Sale prices and free shipping on orders of \$59 or more apply only to this flyer and cannot be combined with any other discount, or used in Blick retail stores. (Some exceptions apply. See below for details.)

The sale prices in this flyer are valid through December 31, 2017, or while supplies last.

SHIPPING METHODS

Depending upon the items ordered and destination, shipments to a residential address may be delivered by the local post office. Oversized or overweight orders may ship via freight line. In those cases average transit times will be extended and a delivery signature is required. Items shipped using FedEx Fast2Day service will be received by the customer within two business days, and will be shipped via air or ground. Please note that hazardous items cannot be shipped to destinations outside the continental U.S.

THIRD-PARTY SHIPPING NOTE

Due to our long-term history of significant shipping volume, Blick has already negotiated very favorable shipping terms with major carriers nationwide for small and large orders, as well as offering free shipping on orders that meet our minimum dollar value. Therefore, it is rarely advantageous to our customers for us to work through a third-party shipping consultant or ship and bill individual or corporate accounts.

FOB FACTORY AND OVERSIZED ITEMS

Items that include "MF" in front of the item number will, in most cases, be shipped directly from the factory and will not qualify for our free freight offer unless otherwise stated. Additional shipping charges do apply for these items. If you have any questions, call 800.828.4548. Please allow additional time for delivery. Some items shipped directly from the factory may not be available for express shipping.

SHIPPING & HANDLING CHARGES — Merchandise orders totaling \$59 or more ship freight-free via FedEx Best Value whenever possible. **EXCEPTIONS:** Additional shipping charges will be added to factory-direct (FOB) shipments, oversized or overweight orders that require lift gate and/or inside delivery; international and U.S. Territory orders; and shipments to Alaska, Hawaii, and Puerto Rico. Shipment of the following stocked art materials will be billed at an additional cost: linoleum rolls; stretched canvas 36" x 36" and larger; oversized panels; select oversized frames; any combination of clay, plaster, and molding material totaling 50 lbs or more; packages of foamboard; all GBC Classiccut Ingento Cutters and Trimmers; the Blick 906 Model II Etching Press, the Blick 999 Model II Etching Press, the Blick Master Etch Model II Press, and all Blick Model II Benches; all kilns and pottery wheels; and some shelters. Paper or boards may be assorted to reach the quantity of 10. Some stocked furniture items will be shipped by truck and billed at an additional cost.

Handling Charge — When ordering sheets of paper or board larger than 18" x 24" in quantities of less than 10, a per order handling fee applies. Paper or boards may be assorted to reach the quantity of 10. **TRUCK SHIPMENT** — Delivers your item to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately \$110. For an additional \$35 a smaller truck with a lift gate will lower your merchandise from the truck to the ground. For an additional \$25, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating, disposing of packing materials, and installation are not included. Questions? Call 800.828.4548.

PRICES — All prices are subject to change without notice. We reserve the right to correct typographical errors in our catalogs. Due to volatility in world markets for paper, steel, and energy, it may be necessary for our suppliers to increase prices on some items. We will do our best to absorb these increases, but we may need to increase prices on some of our products as a result. In addition, if product-specific trade tariffs or duties are imposed, we may need to pass those increases along to you as well.

HEAVY BODY ACRYLIC™

cadmium-free

The only difference? Cadmium-Free is safer for you.

As an artist, you take risks every day. But if there's one thing you should be able to rely on, it's your tools. Recently, cadmium in paint has come into question. Some say cadmium risks your health. Others say non-cadmium risks quality. But you shouldn't have to choose one over the other.

So we created the world's first non-cadmium acrylic paint with the same brightness, color strength, and opacity as cadmium paint.
