2021 Safety Improvement Works on Regional and Local Roads			
Local Authority	Road Number	Location	LA Allocation
Donegal County Council	L-27241-0, McCreary's Lane	<p>McCreary's Lane (L-27241) is a link road between the L-2734-1 and L2724-1 which services a rural area on the outskirts of Ballybofey and Stranorlar. The road also services two Garden Centres (Tree Nurseries) which attract a large volume of traffic to the area as well as dwellings and farms. The scheme includes two Junctions L-2734-1/L27241-0 & L2724-1/L27241-0 on McCreary's Lane. Safety issues include concealed junctions with poor visibility and steep dwell areas at both locations.</p>	30,000
Donegal County Council	R263, Killbegs to Kilcar	<p>The R263 traverses the southwest corner of Donegal linking the towns and villages of Killybegs, and Kilcar on the "Wild Atlantic Way" tourist initiative. The route is subject to a 80kph speed limit. Safety issues along the route include concealed junctions, hidden dips, crests and bends with poor forward visibility.</p>	30,000
Donegal County Council	<i>R238, Umricam, Buncrana</i>	<p>The R238 Regional Road at Umricam, Buncrana is subject to an 80kph speed limit. The location is subject to a series of sweeping bends and hidden dips. There are also a number of junctions and concealed private entrances within the extent of the scheme. There have been a number of collisions along this section of road, with a marked increase in the last number of years.</p>	20,000

Donegal County Council	R245 & L-1242-1 The Gap Junction, Milford	The Gap Junction between the R245 & L1242/1 at Milford Town is subject to a 50kph speed limit. This is a wide open crossroads at the end of the Milford one-way system. There have been several collisions with vehicles regularly failing to stop at the junction and colliding with oncoming traffic on the R245.	30,000
Donegal County Council	R259 / L-1463 Cruit Island Junction	The R259/L1463 Cruit Island Junction located in West Donegal is subject to a 80kph speed limit. Traffic exiting onto the Regional Road is located on a steep incline with limited visibility in both directions. The location is subject to a number of reported collisions with Local Councillors having raised this issue on various occasions.	25,000
Donegal County Council	R280, Lennox Bridge, Bundoran	Lennox Bridge on the R280 regional road straddles the Donegal / Leitrim boarder over the Drowes River and is subject to an 80kph speed limit. The bridge structure is narrow and does not facilitate two-way traffic, with vehicles having to give way in both directions. There is currently a large number of minor collisions near/on the bridge with poor visibility and warning of the narrow bridge hazard contributing factors to the high collision rate on the Donegal side of the bridge.	30,000
Donegal County Council	R267, Donegal Town	The R267 regional road passes through Donegal Town and is subject to a 50kph speed limit. The scheme includes two pelican crossings adjacent to two national schools. Concerns have been raised that vehicles are not adhering to the pedestrian lights on approach to both crossings. This has resulted in numerous near miss events being observed recently.	15,000

Donegal County Council	<i>R238, Admiralty House Merville</i>	The R238 Regional Road at Admiralty House, Merville is subject to a 60kph speed limit. The location is subject to a series of sweeping bends with poor forward visibility and concealed entrances. An existing substandard footpath is located to the west of the carriageway which does not provide adequate protection for pedestrians. The existing carriageway is wide which promotes high speeds within the urban area and is a common location for collisions and near misses.	30,000
Donegal County Council	L-3074 / L-3044 Creamery Road Junction and L-3074 / L-2864 McFeelys Brae Junction , Ballybofey	L-3074 / L-3044 Creamery Road Junction and L-3074 / L-2864 McFeelys Brae Junction are located on the Navenny Road , Ballybofey which is subject to a 50kph speed limit. Both junctions include poor visibility splays with vehicles regularly colliding with oncoming traffic as a result.	30,000
Donegal County Council	L-5154-1 Wood Road & L-1054-1 Carrygawley Crossroads, Letterkenny	The L-5154-1 Wood Road & L-1054-1 Carrygawley Crossroads located on the out skirts of Letterkenny Town is subject to a 80kph speed limit. The L-1054 Carrygawley road is highly trafficked as it provides linkages between the N13 and west of Letterkenny Town. Safety issues at the crossroads include hidden dips, crests and poor visibility splays in all directions.	20,000
Donegal County Council	R239 / L-75311, Slab Road Junction, Burt	The R239 / L-75311 Junction on the Slab Road is subject to an 80kph speed limit. The R239 road links the N13 (Derry Road) with Bunrana and North Inishowen. The location includes a 90deg bend on the regional road at a junction with a local road (L-75311) and private access lane to a large commercial farm enterprise. The 90deg bend is concealed and visibility splays from the adjoining local road and private access lane also poor. Vehicles enter the bend at too high a speed for the existing alignment to accommodate resulting in off road excursions and collisions with oncoming traffic.	20,000

