**MINUTES OF SECOND MEETING
2014-2015 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
February 5, 2015**

Chair Foust called the second meeting of the 2014-2015 Board to order at 8:00 A.M., Thursday, February 5, 2015 at the at the Board office in Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Earl R. Foust	Chair
Marc. S. Barter	Vice-Chair
A. Frazier Christy	Secretary
Richard G. Grace	Member
Nathan G. Johnson	Member
Charles P. Willis	Member

Officers Absent:

M. Elisabeth Hyde	Member
-------------------	--------

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Secretary
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with the Pledge of Allegiance and a prayer.

The proposed meeting agenda was reviewed.

15-33. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson to adopt the proposed agenda. MOTION CARRIED 6-0.

Minutes of the first meeting of the 2014-2015 Board were received for approval.

15-34. IT WAS MOVED by Mr. Barter and seconded by Mr. Willis that the minutes of the first meeting of the 2014-2015 Board held October 29, 2014 be approved as written. MOTION CARRIED 6-0.

Action items from previous board meetings were reviewed.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the October 29, 2014 Board Meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

- 15-35. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board ratify the approval of licenses issued since the October 29, 2014 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.
- 15-36. IT WAS MOVED by Mr. Barter and seconded by Mr. Willis that the Board ratify the approval of Engineer Intern Certifications issued since the October 29, 2014 Board Meeting and that the list of those issued be included in the minutes on **Attachment #2**. MOTION CARRIED 6-0.
- 15-37. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board ratify the approval for examination those applicants approved since the October 29, 2014 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 6-0.
- 15-38. IT WAS MOVED by Mr. Barter and seconded by Mr. Willis that the Board go into executive session to discuss pending applications that have confidential information. Mr. Foust, Mr. Barter, Mr. Christy, Mr. Grace, Mr. Johnson, and Mr. Willis voted in favor of the motion. MOTION CARRIED 6-0.

Mr. Foust announced the Board would reconvene into open session in approximately 30 minutes. The meeting was closed to the public. The meeting was reopened at 9:30 A.M.

- 15-39. IT WAS MOVED by Mr. Willis and seconded by Mr. Barter that the Board approves for professional engineering licensure Samuel Theodore Curtis. MOTION CARRIED 6-0.

- 15-40. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that the Board defers for licensure Mohamed A El Gohary. MOTION CARRIED 6-0.
- 15-41. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that the Board denies for licensure Patrick Thomas Lenton. MOTION CARRIED 6-0.
- 15-42. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board approves Addie Michelle Conway, Kari Juhani Salomaa, Earnest Lee Waldrep III, Hamilton Beveridge Smith, Jeffrey Andrew Farmer to sit for the examination. MOTION CARRIED 6-0.
- 15-43. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board defers for examination Matthew Steven Durshimer, Asa Samuel Kirkus, Daniel Gordon Dannelley, Jimmy Lee Mitchell, Austin Abiodun Dada, William Brock Mathews, Jimmy Don Davis Jr., Morgan Alise Ellis, and Anthony Scott Manary. MOTION CARRIED 6-0.
- 15-44. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that the Board denies for examination Mathew Wayne McKendree, Adam Blake Holder, and Rashid Ahmed Ansari. MOTION CARRIED 6-0.

The Board reviewed a request for board evaluation of transcript from an applicant who wished to be considered for land surveying licensure on the basis of obtaining a Bachelor of Arts degree in Geography/Anthropology.

- 15-45. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to disapprove Todd Shields' request that supplemental courses be allowed to augment his undergraduate BA in Geography/Anthropology degree in order that the degree would qualify him for professional land surveying licensure. MOTION CARRIED 6-0.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2013 - 2014 statistics.

Prior to discussing actual cases the Board and Board Attorney had a discussion on their perceptions of how investigations should be processed, the negotiation process, and the hearing process. Actions to change the process were deferred until later in the meeting when other changes to the Administrative Code were scheduled to be discussed.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

The first case was discussed in as much detail as it could without tainting the Board. Mr. Barter identified that he did not like the proposed consent order and felt that a suspension of licensure with a review of plans was his recommended action. He believed that there needed to be a system in place to assure what the licensee was doing was correct. It was also identified that there needed to be a greater effort made to communicate these type of problems to the building officials.

- 15-46. IT WAS MOVED by Mr. Barter and seconded by Mr. Grace to disapprove the proposed consent order for Case 2013-20-B. MOTION FAILED 2-3-1 with Mr. Barter and Mr. Grace voting yes, Mr. Foust, Mr. Willis, and Mr. Johnson voting no, and Mr. Christy recused.
- 15-47. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson to accept the proposed consent order and issue the Final Order for Case 2013-20-B. It was determined that there was probable cause that Mr. William H. Laurence, PE # 22748 had submitted a set of building plans that contained violations of the standards of practice for engineering. The accepted terms of the Consent Order are that Mr. Laurence will pay a \$2,500 fine, his license will be placed on probation for two years, and the consent order and final order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 3-2-1 with Mr. Foust, Mr. Willis, and Mr. Johnson voting yes, Mr. Barter and Mr. Grace voting no, and Mr. Christy recused.
- 15-48. IT WAS MOVED by Mr. Willis and seconded by Mr. Barter to close Case 2014-13-B with a letter of caution. MOTION CARRIED 6-0.
- 15-49. IT WAS MOVED by Mr. Barter and seconded by Mr. Grace to close Case 2014-14-B and Case 2014-15-B with no action. MOTION CARRIED 4-0 with Mr. Johnson and Mr. Willis recused.
- 15-50. IT WAS MOVED by Mr. Willis and seconded by Mr. Barter that the Board go into executive session to deliberate on a disciplinary hearing previously heard by the administrative law judge. Mr. Foust, Mr. Barter, Mr. Christy, Mr. Grace, Mr. Johnson, and Mr. Willis voted in favor of the motion. MOTION CARRIED 6-0.

Mr. Foust announced the Board would reconvene into open session in approximately 30 minutes. The meeting was closed to the public. The meeting was reopened at 11:00 A.M.

- 15-51. IT WAS MOVED by Mr. Willis and seconded by Mr. Barter to find Mr. Jerry L. Dowdy, PLS # 18979, guilty of the charges and to agree with the Administrative Law Judge's conclusions and to modify the recommendations. Mr. Dowdy is to be reprimanded, he will pay no fine, but he will pay \$1,793.75 for the cost of the hearing MOTION CARRIED 6-0. (Case 2014-21-B)
- 15-52. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis that there was probable cause that Mr. Terry Stephen Tacon, PLS #13653 had performed a boundary line survey that contained errors The accepted terms of the Consent Order are that his professional land surveyor's license will be suspended for two years with the suspension being stayed, he must provide a written detailed description of the procedures he will utilize when conducting surveying, he will provide upon request a list of the surveying jobs performed

during the stayed suspension in order that a random sampling can be reviewed for compliance with accepted surveying standards, he must attend a Boundary Retracement Seminar within one year, he will pay a \$2,500 fine and the consent order and final order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 4-0 with Mr. Christy and Mr. Grace recused. (Case 2014-27-B)

15-53. IT WAS MOVED by Mr. Willis and seconded by Mr. Barter to close Case 2015-01-B with a letter of caution. MOTION CARRIED 5-0 with Mr. Grace recused.

15-54. IT WAS MOVED by Mr. Barter and seconded by Mr. Willis to close Case 2015-10-B with no action. MOTION CARRIED 5-0 with Mr. Grace recused.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the October 2014 Board Meeting were reviewed.

15-55. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that the Board ratify the approval of Engineering Certificates of Authorization CA-4903-E through CA-4958-E and Land Surveying Certificates of Authorization CA-1061-LS through CA-1067-LS issued since the October 29, 2014 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED 6-0.

The Board considered the certificate of authorization applications that had exceptions.

15-56. IT WAS MOVED by Mr. Barter and seconded by Mr. Christy to deny the CA application for Abeinsa Abener Teyma General Partnership. MOTION CARRIED 6-0.

15-57. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to approve the CA application for League Engineering and Surveying, LLC. MOTION CARRIED 5-1 with Mr. Barter voting no.

LEGISLATIVE – Ms. M. Elisabeth Hyde, Advisor

The Board was briefed on anticipated legislation that will be filed during the 2015 General Session. It was determined that the Board would not seek any changes to the Licensure Law during this session.

FINANCE – Mr. Richard Grace, Advisor

The financial reports for September, October, November, and December 2014 were reviewed.

LAND SURVEYING – Mr. Frazier Christy, Advisor

The Board approved the results of the October PS and state specific portion of the land surveying examinations.

15-59. IT WAS MOVED by Mr. Barter and seconded by Mr. Christy to accept NCEES' recommended cutoff score for the PLS Examinations, to accept the Board's recommended cutoff score for the ALLS Examination, to approve the results of the PLS and ALLS Exams given October 24, 2014, to license those individuals who passed the PLS and ALLS Exams having previously passed the FLS Exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

ENGINEERING – Mr. Charles Willis, Advisor

The Board approved the results of the October PE examinations.

15-60. IT WAS MOVED by Mr. Willis and seconded by Mr. Grace to accept NCEES' recommended cutoff score for the PE Examinations, to approve the results of the PE Exams given October 2014, to license those individuals who passed the PE Exam having previously passed the FE Exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

EXECUTIVE DIRECTOR'S REPORT

The Board was briefed on the staff's recommendations for changes to the renewal process. The Board concurred with the transition to biennial renewals beginning with the renewal cycle October 2015, if the appropriate rules can be amended. Professional licenses will be the only renewals to be changed to biennial. Certificates of authorizations and intern renewals will have to remain annual by law. All professional licenses will renew in the same year. Everyone will be required to use the on-line renewal system with the board incurring the cost of the transaction fee. The number of PDH required to renew the first year will not change. Thereafter, the requirement will be for 30 hours of continuing education with 15 hours of carry forward allowed. No hours will be granted for new licensees. Retirees will now be an emeritus title and will not be required to renew. Renewal fees will be increased to \$100.00 for the 2 years. The Licensure fee will increase from \$25.00 to \$75.00 with no change in the application fee.

The Board determined who were going to be the NCEES funded delegates for the upcoming NCEES Southern Zone Meeting.

15-61. IT WAS MOVED by Mr. Foust and seconded by Mr. Barter that Mr. Christy and Mr. Grace be designated as the funded delegates for the Southern Zone Meeting. MOTION CARRIED 6-0.

CORRESPONDENCE

The Board considered requests for waivers of the reinstatement fee for licensure renewals.

15-62. IT WAS MOVED by Mr. Christy and seconded by Mr. Barter to disapprove the requests to waive the reinstatement fee. MOTION CARRIED 6-0.

