Campaign Contribution and Solicitation Limitations

This Contract (the "Contract") is made as of the Effective Date shown on the contract award form, number SP-38 corresponding to the subject procurement and is by and between, the contractor identified on such Form SP-38 (the "Contractor,") which is attached and shall be considered a part of this Contract, with a principal place of business as indicated on the signature page form, number SP-26, acting by the duly authorized representative as indicated on the SP-26, and the State of Connecticut, Department of Administrative Services ("DAS"), with a principal place of business at 450 Columbus Boulevard, Hartford, Connecticut 06103, acting by Devin Marquez, its Assistant Procurement Director, in accordance with Sections 4a-2 and 4a-51 of the Connecticut General Statutes.

Now therefore, in consideration of these presents, and for other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the Contractor and the State agree as follows:

1. Definitions. Unless otherwise indicated, the following terms shall have the following corresponding definitions:
 - (a) Bid: A submittal in response to an Invitation to Bid.
 - (b) Claims: All actions, suits, claims, demands, investigations and proceedings of any kind, open, pending or threatened, whether mature, unmaturred, contingent, known or unknown, at law or in equity, in any forum.
 - (c) Client Agency: Any department, commission, board, bureau, agency, institution, public authority, office, council, association, instrumentality or political subdivision of the State of Connecticut, as applicable, who is authorized and chooses to make purchases under, and pursuant to the terms and conditions of, this Contract.
 - (d) Confidential Information: This shall mean any name, number or other information that may be used, alone or in conjunction with any other information, to identify a specific individual including, but not limited to, such individual's name, date of birth, mother's maiden name, motor vehicle operator's license number, Social Security number, employee identification number, employer or taxpayer identification number, alien registration number, government passport number, health insurance identification number, demand deposit account number, savings account number, credit card number, debit card number or unique biometric data such as fingerprint, voice print, retina or iris image, or other unique physical representation. Without limiting the foregoing, Confidential Information shall also include any information that the Client Agency or DAS classifies as "confidential" or "restricted." Confidential Information shall not include information that may be lawfully obtained from publicly available sources or from federal, state, or local government records which are lawfully made available to the general public.
 - (e) Confidential Information Breach: This shall mean, generally, an instance where an unauthorized person or entity accesses Confidential Information in any manner, including but not limited to the following occurrences: (1) any Confidential Information that is not encrypted or protected is misplaced, lost, stolen or in any way compromised; (2) one or more third parties have had access to or taken control or possession of any Confidential Information that is not encrypted or protected without prior written authorization from the State; (3) the unauthorized acquisition of encrypted or protected Confidential Information together with the confidential process or key that is capable of compromising the integrity

Campaign Contribution and Solicitation Limitations

This Contract (the "Contract") is made as of August 1, 2017 (the "Effective Date") shown on the contract award form, number SP-38 corresponding to the subject procurement and is by and between, the contractor identified on such Form SP-38 (the "Contractor,") which is attached and shall be considered a part of this Contract, with a principal place of business as indicated on the signature page form, number SP-26, acting by the duly authorized representative as indicated on the SP-26, and the State of Connecticut, Department of Administrative Services ("DAS"), with a principal place of business at 450 Columbus Boulevard, Hartford, Connecticut 06103, acting by Jill Belisle, its Contract Specialist, in accordance with Sections 4a-2 and 4a-51 of the Connecticut General Statutes.

Now therefore, in consideration of these presents, and for other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the Contractor and the State agree as follows:

1. Definitions. Unless otherwise indicated, the following terms shall have the following corresponding definitions:
 - (a) Bid: A submittal in response to an Invitation to Bid.
 - (b) Claims: All actions, suits, claims, demands, investigations and proceedings of any kind, open, pending or threatened, whether mature, unmatured, contingent, known or unknown, at law or in equity, in any forum.
 - (c) Client Agency: Any department, commission, board, bureau, agency, institution, public authority, office, council, association, instrumentality or political subdivision of the State of Connecticut, as applicable, who is authorized and chooses to make purchases under, and pursuant to the terms and conditions of, this Contract.
 - (d) Confidential Information: This shall mean any name, number or other information that may be used, alone or in conjunction with any other information, to identify a specific individual including, but not limited to, such individual's name, date of birth, mother's maiden name, motor vehicle operator's license number, Social Security number, employee identification number, employer or taxpayer identification number, alien registration number, government passport number, health insurance identification number, demand deposit account number, savings account number, credit card number, debit card number or unique biometric data such as fingerprint, voice print, retina or iris image, or other unique physical representation. Without limiting the foregoing, Confidential Information shall also include any information that the Client Agency or DAS classifies as "confidential" or "restricted." Confidential Information shall not include information that may be lawfully obtained from publicly available sources or from federal, state, or local government records which are lawfully made available to the general public.
 - (e) Confidential Information Breach: This shall mean, generally, an instance where an unauthorized person or entity accesses Confidential Information in any manner, including but not limited to the following occurrences: (1) any Confidential Information that is not encrypted or protected is misplaced, lost, stolen or in any way compromised; (2) one or more third parties have had access to or taken control or possession of any Confidential Information that is not encrypted or protected without prior written authorization from the State; (3) the unauthorized acquisition of encrypted or protected Confidential Information together with the confidential process or key that is capable of compromising the integrity

of the Confidential Information; or (4) if there is a substantial risk of identity theft or fraud to the Client Agency, the Contractor, DAS or State.

- (f) Contract: The agreement, as of its Effective Date, between the Contractor and the State for any or all Goods or Services at the Bid price.
- (g) Contractor: A person or entity who submits a Bid and who executes a Contract.
- (h) Contractor Parties: A Contractor's members, directors, officers, shareholders, partners, managers, principal officers, representatives, agents, servants, consultants, employees or any one of them or any other person or entity with whom the Contractor is in privity of oral or written contract and the Contractor intends for such other person or entity to Perform under the Contract in any capacity.
- (i) Day: All calendar days other than Saturdays, Sundays and days designated as national or State of Connecticut holidays upon which banks in Connecticut are closed.
- (j) Force Majeure: Events that materially affect the cost of the Goods or Services or the time schedule within which to Perform and are outside the control of the party asserting that such an event has occurred, including, but not limited to, labor troubles unrelated to the Contractor, failure of or inadequate permanent power, unavoidable casualties, fire not caused by the Contractor, extraordinary weather conditions, disasters, riots, acts of God, insurrection or war.
- (k) Goods: For purposes of the Contract, all things which are movable at the time that the Contract is effective and which include, without limiting this definition, supplies, materials and equipment, as specified in the Invitation to Bid and set forth in Exhibit A.
- (l) Goods or Services: Goods, Services or both, as specified in the Invitation to Bid and set forth in Exhibit A.
- (m) Invitation to Bid: A State request inviting bids for Goods or Services. This Contract shall be governed by the statutes, regulations and procedures of the State of Connecticut, Department of Administrative Services.
- (n) Records: All working papers and such other information and materials as may have been accumulated by the Contractor in performing the Contract, including but not limited to, documents, data, plans, books, computations, drawings, specifications, notes, reports, records, estimates, summaries and correspondence, kept or stored in any form.
- (o) Services: The performance of labor or work, as specified in the Invitation to Bid and set forth in Exhibit A.
- (p) State: The State of Connecticut, including DAS, the Client Agency and any office, department, board, council, commission, institution or other agency of the State.
- (q) Termination: An end to the Contract prior to the end of its term whether effected pursuant to a right which the Contract creates or for a breach.
- (r) Title: all ownership, title, licenses, rights and interest, including, but not limited to, perpetual use, of and to the Goods or Services.

2. Term of Contract; Contract Extension. The Contract will be in effect from August 1, 2017 through July 31, 2022.
DAS, in its sole discretion, may extend this Contract for additional terms beyond the original term, prior to Termination or expiration, one or more times for a combined total period not to exceed the complete length of the original term.
3. Description of Goods or Services and Additional Terms and Conditions. The Contractor shall perform as set forth in Exhibit A. For purposes of this Contract, to perform and the performance in Exhibit A is referred to as "Perform" and the "Performance."
4. Price Schedule, Payment Terms and Billing, and Price Adjustments.
 - (a) Price Schedule: Price Schedule under this Contract is set forth in Exhibit B.
 - (b) Payment Terms and Billing:
 - (1) Payment shall be made only after the Client Agency receives and accepts the Goods or Services and after it receives a properly completed invoice. Unless otherwise specified in the Contract, payment for all accepted Goods or Services shall be due within forty-five (45) days after acceptance of the Goods or Services, or thirty (30) days if the Contractor is a certified small contractor or minority business enterprise as defined in Conn. Gen. Stat. § 4a-60g. The Contractor shall submit an invoice to the Client Agency for the Performance. The invoice shall include detailed information for Goods or Services, delivered and Performed, as applicable, and accepted. Any late payment charges shall be calculated in accordance with the Connecticut General Statutes.
 - (2) THE STATE SHALL MAKE ALL PAYMENTS TO THE CONTRACTOR THROUGH ELECTRONIC FUNDS TRANSFER VIA THE AUTOMATED CLEARING HOUSE ("ACH"). CONTRACTOR SHALL ENROLL IN ACH THROUGH THE OFFICE OF THE STATE COMPTROLLER PRIOR TO SENDING ANY INVOICE TO THE STATE. THE CONTRACTOR MAY OBTAIN DETAILED INFORMATION REGARDING ACH AT: [HTTP://WWW.OSC.CT.GOV/VENDOR/DIRECTDEPOSIT.HTML](http://www.osc.ct.gov/vendor/directdeposit.html).
 - (c) Notwithstanding any language regarding Contractor price increases herein, the Price Schedule will be adjusted to reflect any increase in the minimum wage rate that may occur during the term of this Contract as mandated by State law and in accordance with the terms of this section. Contractor shall provide documentation, in the form of certified payroll or other documentation acceptable to the State, substantiating the amount of any increase in Contractor labor costs as a result of changes to the minimum wage rate within ninety (90) days of the statutorily identified effective date of any increase in the minimum wage. Upon receipt, and verification of Contractor documentation DAS shall adjust the Price Schedule accordingly through a supplement to this Contract.
 - (d) Price Adjustments:

Prices for the Goods or Services listed in Exhibit B shall remain unchanged for twelve (12) months following the Effective Date of the Contract. The Contractor shall have the right to request a price adjustment only during the thirty (30) days immediately preceding the annual anniversary dates of the Effective Date of the Contract during the term of the Contract. During this thirty (30) day period, the Contractor may submit a request in writing to DAS for a price adjustment that is consistent with and relative to price changes originating with and compelled by manufacturer and/or market trends and which changes are outside of the Contractor's control. The Contractor must fully document its request, attaching to the request, without limitation, such manufacturer and market data, as support

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

the requested adjustment. DAS may, in its sole discretion, approve or disapprove the requested adjustment, in whole or in part. Any approved adjustment shall be final and shall remain unchanged until the next annual anniversary date of the Effective Date of the Contract.

The Contractor shall submit all requests in accordance with Section #36. Notice. A request made to the Client Agency shall not be valid and the parties shall treat it as if the Contractor had not made the request at all. A request made to the Client Agency shall not be considered timely and shall not toll or extend the running of the thirty (30) days. The right of the Contractor to request a particular price adjustment shall lapse upon the expiration of the applicable thirty (30) days. If the Contractor fails to make a timely request, then the price shall remain unchanged from the previous year and shall continue through the next succeeding twelve (12) months and until the second annual anniversary of the Effective Date of the Contract, if approved, price adjustments shall become effective ten (10) days after the date of the approval. The Contractor shall honor any purchase orders issued prior to the effective date of the approval at the price in effect at the time of the issuance of the purchase order.

