Issue 9: California Community Colleges

- 1) Increase funding for part-time faculty office hours by \$3.6 million; CalWORKS by \$8.7 million, Fund for Student Success (PUENTE, MESA) by \$2.4 million, and equal employment opportunity practices by \$2 million, plus faculty diversity reporting language.
- 2) Assembly version on California Promise Programs (\$15 million one-time based on pending legislation), base apportionment increase (\$75 million), report on increasing degree production to meet future state workforce needs, San Francisco City College.
- 3) Senate version on Veterans Resource Centers, Online Education Initiative, Institutional Effectiveness Partnership reporting, zero-textbook-cost degrees, and full-time faculty.
- 4) \$2.5 million Proposition 98 to increase marketing and outreach aimed at BA degrees, non-English speaking households and areas with declining college enrollment.
- 5) \$2.5 million General Fund to support inmate education partnerships between community colleges and CDCR facilities.
- 6) Approve Strong Workforce Trailer Bill Language allowing 60% of funding to go directly to colleges, with 40% going to regional consortia. Language also requires consortia to collaborate with regional workforce partners, report on one-time versus ongoing spending, and encourages consortia to work with programs and providers that seek to improve workforce outcomes for the developmentally

disabled. Funding will be based on a formula that includes local unemployment rate, the region's proportion of CTE full-time equivalent students, projected job openings, and proportion of successful workforce outcomes.

- 7) Approve Basic Skills Budget Bill Language directing \$30 million Proposition 98 in 2016-17 to support Transformation Grants that received minimum points eligible to receive a grand award in 2015-16, but did not receive an award. Trailer Bill Language directing \$30 million Proposition 98 in 2017-18 and beyond to be distributed through a funding formula that includes 50% based on performance factors, 25% based on number of low-income students, and 25% based on basic skills courses offered using evidence-based practices.
- 8) Approve \$25 million one-time Proposition 98 Innovation Awards, with Trailer Bill Language indicating awards should address equity issues and encourage the use of technology. Language also eliminates categories that develop online courses and adds a category of programs that increase students' access to financial aid.
- 9) Adjust one-time funding for deferred maintenance to conform with the revised funding plan.

Conference Compromise

Issue 10: University of California

- 1) Increase above Governor's Budget of \$18.5 million General Fund, for a total increase of \$143.9 million ongoing General Fund above 2015-16. The \$18.5 million will be released in May 2017 if UC enrolls 2,500 more residents by 2017-18 and the UC Board of Regents adopts a policy capping nonresident enrollment.
- 2) Adopt Trailer Bill Language to increase the number of undergraduate resident students admitted to UC who are from high schools that enroll 75% or more of unduplicated pupils (low-income, English learners and foster youth).
- 3) \$20 million one-time General Fund for student outreach and student support services for low-income and underrepresented minority students, including students who are enrolled in LCFF Formula Plus schools.
- 4) \$22 million one-time General Fund for UC Innovation and Entrepreneurship program. Budget Bill Language stating that funding distribution and program details will be determined in pending legislation.
- 5) Senate version on state audits of UC.
- 6) \$2 million in one-time General Fund to support equal employment opportunity activities plus reporting language regarding faculty diversity and how funding was spent.

- 7) \$4 million one-time General Fund to support the UC Scout program to provide California students and teachers free A-G course materials aligned to California state standards.
- 8) Senate version on firearms violence research center (\$5 million one-time General Fund), nonresident admissions standards, Charles Drew Medical School.
- 9) Assembly version on reporting on outside compensation for executives, cost of instruction, and increasing degree production to meet future state workforce needs.
- 10) Rescind Assembly and Senate action to provide \$6 million General Fund for graduate student enrollment.
- 11) Adopt Trailer Bill Language eliminating the sunset date of the UC Subject Matter Projects.

University of California

Issue 11: UC Proposition 2 Funding

- Assembly recommends approval of budget bill language stating that \$171 million in Proposition 2 funding will be distributed to UC if UC rescinds defined contribution pension options.

STAFF COMMENTS:

Conference Compromise

Issue 12: California State University

- 1) Increase above Governor's Budget of \$12.5 million General Fund, for a total increase of \$160.8 million ongoing General Fund above 2015-16. Budget bill language setting enrollment target of 5,194 new full-time enrollment students, or 1.4% increase above 2015-16.
- 2) Increase above May Revise one-time funding of \$25 million, for a total of \$50 million one-time General Fund. Of this amount, \$35 million will be released after CSU adopts a plan to improve graduation rate targets system-wide and by campus, and sets specific improvement targets for underrepresented students and first-generation college students. The \$35 million shall be used for activities related to the CSU Graduation Initiative and overall policies to increase two-year and four year graduation rates.
- 3) \$2 million in one-time General Fund to support equal employment opportunity activities plus reporting language regarding faculty diversity and how funding was spent.
- 4) Senate version on student outreach, summer school and vesting trailer bill language.
- 5) Assembly version on reporting on outside compensation for executives, cost of instruction, and increasing degree production to meet future state workforce needs.
- 6) Assembly version on CSU Center for California Studies Sacramento Semester (\$20,000 General Fund).

Conference Compromise

Issue 13: Other Higher Education