The Board considered a request from Express Oil Change/Tire Engineers to issue a declaratory opinion that confirms the Board's previous ruling that Tire Engineers may use the term "Engineers" without the issuance of an engineering certificate of authorization.

15-63. IT WAS MOVED by Mr. Foust and seconded by Mr. Johnson to decline the request to issue a declaratory opinion in that the Board has already ruled in the matter. MOTION CARRIED 6-0.

The Board considered a request from the Alabama Department of Public Health, Division of Community Environmental Protection who was asking the Board to support the proposed changes to the procedures being used by the Division regarding engineered designed onsite sewage treatment and disposal systems. The Board declined to issue an endorsement believing that the Board should not become involved in the internal processes of another department as long as the processes did not conflict with the laws and rules of the Board.

15-64. IT WAS MOVED by Mr. Willis and seconded by Mr. Barter to decline the request from Mr. Pittman. MOTION CARRIED 6-0.

EXECUTIVE DIRECTOR'S REPORT - continued

The Board began a review of the proposed changes to the Administrative Code. The various changes were discussed and a significant discussion ensued regarding the proposed changes for Chapter 16 and the investigative process as a whole. All board members had the opportunity to enter into the discussion, the board attorney explained the pros and cons of what was being proposed, and the executive director provided her opinion.

15-65. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson to accept for publishing the proposed changes for all chapters other than Chapter 16. MOTION CARRIED 6-0.

Various motion were made but died due to a lack of a second as to who should be on the investigative committee and the investigative process. Further discussion was tabled until the next board meeting.

OPEN FORUM

No comments were made during the open forum.

CLOSING REMARKS

The next meeting of the Board for board business is scheduled for Thursday, April 30, 2015 in Montgomery, Alabama beginning at 8:00 A.M. The meeting adjourned at 5:00 P.M.

Applications with Issues For Board Review

Applications Can't License

Number	Name	State/Ex/Date	Exp Verified	Bd Action
GAET – 96 months exp req'd				
170071	Patrick Thomas Lenton	GA FE 2006 GA PE 2014	0 mos	Denied

PE EXAMINATION REQUIRED – Group C

RECONSIDERATIONS

Number	Name	Previous Action	Credit Given	Time Needed	
166239	Addie Michelle Conway	Denied 1/31/13	23 mos	25 mos	Approved
168234	Rashid Ahmed Ansari	Deferred 10/9/13	3 PE references who believe applicant is qualified		Denied

Applications with Substantially Equivalent for Experience Verification

Purpose of Substantially Equivalent Verifier – if there was no PE within the company, a graduate engineer could verify the experience. You are looking to see if when the applicant and verifier worked together, if the verifier had made application, would you have given the verifier a license. If so, you would give credit for the experience. If not, no credit is given.

Number	Name	FE State	BS Degree	Exp Verified	Bd Action

- October 29

**MINUTES OF THIRD MEETING
2014-2015 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
April 30, 2015**

Chair Foust called the third meeting of the 2014-2015 Board to order at 8:00 A.M., Thursday, April 30, 2015 at the Board office in Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Earl R. Foust	Chair
Marc. S. Barter	Vice-Chair
A. Frazier Christy	Secretary
Richard G. Grace	Member
M. Elisabeth Hyde	Member
Nathan G. Johnson	Member
Charles P. Willis	Member

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Secretary
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with the Pledge of Allegiance and a prayer.

The proposed meeting agenda was reviewed.

15-66. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to adopt the proposed agenda. MOTION CARRIED UNANIMOUSLY.

Minutes of the second meeting of the 2014-2015 Board were received for approval.

15-67. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the minutes of the second meeting of the 2014-2015 Board held February 5, 2015 be approved as written. MOTION CARRIED UNANIMOUSLY.

Action items from previous board meetings were reviewed.

OPEN FORUM

The Board went in the open forum portion of the agenda to allow individuals that had requested time to make a presentation to the Board the capability to do so. Mr. Jeff Lucas, P.L.S. and Mr. Joe Meads, P.E.

had identified that they would like to discuss the requirements for quality based selection (QBS). Mr. Lucas also identified that he wished to address the Board about possible changes to the definition of "Practice of Surveying".

Mr. Jeff Lucas, as ASPLS President, made a presentation to the Board in which he was asking the Board to consider changing the requirement for the licensees to use QBS. Mr. Lucas identified that he was only addressing QBS as it applied to land surveying and would not discuss how it should apply to the engineering profession. It was Mr. Lucas's contention that QBS was unenforceable for the smaller projects and requested that the Board consider that an exemption threshold of \$15,000 be added to the QBS section of the Code of Ethics.

Mr. Joe Meads, P.E., as a member of ASCE and ACEC, and representing his own firm, made a presentation to the Board in which he identified the differences between the Board's requirements for QBS and what the language is for the architects. He identified that it is not mandated that architects use the QBS process and in fact routinely disregard QBS when soliciting work. He posed the question if it was a violation of the architect's code of ethics if the architect asked for a bid from a profession that was ruled by QBS. He asked the Board if they would consider asking the Board of Architects to change their law to mandate the use of QBS.

There was an open discussion on both presentations regarding QBS. Board members voiced their opinions as well as other individuals present. There was opposition to the suggested changes presented by ASPLS. It was noted that the board staff has been helpful in educating clients about the QBS process. The key takeaways from the open discussion was that education and enforcement of the QBS process were critical.

Mr. Lucas, representing himself, made a presentation to the Board in which he was requesting the Board to consider making changes to the definition of surveying to identify the differences between an original survey and a retracement survey and what the standards of practice should be for those types of surveys.

There was an open discussion on the future of the land surveying profession. Mr. Foust as the Board Chair, established a task force to look at the current issues in the surveying profession and the future of the profession. Mr. Christy was appointed as the chair of the task force with Mr. Johnson and Mr. Grace as members. Societies that are involved in surveying will be invited to be members of the task force.

CHAIR'S REPORT

The board's sub-committee that had been tasked to look at possible law changes provided their draft of proposed law changes. The primary changes were identified. Mr. Johnson identified that he would like to see an alternate path for land surveying licensure. Mr. Christy identified that this would be included as one of the charges for the newly formed land surveying task force. The Board agreed that the draft needed to be circulated to the stakeholders for their inputs.

- 15-68. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that in order to gain feedback and support for the changes that the Board should develop a PowerPoint presentation outlining the proposed changes, to have a series of town hall meetings with 1 - 2 board members at each meeting to discuss the proposed changes, to widely

distribute the proposed changes and to provide similar information at the various society meetings. MOTION CARRIED UNANIMOUSLY.

The Board reviewed proposed changes to Chapter 16 of the Administrative Code. The dialogue concerned the composition of the Investigative Committee and the process that should be used by the Investigative Committee.

15-69. IT WAS MOVED by Mr. Barter and seconded by Mr. Christy that the Investigative Committee should be composed of a board member, the board attorney, and the executive director. MOTION CARRIED 5-2 with Mr. Johnson and Mr. Willis voting in the negative.

A further motion was made and a friendly amendment by Mr. Christy was added. The final motion reads:

15-70. IT WAS MOVED by Mr. Barter and seconded by Ms. Hyde that all decisions of the Investigative Committee must be unanimous and in the event they are not unanimous a sanitized version of the case will be presented to the Board for their input back to the Investigative Committee. MOTION CARRIED 6-1 with Mr. Johnson voting in the negative.

The Executive Director will draft the necessary changes to the Administrative Code.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2014- 2015 statistics.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

15-71. IT WAS MOVED by Mr. Christy and seconded by Mr. Barter to accept the recommendations and findings of the Administrative Law Judge in regards to Mr. Roddy Fitzgerald and Commodore Steel Buildings. Both were found guilty of offering and providing engineering without having a licensed PE in responsible charge. MOTION CARRIED 6-0 with Mr. Willis recused. Case 2013-39-C.

15-72. IT WAS MOVED by Mr. Christy and seconded by Mr. Barter to close Case 2014-06-B with a letter of caution. MOTION CARRIED 6-0 with Mr. Foust recused.

15-73. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to close Case 2014-07-B with a letter of caution. MOTION CARRIED 6-0 with Mr. Foust recused.

- 15-74. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to close Case 2014-19-B with no action. MOTION CARRIED 6-0 with Mr. Barter recused.
- 15-75. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde to accept the proposed consent order and issue the Final Order for Case 2014-17-B. It was determined that there was probable cause that Mr. Steve Braxton Green, PLS #11843 had performed a property survey which contained violations of the accepted standards of practice . The accepted terms of the Consent Order are that Mr. Green will pay a \$1,500 fine; his license will be suspended for 6 months with the suspension being stayed for 2 years; for two years, at six month intervals, he must submit a list of the property boundary surveys he has performed; the Board may randomly select survey(s) to be reviewed for compliance with standards of practice and if found to be in violation the six month suspension will become effective immediately; and the consent order and final order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Barter recused.
- 15-76. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to accept the proposed consent order and issue the Final Order for Case 2014-22-B. It was determined that there was probable cause that Mr. Laurence Harvey Zander, PLS #25647 had produced a survey which contained violations of the accepted standards of practice. The accepted terms of the Consent Order are that Mr. Zander will pay a \$1,500 fine; his license will be suspended for two years with the suspension being stayed; at the Board's request he must submit within one month of the request a list of the property boundary surveys he has performed; the Board may randomly select survey(s) to be reviewed for compliance with standards of practice; and the consent order and final order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Willis recused.
- 15-77. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace to close Case 2014-24-B with no action. MOTION CARRIED 6-0 with Mr. Willis recused.
- 15-78. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy to close Case 2014-29-C with a letter of caution. MOTION CARRIED 6-0 with Mr. Johnson recused.
- 15-79. IT WAS MOVED by Mr. Willis and seconded by Mr. Grace to close Case 2014-31-C with a letter of caution. MOTION CARRIED 6-0 with Ms. Hyde recused.
- 15-80. IT WAS MOVED by Mr. Willis and seconded by Mr. Barter to close Case 2014-32-B with no action. MOTION CARRIED 6-0 with Mr. Johnson recused.
- 15-81. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that there was probable cause that Mr. William A Gordy, Sr., PE #21427 had designed an engineered onsite waste water management system which contained errors. The accepted terms of the Consent Order are that he will pay a \$500 fine, he is formally reprimanded and the consent order and final order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Grace recused. (Case 2015-02-B)

- 15-82. IT WAS MOVED by Ms. Hyde and seconded by Mr. Willis to close Case 2015-05-B with no action. MOTION CARRIED 5-0 with Mr. Johnson and Mr. Barter recused.
- 15-83. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to accept the proposed consent order and issue the Final Order for Case 2015-08-B. It was determined that there was probable cause that Engineering Group of the Southeast LLC, CA-3118-E had failed to identify a branch office that was offering AL services. The accepted terms of the Consent Order are that the firm will pay a \$500 fine, the firm is cautioned to insure all future changes made to the CA comply with the Law and Rules of the Board, and the consent order and final order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Willis recused.
- 15-84. IT WAS MOVED by Ms. Hyde and seconded by Mr. Willis to close Case 2015-13-B with no action. MOTION CARRIED 6-0 with Mr. Johnson recused.
- 15-85. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde to close Case 2015-14-B with no action. MOTION CARRIED 6-0 with Mr. Johnson recused.
- 15-86. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy to close Case 2015-20-B with no action, but to send a letter to the professional engineer explaining what qualifies as supervision of individuals for engineering licensure. MOTION CARRIED 6-0 with Mr. Grace recused.

