*Calgary Stampede*

# *OUR* PROMISE *to* *OUR* COMMUNITY

The Calgary Stampede symbolizes our Community Spirit, fueled by volunteerism, providing opportunities for youth and a lasting economic impact in our city.

## **MESSAGE FROM THE PRESIDENT & CHAIRMAN OF THE BOARD AND THE CHIEF EXECUTIVE OFFICER**

### **Dear Friends,**

Thank you to all of you for an outstanding 2017, a year where we challenged conventional Stampede thinking and welcomed the community to celebrate with us in ways that we have never done before. The Vision 2017 platform of offers and promotions afforded new and extended ways for our community to enjoy the annual Stampede festival, while our year-round developments opened the doors to new spaces where we can continue to grow our connections to the community.

This year, the Calgary Stampede embarks on the final year of its 2016-2018 Strategic Plan, a plan that reflects a theme of community spirit, both in the pursuit of strengthened relationships with our community partners and guests as well as in the efforts we are making to support a culture of enhanced collaboration for the Stampede team. Our strategic focuses over the past two years have resulted in new Stampede-hosted community events and programming, both on Stampede Park and off, and in broader support of our community partners through participation and contributions at events across the city.

We should be very proud of our accomplishments with the Youth Campus development in partnership with the Calgary Stampede Foundation, which saw three milestones achieved in 2017 with the opening of the TransAlta Performing Arts Studios, the Calgary Arts Academy, and the BMO Amphitheatre. In 2018, we will continue to move forward with the Youth Campus development aspirations, which aim to celebrate western heritage and culture through the advancement of public education and the arts in support of youth achievement in our community.

**David Sibbald, President & Chairman of the Board**

**Warren Connell, Chief Executive Officer**

When we embarked on the 2016-2018 Strategic Plan, the city of Calgary was facing and continues to face challenging new economic realities. Our strategic efforts to build the Stampede's vision and advance the organization's Master Plan over the past two years have positioned the Stampede as a community leader in the pursuit of prosperity for our great city in the context of what we now recognize to be a new economic normal. Our BMO Centre Expansion proposal, which will transform Calgary into a Tier 1 convention city, offers a bold vision of economic diversity for our community. The project is close to our heart and, throughout 2017, we have been working extensively with all three levels of government and city stakeholders to collaboratively move the proposal forward for the benefit of our community. We encourage our partners and readers to learn more about the project and the larger economic benefits that will be realized through the development.

Over the past two years, we have been building a foundation of collaboration and extended relationships, both in our year-round activities as well as during Stampede time. These efforts will position the Stampede for great accomplishments in 2018, and we are now focusing on readying the organization to move forward with the BMO Centre Expansion as well as the developments of the Rivers District Master Plan that will include, in the near term, the 17th Avenue Crossing.

At the halfway mark of fulfilling the Stampede's Master Plan, our vision of creating a world-class, year-round gathering place for the community has become a reality and we are now at a turning point. We look forward to meeting the challenges of managing for change over the next year and to sharing with the Stampede team and our partners how Stampede 2018 will continue to reach out to our community and welcome the world to The Greatest Outdoor Show on Earth!

Thank you again to our friends, neighbors, sponsors, government partners, community partners, volunteers and employees – we couldn't do what we do without your support.

We're Greatest Together,

**David Sibbald** – President & Chairman of the Board  
**Warren Connell** – Chief Executive Officer

# BUILDING OUR VISION

When it comes to building our vision, we are focused on the continued development of Stampede Park as a gathering place for our community. We have the momentum and success of Agrium Western Event Centre, ENMAX Park and TransAlta Performing Arts Studios as we develop Youth Campus, expand BMO Centre's event capabilities and pursue the development of other Calgary Stampede land resources.

## 1. COMMUNITY PARTNERSHIPS AND INVESTMENT

2017 was a successful and exciting year, as we continued to build our vision of creating a world-class, year-round gathering place for the community, our partners and local businesses.

The convention will be hosted on Stampede Park and provide a welcome boost to the Calgary economy through spending in our community at hotels, restaurants, attractions and more.