5. Rejected Items; Abandonment.

(a) The Contractor may deliver, cause to be delivered, or, in any other way, bring or cause to be brought, to any State premises or other destination, Goods, as samples or otherwise, and other supplies, materials, equipment or other tangible personal property. The State may, by written notice and in accordance with the terms and conditions of the Contract, direct the Contractor to remove any or all such Goods ("the "Rejected Goods") and any or all other supplies, materials, equipment or other tangible personal property (collectively, the "Contractor Property") from and out of State premises and any other location which the State manages, leases or controls. The Contractor shall remove the Rejected Goods and the Contractor Property in accordance with the terms and conditions of the written notice. Failure to remove the Rejected Goods or the Contractor Property in accordance with the terms and conditions of the written notice shall mean, for itself and all Contractor Parties, that:

- (1) they have voluntarily, intentionally, unconditionally, unequivocally and absolutely abandoned and left unclaimed the Rejected Goods and Contractor Property and relinquished all ownership, title, licenses, rights, possession and interest of, in and to (collectively, "Title") the Rejected Goods and Contractor Property with the specific and express intent of (A) terminating all of their Title to the Rejected Goods and Contractor Property, (B) vesting Title to the Rejected Goods and Contractor Property in the State of Connecticut and (C) not ever reclaiming Title or any future rights of any type in and to the Rejected Goods and Contractor Property;
- (2) there is no ignorance, inadvertence or unawareness to mitigate against the intent to abandon the Rejected Goods or Contractor Property;
- (3) they vest authority, without any further act required on their part or the State's part, in the Client Agency and the State to use or dispose of the Rejected Goods and Contractor Property, in the State's sole discretion, as if the Rejected Goods and Contractor Property were the State's own property and in accordance with law, without incurring any liability or obligation to the Contractor or any other party;

Contract # 17PSX0090

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

- (4) if the State incurs any costs or expenses in connection with disposing of the Rejected Goods and Contractor Property, including, but not limited to, advertising, moving or storing the Rejected Goods and Contractor Property, auction and other activities, the State shall invoice the Contractor for all such cost and expenses and the Contractor shall reimburse the State no later than thirty (30) days after the date of invoice; and
- (5) they do remise, release and forever discharge the State and its employees, departments, commissions, boards, bureaus, agencies, instrumentalities or political subdivisions and their respective successors, heirs, executors and assigns (collectively, the "State and Its Agents") of and from all Claims which they and their respective successors or assigns, jointly or severally, ever had, now have or will have against the State and Its Agents arising from the use or disposition of the Rejected Goods and Contractor Property.
- (b) The Contractor shall secure from each Contractor Party, such document or instrument as necessary or appropriate as will vest in the Contractor plenary authority to bind the Contractor Parties to the full extent necessary or appropriate to give full effect to all of the terms and conditions of this section. The Contractor shall provide, no later than fifteen (15) days after receiving a request from the State, such information as the State may require to evidence, in the State's sole determination, compliance with this section.
6. Order and Delivery. The Contract shall bind the Contractor to furnish and deliver the Goods or Services in accordance with Exhibit A and at the prices set forth in Exhibit B. Subject to the sections in this Contract concerning Force Majeure, Termination and Open Market Purchases, the Contract shall bind the Client Agency to order the Goods or Services from the Contractor, and to pay for the accepted Goods or Services in accordance with Exhibit B.
7. Contract Amendments. No amendment to or modification or other alteration of the Contract shall be valid or binding upon the State unless made in writing, signed by both parties and, if applicable, approved by the Connecticut Attorney General.
8. Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of DAS. DAS may void any purported assignment in violation of this section and declare the Contractor in breach of Contract. Any Termination by DAS for a breach is without prejudice to DAS's or the State's rights or possible Claims.
9. Termination.
- (a) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may Terminate the Contract whenever DAS makes a written determination that such Termination is in the best interests of the State. DAS shall notify the Contractor in writing of Termination pursuant to this section, which notice shall specify the effective date of Termination and the extent to which the Contractor must complete its Performance under the Contract prior to such date.
- (b) Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may, after making a written determination that the Contractor has breached the Contract, Terminate the Contract in accordance with the provisions in the Breach section of this Contract.

Contract # 17PSX0090

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

- (c) DAS shall send the notice of Termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to DAS for purposes of correspondence, or by hand delivery. Upon receiving the notice from DAS, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to the Client Agency all Records. The Records are deemed to be the property of the Client Agency and the Contractor shall deliver them to the Client Agency no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from either DAS or the Client Agency for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
 - (d) Upon receipt of a written notice of Termination from DAS, the Contractor shall cease operations as DAS directs in the notice, and take all actions that are necessary or appropriate, or that DAS may reasonably direct, for the protection, and preservation of the Goods and any other property. Except for any work which DAS directs the Contractor to Perform in the notice prior to the effective date of Termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
 - (e) The Client Agency shall, within forty-five (45) days of the effective date of Termination, reimburse the Contractor for its Performance rendered and accepted by the Client Agency in accordance with Exhibit A, in addition to all actual and reasonable costs incurred after Termination in completing those portions of the Performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Client Agency is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by DAS or the Client Agency, as applicable, the Contractor shall assign to DAS or the Client Agency, or any replacement contractor which DAS or the Client Agency designates, all subcontracts, purchase orders and other commitments, deliver to DAS or the Client Agency all Records and other information pertaining to its Performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its Performance, all as DAS or the Client Agency may request.
 - (f) For breach or violation of any of the provisions in the section concerning Representations and Warranties, DAS may Terminate the Contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.
 - (g) Upon Termination of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.
 - (h) Termination of the Contract pursuant to this section shall not be deemed to be a breach of contract by DAS.
10. Cost Modifications. The parties may agree to a reduction in the cost of the Contract at any time during which the Contract is in effect. Without intending to impose a limitation on the

Contract # 17PSX0090

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

nature of the reduction, the reduction may be to hourly, staffing or unit costs, the total cost of the Contract or the reduction may take such other form as the State deems to be necessary or appropriate.

11. Breach. If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of such breach to the breaching party and afford the breaching party an opportunity to cure the breach within ten (10) days from the date that the breaching party receives such notice. Any other time provided for in the notice shall trump such ten (10) days. Such right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract Termination date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the Termination date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Contract Termination date, then the non-breaching party may Terminate the Contract by giving the breaching party no less than twenty four (24) hours' prior written notice. If DAS believes that the Contractor has not performed according to the Contract, the Client Agency may withhold payment in whole or in part pending resolution of the Performance issue, provided that DAS notifies the Contractor in writing prior to the date that the payment would have been due in accordance with Exhibit B.

12. Waiver.

- (a) No waiver of any breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity.
- (b) A party's failure to insist on strict performance of any provision of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of Performance and shall not be deemed to be a waiver of any subsequent rights, remedies or breach.

13. Open Market Purchases. Failure of the Contractor to Perform within the time specified in the Contract, or failure to replace rejected or substandard Goods or fulfill unperformed Services when so requested and as the Contract provides or allows, constitutes a breach of the Contract and as a remedy for such breach, such failure shall constitute authority for DAS, if it deems it to be necessary or appropriate in its sole discretion, to Terminate the Contract and/or to purchase on the open market, Goods or Services to replace those which have been rejected, not delivered, or not Performed. The Client Agency shall invoice the Contractor for all such purchases to the extent that they exceed the costs and expenses in Exhibit B and the Contractor shall pay the Client Agency's invoice immediately after receiving the invoice. If DAS does not Terminate the Contract, the Client Agency will deduct such open market purchases from the Contract quantities. However, if the Client Agency deems it to be in the best interest of the State, the Client Agency may accept and use the Goods or Services delivered which are substandard in quality, subject to an adjustment in price to be determined by the Client Agency.

14. Purchase Orders.

Contract # 17PSX0090

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

- (a) The Contract itself is not an authorization for the Contractor to ship Goods or begin Performance in any way. The Contractor may begin Performance only after it has received a duly issued purchase order against the Contract for Performance.
- (b) The Client Agency shall issue a purchase order against the Contract directly to the Contractor and to no other party.
- (c) All purchase orders shall be in written or electronic form, bear the Contract number (if any) and comply with all other State and Client Agency requirements, particularly the Client Agency's requirements concerning procurement. Purchase orders issued in compliance with such requirements shall be deemed to be duly issued.
- (d) A Contractor making delivery without a duly issued purchase order in accordance with this section does so at the Contractor's own risk.
- (e) The Client Agency may, in its sole discretion, deliver to the Contractor any or all duly issued purchase orders via electronic means only, such that the Client Agency shall not have any additional obligation to deliver to the Contractor a "hard copy" of the purchase order or a copy bearing any hand-written signature or other "original" marking.

15. Indemnification.

- (a) The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the "Acts") of the Contractor or Contractor Parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, arising, directly or indirectly, in connection with Claims, Acts or the Contract. The Contractor shall use counsel reasonably acceptable to the State in carrying out its obligations under this section. The Contractor's obligations under this section to indemnify, defend and hold harmless against Claims includes Claims concerning confidentiality of any part of or all of the Contractor's bid, proposal or any Records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the Performance.
- (b) The Contractor shall not be responsible for indemnifying or holding the State harmless from any liability arising due to the negligence of the State or any other person or entity acting under the direct control or supervision of the State.
- (c) The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any Contractor Parties. The State shall give the Contractor reasonable notice of any such Claims.
- (d) The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the Claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the Claims.
- (e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general

liability insurance to satisfy its obligations under this Contract. The Contractor shall cause the State to be named as an additional insured on the policy and shall provide (1) a certificate of insurance, (2) the declaration page and (3) the additional insured endorsement to the policy to DAS all in an electronic format acceptable to DAS prior to the Effective Date of the Contract evidencing that the State is an additional insured. The Contractor shall not begin Performance until the delivery of these 3 documents to DAS. Contractor shall provide an annual electronic update of the 3 documents to DAS on or before each anniversary of the Effective Date during the Contract Term. State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that State is contributorily negligent.

(f) This section shall survive the Termination of the Contract and shall not be limited by reason of any insurance coverage.

16. Forum and Choice of Law. The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any Claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

17. Contractor Guaranties. Contractor shall:

- (a) Perform fully under the Contract;
- (b) Guarantee the Goods or Services against defective material or workmanship and to repair any damage or marring occasioned in transit or, at the Client Agency's option, replace them;
- (c) Furnish adequate protection from damage for all work and to repair damage of any kind, for which its workers are responsible, to the premises, Goods, the Contractor's work or that of Contractor Parties;
- (d) With respect to the provision of Services, pay for all permits, licenses and fees and give all required or appropriate notices;
- (e) Adhere to all Contractual provisions ensuring the confidentiality of Records that the Contractor has access to and are exempt from disclosure under the State's Freedom of Information Act or other applicable law; and
- (f) Neither disclaim, exclude nor modify the implied warranties of fitness for a particular purpose or of merchantability.

18. Implied Warranties. DAS does not disclaim, exclude or modify the implied warranty of fitness for a particular purpose or the warranty of merchantability.

19. Goods, Standards and Appurtenances. Any Goods delivered must be standard new Goods, latest model, except as otherwise specifically stated in the Contract. Remanufactured, refurbished or reconditioned equipment may be accepted but only to the extent allowed under the Contract. Where the Contract does not specifically list or describe any parts or nominal appurtenances of equipment for the Goods, it shall be understood that the Contractor shall deliver such equipment and appurtenances as are usually provided with the manufacturer's stock model.
20. Delivery.
- (a) Delivery shall be made as ordered and in accordance with the Contract. Unless otherwise specified in the Contract, delivery shall be to a loading dock or receiving platform. The Contractor or Contractor's shipping designee shall be responsible for removal of Goods from the carrier and placement on the Client Agency loading dock or receiving platform. The receiving personnel of the Client Agency are not required to assist in this process. The decision of DAS as to reasonable compliance with delivery terms shall be final and binding. The burden of proof of proper receipt of the order shall rest with the Contractor.
 - (b) In order for the time of delivery to be extended, the Client Agency must first approve a request for extension from the time specified in the Contract, such extension applying only to the particular item or shipment.
 - (c) Goods shall be securely and properly packed for shipment, according to accepted standard commercial practice, without extra charge for packing cases, baling or sacks. The containers shall remain the property of the Client Agency unless otherwise stated in the Contract.
 - (d) All risk of loss and damage to the Goods transfers to the Client Agency upon Title vesting in the Client Agency.
21. Goods Inspection. The Commissioner of DAS, in consultation with the Client Agency, shall determine the manner and prescribe the inspection of all Goods and the tests of all samples submitted to determine whether they comply with all of the specifications in the Contract. If any Goods fail in any way to meet the specifications in the Contract, the Client Agency or the Commissioner of DAS may, in its sole discretion, either reject it and owe nothing or accept it and pay for it on an adjusted price basis, depending on the degree to which the Goods meet the specifications. Any decision pertaining to any such failure or rejection shall be final and binding.
22. Emergency Standby for Goods and/or Services. If any Federal or State official, having authority to do so, declares an emergency or the occurrence of a natural disaster within the State of Connecticut, DAS and the Client Agency may request the Goods and Services on an expedited and prioritized basis. Upon receipt of such a request the Contractor shall make all necessary and appropriate commercially reasonable efforts to reallocate its staffing and other resources in order to give primary preference to Performing this Contract ahead of or prior to fulfilling, in whole or in part, any other contractual obligations that the Contractor may have. The Contractor is not obligated to make those efforts to Perform on an expedited and prioritized basis in accordance with this paragraph if doing so will make the Contractor materially breach any other contractual obligations that the Contractor may have. Contractor shall acknowledge receipt of any request made pursuant to this paragraph within 2 hours from the time that the Contractor receives it via purchase order or through a request to make an expedited or prioritized purchase through the State of Connecticut Purchasing Card (MasterCard) Program (the "P-Card Program"). If the

Contractor fails to acknowledge receipt within 2 hours, confirm its obligation to Perform or actually Perform, as set forth in the purchase order or through the P-Card Program, then DAS and the Client Agency may procure the Performance from another source without further notice to Contractor and without creating any right of recourse at law or in equity against DAS or Client Agency.

