Multi-v.c.hectad – records to be sent to each relevant v.c.recorder **72** 8  
Mumbles Pier – marine life during ebb tide **43** 4  
MUMMERY, J. – The Roadside Verges Scheme in Essex **72** 28-30  
MUMMERY, J.E. – Fruitful liaison; Roadside verges in N.W. Essex **36** 30  
MUMMERY, M. – Floral diversity on Essex verges **79** 60-61  
Mummy crops survival **83** 52  
Mummy wheat – Miracle wheat (Request) **83** 52  
MUNDELL, A. – Aliens galore! **83** 43-44  
MUNDELL, A. – *Conyza bilbaoana* is on its way to you **87** 40, 62-65  
Mundell, A. – *Illecebrum verticillatum* (photo ©) **101** [ii]  
MUNDELL, A. – Ladies, Roses and Coral Necklaces in v.c.12 **101** 26-27, CS3  
MUNDELL, A. – *Saururus cernuus* L. in Hampshire **83** 40-41  
MUNDELL, A. – Some interesting alien plants in v.c.12 **101** 41-43, [77]  
MUNDELL, A. – Trees that don't know about winter **89** 20  
MUNDELL, A. & POVEY, S. – What colour is a cranberry? **89** 17-18  
Mundell, A.R.G. – Leaf details of three Cyperaceae species, del., **90** 19  
MUNDELL, A.R.G. – *Scirpus* or *Carex*? **90** 18-19  
MUNDELL, A.R.G. – *Scrophularia scopolii* (Italian Figwort) established in Britain, plus a tale of two Nippleworts **91** 52-53, CS2-3  
MUNDELL, A.R.G. & CARTER, C.I. – A couple of Chenopodiums **87** 39, 58-59  
MUNDELL, T. – Chlorotic *Epipactis helleborine* in v.c.12 N. Hants – some early records (Descr.) **75** 18  
Mundell, A. – *Orchis purpurea* (photo ©) **101** CS3  
Mundell, A. – *Senecio inaequidens* (photo ©) **101** [77]  
Munford, Dr J. – lecture **85** 14  
Munsary Peatlands (v.c.109) acquired by Plantlife **83** 32  
Muntjac, Rabbits, Hares, – toxic plants **79** 26  
Muntjacs, Discriminating, [*Rubus*] **73** 18  
Mural rarities under threat – from murals **87** 19-20  
Murcott, J.J. – herbarium specimens **65** 29  
Muriad **45** 13  
Murlough Dunes National Nature Reserve **44** 28  
MURPHY, M. – Request for BSBI Journals **104** 73  
Murphy, M. **62** 16  
Murphy, M. **62** 59  
MURPHY, R. – *Botanical Cornwall* 8 (1998) **78** 71  
Murphy, R. – herbarium at **BM** **75** 18  
MURPHY, R. – Launceston, Cornwall, (v.c.2) 1998 (Fld Mtg Rpt) **80** 71-72  
Murphy, R. – *Rosa* specimens to **BM** **68** 26  
MURPHY, R. – *Thelypteris palustris* (Marsh Fern), a new site in Cornwall **82** 31  
Murphy, R. **65** 17  
Murphy, R. **67** 17  
Murphy, R. **70** 18  
Murphy, R. **78** 76  
Murphy, R. **84** 12  
Murphy, R. – gift of c.900 specimens (Nat. Hist. Museum) **69** 72

Recorders decide, Let the, (vice-county controversy) **35 27**

Recorders Forum – Liverpool 1985 **39 5**

Recorders' Meeting – Lancaster (1989) **50 4; 51 4; (1991) 56 29**

Recorders Meeting (*see* BSBI Recorders Meeting and Recorders Conference)

Recorders Meeting **15 6**

Recorder's names – standard format **110 5**

Recorders' Newsletter **79 12**

Recorders, Changes of v.c. **20 16; 21 3; 23 4; 24 31; 26 7; 27 25; 29 2**

Recorders, Note for, – current list of Recorders to be kept and updated by Hon. Gen. Sec. and D. Wells **40 13**

Recorders, Panel of Vice-county, – Amendments **106 69**

Recorders, Panel of Vice-county, – Amendments **107 71**

Recorders, Panel of Vice-county, – Amendments **108 66**

Recorders, Problems for, **23 29**

Recorders, Referees and Recording **42 8-11**

Recorders, Vice-county – Amendments **61 7**

Recorders, Vice-county – Amendments **64 12**

Recorders, Vice-county, – 16 part-funded for computers **74 3**

Recorders, Vice-county, – Amendments **102 76**

Recorders, Vice-county, – Amendments **105 51**

Recorders, Vice-county, – Amendments **32 7; 33 2, 31; 34 5; 36 7; 37 6; 38 5; 39 5; 40 13; 41 5; 42 8; 43 0; 44 7; 45 5; 46 9; 47 14; 48 10**

Recorders, Vice-county, – Amendments **49 7; 50 8; 51 7; 52 6; 53 7-8; 54 14; 55 7; 57 8; 58 8; 59 5; 60 5-6**

Recorders, Vice-county, – Amendments **65 8-9**

Recorders, Vice-county, – Amendments **66 6**

Recorders, Vice-county, – Amendments **70 8**

Recorders, Vice-county, – Amendments **71 6; 72 10-11; 73 13; 74 14; 75 6; 77 11; 78 10; 79 13; 80 14-15**

Recorders, Vice-county, – Amendments **81 10; 82 18; 83 14-15; 84 15; 85 13; 86 10-11; 87 8; 88 12; 89 11-12**

