for his / her absence.

Absences are monitored closely by various sectors involving the child as well as by the school and the welfare services.

When no letter of explanation is sent to the school this school will follow the LEA recommendations and we will also be required to contact the relevant authorities.

Policy on Healthy Break-times at Ysgol Penybrynn

Introduction

Ysgol Penybrynn is committed to a healthy school scheme and continues to promote health through all aspects of school life. Break-time is a very important period of a school day for pupils and staff and we are looking to develop this time so that everybody benefits. The policy aim is to establish a structure for break time.

The healthy break policy includes the following aspects and contents:

Break-Time Snacks - the environment

Food Packs – food and fitness

Develop positive behaviour on the playground

Develop dinner-time supervision

Health and Safety

Cleanliness, development of personal and social skills

Break-time structure

Morning break time is held between 10.30 and 10.50am. Supervision during this period is by a member of on duty staff. The bell is rung or everybody is summoned in at 10.55am and pupils are expected to walk in an orderly fashion back to their classes. The teachers will collect the children and escort them to the class. The children are encouraged to use the toilets during break time. Year five and six pupils have been nominated to monitor behaviour both in the classrooms and in the toilets. Pupils are expected to notify on duty staff of any incident linked to pupils' behaviour. Pupils are not allowed to carry tea/coffee cups, either full or empty to member of staff on duty.

Lunch time is held between 12:00 and 1:00pm. Everybody eats their lunch in the canteen. Lunch time is supervised by a designated supervisor and assistant. Once the pupils have eaten their dinner, they are encouraged to go out to play under the supervision of the supervisor. When the bell is rung at 1:00pm, the same arrangements that were explained earlier are followed.

There is a fifteen minute break-time during the afternoon for the infants. The older children often work throughout play time, this is dependent on the nature of the task, but if a teacher allows a period of activities, an individual teacher should supervise him/her.

If the weather is bad during break time for pupils to go out to play, they can play board games, use the computer, play with games or construction equipment, play games which promote PSE in class.

Break time snack

Following dental inspection results, eating of sweets is prohibited at school. Pupils are encouraged to bring fruit to eat during break time. This rule is noted in the school handbook and pupils and parents are aware of it. Pupils at foundation phase receive free milk every morning, and the nursery pupils receive it in the afternoon. Water bottles are also advised to be washed at home daily.

School Dinners and Packed Lunches

70% of pupils currently receive school dinner. The cook receives training on food hygiene, health and safety in the kitchen. The cook prepares tasty and attractive food for children and teachers. She makes every effort to receive high quality food and selects fruit to decorate cakes instead of sweets when there is fruit available. Fresh fruit, rice and spaghetti are provided once a week. Vegetarian food is provided for vegetarians, on request. If pupils bring a packed lunch to school, it has to be eaten in the canteen. As a consequence of being involved in the 'Health Promotion School', the school has adapted a policy to include healthy packed lunches. A packed lunch is expected to include well-balanced foods from the main category, namely:

fruit, vegetables,

bread, cereals, potatoes

milk and milk products

meat, fish, beans

Pupils are expected to bring a water bottle fitted with a sport top daily to school. It is the parents responsibility to wash and keep them clean.

This policy is expected to be considered when a packed lunch is required on a school trip. The dietician has guidelines for parents if they wish to receive them.

Develop positive behaviour

The school has a comprehensive policy which deals with development of positive behaviour. This was manifested in the strategy on behaviour.

Develop dinner-time supervision.

Every supervisor has a job-description and the school is committed to develop staff through Investors in People enterprise.

Health and Safety Aspects

Parents receive information on any accidental injury and the incident is recorded in the accidents book.

POLISI IECHYD A DIOGELWCH

Ni all rheolau, rheoliadau a llawlyfrau am arferion gwaith diogel a.y.y.b. ddiddymu na chyfyngu ar ddamweiniau yn y gwaith; i sicrhau diogelwch mae'n rhaid cael ymroddiad gan bawb. Yn aml mae rheolau, rheoliadau ac Arferion Gwaith Diogel yn aneffeithiol oherwydd diofalwch a difaterwch sy'n feini tramgywydd wrth geisio gweithredu unrhyw bolisi diogelwch. Mae cofnodion ystadegol yn awgrymu bod rhai damweiniau'n digwydd oherwydd diffygion mewn cyfarpar neu manylion cynllunio, tra bod eraill yn digwydd o ganlyniad i anwybodaeth neu drwy anwybyddu cyfarwyddiadau.

Pwrpas y polisi yw gwella'r agweddau diogelwch yn yr ysgol er mwyn lleihau i'r eithaf y posibilrwydd y bydd damweiniau'n digwydd. Y mae'r angen i gael amgylchedd gwaith diogel ar gyfer yr holl weithgareddau a ymgymrir gan bersonél yr ysgol, neu gan bersonél ar ran yr ysgol yn hanfodol. Mae'n rhaid i ymwybyddiaeth a dealltwriaeth personél o'r rheolau a'r rheoliadau Iechyd a Diogelwch perthnasol fod yn hanfodol beth bynnag yw categori neu natur swydd y gweithiwr. Mae diogelwch yn fater i bob unigolyn beth bynnag ei safle neu ei statws.

Mae gweithredu safonau ac arferion diogelwch yn ganolog i unrhyw bolisi diogelwch ac mae rheolwyr yr ysgol yn cydnabod eu cyfrifoldeb yn hyn o beth.

