NATIVE SEEDS FROM THE PACIFIC NORTHWEST -- 1936

Our seeds are all personally collected, fresh from this season's crop and carefully named. We earnestly endeavor to keep our botanical nomenclature correct and in accord with International Rules.

Because we have no control over the many factors involved, we cannot guarantee your success in germinating and growing our seeds. However, we are glad to send planting instructions and suggestions that may be of help to you.

Instructions for ordering

1. Kindly send remittance with your order unless you have established credit with us.

2. Foreign orders, except from botanical gardens or government institutions, will not be recognized unless accompanied by remittance in full, sent preferably by International Money Order.

3. We pay the postage on all seed orders.

4. Seeds sold at retail only.

5. Address all orders to

CARL S. ENGLISH, Jr.

| <i>Aquilegia flavescens</i>     | <i>Draba andina</i>                    |
| <i>Aquilegia formosa</i>        | <i>Draba caeruleomontana</i> 50¢       |
| <i>Arabis Lyallii</i>           | <i>Draba cascadiensis</i>              |
| <i>Arabis Suksdorfii</i>        | <i>Draba incerta</i> 50¢               |
| <i>Arbutus Menziesii</i>        | <i>Draba lonchocarpa</i>               |
| <i>Arenaria capillaris</i> ,    | <i>Draba novolympica</i> 50¢           |
| var. <i>formosa</i>             | <i>Draba ruaxes</i> 50¢                |
| <i>Arenaria verna</i>           | <i>Dryas octopetala</i>                |
| <i>Arnica betonicifolia</i>     | <i>Empetrum nigrum</i>                 |
| <i>Arnica cordifolia</i>        | <i>Epilobium latifolium</i>            |
| <i>Aster ledophyllus</i>        | <i>Erigeron Aliceae</i>                |
| <i>Aster paucicapitatus</i>     | <i>Erigeron aureus</i>                 |
| <i>Aster pulchellus</i>         | <i>Erigeron Bloomeri</i>               |
| <i>Bensonia oregana</i>         | <i>Erigeron filifolius</i>             |
| <i>Camassia Leichtlinii</i>     | <i>Erigeron hispidissimus</i>          |
| <i>Campanula Piperi</i> 50¢     | <i>Erigeron Howellii</i>               |
| <i>Campanula scabrella</i> 50¢  | <i>Erigeron Leibergii</i>              |
| <i>Cassiope Mertensiana</i>     | <i>Erigeron salsuginosus</i>           |
| <i>Cassiope stelleriana</i>     | <i>Erigeron salsuginosus</i> ,         |
| <i>Ceanothus sanguineus</i>     | var. <i>angustifolius</i>              |
| <i>Ceanothus velutinus</i>      | <i>Erigeron speciosus</i>              |
| <i>Cimicifuga elata</i>         | <i>Erigeron simplex</i>                |
| <i>Clematis columbiana</i>      | <i>Erigeron trifidus</i>               |
| <i>Clematis ligusticifolia</i>  | <i>Eriogonum tomentosum</i>            |
| <i>Clintonia uniflora</i>       | <i>Eriophyllum lanatum</i>             |
| <i>Collomia Larsenii</i>        | <i>Eriophyllum leucophyllum</i>        |
| <i>Crataegus Douglasii</i>      | <i>Eriophyllum multiflorum</i>         |
| <i>Cynoglossum grande</i>       | <i>Erysimum capitatum</i>              |
| <i>Delphinium columbianum</i>   | <i>Erysimum torulosum</i>              |
| <i>Delphinium glareosum</i> 50¢ | <i>Erythronium giganteum</i>           |
| <i>Delphinium Menziesii</i>     | <i>Erythronium parviflorum</i>         |
| <i>Delphinium trolliifolium</i> | <i>Festuca supina</i>                  |

THE HISTORY OF THE UNITED STATES

The first part of the book is devoted to a general history of the United States from its discovery to the present time. It is divided into three volumes. The first volume covers the period from the discovery of the continent to the establishment of the first colonies. The second volume covers the period from the establishment of the first colonies to the Declaration of Independence. The third volume covers the period from the Declaration of Independence to the present time.

The second part of the book is devoted to a detailed history of the United States from its discovery to the present time. It is divided into three volumes.