Recorders, Vice-county, – Amendments **90 10; 91 14; 92 10; 93 10; 94 11; 95 10; 96 11; 97 12; 98 9; 99 10; 100 9**

Recorders, Vice-county, – assistance with computers **71 8**

Recorders, Vice-county, – Atlas 2000 data for checking by, **79 10**

Recorders, Vice-county, – BSBI Approved Software Packages **74 13**

Recorders, Vice-county, – changes of address to be sent to Hon. General Secretary **40 13**

- Recorders, Vice-county, – computerisation **77** 3, 10; **79** 6; **80** 13
- Recorders, Vice-county, – Computers delivered to, **75** 11
- Recorders, Vice-county, – D. Pearman to keep list updated **72** 11
- Recorders, Vice-county, – discount for *Scarce Plants Atlas* **69** 16
- Recorders, Vice-county, – help with Atlas 2000 **76** 12
- Recorders, Vice-county, – help with record compilation **74** 9
- Recorders, Vice-county, – listed in *Year Book* **56** 5
- Recorders, Vice-county, – longest serving **85** 13
- Recorders, Vice-county, – New guidelines for submitting records **95** 10-11
- Recorders, Vice-county, – offers of help for record abstraction (Request) **79** 11
- Recorders, Vice-county, – paper on set of priorities for, **110** 2
- Recorders, Vice-county, – percentage computerised **73** 12
- Recorders, Vice-county, – s.a.e. required for, **51** 7
- Recorders, Vice-county, – state of recording for Atlas 2000 **75** 9-10
- Recorders, Vice-county, – supply of and training on computers **79** 12
- Recorders, Vice-county, **31** 8
- Recorder's, Vice-county, 'best guess' which species are rare and scarce is more workable **80** 15
- Recorders, Vice-county, for Scotland **100** 10
- Recorders, Vice-county, need to know **all** your records **70** 22
- Recorders, Vice-county, note to, – Postcodes **41** 5
- Recorders, Vice-county, Panel of, – Amendments **104** 74
- Recorders, Vice-county, Panel of, – Amendments **109** 81
- Recorders, Vice-county, Panel of, – Amendments **110** 68
- Recorders, Vice-county, Working with, – Scotland **101** 72
- Recorders, Vice-county,, future of, – talk **85** 15
- Recording – national tetrad maps website **109** 85-85
- Recording – route taken **78** 19
- Recording – spatially-referenced data **76** 47
- Recording – The last year of Date Class 4 **110** 72
- Recording (*see also under* Recorders and Recording)
- Recording aliens – To draw or not to draw a line **87** 12-13
- Recording aliens – where is line to be drawn? **86** 51
- Recording aliens in gardens **87** 11-12
- Recording and Conservation, Botanical, – Seminar, Liverpool, 1997 **78** 12-13
- Recording and Plant Identification, Certificates in Biological, **91** 7
- Recording and Species Identification, Biological, – Post-Experience Certificate **81** 8
- Recording and Species Identification, Certificate in Biological, **79** 11
- Recording bias **76** 47
- Recording bias **97** 39-41
- Recording by Car, Cautionary tale on plant, **49** 13
- Recording card, New, – Sussex Botanical Recording Society **59** 19; (fig.) **59** 28
- Recording cards – 'Atlas 2000' **59** 19
- Recording cards – reasons for fewer names **73** 15
- Recording cards – Scottish and Welsh **78** 18
- Recording cards (*see also* Record cards)
- Recording cards may have had their day **78** 17
- Recording cards, Amendments to, Atlas 2000 **76** 11
- Recording cards, Design of Field, **73** 15
- Recording cards, Field, – Creating your own, **77** 20-21
- Recording cards, Field, for all regions still available **53** 7
- Recording cards, Minor changes to BSBI, **72** 6-7
- Recording cards, Native Black Poplar, **78** 20
- Recording cards: Some more views **78** 18-19
- Recording Conference, Scottish, – Stirling 1989 (Notice) **50** 35
- Recording Conifers and other alien trees for Atlas 2000 **75** 41-42
- Recording Critical Groups in the British and Irish Flora Conference, Liverpool 1985 **38** 25
- Recording Critical Groups in the flora of the British Isles Conference, Liverpool 1985 **39** 5
- Recording Dorset* **68** 11
- Recording for County Rare Plant Registers and Floras, The New Red list and, **100** 12-13
- Recording for the Norbotten Flora, Sweden 1997 (Fld Mtg Rpt) **78** 82-83
- Recording for?, What are we, (vice-county controversy) **36** 36
- Recording imported species able to maintain autonomous populations in gardens **88** 13
- Recording in Britain and Ireland, Status of, – Atlas 2000 (map & interpretation) **75** 9-10
- Recording in grid-cells – minimum length of route (Table) **82** 42
- Recording in more detail – guidelines **95** 11-12
- Recording in more detail – limitations of an AFOR type scale **95** 11-12
- Recording in more detail **96** 11-12, 14-15
- Recording in Wales **2** 29
- Recording is fun, Atlas, **74** 11-12
- Recording Islands – A view from Mull **61** 10
- Recording Islands **60** 12,13
- Recording on computer in the field **95** 4
- Recording other than plants **49** 8-9
- Recording plants in Wiltshire **104** 14
- Recording programs, A comparative review of two botanical, **76** 72-77
- Recording *Rosa* – Nomenclature and Identification **41** 24
- Recording Scales **109** 84-85
- Recording Scheme, Carmarthenshire – first year **33** 16
- Recording Scheme, Motorised, (New Zealand) **47** 12-13
- Recording selected taxa, Example of guidance notes on, (Cruciferae) – 'Atlas 2000' **59** 27
- Recording Software, BioList, **92** 72
- Recording status of non-natives **61** 13
- Recording system, New, trial **84** 12
- Recording techniques, Biological, (course) **77** 57
- Recording timescale to be restricted to within a standard calendar decade **107** 73
- Recording Trees of Sark for Atlas 2000 **78** 24-26
- Recording using greater than 6-figure grid ref. **78** 17
- Recording Vice-county, (vice-county controversy) **34** 35
- Recording, 10km sq, versus habitat recording **70** 17
- Recording, A Beginners Guide To, **73** 11
- Recording, *Atlas 2000, Fieldwork for, 4. A Beginners Guide to,* **75** 10
- Recording, Biological, – earliest use of grid system **85** 28
- Recording, *Biological, and Species Identification* course. *Univ. Cert. in,* Univ. of Birmingham – top student, J. Ford **95** 4
- Recording, Biological, and species identification with Univ. of Birmingham **83** 15
- Recording, Biological, Masters Degree in, **85** 13
- Recording, Biological, postgraduate programmes **83** 15
- Recording, Botanical, in Grid-cells : a basis for standardisation **82** 40-43
- Recording, Botanical, on the Defence Estate (Request) **82** 61
- Recording, Certificate in Biological, and Species Identification **74** 16
- Recording, develop software for biological, **74** 13
- Recording, Ecological, A simple relational database for, **107** 4-5