The Board discussed if there was currently a method to monitor the cases where the respondent is tasked to routinely provide documents for review. It was explained that the current process is to use the services of sitting board members and the volunteer tech advisors. The possibility of having paid technical advisors, to be paid at a lower hourly rate than the normal labor rate, was discussed. The advisors would be on call and used on an as needed basis. Ms. Hyde as the law enforcement advisor agreed to work with the staff to develop a proposed process for monitoring cases.

LAND SURVEYING – Mr. Frazier Christy, Advisor

The Board reviewed a request from Great Basin College to have their BA in Land Surveying and Geomatics approved as a land surveying curriculum. The Board reviewed the program's curriculum and the individual course descriptions. Questions were raised on how the lab and field work was accomplished in this distance learning based program.

- 15-87. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to delay on acting on Great Basin's request until further information can be provided by Great Basin on how the labs and field work are accomplished. MOTION CARRIED UNANIMOUSLY

The Board approved the results of the February and April state specific portion of the land surveying examination.

- 15-88. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to accept Board's recommended cutoff score for the ALLS Examination; to approve the results of the ALLS Exams given February 11, 2015 and April 17, 2015; to license those individuals who passed the ALLS Exams having previously passed the FLS and PLS Exams and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

The Board discussed the status of the PS and ALLS examinations. NCEES was requesting an update on how the Board planned on offering the ALLS examination once the PS examination converts to CBT format. It was the Board's decision that the last time that the state specific exam will be offered at the NCEES arranged test location will be April 2016 (the last time the paper pencil version of the PS exam is offered). The Surveying Task Force established earlier in the board meeting will be tasked to provide recommendations on what format the ALLS exam should be offered.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the February 2015 Board Meeting were reviewed.

- 15-89. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson that the Board ratify the approval of Engineering Certificates of Authorization CA-2021-E, CA-2647-E, CA-4064-E, and CA-4959-E through CA-5010-E and Land Surveying Certificates of Authorization CA-787-LS, CA-957-LS and CA-1068-LS through CA-1077-LS issued since the February 5, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED UNANIMOUSLY.

The Board considered the certificate of authorization applications that had exceptions.

- 15-90. IT WAS MOVED by Mr. Willis and seconded by Mr. Barter to approve the CA application for Allen Brinkley Construction, Inc. MOTION CARRIED 6-1 with Mr. Christy voting in the negative.
- 15-91. IT WAS MOVED by Mr. Foust and seconded by Mr. Barter to approve the CA renewal application for Meadows Engineering and Consulting Services Inc with the understanding that the reinstatement fee for a late renewal is due. MOTION CARRIED UNANIMOUSLY.

The Board considered a request from a firm who was requesting that they be allowed to have the term "Engineer" in their title without having a Certificate of Authorization issued. STS Engineering Services Inc. identified that they exclusively provided contract engineering and Designated Engineering Representative (DER) support to the aviation industry which is under the FAA regulation and as such is exempted from the Board's Licensure Law.

- 15-92. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson to approve STS Engineering Services Inc.'s request to use the firm's name without first obtaining an Engineering Certificate of Authorization. MOTION CARRIED UNANIMOUSLY.

LEGISLATIVE – Ms. M. Elisabeth Hyde, Advisor

The Board was briefed on legislation that has been filed during the 2015 General Session. The staff will continue to monitor introduced legislation.

CONTINUING PROFESSIONAL COMPETENDY – Mr. Earl Foust, Advisor

The Board was briefed on the initial results of the 2015 audit.

FINANCE – Mr. Richard Grace, Advisor

The financial reports for January, February, and March 2015 were reviewed.

An update on the status of hiring an additional employee responsible for public relation efforts was given. The Board was provided an explanation on the various staff positions and how their salaries were determined. Pay raises were approved and it was also directed that efforts should be started to seek an increase in the merit pay grade that Mr. Huett's position is assigned.

- 15-93. IT WAS MOVED by Mr. Barter and seconded by Ms. Hyde to approve a 5% pay raise for Rick Huett. MOTION CARRIED UNANIMOUSLY.
- 15-94. IT WAS MOVED by Mr. Barter and seconded by Mr. Willis to approve a 5% pay raise for Regina Dinger. MOTION CARRIED UNANIMOUSLY.
- 15-95. IT WAS MOVED by Mr. Barter and seconded by Mr. Willis to start the process to request an increase in the merit pay grade for Rick Huett's position. MOTION CARRIED UNANIMOUSLY.

EXECUTIVE DIRECTOR'S REPORT

The Board was briefed on the upcoming travel. The Board determined who were going to be the NCEES funded delegates for the upcoming NCEES Annual Meeting.

- 15-96. IT WAS MOVED by Ms. Hyde and seconded by Mr. Grace that all Board Members, Executive Director, Assistant Executive Director, and Board Attorney be appointed as delegates to the Annual NCEES Meeting to be held in Williamsburg, VA on August 19-22, 2015; and further that Mr. Barter and Mr. Christy be designated as the funded delegates. MOTION CARRIED UNANIMOUSLY.

Changes to the previously adopted board calendar were discussed. Mr. Barter suggested that the Board might want to try starting the board meeting at 1:00 PM on the first day of a two-day meeting to allow the board members the possibility of being in their offices on each day of a board meeting instead of

having a very long one-day meeting. It was also discussed that dates for town hall meetings and at least one webinar date need to be set to discuss the proposed changes to the licensure law.

15-97. IT WAS MOVED by Mr. Grace and seconded by Mr. Willis to adopt the changes to the board calendar as proposed. MOTION CARRIED UNANIMOUSLY.

The Board was briefed on Executive Order #16 in which Governor Bentley continued the existence of the Alabama Geographic Information Executive Council and the Advisory Committee to the Council. The Board identified that it wanted to continue being an active member of this Council.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the February 5, 2015 Board Meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

15-98. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that the Board ratify the approval of licenses issued since the February 5, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

15-99. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board ratify the approval of Engineer Intern Certifications issued since the February 5, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #2**. MOTION CARRIED UNANIMOUSLY.

15-100. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board ratify the approval for examination those applicants approved since the February 5, 2015 meeting and listed as approved on **Attachment #3**. MOTION CARRIED UNANIMOUSLY.

- 15-101. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde to accept for licensure as a professional engineer Mary Bordner Tanck, David Pierce Whitten Solberg, Eliborio Pena, and Paul Henri Durand. MOTION CARRIED UNANIMOUSLY.
- 15-102. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board defers for licensure Jennifer Ann Johnson and Michael James Kraemer. MOTION CARRIED UNANIMOUSLY.
- 15-103. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board denies for licensure Ryan Thomas Carter. MOTION CARRIED UNANIMOUSLY.
- 15-104. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis that the Board approves John Francis Vincent, III, and Timothy Daniel Brooks to sit for the examination. MOTION CARRIED UNANIMOUSLY.
- 15-105. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde that the Board denies for examination Austin Abiodun Dada and Rhett Phillip Sloan. MOTION CARRIED 6-0.

The Board reviewed a request for board evaluation of transcript from an applicant who wished to be considered for an exception to the application process due to the timing of the FE results. It was the Board's position that it was not going to rule on a hypothetical situation.

UNFINISHED BUSINESS

The Board briefly discussed the issues of granting experience for construction engineering. It was agreed that further study was needed to identify what is or is not construction engineering. This study needs also to take into consideration the courses included in an ABET accredited construction engineering degree and the knowledge tasks included in the construction engineering PE discipline exam.

The agenda item on branch offices was not discussed since it was identified that the conflicts in the law and rules had been resolved with the proposed changes to the law and rules.

NEW BUSINESS

The Board discussed the status of the various merit positions. It was explained how raises were approved for merit positions and that those at the top of their merit pay grades could not be approved for any additional raises.

- 15-106. IT WAS MOVED by Mr. Foust and seconded by Mr. Willis that it efforts should be made to see what can be done to move Bonnie Kelly into a higher series pay grade. MOTION CARRIED UNANIMOUSLY.

OPEN FORUM

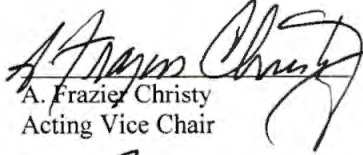

No additional comments made during the open forum.

CLOSING REMARKS

The next meeting of the Board for board business is scheduled for Tuesday, June 9, 2015 in Montgomery, Alabama beginning at 1:00 P.M. The meeting adjourned at 5:40 P.M.

Board Meeting – April 30, 2015 – Attachment #1

- 15-88. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to accept Board's recommended cutoff score for the ALLS Examination; to approve the results of the ALLS Exams given February 11, 2015 and April 17, 2015; to license those individuals who passed the ALLS Exams having previously passed the FLS and PLS Exams and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.
- 15-98. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that the Board ratify the approval of licenses issued since the February 5, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

July 29 – In Mobile

November 4

**MINUTES OF FOURTH MEETING
2014-2015 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
June 9-10, 2015**

Acting Chair Barter called the fourth meeting of the 2014-2015 Board to order at 1:00 P.M., Tuesday, June 9, 2015 at the at the Board office in Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Acting Chair
A. Frazier Christy	Acting Vice Chair
Richard G. Grace	Member
M. Elisabeth Hyde	Member
Nathan G. Johnson	Member
Randall D. Whorton	Member

Officers and Members Absent:

Charles P. Willis	Member
-------------------	--------

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Secretary
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with the Pledge of Allegiance and a prayer. Mr. Barter welcomed Mr. Whorton to the Board. Mr. Whorton replaced Mr. Foust on the Board.

The proposed meeting agenda was reviewed.