23. Setoff. In addition to all other remedies available hereunder, the State, in its sole discretion, may setoff (1) any costs or expenses that the State incurs resulting from the Contractor's unexcused nonperformance under the Contract and under any other agreement or arrangement that the Contractor has with the State and (2) any other amounts that are due or may become due from the State to the Contractor, against amounts otherwise due or that may become due to the Contractor under the Contract, or under any other agreement or arrangement that the Contractor has with the State. The State's right of setoff shall not be deemed to be the State's exclusive remedy for the Contractor's or Contractor Parties' breach of the Contract, all of which shall survive any setoffs by the State.
24. Force Majeure. The State and the Contractor shall not be excused from their obligation to Perform in accordance with the Contract except in the case of Force Majeure events and as otherwise provided for in the Contract. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance.
25. Advertising. The Contractor shall not refer to sales to the State for advertising or promotional purposes, including, but not limited to, posting any material or data on the Internet, without DAS's prior written approval.
26. Americans With Disabilities Act. The Contractor shall be and remain in compliance with the Americans with Disabilities Act of 1990 ("Act"), to the extent applicable, during the term of the Contract. DAS may Terminate the Contract if the Contractor fails to comply with the Act.
27. Representations and Warranties. The Contractor, represents and warrants to DAS for itself and Contractor Parties, that:
 - (a) if they are entities, they are duly and validly existing under the laws of their respective states of organization and authorized to conduct business in the State of Connecticut in the manner contemplated by the Contract. Further, as appropriate, they have taken all necessary action to authorize the execution, delivery and Performance of the Contract and have the power and authority to execute, deliver and Perform their obligations under the Contract;
 - (b) they will comply with all applicable State and Federal laws and municipal ordinances in satisfying their obligations to the State under and pursuant to the Contract, including, but not limited to (1) Connecticut General Statutes Title 1, Chapter 10, concerning the State's Codes of Ethics and (2) Title 4a concerning State purchasing, including, but not limited to Section 22a-194a concerning the use of polystyrene foam;
 - (c) the execution, delivery and Performance of the Contract will not violate, be in conflict with, result in a breach of or constitute (with or without due notice and/or lapse of time) a default under any of the following, as applicable: (1) any provision of law; (2) any order of any court or the State; or (3) any indenture, agreement, document or other instrument to which it is a party or by which it may be bound;

(cc) they shall assign or otherwise transfer to the Client Agency, or afford the Client Agency the full benefits of any manufacturer's warranty for the Goods, to the extent that such warranties are assignable or otherwise transferable to the Client Agency.

28. Representations and Warranties Concerning Motor Vehicles. If in the course of Performance or in any other way related to the Contract the Contractor at any time uses or operates "motor vehicles," as that term is defined by Conn. Gen. Stat. §14-1 (including, but not limited to such services as snow plowing, sanding, hauling or delivery of materials, freight or merchandise, or the transportation of passengers), the Contractor, represents and warrants for itself and the Contractor Parties, that:

- (a) It is the owner of record or lessee of record of each such motor vehicle used in the Performance of the Contract, and each such motor vehicle is duly registered with the Connecticut Department of Motor Vehicles ("ConnDMV") in accordance with the provisions of Chapter 246 of the Connecticut General Statutes. Each such registration shall be in valid status, and shall not be expired, suspended or revoked by ConnDMV, for any reason or cause. If such motor vehicle is not registered with ConnDMV, then it shall be duly registered with another state or commonwealth in accordance with such other state's or commonwealth's applicable statutes. Each such registration shall be in valid status, and shall not be expired, suspended or revoked by such other state or commonwealth for any reason or cause.
- (b) Each such motor vehicle shall be fully insured in accordance with the provisions of Sections 14-12b, 14-112 and 38a-371 of the Connecticut General Statutes, as amended, in the amounts required by the said sections or in such higher amounts as have been specified by ConnDMV as a condition for the award of the Contract, or in accordance with all substantially similar provisions imposed by the law of the jurisdiction where the motor vehicle is registered.
- (c) Each Contractor Party who uses or operates a motor vehicle at any time in the Performance of the Contract shall have and maintain a motor vehicle operator's license or commercial driver's license of the appropriate class for the motor vehicle being used or operated. Each such license shall bear the endorsement or endorsements required by the provisions of Section 14-36a of the Connecticut General Statutes, as amended, to operate such motor vehicle, or required by substantially similar provisions imposed by the law of another jurisdiction in which the operator is licensed to operate such motor vehicle. The license shall be in valid status, and shall not be expired, suspended or revoked by ConnDMV or such other jurisdiction for any reason or cause.
- (d) Each motor vehicle shall be in full compliance with all of the terms and conditions of all provisions of the Connecticut General Statutes and regulations, or those of the jurisdiction where the motor vehicle is registered, pertaining to the mechanical condition, equipment, marking and operation of motor vehicles of such type, class and weight, including, but not limited to, requirements for intrastate carriers with motor vehicles having a gross vehicle weight rating or gross combination weight rating or gross vehicle weight or gross combination weight of 18,001 pounds or more or interstate carriers with motor vehicles having a gross vehicle weight rating or gross combination weight rating or gross vehicle weight or gross combination weight of 10,001 pounds or more otherwise described by the provisions of Conn. Gen. Stat. § 14-163c(a) and all applicable provisions of the Federal Motor Carrier Safety Regulations, as set forth in Title 49, Parts 382 to 399, inclusive, of the Code of Federal Regulations. If the Contractor is a "motor carrier," as that term is defined in

Contract # 17PSX0090

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

section 49 CFR Part 390, and the Contractor is subject to an order issued by the Federal Motor Carrier Safety Administration that prohibits such Contractor from operating or allowing the operation of a motor vehicle, then the Contractor shall comply fully with such order. In addition, if a motor vehicle or its operator is declared out of service pursuant to Conn. Gen. Stat. § 14-163c(d)(4), then the Contractor shall not operate or allow the operation of that motor vehicle and shall not allow the operator to operate a motor vehicle while the respective subject out-of-service order is in effect.

29. Disclosure of Contractor Parties Litigation. The Contractor shall require that all Contractor Parties, as appropriate, disclose to the Contractor, to the best of their knowledge, any Claims involving the Contractor Parties that might reasonably be expected to materially adversely affect their businesses, operations, assets, properties, financial stability, business prospects or ability to Perform fully under the Contract, no later than ten (10) Days after becoming aware or after they should have become aware of any such Claims. Disclosure shall be in writing.
30. Entirety of Contract. The Contract is the entire agreement between the parties with respect to its subject matter, and supersedes all prior agreements, bids, offers, counteroffers and understandings of the parties, whether written or oral. The Contract has been entered into after full investigation, neither party relying upon any statement or representation by the other unless such statement or representation is specifically embodied in the Contract.
31. Exhibits. All exhibits referred to in and attached to this Contract are incorporated in this Contract by such reference and shall be deemed to be a part of it as if they had been fully set forth in it.
32. Executive Orders. This Contract is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. The Contract may also be subject to Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order No. 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order 14 and/or Executive Order 49 are applicable, they are deemed to be incorporated into and are made a part of the Contract as if they had been fully set forth in it. At the Contractor's request, the Client Agency or DAS shall provide a copy of these orders to the Contractor.
33. Non-discrimination.
- (a) For purposes of this Section, the following terms are defined as follows:
- (1) "Commission" means the Commission on Human Rights and Opportunities;
 - (2) "Contract" and "contract" include any extension or modification of the Contract or contract;
 - (3) "Contractor" and "contractor" include any successors or assigns of the Contractor or contractor;

(4) "Gender identity or expression" means a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held, part of a person's core identity or not being asserted for an improper purpose.

(5) "good faith" means that degree of diligence which a reasonable person would exercise in the performance of legal duties and obligations;

(6) "good faith efforts" shall include, but not be limited to, those reasonable initial efforts necessary to comply with statutory or regulatory requirements and additional or substituted efforts when it is determined that such initial efforts will not be sufficient to comply with such requirements;

(7) "marital status" means being single, married as recognized by the state of Connecticut, widowed, separated or divorced;

(8) "mental disability" means one or more mental disorders, as defined in the most recent edition of the American Psychiatric Association's "Diagnostic and Statistical Manual of Mental Disorders", or a record of or regarding a person as having one or more such disorders;

(9) "minority business enterprise" means any small contractor or supplier of materials fifty-one percent or more of the capital stock, if any, or assets of which is owned by a person or persons: (1) who are active in the daily affairs of the enterprise, (2) who have the power to direct the management and policies of the enterprise, and (3) who are members of a minority, as such term is defined in subsection (a) of Connecticut General Statutes § 32-9n; and

(10) "public works contract" means any agreement between any individual, firm or corporation and the State or any political subdivision of the State other than a municipality for construction, rehabilitation, conversion, extension, demolition or repair of a public building, highway or other changes or improvements in real property, or which is financed in whole or in part by the State, including, but not limited to, matching expenditures, grants, loans, insurance or guarantees.

For purposes of this Section, the terms "Contract" and "contract" do not include a contract where each contractor is (1) a political subdivision of the state, including, but not limited to, a municipality, (2) a quasi-public agency, as defined in Conn. Gen. Stat. Section 1-120, (3) any other state, including but not limited to any federally recognized Indian tribal governments, as defined in Conn. Gen. Stat. Section 1-267, (4) the federal government, (5) a foreign government, or (6) an agency of a subdivision, agency, state or government described in the immediately preceding enumerated items (1), (2), (3), (4) or (5).

(b)

(1) The Contractor agrees and warrants that in the performance of the Contract such Contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin,

ancestry, sex, gender identity or expression, intellectual disability, mental disability or physical disability, including, but not limited to, blindness, unless it is shown by such Contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the State of Connecticut; and the Contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, gender identity or expression, intellectual disability, mental disability or physical disability, including, but not limited to, blindness, unless it is shown by the Contractor that such disability prevents performance of the work involved; (2) the Contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the Commission; (3) the Contractor agrees to provide each labor union or representative of workers with which the Contractor has a collective bargaining agreement or other contract or understanding and each vendor with which the Contractor has a contract or understanding, a notice to be provided by the Commission, advising the labor union or workers' representative of the Contractor's commitments under this section and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the Contractor agrees to comply with each provision of this Section and Connecticut General Statutes §§ 46a-68e and 46a-68f and with each regulation or relevant order issued by said Commission pursuant to Connecticut General Statutes §§ 46a-56, 46a-68e and 46a-68f; and (5) the Contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Contractor as relate to the provisions of this Section and Connecticut General Statutes § 46a-56. If the contract is a public works contract, the Contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such public works projects.

