# OHL Priority Selection Process

In 2001, the Ontario Hockey League conducted the annual Priority Selection process by way of the Internet for the first time in league history.

The new process allowed for eligible players and their families, as well as fans across the league to follow the process in real time online.

The 2023 OHL Priority Selection will once again be conducted online beginning with Rounds 1-3 on Friday, April 21st at 7:00pm followed by Rounds 4-15 on Saturday, April 22nd at 9:00am. You can follow the entire process online at [www.ontariohockeyleague.com](http://www.ontariohockeyleague.com) and streaming live on OHL Live. Day 1 of the Priority Selection will be aired across the province on YourTV, Rogers tv, Eastlink, Cable 14 and Shaw Spotlight community stations, and will also be carried on the OHL Action Pak channel 463.

## Player Eligibility

North American players born in 2007 and non-coverage players that were not registered with an Ontario based U16 AAA team from protected OHL territories are eligible for selection in the 15 rounds of the 2023 OHL Priority Selection.

## Selected Players in the OHL

OHL Member Teams are permitted to register a maximum of four 16 year old players selected in the OHL Priority Selection. Those 16 year old players that are allowed to be signed are the first two 16 year old players selected and a maximum of two additional 16 year old wild carded players in any round of the OHL Priority Selection.

All other 16-year-old players selected are eligible to be called up as an “affiliated player” or “floating affiliate player” for a maximum of 10 games or for any OHL regular season or playoff games when such player’s team has been eliminated from competition for that season.

## Order of Selection

The order of selection is determined by inverse order of finish during the past OHL regular season schedule of games with non-playoff teams participating in a lottery process to determine the order of selection for picks 1-through-4 in the first round. The Erie Otters were winners of the 2023 OHL Priority Selection Lottery and will select first overall.

## OHL Central Scouting

The Central Scouting Bureau of the Ontario Hockey League is an information service and support organization designed to provide the Member Teams with a reference in regards to the players available for selection in the annual “Priority Selection Process.”

The primary objective of OHL Central Scouting is to identify, rate and rank players to be eligible for the Priority Selection, according to their OHL potential. OHL Member Teams combine player data received from the Central

Scouting Bureau with evaluations from their team scouting staffs to make their player selections.

The OHL Central Scouting Bureau has been evaluating players since the 1975-76 season.

## Jack Ferguson Award

The Jack Ferguson Award, also known as “The Fergie” is presented annually to the first player selected in the OHL Priority Selection. The award is named for the former long-time Director of OHL Central Scouting and a team scout with several OHL clubs during his long career.
