

# 2016 Honor Roll of Donors with Board Leadership and Staff

## HONORING DU'S MAJOR SPONSORS

Major Sponsors have chosen to make an immediate and significant impact on wetlands conservation today through their support of Ducks Unlimited's mission. These philanthropists are leading the charge to secure our continent's wetland and waterfowl habitat to make the vision of full skies a reality.

Please contact Kathy McCollum at 901-758-3710 or [kmccollum@ducks.org](mailto:kmccollum@ducks.org) for information about being included in next year's annual report.

# A LETTER FROM DUCKS UNLIMITED SENIOR VICE PRESIDENT OF DEVELOPMENT **Mike Woodward**

---

It is my sincere pleasure to proudly recognize you, this year's Ducks Unlimited major donors.

Last year's success was considered by many as something that would be very difficult to achieve again this year, let alone surpass. As we finish year five of the seven-year *Rescue Our Wetlands* campaign we are just hitting our stride! The response of Ducks Unlimited's donors has been nothing short of amazing in FY16, with near record numbers of donors and support.

So how does Ducks Unlimited continue to challenge the norm? We will continue to succeed by focusing on the goals of the campaign at all levels of the organization. From the storied legions of volunteers, state and national leadership, and staff, we continue with a simple message, *Rescue Our Wetlands*. Backed by a science-driven approach that is showing us the way to success, you have responded with greater levels of support and have brought new supporters to the critical work Ducks Unlimited is doing.

Our beloved birds and their habitat continue to face increasing and changing threats. Your support, your concern, and your belief in the mission of Ducks Unlimited afford the birds the opportunity to adjust to these new challenges. I hope you are as proud of what we continue to accomplish as I am. You are making a real difference and I thank you.

As these pages recognize your part in this campaign, I challenge you again to think about what you want your favorite marsh, swamp, bayou or slough to look like 10 or 20 years from now. If the beauty of amber mornings, crimson evenings, a big blanket of snow, or an invigorating dousing of rain or sleet experienced from a duck blind is what you want future generations to enjoy, I ask you to continue to do great things. And to bring others with you to enjoy and protect these special places.

Thank you for the good work you do.

Michael R. Woodward  
*Senior Vice President of Development*

## President's Council

Recognition in the President's Council honors DU's staunchest supporters who make an annual cash gift of \$10,000 or more to our conservation mission. President's Council members understand that an ongoing and significant annual commitment is necessary to achieve our goals, and they are dedicated to making DU one of their highest giving priorities each year.

Ducks Unlimited is pleased to recognize the following individuals as members of the President's Council for the prior and current calendar year (as of July 15, 2016).

# Feather Society

Feather Society members make the ultimate gift to Ducks Unlimited by pledging their resources through deferred giving plans such as wills, trusts, gift annuities, retirement plans, and life insurance policies. These commitments ensure DU's ability to deliver our conservation mission beyond the donor's lifetime. We are pleased to recognize our Feather Society members with special thanks to those making a new commitment in fiscal year 2016.
