DLS UR 1, Ultimate series tweeter

Thank you for buying DLS UR1 tweeter. This tweeter is included in the DLS ULTIMATE Reference speaker kits.

THE KIT CONTAINS:

- 2 pcs 28 mm / 1,1" tweeter elements
- Mounting accessories for dash and recessed mounting

INSTALLATION:

UR1 can be installed on the dashboard or recessed in a doorside.

SURFACE MOUNTING:

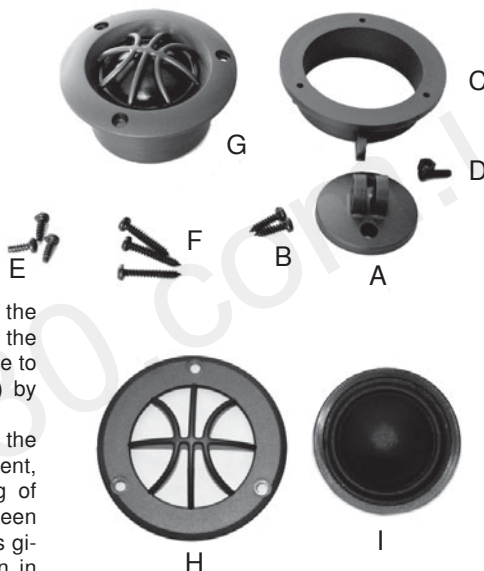

Use all accessories coming with the tweeter. Attach the round bottom plate (A) with the screws (B) or double adhesive tape.

Then fasten the round holder (C) to the bottom plate using the screw and nut (D). The tweeter element (G) is then attached to the holder using the three short screws (E).

RECESSED MOUNTING 1:

You need a hole with a diameter of 45 mm / 1,77" in the door side. Attach the tweeter element (G) to the door side with the round holder (C) on the back side of the door panel. Use the three long screws (F) to attach the element to the holder.

RECESSED MOUNTING 2:

Sometimes it's necessary to install the tweeter at places where you can't use the round flange. The flange (H) is possible to remove from the tweeter element (I) by turning it CCW (bayonet mount).

If you prefer to install the tweeter with the flange attached to the tweeter element, we recommend you to add a string of strong glue on the bottom side, between flange and chamber, to secure it. This gives you the best sound reproduction in this installation.

INFÄLLD MONTERING 1:

Gör ett hål på 45 mm i dörrsidan. Den runda hållaren (C) monteras på dörrsidans baksida. Använd de tre långa skruvarna (F) för att skruva fast tweetern (G) med hållaren (C).

INFÄLLD MONTERING 2:

Ibland är det önskvärt att kunna montera tweetern i bilens originaluttag eller liknande och då är flänsen onödig. Den yttre flänsen (H) är möjlig att ta bort från tweeter-elementet (I) genom att vrida den moturs (bajonettfästning).

Om du installerar tweetern med flänsen monterad så erhålls bäst ljudkvalitet om du lägger en sträng med ett starkt lim runt om på undersidan, mellan fläns och kammare, så att flänsen sitter fast ordentligt.

FACTS ABOUT DLS UR 1

Art.no	10-25401
Size	28 mm
Nom. power (RMS)	50 Watts (80 Watts max)
Freq. range	1 kHz-25 kHz
Sensitivity	93 dB
Fs	900 Hz
Overall dimensions	62 mm / 2,44"
Magnet	28 mm / 1,1" neodymium
Mounting depth	26 mm / 1"
Mounting hole	45 mm / 1,77"
Cone material	Hand treated fabric

FAKTA OM DLS UR 1

Art.nr	10-25401
Storlek	28 mm
Nom. effekt (RMS)	50 Watt (80 Watt max)
Frekvensområde	1 kHz-25 kHz
Känslighet	93 dB
Fs	900 Hz
Yttre mått	62 mm
Magnet diameter	28 mm neodymium
Monteringsdjup	26 mm
Monteringshål	45 mm
Konmaterial	Textilmaterial

Tack för att du köpt DLS UR 1 tweeter. Den ingår som standard i DLS ULTIMATE Reference högtalarsystem.

INNEHÅLL:

- 2 st 28 mm tweeter-element
- Monteringstillbehör för yttre och infälld montering

MONTERING:

Iridium1 kan antingen monteras utanpåliggande på instrumentbräda, eller infällt i ex.vis en dörrsida.

UTANPÅLIGGANDE MONTERING:

Använd alla de tillbehör som finns i förpackningen. Den runda bottenplattan (A) monteras med två skruv (B) eller dubbelhäftande tape. Den runda hållaren (C) monteras ihop med bottenplattan med medföljande skruv och mutter (D). Tweeter-elementet (G) fästs i den runda hållaren med tre korta skruv (E).
