Introduction

World Scout Foundation
Fondation du Scoutisme Mondial

We are honoured to recognise and celebrate you, the members of the World Baden-Powell Fellowship, in our 2021 Membership List.

We thank you for your unwavering support and for your continued generous financial gifts. We are grateful for your passionate advocacy for Scouting, for your vital support to the Foundation through the sharing of your networks, your volunteer time and expertise, and for your efforts to grow the network of Baden-Powell Fellows and generate more funding for World Scouting.

Our 2021 Annual Report focuses on the momentum driven by our growing global Movement of Scouts, who are reaching out to more young people, leading inspirational community projects and actions, and driving incredible positive social impact, and on the exciting momentum underway at the Foundation.

Together, we are taking a more dynamic approach to fundraising to ensure that Scouting worldwide can continue to grow, reaching more young people and increasing their impact on society. We look forward to engaging you further in our fundraising efforts in 2022 and beyond, and count on your energy, ideas and actions to amplify our common efforts.

We invite you to discover our 2021 Annual Report and to share it widely within your networks. Be inspired by the actions led by Scouts in Argentina, Democratic Republic of Congo, Egypt, Germany and India, just a few of the innumerable projects taking place each day in communities worldwide, thanks to your support. You will also see several the photos from these remarkable projects illustrating this Membership List.

2021 Annual Report:

On behalf of our Board and staff team, and especially on behalf of 57 million Scouts worldwide, thank you.

Chief Executive Officer

We joined the Fellowship in 2021

We were delighted to welcome 31 new Baden-Powell Fellows from 11 countries in 2021, despite ongoing global challenges to the organization of in-person events to promote the Foundation and its aims. We were excited to welcome 9 new Young BP Fellows in this total.

Thank you to everyone who supported this expansion of our network, including motivated BP Fellows, Chapters and the Young BP Fellows Task Force.

Thousands of Egyptian Scouts and Guides are learning about water scarcity, helping to educate others and taking action to reduce water wastage. They've already reached 37,500 people and have saved 1,925,742 litres of water! Find out more in our 2021 Annual Report.

Scouts in the Democratic Republic of Congo are tackling country-wide poverty, hunger and unemployment with a brilliant, youth-led solution involving... mushrooms! Find out more in our 2021 Annual Report.

The Founder's Heritage

48 Baden-Powell Fellows belong to the Founder's Heritage programme of the World Scout Foundation, having generously arranged to leave a gift to World Scouting via their last will and testament.

Your legacy gift will ensure that even more young people will be able to experience Scouting, gaining the knowledge, skills and values to grow into active citizens, who make a positive contribution in local communities the world over, both as Scouts and throughout their lives.

We invite all Baden-Powell Fellows, of all ages, to consider joining the Founder's Heritage. This entails a commitment to making a gift to the World Scout Foundation, of an amount of your choosing, in your last will and testament. Please contact the World Scout Foundation Secretariat for more detailed information and guidance.

In Memoriam

We are honoured to pay tribute to 555 Baden-Powell Fellows who are sadly no longer with us, and we recognise the 16 Baden-Powell Fellows who have "Gone Home" in 2021 and their contribution to World Scouting.

May they rest in peace.

We remember their generosity, passion and commitment to World Scouting, which carries on where their unrestricted donations have been invested in the Foundation's Endowment Fund, generating income year-on-year for the World Organization of the Scout Movement. We remember them too through the actions of countless generations of Scouts across the globe, who have benefitted, and will continue to benefit, from their support.
