Read these
explanatory
notes for
information
regarding
arrangement
of directory.

Family names listed first - followed by address and occupation of head of family. If married, wife's name in brackets follows - if employed, employment listed with name. Children under 18 listed with ages. Members of family over 18 listed with names and occupation, if employed.

Business and professions listed alphabetically with firm name, address, owner or manager and telephone number.

* On left hand margin of alphabetical directory denotes realty taxpayer as given to census takers by persons listed.

Rural Routes - Listed separately under Route Number - Alphabetically.

Classified Section - Business and professions cooperating to make this directory possible, are listed alphabetically with individual or firm names listed alphabetically under same. Address, telephone number and name of manager or owner listed.

A few names added late might be found at the end of the list under that letter.

Blank lines have been added at the end of each letter for space to fill in new names during the year.

Territory adjacent to City Limits has been included in the main Alphabetical Section of this directory, also the North Albany community.
