

NETWORK GIGABIT NAS & CLOUD STORAGE

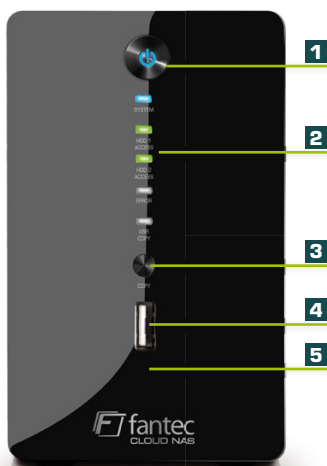

FANTEC CL-35B2

Store data and multimedia content centrally on the FANTEC CL-35B2 Cloud NAS multimedia server and connect it via GIGABIT ethernet to devices like PCs, smartphone, tablet, TV, hi-fi system, game consoles and media players or use worldwide availability over the Internet.

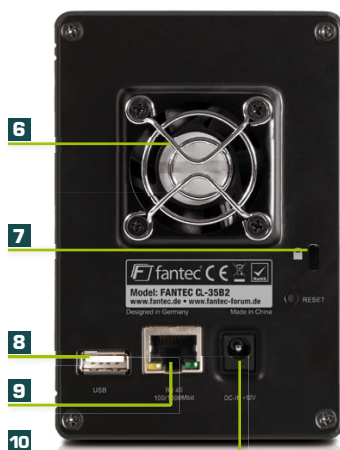

The WebDAV feature enables mapping as a network drive via the Internet and allows to handle the drive like a local disk.

To manage your content, the cloud feature provides to access the unit at any time via the Internet. In this way your data are always available, but still reserved for private access on your private cloud. The UPnP Media Server enables streaming of images, videos and music to game consoles like Xbox 360, PlayStation 3 or TV devices and media players. Moreover, even iTunes and other media libraries are supported.

Attached USB drives (NTFS/FAT/FAT32) can be shared in the network and it is possible to backup the data by pressing the backup button (FAT32/FAT). The internal print server turns an standard USB printer into a network printer. Various RAID modes offer several settings for data redundancy and data security. For mobile use there are free apps for the iPhone, iPad and Android available.

- 1 Power button
- 2 Status LEDs for HDD access, system standby, error & copy status
- 3 Button for copy/backup function
- 4 USB 2.0 port for storage devices
- 5 Exclusive product design with piano-lacquer

Specifications

Equipment

- NAS - Network Attached Storage
- Suitable for 2x8.89cm (3.5") SATA HDD
- Cloud portal service, world wide access via cloud function,
- WebDAV, to get world wide access to network shares and to handle the drive like a local disk
- GIGABIT LAN port
- Supports RAID modes 0, 1 & BIG
- Status LEDs (front) to show HDD access, system standby, errors & copy status
- Free apps for Apple & Android devices to get access via smartphone or tablet PC
- Flash user interface for directly playback of multimedia files in your web browser
- iTunes server, DynDNS client, UPnP server, FTP server, Samba server, print server, BitTorrent client
- Social media connectivity for Facebook, Flickr & Youtube
- HDD power off (spin down) to save energy
- Fan control, power off in synchronization with HDD power off
- Contacts manager & E-Mail notification

Supported UPnP clients

- Xbox 360 (JPG, MP3, WMV, XviD)
- PlayStation 3 (JPG, MP3, MPEG-1, MPEG-2, XviD)
- iTunes (MP3)
- Windows 7 (Windows Media Player)
- Many more UPnP clients

Connectors

- 2x SATA (internal)
- 1x GIGABIT ethernet (rear)
- 1x USB 2.0 host (front)
- 1x USB 2.0 host (rear)
- 1x power port (rear)

Power supply

- AC in 100-240V~, 50-60Hz
- DC out 12V/4A

Operating system

- Microsoft Windows XP, Vista, 7
- MacOS 10.5 and above
- Linux

Package contents

- 1x ethernet cable
- 1x external power supply
- CD with manual

Dimensions (item)

- 81 x 123 x 177mm (W x D x H)
- Netto weight ~0.8kg apiece

Logistical data

- Dimensions retailbox (252 x 128 x 224mm - W x D x H)
- Gross weight with retailbox ~1.5kg pro retailbox
- Dimensions carton (570 x 420 x 250mm - W x D x H)
- Carton 6 pieces each carton
- Total weight carton ~10kg
- EAN 4250273415582