- (c) Determination of the Contractor's good faith efforts shall include, but shall not be limited to, the following factors: The Contractor's employment and subcontracting policies, patterns and practices; affirmative advertising, recruitment and training; technical assistance activities and such other reasonable activities or efforts as the Commission may prescribe that are designed to ensure the participation of minority business enterprises in public works projects.
- (d) The Contractor shall develop and maintain adequate documentation, in a manner prescribed by the Commission, of its good faith efforts.
- (e) The Contractor shall include the provisions of subsection (b) of this Section in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the State and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The Contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with Connecticut General Statutes §46a-56; provided if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and the State may so enter.

- (f) The Contractor agrees to comply with the regulations referred to in this Section as they exist on the date of this Contract and as they may be adopted or amended from time to time during the term of this Contract and any amendments thereto.
- (g)
 - (1) The Contractor agrees and warrants that in the performance of the Contract such Contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or the State of Connecticut, and that employees are treated when employed without regard to their sexual orientation; (2) the Contractor agrees to provide each labor union or representative of workers with which such Contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such Contractor has a contract or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the Contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (3) the Contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said Commission pursuant to Connecticut General Statutes § 46a-56; and (4) the Contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the Contractor which relate to the provisions of this Section and Connecticut General Statutes § 46a-56.
- (h) The Contractor shall include the provisions of the foregoing paragraph in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the State and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The Contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with Connecticut General Statutes § 46a-56; provided, if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and the State may so enter.

34. Tangible Personal Property.

- (a) The Contractor on its behalf and on behalf of its Affiliates, as defined below, shall comply with the provisions of Conn. Gen. Stat. §12-411b, as follows:
 - (1) For the term of the Contract, the Contractor and its Affiliates shall collect and remit to the State of Connecticut, Department of Revenue Services, any Connecticut use tax due under the provisions of Chapter 219 of the Connecticut General Statutes for items of tangible personal property sold by the Contractor or by any of its Affiliates in the same manner as if the Contractor and such Affiliates were engaged in the business of selling tangible personal property for use in Connecticut and had sufficient nexus under the provisions of Chapter 219 to be required to collect Connecticut use tax;
 - (2) A customer's payment of a use tax to the Contractor or its Affiliates relieves the customer of liability for the use tax;

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

- (3) The Contractor and its Affiliates shall remit all use taxes they collect from customers on or before the due date specified in the Contract, which may not be later than the last day of the month next succeeding the end of a calendar quarter or other tax collection period during which the tax was collected;
 - (4) The Contractor and its Affiliates are not liable for use tax billed by them but not paid to them by a customer; and
 - (5) Any Contractor or Affiliate who fails to remit use taxes collected on behalf of its customers by the due date specified in the Contract shall be subject to the interest and penalties provided for persons required to collect sales tax under chapter 219 of the general statutes.
- (b) For purposes of this section of the Contract, the word "Affiliate" means any person, as defined in section 12-1 of the general statutes, that controls, is controlled by, or is under common control with another person. A person controls another person if the person owns, directly or indirectly, more than ten per cent of the voting securities of the other person. The word "voting security" means a security that confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business, or that is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. "Voting security" includes a general partnership interest.
- (c) The Contractor represents and warrants that each of its Affiliates has vested in the Contractor plenary authority to so bind the Affiliates in any agreement with the State of Connecticut. The Contractor on its own behalf and on behalf of its Affiliates shall also provide, no later than 30 days after receiving a request by the State's contracting authority, such information as the State may require to ensure, in the State's sole determination, compliance with the provisions of Chapter 219 of the Connecticut General Statutes, including, but not limited to, §12-411b.
35. Whistleblowing. This Contract may be subject to the provisions of Section 4-61dd of the Connecticut General Statutes. In accordance with this statute, if an officer, employee or appointing authority of the Contractor takes or threatens to take any personnel action against any employee of the Contractor in retaliation for such employee's disclosure of information to any employee of the contracting state or quasi-public agency or the Auditors of Public Accounts or the Attorney General under the provisions of subsection (a) of such statute, the Contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of this Contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation, each calendar day's continuance of the violation shall be deemed to be a separate and distinct offense. The State may request that the Attorney General bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) of such statute, each large state contractor, as defined in the statute, shall post a notice of the provisions of the statute relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the Contractor.
36. Notice. All notices, demands, requests, consents, approvals or other communications required or permitted to be given or which are given with respect to this Contract (for the purpose of this section collectively called "Notices") shall be deemed to have been effected at such time as the notice is placed in the U.S. mail, first class and postage pre-paid, return receipt requested or placed with a recognized, overnight express delivery service that

provides for a return receipt. All such Notices shall be in writing and shall be addressed as follows:

If to DAS:

State of Connecticut Department of Administrative Services
Procurement Division
450 Columbus Boulevard, Suite 1202
Hartford, CT 06103
Attention: Jill Belisle

If to the Contractor:

At the address set forth on Form SP-38.

37. **Insurance.** Before commencing Performance, the Contractor shall obtain and maintain at its own cost and expense for the duration of the Contract, the following insurance as described in (a) through (h) below. Contractor shall assume any and all deductibles in the described insurance policies. The Contractor's insurers shall have no right of recovery or subrogation against the State and the described Contractor's insurance shall be primary coverage. Any failure to comply with the claim reporting provisions of the policy shall not affect coverage provided to the State.

(a) Owner's and Contractor's Protective Liability:

(b) Commercial General Liability: \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage. Coverage shall include, Premises and Operations, Independent Contractors, Products and Completed Operations, Contractual Liability and Broad Form Property Damage coverage. If a general aggregate is used, the general aggregate limit shall apply separately to the project or the general aggregate limit shall be twice the occurrence limit.

(c) Automobile Liability: \$1,000,000 combined single limit per accident for bodily injury. Coverage extends to owned, hired and non-owned automobiles. If the vendor/contractor does not own an automobile, but one is used in the execution of the contract, then only hired and non-owned coverage is required. If a vehicle is not used in the execution of the contract then automobile coverage is not required.

(d) Workers' Compensation and Employers Liability: Statutory coverage in compliance with the Compensation laws of the State of Connecticut. Coverage shall include Employer's Liability with minimum limits of \$100,000 each accident, \$500,000 Disease – Policy limit, \$100,000 each employee.

(e) Reserved

Prev. Rev. 6/16/16

(f) **Umbrella Liability:** Excess/umbrella liability insurance may be included to meet minimum requirements. Umbrella coverage must indicate the existing underlying insurance coverage.

(g) **Claims Made:** Not acceptable with the exception of Professional Liability when specified.

(h) **Reserved**

38. **Headings.** The headings given to the sections in the Contract are inserted only for convenience and are in no way to be construed as part of the Contract or as a limitation of the scope of the particular section to which the heading refers.

39. **Number and Gender.** Whenever the context so requires, the plural or singular shall include each other and the use of any gender shall include all genders.

40. **Parties.** To the extent that any Contractor Party is to participate or Perform in any way, directly or indirectly in connection with the Contract, any reference in the Contract to "Contractor" shall also be deemed to include "Contractor Parties," as if such reference had originally specifically included "Contractor Parties" since it is the parties' intent for the terms "Contractor Parties" to be vested with the same respective rights and obligations as the term "Contractor."

41. **Contractor Changes.** The Contractor shall notify DAS in writing no later than ten (10) Days from the effective date of any change in:

- a. its certificate of incorporation or other organizational document;
- b. more than a controlling interest in the ownership of the Contractor; or
- c. the individual(s) in charge of the Performance.

This change shall not relieve the Contractor of any responsibility for the accuracy and completeness of the Performance. DAS, after receiving written notice by the Contractor of any such change, may require such agreements, releases and other instruments evidencing, to DAS's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that provision has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to DAS in accordance with the terms of DAS's written request. DAS may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to Perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to Perform under the Contract until Performance is fully completed.

42. **Further Assurances.** The parties shall provide such information, execute and deliver any instruments and documents and take such other actions as may be necessary or reasonably requested by the other party which are not inconsistent with the provisions of this Contract and which do not involve the vesting of rights or assumption of obligations other than those provided for in the Contract, in order to give full effect to the Contract and to carry out the intent of the Contract.

43. **Audit and Inspection of Plants, Places of Business and Records.**

Contract # 17PSX0090

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

- (a) The State and its agents, including, but not limited to, the Connecticut Auditors of Public Accounts, Attorney General and State's Attorney and their respective agents, may, at reasonable hours, inspect and examine all of the parts of the Contractor's and Contractor Parties' plants and places of business which, in any way, are related to, or involved in, the performance of this Contract.
 - (b) The Contractor shall maintain, and shall require each of the Contractor Parties to maintain, accurate and complete Records. The Contractor shall make all of its and the Contractor Parties' Records available at all reasonable hours for audit and inspection by the State and its agents.
 - (c) The State shall make all requests for any audit or inspection in writing and shall provide the Contractor with at least twenty-four (24) hours' notice prior to the requested audit and inspection date. If the State suspects fraud or other abuse, or in the event of an emergency, the State is not obligated to provide any prior notice.
 - (d) The Contractor will pay for all costs and expenses of any audit or inspection which reveals information that, in the sole determination of the State, is sufficient to constitute a breach by the Contractor under this Contract. The Contractor will remit full payment to the State for such audit or inspection no later than 30 days after receiving an invoice from the State. If the State does not receive payment within such time, the State may setoff the amount from any moneys which the State would otherwise be obligated to pay the Contractor in accordance with this Contract's Setoff provision.
 - (e) The Contractor shall keep and preserve or cause to be kept and preserved all of its and Contractor Parties' Records until three (3) years after the latter of (i) final payment under this Contract, or (ii) the expiration or earlier termination of this Contract, as the same may be modified for any reason. The State may request an audit or inspection at any time during this period. If any Claim or audit is started before the expiration of this period, the Contractor shall retain or cause to be retained all Records until all Claims or audit findings have been resolved.
 - (f) The Contractor shall cooperate fully with the State and its agents in connection with an audit or inspection. Following any audit or inspection, the State may conduct and the Contractor shall cooperate with an exit conference.
 - (g) The Contractor shall incorporate this entire Section verbatim into any contract or other agreement that it enters into with any Contractor Party.
44. Background Checks. The State may require that the Contractor and Contractor Parties undergo criminal background checks as provided for in the State of Connecticut Department of Emergency Services and Public Protection Administration and Operations Manual or such other State document as governs procedures for background checks. The Contractor and Contractor Parties shall cooperate fully as necessary or reasonably requested with the State and its agents in connection with such background checks.
45. Continued Performance. The Contractor and Contractor Parties shall continue to Perform their obligations under the Contract while any dispute concerning the Contract is being resolved.
46. Working and Labor Synergies. The Contractor shall be responsible for maintaining a tranquil working relationship between the Contractor work force, the Contractor Parties and their

Contract # 17PSX0090

Contract Document

Prev. Rev. 6/16/16

work force, State employees, and any other contractors present at the work site. The Contractor shall quickly resolve all labor disputes which result from the Contractor's or Contractor Parties' presence at the work site, or other action under their control. Labor disputes shall not be deemed to be sufficient cause to allow the Contractor to make any claim for additional compensation for cost, expenses or any other loss or damage, nor shall those disputes be deemed to be sufficient reason to relieve the Contractor from any of its obligations under the Contract.

47. Contractor Responsibility.

- (a) The Contractor shall be responsible for the entire Performance under the Contract regardless of whether the Contractor itself performs. The Contractor shall be the sole point of contact concerning the management of the Contract, including Performance and payment issues. The Contractor is solely and completely responsible for adherence by the Contractor Parties to all applicable provisions of the Contract.
- (b) The Contractor shall exercise all reasonable care to avoid damage to the State's property or to property being made ready for the State's use, and to all property adjacent to any work site. The Contractor shall promptly report any damage, regardless of cause, to the State.

48. Severability. If any term or provision of the Contract or its application to any person, entity or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder of the Contract or the application of such term or provision shall not be affected as to persons, entities or circumstances other than those as to whom or to which it is held to be invalid or unenforceable. Each remaining term and provision of the Contract shall be valid and enforced to the fullest extent possible by law.