"I am thrilled the Calgary Stampede was part of a successful bid that so clearly demonstrates what our city can accomplish when it comes together. Winning a convention of this magnitude requires partners, agencies and many stakeholders to work together for the common benefit of our community," said Warren Connell, chief executive officer, Calgary Stampede.

The Calgary Stampede is honoured to be chosen to host this event, the largest convention to ever be hosted in Calgary.

## RENDEZ-VOUS CANADA

Canada Calgary Stampede lays out the welcome mat for Rendez-vous Canada.

## COMMUNITY REVITALIZATION PLANNING

As a community-focused organization, our values and beliefs centre around making the city of Calgary a truly connected place where all individuals feel they are part of the spirit of what makes our city a great place to call home.

The Stampede believes that, to build community spirit, we must build relationships. In 2016, the Calgary Stampede embarked on a special relationship with the Calgary Municipal Land Corporation (CMLC) to collaborate on our future development plans.

This year, we further strengthened our relationship with surrounding communities and all levels of government. These plans include the rejuvenation of East Village, the Rivers District Master Plan, the *BMO Centre Expansion* and 17th Avenue Crossing.

Each of these initiatives will pave the way for creating infrastructure that makes these areas more accessible to Calgarians and an enhanced space for all to enjoy.

## 2. BUILDING YOUTH CAMPUS

It's been a vision years in the making, where Calgary's most spirited youth grow and their dreams take shape — and, this year, that vision came to life.

## TRANSALTA PERFORMING ARTS STUDIOS

Located alongside the Elbow River in the northeast corner of Stampede Park, this new vibrant space is home to The Young Canadians, the Calgary Stampede Showband and Band of Outriders.

"The building was designed to remove the hurdles in the learning process," said Mike Jewitt, manager, youth campus operations. "What's so exciting is that the space will create opportunities for collaboration across all our youth programs, while fostering innovation through music and choreography, or even the creation of entirely new performance elements."

The building boasts seven rehearsal studios, a green room overlooking the river, and plenty of storage. But it's not the building that makes this place truly inspirational, it's what happens inside.

"To see our students now in the space, rehearsing, creating and enjoying is truly the vision we had in mind and the reason why we needed to build this space," says Jewitt.

On Thursday, November 2, Calgarians came together to warmly celebrate the Calgary Stampede Foundation's newest addition — the BMO Amphitheatre.

Nestled in the heart of Stampede Park, the BMO Amphitheatre is an exciting outdoor performance and rehearsal space for Calgary's youth to take their talent and passion to new heights.

# DEEPENING OUR CONNECTIONS WITH THE COMMUNITY

This year we deepened our connections with the community as a unique contributor to the positive energy of Calgary. One of the ways we do this is by building valuable and meaningful relationships with those that are new to our city and strengthening our existing relationships with members of the community.

## 1. INSPIRING YOUTH THROUGH RICH AGRICULTURE EXPERIENCES

Our specialized programs provide truly unique experiences to thousands of students and members from our community year-round. Together we are helping to create motivated and engaged young people, empowered to do amazing things.

### AGGIE DAYS

Stampede welcomes youth from across southern Alberta each year to Aggie Days and Giddy Up events to provide exceptional learning experiences, while educating them about agriculture and the rural way of life.

Students attend Aggie Days the first three days as part of school programming, while the remainder of the event is open to the public. It's held annually in the Agrium Western Event Centre and has grown substantially in size over the years.

More than  
**30,000** people attend  
Aggie Days every year

**10,000** students

**40** exhibitors

### GIDDY UP EVENTS

Giddy Up events are hosted by the Stampede Queens' Alumni committee, which consists of past Stampede Queens and Princesses. Each Giddy Up event strives to enrich the lives of special needs children and their families by providing a supportive environment to experience western culture. There are four events held throughout the year, each giving a unique and memorable experience to Giddy Up participants:

#### Giddy Up Aggie Days

Giddy Up Aggie Days is hosted each April during Aggie Days and opens the doors on one special morning three hours early, giving Giddy Up participant's special access and a unique experience for just them.

#### Giddy Up Grits

Giddy Up Grits is held annually during the Stampede festival in July. The Queens' Alumni committee and the Kids' Day committee work closely to host a pancake breakfast for all attendees. The Stampede Midway team also opens up the Midway rides and certain attractions, allowing participants to enjoy the magic of the Stampede festival without loud noises and crowds.