15-107. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to adopt the proposed agenda. MOTION CARRIED UNANIMOUSLY.

Minutes of the third meeting of the 2014-2015 Board were received for approval.

15-108. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy that the minutes of the third meeting of the 2014-2015 Board held April 30, 2015 be approved as written. MOTION CARRIED UNANIMOUSLY.

Action items from previous board meetings were reviewed.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the April 30, 2015 Board Meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

15-109. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board ratify the approval of licenses issued since the April 30, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

15-110. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy that the Board ratify the approval of Engineer Intern Certifications issued since the April 30, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #2**. MOTION CARRIED UNANIMOUSLY.

15-111. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy that the Board ratify the approval for examination those applicants approved since the April 30, 2015 meeting and listed as approved on **Attachment #3**. MOTION CARRIED UNANIMOUSLY.

15-112. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde that the Board defers for licensure Gernot Komar. MOTION CARRIED UNANIMOUSLY.

15-113. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board approves Jason Curtis Thrash to sit for the examination. MOTION CARRIED UNANIMOUSLY.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2014-2015 statistics. The status of the investigations that were complete but were waiting disciplinary hearings was discussed. The Board discussed the investigation process and the number of technical advisors. It was noted that the number of technical advisors has been on the decline and that it would be beneficial to get additional advisors.

The Board discussed in general what was meant by standard of care and specifically the investigation process when standard of care was involved. Standard of care can be generally defined as what another licensee would have done in a similar situation. In general, investigations involving standard of care were not as easy to investigate as an investigation involving competency. Technical issues are areas where technical advisors can provide a thorough review citing standards and references. Standard of practice issues are more of a judgement call. The board members discussed how they envisioned the investigative process to work with the proposed changes to the investigative committee. It was the consensus of the Board that the board member on the investigative committee would be replaced with another board member on cases that involved questions on standard of care when a unanimous decision of the investigative committee could not be reached.

The Board discussed an issue regarding engineered truss drawings where it appears the company is using drawings originally sealed by a professional engineer who has been deceased for many years. The Board discussed that professional engineers should be involved in the design of trusses. It was suggested that even though the Board took a position many years ago that truss design was the practice of engineering that the Board believes it is time to revitalize the old effort. Mr. Barter identified that he would develop an address list of truss manufacturers so a new letter identifying the Board's position can be sent.

- 15-114. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that a Board initiated complaint should be opened regarding a truss manufacturer using the engineered drawings of a deceased engineer as a basis for their truss designs. MOTION CARRIED UNANIMOUSLY.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

- 15-115. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to close Case 2014-26-B with a letter of caution. MOTION CARRIED 5-0 with Mr. Christy recused.

- 15-116. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace to accept the proposed consent order and issue the Final Order for Case 2015-18-B. It was determined that there was probable cause that Mr. Glen A. McCord, PLS #20694 had performed a property survey which contained violations of the accepted standards of practice. The accepted terms of the Consent Order are that Mr. McCord will pay a \$1,500 fine; his license will be suspended for 6 months with the suspension being stayed for 2 years; he

must submit to the Board a copy of any survey he performs during the two-year stayed suspension; the Board may randomly select survey(s) to be reviewed for compliance with standards of practice; and the consent order and final order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Barter recused.

15-117. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to close Case 2015-31-B with no action. MOTION CARRIED UNANIMOUSLY.

15-118. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson to close Case 2015-32-B with no action. MOTION CARRIED UNANIMOUSLY.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the February 2015 Board Meeting were reviewed.

15-119. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the Board ratify the approval of Engineering Certificates of Authorization CA-4025-E, and CA-5011-E through CA-5030-E and Land Surveying Certificate of Authorization CA-1078-LS issued since the April 30, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED UNANIMOUSLY.

The Board considered a certificate of authorization application that had exceptions.

15-120. IT WAS MOVED by Mr. Grace and seconded by Mr. Johnson to approve the CA application for REM Consultants PLLC. MOTION CARRIED UNANIMOUSLY.

LEGISLATIVE – Ms. M. Elisabeth Hyde, Advisor

The Board was briefed on legislation that has been filed during the 2015 General Session. The session has concluded and the staff will monitor the legislation that has been sent to the Governor for his signature.

FINANCE – Mr. Richard Grace, Advisor

The financial report for April 2015 was reviewed.

LAND SURVEYING – Mr. Frazier Christy, Advisor

The Board approved the results of the April PLS examination. The number of individuals sitting for the PLS exam in Alabama and nationally was discussed. The downward trend of those sitting for the exam was a concern and is one of the major reasons that the surveying task force was created.

15-121. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to accept NCEES' recommended cutoff score for the PLS Examination, to approve the results of the PLS Examination given April 2015, to license those individuals who passed the PLS exam having previously passed the FLS and ALLS Exams and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

ENGINEERING – Mr. Charles Willis, Advisor

The Board approved the results of the April PE examinations.

15-122. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept NCEES' recommended cutoff score for the PE Examination, to approve the results of the PE Examination given April 2015, to license those individuals who passed the PE exam having previously passed the FE Exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

CHAIR'S REPORT

The Board discussed the plans for the town hall meeting to be held later in the evening that will brief the proposed changes to the Board's Licensure Law. The PowerPoint presentation was reviewed.

The meeting was adjourned at 5:00 P.M. The meeting was reconvened at 8:00 on June 10th with the same board members being present.

CHAIR'S REPORT

The Board discussed the comments that were received at the first town hall meeting. It was determined to strike through the reference to summary suspensions since the process was already included in the Administrative Procedures Act. There was also a discussion about the philosophical difference as to whether a licensed issued was a "privilege" or a "right." It was identified that the remainder of the town hall meetings should be scheduled for August 25-28 with a start time of 5:30 P.M. Dr. Talbot will be contacted to see if he has an idea as to how to best approach the university deans to discuss how the changes may affect their institutions. It was also noted that other stakeholders need to be contacted and that the presentation needs to be changed to focus on the specific target. It was noted that some individuals had the misconception that the law changes included changes to the pathway for professional land surveying licensure. It was confirmed that the surveying task force would not be ready to include any type of changes that involve the surveying profession with this proposed legislation. The task force was asked to provide an interim report at the July board meeting that identifies the issues and a tentative schedule.

The Board reviewed the listing of committee advisors and sub-committee assignments. Committee assignments were changed due to Mr. Foust's departure from the Board. The sub-committee tasks were reviewed to determine which committees were still needed. The problem of branch offices and certificates of authorization and the differences of the two was clarified. It was determined that Mr. Barter would continue to serve as Acting Board Chair until such time as the new officers are elected and they take office on the normal October 1 rotation. Mr. Christy will move up to Acting Vice Chair.

15-123. IT WAS MOVED by Mr. Grace and seconded by Mr. Christy that Ms. Hyde be appointed as Acting Board Secretary for the remainder of the 2014-2015 year.
MOTION CARRIED UNANIMOUSLY.

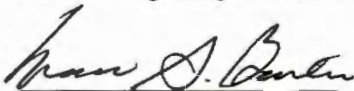

The Board discussed the concerns about the requirement for professional engineers and land surveyors obtaining their contracts through the quality based selection (QBS) instead of bidding for work. It was noted that the negotiation process involved in QBS allows for a dialogue between the licensee and the client that will allow for a true grasp of the project and ultimately a better design/product. Many challenges to the QPB process were identified including the federal government soliciting bids in violation of their own federal mandates. Through the comments of the board members the main idea brought up was the lack of education. Ms. Casillas, Executive Director of ACEC, provided her comments on how her organization tries to assist in educating clients and identifying the efforts to circumvent QBS to her national office. A major education project will be undertaken that includes a meeting with the Architects Board to ask their support in educating their licensees about our requirements, a direct letter to our licensees, developing a QBS brochure, and a separate effort to educate the consumers on why QBS is the best method of procurement.

OPEN FORUM

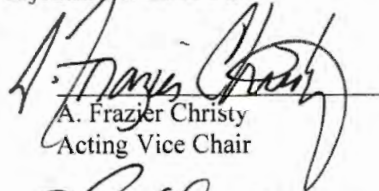

No additional comments made during the open forum.

CLOSING REMARKS

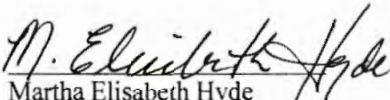

The next meeting of the Board for board business is scheduled for Tuesday, July 29, 2015 in Mobile, Alabama beginning at 1:00 P.M. The meeting adjourned at 12:00 P.M.

Board Meeting – June 9-10, 2015 – Attachment #1

- 15-109. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board ratify the approval of licenses issued since the April 30, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.
- 15-121. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to accept NCEES' recommended cutoff score for the PLS Examination, to approve the results of the PLS Examination given April 2015, to license those individuals who passed the PLS exam having previously passed the FLS and ALLS Exams and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.
- 15-122. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept NCEES' recommended cutoff score for the PE Examination, to approve the results of the PE Examination given April 2015, to license those individuals who passed the PE exam having previously passed the FE Exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

November 4-5

**MINUTES OF FIFTH MEETING
2014-2015 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
July 29-30, 2015**

Acting Chair Barter called the fifth meeting of the 2014-2015 Board to order at 1:00 P.M., Thursday, July 29, 2015 at the at the Marriott Hotel in Mobile, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Acting Chair
A. Frazier Christy	Acting Vice Chair
Richard G. Grace	Member
M. Elisabeth Hyde	Member
Nathan G. Johnson	Member
Randall D. Whorton	Member
Charles P. Willis	Member

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Secretary
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with a prayer.

The proposed meeting agenda was reviewed.

15-124. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde to adopt the proposed agenda. MOTION CARRIED UNANIMOUSLY.

Minutes of the fourth meeting of the 2014-2015 Board were received for approval. There was a discussion on what was discussed and approved on the method to be used in the event there was not a unanimous vote by the investigative committee.

15-125. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde that the minutes of the fourth meeting of the 2014-2015 Board held June 9-10, 2015 be approved as written. MOTION CARRIED 6-1 with Mr. Christy voting in the negative.

Action items from previous board meetings were reviewed and completion dates were set for all action items.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the June 9-10, 2015 Board Meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

The Board determined that it was necessary to go into executive session to discuss an application that involved the good name and character of the applicant. Mr. Albritton, board counsel, verified that it was a valid reason to go into special session.

15-126. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis for the Board to go into executive session. MOTION CARRIED with Mr. Barter, Mr. Christy, Mr. Grace, Ms. Hyde, Mr. Johnson, Mr. Whorton, and Mr. Willis voting in the affirmative.

Mr. Barter announced that the Board was going into special session for approximately 15 minutes. The Board went into executive session at 2:30 P.M. The Board went back into open session at 2:40 P.M.