Cyhoeddir y polisi er mwyn diffinio materion sy'n ymwneud â Iechyd a Diogelwch ac mae o gymorth i'r staff i ddeall beth yw eu sefyllfa mewn perthynas â chyfrifoldebau'r ysgol. Golyga'r polisi hwn hefyd ei fod yn ffynhonnell i gyfeirio ato wrth drefnu ac arolygu gweithgareddau staff yr ysgol ac mae'n gymwys i gcontractwyr yn yr un modd. Fe'i cyhoeddir fel atodiad i Ddatganiad Polisi Cyffredinol y Cyngor.

Y mae polisi Iechyd a Diogelwch yr ysgol hon yn ddarostyngedig i bolisi Iechyd a Diogelwch Awdurdod Addysg Gwynedd. Mae pob athro yn yr ysgol yn holol gyfarwydd â chynnwys y pamffled 'Iechyd a Diogelwch - Technoleg (Cyfnod Allweddol 1-2)'. Dylai athrawon yr ysgol hefyd fod yn holol gyfarwydd â chynnwys y llyfrynn "Be Safe!" a gynhyrchir gan 'The Association for Science Education'.

Sicrheir bydd offer trydanol yr ysgol yn cael ei archwilio'n flynyddol gan dechnegydd y Sir.

Mae blwch cymorth cyntaf ar gael yn y swyddfa a sicrheir fod blwch symudol ar gael tra ar ymweliad addysgol. Clustnodwyd un aelod o staff sydd â chyfrifoldeb cymorth cyntaf.

Clustnodwyd Ysgol Penybryn fel ysgol ddi-fwg.

Sicrheir fod canllawiau y Sir yn cael ei dilyn ynghlwm a rhoi a chadw moddion yn yr ysgol.

Sicrheir ei bod yn cael eu cadw mewn man diogel o olwg a chyrraedd plant.

Rhoddir pwyslais ar asesiad risg a bydd yr ysgol yn derbyn asesiad risg y sefydliad perthnasol pan ar ymweliad addysgol. Bydd pob aelod o staff yn gyfarwydd â'r safle cyn mynd â phlant yno ar ymweliad. Pan fo'r asesiad risg yn uchel, sicrheir cymorth goruchwylwyr ychwanegol 1-6 neu gymorth rhieni.

Cyflwynir ffurflen 'Man Anafiadau neu Anafiadau Difrifol i'r Disgybl' o fewn 24 awr yn dilyn damwain.

Blasu bwyd

Ar adegau yn yr ysgol, wrth ddilyn themau gwahanol, mae cyfleoedd i blant flasu gwahanol fwydydd. Rhan amlaf ffrwythau, neu fara fydd hyn. Fel arfer pan yn ymwneud y gwaith yma fe fyddwn yn anfon neges adref gyda'r plant neu yn llythyru'r rhieni ymlaen llaw i'w rhybuddio. Mae'n gyfrifoldeb ar y rhieni i hysbysu'r ysgol am unrhyw alergedd sydd gan y plant at fwydydd.

HEALTH AND SAFETY POLICY

Neither rules, regulations or handbooks about safe work practices etc. can eliminate nor restrict accidents in the workplace; to ensure safety, everyone's commitment is required, often Safe Working rules, regulations and Practices are ineffective because of safety and negligence which are stumbling-blocks when trying to implement any safety policy. Statistics suggest that certain accidents occur because of defects in equipment or planning details, whilst others occur as a consequence of lack of knowledge or through ignoring instructions.

The purpose of the policy is to improve safety aspects at the school so as to reduce as far as possible, the risk of accidents occurring. It is essential that there be a safe working environment for all activities undertaken by school personnel, or by personnel acting on behalf of the school. Awareness and understanding by personnel of relevant Health and Safety rules and regulations is imperative whatever the category or nature of the worker's post. Safety is a matter for each individual, whatever his/her position or status.

Implementing safety standards and practices is central to any safety policy and the school's managers recognize their responsibility in this respect.

The policy is issued so as to define matters relating to Health and Safety and assists staff to understand their situation with regard to the school's responsibilities. This policy also provides a point of reference when organizing and reviewing school staff's activities and also applies to contractors. It is published as an appendix to the Council's General Policy Statement.

This school's Health and Safety policy is subject to Gwynedd Education Authority's Health and Safety policy. Every teacher at the school is wholly familiar with the contents of the 'Health and Safety - Technology pamphlet (Key Stage 1-2).' The teachers should also be wholly familiar with the contents of the booklet "Be Safe!" produced by "The Association for Science Education".

It is ensured that the County Technician carries out an annual inspection of the school's electrical equipment.

There is a first-aid box available at the office and it is ensured that there is a mobile box available whilst on an educational trip. A member of staff is responsible as a First Aider.

Ysgol y Penybryn has been designated a smoke-free school.

It is ensured that the County's guidelines are followed with regard to administering and storing medicine at the school. It is ensured that they are kept in a safe location out of sight and reach of children.

There is an emphasis on risk assessment and the school will receive a risk assessment by the relevant establishment when on an educational trip. Every member of staff will be familiar with the site prior to taking children there on a visit. When there is a high risk assessment, support is provided by additional assistants 1-6 or by parents.

A "Minor Injuries or Serious Injuries to the Pupil" form is presented within 24 hours following an accident.

Food Tasting

By following various themes in the school the children occasionally are given the opportunity to taste various foods. This usually entails tasting different breads and various fruit. When this occurs we usually inform the parents in advance. It is the parent's responsibility to inform the school of any food allergies your child may have.