#### Giddy Up Rodeo

Giddy Up Rodeo is held every August during the 4-H Rodeo. The event includes a BBQ lunch and a 'mock rodeo', where 4-H youth demonstrate the world of rodeo in safe and fun ways for Giddy Up participants.

#### Giddy Up Christmas

Giddy Up Christmas is held annually in November or December and is an intimate Christmas party with crafts, delicious food, gifts and a visit from Santa. This event is the most popular Giddy Up event and, in 2017, the Queens' Alumni committee hosted two separate events for the first time to give all Giddy Up participants and their families a chance to be part of the magic in a calm and quiet atmosphere.

Maxim Power Corp. is the generous presenting sponsor of all four events, and many other Stampede committees participate in helping to make the event a success — such as the Promotion committee with their welcome gang!

## SPREADING OUR COMMUNITY SPIRIT

Throughout this past year, we partnered with the Calgary Local Immigration Partnership (CLIP), Centre for Newcomers, the Cultural Access Pass Program, the University of Calgary and many others, working together to share both the spirit of the Stampede and our western hospitality.

Our volunteers and employees participated in and hosted a variety of events for newcomers, including:

## Building a life in Calgary

The event was hosted at Stampede Park on February 4, and provided learning workshops and a resource fair to those new to Calgary. The Community Projects & Development committee partnered with CLIP and other newcomer organizations to provide engaging activities, like wagon rides, that reflect our western hospitality and to give them the resources they need to start their new life.

## Western clothing drive

The Community Projects & Development committee gathered gently used western clothing from Stampede volunteers and employees and handed them out to clients of the Centre for Newcomers, giving those new to the city a chance to feel part of the magic of Stampede!

## 2. PRESERVING WESTERN HERITAGE

An important part of Calgary Stampede is the preservation and promotion of our western heritage. The Stampede legacy includes more than 105 years of history, and important decisions are made every day about its preservation. Documents, objects and stories are stored safely in the Stampede Archives, and heritage buildings located on Stampede Park are preserved. This history allows us to educate youth, share with our community and establish important connections.

## WESTBOURNE BAPTIST CHURCH

The Westbourne Baptist Church will be rebuilt as Walton Hall, also as part of our Youth Campus, incorporating as many original elements of the building as possible. Westbourne Church was where Premier William Aberhart started his formative radio broadcasts. The building will become a recital hall for our Youth Campus groups and community partners.

## THE WESTON BAKERY

The Weston Bakery has been re-purposed and modernized, adding to the new structure of the recently opened Calgary Arts Academy in the heart of our Youth Campus. In preserving historical elements, such as the Sunbeam Bread sign and red brick exterior, the building is a great example of restorative reuse.

Where possible, other historic buildings on Stampede Park will also be adapted and incorporated into Youth Campus.

## BUILDING OUR COLLECTION

In addition to preserving building structures, we collect and preserve documents and objects representative of Calgary Stampede history. In the past year, we have collected postcards, scrapbooks, artwork, photographs, pins and clothing. One special object we acquired this year was Clem Gardner's cowboy hat. The hat, from Hamley & Co. in Pendleton, Oregon, is in excellent condition and represents the tangible connections to be made with history. Gardner played a special role in the development of the Stampede, participating in 1912 through the 1940s in multiple events, including the first-ever chuckwagon races, and earning a number of awards.

### 3. YOUTH EMPOWERMENT

As part of our belief in celebrating the spirit of community, we believe in investing in the leaders of tomorrow. Through our youth education and performing arts programs, we are providing youth in our community with valuable learning experiences they simply wouldn't have anywhere else.

### LISTENING TO OUR CITY

On April 21, the Jack Singer Concert Hall was alive with the sound of music as Calgary Stampede Foundation presented *Listening to Our City*, a concert event, showcasing the best young musical talent and arts programs Calgary has to offer. The concert featured inspiring musical performances from Calgary's diverse and talented youth community.