- Recording, Field, at County level **76** 38-39
- Recording, Field, with a hand-held computer (Exbt) **92** 72
- Recording, *Fieldwork for Atlas 2000. 4. A Beginners Guide to*, **75** 6
- Recording, First systematic, of a Flora in Britain **75** 69
- Recording, General, – local scarce and rare plants can be ignored (Isle of Skye) **78** 15
- Recording, High-speed, **47** 12-13
- Recording, History of, – *Spiranthes romanzoffiana* in Britain **53** 18-20
- Recording, Phytogeography and, **78** 19-20
- Recording, Pitfalls of Tetrads, **48** 18-19
- Recording, Plant Status and, **78** 14-16
- Recording, Quadrat, format **98** 8
- Recording, Site, and distribution mapping in Dorset **74** 36-40
- Recording, Species, Habitat or, **71** 36
- Recording, Timed, **78** 16
- Records – post- and pre-Millennium, to be kept separate **83** 16
- Records – procedures **43** 9
- Records – Safe long-term custody of vouchers **66** 9
- Records and Referees **28** 4
- Records and Science & Research Committees approve 'rules' for County Rare Plant Registers **80** 13
- Records and Specimens, Submission of, **19** 16-17
- Records can now be directly scanned into computers **59** 20
- Records Centres, Local, **79** 15
- Records Committee – discussion of guidelines to standardise rare plants registers **79** 15
- Records Committee – Register kept of local surveys, floras, etc., in progress **41** 5
- Records Committee **11** 8
- Records Committee **23** 4
- Records Committee **66** 3
- Records Committee **66** 69
- Records Committee **71** 6; **73** 13; **76** 6; **77** 8; **79** 15

 REES-JONES, D. – Plantlife powers on **70** 22-23

- Reeves, W. herbarium, Collectors in the, (Table) **97** 30-31
- Reeves, W.W. – herbarium specimens **65** 29
- Referee appointments **71** 5
- Referee female botanists, Offer to, **46** 8
- Referee for *Carex (muricata* groups) **19** 2
- Referee for Introduced and Cultivated Trees **69** 50
- Referee(s), Molecular, suggested **101** 20; **105** 11
- Referee, BSBI Nomenclature, **32** 24
- Referee, Rose, for Beginners **42** 9
- Referees – consultation for identifications privilege of individual membership **60** 5
- Referees – corrections to Yearbook 2005 **99** 10
- Referees – disposition of specimens for determining **60** 5
- Referees – email addresses **86** 10
- Referees – e-mail addresses and telephone no. option in *Year Book* **81** 10
- Referees – identification of foreign specimens **60** 5
- Referees – specifications for specimens **60** 5
- Referees and Recorders – changes **17** 2
- Referees and Specialists **2** 4, **28**; **3(2)** 6
- Referees and Specialists Panel – Amendments **49** 7; **51** 8; **54** 14; **55** 7; **57** 8; **58** 8; **59** 5-6; **60** 6-7
- Referees and Specialists Panel – Amendments **61** 7
- Referees and Specialists Panel – Amendments **64** 12
- Referees and Specialists Panel – Amendments **70** 9
- Referees and Specialists Panel – listed in *Year Book* **56** 5
- Referees and Specialists Panel – updated list to be published **53** 7
- Referees and Specialists Panel, – revised list circulated with Sept. 1986 edition of *BSBI News* **43** 6
- Referees and Specialists Panel, Amendments **35** 3; **36** 7; **37** 6-7; **38** 5; **40** 13; **41** 5; **42** 8-9; **43** 6; **44** 8; **45** 5-6; **47** 14; **48** 10-11
- Referees and Specialists Panel, card index of, to be kept and updated by J. Trist **41** 5
- Referees and Specialists , Panel of, (*errata*) **15** 29
- Referees and Specialists, Panel of, – Amendments **105** 51
- Referees and Specialists, Panel of, – Amendments **107** 71
- Referees and Specialists, Panel of, – Amendments **108** 66
- Referees and Specialists, Panel of, – amendments **109** 80
- Referees and Specialists, Panel of, – Amendments **110** 68
- Referees and Specialists, Panel of, – Amendments **66** 6
- Referees and Specialists, Panel of, – Amendments **83** 14; **84** 14; **86** 10; **87** 8
- Referees and Specialists, Panel of, – Amendments **90** 10; **91** 14; **92** 10; **93** 10; **94** 11; **95** 9-10; **96** 11; **97** 12; **98** 9; **99** 10; **100** 9

