truly affordable color

WorkCentre® 7232 / 7242 Multifunction Printer

Open the door to a new level of office possibilities. Advanced scanning and faxing functions increase your office workflow options. And fast, low-cost black-and-white printing and copying give you the robust productivity you rely on every day. But why limit yourself to black-and-white? For those times you need high-impact, beautiful color, the Xerox WorkCentre 7232 / 7242 MFP delivers for a lot less than you might think.

Speed and image quality

- **A black-and-white copy and print speed of up to 40 ppm** keeps up with your busy pace.
- **Color pages print at up to 10 ppm** — fast enough to give your documents added impact when you need it.
- **Exceptional print quality** thanks to 600 x 600 dpi x 4-bit print resolution. You get outstanding office graphics and crisp text for professional results, page after page.
- **Xerox exclusive EA-HG toner technology** — with particles engineered to have uniform size and shape — gives your work enhanced image quality and increased toner yield.
- **Print documents up to 11 x 17 in.** with automatic duplexing, useful finishing options and multiple paper tray configuration choices.

The control you need

- **The internal Auditoron feature** lets administrators set black-and-white and color limits for copy, fax and scan functions for greater cost control.
- **Xerox Standard Accounting** software makes it easy to analyze device usage, providing helpful reports printed at the device or downloaded over your network.
- **Secure Print and Secure Fax** safety measures ensure your sensitive information stays private.
- **The Data Security Kit** encrypts all data stored on the device's hard disk and can be configured to automatically overwrite specified job data.
- **Filters for IP addresses** and domains, as well as port blocking, protect your device from unauthorized network access.
- **Color authorization** via MS Active Directory™ provides greater cost control by allowing unlimited black-and-white output while limiting color printing and copying to select users.

Fits your office, fits your budget

- **Copy, print, scan and fax.** You get a performance-packed device for a hard-to-beat price, with the low-cost black-and-white printing you expect plus attention-grabbing color when you really need to make a good impression.
- **Smart Kit™ technology** always monitors critical device components to predict and prevent downtime.
- **CentreWare® Internet Services** works seamlessly with your web browser to give you quick access to print jobs and online support without leaving your desk.
- Whether using the walk-up interface or controlling the device via the print driver, the WorkCentre 7232 / 7242 MFP is extremely **easy and intuitive to use.**
- **Additional high-capacity feeder option** lets your workgroup produce huge volumes of work without reloading paper, and a choice of two finishing options provide more print job flexibility.

WorkCentre® 7232 / 7242 Quick Facts

- Print / copy up to 32 / 40 ppm black-and-white, 10 ppm color
- 600 x 600 dpi x 4 bit print resolution
- 3,660-sheet maximum paper capacity
- Powerful scanning tools
- Cost control and security features
- Xerox Extensible Interface Platform™ (EIP)

WxDxH:
25.2 x 25.7 x 43.8 in.
640 x 654 x 1112 mm

Powerful scanning solutions

- **Scan to Mailbox** lets you send electronic files to the device's hard drive for easy retrieval.
- **Scan to Home** sends files to pre-assigned "home" destinations for fast routing.
- Convert scanned documents to **text-searchable PDFs** for fast information retrieval.
- **Scan to Email** lets you route files to email recipients directly from the front panel.
- **Compression** technology creates smaller scan files for faster delivery and reduced network load.
- **Network scanning** uses convenient templates to send scans to pre-defined locations.
- **Job Flow Sheets** simplify everyday workflows by routing documents to predefined locations, including preset email addresses, fax destinations and FTP/SMB sites.

Xerox Extensible Interface Platform™ (EIP)

- 1 EIP is a software platform inside the WorkCentre 7232 / 7242 that enables personalized solutions you can access right from the device touch screen. These applications can leverage your existing databases and meet your specific business challenges.

Paper input

- 2 75-sheet Duplex Automatic Document Feeder
- 3 100-sheet Bypass Tray for specialty print jobs
- 4 Three 520-sheet trays (adjustable to 11 x 17 in.)
- 5 Optional 2,000-sheet feeder (8.5 x 11 in.)

Two finishing options

- 6 Space-saving Integrated Office Finisher for 50-sheet single-position stapling.
- 7 Robust Office Finisher LX adds multiposition stapling plus optional booklet creation and hole punching.

WorkCentre® 7232 / 7242 Configurations

WorkCentre 7232

- 32 ppm b/w, 10 ppm color
- 4 Tray, 1,660-sheet capacity
- Duplex Automatic Document Feeder

WorkCentre 7242

- 40 ppm b/w, 10 ppm color
- 4 Tray, 1,660-sheet capacity
- Duplex Automatic Document Feeder

Option packages

General Office

- 1 Line Fax Kit with iFax
- Scan to Email Kit

Office Scanning

- Network Scan Kit with Email Kit
- Scan to PC Desktop – Pro
- Scan Performance Kit

Office Productivity

- Network Scan Kit with Email Kit
- 1 Line Fax Kit with iFax
- Office Finisher LX
- Adobe PostScript Kit
- Scan Performance Kit
