Transforming your Ideas into Meaningful Engagements

MENU CONSIDERATIONS

Our meals focus on healthier lunch options that balance familiar, youth-friendly and flavorful items with less familiar items. This balanced approach provides cost-effective options that offer meal variety and promote healthy eating habits. Our goal is to broaden the food spectrum without neglecting preferred foods.

Blue Magnolia follows a six-week cycle menu. During this period, entrees may be repeated no more than twice - except for kid-friendly favorites like tacos and pizza. Lunch will generally consist of an entrée, a side dish, fruit and low-fat milk.

MEAL PLANS AND PRICING

We offer four meal plans for your convenience:

2-day Meal Plan: Provides meals on Tuesdays and Thursdays.

5-day Meal Plan: Provides one week of meals. The minimum order that can be placed.

Full Semester Meal Plan: Provides one semester of meals.

Full Year Meal Plan: Our Best Value plan provides lunch for the entire school year at the most economical price.

Menus will be available in advance and will feature a balance of prepared-from-scratch food with ready-to-serve food. Meals will use in-season fruits and vegetables when available.