Scarce Plants, Focus on, **61** 34  
Scarce Plants, List of, **57** 19-21  
*Scarce Plants, Red Data Book &*, – unsupported altitudes (table) **90** 11  
Scarce Plants, Single Species Monitoring of, **93** 8  
Scarce' plants, The new list of 'Nationally, **69** 22-23  
Scarce Species **71** 36  
*Scarce Species Atlas* **67** 58  
Scarce species in Kirkcudbrightshire (Exbt) **69** 78  
Scarce species list, Reference to, **60** 22  
Scarce Species Project **69** 21  
Scarce Species, BSBI, High resolution mapping of, along the coast of Essex (Exbt 2006) **105** 46  
Scarce Species, Nationally, – detail required when recording **77** 10  
Scarce Species, Nationally, and good and bad years **70** 17  
Scarce taxa – degree of precision of grid references for Plant Records (*Watsonia*) **68** 11  
Scarce taxa, Nationally, not in an IUCN category – New Status List **95** 40-43  
Scarce, Locally, – definition **79** 14  
Scarce, Nationally, – definition **73** 14  
Scardus – definition omitted from the last issue **54** 31  
SCARLETT, P. & DAWSON, F.H. – The distribution of some invasive bankside species throughout the UK and their relationships with vegetation structure and land use (Exbt) **84** 67-68  
SCARLETT, P. *et al.* – The distribution of three invasive plant species along the Rivers Usk and Taff and their major tributaries (Exbt) **81** 73  
SCARLETT, P.M. with L.C. MASKELL & F.H. DAWSON – What is the extent of hybridisation between *Heracleum mantegazzianum* & *H. sphondylium*? (Exbt) **87** 76  
SCASE, R. **1** 32  
Scent detection, Orchid, – perhaps genetic variation lies in humans **58** 27  
Scent of *Orchis morio* (Requests) **57** 42-43; – **1** **58** 27; – **2** **58** 27  
Scent of *Orchis morio*, Variation in the, **59** 36  
Scent, Colour and, – *Orchis morio* **59** 36  
Scent, Orchid, – conserving energy by timing release of, **58** 27  
*Scented Wild Flowers of Britain, The*, – Roy Genders **1** 9, 27  
Schaaf, L.J. – American historian of photography **54** 45  
Schedule 8 species – detail required when recording **77** 10  
Scheduled Plants – Countryside and Wildlife Act **44** 21  
*Schefflera* – pronunciation **69** 45  
Schemata, Embryonic, **79** 34  
Schering Agriculture sponsors British Fern video **52** 45; **56** 42  
*Scheuchzeria palustris* – candidate for county flower **75** 11  
*Scheuchzeria palustris* – distribution and threat **92** 8-9  
*Scheuchzeria palustris* – requiring a written account (Red Data Book Project) **65** 33  
*Scheuchzeria palustris* – unsupported altitude (v.c.**98**) **90** 11  
*Scheuchzeria palustris* (Rannoch Moor) **46** 44  
*Scheuchzeria palustris* (v.c.**98**) **86** 78  
*Scheuchzeria palustris* **12** 17; **14** 6  
*Scheuchzeria palustris* **27** 6; **23** 15  
Scheuzer, J. **62** 30  
*Schinus* – pronunciation **69** 44  
Schippman, U. **79** 44  
Schistosomiasis, Control of, **31** 6  
*Schizaea* – pronunciation **69** 44  
*Schizanthus* **12** 11  
*Schizanthus pinnatus* (v.c.**13**) **108** 45, [77]  
Schizocarpic fruits in Sycamore (*Acer pseudolatanus* L.) **49** 17-19  
Schizoid aberrations – *Calystegia* **70** 24  
*Schizostylis* – pronunciation **69** 44  
*Schkuhria pinnata* (v.c.**30**) **71** 51  
*Schkuhria pinnata* (v.c.**39**) **37** 14  
Schlechter, R.- 1549 species of orchids described from German New Guinea **54** 48  
*Schleswig – Holstein und dem benachbarten Niedersachsen, Atlas der Brombeeren von Dänemark*, **36** 38; **38** 30  
Schnaps flavourings **39** 22  
SCHNEIDER, E. – *Iberis amara* seeds wanted **91** 57

- Schoenoplectus* ×*kuekenthalianus* (*S. tabernaemontani* × *S. triqueter*) (v.c.13) **110** 63
- Schoenoplectus lacustris* – English name **61** 19
- Schoenoplectus lacustris* (L.) Palla: Archival Information **51** 19-21
- Schoenoplectus lacustris* (v.c.102) **110** 58
- Schoenoplectus lacustris* (v.c.111) **102** 56
- Schoenoplectus lacustris* (v.c.13) **110** 63
- Schoenoplectus lacustris* (v.c.27) **101** 51
- Schoenoplectus lacustris* (v.c.30) **60** 55; (v.c.61) **51** 19; (v.c.H39) **53** 52