Mr. Robert R. Sternenberg, III who was present for the initial discussion on his pending PE application ask if he could address the Board to explain certain aspects of his application. Mr. Sternenberg explained what engineering he was doing and how he had discussed the various engineering projects with a mentor outside of his current employer (himself). The Board thanked Mr. Sternenberg for being present to answer their questions.

15-127. IT WAS MOVED by Mr. Willis and seconded by Mr. Grace that the Board ratify the approval of licenses issued since the June 9-10, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

15-128. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board ratify the approval of Engineer Intern Certifications issued since the June 9-10, 2015 Board

Meeting and that the list of those issued be included in the minutes on **Attachment #2**.
MOTION CARRIED UNANIMOUSLY.

- 15-129. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board ratify the approval for examination those applicants approved since the June 9-10, 2015 meeting and listed as approved on **Attachment #3**. MOTION CARRIED UNANIMOUSLY.
- 15-130. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board accepts for licensure by comity Steven Scott Bowker, Dharmendra B. Rana, Christopher Edward Conroy, and Donald W. Deal. MOTION CARRIED UNANIMOUSLY.
- 15-131. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde that the Board denies for licensure Ali Zarafshan and Mark Thomas Kilgore. MOTION CARRIED UNANIMOUSLY.
- 15-132. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy that the Board approves Dillon Clifton Worsham, Christopher Lee Guynn, Phillip Ashley Watts, and Bryan Anthony Cooley to sit for the examination. MOTION CARRIED UNANIMOUSLY.
- 15-133. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board defers Justin Michael Miller, William Tanner Casey, and Joshua Scott O'Ferrell to sit for the examination. MOTION CARRIED UNANIMOUSLY.
- 15-134. IT WAS MOVED by Ms. Hyde and seconded by Mr. Willis that the Board denies Robert R. Sternenberg, III and Billy Alex McConathy to sit for the examination. MOTION CARRIED UNANIMOUSLY.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2014-2015 statistics. The Board reviewed the new method that the staff had developed for tracking open cases. There was a discussion about the time it was taking the investigative committee to make a decision as to whether there was probable cause to proceed. It was agreed that everyone would strive to have their inputs on an open case to the rest of the members of the investigative committee within 30 days of the case being sent out for review.

The Board discussed the investigative process that had been developed based the changes the Board had approved at previous board meetings. The staff identified that some of the processes that the Board had suggested could be done prior to the proposed rule changes being approved so those changes had been put into place. The process was reviewed and discussed. All Board members and staff had an input on the discussion. During this discussion the subject as to whether or not the Board had control over the services being provided to the Federal Government was discussed. It was identified that actions by the Federal Government trumped state authority and that this included not only services being performed on Federal Property but also contracts being let by the Federal Government. The requirement for unanimous consensus by the Investigative Committee and the replacement of the Board member (or possibly someone else) on the Investigative Committee if the vote was not unanimous was discussed. The proposed language for Section 330-X-16-.02 was reviewed during this discussion. The pros and cons of

having a unanimous vote vs. having a new board member assigned to the case was discussed. It was noted that the consent orders are going to be changed to reflect that more information is being presented to the Board for them to be able to make an educated decision on whether to accept the proposed consent orders. This resolved some of the concerns about the investigative process that had been used in the past. It was also noted that if the consensus could not be reached that there was the capability to have the case discussed in an abbreviated form before the Board to get their opinion which then the investigative committee would consider.

15-135. IT WAS MOVED by Mr. Grace and seconded by Mr. Christy to modify the proposed language in Section 330-X-16-.02 of the Administrative Code to strike the suggested language "by a unanimous vote of the committee." MOTION CARRIED 6-1 with Mr. Willis voting in the negative.

The process of replacing someone on the investigative committee was dropped with the passage of the above motion. Problems during the investigative process will be presented to the Board for their inputs.

The Board recessed at 5:10 P.M. in order to host a town hall meeting. The Board convened at 8:00 A.M. on July 30, 2015 to continue the approved agenda with all member being present.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

15-136. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to close Case 2014-03-B with no action. MOTION CARRIED 6-0 with Ms. Hyde recused.

15-137. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde to close Case 2014-34-B with a letter of caution. MOTION CARRIED 6-0 with Mr. Christy recused.

15-138. IT WAS MOVED by Mr. Johnson and Mr. Willis to close Cases 2015-03-B and 2015-04-B with no action. MOTION CARRIED 6-0 with Ms. Hyde recused.

15-139. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy to close Case 2015-25-C with a letter of instruction. MOTION CARRIED 6-0 with Mr. Grace recused.

15-140. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to accept the proposed consent order and issue the Final Order for Case 2015-28-B. It was determined that there was probable cause that Mr. Jeffrey Crabtree, PE #22614 had offered engineering services through a firm that had not been issued a certificate of authorization. The accepted terms of the Consent Order are that Mr. Crabtree will pay a \$1,000 fine and the consent order and final order will become a public record. The Board accepted the

Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Barter recused.

15-141. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to accept the proposed consent order and issue the Final Order for Case 2015-29-B. It was determined that there was probable cause that Ms. Constance H. Scott, PE #20872 had offered engineering services through a firm that had not been issued a certificate of authorization. The accepted terms of the Consent Order are that Ms. Scott will pay a \$1,000 fine and the consent order and final order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Barter recused.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the June 2015 Board Meeting were reviewed.

15-142. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the Board ratify the approval of Engineering Certificates of Authorization CA-4114-E, CA-2757-E, CA-3151-E, and CA-5031-E through CA-5055-E and Land Surveying Certificate of Authorization CA-66-LS, CA-789-LS, and CA-1079-LS issued since the June 9, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED UNANIMOUSLY.

LEGISLATIVE – Ms. M. Elisabeth Hyde, Advisor

The Board was briefed on legislation that has been filed during the 2015 Special Session. The Governor called the special session to pass the General Fund Budget. Other legislation can also be introduced.

The Board discussed what role the board members and staff should have in tracking and being directly involved in legislation. It was noted that there is legislation introduced that involves the professions of engineering and land surveying but that does not affect the mission of the board. Individual board members as licensees can be involved as individuals but the board and staff should not be involved. The agency's involvement should be limited to areas that affect the mission of the board and state personnel/employment.

The legislation to establish an Alabama Oversight Commission to review boards/commissions proposed rule changes and disciplinary hearings involving scope of practice was discussed. The proposed legislation is a follow-on for the Governor's Executive Order #7 which was the initial establishment of the Oversight Commission. This appears to be the Governor's process for Alabama to be in compliance with findings from the U.S. Supreme Court's ruling against the NC Board of Dentistry. The Board was briefed by Mr. Albritton, Board Counsel, on the concepts involved in the Supreme Court ruling. It was noted that it appears that the legislation to formalize the commission will be reintroduced in the 2016 Legislative Session and that the commission established under EO #7 is going to continue exist through

February 2016. EO#7 identifies that participation is voluntary and it was discussed if the Board should consider using the services of the Oversight Commission during this voluntary period.

15-143. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis that the Board should utilize the resources of the Oversight Commission during this voluntary period of time. MOTION CARRIED UNANIMOUSLY.

CONTINUING PROFESSIONAL COMPETENCY – Mr. Marc S. Barter, Advisor

The results of the 2015 audit of those who renewed their license was briefed. Audit is not complete as there are a few individuals that need to submit further documentation, 2 were denied courses and have 180 days in which to make up the disallowed courses, and 1 complaint investigation has been opened.

FINANCE – Mr. Richard Grace, Advisor

The financial reports for May and June 2015 were reviewed.

LAND SURVEYING – Mr. Frazier Christy, Advisor

The Board reviewed documentation provided by Great Basin College. Great Basin had previously petitioned the Board to have their Geomatics/Surveying Degree Program approved as “an approved land surveying curriculum” under Section 330-x-5-.01(1)(e) and the Board had questions about the program. Upon review of Great Basin’s responses, the Board approved the program.

15-144. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to accept the Great Basin College’s Bachelor of Applied Science in Land Surveying and Geomatics program as “an approved land surveying curriculum” under Section 330-x-5-.01(1)(e) of the Administrative Code. MOTION CARRIED UNANIMOUSLY.

ENGINEERING – Mr. Charles Willis, Advisor

The Board approved the results of the April SE examinations.

15-145. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy to accept NCEES’ recommended cutoff score for the SE Examination, to approve the results of the SE Examination given April 2015, to license those individuals who passed the SE exam having previously passed the FE Exam and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED UNANIMOUSLY.

CHAIR’S REPORT

The Board reviewed the proposed changes to the Administrative Code. It was noted that no written comments had been received during the comment period but there had been some verbal comments. The

Board considered those comments and determined that they were not going to recommend the changes in Chapter 9 and to remove the strike though of "education or experience" from Chapter 14. The changes to Section 330-16-.02 had been discussed while discussing law enforcement and were not discussed at this time.

15-146. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to ignore the changes originally proposed for Chapter 330-X-9.01. MOTION CARRIED UNANIMOUSLY.

15-147. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy to remove the strike through "education or experience" from Chapter 330-X-14-.03 with the remaining changes left as proposed. MOTION CARRIED UNANIMOUSLY.

15-148. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to adopt the remaining changes for Section 330-X-1-.13, Section 330-X-2-.01, Section 330-X-3-.01, Section 330-X-3-.03, Appendix A of Section 330-X-4, Section 330-X-6-.01, Section 330-X-7-.02, Section 330-X-8-.08, Section 330-X-11-.03, Section 330-X-13-.02, Section 330-X-16-.01, and Section 330-X-16-.03 as proposed. MOTION CARRIED UNANIMOUSLY.

Mr. Barter discussed the changes in the composition of the licensure certificates. It was discussed that it would be nice to have a larger certificate suitable for framing for the individuals who are getting licensed for the first time. Staff will be researching the possibilities and will be reporting back to the Board options.

EXECUTIVE DIRECTOR'S REPORT

The Board elected officers for the 2015-2016 term

15-149. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde that Mr. Barter be elected as Chair of the Board for the 2015-2016 year. MOTION CARRIED UNANIMOUSLY.

15-150. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde that Mr. Christy be elected as Vice-Chair of the Board for the 2015-2016 year. MOTION CARRIED UNANIMOUSLY.

15-151. IT WAS MOVED by Mr. Willis and seconded by Mr. Grace that Ms. Hyde be elected as Secretary of the Board for the 2015-2016 year. MOTION CARRIED UNANIMOUSLY.

The Board approved submitting Mr. Earl Foust for NCEES Emeritus Status. Arrangements for dinner to recognize Mr. Foust's service were discussed.

