My Eatzz!, Scott & Heather Amos: This awesome BBQ food truck can be found out and about serving BBQ pork, beef, tacos, nachos and an assortment of sides. Find him on Facebook (Amos Flava' Barbeque Sauce), Instagram, Web (amosFlava.com) or call 641.629.0605. Planning to serve most Mondays at 807 A Ave. West in Oskaloosa by State Farm Insurance. The food trailer was a dream for quite some time, then came the homemade sauce, then COVID challenges, and finally in the Fall of 2021 came the trailer.

This Mahaska Mixer is Flipping Pancakes

The Diplomats of the Mahaska Chamber & Development Group would like to invite Chamber members and friends of the Southern Iowa Fair to the next Mahaska Mixer for pancakes, sausage and drink served by Chris Cakes. Also known as the Buyers' Breakfast, this event is being hosted by the Fair Board and the Chamber Diplomats on Saturday, July 23, from 6:30 - 8:30 am. The event will be held in the Pavilion of the Southern Iowa Fairgrounds.

Plan now to join others for breakfast and show your appreciation to all who continue to make the Southern Iowa Fair new and exciting year after year. A HUGE thank you is extended to the Fair Board, 4-H, FFA, participants, leaders, sponsors—anyone responsible for making the fair possible. You are encouraged to attend the livestock ribbon auction that begins at 8 am as well.

Contact the Chamber at 641.672.2591 for further information.

Spinal Decompression Provides an Alternate Solution to Surgery

"I came to see Dr. Throckmorton because I was having a lot of lower neck pain with limited rotation and pain into my arm. I was afraid I was going to need surgery, but now, after several treatments of Decompression Therapy, I feel almost 100% better again."
- Brad S. of Fremont

"I've lived with constant pain for years. I've had spinal epidurals and other pain injections and they either didn't work or didn't work as well and I was taking a lot of pain medication. Dr. Throckmorton suggested Spinal Decompression Therapy to me. Since I came to See Dr. Throckmorton, I've already cut down the amount of pain medication drastically and I'm also able to stand and walk for much longer periods of time, and I'm sleeping through the night now. I'm looking forward to more treatments and more improvement! Thanks to Dr. Throckmorton and his warm staff, I have my life back."
- Shirley J.

Dr. Throckmorton performs rehabilitation of the cervical and lumbar spine by decompressing the discs of the neck or low back to relieve pressure on the nerves.

For more information about Spinal Decompression Therapy or to make an appointment for a free consultation with Dr. Throckmorton, call 641-673-8414 today!