- Schoenoplectus lacustris* (v.c.41) **62** 66
- Schoenoplectus lacustris* (v.c.44) **102** 59
- Schoenoplectus lacustris* (v.c.46) **101** 53
- Schoenoplectus lacustris* (v.c.49) **82** 69; (v.c.81) **82** 66
- Schoenoplectus lacustris* (v.c.55) **64** 23
- Schoenoplectus lacustris* (v.c.61) **41** 8
- Schoenoplectus lacustris* (v.c.61) **72** 37, 40
- Schoenoplectus lacustris* ssp. *tabernaemontani* (v.c.50) **60** 61; (v.c.54) **60** 52; (v.c.98) **56** 38
- Schoenoplectus pungens* (v.c.59) **104** 60
- Schoenoplectus pungens* assoc. spp. (v.c.59) **98** 30-33
- Schoenoplectus pungens* on the Sefton coast **98** 30-33
- Schoenoplectus tabernaemontani* (Clwyd) **43** 30; (v.c.61) **41** 8
- Schoenoplectus tabernaemontani* (v.c.11) **106** 51
- Schoenoplectus tabernaemontani* (v.c.111) **102** 56
- Schoenoplectus tabernaemontani* (v.c.39) **89** 66
- Schoenoplectus tabernaemontani* (v.c.39) **96** 66
- Schoenoplectus tabernaemontani* (v.c.41) **62** 66
- Schoenoplectus tabernaemontani* (v.c.41) **62** 66
- Schoenoplectus tabernaemontani* (v.c.44) **102** 59
- Schoenoplectus tabernaemontani* (v.c.49) **80** 75; (v.c.59) **77** 80; (v.c.64) **71** 66
- Schoenoplectus tabernaemontani* (v.c.58) **106** 54
- Schoenoplectus tabernaemontani* (v.c.63) **64** 43
- Schoenoplectus tabernaemontani* (v.c.95) **104** 69
- Schoenoplectus tabernaemontani* (v.c.97) **107** 60
- Schoenoplectus tabernaemontani* (v.c.H2) **65** 59
- Schoenoplectus tabernaemontani* **51** 20; (v.c.93) **50** 14
- Schoenoplectus triqueter* in Britain, Low seed set in, (Exbt) **92** 70-71
- Schoenus* – pronunciation **69** 44
- Schoenus ferrugineus* – unsupported altitude (v.c.88) **90** 11
- Schoenus ferrugineus* **11** 6
- Schoenus ferrugineus* conservation (Loch Tummel) **31** 16
- Schoenus nigricans* (Islay) **45** 48; (v.c.52, 73, 74, 75) **36** 10
- Schoenus nigricans* (Norfolk) **72** 59; (v.c.34, 41) **73** 34; (v.c.102) **77** 76; (v.c.106) **75** 59; (v.c.H8) **75** 61; (v.c.H17) **79** 74; (v.c.H26) **79** 74
- Schoenus nigricans* (Stake Ness, Banffshire v.c.94; Enzie Braes (v.c.94)) **1** 36
- Schoenus nigricans* (v.c.100) **89** 68; (v.c.103) **83** 59; (v.c.H28) **84** 78
- Schoenus nigricans* (v.c.102) **110** 59
- Schoenus nigricans* (v.c.105) **104** 57, 58
- Schoenus nigricans* (v.c.11) **94** 51; (v.c.92) **100** 40; (v.c.105) **98** 68; (v.c.108) **96** 58
- Schoenus nigricans* (v.c.111) **102** 56
- Schoenus nigricans* (v.c.41) **62** 66
- Schoenus nigricans* (v.c.52) **65** 64
- Schoenus nigricans* (v.c.64) **62** 54
- Schoenus nigricans* (v.c.75) **66** 55
- Schoenus nigricans* (v.c.9) **60** 54; (v.c.64) **50** 44; (v.c.97) **50** 45; (v.c.103) **52** 41; (v.c.H39) **53** 52
- Schoenus nigricans* (v.c.95) **104** 68
- Schoenus nigricans* (v.c.H24) **68** 61
- Schoenus nigricans* (v.c.H3) **66** 54
- Schoenus nigricans* (v.c.H3) **66** 55
- Schoenus nigricans* **20** 29
- Scholarship, Hugh Wisnom, **50** 4
- Scholarships, Partial, available for Non-NERC students **66** 42
- Scholten, Maria, awarded BSBI Science and Research Grant (*Avena strigosa*) **103** 36
- School Natural History Societies, Association of, **2** 39
- School Natural Science Society **1** 17
- School Natural Science Society: Biennial Exhibition **1** 54
- School nature projects **50** 37
- Schools – Wildflower Ark (update) **90** 42

- Science, Public understanding of, – COPUS development grant **76** 79
- Scientific and Research Committee – President's Comment **77** 3
- Scientific and Research Committee **78** 4; **79** 3
- Scientific Information Services, The Use of*, – 4th Edition – R. Davidge & E.R. Wooding **27** 28
- Scientific names, Pronunciation of vernacular and, **68** 27
- Scientific names, Would be preferable to be told, **68** 54
- Scientific Writing for Graduate Students* – Editor H.P. Woodford **1** 27
- Scilla* – pronunciation **69** 44
- Scilla* – refer to *The Plantsman* **101** 45