Donegal County Council	L-1352-4 & L-1412-2, Ballyare Crossroads	Ballyare Junction between L-1352-4 & L-1412-2 is subject to an 80kph speed limit. This is a rural crossroads with poor visibility splays and a dwelling and garden in close proximity to the Junction. The location includes a history of undocumented collisions with vehicles regularly failing to stop at the junction and colliding with oncoming traffic. This issue has also caused drivers to take evasive action that has resulted in vehicles colliding with the adjacent dwelling.	17,000
Donegal County Council	R261, Ballyiriston	The R261 regional road at Ballyiriston links Narin & Portnoo areas to the N56 at Mass. The Road is subject to a 80kph speed limit. During times of medium/high tides and heavy rain fall the adjacent land can have up to 3 metres of flood water present with some small overflow onto the road. Delineation of the road edge is considered poor with concerns raised of the potential for vehicles to leave the carriageway during flood/snow events.	20,000
Donegal County Council	<i>L-2843, Maghera, Ardara</i>	The L-2843 local road provides linkages between Maghera and Ardara. The road attracts a lot of tourists travelling over Maghera Gap due to the spectacular views. The Road is subject to a 80kph speed limit. Existing sections of this busy local road have been undermined and it lacks lateral support.	€18,000
Donegal County Council	<i>L-2535-2 West Rock Road, Ballyshannon</i>	The L-2535-2 West Rock Road, Ballshannon, includes a T Junction, GAA Grounds, National School, Community Childcare Facility and number of private dwellings. The route is subject to a 50kph speed limit. There are no safe crossing points along the route, existing carriageway is wide which promotes high speeds within the urban area and is a common location for collisions and near misses.	30,000

Donegal County Council	<i>R238, Dunross, Culdaff</i>	The R238 Regional Road at Dunross, Culdaff is subject to a 80kph speed limit. The road links Culdaff with Gleneely and Moville. The location includes hidden dips and crests on a narrow carriageway. The location also includes two junctions (R238/L-1301-1 & R238/L-5881-1) on sweepings bends with poor visibility in each direction.	20,000
Donegal County Council	<i>L-1114 Leck Road Crossroads, Letterkenny</i>	Leck Road Crossroads on the L-1114 south of Letterkenny Town is subject to a 60kph speed limit. Leck Road is highly trafficked and provides linkages east/west of Letterkenny Town. Safety issues at the crossroads include hidden dips, crests and poor visibility splays in all directions.	20,000
Donegal County Council	R261, Tullycleave, Ardara	The R261 Regional Road at Tullycleave, Ardara is subject to an 80kph speed limit. A number of collisions have occurred at this location and have been reported to an Garda Siochana. There are two walls at a private access protruding into the clear zone of the carriageway that vehicles have collided with previously. There is also a deep open drain adjacent to the carriageway for 40m approx, which limits the verge width at this location.	15,000
Donegal County Council Total			€420,000

2021 Former National Roads			
Local Authority	Road Number	Proposed Works	LA Allocation
Kildare County Council	R-148-20	This section of road is out from the county boundary with Meath to the west of Moyvalley. The road's PSCI rating was last recorded in June 2018 which stated that 1500m had a rating of 6 and 650m had a rating of 8. These ratings are now outdated and the section of road for proposed works has an estimated rating of 4 and 5 in places. The road surface is deteriorating and is requiring regular maintenance. A section to the East in County Meath was strengthened in 2019 and Kildare County Council have strengthened 2 sections to the west in 2019 and 2020. This is the final section of the R148 in poor repair from the Meath County border to the Kildare County Boundary to the west. It is proposed to carry out a structural inlay over the entire width of the road with a HRA surface course.	€350,000

2021 Former National Roads

Local Authority	Road Number	Proposed Works	LA Allocation
Wicklow County Council	R772-48/50	<p><u>Wexford Road Arklow Rehabilitation Project -</u></p> <p>The works included in this package of works involve the resurfacing of the road (plus hard shoulder), including addressing road profile issues in an effort to address the poor nature of the surface and ultimately provide a continuity of cross section to assist in traffic calming for vehicular traffic and to provide a more defined cycle layout that provides safety and refuge for cyclists on their journeys. The overriding aim of this scheme is to improve the experience of road users wishing to cycle in/out or through Arklow town. The scheme will provide those improved conditions to allow for improved safety of pedestrians and cyclist. Where possible sections of the Hard shoulder will be converted to cycle lanes to extend the scheme already completed at the R772-54/52.</p>	€300,000