15-152. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to recommend to NCEES Mr. Foust for emeritus status with NCEES. MOTION CARRIED UNANIMOUSLY.

The upcoming visit by the ABET team to an Alabama university was discussed.

15-153. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the Board appoint Mr. Willis as primary and Mr. Christy as back-up for the ABET visit. MOTION CARRIED UNANIMOUSLY.

The motions and agenda for the upcoming NCEES Annual were discussed. Mr. Barter provided the background for ACCA Motion #1.

15-154. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis that Alabama should support ACCA Motion #1. MOTION CARRIED UNANIMOUSLY.

15-155. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde that Alabama should support Dr. Turner for the office of NCEES President-Elect and Mr. Christy for the office of Zone Secretary-Treasurer. MOTION CARRIED UNANIMOUSLY.

UNFINISHED BUSINESS

The draft letter on QBS was reviewed for changes. It was determined that the letter should be sent out via e-mail as a memo with the QBS trifold that had been developed by staff as an attachment.

CORRESPONDENCE

The Board considered a petition made by the Association of County Engineers of Alabama (ACEA) to be made a part of the Nominating Committee.

15-156. IT WAS MOVED by Mr. Willis and seconded by Mr. Christy to approve ACEA's petition to be made a part of the Nominating Committee. MOTION CARRIED 5-1-1 with Mr. Johnson voting in the negative and Mr. Grace abstaining.

The Board considered a request from Mr. Douglas R. Bernthal who was requesting a waiver of the reinstatement fees for his lapsed PE license.

15-xxx. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to disapprove the request to waive the reinstatement fees. MOTION CARRIED UNANIMOUSLY.

The Board considered a request from ACEA to have the Board to reconsider the Board's decision that a PE's certification signature should not be on the front of the subdivision plat. Examples of language suggested by the Association of County Commissions' documents were reviewed. It was determined to table action on this request until board members could meet with representatives of ACEA to determine the actual problems.

The Board considered a request from The Atlantic Group, LLC which was requesting clarification on photogrammetry and whether it is included in the definition of surveying. The Board agreed with previous Boards' position that the control points used by the photogrammetrist had to be set by a PLS or under the supervision of a PLS. The remaining discussion on photogrammetry was tabled until the Surveying Task Force report was received.

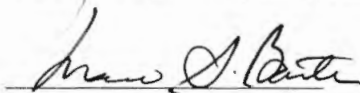

The Board considered a request from the Alabama Department of Public Health who was asking for the Board's endorsement of a return to previous methods used by the Department in approving on-site engineered septic systems. The Board understood the problem and reiterated that this was a Health Department issue and it took various individuals working together to ensure that an installed system worked correctly.

OPEN FORUM

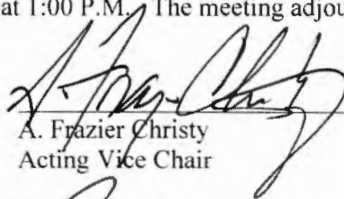

No additional comments made during the open forum.

CLOSING REMARKS

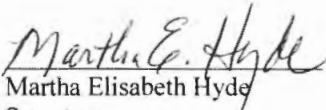

The next meeting of the Board for board business is scheduled for Tuesday, September 24, 2015 at the Board Office in Montgomery, Alabama beginning at 1:00 P.M. The meeting adjourned at 1:35 P.M.

2015 Board Meeting Dates

November 4-5

**MINUTES OF SIXTH MEETING
2014-2015 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
September 24-25, 2015**

Acting Chair Barter called the sixth meeting of the 2014-2015 Board to order at 1:00 P.M., Thursday, September 24, 2015 at the at the Board Office in Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Acting Chair
A. Frazier Christy	Acting Vice Chair
M. Elisabeth Hyde	Secretary
Richard G. Grace	Member
Nathan G. Johnson	Member
Randall D. Whorton	Member

Members Absent:

Charles P. Willis	Member
-------------------	--------

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Secretary
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with a prayer.

The proposed meeting agenda was reviewed.

15-158. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to adopt the proposed agenda. MOTION CARRIED 6-0.

Minutes of the fifth meeting of the 2014-2015 Board were received for approval.

15-159. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy that the minutes of the fifth meeting of the 2014-2015 Board held July 29-30, 2015 be approved as written. MOTION CARRIED 6-0.

Action items from previous board meetings were reviewed.

HEARINGS

Mr. Austin Dada had filed a request for a hearing before the Board in regards to his previously denied professional engineer by examination licensure application. A hearing regarding the application was conducted and a court reporter was present in order to prepare a transcript of the proceedings.

15-160. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board go into executive session for deliberations on the denied application hearing. Mr. Barter, Mr. Christy, Mr. Grace, Ms. Hyde, Mr. Johnson, and Mr. Whorton voted in favor of the motion. MOTION CARRIED 6-0.

Mr. Barter announced the Board would reconvene into open session in approximately 20 minutes. The meeting was closed to the public. The meeting was reopened at 2:15 P.M.

15-161. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy to approve Mr. Dada's professional engineering application. MOTION CARRIED 3-2-1 with Mr. Johnson and Mr. Grace voting in the negative and Mr. Whorton abstaining.

EXECUTIVE DIRECTOR'S REPORT

To allow for a public comment period during the meeting, the Board agreed to discuss the subject of Quality Based Selection (QBS) next. Mr. Jeff Lucas, P.L.S., President of ASPLS addressed the Board with ASPLS's concerns about the recent letter that was sent to all licensees. The letter was the Board's method to educate all licensees about the requirement to follow the QBS process when responding to requests for work. Mr. Lucas raised the same concerns that he had previously addressed to the Board about the difficulty that practicing land surveyors have in explaining the QBS process to individual land owners who only want to know what it is going to cost to have their property surveyed. Mr. Lucas identified differences in the Federal Brooks Act and the threshold limits identified in Alabama's procurement laws. It was his contention that licensed surveyors deal more with the public than licensed engineers and that individual property owners do not want to discuss qualifications. It was also Mr. Lucas's contention that with QBS being located in the Board's Code of Ethics (Administrative Rules) that it requires the practitioners to enforce the requirement instead of being able to take action on the person/entity that is asking for the bid. Mr. Lucas concluded his remarks by identifying that ASPLS had authorized him to present various requests for the Board to consider to change the QBS paragraph. The first option was to exempt from QBS all projects less than \$15,000.

Mr. Barter identified that he agreed there was a big difference between engineering and land surveying work but that he thought \$15,000 was a very large project. He believed that there should not be any exemption for engineering work and acknowledged that the Board understood that there may be a problem with the small boundary survey. Mr. Christy identified that he did not agree with the \$15,000 threshold, that he was not aware of any type of threshold in the Brooks Act, but that he agrees that there is a problem. Mr. Christy identified that he would like the Board to hold off in making any decisions on ASPLS' request until such time as the surveying task force completed their work.

Mr. Albritton, Board Attorney, suggested the Board go into executive session to discuss possible legal matters. Prior to making the motion, Mr. Jason Bailey, P.L.S. made a few short comments to the Board

showing the sense of urgency from the small business owner's perspective. In trying to be compliant with QBS he believes that he has lost at least 5-7 jobs because of property owners hanging up on him when he tried to explain his qualifications instead of quoting them a price for their surveys.

15-162. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to go into executive session to discuss a controversy not currently being litigated but that could likely be litigated. Mr. Barter, Mr. Christy, Mr. Grace, Ms. Hyde, Mr. Johnson, and Mr. Whorton voted in favor of the motion. MOTION CARRIED 6-0.

Mr. Barter announced the Board would reconvene into open session in approximately 30 minutes. Mr. Albritton, Board Attorney verified that this was a legitimate reason to go into executive session. The meeting was closed to the public. The meeting was reopened at 3:40 P.M.

Mr. Barter identified to the public present that the Board had listened to the surveyors' concerns, but he believed that the Board had not changed their opinion on not suggesting a rule change with included a \$15,000 exemption threshold for both engineering and land surveying work. Mr. Lucas then asked if the Board would consider that threshold for only surveying work. The Board did not agree with that proposal either but Mr. Barter instructed Mr. Christy to call an emergency meeting of the task force to see if they could draft some recommended language and have it ready prior to the November board meeting.

There being no further public comments the Board resumed the original agenda.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the July 29-30, 2015 Board Meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

Applications of those applying for Engineer Intern certification, as provided by Section 34-11-4(2) of the Licensure Law, were considered.

Applications of those applying for Land Surveyor licensure by examination, as provided by Section 34-11-4(3)a., b., and c. of the Licensure Law, were considered. Applications of those applying for Professional Land Surveyor licensure by examination having previously passed the Fundamentals of Land Surveying Examination and the Principles and Practice of Land Surveying Examination in Alabama or in another jurisdiction were considered and were approved for the Alabama Land Surveying Standards, History, and Law Examination.

- 15-163. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the Board ratify the approval of licenses issued since the July 29-30, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.
- 15-164. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the Board ratify the approval of Engineer Intern Certifications issued since the July 29-30, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #2**. MOTION CARRIED 6-0.
- 15-165. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board ratify the approval for examination those applicants approved since the July 29-30, 2015 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 6-0.
- 15-166. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board accepts for licensure by comity James G. Hall. MOTION CARRIED 6-0.
- 15-167. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde that the Board defers for licensure Thomas E. Emerson and Matthew G. Bell. MOTION CARRIED 6-0.
- 15-168. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy that the Board denies for licensure Mark Thomas Kilgore and Alexander Orman. MOTION CARRIED 6-0.
- 15-169. IT WAS MOVED by Ms. Hyde and seconded by Mr. Christy that the Board approves Kenneth Laurence Erdoes, Jr. and Arthur Palosz to sit for the examination. MOTION CARRIED 6-0.
- 15-170. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board denies Billy Alex McConathy to sit for the examination. MOTION CARRIED 5-0-1 with Mr. Christy abstaining.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2014-2015 statistics. There was a discussion about the time it was taking the investigative committee to make a decision as to whether there was probable cause to proceed on a few cases. Everyone was reminded that the goal that had been agreed upon was that the members of the investigative committee would have their inputs on an open case to the rest of the members of the investigative committee within 30 days of the case being sent out for review. The Board identified possible dates for the postponed July 2015 disciplinary hearing. Due to the number of witnesses, the case will still be heard in either Mobile or the Gulf Shores area. Two possible dates in January were identified. The final date will be based on discussions with the attorneys involved and the ALJ.

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been

compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved. Prior to the discussion of Case 2014-18-B Mr. Christy left the room and did not return until the vote had been taken on that particular case.

