Appletons APPLETONS YARN FOR HAND WEAVING

British from sheep to needle! Appletons Wool is exclusively created using British Wool, spun and dyed in the UK. Appletons have been around for over 180 years and many of the colours are the same as used by William Morris when he first used Appletons in his tapestries.

All 425 colours are available in 2 weights; crewel, 2 ply, 2/14 and tapestry, 4 ply, 4/9. It's extremely versatile and mixes well with all types of other yarns. Available in 1 ounce hanks, tapestry weight is 60 yards, crewel weight is 200 yards.

Can be used in needlepoint, tapestry, weaving, tufting and cross stitch. Check out our website for our overseas US suppliers.

The Living Tapestry Workbook

by Thoma Ewen

Published by Moon Rain Centre www.moonrain.ca

The Living Tapestry Workbook is an introductory guide to designing and weaving tapestry.

Its step-by-step instructions simplify tapestry weaving, making it accessible and easy to do. The workbook is ideal for beginners, covering all the basics and serving as a companion to further creative explorations.

The Workbook shares the author's insights gained during 45 years of weaving and teaching tapestry. Ewen communicates the ancient indigenous belief that weaving is a sacred path, and illustrates how tapestry's vital contemporary role is to transmit the energy of peace.