- Scilla* (Descr.) **69** 48  
*Scilla* at Warley Place, The, **80** 46-47  
*Scilla autumnalis* – late-flowering species – Scarce Plants Project **58** 20  
*Scilla autumnalis* – threat from invasive strain **76** 43  
*Scilla autumnalis* (Avon Gorge) **72** 36  
*Scilla autumnalis* (Sark) **70** 21  
*Scilla autumnalis* (v.c.2) **91** 34  
*Scilla autumnalis* (v.c.34) **104** 12  
*Scilla autumnalis* (v.c.4) **53** 48  
*Scilla autumnalis* in North-Western Europe (Exbt) **66** 67  
*Scilla bifolia* (Bulgaria) **52** 38  
*Scilla bifolia* (v.c.21) **69** 48  
*Scilla bifolia* (v.c.37) **83** 35  
*Scilla bifolia* (v.c.61) **71** 44  
*Scilla bifolia* × *Chinodoxa forbesii* (Descr.) **69** 48  
*Scilla bithynica* – refer to *The Plantsman* **101** 45  
*Scilla bithynica* (Bulgaria)(Descr.)(Illus.)(Kew Gardens)(Turkey)(v.c.18) **80** 46-47  
*Scilla bithynica* (Descr.) **70** 36  
*Scilla bithynica* (Essex) **70** 36  
*Scilla bithynica* (Kent) **70** 36  
*Scilla bithynica* (v.c.20) **70** 32  
*Scilla bithynica* (v.c.20) **70** 36  
*Scilla bithynica* **58** 40-41; (Bulgaria, ?Romania)(Essex) **58** 41; (Illus.) **58** 40  
*Scilla bithynica*, More, **70** 36  
*Scilla italica* **1** 23  
*Scilla italica* **80** 47  
*Scilla messeniaca* – refer to *The Plantsman* **101** 45  
*Scilla messeniaca* (Descr.)(Illus.)(Peloponnese) **80** 47  
*Scilla messeniaca* (v.c.6) **32** 19  
*Scilla peruviana* – nomenclature **51** 11  
*Scilla peruviana* (Alderney) **62** 11  
*Scilla verna* – white flowers (v.c.111) **60** 8  
*Scilla verna* (Brittany) **88** 40, 45; (v.c.46) **83** 58; (v.c.103) **83** 60; (v.c.H38) **85** 66; (v.c.H39) **85** 65  
*Scilla verna* (Free seed) **71** 53  
*Scilla verna* (Northumberland) **34** 7, 8; **43** 28; (v.c.46) **43** 31; (v.c.52) **36** 10; (v.c.71) **47** 46; (v.c.73) **36** 10; (v.c.74, 75) **36** 10; (v.c.108) **37** 13  
*Scilla verna* (v.c.1b) **109** 63  
*Scilla verna* (v.c.2) **91** 34  
*Scilla verna* (v.c.41) **102** 54  
*Scilla verna* (v.c.46) **65** 65  
*Scilla verna* (v.c.49) **104** 59  
*Scilla verna* (v.c.52) **65** 64  
*Scilla verna* (v.c.52) **65** 64  
*Scilla verna* (v.c.75) **66** 56  
*Scilla verna* **10** 17  
*Scilla verna* **59** 35; (v.c.101) **60** 57  
*Scilla*, *Hyacinthoides* doubtfully distinct from, **80** 47  
Scillonian Dogwhelks indicate exposure – notice of paper **41** 4  
Scilly – *Aeonium* and *Aichryson* on, **88** 57-58  
Scilly – Records of *Crassula multicava* from, **92** 1, 46  
Scilly – *Senecio minimus* – a new weed on, **97** 48, 49  
Scilly (v.c.1b) to remain **57** 8  
Scilly Isles – FSC course 1995 **67** 68  
Scilly Isles – notice of Linnean Society / British Ecological Society meeting 1986 **41** 4  
Scilly Isles – wildlife holiday **79** 81  
Scilly Isles, The Fortunate Isles: Flowers and Birds of, – Field Studies Council **62** 69

