“Nice Girls Don't Speak Up Or Stand Out”
A conversation with Dr. Lois Frankel

This virtual meeting, based on the book of the same name, will focus on how women can communicate crisply, clearly, and confidently. Topics will include:

- The 7 techniques every woman needs in her communication toolkit
- How to handle bropropriating, maninterrupting and mansplaining
- Setting boundaries without saying “no”
- How to start a difficult conversation
- ...and so much more!

Dr. Frankel loves interacting with the audience so come prepared to ask your toughest communication questions!