49. Confidential Information. The State will afford due regard to the Contractor's request for the protection of proprietary or confidential information which the State receives. However, all materials associated with the Bid and the Contract are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all corresponding rules, regulations and interpretations. In making such a request, the Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the Contractor believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Contract, especially including the Bid, the Records and the specifications, conflicts or is in any way inconsistent with this section, this section controls and shall apply and the conflicting provision or part shall not be given effect. If the Contractor indicates that certain documentation is submitted in confidence, by specifically and clearly marking said documentation as CONFIDENTIAL, DAS will endeavor to keep said information confidential to the extent permitted by law. DAS, however, has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The Contractor shall have the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall DAS or the State have any liability for the disclosure of any documents or information in its possession which

Prev. Rev. 6/16/16

the State or DAS believes are required to be disclosed pursuant to the FOIA or other requirements of law.

50. References to Statutes, Public Acts, Regulations, Codes and Executive Orders.

All references in this Contract to any statute, public act, regulation, code or executive order shall mean such statute, public act, regulation, code or executive order, respectively, as it has been amended, replaced or superseded at any time. Notwithstanding any language in this Contract that relates to such statute, public act, regulation, code or executive order, and notwithstanding a lack of a formal amendment to this Contract, this Contract shall always be read and interpreted as if it contained the most current and applicable wording and requirements of such statute, public act, regulation, code or executive order as if their most current language had been used in and requirements incorporated into this Contract at the time of its execution.

51. Cross-Default.

- (a) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under the Contract, then DAS may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to perform under any or all other agreements or arrangements (“Other Agreements”) that the Contractor or Contractor Parties have with DAS. Accordingly, DAS may then exercise at its sole option any and all of its rights or remedies provided for in the Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements.
- (b) If the Contractor or Contractor Parties breach, default or in any way fail to Perform satisfactorily under any or all Other Agreements with DAS or the State, then DAS may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to Perform under the Contract. Accordingly, the State may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or the Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of DAS or the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to Perform under the Contract.

52. Disclosure of Records. This Contract may be subject to the provisions of section 1-218 of the Connecticut General Statutes. In accordance with this statute, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (a) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (b) indicate that such records and files are subject to FOIA and may be disclosed by the public agency pursuant to FOIA. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in accordance with FOIA. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes.

53. Summary of State Ethics Laws. Pursuant to the requirements of section 1-101qq of the Connecticut General Statutes, the summary of State ethics laws developed by the State Ethics Commission pursuant to section 1-81b of the Connecticut General Statutes is

Contract # 17PSX0090

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

incorporated by reference into and made a part of the Contract as if the summary had been fully set forth in the Contract.

54. Sovereign Immunity. The parties acknowledge and agree that nothing in the Invitation to Bid or the Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Contract. To the extent that this section conflicts with any other section, this section shall govern.

55. Time of the Essence. Time is of the essence with respect to all provisions of this Contract that specify a time for performance; provided, however, that this provision shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Contract.

56. Certification as Small Contractor or Minority Business Enterprise.

This paragraph was intentionally left blank.

57. Campaign Contribution Restriction. For all State contracts as defined in Conn. Gen. Stat. § 9-612(g)(1) having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this Contract expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice, as set forth in "Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations," attached as Exhibit C.

58. Health Insurance Portability and Accountability Act of 1996.

This paragraph was intentionally left blank.

59. Protection of Confidential Information.

(a) Contractor and Contractor Parties, at their own expense, have a duty to and shall protect from a Confidential Information Breach any and all Confidential Information which they come to possess or control, wherever and however stored or maintained, in a commercially reasonable manner in accordance with current industry standards.

(b) Each Contractor or Contractor Party shall develop, implement and maintain a comprehensive data - security program for the protection of Confidential Information. The safeguards contained in such program shall be consistent with and comply with the safeguards for protection of Confidential Information, and information of a similar character, as set forth in all applicable federal and state law and written policy of DAS or State concerning the confidentiality of Confidential Information. Such data-security program shall include, but not be limited to, the following:

(1)A security policy for employees related to the storage, access and transportation of data containing Confidential Information;

Contract Document

SP-50 Rev. 11/17/16

Prev. Rev. 6/16/16

- (2) Reasonable restrictions on access to records containing Confidential Information, including access to any locked storage where such records are kept;
 - (3) A process for reviewing policies and security measures at least annually;
 - (4) Creating secure access controls to Confidential Information, including but not limited to passwords; and
 - (5) Encrypting of Confidential Information that is stored on laptops, portable devices or being transmitted electronically.
- (c) The Contractor and Contractor Parties shall notify DAS, the Client Agency and the Connecticut Office of the Attorney General as soon as practical, but no later than twenty-four (24) hours, after they become aware of or suspect that any Confidential Information which Contractor or Contractor Parties have come to possess or control has been subject to a Confidential Information Breach. If a Confidential Information Breach has occurred, the Contractor shall, within three (3) business days after the notification, present a credit monitoring and protection plan to the Commissioner of Administrative Services, the Client Agency and the Connecticut Office of the Attorney General, for review and approval. Such credit monitoring or protection plan shall be made available by the Contractor at its own cost and expense to all individuals affected by the Confidential Information Breach. Such credit monitoring or protection plan shall include, but is not limited to reimbursement for the cost of placing and lifting one (1) security freeze per credit file pursuant to Connecticut General Statutes § 36a-701a. Such credit monitoring or protection plans shall be approved by the State in accordance with this Section and shall cover a length of time commensurate with the circumstances of the Confidential Information Breach. The Contractors' costs and expenses for the credit monitoring and protection plan shall not be recoverable from DAS, the Client Agency, any State of Connecticut entity or any affected individuals.
- (d) The Contractor shall incorporate the requirements of this Section in all subcontracts requiring each Contractor Party to safeguard Confidential Information in the same manner as provided for in this Section.
- (e) Nothing in this Section shall supersede in any manner Contractor's or Contractor Party's obligations pursuant to HIPAA or the provisions of this Contract concerning the obligations of the Contractor as a Business Associate of Covered Entity.

60. Antitrust.

Contractor hereby irrevocably assigns to the State of Connecticut all rights, title and interest in and to all Claims associated with this Contract that Contractor now has or may or will have and that arise under the antitrust laws of the United States, 15 USC Section 1, *et seq.* and the antitrust laws of the State of Connecticut, Connecticut General Statute § 35-24, *et seq.*, including but not limited to any and all Claims for overcharges. This assignment shall become valid and effective immediately upon the accrual of a Claim without any further action or acknowledgment by the parties.

61. Audit Requirements for Recipients of State Financial Assistance.

This paragraph was intentionally left blank.

Cell Phone Accessories

Many mainstream cell phones and cell phone accessories simply aren't loud enough or clear enough for people with hearing loss. And if you wear hearing aids, you know just how frustrating it can be to try and make phone calls in a noisy environment, because your hearing aids are amplifying the noise around you. We carry a variety of cell phone accessories that work with virtually all cell phones and will help make your conversations enjoyable again.

Cell Phone Signalers

If you have difficulty hearing when you get a call or text message, we carry a variety of cell phone signalers that will alert you to your calls and messages by flashing a light or amplifying the sound.

Neckloops and Silhouettes

These are specifically designed for people who have telecoil-equipped hearing aids. They work by generating an electromagnetic signal that allows you to hear the conversation directly through your hearing aids, while cutting out the background noise around you. Both neckloops and silhouettes tend to work well for most people, but if you have an "automatic" telecoil you may find that silhouettes work better for you.

Bluetooth®

If you have a Bluetooth®-enabled cell phone, make sure to look for this handy Bluetooth® icon. Accessories with this icon can connect to your cell phone wirelessly!

**Clearer Conversations

Amplified Telephones

Amplified phones come with amplification and tone control, which allows you to turn the volume up much higher than you can on a traditional phone, as well as adjust the frequency of the other caller's voice to better fit your hearing. Some phones allow you to **pair a Bluetooth® cellphone** and will amplify both cell and landline calls (*pages 8-9*). Other phones come with **captioning capabilities** (funded by the FCC) which will caption your conversation on a large built-in screen, as well as amplify it (*pages 10-12*). All of the phones in this section are hearing aid compatible, so you shouldn't experience any feedback or interference that can be caused by hearing aids.

Things to look for when buying:

The most important step in choosing an amplified phone is determining how much amplification you need, and this will depend on the degree of your hearing loss. To help guide you through this process, we've developed a color scale that shows you the amplification level of each phone, and whether that phone is recommended for your hearing loss.

Mild (30dB)

Are you missing words or straining to hear the conversation but still manage to get through it?

Moderate (30-45dB)

Do you find yourself constantly asking the speaker to repeat themselves?

Severe (50dB +)

Have you decided to stop using the phone altogether because it is too difficult to hear?

Please note that hearing loss can be degenerative. It may be good to get a phone with higher amplification as you can always turn the volume down.

Helpful Hints

Boost Override

A lot of our phones have a feature called "boost override." When this feature is turned on, it will save the volume and tone settings from your last phone call.

This is a great feature if you are the main user of the phone, but if you have other people that will be using the phone regularly, we recommend turning this feature off. That way, nobody will accidentally damage their hearing by picking up the phone with settings that are too loud.

Emergency Response Systems

Protect Yourself & Your Loved Ones!

How do they work?

Emergency Response Systems offer independence and peace of mind for aging parents and their loved ones. They come with a wireless pendant that is worn around the neck or wrist. In the event there is an emergency and you are unable to reach the phone, simply activate the pendant and it will connect you to friends, family, or emergency personnel for assistance. And the best part? No monthly fees!

Your Options Explained:

Amplified Emergency Phones: These are great for those who want to combine the every day benefits of an amplified phone with the security of an emergency response system. In the event of an emergency, simply activate the included wireless pendant and your phone will begin dialing through a list of preprogrammed numbers until someone picks up. The other caller will then listen to a short pre-programmed message informing them of an emergency, and then they will be able to begin a two-way conversation with you.

Personal Emergency Response Devices: These products are designed for emergency purposes and some cannot be used for regular phone calls. The greatest benefit to these systems is the ability to communicate directly through the pendant itself, rather than relying on your phone's speakerphone for communication.

Phone Accessories

Ring Signalers (pages 28-30): These plug into any phone jack in your home, and when the phone rings they will notify you through an extra loud ringer, flashing strobe light, and/or vibration.

In-Line Phone Amplifiers (page 30): If you already have a regular corded phone, but need a little extra volume boost, an in-line phone amplifier may be right for you. Simply plug one end into the base of your phone, and the other into your handset. Your conversation is now amplified!

Portable Phone Amplifiers (page 31): These can be used to amplify any regular corded or cordless phone. Simply strap one of these over the earpiece of your handset and you're good to go!

Phone Pads (page 31): For hearing aid users that experience annoying feedback when using their phone, simply sticking one of these to the earpiece of the phone can help solve the problem!

Amplified Answering Machines (page 31): These are similar to regular answering machines, but with much louder speakers and the ability to control the speed at which the message is played back to you for maximum clarity.

TV Listening Systems

Enjoy Watching TV Together Again!

How do they work?

TV listening systems allow you to listen to the TV at a volume that's comfortable without disturbing anyone else in the room! They consist of two main parts—a transmitter and a receiver. The transmitter connects to your TV and transmits wirelessly to the receiver worn by the listener.

Technology Choices

- RF** **Radio Frequency (RF)** systems transmit sound through radio waves and have a range of 100-300+ feet. The main benefit to these systems is that their signal can travel through walls and ceilings, so you can hear the TV no matter what room you're in!
- IR** **Infrared (IR)** systems transmit sound through infrared light. These systems tend to be less expensive than RF systems, but have a limited range since their signal cannot travel through walls.
- LP** **Loop** systems allow those with telecoil equipped hearing aids to enjoy watching TV through the comfort of their own hearing aid(s), without needing to wear a separate receiver!
- Bluetooth** **Bluetooth**® systems have a range of up to 30 ft, and can be used for cell phone calls as well as listening to the TV.

Home Loop Systems for TV Listening

Home Loop Systems, like the ones listed below, allow those with telecoil equipped hearing aids to enjoy watching TV through the comfort of their hearing aid(s), without needing to wear or purchase any additional equipment! Instead, your hearing aid becomes your own personal receiver.