*Listening to Our City* featured performances by The Young Canadians, the Calgary Stampede Showband, student musicians from the Calgary Board of Education and the Calgary Separate School District, in addition to nine-year-old flamenco guitar phenomena Harry Knight, violin virtuoso Isabella Perron, and singer-songwriter Kate Stevens.

"We were thrilled to connect youth performers and performing arts programs in Calgary with each other, with audiences and with the Calgary Stampede," said Aaron Park, manager, youth education programs, Calgary Stampede Foundation. "It was a great way to celebrate youth achievement in our city, provide collaborative performance experiences for young artists and to share the experience with Calgary."

*Listening to Our City* is one of many initiatives led by Calgary Stampede Foundation that aims to provide Alberta youth with the opportunity to develop strong roots in their community, while enhancing personal growth, citizenship and education.

### SHOWRIDERS DEVELOPMENT PROGRAM TAKES FLIGHT

The Calgary Stampede Showriders development program was formed last year for riders who auditioned to be a Showrider, but who were not yet at the level required for the performance team.

The program began with just two members and this year grew to six members.

"It's been amazing to see the progress of these riders from start to finish. Their horsemanship skills as well as their public relations skills have improved immensely thanks to this unique program," said Jamee Dewit, who helps manage the Showriders development program.

The program includes multiple horsemanship clinics throughout the year and gives the chance to get a feel for what a musical ride is all about.

“The riders in the program ended their season better prepared for 2018 auditions. The members provided terrific feedback about the program and how much they enjoyed the experience and opportunity to continue building their skills,” added Dewit.

## MOSAIC — CANADA’S PAST, PRESENT AND FUTURE

The day after the 10-day Stampede festival ended, the Calgary Stampede Showband took the Calgary Stampede’s western spirit internationally as they embarked on their 2017 tour to compete in the World Music Contest in Kerkrade, the Netherlands.

*Mosaic* was performed for a 20,000-person audience on July 31, with the Stampede Showband placing eighth.

The Calgary Stampede Showband’s 2017 production, *Mosaic*, was special for a lot of reasons. Designed in honour of Canada’s 150th birthday, the production celebrated Canada’s full history by recognizing the Indigenous Peoples who have always been in this place, and featured Indigenous youth drummers, singers and dancers — who shared a message of hope, diversity and inclusion.

The show was designed in collaboration with the Indian Events committee, local historians and First Nations leaders, artists and elders.

Each aspect of *Mosaic* symbolized Canada’s past, present and future, and explored the themes of purity, conflict, reconciliation, diversity and inclusion. *Mosaic* didn’t shy away from the pain of the past, but the collaboration of young performers itself celebrates the future hope of Canada. *Mosaic* showcased the community spirit that results when individuals come together to build something greater than themselves.

“Throughout the year, Showband students learned First Nations history and traditions, and even took part in a smudging ceremony,” said Aaron Park, manager, youth education programs, Calgary Stampede Foundation. “It was a true collaboration and celebration of our relationship with the Treaty 7 Nations. It was really about showing the past, present and future of Canada and how, as individuals, we all fit into the Mosaic that is Canada.”

## NEW PROGRAMMING

This year, we kicked off Stampede in a big way, by reversing the Parade route and offering free admission into the park from 11 a.m. – 1:30 p.m. The new route allowed guests to easily access Stampede Park and begin enjoying Stampede right away!

We also invited the community to help celebrate our great nation on a Canada 150 Day, Tuesday, July 11. In addition to all of the festivities on Stampede Park, 50 community members from 18 different countries officially became Canadian citizens during a live citizenship ceremony.

This year, we enhanced our arts and entertainment experiences by introducing more than 60 musical acts, which included local talent and today's hottest artists on the Coca-Cola Stage and as part of the Virgin Mobile Stampede Concert Series.

We also broadened our reach to younger audiences through the introduction of a silent disco dance party, while extending the Midway operating hours during IgNITE.

The Big Four Building infused the Stampede festival with a mosaic of culture with the International Pavilion, presented in partnership by Globalfest. The Pavilion featured Bollywood performances and an international market.

These new experiences helped bring our community together, creating an inclusive place for all to make the Stampede their summer destination!

