Our Mules Deliver™

When you're needing more power, there's no Mule that will deliver like the **Mule 737T**. With a standard 10,000 pound lifting capacity with power rotator, 119,000 in. lb.* of axle torque, and 10,000 pound capacity dollies, the **Mule 737T** is especially equipped for the most extreme deliveries of largest sheds and cabins in the industry. It offers 54% more power than the **Mule 624T**, with an electronic fuel-injected 37HP Vanguard engine. The **Mule 737T** features our patented i-Trax technology for extreme floatation. Whether you're looking for the **Mule 413** with its history of endurance and reliability or the **Mule 737T** with its unprecedented power, we're here for you.

Your Buildings, Your Options, Your Prices, Your Customers.
Integrated with Your domain name and Your theme.
Integration available with your CRM and Order Systems.
Always has the latest features and improvements.

www.3Dfish.net
888-672-1035

How your shed designer works for you!

1. A prospect visits your website
2. The prospect interacts with an interactive 3D configuration tool. The tool allows the individual to evaluate different options and accessories, see the price, and the product they have configured.
3. The prospect clicks Order to purchase the building they have designed. The prospect, now customer's design is transmitted to directly to your sales team.
4. Your sales team engages with the prospect by reviewing the product they have configured and answering any questions they may have.
5. Your sales team finalizes the purchase with the customer.

CREDIT APPLICATION

Our credit terms are subject to the following:

- A credit limit may be applied or adjusted, determined by our credit department.
- Returned checks will be charged an NSF fee of \$30.00.
- Accounts with balances over 45 days past due will be subject to an interest rate of 1-1/2% per month, up to 18% per year.
- Accounts will be placed "On Hold" and future orders will not be released until past due amounts are paid in full.
- Slow paying accounts may have credit terms removed.

I hereby certify that the information contained herein is complete and accurate. This information has been furnished with the understanding that it is to be used to determine the amount and conditions of the credit to be extended. Furthermore, I hereby authorize the companies listed in this credit application to release necessary information to Apple Outdoor Supply in order to verify the information contained herein. Upon approval, this entitles me to purchase from Apple Outdoor Supply on Open Account to the extent of the Credit Limit approved. I understand this extension of credit is conditional upon favorable payment within terms; service charges will apply for past due balances and Open Account privileges may be suspended for negligent or insufficient payments. I have also read and agree to Apple Outdoor Supply' Policies & Procedures.

Placing Orders: Thank you for choosing Apple Outdoor Supply! It is important to read the information outlined here. By placing an order it will be assumed that you agree to conduct business under these Policies and understand the Terms & Conditions of Freight Charges and Freight Claims.

- 1.) Emailed/Written Orders: Please use the Part Numbers provided in the catalog, this is the Best Way to assure accuracy when placing orders. If we have your email address or fax number on file, a confirmation of your order will be sent; any changes that need to be made to your order will be noted.
- 2.) You may submit orders using the order form provided in this catalog, and/or using your own purchase order forms.
- 3.) Please submit orders with the following information: Billing Address, Ship-To Address, Company Name, Contact Name, Phone Number, Email Address, any Special Delivery Instructions, Receiving Hours, Changes to Account Information, and/or anything effecting your account or delivery.
- 4.) When placing an order by phone, please have your account information and item part numbers ready. Please ask the order taker to repeat your order back to confirm the order is correct.
- 5.) Non-Stock items or made-to-order may require a 25% deposit (reviewed on a case by case basis). "Special Orders" will require a signed quote, or written confirmation. Quotes & holds will only be good for 5-days, if we do not receive a response within 5-days the order/quote will be canceled.

*Please be aware we do reserve the right to limit the amount ordered, if said order conflicts with current inventory levels, or conflicts with projected usage.

* Prices & policies are subject to change. Apple Outdoor Supply is not liable for any inaccuracies, misprints or errors in the information provided herein. Occasionally items displaying immediate availability may become unavailable. We reserve the right to substitute with similar items of comparable quality.

**Special Orders can be defined as any product ordered in for a specific customer; this applies to both catalog and non-catalog items. Special orders cannot be returned, or cancelled once ordered. Lead times for special orders may vary, and we encourage our customers to place orders with allowance for extended lead times.

Account Information and Credit Terms: Apple Outdoor Supply will open an immediate account over the phone and ship orders C.O.D., or Prepaid with a Credit Card, or by mailing a Check or Money Order. To apply for credit, please submit a credit application. A credit application can be found at the front of this catalog, or you may request one by contacting us. Upon approval, open credit terms will be placed on your account.

