Members of the Funeral Directors Association of Kentucky established in 1983, for all their members, the Funeral Funding Trust of Kentucky.

This preneed program was made available to assist the funeral homes in providing preneed accounts to the families they served.

Trust brochures are available, and we are now providing to our trust members a new and very helpful "Funeral Planning Guide" for their families.

PNC Bank, one of the nation's largest financial services companies, is the Trustee of the Funeral Funding Trust of KY. The goal is to protect and manage your funds in strict accordance with the Kentucky preneed trust law. The Funeral Funding Trust of KY has earned the trust of funeral homes and thousands of families they serve across the Commonwealth.

Please give us a call if you have any questions or need additional information--**1/800-866-3211**.

Advantages & Services