 25  
 SHOWLER, A. – Bee Orchids **94** 14  
 SHOWLER, A. – Books for Sale **96** 77  
 SHOWLER, A. – *Brachypodium firmifolium* seed (offer) **88** 74  
 SHOWLER, A. – Car hire in Cyprus **96** 54  
 SHOWLER, A. – *Cardamine bulbifera* in South Devon  
 (Requests) **51** 38  
 SHOWLER, A. – *Carex muricata* ssp. *muricata* in southern  
 England **95** 32-33  
 SHOWLER, A. – *Erophila* – home and away **94** 22  
 SHOWLER, A. – *Eschscholzia* in Tenerife – 2 **46** 26  
 SHOWLER, A. – *Eschscholzia* in Tenerife (Requests) **45** 31  
 SHOWLER, A. – Fen Nettle (*Urtica galeopsifolia*) in Berkshire  
**69** 31  
 SHOWLER, A. – Fruiting in Coral root, *Cardamine bulbifera*  
 (L.) Crantz, **48** 26-28  
 SHOWLER, A. – Going to Cyprus? **59** 14  
 SHOWLER, A. – Hampshire, South, (New Forest) – a correction  
 (Fld Mtg Rpt) **96** 56  
 SHOWLER, A. – It happens to us all . . . **66** 21-22  
 SHOWLER, A. – Mistletoe in Berkshire & Buckinghamshire **73**  
 31-32  
 SHOWLER, A. – More on endangered journalists **81** 21  
 Showler, A. – new editor of Reports of Field Meetings **74** 58  
 SHOWLER, A. – Of Bears and Foxes (caterpillars on *Erica*  
*ciliaris*) **45** 18  
 SHOWLER, A. – Survival of the fittest? **85** 45  
 SHOWLER, A. – The Lizard, Cornwall (v.c.1) 1997 (Fld Mtg  
 Rpt) **78** 76  
 SHOWLER, A. – *Umbilicus rupestris* - Eastward Ho? Not quite  
**91** 32  
 Showler, A. **73** 20; **77** 70; **79** 42  
 Showler, A. awarded Marsh Christian award for services to  
 botanical conservation **99** 4  
 SHOWLER, A. ed. – Abstracts (Exbn Mtg) 2002 **93** 75-81; 2003  
**96** 70-76; 2004 **99** 69-77  
 SHOWLER, A.J. – Annual Exhibition Meeting 2005 **102** 63-66  
 SHOWLER, A.J. – Annual Exhibition Meeting 2006 **105** 46-48  
 SHOWLER, A.J. – DNA Analysis – Some Queries **103** 21  
 SHOWLER, A.J. – Report of the Annual Exhibition Meeting  
 2007 **107** 62-64  
 SHOWLER, A.J. – *Smyrniun perfoliatum* **31** 16  
 SHOWLER, A.J. – Some people have all the luck [highest tetrad  
 totals] **102** 44  
 SHOWLER, A.J. – Subspecies of *Ranunculus ficaria* **104** 5  
 SHOWLER, A.J. & RICH, T.C.G. – The distribution of  
*Cardamine bulbifera* (L.) Crantz in Britain (Exbt) **60** 67  
 SHOWLER, A.J., RICH, T.C.G. & NICHOLSON, R.A. –  
*Cardamine bulbifera* in East Sussex (Exbt) **87** 77  
 SHOWLER, A.J., with R. MAYCOCK – A404/M40 junction,  
 Handy Cross, High Wycombe, Bucks **108** 49  
 Showler, Alan **70** 19  
 Showler, D.A. – Fruit and dehiscent fruits of *Cardamine*  
*bulbifera* del., **48** 27  
 Showler, Dr A. **77** 67  
 Shrews and *Carex depauperata* **86** 38-39  
 Shrewsbury and Atcham Borough Council publishes *Rare*  
*Plants of Shropshire* **71** 11  
 Shrimps, Fairy, (v.c.8) **92** 62  
 Shropshire – axiophytes **103** 58

 Vegetative ID Quiz (Ann Exbn Mtg) **110 25**  
 Vegetative ID Quiz [answers] **107 45-46**  
 Vegetative identification – 6 taxa **101 47**

