*January 2021 – December 2022*

## U.S. Government Relations & Pfizer PAC

### Leading the Conversation and Making an Impact

### A Message from Rady Johnson & Sally Susman, Co-Chairs, Pfizer PAC

We are pleased to share our 2022 election cycle political contributions report, which includes a list of candidates and political committees supported either by Pfizer Inc. or the Pfizer PAC from January 1, 2021, through December 31, 2022.

It has been an incredible year marked by excellence, as our colleagues continue to deliver breakthrough medicines and vaccines. We are proud of our work this past year to advance policies, both at the state and federal levels, to lower prescription drug costs and increase access to medicines and vaccines. Important policies were advanced at the state and federal levels to lower costs for patients, but that work continues to defend against policies that may inhibit patient access to innovative medicines.

In the 2022 cycle, the Pfizer PAC and Pfizer Inc. supported 1,927 candidates and multiple political committees from both sides of the aisle and at all levels of government. Fifty-two percent of the Pfizer PAC disbursements went to Republicans and forty-eight percent went to Democrats. Our advocacy efforts would not be possible without the loyal support of our Pfizer PAC members. Equally, our legislative successes will not be a reality without the drive and dedication of our U.S. Policy and Government Relations team. They are the boots on the ground all day every day educating elected officials about Pfizer's purpose and policy priorities and, in doing so, putting patients first.

As Pfizer's Chief Compliance, Quality, Risk and Chief Corporate Affairs Officers, we can tell you unequivocally that our decision to contribute to any candidate or elected official is made based on that individual's voting record on policies that support and further innovation incentives, manufacturing, a secure supply chain, patient affordability, and IP rights. Our PAC support and corporate political contributions do not imply an endorsement of a candidate or elected official's position on any social or religious issue. Similarly, before final decisions are made, we consider a candidate's or elected official's ethical conduct to ensure Pfizer's values are upheld.

We hope you will take some time to review our 2022 political contributions report. As we look ahead to 2023, one of our priorities will continue to be to help shape the political and regulatory environment so that Pfizer and our industry can thrive in bringing healthcare solutions to patients, especially to those who need them most.

As Pfizer's PAC Co-Chairs, and through our interactions with candidates and elected officials, we see first-hand how decisions are made that impact our ability to bring breakthroughs to patients and healthcare providers who rely on us every day. When we lead the policy conversation, we can ensure our voice is heard and that we can continue to focus on putting patients first in everything we do.

Thank you for your support,

**Rady Johnson**  
Executive Vice President  
Chief Compliance, Quality & Risk Officer  
Co-Chair, Pfizer PAC

**Sally Susman**  
Executive Vice President  
Chief Corporate Affairs Officer  
Co-Chair, Pfizer PAC

## **PFIZER PAC**

### **Leading the Conversation.**

#### **What is a PAC?**

PAC stands for Political Action Committee. A political action committee is a government-regulated organization that anyone can form to raise money for political campaign donations. PACs are formed by individuals, non-profits, and even many major corporations.

#### **How Does Pfizer PAC Work?**

The Pfizer political action committee, Pfizer PAC, is a nonpartisan organization that provides opportunities for employees to participate in the American political process. The Pfizer PAC is an employee-run organization with a Steering Committee made up of Pfizer employees from different divisions of the company. All corporate PACs are funded by voluntary employee contributions. Pfizer PAC is no different; it relies on the participation of Pfizer colleagues.

#### **Who Receives Pfizer PAC Contributions?**

Pfizer PAC is nonpartisan. It supports Democrats and Republicans alike. From January 2021 through December 2022, Pfizer PAC supported 1,072 candidates. True to its nonpartisan values, Pfizer PAC is committed to support candidates from both political parties who share Pfizer's vision and values for healthcare. When choosing to make a contribution to a candidate, the Pfizer PAC considers candidates' views on issues that impact Pfizer and its employees as well as the presence of Pfizer facilities or employees in the candidate's district or state. A complete list of Pfizer PAC and state corporate political contributions for January 2021 - December 2022 is included in this report.

## PFIZER PAC & POLITICAL CONTRIBUTIONS GOVERNANCE POLICY

Pfizer complies fully with all federal, state, and local laws and reporting requirements governing PAC and corporate political contributions.

Pfizer has a Corporate Policy Procedure (#802a) that requires all PAC and corporate political contributions to be compiled and published annually in a report that is made available to employees, shareholders, and the public, and posted on the Company's website at [www.pfizer.com](http://www.pfizer.com) in "Political Partnerships" under the "About Pfizer" tab within the "Programs & Policies" section. At the end of each Federal cycle (every two years), the Pfizer PAC is audited by Withum, a certified public accounting and advisory firm.

Pfizer also requests that trade associations receiving total payments of \$100,000 or more from Pfizer in a given year report the portion of Pfizer dues or payments used for expenditures or contributions that, if made directly by Pfizer, would not be deductible under section 162(e)(1)(B) of the Internal Revenue Code. We are disclosing such information received from our trade associations in this report. In 2023, we will request this information described above from the trade associations receiving total payments of \$25,000 or more.

Pfizer has a PAC Steering Committee comprised of nine colleagues who review and approve all PAC and corporate political contributions on a monthly basis. To ensure adequate representation, Steering Committee members represent different divisions within the Pfizer organization. The PAC Steering Committee evaluates candidates on a basis of their views on issues that impact Pfizer and its colleagues. It also takes note of whether Pfizer facilities or colleagues reside in a candidate's district or state. In addition, all PAC and corporate contribution requests are shared with the Pfizer Political Contributions Policy Committee for review. The Political Contributions Policy Committee is responsible for governing the Pfizer PAC.

