

# TikkunCircle

2021 Celebration of  
Leadership Giving

## The practice of *tikkun olam* – our sacred duty to repair the world – is central to our community, our organization, and our People.

Through our partnership, we have remained a dependable resource during uncertain times, continuing our steadfast commitment to the health and vitality of our Jewish community, and caring for the most vulnerable among us in our eternal endeavor to maintain the dynamic tapestry of Jewish life in Southern Arizona and beyond.

Thanks to the support of our generous donors, we have sustained the vibrancy and health of the Tucson Jewish community while making critical investments for the future. Over the past year, we have been able to maintain or increase our allocations to beneficiary agencies just as demand for service has increased.

Through our Jewish Emergency Financial Assistance (JEFA) fund, we provided direct financial aid and case management services to 162 unique households.

Hundreds of individuals received help from Jewish Elder Access, which provides key services for older adults and adults with disabilities within the Jewish community.

We have proudly funded the transition to a new building for the Taglit program, which provides young adults with special needs resources and programming designed to help them live fulfilling lives.

Your contribution provides continued support for Jewish education in our community, including through the Tucson Hebrew Academy, Hebrew for Credit, and UA Hillel.

Your *tzedakah* does a world of good beyond Southern Arizona, too. Your generosity supports the Jewish Agency for Israel (JAFI) and the Joint Distribution Committee (JDC), amplifying our positive impact in the lives of those in need across 70 countries.

With your partnership, we have been able to make significant investments in security for our local Jewish institutions, enabling our community to continue engaging in Jewish life with confidence.

Your generosity last year allowed the Jewish Federation of Southern Arizona (now Jewish Philanthropies of Southern Arizona) to make meaningful impacts both in our local community and across the globe. Together, we have adapted to meet changing needs.

It is with deep gratitude that we acknowledge and honor each of our 2021 Tikkun Circle donors (\$1,000 or more; \$500 for single-person households) for supporting our work. Through your participation in our Annual Campaign, you join more than 2,500 other donors, volunteers, and professionals in our ongoing mission to support, sustain, and enrich our community.

Your generosity makes it all possible. Thank you.

Bruce Ash, Board Chair

## LEGACY SOCIETY

Jewish tradition teaches that one of our cherished responsibilities is to make the world a better place for future generations. The Jewish Federation of Southern Arizona's (now Jewish Philanthropies of Southern Arizona's) Legacy Society and Legacy Circle were created to recognize those who plan to provide support in perpetuity for the local, national, and global work of the Federation. Through the Legacy Society, we have the opportunity to build a vibrant Jewish community forever. We are deeply grateful for the community members listed below whose generosity will spread light to future generations and whose names will be honored in perpetuity.

**Sarah and Jeff Artzi**