Here's how it works:

- 1) Plug the loop amplifier into the audio output jacks on the back of your TV or other audio source.
- 2) Install the loop wire around your desired listening area and connect it to the loop amplifier.
- 3) Turn the loop amplifier on, switch your hearing aid(s) to "telecoil" mode, and then sit back and relax. As long as you are sitting within the looped area, you will now be able to listen to your TV directly through your hearing aids! No additional equipment necessary.

Oval Window Microloop III

The Microloop III includes a loop amplifier, 100' loop wire, wire clips, stereo patch cord, and wall outlet power supply. This system may be connected to audio line outputs of televisions and other audio equipment. To customize for classroom use, meetings, or social settings, several accessories are available as well (*see page 59*).

Made in the USA! **Three year warranty.**

Contacta HLD3 Loop

The Contacta HLD3 loop is a powerful wireless loop system that transforms your telecoil-equipped hearing aids or cochlear implants

into your own little personal loudspeakers. Installation is simple. Choose from the loop pad which slips under your chair, or the loop wire which is wrapped around the perimeter of a room *sold separately—see below*. Once inside the loop's range, you will hear beautiful, clear sound through your t-coil equipped hearing aids or cochlear implant. **Two year limited warranty.**

- Can be used as a stationary or portable system
- Volume control and volume level indicator
- Green LEDs for indication of power connection, signal source level and loop current
- Audio out and in inputs allow you to simultaneously listen to the TV/audio source and conversation (*with optional mic—see pg 58*)

Personal Amplifiers

Amplify your conversations, TV and use as a t-coil receiver for loop systems!

A truly multi-use product!

Not only are personal amplifiers excellent for amplifying conversations, many can amplify your TV as well. Some come with a cord that can attach to your TV or you can use them with as a receiver with a loop system if you don't have t-coil enabled hearing aids.

Find personal amplifiers on pages 43-50!

In-Ear/PSAP Personal Amplifiers

**A Discreet Way
to Hear Better!**

How do they work?

In-Ear Personal Amplifiers, or Personal Sound Amplification Products (PSAPs) provide an affordable, discreet way to help you hear better in a variety of situations. Worn in or behind the ear, they will pick up the sounds around you, filter out the background noise, and amplify speech for a more effortless listening experience.

PSAPs will amplify sound anywhere from 15dB-30dB, making them a great solution for anybody needing a little extra boost in difficult hearing situations. For those needing more amplification, consider checking out our hand-held/body worn amplifiers on pages 46-50.

Please note that PSAPs are not hearing aids. To explore all your options, have your hearing evaluated by a hearing health professional. PSAPs can help you hear better in a variety of situations, but cannot be programmed to fit your specific hearing loss. They are, however, far less expensive and can be purchased without the need for a professional exam.

Sound World Solutions® CS50+

The CS50+ is a completely customizable personal sound amplifier to help you hear everything happening around you with crystal clarity. The BEAN® *Quiet Sound Amplifier*.®

The BEAN requires **no adjustment**. It automatically **amplifies only the soft sounds of speech**, with just the right amount of high-frequency emphasis for improved clarity. It **does not amplify loud sounds**: Loud sounds pass through unamplified as if nothing is in the ear. Musicians love the **superb sound quality**.

The **BEAN**[®]
Quiet Sound Amplifier[®]

Etymotic Research first introduced the concept of a direct-to-consumer personal sound amplifier to the Food and Drug Administration in 2001. We are now at a time where technology should be easily accessible to people who need it.

The audiologists and engineers at Etymotic Research are committed to providing the highest fidelity, affordable hearing solutions available without prescription or government regulation. We believe that everyone should have access to affordable personal sound amplifiers. Many progressive hearing professionals, consumer groups and prominent otologists agree.

Personal sound amplifiers are non-medical consumer products intended for use by anyone wishing to hear better, regardless of hearing ability, and used in any environment for any purpose a consumer chooses.

Hand-Held/Body Worn Personal Amplifiers

A Portable Solution for Difficult Hearing Situations!

How do they work?

These personal amplifiers are designed to help you hear better in small group settings, and can be held in your hand or worn on the body. Place the amplifier between you and the person speaking, throw on a pair of headphones, and adjust the volume and tone to your desired settings.

The larger size of hand-held/body worn personal amplifiers allows them to amplify sound louder than in-ear personal amplifiers (see pages 43-45) and are also less expensive, typically retailing for less than \$200.

Personal FM/ Digital Systems

FM/Digital systems transmit sound wirelessly and are great for use in classrooms, churches, or any other setting where you are a distance away from the person speaking. The person speaking has a transmitter with microphone that

sends the sound signal to a receiver which is worn by the hard of hearing individual. They can then plug headphones, earphones, or a neckloop (for those with t-coil equipped hearing aids) into the receiver and control the volume and tone of the person they are listening to for effortless listening.

Microphone Options

Omni-directional microphones pick up sound from every direction, while directional microphones allow you to focus on a single person's voice, which can be really helpful in noisy environments.

Receivers with Microphones

All FM systems come with receivers that allow you to amplify the sound coming from the transmitter, but some receivers *also* have the ability to amplify the sounds immediately around you as well. This is a great for when you want to be able to focus on the speaker, but still hear the people who are directly around you.

Range

FM systems typically have a range of 75-100 feet. The range can vary depending on the environment.

**Hear from a
Distance with Ease**

Loop Systems & Receivers

Where would I use a Loop System?

Loop systems can be used in many different settings. They can be installed permanently in homes, classrooms, meeting rooms, etc. Portable loop products are also available and are great for use in the car or one-on-one conversations.

How do they work?

An induction loop system consists of a thin wire that is placed around the listening area and connects into an amplifier. When the listener switches their hearing aid to the "T" or Telecoil (t-coil) setting, it picks up the electromagnetic signal from whatever sound source is plugged into the amplifier, and lets them hear the sound directly through their hearing aid(s)! Even those without hearing aids can benefit from a loop system by purchasing a telecoil receiver (*see page 60*).

Hear Directly Through Your Telecoil-Equipped Hearing Aid!

Contacta HLD3 Loop

The Contacta HLD3 loop is a powerful wireless loop system that transforms your telecoil-equipped hearing aids or cochlear implants into your own little personal loudspeakers. Hear clear sound from your TV or other audio sources, or use the mic (*sold separately—see below*) to hear during meetings or while with small groups. Installation is simple. Choose from the loop pad which slips under your chair, or the loop wire which is wrapped around the perimeter of a room. Once inside the loop's range, you will hear beautiful, clear sound through your t-coil equipped hearing aids or cochlear implant. **Two year limited warranty.**

- Can be used as a stationary or portable system
- Volume control and volume level indicator
- Audio out/in inputs allows you to simultaneously listen to the TV/audio and conversation (*with optional mic see below*)
- 3.5mm audio out input allows you to use headphones
- Compatible with analog, stereo and surround sound systems

Personal Amplifiers

Never worry about missing a conversation—no matter where you are!

Personal Amplifiers amplify conversations by picking up sounds with an attached microphone—but many can double as a telecoil receiver! Personal amplifiers are discreet and convenient, making them a great solution in and outside of looped areas.

Hand-Held/Body Worn

For those with and without t-coil enabled hearing aids

Use with headphones or earbuds if you don't have t-coil enabled hearing aids. If you have t-coil hearing aids, use a neckloop outside of looped areas.

Amplified Stethoscopes

Working in the medical field is no easy task, but if you're a medical professional with hearing loss it can be a whole lot more difficult. Standard stethoscopes can't always provide the amplification you need in order to do your job properly. Fortunately, this doesn't mean your career is in jeopardy. We carry amplified stethoscopes and stethoscopes with visual display software that are perfect for hard of hearing professionals. So whether you have a mild or profound hearing loss, hearing aids or not, we've got the perfect stethoscope for you.

Look for these icons to help identify which stethoscope fits your needs:

Worry About Your Patients, Not Your Stethoscope!

Thinklabs One Amplified Stethoscope

The revolutionary new Thinklabs One is the smallest, most powerful stethoscope in the world—and it fits in the palm of your hand! The Thinklabs One is great for medical professionals with hearing loss since it can record and save sounds for later playback as well as visually represent them on your smartphone or tablet. You can also plug in a neckloop and have sounds sent directly to your t-coil equipped hearing aids. Voltage doubling charge pumps provide extra headroom for low distortion reproduction of S1 and S2 heartbeat peaks, without any clipping. The headphone amplifiers have sufficient power to drive low-impedance audio headphones, producing 45.2mWatts.

The Thinklabs One connects to your mobile or laptop devices using the included Thinklink Connection System. It allows you to capture and send sounds via iPhone, iPad, Android devices and Mac/PC. The Thinklink is compatible with any sound recording app and allows you to easily switch between listening to patients or playback recordings. **Two year warranty.**

- Amplifies over 100X
- Thinklink Connection System for connection to smartphone, tablet and computer
- Multiple filter presets ranging from very low frequency (S3) to higher frequencies (lung sounds)

New! Tinnitus Maskers

Reduce annoying Tinnitus with Sound Therapy Systems!

Tinnitus causes ringing, clicking or hissing in the ears where no external source can be found. Often times people who experience hearing loss also have Tinnitus, making it difficult for them to concentrate or fall asleep. While there is no cure for Tinnitus, sound therapy systems make the ringing far less noticeable by emitting a constant soothing soundtrack.

Sound Oasis Sleep Sound Therapy System

This Sleep Sound Therapy System delivers an unmatched therapeutic sound experience that helps block out irritating noises and soothes Tinnitus. Choose from multiple cards and change the sound theme to match your mood. **One year limited warranty.**

Alarm Clocks

How do they work?

Standard alarm clocks are not very effective at waking people with hearing loss, especially those who are severely hard of hearing or deaf. The alarm clocks we carry are designed with a combination of special features, such as extra loud alarms, bed shakers, and lamp flashers that are guaranteed to wake you up!

Wake-Up Options:

Extra Loud Audible Alarm: Almost all of our alarm clocks can wake you up with an extra loud audible alarm with adjustable volume and tone control.

Bed Shaker: Most of our alarm clocks also come with bed shakers, which are placed under your mattress or pillow. When the alarm is activated, the bed shaker will vibrate to wake you up!

Lamp Flasher: This feature allows you to plug a lamp into your clock. When the alarm is activated the lamp will flash on and off. If you are looking for a clock with this feature, just look for our handy lamp icon!

Start your day off on time with a loud, vibrating or flashing alarm clock!

Signaling Systems Buyer's Guide

Signaling systems are designed to help notify you of different events, such as the phone/videophone ringing, the doorbell, a baby's cry, motion, weather alerts, and smoke or carbon monoxide alarms. Also known as "Alerting or Notification Systems," these devices can alert you to different events through flashing lights, loud audible alarms, and/or vibration.

There are 4 main things to consider when customizing your system:

1 Transmitters

Doorbell/
Door Knock

Phone/
VP/TTY

Sound

Baby Cry

Fire/CO

Alarm Clock

Motion

Pendant

Which events do you want to be notified of?

You will need to purchase one transmitter for each event you would like to be notified of. Each transmitter is designed to alert you for a specific event, however, some transmitters do work for more than one event, such as a door and phone transmitter. For example, if you want to be alerted when your phone rings and when your baby is crying—you would purchase one phone transmitter and one baby cry transmitter.

2 Receivers

Strobe

Lamp

Bed Shaker

Pager

Horn/Audible

Watch

How many rooms do you want to be notified in?

For each room you want to be notified in, you will need to purchase a receiver. For example, if you wanted to be alerted in the bedroom, living room, and kitchen, you should purchase 3 receivers. Some brands also have portable watch or pager receivers that you can bring with you wherever you go in your home. Each receiver will work with all of your transmitters, as long as they are the same brand and frequency.

3 Compatibility

To ensure compatibility you must purchase the same brand of signaling components.

4 Technology

Radio Frequency (RF) Technology

This technology sends a signal from your transmitters to your receivers through radio waves. It is ideal for both home use and for people who live in apartments, dorms, or other types of public housing because built-in dip switches can be adjusted to ensure your system will not interfere with a neighboring system. For various reasons, some people find that this technology works more reliably for them than line carrier does.