Our credit terms are subject to the following:

- A credit limit may be applied or adjusted, as determined by our credit department.
- Returned Checks will be charged an NSF Fee of \$30.00.
- Accounts with balances over forty five (45) days past due will be subject to an interest rate of 1-1/2% per month, up to 18% per year.

Your account will be placed "ON HOLD" and future orders will not be released until past due amounts are paid.

• Orders are invoiced the day following either shipment from our warehouse or delivery via Apple's truck. If you do not receive your invoice in the mail 3-4 days after shipping, or 1 day for email or fax, please contact us. It is the consumers responsibility to pay invoices in a timely matter in accordance with our agreed credit terms. If you have not received an invoice, you MUST contact us right away.

- Slow paying accounts may be subject to having credit terms removed.
- Early pay discounts are only available on merchandise, not on freight or fuel charges; and may only be used when invoices are paid with checks or money orders.

Pick-Up Policy: All orders to be picked-up from our warehouse(s) must be given with a 24-hour notice; Orders will be available for pick-up between the times of 9am -11am & 1pm - 3pm Mon. - Fri. If the product in question is a "special order", we will notify you when the product arrives; after this standard pick-up policies will apply. If an order cannot be picked-up within 48 hours after the order is ready, daily storage fees may be charged. If a pick-up order is cancelled after our staff has picked the product, a restocking fee of 25% of the total order will be charged. Customers may use a freight carrier of their choice, but must provide a bill of landing prior to shipping and must have the order picked up within a 24 hour period. We will provide weight and dimensions for bill of landing.

Local Deliveries: Local Deliveries are reserved for customers who are located in close proximity to our facilities and can receive orders via Apple Outdoor Supply trucks. Delivery charges may apply and may vary by location and/or type of item delivered. Please check with your Sales Rep. to understand the charges that might be applicable to your delivery. Availability of local deliveries varies by location, routes, time order of placement and space on truck.

Freight Policy: Freight is shipped with a 3rd party carrier and is shipped under the following assumptions.

- The company has normal business hours (Monday - Friday: 8am - 5pm)
- The building has a loading/unloading dock.
- The location is NOT considered "Residential" or located in a "Remote Area". "Remote" and "Residential" areas are defined and determined by the freight carrier.
- The customer understands they will be responsible for all accessorial fees. Accessorial fees are charges for additional services.

Accessorial fees include but are not limited to the following: Lift-Gate Services, Delivery Appointments, Remotes Access/ Residential Charges, Re-Delivery Charges, Storage fees, etc. Therefore, if you do not have a dock, have limited business hours, and/or operate from home, farm, or remote area, you need to let us know at the time of order placement.

* Apple Outdoor Supply will determine the carrier for your order based on rate and reliability. If you want us to ship your order with the carrier of your choice, please inform the order taker at the time of order placement. We will honor this request whenever possible, and ship your order COLLECT.

All shipments, including backorders, will be subject to the freight policies. Policies include the cost of freight for regular "dock to dock" deliveries.

COMPANY POLICIES & PROCEDURES

Under our NEW freight policy, WE WILL NOT HOLD orders indefinitely to "Ship Complete". Orders will be shipped in the most efficient and effective way as possible, this means receiving backorders and shipments from different warehouses. If you do not wish to leave any items on backorder, please request "Ship and Call Complete" when placing an order. Unless specified otherwise, all mailed orders will be ship & call complete.

* We reserve the right to delay shipping your order in the short-term for the arrival of an inbound container or the arrival of other domestic product.

How Freight Charges are Determined

- There is a MINIMUM charge for each LTL freight order. (Refer to the chart below for each state's minimum charge)
- However, the total amount of freight charged for each order Will Not exceed the given percentage of the order total. (After the minimum LTL freight charge has been reached; refer to the chart below for the percentage rate of each state)
- Freight is applied to all shipments of your order.
- We will not add product to existing orders or backorders.

FREIGHT RATE ZONE BY STATE	MINIMUM AMOUNT	NOT TO EXCEED THIS PERCENTAGE OF YOUR ORDER VALUE	FREIGHT RATE ZONE BY STATE	MINIMUM AMOUNT	NOT TO EXCEED THIS PERCENTAGE OF YOUR ORDER VALUE
RATE ZONE 1	\$110	12%	RATE ZONE 4	\$260	15%
DE, GA, IL, IN, KY, MD, NC, NJ, OH, PA, SC, TN, VA, WV			KS, ME, ND, NM, SD, TX		
RATE ZONE 2	\$140	13%	RATE ZONE 5	\$300	25%
AL, AR, CT, FL, MI, MO, MS, NE, NH, OK, RI, VT, WI			CO, ID, UT, WY		
RATE ZONE 3	\$160	13%	FULL FREIGHT RATE	TBD	TBD
IA, LA, MA, MN, NY			AK, CA, MT, NV, OR, WA		
			ALL CANADIAN PROVINCES		

* Exceptions to this are Over-Sized such as: Roll Doors, Slab Doors, Pre-Hung Doors, and Bubble Insulation. These items must be placed on individual orders, cannot be combined with other items, and will be subject to full freight charges. Additionally, other items considered "Special Order", such as painted screws, plated items, drop ship items (i.e. drip edge), non-stock items sourced per order, etc., must be on individual orders and cannot be combined with other items.

