ACKNOWLEDGMENT

The authors are indebted to Dr. John Lawrence, Department of Agricultural Chemistry, State College of Washington, for teaching techniques and loaning equipment in studying the nitrogen fraction of plants.

ERRATUM

The center heading in column 2, p. 124, Vol. 53 (1960), No. 1 of the ANNALS OF THE ENTOMOLOGICAL SOCIETY OF AMERICA should be changed to read as follows: **"Paraterellia ypsilon,** new species (Figs. 2, 4, 7)."