- 15-171. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to close Case 2014-18-B with a letter of reprimand. MOTION CARRIED 4-0 with Mr. Barter and Mr. Christy recused.
- 15-172. IT WAS MOVED by Mr. Barter and seconded by Ms. Hyde to close Case 2014-20-B with a letter of caution. MOTION CARRIED 5-0 with Mr. Christy recused.
- 15-173. IT WAS MOVED by Ms. Hyde and Mr. Johnson to close Case 2014-30-B with a letter of reprimand. MOTION CARRIED 5-0 with Mr. Barter recused.
- 15-174. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept the proposed consent order and issue the Final Order for Case 2015-07-B. It was determined that there was probable cause that Mr. Michael W. Solitro, PLS #32129 had produced a survey that contained violations of the standards of practice for land surveying in Alabama. The accepted terms of the Consent Order are that Mr. Solitro will pay a \$500 fine and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Johnson recused.
- 15-175. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to accept the proposed Consent Order and issue the Final Order for Case 2015-09-B. It was determined that there was probable cause that Mr. James Grey Joyce, PE #22248, had failed to provide the necessary documents during the 2014 renewal audit to show that he had obtained the necessary professional development hours necessary to renew. The accepted terms of the Consent Order are that Mr. Joyce will pay a \$500 fine, he will need to obtain 10 pdh to replace the course he reported on his license renewal application that did not meet the Board's criteria for professional development and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Barter recused.
- 15-176. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde to accept the proposed Consent Order and issue the Final Order for Cases 2015-12-C, 2015-17-C, 2015-23-C, and 2015-24-C. It was determined that there was probable cause that Mr. Gerry Hooper, an unlicensed individual and his firm, Pinnacle Home Inspections, had represented that he was a licensed structural engineer without being licensed as a professional engineer in Alabama when he offered or completed numerous structural inspections on private residences. The accepted terms of the Consent Order are that he will pay a \$6,688.75 civil penalty to the State General Fund, he will pay \$811.25 to the Board for the cost of the investigations, he will cease and desist identifying himself in any media as a professional engineer and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Christy recused.

- 15-177. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to accept the proposed Consent Order and issue the Final Order for Case 2015-22-C. It was determined that there was probable cause that Mr. William Gordin Hayes, EI and owner of Alabama Roof Engineers, had allowed the term "Engineers" in the firm's title without first obtaining a certificate of authorization from the Board. The accepted terms of the Consent Order are that a \$2,000 civil penalty be paid to the Alabama General Fund and that the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Barter recused.
- 15-178. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to accept the proposed Consent Order and issue the Final Order for Case 2015-30-C. It was determined that there was probable cause that Mr. Jay Jenkins, an unlicensed individual had offered and performed engineering when he produced a report that included structural stability conclusions and a general plan of repair on a private residence. The accepted terms of the Consent Order are that he will pay \$725 civil penalty to the Alabama General Fund, \$275 to the Board for the cost of the investigation, he agrees to cease and desist the practice of engineering in Alabama until such time as he receives a license to practice engineering from the Board, and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Ms. Hyde recused.
- 15-179. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to accept the proposed Consent Order and issue the Final Order for Case 2015-35-C. It was determined that there was probable cause that Mr. Robert Dryden, an unlicensed individual, advertised that he was a structural engineer. The accepted terms of the Consent Order are that he will pay \$1,500 civil penalty to the Alabama General Fund, he agrees to cease and desist identifying himself as a structural engineer or a professional engineer until such time as he obtains the required license, and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-0 with Mr. Barter recused.
- 15-180. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to close Case 2015-40-C with no action. MOTION CARRIED 5-0 with Mr. Grace recused.
- 15-181. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace to close Case 2015-43-B with no action. MOTION CARRIED 5-0 with Mr. Johnson recused.
- 15-182. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to close Case 2015-47-B with no action. MOTION CARRIED 5-0 with Mr. Barter recused.

The meeting was adjourned at 5:25 P.M. The meeting was reconvened at 8:00 A.M. on September 25, 2015 with the same board members present.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the July 2015 Board Meeting were reviewed.

- 15-183. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the July 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED 6-0.

The Board had a discussion about which Certificates of Authorization with exceptions should come before the Board. It was determined to continue to review all those that had exceptions. The Board then discussed the specific applications before the Board.

- 15-184. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to approve the applications for Wise Engineering Center LLC, Forward Consulting Inc., and Clinkscales Land Surveying LLC. MOTION CARRIED 6-0.

- 15-185. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to approve the application for LK&A Inc. MOTION CARRIED 6-0.

LEGISLATIVE – Ms. M. Elisabeth Hyde, Advisor

The Board was briefed on legislation that had been filed during the 2015 Special Session #2. The Governor called the special session to pass the General Fund Budget.

Discussion on the proposed changes to the Licensure Law was moved to the end of the meeting.

FINANCE – Mr. Richard Grace, Advisor

The financial reports for July and August 2015 were reviewed. Possible changes in revenues and expenses for FY2016 were briefed. The Board determined that it would continue to use the Attorney General's Office for legal support even though it was anticipated that the billing amount would change.

PERSONNEL – Mr. Marc Barter, Advisor

It was explained that the staff who fill merit positions received annual appraisals and that there have never been appraisals done for the executive and deputy directors' positions. It was the consensus of the Board that there should be appraisals done on all staff personnel. The Executive Director will be responsible for completing the appraisal on the Deputy Director and the Executive Assistant and the Board Chair will complete the appraisal on the Executive Director.

LAND SURVEYING – Mr. Frazier Christy, Advisor

The Board approved the results of the Alabama State Specific Surveying Examination given August 2015.

15-186. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson to accept to accept the Board's recommended cutoff score for the ALLS Examination, to approve the results of the ALLS Exam given August 28, 2015, to license the individuals who passed the ALLS Exam having previously passed the FLS and PLS Exams and further that the list of those issued licensure as a result of passing these examinations be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

Mr. Christy identified a concern he has about a brochure that he recently received from a continuing education provider and the quality of that education. His concerns are about the quality of the education since some of the sample questions have incorrect answers and the amount of hours being awarded at completion of the course. It was explained that even though courses and course providers are not preapproved that if it comes to the attention of the board that courses are questionable, the Board has intervened in the past. The Executive Director was instructed to notify the continuing education provider of the Board's concerns.

EXECUTIVE DIRECTOR'S REPORT

Upcoming in-state and out-of-state travel was discussed. The value gained by paying for booth registrations at the various society meetings was discussed. The Board voiced their concern over the increasing cost of vendor space and felt that more participants could be reached if the Board was given actual time on the program to make a presentation to the attendees. It was the decision of the Board that Board approval will be required to pay for vendor space at the engineering and surveying society meetings.

The Board approved the resubmission of Mr. Gerald Wilbanks for the NCEES Distinguished Service Award. The Executive Director will update this year's submission package and resubmit it to NCEES for their consideration.

The Board reviewed the renewal procedures for the upcoming renewal cycle and the communications received in the office about individuals still wanting a paper renewal. The staff was instructed that unless it was a hardship case all individuals are to use the on-line renewal system. The Board gave the board staff the authority to approve hardship cases without them being presented to the Board.

The proposed meeting dates for 2016 were discussed. Other travel for 2016 was also reviewed. It was noted that the Board believed that the Board should fund a table at the Engineering Hall of Fame dinner as it is a function of the Board to encourage licensure and to interact with the state's engineering community. The Executive Director will check as to what approval is needed from the Comptroller's office.

15-187. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to adopt the proposed 2016 Board Meeting Calendar. MOTION CARRIED 6-0.

CORRESPONDENCE

The Board considered a request from Mr. Keith Maxwell who was asking if the online marketing process he is using could be considered as being in violation of the Board's Code of Ethics. It was the Board's opinion that if Mr. Maxwell was paid a flat fee then that was the same as paying for advertisement and was not in violation of the Code of Ethics. If Mr. Maxwell is paid a percentage of the work found for his client then it is the Board's opinion that he would be in violation of the Code of Ethics. The difference in the two scenarios is that in the first scenario it is anticipated that work is going to be obtained where as in the second scenario it could be construed that the engineer or land surveyor who obtains the work is promise to pay a commission for work.

OPEN FORUM

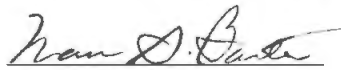

No additional comments made during the open forum.

LEGISLATIVE – Ms. M. Elisabeth Hyde, Advisor

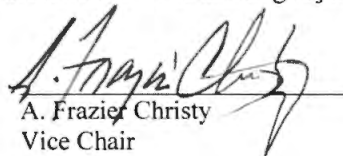

With all other business before the Board concluded, the Board discussed the proposed law changes and the comments received either as a result of the town hall meetings held throughout the state or the webinars that had been held. Discussions were at the concept level not on actual language. Once the concepts were addressed, the Executive Director was instructed to provide an updated version of the draft. The individuals who have provided comments will be notified of the Board's decisions.

CLOSING REMARKS

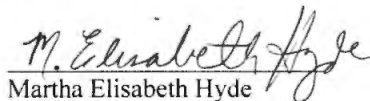

The next meeting of the Board for board business is scheduled for Wednesday, November 4, 2015 at the Board Office in Montgomery, Alabama beginning at 1:00 P.M. The meeting adjourned at 2:10 P.M.

**MINUTES OF FIRST MEETING
2015-2016 BOARD OF LICENSURE
FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS
Montgomery, Alabama
November 4-5, 2015**

Chair Barter called the first meeting of the 2015-2016 Board to order at 2:30 P.M., Wednesday, November 4, 2015 at the at the Board Office in Montgomery, Alabama. The following were in attendance:

Officers and Members Present:

Marc. S. Barter	Chair
A. Frazier Christy	Vice Chair
M. Elisabeth Hyde	Secretary
Richard G. Grace	Member (arrived late)
Nathan G. Johnson	Member
Randall D. Whorton	Member

Members Absent:

Charles P. Willis	Member
-------------------	--------

Staff Present:

Regina A. Dinger	Executive Director
William R. Huett	Assistant Executive Director
Bonnie Kelly	Executive Secretary
Benjamin Albritton	Board Attorney

It was determined that a quorum was present. The meeting was opened with a prayer.

The proposed meeting agenda was reviewed.

16-001. IT WAS MOVED by Mr. Johnson and seconded by Mr. Christy to adopt the proposed agenda. MOTION CARRIED 5-0.

Minutes of the sixth meeting of the 2014-2015 Board were received for approval.

16-002. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson that the minutes of the sixth meeting of the 2014-2015 Board held September 24-25, 2015 be approved as corrected. MOTION CARRIED 5-0.