Disclaimer on Loss or Damaged Shipments: In order to expedite your claim for loss or damage on shipments, you must inspect and count your freight at the time of delivery and then notate the shortage/damage on the Bill of Landing (BOL) delivery receipt. The box count (different from the skid count) is listed on the delivery receipt, this should be compared to your packing slip to insure receipt of all items. Promptly contact the Customer Care department at Apple Outdoor Supply. When possible, please supply a copy of the BOL and the pictures of the damaged product. Please send images and claims to custcare@applefasteners.com. Apple Outdoor Supply will then contact the shipping company, and start the claim process on your behalf. Credits to your account will be applied once the freight company provides payment.

Orders from Apple Outdoor Supply leave our warehouse complete and in good condition. Your signature on the delivery receipt confirms you received your shipment in good and complete condition, signing the BOL assumes you (the consumer) take full responsibility of the shipment. Therefore, if you do not notate damage or loss on the BOL, Apple Outdoor Supply will not be held responsible for lost or damaged product.

Order Discrepancies / Returns: If, for some reason, you are not completely satisfied with your order, please contact our Customer Care Department at custcare@applefasteners.com or by calling 1-800-704-8112 immediately after delivery to report the problem. Return paperwork & instructions will be provided to you; if you receive Local Deliveries, your driver will handle the return.

Please provide the reason for your return request, the invoice number, and the part number(s) of the item(s) you wish to return.

Please do not return any materials to Apple without obtaining an authorization number. The return authorization number must appear on the outside of all boxes being returned. A credit will be issued when the product has been received and counted by our warehouse personnel.

Apple Outdoor Supply reserves the right to deduct the credit amount of your return by the cost of the return freight, apply a Restocking Charge up to 25%, charge a minimum Return Service Fee of \$25.00, or outright deny credit of any amount on returns under the following conditions:

- Special Order Merchandise
- Refused or Cancelled Orders
- Installed Windows
- Incorrectly Ordered Products
- Customer Request
- Stock Buy Backs
- Merchandise Installed/used, in Poor or Non-Resale Condition
- Errors not reported within thirty (30) days
- Conditional Loss or Damaged Shipments (See Disclaimer Below)

Instances where Apple Outdoor Supply has made an error, we will make every effort and assume full responsibility to correct the discrepancy at our expense.

PAINING CHARGES

THERE IS A \$70 MINIMUM PAINT CHARGE, YOU MAY REFERENCE THE CHART BELOW TO DETERMINE IF YOU ARE OVER THE MINIMUM. THE PRICING SHOWN ON THE BELOW CHART IS PER THOUSAND. SAMPLES MUST BE PROVIDED WITH EACH PAINT ORDER.

IF COLOR MATCHING IS REQUIRED FROM YOUR SAMPLE, PLEASE ADD \$40 TO THE OVERALL PRICE.

CALL TO QUOTE PRICE ON ADDITIONAL SIZES AND ITEMS, SUCH AS LAG BOLTS, HEX BOLTS, SCREWS WITH WASHERS, AND SPECIALTY SCREWS.

*PLEASE ALLOW AT LEAST 3-4 WEEKS FOR PAINTING TO BE COMPLETED.

GRADE 2

GRADE 5

GRADE 8

THREADS PER INCH (TPI)

BOLT SIZE	COARSE THREAD	FINE THREAD
1/4	20	28
5/16	18	24
3/8	16	24
7/16	14	20
1/2	13	20
9/16	12	18
5/8	11	18

The Unified Thread Standard (UTS) defines a standard thread form and series—along with allowances, tolerances, and designations—for screw threads commonly used in the United States and Canada. It is the main standard for bolts, nuts, and a wide variety of other threaded fasteners used in these countries.

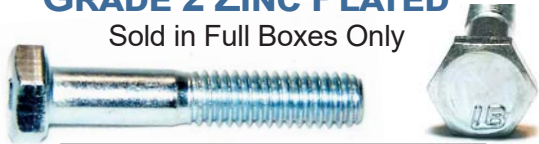

*Stainless markings vary.
Most stainless is non-magnetic.