- Vegetative identification – *Convolvulus* and *Calystegia* **103** 9-10
- Vegetative identification – Turning over a new leaf – revealing ptyxis **102** 17-20
- Vegetative identification of dandelion like plants **105** 4-5
- Vegetative identification of small *Geranium* species **99** 22-28
- Vegetative identification, No need for flowers? – an introduction to, **98** 14-15
- Vegetative identification, the key to, – Splitting hairs **101** 4-6
- Vegetative Key – basic, neutral and acid grasslands (British Museum) **24** 9
- Vegetative key to clovers (Dorset) **66** 66
- Vegetative key to *Salix* **109** 29-32
- Vegetative key to the British Flora (BSBI Research Grant) **103** 36
- Vegetative key to the British flora (Exbt 2006) **105** 46
- Vegetative Key to the British Flora* (Request) **104** 50
- Vegetative Key to the British Flora, Book announcement:, (Request) **98** 51
- Vegetative Key to the British Flora: an update **100** 51-52
- Vegetative key to the British flora: identification quiz (Exbt 2007) **107** 63-64
- Vegetative Key to Wild Flowers, The*, **34** 39; **47** 45
- Vegetative propagation of *Lythrum hyssopifolia* L. (Exbt) **51** 46
- Vegetative state, Plants in a, – referee appointed **102** 76
- Vein Words: venation for verification **104** 6-10
- Velchev, Prof. V. – Bulgarian Academy of Sciences **50** 40-41
- Velchev, Prof. V. – welcomes exchange of British and Bulgarian Botanists **51** 35-36
- VELDKAMP, DR J.F. – *Cocos lucifera* (Glow Palm) another member of the Poleaceae (Telecomiaceae) **88** 15
- Vella spinosa* (Descr.) **78** 84-85
- Venation for verification **104** 6-10
- Venice – San Marco pendentives **76** 41
- Ventenata dubia* – new to alien flora of British Isles **45** 24-25
- Ventenata dubia* **45** 25; (Descr.) **45** 24; (Essex) **45** 24-25; (Illus.) **45** 1
- Ventenata dubia* in Grays Chalk Quarry, Essex **45** 24-25
- Venturia aucupariae* on *Sorbus aucuparia* and *S. domestica* **73** 35
- Veratrilla, Swertia and, *New or little known Himalayan species of*, **69** 62
- Verbascum* – referee appointed **89** 11
- Verbascum* – referee sought **74** 14
- Verbascum* – seed longevity in soil **52** 26
- Verbascum ?lychnitis* (Sweden) **13** 16
- Verbascum* **26** 6
- Verbascum blattaria* (v.c.11) **106** 51
- Verbascum blattaria* × *V. nigrum* (Chippenham) **13** 23
- Verbascum blattaria* **82** 27
- Verbascum blattaria* uprooted – possibly photographer was being watched **41** 27
- Verbascum blattaria* white and yellow forms (v.c.13) **108** 45
- Verbascum bombyciferum* (nr Tewkesbury Abbey, Glos) **25** 10
- Verbascum bombyciferum* (Turkey) (v.c.65) **90** 49
- Verbascum bombyciferum* × *V. nigrum* (Illus.) **34** 21
- Verbascum bombyciferum* × *V. pyramidatum* – caption corrigendum **35** 30
- Verbascum bombyciferum* × *V. pyramidatum* (Illus.) **34** 20
- Verbascum bombyciferum* × *V. thapsus* **35** 30
- Verbascum bombyciferum* and hybrids (Illus.) **34** 20
- Verbascum chaixii* **12** 14
- Verbascum densiflorum* (v.c.12) **81** 38
- Verbascum densiflorum* (v.c.55) **71** 42
- Verbascum densiflorum* (v.c.59) **65** 56
- Verbascum* hybrid captions – Corrigendum **35** 30
- Verbascum* hybrids, Some Less Usual, (Illus.) **34** 20-21
- Verbascum lychnitis* (Chippenham) **13** 23
- Verbascum lychnitis* (v.c.13) **51** 27; (v.c.17) **60** 54
- Verbascum lychnitis* (v.c.16) **68** 56
- Verbascum lychnitis*, Seed dispersal in, **59** 39
- Verbascum nigrum* – vegetative identification (Descr.)(Illus.)(Key) **98** 14-15
- Verbascum nigrum* (Free seed) **74** 56; **77** 61; **80** 55; (v.c.80) **77** 73
- Verbascum nigrum* (v.c.35) **109** 53
- Verbascum nigrum* (v.c.44) **55** 46
- Verbascum nigrum* **12** 26; (Sweden) **13** 16
- Verbascum* oil – medicinal use **80** 31
- Verbascum olymicum* **19** 21
- Verbascum phlomoides* – white flowered form (Bexley) **59** 46
- Verbascum phlomoides* (v.c.16) **68** 55
- Verbascum phlomoides* (v.c.4) **76** 55; (v.c.63) **80** 44
- Verbascum phlomoides* (v.c.46) **98** 69
- Verbascum phlomoides* **9** 14
- Verbascum phlomoides* var. *albiflorum* (N. Kent) **59** 46
- Verbascum phoeniceum* (Free seed) **77** 61; (v.c.37) **78** 59
- Verbascum phoeniceum* hybrids (Sweden) **13** 16
- Verbascum pinnatifidum* (Descr.) **70** 44
- Verbascum pinnatifidum* (Greece) **70** 44
- Verbascum pulverulentum* (East Anglia)(v.c.46) **35** 5
- Verbascum pulverulentum* (v.c.41) **91** 69
- Verbascum pulverulentum* (W. Yorks.) **71** 50
- Verbascum pyramidatum* (Illus.) **19** 1
- Verbascum pyramidatum* (Larkhill, Guildford, Waterbeach aerodrome) **12** 13-14; Fordham (v.c.29) **13** 16
- Verbascum pyramidatum* × *V. bombyciferum* **35** 30
- Verbascum pyramidatum* × *V. pulverulentum* (Illus.) **34** 21
- Verbascum pyramidatum* × *V. thapsus* – caption corrigendum **35** 30
- Verbascum pyramidatum* × *V. thapsus* (Illus.) **19** 1
- Verbascum pyramidatum* × *V. thapsus* (Illus.) **34** 21
- Verbascum pyramidatum* **33** 22
- Verbascum pyramidatum* and hybrids (Illus.) **34** 21
- Verbascum pyramidatum* Bieb. and the hybrid *V. pyramidatum* × *V. thapsus* along a dismantled railway in Cambs. **19** 21
- Verbascum* Seeds on offer **62** 50
- Verbascum* sp. (Hair descr.)(Illus.) **101** 5
- Verbascum* specimens to referee **62** 6
- Verbascum speciosum* (Hungary) **66** 57
- Verbascum thapsus* – from long-buried seeds after storm **50** 22
- Verbascum thapsus* – Jesus blanket **78** 23
- Verbascum thapsus* – medicinal garden plant (v.c.23) **80** 31
- Verbascum thapsus* – old name **86** 35
- Verbascum thapsus* (Alderney) **52** 26; (Kent)(Sussex) **51** 28; (W. Wales) **53** 25; (v.c.17) **50** 22; **51** 28; (v.c.23) **53** 25; (v.c.44) **55** 46; (v.c.H18) **53** 51; (v.c.S) **54** 51
- Verbascum thapsus* (v.c.100) **89** 69
- Verbascum thapsus* (v.c.16) **68** 56
- Verbascum thapsus* (v.c.51) **108** 61
- Verbascum thapsus* (v.c.55) **64** 23
- Verbascum thapsus* (v.c.56) **68** 53
- Verbascum thapsus* (v.c.92) **107** 37
- Verbascum thapsus* × *V. phlomoides* (v.c.16) **60** 35
- Verbascum thapsus* **12** 26; (Chippenham) **13** 23
- Verbascum thapsus* **33** 22
- Verbascum thapsus* **78** 48; (v.c.7) **72** 33; (v.c.23) **77** 45
- Verbascum thapsus* arising after hurricane **51** 27
- Verbascum thapsus*, Stella Ross-Craig, *Parnassia palustris* and, **92** 34, CS2
- Verbascum virgatum* (Descr.)(v.c.44) **55** 46
- Verbascum virgatum* (v.c.1) **33** 22; (v.c.49) **45** 38

- Verbascum virgatum* (v.c.59) **65** 56  
*Verbascum virgatum* **13** 23  
*Verbascum virgatum* in Oxfordshire, More on, **83** 28  
*Verbascum virgatum* near Milton, Oxfordshire **82** 26-27  
*Verbascum virgatum* uprooted – possibly photographer being watched **41** 27