Pfizer does not traditionally make contributions to 527 Issue Organizations. If we were asked to make such a contribution, it would have to be reviewed and approved by the Political Contributions Policy Committee and subsequently disclosed in our semi-annual report.

Finally, in light of the Supreme Court decision in the Citizens United case, Pfizer has determined that it will not make any direct independent expenditures, a decision which has been discussed at the executive level as well as with the Corporate Governance Committee of our Board.

<b>Financial Statements</b>	
Combined Statements of Assets, Liabilities and Net Assets Arising from Cash Transactions – Cash Basis	<b>82</b>
Combined Statements of Revenue, Expenses and Changes in Net Assets Arising from Cash Transactions – Cash Basis	<b>83</b>
Notes to Combined Financial Statements – Cash Basis	<b>84-85</b>

## INDEPENDENT AUDITOR'S REPORT

To the Steering Committee of  
Pfizer Inc. Political Action Committee:

### Opinion

We have audited the combined financial statements of Pfizer Inc. Political Action Committee (the "Committee"), which comprise the combined statements of assets, liabilities and net assets arising from cash transactions as of December 31, 2022 and 2021, and the related combined statements of revenue, expenses, and changes in net assets arising from cash transactions for the years then ended, and the related notes to the combined financial statements (the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the assets, liabilities and net assets of the Committee as of December 31, 2022 and 2021, and its revenue, expenses and changes in net assets for the years then ended in accordance with the cash basis of accounting described in Note 2.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Committee and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting, as described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Committee's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Committee's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

**1. COMMITTEE DESCRIPTION**

The Pfizer Inc. Political Action Committee (the “Committee”) was formed by Pfizer Inc. (the “Company”) to solicit and receive voluntary political contributions from employees and stockholders of the Company and certain subsidiaries to assist candidates for elective office. The Committee was registered with the Federal Election Commission in April 1976. During 2022 and 2021, contributions could be designated by the contributor to a specific candidate or political party for political office. Designated contributions are remitted directly to the candidate or political party by the Committee on behalf of the contributor. There were no such designated contributions in 2022 and 2021. Contributions to the Committee which are undesignated are subsequently designated by the Committee's Steering Committee.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The combined financial statements of the Committee have been prepared using the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, revenue and the related assets are recognized when received rather than when earned. Expenses are recognized when paid rather than when the obligation is incurred. The combined financial statements of the Committee include several political action committees which were formed to comply with certain state laws.

**Accounting Estimates**

The preparation of combined financial statements requires management to make estimates and assumptions that affect the reporting of assets, liabilities and contingencies, if any, at the date of the combined financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**Revenue and Expense Recognition**

Contributions are recognized as revenue in the period cash is received or withheld from the Company's payroll. Contributions to candidates at the discretion of the Committee are recognized when distributed. Interest income and bank charges are recognized when reported on the bank statement.

The Company pays all administrative salaries and benefits, legal fees, and other administrative fees on behalf of the Committee. These costs are not reflected in the accompanying combined statements of revenue, expenses, and changes in net assets arising from cash transactions.

**Net Assets**

Net assets are reported as with donor restriction if they arise from contributions received with donor stipulations on their use. When a donor restriction expires, that is, the purpose of the restriction is accomplished, net assets with restrictions are reclassified to net assets without restrictions and reported in the combined statements of revenue, expenses and changes in net assets arising from cash transactions as net assets released from restrictions. There were no net assets with donor restrictions held by the Committee at December 31, 2022 and 2021 or during the years then ended.

**Functional Expenses**

For the years ended December 31, 2022 and 2021, political expenses are shown as program expenses, and state filing fees are shown as administrative expenses on the combined statements of revenue, expenses and changes in net assets arising from cash transactions. No state filing fees were incurred during the years ended December 31, 2022 and 2021. No costs have been allocated among program and administrative expenses.

**December 31, 2022 and 2021**

---

**Subsequent Events**

In preparing these combined financial statements, management of the Committee has evaluated events and transactions that occurred after December 31, 2022 for potential disclosure in the combined financial statements. These events and transactions were evaluated through March 28, 2023, the date that the combined financial statements were available to be issued, and no items have come to the attention of management that require disclosure.

**3. INFORMATION REGARDING LIQUIDITY AND AVAILABILITY**

As of December 31, 2022 and 2021, the Committee has \$371,084 and \$644,759, respectively, of cash available to meet the cash needs for general expenditures within one year. None of the cash is subject to donor or other contractual restrictions that make it unavailable for general expenditures. As the Company pays the operating expenses of the Committee, the Committee generally uses cash collected to make political contributions.

**4. INCOME TAX STATUS**

The Committee is exempt from federal and state income taxes under Section 527 of the Internal Revenue Code and related state statutes, except for taxes on its investment income, which is taxed at the highest corporate tax rate.

Management of an organization is required to evaluate income tax positions taken and disclose an income tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has evaluated the income tax positions taken by the Committee and concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require disclosure of a liability in the combined financial statements. The Committee is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. In addition, there have been no tax related interest or penalties for the periods presented in these combined financial statements. Should such penalties and interest be incurred, the Committee's policy is to recognize them as operating expenses. Management believes the Committee is no longer subject to income tax examinations for years prior to 2018.

**5. RELATED PARTY TRANSACTIONS**

The Company pays certain general administrative and overhead expenses on behalf of the Committee. These expenses are not reimbursed nor are they accounted for in these combined financial statements.

**6. CONCENTRATIONS**

The Committee has significant cash balances at financial institutions which throughout the year regularly exceed the federally insured limit of \$250,000. Any loss incurred or a lack of access to such funds could have a significant adverse impact on the Committee's financial condition, results of operations, and cash flows.
