# Message from the Founder

Dear Distributors,

The holiday season has arrived! It's time for gifting, fun SeneGence open houses and Demos with family and friends, making warm memories with your loved ones, and preparing for a successful year ahead! The holidays and end of year is also great time to remember what your "why" is- the unique reason you decided to start your own SeneGence business. It may have been for new friendships with your fellow Distributors, or because you love great skin care and cosmetics that work. However, for many of us, our SeneGence "why" is our family. Our family deserves happiness, love, and the very best we can offer. While I'm sure you will be busy this season taking part in the merriment and activity with your family, I encourage you to keep your business in the forefront of your mind as well. The more successful your business is this holiday season, the more you will be able to bless your family in the coming year!

For holiday 2016, the US National Retail Federation estimates a solid 3.6% increase in retail sales from last year, for a total of \$655.8 billion dollars spent between November and December, in the US alone! It is predicted that each American shopper will spend \$935.58 on average this year. Everyone is going to be busy over the next few weeks checking names off their gift lists, looking for the perfect presents for their loved ones. Here are a few specific things you can do to ensure that your holiday business is booming this year:

### MISSION STATEMENT:

To empower women around the world with a career that really works, using products that really work.

**Incorporate your business where you can-** the holidays are crazy busy, and filled with family fun! The beautiful thing about SeneGence is that you do not have to miss out on the fun to run a successful business. Find ways to incorporate SeneGence into the holidays. Bring your mini WOW-ing kit with you on all your family outings- to the Christmas tree farm, to the mall, holiday parties, community events, and the list goes on and on. Incorporating SeneGence business activity into your everyday life is a key to success, year round.

**Participate in Small Business Saturday (US)-** Small Business Saturday takes place right after Black Friday on Saturday, November 26th. While you can certainly participate in Black Friday too, Small Business Saturday is a great reason to promote your local business to shoppers who want to make a difference in their communities and local economies. Advertise via email, social media, and community forums to promote your business and services in your community.

**Partner for Profits!-** creating cross-collaboration between your business and other local businesses and organizations is a great way to see real increase in sales. Take advantage of our “*Partner For Profits*” program, where you partner with another

organization to sell SeneGence products in their store, and then share some of the profits with them. It’s a win-win relationship!

**Bring the holiday spirit-** Whether it’s offering festive wrapping, posting about the limited-edition Holiday LipSense colors on social media, sending out communication to your customers about the best holiday red LipSense shades, advertising free holiday SeneBlends makeovers, or adding holiday stickers or confetti to your orders, make it fun and enticing for your Customers to shop with you this holiday!

While you do work on your end to ensure a successful holiday season, every member of the SeneGence corporate team is working diligently to support you in business and make sure you have a booming season. Words cannot express how thankful we are for each and every one of you. Thank you for being the most incredible group of women in the direct sales industry- you amaze us every day!

Wishing you a holiday season full of positivity, light and success. As always, choose to live life in love and abundance...then work for it!

Love, Joni

October 2016 Recognition

Ms. SeneSynergy

Congratulations to **US Distributor:**

**Francine  
 Gabriel-Crooker**

Maiden Lenore Elliott always goes out of her way to help others. She gladly gives her time and support, and offers solutions to business problems her downline members may be facing. She is always willing to set up at events, contribute supplies, offer transportation - whatever it takes. Her generous, caring nature certainly makes her very deserving of the October Ms. SeneSynergy title!

Congratulations to **CN Distributor:**

**Lenore Elliott**

SeneSupport

Congratulations to

**Ashley Gardner**

SeneGence International recognizes an outstanding Distributor each month with the greatest number of qualified new recruits (300 accumulative PV in the month they were sponsored) with 100 SeneBucks. The sponsoring Distributor must have a minimum of 750 PV cumulative for the month.

Within the first 30 days, new Distributors that place at least one 300 PV order and recruit a first line Distributor who also places a 300 PV order within their initial 30 days, will receive this exclusive pin.
