MISSION STATEMENT:

To empower women around the world with a career that really works, using products that really work.

Joni Rogers-Kante

Founder & CEO

Dear Distributors,

Happy holidays to you and yours! From all of us at SeneGence International, we wish you love, warmth and abundance that will last into the New Year. This year, the joy and cheer comes with exciting improvements and upgrades around SeneGence. This month, the California headquarters are moving to a brand new office and warehouse facility. The new space features custom designed offices,

a beautiful new beauty bar, and a large warehouse and packing area. We know that this upgrade is going to help us better serve you and your business, and allow us to better support our Australian Lovelies. It will allow us to hire more talented people to facilitate your growth, hold more inventory, and more. What a fantastic start to what is sure to be the best SeneGence year yet! This opening follows openings of International Offices around the world that were introduced in 2016, including your Headquarters in Queensland, Canadian Headquarters in British Columbia, and Warehouse and Office in Oklahoma, USA. The 2016 growth has allowed us to build and expand, and the future is looking brighter than ever before!

In addition to our California move, we are all busy preparing for the AU PIT Stop “Glam it Up” event, taking place next month in Melbourne. Attending the Glam

Message From The Founder

it Up PIT Stop is of vital importance to your business success. At the heart of our SeneGence businesses are products that really work the way we say they do. Having a full and thorough understanding of the technology behind these products, and techniques in which to use them makes the difference in how successful your business is. After all, wouldn't potential customers be more inclined to purchase from a business owner who is knowledgeable about the products they represent? Of course SeneGence offers many training materials to teach you about the products, but there is nothing quite like being at a live event to learn from our Lead Makeup Artists of the Month, Leslie Boyd-Bradley, and myself. Make a resolution to invest in your SeneGence business- PIT Stop is the perfect place to start!

As we near the end to a fantastic year, my pride for you is overflowing, for growing, building, and amazing us all in a timeline I never thought possible. In 2016, not only were sales records were broken, but so many dreams were realized. Families were blessed, lifelong friendships were forged, and communities flourished. SeneGence received its first Australian Emerald Crown

Princess and added several new Crown Princesses, we welcomed the first Distributor Empress in company history in the United States, and the first Canadian Crown Princess! Our domestic and international growth numbers are climbing exponentially every single month. And, despite the very real "*growing pains*" that SeneGence has experienced with the influx of activity, you have stayed strong and successful. I have so much gratitude for you all; I know first hand the challenges you are facing with out of stock products, as direct sales and entrepreneurship has been my career and passion for my entire adult life. You can be assured that we have made and are making great strides to alleviate the out of stocks, with new facilities, employees, and powerful filling machines. Our only path is onwards and upwards; there are no limits to what we can achieve together! Thank you for being with us.

Remember, choose to live life in love and abundance... then work for it!

Love,

A handwritten signature in black ink that reads "Joni". The signature is fluid and cursive, with a large loop at the beginning of the name.