## HISTORIC RELAY RACES MAKE A COMEBACK AT THE 2017 CALGARY STAMPEDE

At this year's Stampede, a part of history made an appearance in the form of demonstration Relay Races. For three nights, as part of the Evening Show program, guests were delighted with high adrenaline as Indigenous youth demonstrated what a real relay race is all about!

The Relay Races were part of the Calgary Stampede from 1912 until 1938; they periodically returned until the 1960s.

# 2017 ROYALTY

The Calgary Stampede Royalty are ambassadors of the Stampede, representing western heritage, hospitality, integrity, commitment to the community and pride of place on behalf of Calgarians to the rest of the world. Together, the Stampede Indian Princess and Stampede Queen and Princesses attend more than 400 year-round events in southern Alberta and around the world.

## MEET THE 2017 STAMPEDE ROYALTY

### INDIAN PRINCESS SAVANNA SPARVIER

Savanna is 20 years old and from the Siksika First Nation. Her Blackfoot name is Mootwistsiksiinaki, which means "All Around Snake Woman". Savanna is a traditional dancer and is working towards her goal of becoming a teacher in both the English and drama departments.

# INDIAN PRINCESS EVENTS

## Blazing a new trail with Kainai Nation

In 2017 the Indian Princess equestrian program blazed a new trail, with Savanna Sparvier, 2017 Indian Princess, participating in the youth riding/rodeo programs that were held in three of the five nations of the Treaty 7.

The welcome and the evening with the Kainai A'stapiiks Rodeo Club was an extremely emotional experience. The love, kindness and appreciation the youth, the Elders, councillors and the community showed Savanna was astounding. One of the most memorable highlights was when Savanna led a young girl, who had never been on a horse before, around the indoor arena — bringing tears to the young girl's father's eyes.

## A parade outfit with deep family roots

Savanna's Indian Princess outfit was a one-of-a-kind creation with deep meaning and family ties. Her family's tipi was one of the very first in Indian Village, belonging to her great-great grandfather, the last traditional chief of Siksika (John Duck Chief).

The top of the dress is a replication of her great-grandmother's dress with five tipis on it to represent the five nations of Treaty 7. There are numerous maple leaves all over the dress as well in celebration of Canada's 150th birthday. Savanna was honoured to wear this unique creation and follow in the footsteps of her ancestors.

## ITB Berlin

ITB Berlin is the world's leading travel trade show, with approximately 180,000 people attending each year. Stampede Royalty attends every year and it is always a highlight of their reign. This year, attending the event was especially meaningful to Stampede Indian Princess, Savanna Sparvier, as she was able to meet delegates from all over the world, participate in media interviews, perform traditional dances and learn more about her German ancestry.

# 2017 STAMPEDE QUEEN MEAGAN PETERS, AND PRINCESSES BRITTANY LLOYD AND LIZZIE RYMAN

The Calgary Stampede Queen and Princesses attended more than two hundred events, including visits to the Alberta Children's Hospital and to elderly care facilities around the city.

## CS ROYALTY TRIO EVENTS

### Canada Day in Canmore

The Canada Day in Canmore Parade is a fantastic event where performers and floats from across Alberta come to display their Canadian pride, with stunning mountain views in the backdrop. The Royalty Trio attended this event, along with the Calgary Stampede Marching Band, to represent Stampede's commitment to community. They loved being a part of this celebration to honour Canada's 150th birthday!

### Aggie Days

Aggie Days bridges the gap between rural and urban life. The event, which lasts for five days with exclusive access for students in the first three days and public access for the last two days, showcases the importance of agriculture and the big part it plays in the southern Alberta way of life. The event is geared towards providing children with a chance to take part in hands-on learning experiences with animals and agriculture. The Royalty Trio attends every year and this year, they loved cuddling baby lambs and piglets, feeding the llamas, draft horses and donkeys, and putting smiles on countless children's faces!

### Happy Trails

Every year, the Happy Trails program visits various retirement homes throughout Calgary to bring laughter, joy and share a little bit of Stampede's western hospitality. The program is run by the Calgary Stampede Promotion committee, with the Royalty Trio joining in on the fun. For the 2017 Royalty Trio, being part of Happy Trails was one of their most favourite and memorable experiences.