The following brands are Radio Frequency:

Line Carrier Technology

This technology sends a signal from your transmitters to your receivers through your home's electrical circuits. There are not any specific advantages to this technology that you need to be aware of, but the brands below have always been very popular with our customers.

The following brand is Line Carrier:

HomeAware Signaling System

HA360 Master Package Includes HA360M Main Unit, Doorbell Transmitter & Bed Shaker

The HA360 Master Package incorporates supervised safety, security and peace of mind. Each time a transmitter sends a signal, text will scroll by on the HA360M Main Unit's screen that displays the alert, such as "DOOR", "PHONE", etc. The scrolling text is much easier to read across the room than icons typically used on receivers.

Never worry about missing an alert! The revolutionary TruAlert™ D-RF monitoring technology checks your system every 2-3 minutes, 24/7 and even in the event of a power failure. If you have low batteries or a broken link the problem is reported on the HA360M's screen.

This is the first signaling system to have virtually unlimited range. There is up to 1,000 ft range between a transmitter and the HA360M. Add additional receivers (see page 89) to extend the range another 1,000 ft from the new receiver.

The HA360 Master Package will alert you to landline/videophone calls, doorbell and is a fully functional alarm clock. Add optional transmitters to be alerted to events like smartphone, smoke/CO and baby cry. Add optional receivers to be alerted in every room of your home!

One year warranty.

- Choose to be alerted by any or all: 110dB alarm, powerful bed shaker and bright strobe
- Monitoring of low batteries and broken links between HA360M and transmitters

Already have the Sonic Alert Traditional Signaling System (pages 90-91)?

The HomeAware will work with existing receivers!

SonicBridge/Lamp Switch

SonicBridge links the HA360M Main unit (above) with any Sonic Alert Traditional System receiver (BL300, SA-201, SA-101, RH100 and SB1000—page 91). Whenever a HomeAware Transmitter sends a signal to the HA360M, it will activate your Traditional System receivers as well. It plugs into the back of the HA360M and has an outlet that will flash any lamp plugged into it. **Please Note:** If a Traditional System transmitter activates a Traditional System receiver, a signal will **not** be sent to the HomeAware HA360M. **One year warranty.**

HomeAware Transmitters

HA360SP Smartphone Transmitter/Receiver

Use your smartphone as a transmitter and receiver! Simply plug the transmitter into the back of the HA360M Main Unit and it will link with any Bluetooth® compatible smartphone. Download the free app which will notify you on your phone whenever another transmitter goes off. The HA360M will also alert you to your cell phone calls and texts by scrolling "PHONE..555-555-5555 Cell" across the screen so you don't need to worry about having your phone on you at all times. The app is compatible for phones with Android and iOS operating systems. Phone must be in Bluetooth® range (up to 30 ft) to receive and send signals. Requires a 9V battery (not included). **One year warranty.**

(phone not included)

No. SA-HA360DSPT Reg. \$99.99 **Our Price \$71.99**

HA360VPT Telephone and Videophone Transmitter

Plug into any phone jack, fax machine or video relay box and the Telephone Transmitter will send a signal to the HA360M Main Unit once a call has been received. When the HA360M receives the alert, it will display "PHONE", "FAX" or "VRS" depending on what type of call activated the transmitter. **One year warranty.**

Videophone Compatible!

No. SA-HA360VPT \$69.99 **Our Price \$49.49**

HA360SS-SC Smoke/CO Transmitter

Rest easy knowing that you will be alerted if your smoke or CO detector goes off. Place the Smoke/CO Transmitter near a detector and it will listen for the T3 alarm sound from a smoke detector and the T4 sound from a CO detector. Once one of your detectors goes off, it sends a signal to the HA360M Main Unit, which will scroll "SMOKE" or "CO" across the screen depending on the emergency. If you have an older detector model that does not have a T4/T3 alarm, "ALERT" will scroll across the screen. We recommend purchasing a transmitter for each alarm in your home. Make sure you will be notified anywhere in your home and purchase extra receivers (to the right) for each room. Requires a 9V battery (not included). **One year warranty.**

No. SA-HA360SSSCK Reg. \$79.99 **Our Price \$53.99**

HA360SS-BC Baby Cry Transmitter

The Baby Cry Transmitter will send a signal to the HA360M Main Unit when it hears a baby crying, then the HA360M will scroll "BABY" across the screen along with alerting you by lights and vibration. Adjust the sensitivity of the Baby Cry Transmitter with the 3-level switch. Make sure you will be notified anywhere in your home and purchase extra receivers (see below) for each room. Requires a 9V battery (not included). **One year warranty.**

HomeAware Receivers

HA360R Deluxe Receiver

The Deluxe Receiver will alert you to all signals from the HA360M Main Unit (see page 87). The scrolling text displays large 2" text of whatever transmitter has set off the HA360M ("DOOR", "BABY", "FIRE", etc.) along with flashing light notification. If you receive a call from a landline or videophone, the name and number of the caller scrolls across the screen. The Deluxe Receiver has battery backup (5 AA batteries not included) and will add up to an additional 1000 ft range to the HA360M. **It must be used with the HA360M Main Unit and does not receive signals directly from transmitters. One year warranty.**

No. SA-HA360RK Reg. \$139.99 **Our Price \$98.99**

HA360BR Basic Receiver

The Basic Receiver is a cost effective way to receive alerts from the HA360M Main Unit (see page 87) in every room of your home! The Basic Receiver has bright LED icons that will alert you to doorbell, baby cry, phone call, etc. Once a transmitter has sent a signal to the HA360M, the Basic Receiver will light up a corresponding icon, which will flash 5 times to get your attention. The Basic Receiver has battery backup (3 AA batteries not included) and will add up to an additional 1000 ft range to the HA360M. **It must be used with the HA360M Main Unit and does not receive signals directly from transmitters. One year warranty.**

Fire protection

Protect your home and family.

The material in much of today's furniture makes fires burn faster, and it can take less than 5 minutes for a fire to take over a room. Visit discovers smoke and smoldering fire at an early stage and relays the alarm directly to your bedroom. With sound, flashes and vibrations, the Visit alarm clock is sure to wake you up in time.

Knowing that you can get out of harm's way provides a peaceful night's sleep for both you and your family.

Emergency Products

Keep your Family Safe
in a Fire, Carbon
Monoxide & Severe
Weather Emergency!

How do they work?

The products in this section are specifically designed to alert deaf and hard of hearing people to emergencies such as fire, carbon monoxide, and severe weather. They use low frequency audible alarms, strobe lights and/or bed shakers to make sure you and your family stay safe in the event of an emergency, no matter how severe your hearing loss!

Things to look for when buying:

T3, T4 and Continuous Sound: **T3** sound pattern is the beep-beep-beep-pause sound found in most smoke alarms. It has been the required alarm sound for residential homes since 1996 and the only alarm sound we sell. A **continuous** smoke alarm's siren continues to play without pauses and would be present in older alarms. The **T4** sound pattern is found in CO alarms that make a beep-beep-beep-beep-pause sound. Many states have requirements for CO alarm installation and we recommend checking your local regulations.

Battery Back-up: Products with this symbol have battery back-up, which can keep you safe even during a power outage. Battery back-up works only for the audible aspect of the alarm unless otherwise specified.

Signaling System Smoke Alarms

Recommended for...

Those who want a safe, portable, & versatile solution, with the ability to expand their system for notification of other events such as the doorbell or phone ringing.

How they work...

These work like normal smoke alarms, but also come with transmitters that, when activated, will send wireless signals to receiver(s) placed around your

home. Depending on the system you purchase, you can be alerted through a bed shaker, flashing strobe, or both. Additional smoke detectors, transmitters, & receivers can be purchased for maximum flexibility, including accessories that will alert you to things like the doorbell or phone ringing.

Contact us for assistance in choosing the right solution for your needs!

Bellman & Symfon Safe Value Pack

Complete notification package alerts to smoke/fire and daily wake-up alarm. When a fire starts, the smoke Alarm Transmitter (*HC-VISIT/SDTR—more details on page 100*) sounds a loud 85dB alarm and activates the Alarm Clock Receiver (*HC-BA-VISIT/CLK—more details on page 102*), which sounds a 100+dB alarm, flashes lights and vibrates the included bed shaker. Use the Alarm Clock Receiver as your daily wake-up alarm as well. **Two year warranty.**

No. HC-VISIT/VP7 \$300.00 *If purchased separately, \$314.95, save \$14.95!*

Smoke Alarm Transmitter only

No. HC-VISIT/SDTR \$165.00

Expand your system! Add transmitters to alert you to additional events, such as doorbell, baby cry, phone/VP and more. Find the complete Bellman & Symfon signaling system on pages 100-102.

Silent Call Legacy Series Shake-Up™ System

Strobe/Vibration Notification

If there is a fire emergency, this wireless smoke detector system will alert you by strobe and vibration. The Shake-Up™ system is easy to install, simple to use, and very portable. Includes the Smoke Detector, Sidekick Receiver and bed shaker. **Three year warranty on smoke detector with a five year warranty on the transmitter board. Five year warranty on Sidekick Receiver.**
No. SC-SHKUP/VREC \$262.99

Shake-Up™ System—Vibration Notification Only

This system comes with a bed shaker that is hard-wired into the receiver. The receiver does not have a strobe light and cannot receive signals from other Silent Call® transmitters. For use by those wanting a bed shaker only.

“Listen and Alert” Fire Alarms

Recommended for...

Those who already have existing T3 smoke alarms in their home, but have a hearing loss that may prevent them from waking up at night if the alarms go off.

Lifetone HLAC151™ “Listen and Alert” Fire Alarm

For Use with Existing Smoke Alarms

The Lifetone uses a 520Hz square-wave sound pattern proven to be more effective at waking the hard of hearing, seniors, children, and deep sleepers than standard alarms. It is not only a state of the art fire alarm, but also an attractive and easy-to-use alarm clock. When it detects the T3 alarm pattern of a smoke alarm, your Lifetone wakes you up and alerts you with 4 different signals: a loud, low-pitched (520 Hz) T3 alarm; a talking voice giving instruction; a powerful vibrating bed shaker; and FIRE in large text against a flashing orange backlight. **Two year limited warranty.**

- Hears your existing T3 smoke detectors
- Alerts you to AC power loss and low or no battery
- Battery back-up (batteries included) lasts 7 days and can operate audible alarm and bed shaker
- Includes one water-resistant bed shaker
- Functions as a standard alarm clock as well
- Dimensions: 8.25" W x 3.75" H x 2.5" D
- UL listed

No. HC-LIFETONE2 \$198.00

RemoteLync Smart Home Monitor

For Use with Existing Smoke/Carbon Monoxide Alarms

Receive notification on your smartphone of a smoke or CO emergency—even when you are away from home! Simply download the free app, plug the RemoteLync into an outlet, and it will listen for your existing smoke or carbon monoxide alarms. Once an alarm goes off, RemoteLync uses your home’s WiFi to send an alert to your smartphone, which you can then decide to call a preprogrammed contact or 911. **One year warranty.**

- Different alerts for smoke and CO alarms
- Voice prompts help with installation and testing
- One RemoteLync unit will cover all alarms in an average-sized U.S. home
- Connects to your existing wireless router and sends messages via your home’s WiFi
- Free app for devices running Android 4.1 or later and iOS 6.0 or later
- Dimensions: 2.25" W x 2.25" H x 2.25" D
- Compatible with UL listed smoke or CO alarms made after 1999

No. HC-R/LYNC \$99.99

Please Note: While the RemoteLync is great for notifications while you are awake, it may not be enough to wake you up. For notification while you sleep, we recommend an option with a bed shaker and flashing lights (see above).

How they work...

Rather than detecting smoke themselves, these fire alarms are designed to “listen” to your home’s existing T3 smoke alarms. If it hears one activate, it will then “alert” you by emitting a high decibel, low frequency audible alarm and by vibrating a bed shaker that is placed under your mattress or pillow.