Due to the lateness of the start of the meeting from the posted time the public present at the meeting were invited to make comments if they chose to do so. Mr. Jacob Pierce took the opportunity to update the Board on the efforts being made in the GIS community to develop a statewide GIS architectural plan and Virtual Alabama. He thanked the Board for its involvement in these efforts.

Mr. Grace arrived.

Action items from previous board meetings were reviewed. During the review of the open action items a discussion was made on how technical reviews and the monitoring reviews should be accomplished. It was suggested that a RFQ be developed to see if anyone was interested in the providing the review services and at what cost. It was determined that the respective board members should be queried to determine if the board member was going to do the review or if it should be sent to a technical advisor. The Executive Director was tasked to determine if additional liability insurance coverage could be obtained that would cover board members, board staff, volunteer tech advisors, and contracted tech advisors.

APPLICATIONS – Mr. Nathan Johnson, Advisor

The Board previously authorized the Executive Director to approve applications for licensure, intern certification, and examinations if the application is in order and all requirements have been met. All applications for licensure, intern certification and examinations issued since the September 24-25, 2015 Board Meeting were reviewed.

Applications of those applying for Professional Engineer licensure by comity, as provided by Section 34-11-4(1)(b) of the Licensure Law, were considered.

Applications of those applying for Professional Engineer licensure by examination, as provided by Section 34-11-4(1)a. and b. of the Licensure Law having previously passed the FE Examination in Alabama or in another jurisdiction, were considered.

16-003. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board ratify the approval of licenses issued since the September 24-25, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #1**. MOTION CARRIED 6-0.

16-004. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board ratify the approval of Engineer Intern Certifications issued since the September 24-25, 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #2**. MOTION CARRIED 6-0.

16-005. IT WAS MOVED by Ms. Hyde and seconded by Mr. Johnson that the Board ratify the approval for examination those applicants approved since the September 24-25, 2015 meeting and listed as approved on **Attachment #3**. MOTION CARRIED 6-0.

16-006. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board defers for licensure Tres James Warner and Jonathan David Gentry. MOTION CARRIED 6-0.

16-007. IT WAS MOVED by Mr. Johnson and seconded by Ms. Hyde that the Board denies for licensure Erika Lee Bolger. MOTION CARRIED 6-0.

16-008. IT WAS MOVED by Mr. Johnson and seconded by Mr. Grace that the Board approves Stephen Edward Sweeney and Samuel Dwight Bledsoe to sit for the professional engineering examination. MOTION CARRIED 6-0.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed the status of the files pending with the Board, the Investigator, and/or the Investigative Committee. The Board was briefed on the 2014-2015 statistics. The logistics for the January and February Board meetings was discussed. The January meeting will consist of the hearing postponed from July and a normal board agenda. If time does not permit the entire agenda being handled, the non time sensitive items will be carried over to the February meeting. Also included on the agenda for the February meeting is another disciplinary hearing.

CORRESPONDENCE

Prior to adjourning for the day, the Board discussed the request that had been made by Mr. John Sims that involved a scenario where the right of entry for professional land surveyors had been used. Mr. Sims was questioning as to whether or not a county department could access private property to perform surveying in association with the development of easements. Mr. Sims in his scenario identified that the surveyors had notified the property owner of the need for access. The Board determined that the notification provided the standard of care required under Section 34-11-2(d), Code of Alabama. The Board could not provide an answer to the whether the continuance of the survey crew to enter the property after having been told to leave was considered trespassing since that would be a legal determination which was not in the Board's authority to render.

The Board adjourned at 5:25 P.M. The Board reconvened on November 5, 2015 at 8:00 A.M with all members being present.

LAW ENFORCEMENT – Ms. M. Elisabeth Hyde, Advisor

The Board reviewed pending cases that the investigative committees have completed to accept, modify, or reject the suggested courses of action. Cases that are being recommended for closure or where they are recommendations from the investigative committee are discussed in a sanitized format so that in the event the Board suggests another course of action that the due process of the investigation has not been compromised. Respondent's information is not divulged until after a proposed consent order is accepted and a final order is approved.

16-009. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to accept the proposed consent order and issue the Final Order for Case 2014-28-B. It was determined that there was probable cause that Mr. James C. Traywick, PE #4937, and Shook & Fletcher Mechanical Contractors Inc., CA-175-E had offered and performed engineering services during the time the personal license was lapsed and the company certificate of authorization for engineering was lapsed and expired. The accepted terms of the Consent Order are that Mr. Traywick will pay a \$2,000 fine, Mr. Traywick's PE license will be

suspended for six months with that suspension being stayed, and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 6-0 with Mr. Grace recused.

16-010. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to close Case 2015-27-B with no formal action. MOTION CARRIED 6-0 with Mr. Willis recused.

16-011. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to accept the proposed consent order and issue the Final Order for Case 2015-42-B. It was determined that there was probable cause that Mr. Robert Unger, PE# 15347 had not obtained the continuing education courses in a legal manner that he had claimed on his 2015 licensure renewal. During the investigation Mr. Unger acknowledged that he had sat in on courses without paying for the courses by taking a nametag that had not been picked up. The accepted terms of the Consent Order are that will pay a \$1,500 fine, he must provide documentation that indicates he has completed the required professional development hours prior to December 1, 2015, he acknowledges that he cannot use the hours gained to meet the Consent Order requirement for the PDH renewal requirement for 2016, his professional engineer's license is suspended until he provides the documentation that he has completed the required courses, he will cease and desist attending professional development activities without providing the required payment and the Consent Order and Final Order will become a public record. The Board accepted the Consent Order and issued the Final Order. MOTION CARRIED 5-1 with Mr. Whorton recused and Mr. Barter voting in the negative.

16-012. IT WAS MOVED by Mr. Willis and seconded by Ms. Hyde to close Case 2015-46-C with no formal action. MOTION CARRIED 6-0 with Mr. Christy recused.

16-013. IT WAS MOVED by Mr. Christy and seconded by Mr. Willis to close Case 2015-06-C with no formal action. MOTION CARRIED 6-0 with Mr. Whorton recused.

NEW BUSINESS

16-014. IT WAS MOVED by Mr. Christy and seconded by Mr. Johnson to go into closed session to discuss pending litigation. MOTION CARRIED with Mr. Barter, Mr. Christy, Ms. Hyde, Mr. Grace, Mr. Johnson, Mr. Whorton, and Mr. Willis voting in the affirmative.

Mr. Albritton, Board Attorney, confirmed that the reason for going into an executive session was valid. Chair Barter identified that the executive session would last till approximately 9:30 A.M. The Board went into executive session at 9:00 A.M. and came out of executive session at 9:30 A.M.

16-015. IT WAS MOVED by Ms. Hyde and seconded by Mr. Willis to have Mr. Albritton file an appeal in regards to the case against Omni Fire. MOTION CARRIED 5-2 with Mr. Johnson and Mr. Grace voting in the negative.

16-016. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to work with the State Fire Marshall to seek an amendment to Section 34-33-a10 to clarify that there must be PE sealed drawings in the submission process. MOTION CARRIED UNANIMOUS.

CERTIFICATES OF AUTHORIZATION – Mr. Marc S. Barter, Advisor

The Board previously authorized the Executive Director to issue certificates of authorization to applying firms if the application is in order and all requirements have been met. A list of the certificate of authorizations issued since the September 2015 Board Meeting were reviewed.

16-017. IT WAS MOVED by Mr. Christy and seconded by Mr. Grace that the Board ratify the approval of the Engineering and Land Surveying Certificates of Authorization issued since the September 2015 Board Meeting and that the list of those issued be included in the minutes on **Attachment #4**. MOTION CARRIED UNANIMOUS.

The Board discussed the Certificate of Authorization application that had exceptions.

16-018. IT WAS MOVED by Mr. Willis and seconded by Mr. Johnson to approve the application for Acertus Consulting Group LLC. MOTION CARRIED UNANIMOUS.

FINANCE – Mr. Richard Grace, Advisor

The financial report for September 2015 was reviewed.

The Board reviewed and approved the proposed budget for FY 2016-2017.

16-019. IT WAS MOVED by Mr. Christy and seconded by Ms. Hyde to ratify the proposed FY 2016-2017 budget. MOTION CARRIED UNANIMOUS.

EXECUTIVE DIRECTOR'S REPORT

The Executive Director briefed the changes to the Attorney General's Memorandum for Legal Service Coverage. It was noted that the Board will now be paying for legal services on an hourly rate.

16-020. IT WAS MOVED by Mr. Johnson and seconded by Mr. Willis to approve the October 1, 2015 – September 30, 2016 Attorney General Interagency Agreement. MOTION CARRIED UNANIMOUS.

UNFINISHED BUSINESS

The Board was briefed on the meeting that was held to discuss the problems that the Association of County Engineers had with the Board's position on what should not be contained on subdivision plats. An agreement between the parties had been reached and an official opinion of the Board was being drafted to reflect that decision. The draft opinion will be reviewed by all parties in the meeting prior to being presented to the full Board for their consideration.

Mr. Christy provided an interim report from the Surveying Task Force. The task force had met twice to identify the action items for the task force and to develop suggested language that could resolve the issues the land surveyors were having with the quality based selection (QBS) process. The Board

reviewed the proposed language that had been developed by the committee and had been briefed to those present at the ASPLS October conference lunch. It was the opinion of board members that the language drafted would not solve the problems identified and may cause more harm than good. Efforts of the task force will continue. The Board concurred with the proposed changes to the definition of practice of surveying and agreed it to include them in the proposed law changes.

CORRESPONDENCE

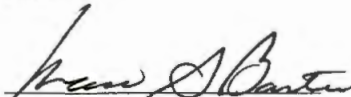

The Board reviewed publications that required no action.

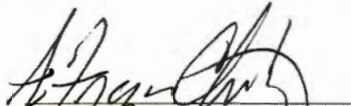

OPEN FORUM

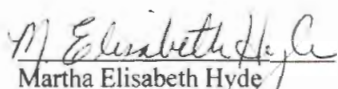

No additional comments made during the open forum.

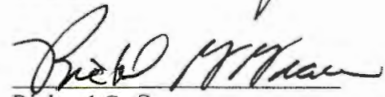

CLOSING REMARKS

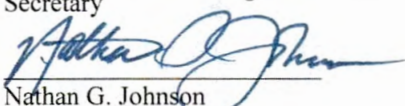

The next meeting of the Board for board business is scheduled for Tuesday, January 12, 2016 at the Airport Marriott Hotel in Mobile, Alabama beginning at 8:30 A.M. The meeting adjourned at 12:15 P.M.
