Re: **GLAS Commonages – Assignment of Commonage Advisors to prepare and submit Commonage Management Plans**

Dear Advisor,

Please see attached, list of commonages where at least one shareholder has applied for GLAS and no Approved Commonage Advisor has yet been assigned to prepare a Commonage Management Plan (CMP). Table 1 comprises of proposed appointments to 24 commonages effective from 12 August 2016 based on existing documentation lodged and table 2 which lists 264 commonages for which expressions of interest are now invited.

Applications using the GLAS Commonage Authorisation Form (GLAS Auth Comm) will be accepted up to 12 August 2016 from interested Commonage Advisors for assessment and assignment. After this time the Department may proceed to appoint Commonage Advisors directly to any commonage(s) for which no GLAS Auth Comm Form has been submitted.

The GLAS Commonage Authorisation Form (GLAS Auth Comm) can be accessed through the following link <http://www.agriculture.gov.ie/agfoodinformationpages/agfoodagentforms/>

Completed GLAS Auth Comm forms must be emailed to glascommonages@agriculture.gov.ie with the hard copy following by post within five working days to the address below.

Please note the proposed appointments in table 1 are based on Auth Comms already submitted where more than 50% of shareholders have signed. In table 2, an 'X' has been inserted where Auth Comms have already been received but which represent less than 50% of shareholders. These will be included for assessment in the selection and assignment process.

Your attention is also brought to Circular 8/2015 which details the selection process.
