Arctic char (*Salvelinus alpinus*)
Arctic cod (*Boreogadus saida*)
Arctic flounder (*Liopsetta glacialis*)
Arctic grayling (*Thymallus arcticus*)
Arctic lamprey (*Lampetra camtschatica*)
Arctic sand lance (*Ammodytes hexapterus*)
Alaska blackfish (*Dallia pectoralis*)
Alaska plaice (*Pleuronectes quadrituberculatus*)
Bering cisco (*Coregonus laurettae*)
Bering poacher (*Occella dodecaedron*)
Bering wolfish (*Anarhichas orientalis*)
broad whitefish (*Coregonus nasus*)
burbot (*Lota lota*)
capelin (*Mallotus villosus*)
Dolly Varden (*Salvinus malma*)
humpback whitefish (*Coregonus pidschian*)
inconnu (sheefish) (*Stenodus leucichthys nelma*)
king crab: blue (*Paralithodes platypus*)
king crab: red (*Paralithodes camtschaticus*)
lake trout (*Salvelinus namaycush*)
least cisco (*Coregonus sardinella*)
longhead dab (*Liranda probiscidea*)
longnose sucker (*Catostomus catostomus*)
northern pike (*Esox lucius*)
ninespine stickleback (*Pungitius pungitius*)

Pacific halibut (*Hippoglossus stenolepis*)
Pacific herring (*Clupea pallasii*)
pond smelt (*Hypomesus olidus*)
pricklebacks (*Stichaeidae*)
rainbow smelt (*Osmerus mordax*)
ringtail snailfish (*Liparis rutteri*)
rock flounder (*Lepidosetta bilineata*)
rock greenling (terpug) (*Hexagrammus lagocephalus*)
round whitefish (*Prosopium cylindraceum*)
sculpins (*Cottidae*)
salmon: chinook (*Oncorhynchus tshawytscha*)
salmon: chum (*Oncorhynchus keta*)
salmon: coho (*Oncorhynchus kisutch*)
salmon: pink (*Oncorhynchus gorbusha*)
salmon: sockeye (*Oncorhynchus nerka*)
saffron cod (*Eleginus gracilis*)
snow crab (*Chionoecetes opilio*)
starry flounder (*Platichthys stellatus*)
sturgeon poacher (*Angonus acipenserinus*)
threespine stickleback (*Gasterosteus aculeatus*)
tubenose poacher (*Pallasina barbata aix*)
walleye pollock (*Gadus chalcogrammus*)
whitespotted greenling (*Hexagrammos stelleri*)
yellowfin sole (*Limanda aspera*)