SafeAwake “Listen and Alert” Fire Alarm

For Use with Existing Smoke Alarms

The SafeAwake provides essential protection for deaf and hard of hearing people in the event of a fire. Once an existing T3 smoke alarm is activated, the SafeAwake alerts you with its intermittent bed shaker, flashing white light and high-decibel, low frequency (520Hz) alarm—proven to be significantly more effective at waking people with hearing loss when compared to standard alarms. **Two year warranty.**

- Plugs into any regular 110-volt electrical outlet
- Utilizes a 520Hz square-wave sound pattern
- Hears your existing T3 smoke detectors
- Battery back-up (batteries included) keeps all functions (audible alarm, bed shaker, and flashing light) working during power outages
- Includes one bed shaker
- Meets the requirements of the National Fire Protection Association Code NFPA-72, UL217 and UL1971

No. HC-SAFEAWAKE Reg. \$299.95 **Our Price \$249.95**

AC-Powered Smoke Alarms

Recommended for...

Those on a budget living in studio apartments, dormitories, or other small dwellings.

How they work...

These are simple to use and can be installed in seconds! Simply plug into any wall outlet and mount it on the wall. When smoke reaches the room, you will be alerted by a bright, built-in flashing strobe light.

It's important to note that AC-powered alarms cannot be interconnected like hard-wired alarms, so if you place one in your bedroom and a fire starts in a different room, you may not be alerted immediately. That's why we recommend these alarms only for studio apartments or dormitories, or for those who are planning to purchase one in conjunction with a "listen and alert" alarm (see page 110).

Gentex Smoke Alarm

AC-Powered

Gentex smoke alarms are photoelectric single station smoke alarms designed to give reliable early warning of the presence of smoke where both audible and visual alarms are required. **One year warranty.**

- 90dB alarm
- Full function test switch
- 9 ft outlet plug cord
- Mounting hardware for wall-mount installation
- Meets state, federal and ADA requirements, UL listed
- Wall Mount
- Battery back-up for audible alarm only (9V battery included)

No. GEN-7139LS \$169.00

Hard-Wired Smoke Alarms (pages 111-112)

Recommended for...

Those who live in homes with multiple floors and rooms and want to ensure they are alerted as early as possible to a fire, no matter which room it starts in.

How they work...

Multiple units are placed around the home and interconnected, so that when any one detector senses smoke, all alarms in the home go off simultaneously. This significantly increases the chances that you will

get out safely before a fire spreads. The more rooms and floors your home has, the more important it becomes to have a complete hard-wired system.

For additional protection while you sleep, consider adding a "listen and alert" fire alarm (page 110) to your hard-wired T3 system, as audible alarms and strobe lights may not be enough to wake you.

Please note that hard-wired alarms must be installed by a licensed electrician.

Gentex Smoke Alarms

Hard-Wired

Gentex smoke alarms are photoelectric single station smoke alarms designed to give reliable early warning of the presence of smoke where both audible and visual alarms are required. **One year warranty.**

- 177 candela rated strobe light that flashes 60 times per minute
- 90dB alarm
- Full function test switch
- Quick-disconnect wiring harness
- Mounting hardware for ceiling or wall installation
- Meets state, federal and ADA requirements and is UL listed

Weather Alert Systems

People with hearing loss are especially at risk when severe weather strikes because it is difficult—and for many impossible—to hear the warning sirens go off in the distance. Fortunately, the systems below can alert you to a weather emergency through a loud audible

alarm, vibration, flashing lights, or any combination of these methods. They can also be expanded to alert you to other events in your home through the purchase of additional accessories, such as the doorbell or phone ringing.

Silent Call Weather Alert Radio with Strobe Light and Bed Shaker

This weather alert system warns you of hazardous conditions, giving you 24-hour, up-to-the-minute weather information, notifying you by light and vibration as well as a loud audible alarm on the Midland Emergency Weather Radio. The Weather Radio receives signals from NOAA, and when severe weather is about to strike it will alert you of the severity by illuminating one of three colored lights and displaying the specific warning (such as “TORNADO”). Program your specific state or county so you only get the warnings you need. The included battery backup powers the weather alert radio in case of power outage. *This system will not transmit to additional receivers.* **One year warranty.**

ADA Compliance

The **Americans with Disabilities Act (ADA) of 1990** requires that public and private entities make their facilities accessible to people with disabilities, including deaf and hard of hearing individuals.

This section focuses on ADA compliance for hotels, motels, and other places of public accommodation, which are required to provide a certain number of rooms equipped with signaling devices, phone amplifiers, and text telephones for their deaf and hard of hearing guests. Our prepackaged kits make it easy to comply with the ADA. The exact number of kits needed in order to become ADA compliant will depend on the total number of guest rooms you have in your facility.

Visit www.harriscomm.com/ADA to see our full selection of ADA kits or contact us for customized options!

Returns/Exchanges

Free return shipping is available if you live within the 48 contiguous United States. To process the return, you must contact customer service within 30 days of purchase to receive a Return Merchandise Authorization (RMA) number.

1-800-825-6758 Voice 1-800-825-9187 TTY
952-388-2152 Videophone

A small number of items that are not eligible for free shipping (as marked in the catalog), will not be eligible for free return shipping. Free return shipping offer is subject to change without notice.

Any shipping costs paid with the initial placement of the order are non-refundable.

To receive full credit on your return, carefully repack the merchandise in its original packaging. All items must be in "like new" condition, with all accessories, manuals, warranty cards, etc. to receive full credit. An exchange or in-store credit will be issued if these instructions are not followed. Merchandise and packing slip should be sent back to:

Harris Communications, Inc.
Returns Department - RMA # _____
15155 Technology Drive
Eden Prairie, MN 55344

Returns will not be accepted after 14 days from the date an RMA number has been issued. We reserve the right to charge a restocking fee for returns/exchanges. DVDs and computer software are not returnable once opened.

In the event that 30 days have passed, you are advised to follow the manufacturer's warranty instruction for repairs.

DAMAGED SHIPMENT

If you receive a product that has been damaged in shipping, keep all packing materials in the condition received. Report the damage immediately to the carrier, and wait for the carrier to inspect and pick-up the package. Call us to report the damage so we can process a replacement order.

Pricing

We work closely with our suppliers to ensure that pricing is up-to-date with the catalog printing (Nov. 1, 2016). However, all prices are subject to change without notice. Orders will be billed at the prices in effect at the time the order is processed. Please look at our website for the current price.

Backorders

Backorders occur when an item is on order from the manufacturer but has not yet arrived at our warehouse. Most back orders are filled in one to two weeks. Your credit card will not be charged until the item is ready to be shipped; exceptions are items that are low cost and are part of a large order.

Guaranteed Detection and Alerting for your Safety

Today's Best Smoke and CO Detection

Silent Call uses the latest technology—like photoelectric smoke alarms—because your safety is our top priority. Both Signature and Legacy series are built with quality and feature these key advantages:

- Integrated smoke and CO transmitters that are safer and more reliable than separate sound monitors
- Our unique Supervision (on Signature smoke detectors) to alert of needed trouble shooting
- Made in the USA
- ETL certification and ADA compliance
- Five year warranty

Choose the best!

Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations

This notice is provided under the authority of Connecticut General Statutes §9-612(G)(2), as amended by P.A. 10-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on the reverse side of this page).

CAMPAIGN CONTRIBUTION AND SOLICITATION LIMITATIONS

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee (which includes town committees).

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall **knowingly solicit** contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor or principals of the subcontractor* on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions of solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil Penalties – Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties – Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Additional information may be found on the website of the State Elections Enforcement Commission, www.ct.gov/seec. Click on the link to "Lobbyist/Contractor Limitations."

DEFINITIONS

“State contractor” means a person, business entity or nonprofit organization that enters into a state contract. Such person, business entity or nonprofit organization shall be deemed to be a state contractor until December thirty-first of the year in which such contract terminates. “State contractor” does not include a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person's capacity as a state or quasi-public agency employee.

“Prospective state contractor” means a person, business entity or nonprofit organization that (i) submits a response to a state contract solicitation by the state, a state agency or a quasi-public agency, or a proposal in response to a request for proposals by the state, a state agency or a quasi-public agency, until the contract has been entered into, or (ii) holds a valid prequalification certificate issued by the Commissioner of Administrative Services under section 4a-100. “Prospective state contractor” does not include a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person's capacity as a state or quasi-public agency employee.

“Principal of a state contractor or prospective state contractor” means (i) any individual who is a member of the board of directors of, or has an ownership interest of five per cent or more in, a state contractor or prospective state contractor, which is a business entity, except for an individual who is a member of the board of directors of a nonprofit organization, (ii) an individual who is employed by a state contractor or prospective state contractor, which is a business entity, as president, treasurer or executive vice president, (iii) an individual who is the chief executive officer of a state contractor or prospective state contractor, which is not a business entity, or if a state contractor or prospective state contractor has no such officer, then the officer who duly possesses comparable powers and duties, (iv) an officer or an employee of any state contractor or prospective state contractor who has *managerial or discretionary responsibilities with respect to a state contract*, (v) the spouse or a *dependent child* who is eighteen years of age or older of an individual described in this subparagraph, or (vi) a political committee established or controlled by an individual described in this subparagraph or the business entity or nonprofit organization that is the state contractor or prospective state contractor.

“State contract” means an agreement or contract with the state or any state agency or any quasi-public agency, let through a procurement process or otherwise, having a value of fifty thousand dollars or more, or a combination or series of such agreements or contracts having a value of one hundred thousand dollars or more in a calendar year, for (i) the rendition of services, (ii) the furnishing of any goods, material, supplies, equipment or any items of any kind, (iii) the construction, alteration or repair of any public building or public work, (iv) the acquisition, sale or lease of any land or building, (v) a licensing arrangement, or (vi) a grant, loan or loan guarantee. “State contract” does not include any agreement or contract with the state, any state agency or any quasi-public agency that is exclusively federally funded, an education loan, a loan to an individual for other than commercial purposes or any agreement or contract between the state or any state agency and the United States Department of the Navy or the United States Department of Defense.

“State contract solicitation” means a request by a state agency or quasi-public agency, in whatever form issued, including, but not limited to, an invitation to bid, request for proposals, request for information or request for quotes, inviting bids, quotes or other types of submittals, through a competitive procurement process or another process authorized by law waiving competitive procurement.

“Managerial or discretionary responsibilities with respect to a state contract” means having direct, extensive and substantive responsibilities with respect to the negotiation of the state contract and not peripheral, clerical or ministerial responsibilities.

“Dependent child” means a child residing in an individual's household who may legally be claimed as a dependent on the federal income tax of such Individual.

“Solicit” means (A) requesting that a contribution be made, (B) participating in any fund-raising activities for a candidate committee, exploratory committee, political committee or party committee, including, but not limited to, forwarding tickets to potential contributors, receiving contributions for transmission to any such committee or bundling contributions, (C) serving as chairperson, treasurer or deputy treasurer of any such committee, or (D) establishing a political committee for the sole purpose of soliciting or receiving contributions for any committee. Solicit does not include: (i) making a contribution that is otherwise permitted by Chapter 155 of the Connecticut General Statutes; (ii) informing any person of a position taken by a candidate for public office or a public official, (iii) notifying the person of any activities of, or contact information for, any candidate for public office; or (iv) serving as a member in any party committee or as an officer of such committee that is not otherwise prohibited in this section.

“Subcontractor” means any person, business entity or nonprofit organization that contracts to perform part or all of the obligations of a state contractor's state contract. Such person, business entity or nonprofit organization shall be deemed to be a subcontractor until December thirty first of the year in which the subcontract terminates. “Subcontractor” does not include (i) a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or (ii) an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person's capacity as a state or quasi-public agency employee.

“Principal of a subcontractor” means (i) any individual who is a member of the board of directors of, or has an ownership interest of five per cent or more in, a subcontractor, which is a business entity, except for an individual who is a member of the board of directors of a nonprofit organization, (ii) an individual who is employed by a subcontractor, which is a business entity, as president, treasurer or executive vice president, (iii) an individual who is the chief executive officer of a subcontractor, which is not a business entity, or if a subcontractor has no such officer, then the officer who duly possesses comparable powers and duties, (iv) an officer or an employee of any subcontractor who has managerial or discretionary responsibilities with respect to a subcontract with a state contractor, (v) the spouse or a dependent child who is eighteen years of age or older of an individual described in this subparagraph, or (vi) a political committee established or controlled by an individual described in this subparagraph or the business entity or nonprofit organization that is the subcontractor.
